

The Order 5861

Chapter: 5861

Early the next morning!

Sheng Bushi came to call Chen Ping to set off!

Sheng Jiahui blushed and ran out of Chen Ping's room!

Seeing his daughter's appearance, Sheng Bushi laughed!

Chen Ping was so kind to the Sheng family, and Sheng Bushi had nothing to repay except letting his daughter accompany Chen Ping!

What's more, he can also see that Sheng Jiahui also likes Chen Ping!

So what happened last night was all caused by Sheng Bushi asking Sheng Jiahui to do this!

Chen Ping put on his clothes and walked out of the room, feeling a little embarrassed when he was definitely in his prime!

"Mr. Chen, I wonder if the little girl served you well last night?"

Sheng Bushi stepped forward and asked in a low voice!

When Chen Ping heard this, he knew that Sheng Jiahui was sent by Sheng Bushi, so he sighed softly and said: "Master Sheng, I can understand your mood, but I am wandering and cannot give any guarantee to Miss Sheng. Maybe once there is no possibility of seeing each other again after we say goodbye."

Chen Ping was very helpless, just like the two sisters Ji Meiling and Ji Meiyuan of the Ji family. Although they were already married and had done everything, Chen Ping didn't know if they would see each other again. possible!

At that time, Chen Ping was also forced to have sex with the Ji family sisters because of the immortal finger of the ancestor of the Ji family!

“Mr. Chen, don’t be stressed. It is her blessing that my daughter can be favored by Mr. Chen. Even if we never meet again, I believe that my daughter will always remember this night. If she can get pregnant and give birth to a child, Having a son and a daughter is the greatest blessing for my Sheng family.”

“With Mr. Chen’s ability, the children in the future will certainly be able to do the same.”

Sheng Bushi didn’t care at all whether Chen Ping could marry Sheng Jiahui, it didn’t matter even if they didn’t meet!

He even wanted Sheng Jiahui to be pregnant with Chen Ping’s child. When the child stays in the Sheng family, it may be able to change the fate of the Sheng family!

After hearing what Sheng Bushi said, Chen Ping was stunned for a moment!

A word suddenly flashed in his mind!

Stallion.....

Chen Ping didn’t know how to answer Sheng Bushi!

I don’t even know whether I should be happy or angry!

“Master, can we set off now?”

Huofeng came over at this time holding the rhinoceros beast, and Bai Qian also followed!

Chapter: 5862

“Okay, let’s go...”

Chen Ping nodded!

After walking out of Fancheng, Huofeng put down the spirit beast. After whispering a few words in the ear of the spirit beast, the spirit beast began to run wildly!

Chen Ping and the others were chasing the rhinoceros beast closely from behind!

On a hillside not far away, Sheng Jiahui stared blankly at Chen Ping not far away!

Looking at Chen Ping’s back, I feel mixed emotions in my heart!

She was so happy last night!

But she knew that this kind of happiness might never come again in the future!

“Chen Ping, you were so happy last night. If I hadn’t been too tired and had gone to bed early, I would have squeezed you dry.”

Bai Qian came close to Chen Ping and said with a playful expression!

Chen Ping was speechless when he saw Bai Qian like that. It had been so long, and Bai Qian was still pestering him!

But Chen Ping also knew in his heart that the initial deal between him and Bai Qian had slowly changed!

Bai Qian has feelings for him, and he seems to have feelings for Bai Qian too!

Now Bai Qian may be able to sacrifice his life for himself without hesitation!

It was this emotional change that made Chen Ping let Bai Qian follow him!

Seeing that Chen Ping was silent, Bai Qian whispered again: "The eldest lady of the Sheng family is secretly looking at you. She must be so happy last night that she can't bear to leave you..."

After Chen Ping heard this, he quickly looked back and found Sheng Jiahui on the hillside not far away, staring at them closely!

"Why don't you go and say goodbye to that little girl?"

Bai Qian asked!

"No need, we are just passers-by in life."

After Chen Ping finished speaking, he speeded up!

A few hours later, Chen Ping and the others arrived on a hill!

Under the hills, there are clusters of houses that look messy, but if you look closely, you will find that these houses are actually built according to the Five Elements and Bagua!

And these houses form a circle. In the middle of the circle, there is a building. This is where the five major sects hold collective meetings!

Chapter: 5863

"Mr. Chen, this is where the five major sects are located. These five major sects are Tianchen Sect, Tianhai Sect, Tianluo Sect, Tianyue Sect, and Tianyang Sect."

"Among them, the leader of the Tianluo Sect, Luo, is considered the head of the five major sects, and the leader of the Tianhai Sect, Hai Dafu, is the most cruel among the five major sects."

“These five major sects used to have one ancestor. Later, they slowly developed and became five major sects. However, the five major sects always work together. There is no difference between following a sect.”

“If what happened in Blood Spirit Valley is really the fault of the five major sects, I hope Mr. Chen will not be impulsive, otherwise we may not be able to get out of the five major sects.”

Sheng Bushi followed Chen Ping and introduced the five major sects!

“Okay!” Chen Ping nodded. Chen Ping himself knew that it was still impossible for them to compete against the five major sects!

Seeing Chen Ping agree, Sheng Bushi took Chen Ping and the others down the high hill and walked towards the five major sects!

The five major sects are all shrouded in formations, and the presence or absence of energy shields can be seen with the naked eye!

On the side of the formation, there is only one entrance to the sect’s powerhouse!

It’s just that this entrance is guarded by dozens of sect disciples!

“Who dares to trespass into the boundaries of our five major sects?”

A guard shouted loudly!

This desolate land was requisitioned by the five major sects. After the sects were established, it became private territory, and others were not allowed to intrude without permission!

What’s more, the five major sects are considered very powerful in this area, so no one is willing to provoke them!

“Fellow Taoist, I am Sheng Bushi of the Sheng family in Fancheng. Please inform Sect Leader Luo.”

Sheng Bushi hurried forward, took out a bag of spirit coins, and handed it into the guard’s hand!

When he saw the spirit coin, the guard immediately smiled, so he put the spirit coin away, nodded and said: “It turns out to be the Master of the Sheng family, please wait a moment, I will report to the Master Luo right away...”

When Chen Ping saw this scene, he didn’t expect that the world of heaven and humans could not avoid the secular world, and he had to make the gatekeeper happy, otherwise he wouldn’t be able to get in at the gate!

At this time, in the hall of the five major sects, several sect leaders were discussing the affairs of the five outstanding men!

“Is that Chen Ping still flying? I haven’t found him for so many days.”

“If I find him, I will be the first to peel off his skin and cramp him, and dare to attack our five major sects.”

Hai Dafu shouted with a cold face!

“Sect Master Yang, have you recruited the Three Sovereigns and Four Kings of the Beast Clan?”

Sect Master Luo looked at a middle-aged man wearing an eyepatch!

Chapter: 5864

This person is the leader of Tianyang Sect!

“No, these guys are very tough and refuse to admit that they helped Chen Ping kill our five outstanding men.”

Sect Leader Yang shook his head and said!

Sect Master Luo frowned slightly and his expression became solemn.

“Tell me, is it possible that Chen Ping did not kill our five outstanding sons, and that the three emperors and four kings did not help?”

Sect Leader Luo said!

“How is it possible? We saw with our own eyes that the storage bag of the Five Heroes fell from Chen Ping’s body.”

Hai Dafu said!

“Sometimes what you see with your own eyes may not be true. Nowadays, it’s not like there is no such thing as disguise. We should be careful not to be taken advantage of.”

“Recently, I discovered that the Heavenly Demon Mountain is not at peace either. The Blood Spirit Valley was massacred not long ago. This has never happened before.”

After thinking about it for the past few days, Sect Leader Luo began to doubt what Qi Peijia said!

“Report...”

At this time, the guard ran in!

“Sect Master Luo, Sheng Bushi of the Sheng family in Fancheng, is waiting at the door, asking to see the sect leader...”

The guard reported!

“What is Sheng Bushi doing here?”

“It seems we didn’t buy anything with the Sheng family, right?”

“The Sheng family can’t do it either. The Sheng family’s talisman was used by the fifth son. After spending so much money, they were still killed.”

Several sect leaders were talking about it!

Sect Master Luo waved his hand and said: “Let them in...”

The guard got the order and immediately turned around and left!

Soon, Sheng Bushi led Chen Ping and the others into the hall!

Just walked into the lobby!

Chen Ping felt several sharp eyes looking at him, and each of them was filled with murderous intent!

Chapter: 5865

Chen Ping was a little surprised. He didn’t understand why these people were looking at him like this!

When Sect Master Luo saw Chen Ping behind Sheng Bushi, he was slightly startled, but he didn’t say anything and asked Sheng Bushi and others to sit down!

At this time, the entire hall was filled with a murderous atmosphere, and almost everyone’s eyes were fixed on Chen Ping!

This puzzled Chen Ping, and so did everyone else!

After a few minutes, Sect Master Luo said, "Master Sheng, I wonder what you are here for?"

Sheng Bushi glanced at Chen Ping, then smiled slightly and said: "Sect Master Luo, I wonder if you know about the massacre in Blood Spirit Valley?"

"Know!"

Sect Leader Luo nodded unabashedly!

Luo Shouhai frowned. Originally, he didn't believe that the five major sects would massacre the Blood Spirit Valley!

After all, there is no grievance or enmity, so why do the five major sects do this!

But now Sect Leader Luo actually directly said that he knew, which made Luo Shouhai begin to suspect that it was the five major sects that did it!

Sheng Bushi didn't expect that Sect Master Luo would answer so happily!

"Sect Leader Luo, since you know, then I will open the skylight and tell the truth. We found this place based on the spirit beast, which means that the auras of the five major sects finally stayed in the Blood Spirit Valley."

"I wonder how Sect Master Luo should explain it? Or does Sect Master Luo know who slaughtered the Blood Spirit Valley?"

Sheng Bushi asked cautiously!

After all, the strength of the five major sects is here, and Sheng Bushi doesn't dare to offend them!

“Sheng Bushi, what the hell do you mean? Are you saying that our five major sects slaughtered the Blood Spirit Valley?”

Hai Dafu slammed the table and shouted loudly!

Sheng Bushi quickly apologized: “Sect Master Hai, I misunderstood, I didn’t mean that...”

“Master Sheng, we have indeed been to the Blood Spirit Valley, but when we went there, all the people in the Blood Spirit Valley had been slaughtered.”

Sect Master Luo said truthfully!

“Why did you go to my Blood Spirit Valley?”

Luo Shouhai stood up suddenly and questioned Sect Leader Luo!

After all, the five major sects have no intersection with the Blood Spirit Valley, and the five major sects are not on the way back, so why go to the Blood Spirit Valley?

“We are looking for him...”

Sect Leader Luo pointed at Chen Ping!

“Find me?”

Chen Ping was confused all of a sudden!

He didn’t understand why people from the five major sects went to Blood Spirit Valley to find him?

He doesn't even know the people from the five major sects!

"Why did you go to Blood Spirit Valley to find me?"

Chen Ping asked in confusion!

Seeing Chen Ping like that, Sect Leader Luo snorted coldly: "Don't you know why I'm looking for you?"

Chen Ping looked confused, of course he didn't know why!

Looking at Chen Ping's confused look, Hai Dafu slammed the table again and said, "What the hell are you pretending to be? Don't you know what you've done? You're just pretending here."

"Catch him and give you a good punishment later. Then you will know what you have done."

As soon as Hai Dafu spoke, more than a dozen sect disciples rushed forward to arrest Chen Ping!

"Who dares..."

Bai Qian, Devil Shan Gui Lao and the others burst out their auras at the same time, and the entire hall was instantly at war with each other!

Chapter: 5866

"Don't do it, don't do it..."

Seeing this, Sheng Bushi quickly stood in the middle to stop him. Then he looked at Hai Dafu and said, "Sect Master Hai, if you have something to say, why did you target Mr. Chen the first time you came?"

"Mr. Chen doesn't seem to know you at all, right?"

“Fart, how could you not know him? He killed five of our outstanding men, and now he dares to come to our five major sects. Is this deceiving that there are no people in our five major sects?”

Hai Dafu said fiercely!

“Kill five outstanding people?”

Sheng Bushi was stunned!

“You’re talking nonsense, who killed the five heroes?”

Bai Qian had an angry look on her face: “If you want to find trouble, just say it directly. You are looking for something that is not true.”

“Fox Princess, don’t yell. You are also the one who killed our five outstanding sons...”

Hai Dafu pointed at Bai Qian and said!

“You’re talking bullshit, what evidence do you have?”

Bai Qian is anxious!

“Sect Leader Luo, what is going on? I have been with Mr. Chen all the time, and I did not see him kill you five outstanding men.”

“And with Mr. Chen’s current strength, I’m afraid he won’t be able to kill the five outstanding men, right?”

Sheng Bushi looked at Sect Master Luo and asked!

“He can’t be killed, but with several of the Three Sovereigns and Four Kings of the Beast Clan, that’s not necessarily the case.”

Sect Master Luo’s face turned gloomy at this moment!

“Why? Why did Mr. Chen kill the five heroes? Sect Master Luo can’t just slander people like this without any evidence, right?”

Sheng Bushi simply didn’t believe that Chen Ping would kill the five outstanding men!

“You want evidence?”

Sect Master Luo snorted coldly and threw out the storage bag of the five outstanding people: “Did you see it? This is the storage bag of the five outstanding people. It fell out from Chen Ping. We saw it with our own eyes. It can still be seen.” Are there any fake ones?”

“Mr. Chen’s body dropped? Did you see it with your own eyes?”

Chapter: 5867

Sheng Bushi looked at Chen Ping in disbelief!

After all, he didn’t know what to say after seeing it with his own eyes!

Chen Ping looked at the storage bag and frowned slightly. Then he seemed to have thought of something and asked Sect Leader Luo, “Who told you that I killed the five outstanding men? Was it Qi Peijia?”

“Yes, that’s what he said.” Sect Master Luo nodded!

“You have been deceived. It was Qi Peijia who really killed the Five Renjies, and I saw it with my own eyes.”

Chen Ping saw with his own eyes that Qi Peijia fought with the Five Heroes and finally killed them all!

“Boy, do you think we are stupid? You just believe what you say here, and we saw with our own eyes that the five outstanding people’s storage bags fell from you.”

Hai Dafu said.

“See it with your own eyes? Does it mean that what you see with your own eyes is true?”

As Chen Ping spoke, the aura on his body began to slowly change, and soon his appearance also changed!

In the blink of an eye, Chen Ping looked exactly like Hai Dafu in front of him!

It’s just that in terms of breath, it’s still different from Haidafou!

But just looking at appearance, there is no difference between following Hai Dafu!

“This this.....”

Hai Dafu looked at Chen Ping’s transformed self with shock on his face!

Even others looked at Chen Ping in disbelief!

Although many people know about the art of disguise and illusion, the art of disguise relies on various props!

Illusion even controls people’s brains, and then sees one person as another person!

But Chen Ping is really changing his appearance!

Although the breath has not changed much, the change in appearance is enough to shock everyone!

“If I do something now, will what you see be done by another person?”

Chen Ping asked Sect Leader Luo!

Sect Master Luo was silent. Indeed, whatever Chen Ping was doing now, if you looked at it from a distance, it was Hai Dafu who did it!

Chen Ping changed back and continued: “Then Qi Peijia must have teamed up with others and used this technique to change into my appearance, and then framed me.”

Chapter: 5868

“The Five Heroes were indeed killed by Na Qi Peijia, so he also had the storage bag of the Five Heroes on him, and he used the storage bag to frame me.”

At this time, Sect Master Luo was a little unsure. After all, he had just seen with his own eyes that Chen Ping quickly turned into a different person!

If the other party was like this at that time, how could they possibly find out!

“Sect Leader Luo, didn’t you say that several of the Three Sovereigns and Four Kings helped Mr. Chen kill the five outstanding men?”

“Now we can find those people. If you ask, you will know. The Three Sovereigns and Four Kings of the Orcs are considered prominent figures. They shouldn’t be able to lie, right?”

Sheng Bushi asked Sect Master Luo to call in all the other three emperors and four kings of the beast tribe for questioning!

“Don’t look for them, they’re here.”

After Sect Master Luo finished speaking, he glanced at Hai Dafu and said, “Sect Master Hai, go and bring some of the Three Sovereigns and Four Kings...”

Soon, Lion King and others were brought to the hall!

Seeing Bai Qian and the others, Lion King and others were also a little surprised!

Especially when he saw the rhinoceros beast in the arms of the fire phoenix, the lion king was full of doubts!

You must know that only on his territory can there be telekinesis beasts!

“Why are you guys here?”

Bai Qian asked in surprise!

“Forget it, people from these five major sects have to say that we killed their five outstanding men and brought us here.”

“My skills are inferior to others, so there’s nothing to complain about. But when our orc tribe develops, this debt will definitely be recovered from the five major sects.”

The Thousand-Faced Demon King looked helpless!

Who told them that their skills were inferior to others, that they could not defeat the five major sects, so they had to be arrested!

“You have gone too far. Do you really think that we, the beast tribe, are easy to bully?”

“In this case, don’t blame our entire beast clan for fighting against your five major sects.”

Bai Qian was very angry!

Even though they usually fight each other, no one looks down on the other!

But if someone targets the Orcs like this, they will definitely unite!

Chapter: 5869

After all, the beast race is much weaker than the human race. Even in the area of Tianmo Mountain, the beast race’s spiritual consciousness is weaker than the demon race!

Now that they are being treated unfairly, of course they must unite and resist!

“Fox Princess, don’t get excited. We just invited them to come and ask questions.”

Seeing this, Sect Leader Luo knew that there might be a misunderstanding, so he hurriedly said!

If the orcs really unite to attack their five major sects!

The consequences would be disastrous!

“Fart, please come and talk, we have been locked up for several days.”

“Did you invite me like this? Either you kill a few of us now, or it won’t be over.”

The monkey king said angrily!

“Monkey, you have backbone, my aunt gives you a thumbs up.”

Huofeng saw that the Monkey King was very tough, so he gave a thumbs up!

You must know that in the past, when the Monkey King was still a little monkey, he was often bullied and was very timid!

Seeing Huo Feng praising him, the Monkey King immediately grinned and said, “Thank you, Auntie, for the compliment...”

People from the five major sects were stunned.

You must know that the Monkey King is a figure among the Three Sovereigns and Four Kings of the Beast Clan. He is not even angry when being called grandma like this!

People from the five major sects all looked at Huofeng, very curious about Huofeng’s identity!

After all, the Fire Phoenix realm doesn’t seem to be high, and it hasn’t even reached the Tribulation Realm!

“It’s a misunderstanding. It must be a misunderstanding. It seems that we have all been fooled by Qi Peijia.”

“I also hope that everyone can calm down. If there is a fight, both sides will lose.”

Sheng Bushi hurriedly acted as peacemaker!

Sect Leader Luo also saw that they had indeed misunderstood. The five heroes should not have been killed by Chen Ping and the Three Sovereigns and Four Kings!

“It’s probably a misunderstanding. We will investigate this matter carefully. I hope you will calm down.”

Sect Leader Luo took the initiative to show weakness and apologize!

As for the Lion King and others, they just said angry words when they were angry.

Chapter: 5870

You can’t really get all the orcs to fight with the five major sects just for this matter, right?

“Since Sect Leader Luo has apologized, even if this matter is in the past, I can guarantee that Mr. Chen definitely did not kill Jie Wuzi.”

“If it is really Mr. Chen who did it, I, the Sheng family, are willing to take responsibility and let the five major sects do whatever you want.”

Sheng Bushi made peace with both sides. After all, a fight would not be good for anyone!

“Sect Master Luo, the matter of the five outstanding men is over. I would like to ask, what is going on in our Blood Spirit Valley?”

Luo Shouhai asked Sect Leader Luo!

Chen Ping and the others came to ask about Blood Spirit Valley, but now they were bitten by the five major sects.

“Didn’t I already tell you that when we went there, everyone in the Blood Spirit Valley was already dead?”

Sect Master Luo said!

“Who killed that?” Luo Shouhai asked!

“How would I know if I saw the murderer?”

Sect Master Luo said!

“Then how can we prove that the people in Blood Spirit Valley were not killed by people from your five major sects?”

“Just now you are the five outstanding men who have been falsely accusing us of killing you.”

Bai Qian snorted coldly!

“There’s no way to prove it. If you don’t believe it, there’s nothing I can do.”

Sect Leader Luo has no way to prove it, and he doesn’t need to prove it!

This is in the five major sects, on their own territory, there is no need to prove it to anyone!

Don’t say they didn’t kill him, even if they really destroyed Blood Spirit Valley, they wouldn’t be afraid of it on their own territory!

With the strength of people like Chen Ping, it is impossible to shake the five major sects!

Sect Leader Luo’s words made the atmosphere tense again!

“I believe what Sect Leader Luo said, Blood Spirit Valley should not be caused by the five major sects.”

When the atmosphere was tense, Chen Ping suddenly spoke!
