

The Order 5851

Chapter: 5851

Half of the sky was instantly illuminated red!

The people in Yecheng all looked up to the sky, and then rushed towards the Ye family with weapons in hand!

The Ye family has absolute status and prestige in Ye City, otherwise the entire city would not be named after the Ye family!

Now that the city protection order is issued, everyone in Yecheng must rise up to protect the city!

From all directions, dark crowds kept pouring towards the Ye family!

Although the strength of these people varies, and there are not very strong monks, there are so many people on the other side, and the darkness is overwhelming!

Sheng Bushi's face instantly turned ugly!

Luo Shouhai and Devil Mountain Ghost Elder also frowned!

None of them had ever thought that the Ye family could actually mobilize the entire Ye City!

This is too outrageous.

"All the Sheng family members must obey orders and set up formations. These people must not be allowed to rush into the Ye family."

Sheng Bushi roared, taking out the talisman first and throwing it high into the air!

Seeing this, other members of the Sheng family also started to set up formations!

They have to isolate the entire Ye family with formations!

If these people from Ye City rush into Ye's house, none of them will be able to escape!

Originally, there was no advantage in fighting with the Ye family, but with the addition of people like Ye Cheng, there was no suspense!

Soon, the entire Ye family was surrounded by rays of light!

Some monks rushed to the formation, rushed into the formation, and were instantly knocked away by a powerful force!

Sheng Bushi asked everyone in the Sheng family to form a formation, which instantly put them at a disadvantage!

Because such a huge formation must be maintained by someone, and it must be constantly repaired.

There are so many people outside attacking this formation. Even if they don't attack the formation's eye position, I'm afraid they will soon destroy the formation!

Sheng Bushi must let some of the Sheng family maintain the formation from being destroyed!

Now the whole scene is supported by Luo Shouhai, Moshan Guilao and Bai Qian!

Ye Cheng was constantly attacking the formation. Sheng Jiayue and Sheng Jiahui took part of the Sheng family and gritted their teeth to hold on!

Chapter: 5852

Talismans were thrown out one after another by the Sheng family!

But even so, it can't withstand the bombardment of everyone!

Cracks began to appear in the shield around the formation. It is estimated that it will not take long for the formation to completely collapse!

"Dad, I can't hold it anymore..."

Sheng Jiayue shouted loudly to Sheng Bushi!

"I have to hold on even to death..."

Sheng Bushi couldn't get away at all and roared at Sheng Jiayue!

But more and more people in the Sheng family are dying!

Devil Mountain Ghost Old Man and the others were also being pestered by the elders of the Ye family!

Seeing that the formation was about to collapse and everyone in the Sheng family and Demon Mountain Ghost were about to die here, suddenly countless black clouds floated in the sky and gathered here!

There are streaks of lightning flashing through the black clouds!

The entire Ye City was shrouded in darkness!

This sudden change made everyone stop and stare blankly at the sky!

“What’s happening here?”

Someone asked in confusion!

“Lei Jie Yun, is someone about to break through?”

Sheng Bushi glanced at the black clouds in the sky and said with doubts on his face!

How could someone make a breakthrough at this time?

There are very few people who break through the realm in battle.

And they are all here, and they don’t see any signs of breakthrough!

No one knew what was going on. They quietly looked at the thunder clouds in the sky. The oppressive atmosphere in the thunder clouds made everyone dare not act rashly!

“This Thunder Tribulation Cloud is so powerful. Could it be that the master wants to break through the Tribulation Realm and become a Mahayana Realm monk?”

The Great Elder felt that the aura of this Thunder Tribulation Cloud was very powerful. It should be the Thunder Tribulation Cloud caused by the breakthrough of high-level monks!

This thunder cloud will break through according to the size of the realm, and its power will also be different!

Chapter: 5853

Moreover, there are many monks who simply cannot trigger the thunder calamity when they break through!

Rumble.....

Accompanied by a loud noise, a thunderstorm came down and struck the holy pool hard!

The water in the holy pool suddenly seemed to be violently split open!

Seeing that the thunder tribulation actually struck the holy pool, the great elder instantly became excited!

“Hahaha, it was the head of the family who made a breakthrough, it was the head of the house who made a breakthrough. No wonder the head of the house didn’t come out of the holy pool for such a long time.”

“After breaking through to the Mahayana realm, I don’t think anyone in the entire southern region dares to be an enemy of our Ye family...”

The great elder laughed excitedly!

The other Ye family members also raised their arms and shouted!

Sheng Bushi and the others frowned, their faces full of worry!

If Ye Liancheng really breaks through to the Mahayana realm, then no one in the Sheng family, including Old Devil Mountain Ghost and the others, will be able to survive!

You know, the realm after transcending the tribulation is increasingly difficult to cross, but every time you cross a big realm, your strength will increase exponentially!

When they truly ascend to become immortals, these ordinary monks will be like ants!

This is why many monks spend their entire lives cultivating to become immortals!

“What should we do?” Luo Shouhai frowned and looked at Devil Mountain Guilao and Bai Qian!

Now they join forces, and while Ye Liancheng is still making a breakthrough, they can still rush out!

But after Ye Liancheng broke through, it was almost impossible for them to escape!

Devil Shan Guilao and Bai Qian also frowned. Chen Ping has not been found yet. If Ye Liancheng is also in the holy pool, Chen Ping may be in danger!

“This Thunder Tribulation Cloud belongs to Mr. Chen. Mr. Chen must have made a breakthrough.”

Ji Yun looked up at the thunder clouds in the sky and said slowly!

“How do you know?” Luo Shouhai was stunned!

“Intuition, I have been following Mr. Chen for such a long time, and I feel that Mr. Chen caused this thunder cloud.”

Ji Yun is the one they are most familiar with following Chen Ping!

When Ji Yun said it was intuition, everyone stopped talking. After all, intuition is unconvincing!

Chapter: 5854

The bottom of the holy pool!

Chen Ping’s whole body was shrouded in white light, like holy light!

A large amount of white aura began to flow out of Chen Ping’s body. The thunderstorm just hit Chen Ping with a bang and was directly blocked by the white aura!

This kind of breath is exactly the breath in the Sky-Building Stone, which has been absorbed into Chen Ping's body!

As the breath continued to flow out, the water in the holy pool seemed to be boiling, rolling and bubbles rising!

Then, the water in the holy pool exploded and turned into water arrows that shot out in all directions!

This sudden change caused everyone to retreat!

Then there was a bang!

A figure broke out of the water and flew directly out of the holy pool!

"Welcome to the master..."

Upon seeing this, the great elder quickly knelt down and worshiped.

The rest of the Ye family also knelt down and worshiped!

But Sheng Bushi and the others just stared at the figure that rushed out!

When the figure slowly floated in the air, Sheng Bushi and the others saw its appearance clearly!

"Mr. Chen, it's Mr. Chen..."

Ji Yun roared happily!

Sheng Bushi and the others also cheered, especially Bai Qian, who actually had tears in his eyes with excitement!

Bai Qian already has feelings for Chen Ping at this time. If she could, she would give her life for Chen Ping!

And Chen Ping was suspended in the air, with white light emitting around his body, like a god coming to the world!

Thunder calamities struck Chen Ping one after another, but Chen Ping's body remained motionless!

The aura in the Sky-Mending Stone is indeed different from the spiritual energy!

When Chen Ping made a breakthrough, a powerful aura emitted from all around his body!

Chen Ping could easily resist the thunder tribulation without any effort!

Seeing the scene in front of him, the eldest elder of the Ye family was dumbfounded!

Chapter: 5855

The rest of the Ye family were also stupid!

How could it be possible to break through from the first level of the Tribulation Realm to the second level and attract such a powerful thunder and calamity cloud?

Moreover, such a powerful thunder tribulation could not move Chen Ping at all, as if it was scratching an itch!

You must know that the coercion radiated by the thunder and calamity cloud just now was unbearable for many people, let alone the thunder and calamity hitting them one after another!

Everyone in the Ye family seemed to be stunned, staring blankly at Chen Ping in mid-air!

They simply don't understand what's going on!

Where is their head?

Just when everyone in the Ye family was stunned, Chen Ping had already been baptized by Thunder Tribulation!

Chen Ping, who was promoted to the second level of the Daodu Tribulation Realm, had an obvious change in his aura!

Chen Ping looked coldly at the Ye family below, and shouted angrily: "Your family leader has been executed by me, do you still want to resist?"

"Anyone who dares to resist will be killed without mercy..."

Chen Ping's words were like a heavy hammer, hitting the hearts of everyone in the Ye family!

"You killed the head of the family? Impossible, absolutely impossible..."

The eyes of the first elder of the Ye family were full of disbelief, and he shook his head desperately and said: "Our master is a ninth-level monk in the Tribulation Realm. How could you be killed by a first-level Tribulation Realm? You are lying..."

"Really?" Chen Ping smiled coldly and grabbed it casually!

There was a huge suction, and even the water in the holy pool was washed up!

The water in the pool kept churning like a waterspout, and soon the two bodies of Ye Liancheng were brought out!

When the two pieces of Ye Liancheng's body were placed in front of everyone in the Ye family, everyone in the Ye family was dumbfounded!

The last glimmer of hope in their hearts is gone!

Ye Liancheng was indeed killed by Chen Ping!

The great elder sat down on the ground in despair!

The rest of the Ye family instantly lost all intention of resisting!

Seeing this, everyone lowered their heads. A smile appeared on Chen Ping's face, and then he looked outside the Ye family.

Outside the Ye family, thousands of monks are waiting to rush into the Ye family and drive away Sheng Bushi and the others!

Chapter: 5856

"Go back quickly, otherwise don't blame me for being rude..."

Chen Ping's tone was very sharp, and every word was like thunder, causing everyone in Yecheng to be shocked!

In addition, Chen Ping had a mysterious aura flowing around him, so the monks in Yecheng turned around and ran away!

Everyone in Yecheng ran away, and Sheng Bushi also withdrew the formation!

The eldest elder of the Ye family looked at Chen Ping helplessly, and finally fell to his knees on the ground!

Everyone in the Ye family also knelt down one after another!

Chen Ping looked at the Ye family members who were kneeling on the ground, and felt relieved in his heart.

He didn't kill Ye Liancheng at all. He was just bluffing. Unexpectedly, the Ye family members believed it!

If the eldest elder of the Ye family and the Ye family still fight tooth and nail, plus the people from Ye City, even if Chen Ping breaks through to the second level of the Tribulation Realm, it will be completely meaningless.

There are too many people on the other side, and the Ye family is also the branch of the Demon Sealing Alliance. If the other branches of the Demon Sealing Alliance get the news, they will definitely rush to help the Ye family quickly!

When the time comes, Chen Ping and the others are afraid that none of them will be able to escape. The elders of the Ye family don't know Chen Ping's identity now, and neither do the Ye family members, so they kneel down and beg for mercy!

If it were known that Chen Ping was the one who killed Zuo Xuan and was the number one person being hunted by the Demon Sealing Alliance, it is estimated that the Ye family would have tried their best to keep Chen Ping!

Sheng Bushi and others were shocked when they saw everyone in the Ye family kneeling at Chen Ping's feet!

"let's go....."

Chen Ping said to Sheng Bushi and others!

There is no need to stay in the Ye family now. Ye Liancheng is dead, and it is estimated that the Ye family will no longer get the attention of the Demon Sealing Alliance in the future!

Chen Ping took Sheng Bushi and others back to the Sheng family!

This time, the children of the Sheng family also suffered heavy losses, and Sheng Tiantai was also seriously injured. At this time, he knelt on the ground with a face full of shame!

Although Sheng Bushi and Sheng Jiayue were rescued, many people in the Sheng family died!

“Brother, everything is my fault. I want to kill you or chop you into pieces. I am ashamed of the ancestors of our Sheng family...”

Sheng Tiantai lowered his head and said!

Sheng Bushi looked at Sheng Tiantai without saying a word!

Because he didn't know what to say. After all, many people in the Sheng family died because of Sheng Tiantai!

But he couldn't bear to ask him to execute his younger brother now!

Chapter: 5857

“Dad, although the second uncle made mistakes, his starting point was for the good of the Sheng family, but he was deceived by the Ye family.”

“Besides, my second uncle also worked very hard and killed many members of the Ye family. I hope you can be given a lighter sentence.”

Sheng Jiahui opened her mouth to plead for Sheng Tiantai!

Chen Ping took Bai Qian and the others aside and said nothing. After all, this was a household matter of the Sheng family, so there was no need for him to get involved!

However, Chen Ping could tell that Sheng Bushi didn't want to kill Sheng Tiantai, but it was difficult to follow the instructions of everyone in the Sheng family!

What he needs now is for someone to stand up and intercede for Sheng Tiantai!

"Master, although the Second Master made a mistake, his crime is not punishable by death. I hope you will think twice."

Long Bo also asked for mercy!

This time, Sheng Bushi felt confident, so he looked at Sheng Tiantai and said, "Sheng Tiantai, no matter what your starting point is, you have indirectly killed so many people in our Sheng family."

"Although death penalty can be avoided, living crime cannot be escaped. You can go down first. How to punish you will be decided after discussion."

When Sheng Tiantai heard this, he kowtowed repeatedly. At least he didn't have to die!

After Sheng Tiantai was taken away, Sheng Bushi looked at Chen Ping with great gratitude and said, "Mr. Chen, thank you so much. If it weren't for you, our Sheng family would probably be doomed."

"I wonder why Mr. Chen came here suddenly?"

Sheng Bushi didn't understand why Chen Ping suddenly came to visit the Sheng family at this time!

Chen Ping didn't hide anything and told the story about Blood Spirit Valley!

Hearing that Blood Spirit Valley had been massacred, Sheng Bushi arrived and was surprised!

"Mr. Chen, it is not something that only one or two people can do to massacre the Blood Spirit Valley. Moreover, according to the guidance of the Spirit Rhinoceros, the last aura of the Blood Spirit Valley was

in this direction, but our Sheng family does not have the ability to destroy the Blood Spirit Valley. Gu, and there is no need for the Ye family to do this. Besides, during this period, the Ye family has been planning for our Sheng family to join the Demon Sealing Alliance, and they have no energy to do it.”

Sheng Bushi was very puzzled as to how the rhinoceros beast could lead Chen Ping in this direction!

“Master Sheng, are there no other forces in this direction besides Fan Cheng and Ye Cheng?”

“I heard that there are other five major sects...”

Chen Ping said!

“After our two cities, further forward is the territory of the five major sects. The five major sects built their bases according to the directions of the Five Elements and Bagua. However, after passing the five major sects, there are no other forces.”

“If you want to encounter the sect’s forces, you have to go out of the Tianmo Mountain area. I’m afraid you have to walk thousands of miles. I guess it can’t be done by forces outside the Tianmo Mountain area.”

Sheng Bushi said!

Chapter: 5858

“Is it the fault of these five major sects?”

Chen Ping frowned slightly!

“We in the Blood Spirit Valley follow the five major sects and have no grievances. Why do they want to do this?”

Luo Shouhai didn’t understand that they followed the five major sects and didn’t celebrate the festival. Why did the five major sects do this!

“Mr. Chen, I have some friendship with the five major sects. Let me go and have a look with you. The five major sects often buy talismans from us.”

“The Five Elements Array where their five major sects are stationed was set up with the help of our ancestors of the Sheng family back then.”

Sheng Bushi said!

When Chen Ping heard this, he nodded repeatedly and said, “That’s really troublesome for Master Sheng...”

Chen Ping didn’t want to start a conflict with the five major sects. If the five major sects didn’t do this, and they came to argue with him like this, a conflict would probably occur!

It would be much better if Sheng Bushi was in the middle!

But if it was done by the five major sects, no matter what the five major sects were capable of, Chen Ping would have to follow them!

“Mr. Chen saved our Sheng family from danger. Don’t talk about this. Even if Mr. Chen asks our Sheng family to fight hard, our Sheng family will never back down.”

“It’s getting late now. Mr. Chen should stay here for one night. We’ll set off early tomorrow morning.”

Sheng Bushi is very grateful to Chen Ping!

Chen Ping nodded and said, “It’s okay. I just used my evening time to help Master Sheng write a few formation secrets. I hope it can help the Sheng family.”

Chen Ping knew that Sheng Tiantai had dedicated many of the Sheng family’s formation secrets to the Ye family!

Now Chen Ping's understanding of formations is obviously beyond the reach of the Sheng family, so Chen Ping wants to write some formation secrets to help the Sheng family!

When Sheng Bushi heard this, he quickly knelt down to Chen Ping.

"Thank you Mr. Chen, thank you Mr. Chen..."

Sheng Bushi kowtows repeatedly!

"Master Sheng, don't be polite!"

Chen Ping helped Sheng Bushi up!

At this time, Huofeng came with the Rhinoceros Beast in his arms. Originally, Huofeng took the Rhinoceros Beast to play. When he returned, he found that everyone was gone, so he also entered Fancheng and inquired about the Sheng family!

Sheng Bushi settled down Chen Ping and the others. Because of the fierce battle, Bai Qian did not ask Chen Ping to improve his bloodline and took a rest early!

Chapter: 5859

Huofeng hugged the rhinoceros beast and did not go to Chen Ping!

Chen Ping had a rare moment of relaxation this night!

Chen Ping, who had nothing to do, began to refine the fire spirit beads to increase the power of the fire element!

The fire spirit beads slowly began to disappear under Chen Ping's absorption, and then Chen Ping urged the fire source stars to continuously absorb them!

In Chen Ping's origin space, the origin stars are trembling slightly!

Chen Ping's fire source stars are getting brighter and brighter, and they are slowly expanding, and there seems to be some kind of aura that is closely connected between the source stars.

"Can different original auras be integrated?"

Chen Ping also felt the connection between the original stars!

This was something he had never felt before. Could it be because of the aura of the Sky-Mending Stone that gave Chen Ping a connection between his original stars?

As the Fire Spirit Bead was slowly absorbed and disappeared, Chen Ping's fire source star directly broke through a shackle.

boom!

An origin aura erupted, and the fire origin stars in Chen Ping's origin space instantly skyrocketed, becoming larger than the other origin stars!

And the fire source stars have become much brighter!

Chen Ping was a little surprised when he saw this. He didn't expect that this source star could be promoted!

"It seems like this Fire Spirit Bead is really a good thing. If I have the chance to get more, I just don't know how many Fire Spirit Beads the Balrog has."

Chen Ping was thinking in his heart!

Then Chen Ping took out the Sky Mending Stone from the storage ring!

At this time, the patching stone was gray-brown, without any luster, just like an ordinary stone, without any breath!

The Sky-Mending Stone was sucked dry by Chen Ping, which raised Chen Ping's realm from the first level of the Tribulation Realm to the second level!

Chen Ping looked at the Sky-Building Stone in his hand, thinking about inputting all the original powers in his body into the Sky-Building Stone to see what reaction it would have!

Since these types of origin stars are connected, then these types of origin powers should also be able to be integrated!

Just when Chen Ping was about to do the experiment, there was a knock on the door!

"Please come in..."

Chen Ping wondered, who would come to his room so late?

Chapter: 5860

Could it be Huofeng and Bai Qian?

Chen Ping wanted to take a night's rest, but I didn't want those two people to torment me anymore.

The door opened, and it turned out to be Sheng Jiahui holding a night of hot noodles!

"Mr. Chen, I saw it was so late and the lights were still on in your room, so I made you some midnight snacks in case you were hungry..."

Sheng Jiahui said!

Sheng Jiahui was wearing a translucent pajamas. Under the moonlight, her graceful figure was clearly visible!

Chen Ping just raised his head and quickly lowered his head!

He knew why Sheng Jiahui came here. He was now a monk in the Tribulation Realm. Even if he didn't eat, he wouldn't be hungry. Sheng Jiahui's excuse was simply not valid!

But since Sheng Jiahui was kind-hearted, Chen Ping smiled slightly and said, "Thank you, Miss Sheng..."

Sheng Jiahui put the noodles on the table, saw the stone in Chen Ping's hand, and moved over!

"What is this? It's a very ordinary stone. If Mr. Chen likes stones, Tianmo Mountain has all kinds of stones."

Sheng Jiahui deliberately brought her body close to Chen Ping and pressed directly against Chen Ping!

"This is the Sky Mending Stone, obtained from the Ye family's holy pool."

Chen Ping said directly!

"The Sky-Mending Stone? Could this stone be used to patch the sky? Is it used by Nuwa to patch the sky?"

When Sheng Jiahui heard this, she immediately became interested!

Chen Ping smiled and said, "I don't know if that's true, but this stone is no ordinary stone."

As Chen Ping spoke, he directed the original aura in his body towards the Butian Stone!

The origin of fire, the origin of thunder and lightning, the origin of illusion...

When Chen Ping input various sources of power into the Sky-Building Stone, the Sky-Building Stone began to tremble, and then emitted light!

A strange aura began to appear slowly, and that aura was actually the same as the aura that existed at the beginning of the Mending Sky Stone!

Chen Ping was very shocked!

You must know that Chen Ping suddenly reached the second level of the Tribulation Realm because of this strange aura!

If various source powers can be integrated into this kind of aura, Chen Ping can use the source power to practice and improve his realm!

Just when Chen Ping was about to use the aura in the Sky-Mending Stone to practice, he suddenly heard a roar!

The Sky-Swallowing Beast ran out of Chen Ping's Storage Ring and ate it in one bite!

"You little beast, spit it out..."

Chen Ping was startled and shouted quickly, but after the Sky-Swallowing Beast swallowed the Sky-Mending Stone, he ran back again!

"Ah...what is this? It's so scary!"

When Sheng Jiahui saw the sky-swallowing beast, she was startled and hurriedly threw herself into Chen Ping's arms!

Chen Ping looked helpless and gently comforted Sheng Jiahui!

But Sheng Jiahui suddenly threw Chen Ping on the bed!

“Miss Sheng, don’t...”

Chen Pingyuan originally wanted to take a night’s rest, but...
