

The Order 5841

Chapter: 5841

“who?”

Ye Liancheng frowned and his face became extremely ugly!

Ye Liancheng didn't know Chen Ping, but he was very angry when he saw Chen Ping destroying the shield!

And there is still a bit of doubt. After all, this is deep in the Ye family's backyard. How did Chen Ping, a stranger, break in?

Just when Ye Liancheng was confused, the sound of fighting in the front yard also came over!

Just blocked by the shield, Ye Liancheng had no idea what was happening!

But now that the shield was gone, the sound of fighting kept coming, which made Ye Liancheng freeze up and look in the direction of the sound in disbelief!

Chen Ping took advantage of Ye Liancheng's confusion and smacked his palm suddenly!

The sky and the earth dimmed instantly, and thunder and lightning flashed across the clouds!

“Thunder Palm...”

When Chen Pingping faced Ye Liancheng, he used a unique move every time he made a move!

Chen Ping, who has understood the origin of thunder and lightning, with this palm strike, the entire holy pool area is covered by the Thunder Palm!

Countless bolts of lightning crashed down from mid-air!

Ye Liancheng's eyes narrowed, and an aura suddenly burst out from his whole body, and then this aura directly covered the entire holy pool!

Ye Feng is in a critical moment now, he can't let anyone disturb him!

What if something unexpected happens when these lightning strikes the holy pool?

Ye Liancheng's first thought was to protect the holy pool!

On the other side of the holy pool, those members of the Ye family who had thrown various rare treasures into the holy pool were all struck by lightning, and each one screamed and fell towards the holy pool!

When Ye Liancheng saw this, his palms shook slightly, and the aura covering the holy pool flashed with light!

The bodies of the Ye family members who fell towards the holy pool were directly shaken into streaks of blood mist, and then were blown away by a gust of wind!

Not a drop of blood was left in the holy pool!

After Chen Ping fired the Thunder Palm, he plunged into the holy pool without hesitation!

"Boy, you are looking for death..."

Seeing that Chen Ping was about to jump into the holy pool, Ye Liancheng panicked!

Chapter: 5842

I saw Ye Liancheng shooting out thousands of rays of light with one palm, covering the sky and the sun!

As expected of a ninth-level monk in the Tribulation Realm, the power unleashed by this casual palm was simply not something Chen Ping could compete with!

Moreover, there is still aura covering the holy pool. Chen Ping is afraid that he will not be able to jump into the holy pool and become a blood mist like those of the Ye family!

For the sake of his son, Ye Liancheng would not let go of the Ye family!

Golden light erupted from Chen Ping's body, and his body was covered with an indestructible golden body!

Then Chen Ping took out the clock!

One after another spiritual power is continuously input into the clock!

"Quick start, quick start..."

Chen Ping knew that if he wanted to overcome Ye Liancheng's aura, he had to use the clock's time technique!

Seeing that Chen Ping was about to hit Ye Liancheng's aura, the clock showed no reaction!

This made Chen Ping anxious!

Above Chen Ping's head, thousands of rays of light shot out!

Roar.....

Just when Chen Ping was extremely anxious, there was a sudden roar of a monster!

The clock in Chen Ping's hand flashed, and the hands actually moved!

Chen Ping was surprised to find that the flow around him suddenly became very slow!

The light that was originally as fast as lightning is now like fireworks, falling bit by bit!

The aura covered by the holy pool also turned into ripples in Chen Ping's eyes, flowing slowly!

Chen Ping looked around. Everything seemed to be still, and the flow of time almost stopped!

Chen Ping smiled, knowing that he had succeeded!

At this moment, Ye Liancheng's eyes were wide open, as if he had seen a ghost!

In Ye Liancheng's eyes, a strange space suddenly appeared around Chen Ping's body, and his thousands of rays of light became extremely slow as they entered this strange space, as if they had stopped!

Ye Liancheng didn't even know that Chen Ping was using a time weapon!

Because the area affected by the time magic weapon is not large, only a few meters away from Chen Ping, the flow rate of time is affected!

Chapter: 5843

Chen Ping's body was slowly falling, and he easily passed through Ye Liancheng's aura covering the holy pool!

The whole person fell into the holy pool!

After Chen Ping entered the holy pool, the flow of time returned to normal instantly!

Chen Ping felt the strange aura in the holy pool and raised the corners of his mouth!

“Little Devouring Sky Beast, thank you so much...”

Chen Ping knew that if it weren't for the sky-swallowing beast, he might not be able to open the clock!

After Chen Ping entered the holy pool, he quickly swam down!

When Ye Liancheng saw Chen Ping jumping into the holy pool, he immediately roared angrily!

“Damn it, I will cut you into pieces...”

Ye Liancheng cursed and looked at the holy pool. After hesitating for a moment, he jumped in too!

Ye Liancheng knew that the more people entered this holy pool, the less helpful it would be to everyone!

But now he has no choice but to catch up with Chen Ping!

If his son is disturbed and his bloodline is not reshaped, then the Ye family will have no heirs!

At this time, Chen Ping swam desperately downstream, hoping to find out his spiritual consciousness, but found that the spiritual consciousness could not be emitted here at all!

Moreover, the water in this pool was so cold that Chen Ping felt as if he had fallen into an ice cave!

The body seemed to be frozen.

Chen Ping was very puzzled. There was such a cold atmosphere in the pool, so why didn't the pool freeze?

Chen Ping ignited a ball of fire in his Dantian!

This made me feel a lot more comfortable. Although I no longer felt the biting cold, the clear water could not be seen very far, as if the water always had a misty appearance!

Although you can't see it, the sound can travel far here!

Chen Ping heard a popping sound, it must be Ye Liancheng jumping in!

Chen Ping hurriedly stopped himself from making any sound, and then headed towards the bottom of the pool!

As Chen Ping went deeper and deeper, the cold air became more intense, and Chen Ping had to mobilize the fire element to wrap around his body!

Before reaching the bottom of the pool, Chen Ping felt that he was about to consume a lot of strength!

Chapter: 5844

"Damn it, how did that boy from the Ye family get into the bottom of the pool?"

Chen Ping couldn't help but curse!

You must know that Chen Ping has the origin of fire and the existence of ultimate fire. It is very difficult to resist this cold air!

And Ye Feng, who couldn't understand the origin of the fire system, how could he enter the holy pool for such a long time without any problems?

Chen Ping kept diving, but Ye Liancheng's face was gloomy and he was very anxious inside!

He knew that Chen Ping must be going after his son!

Now Ye Liancheng must not let Chen Ping disturb his son's rebirth and bloodline!

But when Ye Liancheng entered the holy pool, as he continued to dive, he felt that the cold air was getting stronger and stronger, and his body could no longer bear it!

At this time, Ye Liancheng could only desperately use the spiritual power in his body to protect his whole body and resist the cold breath of the holy pool!

Ye Liancheng is a ninth-level monk in the Tribulation Realm, so he can still bear it!

At this moment, Ye Feng was already floating in the water, with fireworks surrounding his body!

And in Ye Feng's hand, a fiery red bead was also emitting light!

Ye Feng's face was solemn, and he continued to absorb the special aura in the holy pool to reshape his bloodline!

At Ye Feng's feet, there is still a bottomless water area, but Ye Feng is afraid and does not dare to go deeper!

The reason why he was able to sneak here was because of the Fire Spirit Pearl in his hand.

This fire spirit bead was brought by those demon cultivators of the Flame Demon lineage!

Ye Liancheng took the initiative to contact them, and these demon cultivators also wanted to form a cooperative relationship with the Demon Sealing Alliance, so they came all the way with the Fire Spirit Orb!

This is why Chen Ping was wondering why he met the demon cultivators from the flame demon lineage in the far north in the southern region!

“In a few hours, my bloodline will be reshaped, and then I will no longer have to be locked in a small dark room.”

Ye Feng was extremely happy!

For so many years, he has been living in darkness!

Fortunately, Ye Liancheng discovered the holy pool and knew the secret of the holy pool, so he secretly killed the original owner of the holy pool and occupied the entire holy pool!

However, the holy pool was protected by a formation, and Ye Liancheng had no way to break the formation, so he contacted several formation masters to open the formation!

It's a pity that the strength of these formation masters was so poor that they failed to succeed for a long time, so Ye Liancheng paid attention to the Sheng family!

Chapter: 5845

The Sheng family has its own reputation in the Tianmo Mountain area, and even in the entire Southern Territory, and Ye Liancheng cannot threaten him directly!

They can only induce the Sheng family to join the Demon Sealing Alliance!

Only then did the two brothers Sheng Tiantai and Sheng Bushi have different political opinions!

Ye Feng doesn't know what his father has done for him. Now he just wants to rebuild his bloodline as soon as possible!

But just when Ye Feng was desperately absorbing the breath of the holy pool, he suddenly heard the sound of waves of water!

Ye Feng looked up and couldn't see anything at all!

But the sound was clearly audible, as if someone was swimming above his head!

"How could someone enter the holy pool? Could it be my father?"

Ye Feng was full of doubts!

You must know that the special aura in this holy pool is limited. In order to increase the aura in the holy pool, Ye Liancheng poured almost all the resources of the Ye family into the holy pool!

There is no way he would let anyone else enter the holy pool!

Moreover, the cold air in this holy pool is not something that ordinary people can bear. If there is no special protection, the cold will definitely enter the body and cause damage to the meridians!

It is impossible for Ye Liancheng to enter the holy pool casually!

Ye Feng seemed at a loss when listening to the sound of water flow, because he was distracted and forgot to absorb the breath of the holy pool!

Just when Ye Feng was at a loss and hesitant, a figure slowly appeared!

When Ye Feng saw Chen Ping's figure, he was stunned!

He found that he didn't know this person at all, and he didn't seem to be a member of the Ye family!

“Who are you? How did you break into our Ye family’s holy pool?”

Ye Feng asked Chen Ping!

When Chen Ping saw Ye Feng, he was slightly startled. He thought that this kid had already been at the bottom of the pool, but he didn’t expect that he hadn’t reached the bottom of the pool yet!

When Chen Ping was about to speak, his eyes were instantly attracted by the fire spirit bead in Ye Feng’s hand. Chen Ping immediately understood why Ye Feng was able to enter the depths of the holy pool. It turned out that he had a treasure in his hand!

“Mr. Chen, this is the fire spirit bead, the most precious treasure of the Balrog. With this fire spirit bead, the original ultimate fire in Mr. Chen’s body may be improved a lot.”

“I never expected that the Fire Spirit Orb of Balrog would appear in this guy’s hand.”

In his mind, Zhe Yan said excitedly to Chen Ping!

Chapter: 5846

As a demon cultivator of the Flame Demon lineage, Zhe Yan certainly knew the Fire Spirit Pearl.

When Chen Ping heard that it was the Flame Demon treasure, his eyes lit up. He finally understood why there was a demon cultivator from the Flame Demon lineage in the Ye family. They should have sent the Fire Spirit Bead!

“It seems that this Balrog also wants to collude with the Demon-Sealing Alliance!”

Chen Ping said with a cold smile!

“For so many years, the Flame Demon has been hiding in the far north. You must know that the cold place is the most difficult for our Yan Demon lineage to practice.”

“But in order to avoid being hunted and hunted, Balrog has been hiding in the far north, so he is safe and sound.”

“Now it seems that Balrog wants to cooperate with the Demon-Sealing Alliance and leave the Far North.”

Zhe Yan analyzed!

Although Zhe Yan is not very strong, he knows a lot about the Yanma lineage!

“You are right. Now the strength of the Demon-Sealing Alliance is spread all over the world of heaven and humans. It is a time when the limelight is unparalleled. It is normal for the Balrog to want to cooperate with the Demon-Sealing Alliance.”

Chen Ping nodded!

While Chen Ping was communicating with Zhe Yan, Ye Feng was still looking at Chen Ping suspiciously!

He didn't understand how Chen Ping got here, and Chen Ping was also surrounded by flames!

“Who are you? Why did you enter my Ye family's holy pool?”

“Do you also have a fire orb in your hand that can withstand the cold?”

Ye Feng asked Chen Ping curiously!

This guy had no doubt at all that Chen Ping was hostile to him!

Still asking questions, I don't know how to escape!

Hearing Ye Feng's question, Chen Ping nodded quickly and said, "I am the great disciple of Yan Mo, and I came to find you when I entered the holy pool."

"The fire spirit bead in your hand has some flaws, so I was afraid that if you went into the bottom of the pool with the fire spirit bead, you would not be able to withstand the cold air in the holy pool, so I specially brought a new fire spirit bead."

Chen Ping opened his hand, and a ball was wrapped in a ball of beating flames!

In fact, this is just a transformation made by Chen Ping using extreme fire. Where is the fire spirit bead!

Hearing Chen Ping say that he was the great disciple of Yan Mo, Ye Feng didn't even have the slightest doubt!

After all, he knew that the holy pool was guarded by his father personally, and it was impossible for ordinary people to enter the holy pool!

Chapter: 5847

What's more, not many people knew that the demon cultivators from the Flame Demon lineage had sent the Fire Spirit Pearl!

When Chen Ping said this, of course Ye Feng would not doubt it!

"No wonder I felt something cold when I got here, so I didn't dare to dive down. It turns out that this fire spirit bead is defective."

Ye Feng looked at the Fire Spirit Pearl in his hand and showed great disgust!

"Mr. Ye, let's replace the Fire Spirit Pearl now, so that I can go back and do business."

Chen Ping slowly approached Ye Feng!

Zhe Yan couldn't stop laughing when she heard that Chen Ping claimed to be the great disciple of Yan Mo!

But Chen Ping's reaction speed is indeed fast enough!

But just when Chen Ping was approaching Ye Feng and Ye Feng was about to give Chen Ping the Fire Spirit Pearl in his hand, he suddenly shouted loudly!

"Feng'er, don't be fooled. This guy is not a great disciple of the Flame Demon. He is lying to you."

Ye Liancheng's figure suddenly appeared, heading towards Chen Ping quickly!

When Ye Feng heard this, he quickly took back his outstretched hand!

Chen Ping saw that Ye Liancheng was here, so he stepped forward to snatch the Fire Spirit Bead from Ye Feng's hand!

Without the Fire Spirit Pearl, Ye Feng would definitely be frozen to death by the cold air in the holy pool!

When Ye Feng saw Chen Ping coming to snatch him, he quickly shouted: "Dad, save me, hurry up and save me..."

Ye Feng grabbed the Fire Spirit Pearl tightly and dived downwards with all his strength!

Ye Liancheng was so angry that he went crazy when he saw his son being chased by Chen Ping!

He chased Chen Ping desperately!

“If you dare to touch my son, you are seeking death...”

Ye Liancheng shouted loudly, and his spiritual power surged instantly!

Then he slapped Chen Ping with a palm!

It's just that Ye Liancheng used a lot of spiritual power to protect his body from the cold air, and the water in the holy pool blocked it!

So Ye Liancheng's palm didn't even exert half of its usual power!

Seeing this, Chen Ping kicked Ye Feng, causing Ye Feng to dive deep into the depths quickly!

Chapter: 5848

“Boy, please remember that when you ascend to immortality, I will let you know whether I am a man or not.”

The man looked at Chen Ping coldly, then his figure gradually blurred, and finally disappeared!

The entire light curtain also disappeared, and now only the Fire Spirit Pearl and the Sky-Mending Stone were emitting light!

All the pressure in the holy pool disappeared, and the bottom of the pool became extremely calm!

“Mr. Chen, you seem to have offended an immortal. If you become an immortal and enter the immortal world, will you be retaliated against?”

Zhe Yan said to Chen Ping!

“Whatever, what happened just now, if I didn’t scold him and let Ye Liancheng walk out of the light curtain, we would all be doomed.”

Chen Ping said and picked up the Fire Spirit Bead!

When Chen Ping got the Sky-Building Stone, the Heart Condensation Technique in his body began to move far away on its own, and the huge suction force continued to absorb the breath in the Sky-Building Stone!

Chen Ping looked surprised, but he quickly came to his senses, sat cross-legged and began to refine the aura!

Maybe with this sky-repairing stone, Chen Ping’s realm can be improved to a higher level!

Chen Ping can practice steadily this time, and time is passing by minute by second!

Above the holy pool, the eldest elder of the Ye family and others were anxious!

Ye Liancheng has been in the water for so long, but there is no movement at all, which makes everyone in the Ye family panic!

Moreover, after a period of chaos, the holy pool immediately became calm, and now there is no movement!

The great elder and his men have been staring at the holy pool for a long time!

“Great Elder, the master of the house has been silent for such a long time. Could it be that...”

Someone asked the great elder worriedly!

“Don’t talk nonsense. The head of the family is a ninth-level master of the Tribulation Realm. There will definitely be no problem. Let’s wait...”

The great elder scolded.

Now that Ye Liancheng is not here, the Great Elder has the final say, and Ye Feng has returned to that small dark room again!

Now it’s not just the Ye family who are worried, but also Moshan Gui Lao and the others!

“Mr. Chen has been here for such a long time and he still hasn’t left the Ye family. Is something going to happen?”

Chapter: 5849

Devil Mountain Ghost frowned.

“How about we rush into Ye’s house to have a look? Logically speaking, after such a long time, no matter what happened to Mr. Chen, there should be news.”

Luo Shouhai is also worried about Chen Ping’s safety!

“Just the few of us, aren’t we seeking death by rushing into Ye’s house?”

Bai Qian looked at Devil Mountain Ghost and the others!

Now there are only four of them, and everyone in the Sheng family has evacuated. After all, there are too many Sheng family members to dare to lurk in Yecheng!

Just the four of them, Moshan Guilao, Luo Shouhai, Bai Qian and Ji Yun, if they broke into the Ye family, how could they be the opponents of the Ye family!

What's more, the head of the Ye family is a ninth-level monk in the Tribulation Realm, and the Demon Mountain Ghost Elder is no match for him!

"Hey, can we just keep waiting like this?"

Old Devil Mountain Ghost sighed!

Everyone was silent. They were in a dilemma at this moment!

"Let's rush into Ye's house together and look for Mr. Chen..."

At this moment, Sheng Bushi suddenly appeared in front of several people!

"Master Sheng, haven't you already returned to the Sheng family?"

Seeing Sheng Bushi, Bai Qian asked curiously!

"I went back to the Sheng family. I made some simple arrangements and brought my people back. Mr. Chen was trapped in the Ye family to save me. How could I just sit back and watch?"

"It's been so long, and there's still no news about Mr. Chen. We have to go to the Ye family to find out. Even if we are fighting to the death with the Ye family, so what!"

Sheng Bushi's eyes flashed with fighting spirit!

For Chen Ping, what if we follow the Ye family and fight to the death again?

The Sheng family can die, but they must never repay their kindness!

With Sheng Bushi, Devil Shan Gui Lao and the others are full of fighting spirit!

“Without further delay, we will rush into the Ye family to find Mr. Chen now. If something unexpected happens to Mr. Chen, even if I risk my life and blow myself up, I will make the Ye family pay the price.”

Devil Mountain Ghost Old Man said with a ferocious expression!

“Let’s go find Mr. Chen...”

Luo Shouhai also said loudly!

The group of people headed towards the Ye family without any concealment!

Chapter: 5850

“Great Elder, the Sheng family has brought people back to kill...”

Just when Sheng Bushi and the others were heading towards the Ye family, someone immediately reported it to the elder of the Ye family!

Upon seeing this, the eldest elder of the Ye family quickly summoned everyone in the Ye family to guard the front yard!

Sheng Bushi and Demon Mountain Ghost Lao and the others arrived and started doing it without saying a word!

After all, they have fought once before, and each of them has already been filled with anger!

So as soon as they met, they fell into a fierce fight!

“Demon Princess, follow Ji Yun to the Holy Pool to find Mr. Chen...”

The Demon Mountain Ghost said loudly to Bai Qian!

Bai Qian nodded and led Ji Yun towards the Ye family's backyard!

“Stop them and never let them go to the holy pool...” The eldest elder of the Ye family roared!

Everyone in the Ye family blocked Bai Qian and Ji Yun.

But Devil Shan Guilao and Luo Shouhai kept opening the way for the two of them!

The battle moved from the front yard to the backyard, and finally moved to the location of the holy pool!

There were spiritual energy fluctuations everywhere, as well as shouts, shouts, and groans that could be heard clearly throughout Yecheng!

Monks continue to die, including people from the Ye family and people from the Sheng family!

Although Ye Liancheng is not here, the eldest elder of the Ye family and several other elders can still support him!

Especially the Demon Mountain Ghost Elder, who was directly taken care of by the eldest elder of the Ye family alone!

Because the eldest elder of the Ye family can see that the Demon Mountain Ghost is always the strongest here!

And Luo Shouhai, whose strength is at the eighth level of the Tribulation Realm, cannot be overshadowed!

If it weren't for these two people, the Sheng family alone would be defeated soon if they fought with the Ye family!

"Issue an order to protect the city quickly? Hurry..."

The eldest elder of the Ye family was retreating steadily in front of the Devil Mountain Ghost Elder, and shouted helplessly!

Ye Liancheng is not here, and Ye Feng is in the dark room, unable to do anything. Now only he can give orders!

Accompanied by a bright firework, it rose into the sky and then exploded in mid-air!
