

The Order 5871

Chapter: 5871

“If it wasn’t done by the five major sects, then who could it be?”

Bai Qian asked!

“When we go back, we will check again. The reason why the spirit beast came here is probably because the five major sects finally appeared in the Blood Spirit Valley, so the spirit beast smelled it.”

“The five major sects really have no reason to massacre the Blood Spirit Valley.”

Chen Ping said!

“Since it was all a misunderstanding and the misunderstanding has been resolved, everyone should stop being hostile.”

Sheng Bushi stood up and said!

Sect Leader Luo waved his hand and asked everyone from the five major sects to walk out of the hall!

Only a few of their sect leaders were left, this was also to ease the atmosphere!

“Master Sheng, the misunderstanding has been resolved. They can leave at any time, but I have something to ask Master Sheng for help.”

Sect Master Luo said to Sheng Bushi.

“Sect Master Luo, just tell me if you have anything to say,” Sheng Bushi said!

“The formations surrounding our five major sects have gone through so many years. I hope that since Master Sheng is here, can you help strengthen them?”

Sect Leader Luo wants Sheng Bushi to help strengthen the formation!

“Of course. Our Sheng family has been cooperating with the five major sects for so long, so this little thing is no problem.”

Sheng Bushi readily agreed!

After all, the five major sects purchase a lot of talismans from the Sheng family every year, which allows the Sheng family to continue!

Otherwise, how could the Sheng family have so many resources!

Sheng Bushi agreed to stay to strengthen the formation, and Chen Ping and the others also chose to stay for one night!

After all, the Sheng family has a lot of conflicts with the Ye family. If Sheng Bushi stays alone, he will be in trouble if he encounters any danger when he returns!

The four of them, Lion King, left and were locked up for several days. They had long been concerned about their territory!

When night fell, Sheng Bushi began to strengthen the formations for the five major sects, while the others went to rest early!

We plan to set off together early tomorrow morning and rush back!

Chapter: 5872

At midnight!

Suddenly, a bright light lit up in the sky!

This ray of light seemed to erupt from the ground and soar into the sky!

Immediately afterwards, there was a tremor in everyone's consciousness!

Along with the trembling of the sea of consciousness, there was an angry and low sound!

"To kill Chen Ping, you can use his head to exchange for a hundred years of worship in our Demon Sealing Alliance..."

This voice belonged to Zuo Tianzheng, leader of the Demon Sealing Alliance!

And this voice resounded in the sea of consciousness of hundreds of thousands of people throughout the heaven and human world!

Within the five major sects, many people woke up suddenly, their eyes wide open with disbelief in their eyes!

Hai Dafu suddenly jumped up and looked at the brilliance outside that shot up to the sky. He was very shocked in his heart!

"The hundred-year dedication of the Demon Sealing Alliance is such a huge resource."

Hai Dafu murmured to himself!

You must know that the Demon Sealing Alliance has its own power in the entire heaven and human world. With such huge strength and hundreds of years of worship, the resources are inexhaustible!

With such huge resources, you will definitely get twice the result with half the effort when practicing!

“What on earth did this Chen Ping do to provoke the Demon-Sealing Alliance to use the Ten Thousand Miles of Sound Transmission and even offer a hundred-year tribute?”

Hai Dafu muttered as he put on his clothes and headed towards the hall!

At this moment, many people have come to the halls of the five major sects!

Sect Leader Luo also got up and sat at the top of the table!

“I didn’t expect that you all received a message from the Demon Sealing Alliance. How did this Chen Ping offend the Demon Sealing Alliance?”

Hai Dafu saw everyone there, so he asked curiously!

“I don’t know, but if the Demon-Sealing Alliance can offer a hundred-year tribute, I’m afraid Chen Ping will be in big trouble.”

Sect Leader Yang of Tianyang Sect said!

“Could it be that the son of the leader of the Demon Sealing Alliance was killed by Chen Ping? Other than this kind of thing, what else could make Zuo Tianzheng so angry?”

Sect Leader Yue of Tianyue Sect said!

Chapter: 5873

“No matter what the reason is, now the Demon Sealing Alliance has come up with a hundred-year offering. It seems that the good days of our five major sects have come.”

“We just need to capture Chen Ping and hand it over to the hands of the Demon Sealing Alliance. From now on, our five major sects will no longer have to worry about training resources.”

Sect Leader Chen of Tianchen Sect said!

“Yes, let’s go and arrest Chen Ping now, otherwise we will give others an advantage.”

Hai Dafu nodded and said!

However, Sect Leader Luo remained silent and seemed to be thinking about something!

The hundred-year enshrinement of the Demon-Sealing Alliance is indeed very tempting!

However, they followed Chen Ping without any grievances. They just arrested Chen Ping for the centenary sacrifice of the Demon Sealing Alliance. Sect Master Luo felt that something was wrong!

After all, their five major sects are considered to be well-known and upright sects. They cannot do such things that benefit themselves at the expense of others!

What’s more, Sect Leader Luo doesn’t like the Demon Sealing Alliance very much!

He had also heard of some of the actions of the Demon Sealing Alliance, and Sect Master Luo also felt shameless about some of the practices of the Demon Sealing Alliance!

“Everyone, now that we know that Chen Ping is not the one who killed our outstanding five sons, if we arrest Chen Ping for the sake of the Demon Sealing Alliance’s centenary service, what will happen to our five major sects?”

“Although the hundred-year tribute from the Demon-Sealing Alliance is tempting, don’t forget the teachings of our ancestors of the five major sects. We are a well-known and decent sect. Although there are many people in the world of gods and humans who will do whatever it takes to practice, we can’t do this!”

“I hope that we can all guard the last bit of justice in our hearts. As for what kind of grudge Chen Ping has with the Demon Sealing Alliance, we will not participate. We will just let them leave our station tomorrow.”

Sect Master Luo said to the other Sect Masters!

“Sect Master Luo, if we don’t take action, I believe others will take action against Chen Ping.”

“Are you just going to watch the fat slip away from your mouth?”

Hai Dafu looked at Sect Master Luo in confusion!

“Sect Master Hai, it has nothing to do with us if others take action. We’d better not get involved in this matter.”

Sect Leader Luo said with a gloomy expression!

He would not choose to help Chen Ping, but he would not choose to harm Chen Ping either!

After all, the five major sects are not related to Chen Ping, so Sect Leader Luo has no need to help Chen Ping!

“Sect Master Luo, we...”

“Okay, I have made the decision on this matter. When Chen Ping and the others leave the five major sects’ base tomorrow, we will immediately seal the base and no entry or exit will be allowed for the time being.”

Chapter: 5874

Sect Leader Luo waved his hand!

Seeing Sect Master Luo's resolute attitude, the others could only remain silent as they had no choice but to say anything!

After all, among the five major sects, Sect Leader Luo has the highest say!

Everyone left the hall, but Hai Dafu still had greed in his eyes!

There was no way he would let go of such a good opportunity!

At the same time, in the room where Chen Ping was resting, Bai Qian suddenly woke up with a look of panic on his face!

"Chen Ping, wake up, wake up..."

Bai Qian shook Chen Ping and woke him up!

"It's so late, you still have to do it? How many times have you done this? Let me rest!"

Chen Ping said helplessly!

This Bai Qian is asking for it so hard that Chen Ping can no longer bear it!

Fortunately, Huo Feng is sensible and plays with the Rhinoceros all day long. If Huo Feng were added to the mix, Chen Ping would really not be able to handle it!

"Hurry up and wake up. The Demon-Sealing Alliance has actually issued a killing order in the entire heaven and human world. As long as someone kills you, you can get a hundred years of worship from the Demon-Sealing Alliance..."

Bai Qian said nervously!

“How did you know?” Chen Ping opened his eyes and looked at Bai Qian in confusion!

They have always been together, how did Bai Qian know about the Demon Sealing Alliance’s killing order?

“The Demon-Sealing Alliance used the Ten Thousand Miles of Sound Transmission Technique, and my sea of consciousness received it.”

Bai Qian said!

“Wanli sound transmission technique?” Chen Ping was stunned: “You can receive it, why don’t I receive it?”

“This thousands-mile sound transmission technique is a sound transmission treasure left in the heaven and human world in ancient times. I heard that only three of them have been found in the entire heaven and human world.”

“The Demon-Sealing Alliance has one in hand, but I didn’t expect to use it here. This sound transmission technique uses the monk’s sea of consciousness to spread, but not everyone can hear it, but it is random.”

“I believe that someone in the five major sects must have heard the news. Let’s leave quickly. If the five major sects also know the news, it will definitely be detrimental to you.”

Bai Qian urged Chen Ping to get dressed and leave!

At this time, Old Devil Mountain Ghost and the others had also gotten up and knocked on Chen Ping’s door!

Chapter: 5875

After Chen Ping opened the door, Devil Mountain Ghost Elder said anxiously: “Mr. Chen, the Demon Sealing Alliance has issued a killing order for you and offered a hundred-year offering as a reward. I’m afraid someone will do something bad to you.”

“We’d better leave quickly, we can’t stay here for long...”

“Did you also receive the message from the Demon Sealing Alliance?” Chen Ping asked curiously!

Old Devil Mountain Ghost shook his head, while Ji Yun on the side said: “Mr. Chen, I heard it, as if someone was talking in my head!”

“I didn’t know what was going on at the time, so I got up to check, and found that the halls of the five major sects were brightly lit, and these people had gathered at night.”

“I thought it was because of the Demon Sealing Alliance’s killing order, so I quickly called Mr. Gui and Master Luo to come find you.”

“We’d better leave quickly, I’m afraid we won’t be able to leave if we don’t leave...”

Ji Yun urged Chen Ping with a face full of anxiety!

Huofeng hugged the Rhinoceros Beast and walked out from the next door with a confused look on her face. It was obvious that she had not received the killing order from the Demon Sealing Alliance!

“Okay, let’s get out of here.”

Chen Ping nodded. Although he followed the five major sects without any enmity, he did not dare to bet on the humanity of the five major sects!

After all, in the face of huge interests, many people can do anything.

“Where are you going in a hurry in the middle of the night?”

Just when Chen Ping and a few people were about to leave the five major sects, Hai Dafu led people to stop Chen Ping and the others!

“We remembered that we had something else to do, so we planned to go back overnight.”

Chen Ping said calmly!

“Oh, I thought our five major sects did not treat you well and asked you to leave overnight.”

“Since you have something to do, let’s go...”

Hai Dafu said in a flash!

Seeing that Hai Dafu didn’t stop him, Chen Ping thought that Hai Dafu didn’t know about the Demon Sealing Alliance’s killing order, so he led a few people and walked towards the outside of the five major sects!

But just when Chen Ping passed by Hai Dafu, his brows suddenly frowned, and his body instinctively tried to hide away!

I saw the aura on Hai Dafu’s body suddenly burst out, and then he punched Chen Ping!

If Hai Dafu hadn’t revealed his murderous intention in advance and made Chen Ping aware of it, he might have been successful with this punch!

“Boy, I didn’t expect you to react quite quickly...”

Chapter: 5876

Hai Dafu couldn’t help but praise Chen Ping when he saw that he had dodged his blow!

“If you dare to take action against Mr. Chen, you are seeking death...”

Upon seeing this, Demon Mountain Ghost Lao immediately jumped up and kicked Hai Dafu hard. At the same time, he shouted at Chen Ping: "Mr. Chen, go quickly, get out of here..."

At the same time that Demon Mountain Ghost took action, Bai Qian and Luo Shouhai also took action!

Huofeng and Ji Yun followed Chen Ping and rushed towards the outside of the five major sects!

Only by rushing out of the five major sects can they hope to escape. If they are trapped inside, they will definitely be doomed!

At this time, Chen Ping had no choice but to take care of Devil Mountain Ghost and the others. He could only rush out and think of a solution!

After all, the five major sects want to kill Chen Ping. For the five major sects, there is no need to kill him!

Hai Dafu and his Tianhaizong people wanted to stop Chen Ping, but Devil Shan Gui Lao, Luo Shouhai and Bai Qian tried their best to resist, buying Chen Ping time and allowing Hai Dafu to stop him for a while. There is no way to stop Chen Ping!

Just as Chen Ping was about to rush out of the five major sects' headquarters, suddenly a dozen figures blocked the entrance of the camp!

"It's not that easy to leave..."

Sect Leader Yang of Tianyang Sect led people to block Chen Ping's way!

"Sect Master Yang, we must not let him escape. The Demon Sealing Alliance's hundred years of service, even if our two families are divided, is enough to look down upon the entire Southern Territory."

When Hai Dafu saw Sect Leader Yang leading people to stop Chen Ping, he hurriedly shouted loudly!

Sect Master Yang did not speak, but stared at Chen Ping with a pair of greedy eyes!

Obviously, he stopped Chen Ping because of the centenary sacrifice of the Demon Sealing Alliance!

Chen Ping looked at Sect Leader Yang in front of him and couldn't help but frown!

The opponent has the strength of the eighth level of the Tribulation Realm, and there are many sect disciples behind him. Even if Chen Ping is promoted to the second level of the Tribulation Realm, he is no match for him!

Ji Yun and Huo Feng's realms were too low, so they didn't have much help.

Chen Ping knew that today might really be a disaster for him!

Now only two of the five major sects have taken action. If the other three major sects also follow suit, Chen Ping may not even have the ability to fight back!

"Boy, be obedient and surrender. I can let your friends go..."

Sect Leader Yang said to Chen Ping!

Chen Ping glanced at Huofeng and Ji Yun. He was really helpless at this moment. He didn't want to harm the people around him because of himself!

"Fuck you, if you dare to touch Mr. Chen, kill me first..."

Ji Yun didn't wait for Chen Ping to speak, but his aura exploded and he launched an attack directly!

The fire phoenix even screamed and instantly transformed back into its original form!

A pair of wings burning with flames continuously shoot out bursts of fire feathers!

And the screams resounded throughout the entire Heavenly Demon Mountain!

Chapter: 5877

“Hmph, a thing that doesn’t know whether to live or die...”

Sect Master Yang snorted coldly, waved his palm casually, and a terrifying aura instantly erupted!

The bodies of Ji Yun and Huo Feng were directly thrown away by this terrifying aura!

The two people fell heavily to the ground, vomiting blood!

The injury was obviously serious!

Ji Yun tried desperately to get up, but he couldn’t move at all!

Yang Zongzhu’s eighth level strength in the Tribulation Realm, Huo Feng and Ji Yun are probably not even ants in front of him!

The physical pressure alone made Huofeng and Ji Yun unable to move!

Ji Yun’s face was full of anger, but there was nothing he could do because he was not strong enough!

Chen Ping looked at the injured Huofeng and Ji Yun, but his expression didn’t change at all!

Perhaps at this moment, Chen Ping was ready to die, and there was nothing he could do to save Huofeng and Ji Yun!

“Are you two afraid of death?”

Chen Ping looked at Ji Yun and Huo Feng and asked!

“Don’t be afraid. Ever since I followed Mr. Chen, I have put life and death aside for a long time. It is my honor to die for Mr. Chen.”

In Ji Yun’s heart, Chen Ping is a god, the one who leads him to the bright and righteous path!

Even if Chen Ping is only at the second level of Tribulation Realm now, it can’t change his status in Ji Yun’s heart!

“Master, I am already yours. If we are lucky enough to have one soul left, I am still willing to be with you.”

The corner of Huofeng’s mouth was full of blood, and he smiled slightly!

Looking at Huofeng and Ji Yun, Chen Ping smiled!

However, in his smile, there is endless killing intent!

Chen Ping’s body was emitting golden light, and the indestructible golden body slowly covered Chen Ping’s body!

The dragon-slaying sword appeared in Chen Ping’s hand, and the dragon roared loudly!

Behind Chen Ping, a golden dragon slowly took shape!

Looking at Chen Ping in front of him, Sect Leader Yang couldn’t help but frown slightly!

Chapter: 5878

How could a guy who was in the second level of Tribulation Realm erupt with such an aura?

This kind of aura is probably not lower than the sixth level of Tribulation Realm!

However, as Sect Leader Yang of the eighth level of the Tribulation Realm, even if Chen Ping's performance at the moment surprised him, he still wasn't worried at all!

If the eighth-level Tribulation Realm cannot defeat a second-level Tribulation Realm cultivator, then he might as well be killed head-on!

"Chen Ping, let's go..."

Just when Chen Ping was about to follow Yang Zongzhu to death, a figure suddenly jumped out from behind him!

Then a long whip was struck hard at Sect Master Yang!

It turned out to be Bai Qian. After she saw Chen Ping and the others being stopped, she broke away from the fight with Tianhai Sect and went straight to Tianyang Sect!

Bai Qian's seventh-level strength in the Tribulation Realm is no match for Sect Master Yang!

However, at this moment, Bai Qian just wanted to delay Chen Ping so that Chen Ping could escape from here!

As for life and death, she didn't think about it!

However, Bai Qian's departure doubled the pressure on Luo Shouhai and Moshan Guilao!

The fight between the Demon Mountain Ghost and Hai Dafu is in full swing!

Luo Shouhai is blocking many monks from Tianhai Sect!

Although the two of them knew that Chen Ping was blocked, they had no time to separate themselves!

“Hmph, this guy who doesn’t know how to live or die, even a seventh-level Tribulation Realm master, dares to attack me.”

Sect Leader Yang snorted coldly, then reached out and grabbed Bai Qian’s whip!

Then a white mist went straight along Bai Qian’s long whip!

Seeing this, Bai Qian quickly shook the whip in her hand, trying to disperse the white mist!

But the white mist was so fast that it reached Bai Qian’s eyes in the blink of an eye!

Then Bai Qian’s arms began to form frost, which spread all over his body!

“This is the cold...”

When Chen Ping saw this, he was about to take action and beat Zhihuo Gang Bai Qian!

“Let’s go, leave me alone, I’m fine, let’s go...”

Chapter: 5879

Bai Qian looked at Chen Ping and roared loudly!

Bai Qian knew that if Chen Ping delayed any longer, none of them would be able to leave!

Chen Ping frowned, glanced at Bai Qian who was about to be frozen, then looked at the injured Ji Yun and Huo Feng, gritted his teeth for the last time, grabbed Ji Yun and Huo Feng, and was about to rush out of the five major sects!

Because the five major sects are protected by formations, Chen Ping can only rush out from the direction of the door!

At this time, Chen Ping has no time to break the formation!

“Stop them...”

Sect Master Yang gave an order, and many monks from Tianyang Sect gathered around Chen Ping!

But just as the Tianyang Sect monks were attacking Chen Ping, rays of light suddenly shrouded down from above their heads, forming a curtain of light, trapping these monks in it!

“Mr. Chen, leave quickly...”

It turned out that Sheng Bushi had arrived. He heard the noise and found that people from the five major sects wanted to attack Chen Ping, so he quickly set up formations to stop him!

It is impossible to stop Sheng Bushi's formation for a long time, so Chen Ping must rush out of the five major sects' bases quickly!

Chen Ping knew that once he left, no one else would be able to leave the five major sects.

But right now, he has no other option.

“Don't even think about leaving...”

Just as Chen Ping was about to rush out of the five major sects, another group of people blocked his way!

It was Sect Leader Yue of Tianyue Sect who stood in front of Chen Ping with his disciples.

It was obvious that these people were attracted by the hundred-year enshrinement of the Demonic Alliance.

Looking at Tianyue Sect in front of him, Chen Ping felt helpless in his heart!

With the injured Huofeng and Ji Yun, he could not break through the Tianyue Sect's blockage no matter what.

In his mind, the figure of Mr. Shi kept flashing across his mind!

Because in the secular world, no matter what danger Chen Ping encountered, Mr. Shi would appear in time in the end!

But now, Mr. Shi may never appear again!

Chen Ping thought Mr. Shi was dead long ago!

At this time, in a mansion deep in the mountains, Mr. Shi was writing something. Suddenly, as if he had a feeling, he looked up and looked out the window!

Chapter: 5880

Then Mr. Shi walked to the window and looked at the sky outside, seeming to be thinking about something!

“Mr. Shi, the Demon Sealing Alliance has issued a killing order using thousands of miles of sound transmission. Anyone who can kill Chen Ping will receive a hundred years of worship from the Demon Sealing Alliance.”

“Now there are many sects and families ready to make trouble. Chen Ping is also trapped in the five major sects in the Southern Region. He is afraid that his life is in danger. Do you think we should intervene?”

A girl with a graceful figure walked in and asked Mr. Shi!

“What level is he at now?”

Mr. Shi asked!

“I have just been promoted to the second level of Tribulation Realm...”

The girl said!

“Second level of Tribulation Realm...” Mr. Shi sighed softly: “Slow, too slow. Although his improvement speed has already far exceeded that of others, it is still too slow.”

“Don’t worry about him. Let him experience life and death on his own. It may be helpful for his cultivation. Don’t let him go too smoothly. If he can’t even cope with the Demon-Sealing Alliance, how can he save the entire Dragon Clan.”

“Mr. Shi, I’m afraid...”

The girl hesitated to speak!

“Don’t worry, he won’t die. I have already seen his fate.”

After Mr. Shi finished speaking, he waved his hand and let the girl go out!

After the girl walked out, Mr. Shi's eyes flashed with worry!

"Chen Ping, are our demands on you too high? I know you must be very tired now, but there is no other way. Who made you have the purest golden dragon blood flowing in your body."

"This is your mission and your destiny. Don't blame us for being cruel. I also want to help you with some things. I also want you to reach the sky and become an immortal in one step."

"But I can't do that, because many people are waiting for you, waiting for you to save, waiting for you to solve the mystery."

"I don't know how long I can protect you. I just hope you grow up quickly, grow up quickly..."

Mr. Shi seemed to be dumbfounded and muttered to himself for a long time...

Five major sects!

Chen Ping and the others have been surrounded.

Devil Shan Guilao, Luo Shouhai, Bai Qian and Sheng Bushi were also injured one after another!

People from Tianhai Sect, Tianyang Sect, and Tianyue Sect surrounded Chen Ping and the others, with greed in everyone's eyes!
