

## **The Order 5881**

Chapter: 5881

After all, the hundred-year enshrinement of the Demon-Sealing Alliance is really too tempting!

Hai Dafu, Sect Master Yang, and Sect Master Yue looked at each other and smiled!

Although Sect Leader Luo prevented them from taking action against Chen Ping, everyone was reluctant to part with the hundred-year tribute from the Demon Alliance!

They all had their own agendas, and now they're together!

In their eyes, Chen Ping is already a piece of fish on the chopping board, to be slaughtered at will!

"Are you going to commit suicide, or are you going to let us do it ourselves?"

Hai Dafu looked at Chen Ping and asked jokingly!

Chen Ping said nothing, but the cold light in his eyes kept flickering!

At this moment, Chen Ping, all the original stars in the original space are twinkling!

Since death is inevitable, Chen Ping plans to give it a try and take away as many as he can!

Seeing that Chen Ping still wanted to resist, Hai Dafu and others sneered on their faces!

"You are really overestimating your capabilities. Since you don't commit suicide, then don't blame us for being rude. All of you will die..."

After Hai Dafu finished speaking, the aura from his body came out violently!

Now Devil Mountain Ghost Lao and the others are seriously injured, and only Chen Ping is left, unable to resist Hai Dafu's aura!

"Sect Master Hai, have you turned a deaf ear to my words?"

At this moment, there was a sudden cold shout, followed by a huge aura, which directly suppressed Hai Dafu's raging aura!

I saw Sect Master Luo coming with Sect Master Chen and his people!

Sect Master Luo's face was very ugly!

Seeing Sect Leader Luo, Hai Dafu's expression changed slightly!

"Sect Leader Luo, you can't stop us if you don't look down on the Demon Sealing Alliance's hundred-year dedication, right?"

Hai Dafu looked at Sect Master Luo and said!

After all, behind Hai Dafu are Sect Master Yue and Sect Master Yang. Three of the five major sects now want to kill Chen Ping, so Hai Dafu has some confidence!

"You can't either. If you want to kill him, you have to kill me first..."

Sect Master Luo said with an angry look!

"Sect Leader Luo, what does it have to do with you following this kid? Why do you have to help him?"

Sect Master Yang asked very dissatisfied!

“It doesn’t matter. If he walks out of our five major sects, I won’t care who kills him, but he can’t be killed within our five major sects.”

“I can’t control others, but I can’t let things like this that harm others and benefit ourselves happen in our five major sects. Our ancestors founded the sect in order to uphold justice and eliminate demons and defend the way.”

“Although the current environment in the world of heaven and humans is like this, at least we must be worthy of our ancestors and retain the last bit of conscience in our hearts, right? We cannot kill people casually for our own benefit.”

“And the Demon-Sealing Alliance is not a good thing. What has the Demon-Sealing Alliance done over the years? It eliminates dissidents and uses the excuse of slaying demons to continue to grow its own power.”

“Have you forgotten the time when the Demon Sealing Alliance also wanted to annex us?”

Sect Master Luo roared at the top of his lungs!

However, Hai Dafu and others obviously couldn’t listen. After all, the hundred-year offering from the Demon-Sealing Alliance was too tempting!

Sect Master Luo also seemed to see that Hai Dafu and the others would not stop, so he said to Chen Ping: “You take your friends and leave first...”

Chen Ping glanced at Sect Master Luo, and then led everyone to support each other and walked towards the door of the five major sects!

Seeing this, Hai Dafu and others wanted to stop him, but were forced back by Sect Master Luo: “Don’t force me to kill each other. If you want to die, there is no need for the five major sects to exist.”

The eyes of Hai Dafu and others were filled with anger, but they never dared to stop him. They were very afraid of Sect Leader Luo!

Chen Ping led Devil Shan Gui Lao and the others out of the five major sects' headquarters!

Then he looked back. In Chen Ping's eyes, murderous intent was rising. One day, Chen Ping would come back.

The blood of Ji Yun, Huo Feng and the others cannot be shed in vain...

Chapter: 5882

"Sect Master Hai, what should we do?"

Sect Leader Yang asked in a low voice!

"What else can we do..."

Hai Dafu glanced at Sect Master Luo not far away with fear, his face full of helplessness!

However, deep in Hai Dafu's eyes, there is already strong dissatisfaction. At this moment, cracks in the five major sects have appeared!

"Are we just going to watch Chen Ping leave? This is a hundred-year tribute from the Demon Sealing Alliance..."

Sect Master Yang is unwilling to accept it!

"Don't worry, he can't run away. Since we can't do anything, let others do it for us. Then we can share some of the benefits!"

After Hai Dafu finished speaking, he took out a jade slip and crushed it into pieces!

The news that Chen Ping had just left the five major sects was spread by Hai Dafu!

At this moment, Chen Ping, who was on the road, didn't know that his whereabouts had been leaked!

"Mr. Chen, you'd better leave alone. Don't worry about us for now. Let's just walk slowly."

Devil Mountain Ghost said to Chen Ping!

They were all injured and moved very slowly. Chen Ping taking them would definitely affect their speed. If they met someone who had been worshiped by the Greedy Demon Sealing Alliance for hundreds of years, it would be over!

"Yes, Mr. Chen, you'd better leave first and leave us alone..."

Luo Shouhai also said to Chen Ping!

"Okay, stop talking, I won't leave you behind."

"This Tianmo Mountain is sparsely populated, so you won't encounter other people easily. Once we arrive in Fancheng, I will heal your injuries."

Chen Ping couldn't leave alone!

Just after Chen Ping led the crowd for a certain distance, suddenly dozens of figures were approaching rapidly from one side of them!

When Chen Ping and the others saw this, they all became nervous!

“Mr. Chen, you go first, otherwise I will blow myself up and stop these people...”

When the devil mountain ghosts see these people coming straight towards them, they know they are coming with bad intentions!

Now they are all seriously injured, only Chen Ping himself, how to deal with it?

Chapter: 5883

“Old Ghost, don’t be so pessimistic. Maybe these people are not targeting me.”

Chen Ping comforted Mr. Devil Shan Gui!

Although he said this, Chen Ping was also very nervous inside!

Soon, dozens of figures were already standing in front of Chen Ping.

Each of these people had gloomy faces, and their bodies were surrounded by black aura!

You can tell at a glance that he is a demon cultivator.

In front of these people, there are two identical people wearing black cloaks. They are obviously twins!

The two of them exuded the aura of the sixth level of the Tribulation Realm!

“Hu Da, Hu Er, what are you doing here? This is the territory of Tianmo Mountain.”

Luo Shouhai saw the person coming, and then stepped forward with a cold face and said!

“It turns out it’s Lord Luo Valley. I’m sorry, we’re just looking for someone.”

Hu Da stepped forward, raised his hands towards Luo Shouhai and said!

“Who are you looking for?” Luo Shouhai asked!

Hu Da then cast his eyes on Chen Ping and said with a cold smile: “Of course I’m looking for him. The hundred-year enshrinement of the Demon Sealing Alliance is a walking resource library!”

Luo Shouhai frowned and his face became very ugly. He didn’t expect that these guys were really here for Chen Ping.

Seeing this, the Demonic Mountain Ghost Lao hurriedly stepped forward and said with disdain in his eyes: “Is it just you? You don’t show your own virtue by peeing in the urine. If you don’t want to die, get out of here and don’t make me angry.”

With the reputation of Demon Mountain Ghost Lao in the Tianmo Mountain area, of course he looks down on these guys!

“It turns out that the old ghost ghost is here too...”

Hu Da laughed, as if he was not afraid of the old ghost!

“Since you know me, why don’t you hurry up and get out of here? Do you want me to do something?”

Demon Mountain Ghost Lao suppressed his disturbed breath due to injury and pretended to be calm and said!

“Old Ghost, I see something wrong with your expression. Are you injured? And it’s not serious, right?”

“Stop holding on, since I dare to come, do you think I will be afraid of you?”

Hu Da said with a joking expression!

Chapter: 5884

“you.....”

The Demon Mountain Ghost got angry and spat out a mouthful of blood!

Seeing the Demon Mountain Ghost acting like that, Hu Da laughed loudly and said: “We are just here to catch Chen Ping today. If the others don’t want to die, just get out of here...”

“you dare.....”

Luo Shouhai’s eyes widened in anger!

“Luo Shouhai, stop pretending. You are also seriously injured. I can slap you to death right now...”

Hu Da said with a cold smile!

Luo Shouhai was trembling with anger, but there was nothing he could do!

Obviously, their injuries were passed on to these guys by the five major sects!

“You guys, you stinky fish and rotten shrimps, want to catch me. Are you worthy?”

Chen Ping took a step forward, with murderous intent surging in his eyes!

When he was in the five major sects, Chen Ping was already very frustrated, and the bloodthirsty energy in his heart kept surging!

Now these guys have jumped out, and they are not even at the sixth level of the Tribulation Realm!

Chen Ping can just take it out on them!

“Hmph, you, a second-grade monk in the Tribulation Realm, dare to speak so brazenly?”

Hu Da snorted coldly!

“Brother, don’t be careless. You have forgotten what Sect Master Hai told us. Although this guy is only at the second level of Tribulation Realm, his explosive strength is no less than that of you and me.”

“The two of us should work together to catch him, and then go find the Demon Sealing Alliance in exchange for a hundred years of worship!”

Hu Er reminded Hu Da!

“Okay, let’s do it together!”

Hu Da nodded, then slapped out with a palm!

In an instant, dark clouds covered the sky and the sun, and a burst of black energy burst out from Hu Da’s hand, turning into a black python and heading straight for Chen Ping!

At the same time, Hu Er also took action, and the black energy on his body flashed with light, turning into thousands of thunder and lightning and heading straight for Chen Ping!

The two people joined forces to attack Chen Ping, and they cooperated very well!

Chapter: 5885

When Huofeng and the others saw this, they all shed a cold sweat for Chen Ping. However, they were all seriously injured now and couldn’t help at all. They could only pray for Chen Ping!

As for Chen Pingping, facing the simultaneous attacks of the two men, there was no trace of panic in his eyes. On the contrary, his murderous intent was getting stronger and stronger!

Chen Ping holds the dragon-slaying sword, and his indestructible golden body instantly covers his whole body!

Then, with a flash of his body, he dodged Hu Da's blow, and then with a casual slash of the dragon-slaying sword, Hu Er's ten thousand rays of brilliance were directly chopped into pieces!

Immediately afterwards, Chen Ping's Dragon-Slaying Sword was covered with thunder and lightning. With a deafening sound, Chen Ping pointed the Dragon-Slaying Sword toward the sky!

Several bolts of thunder and lightning crashed down from under the black clouds that covered the sky, heading straight for Hu Er!

"It's rude to come and not reciprocate..."

Since Hu Er attacked him with light and electricity, Chen Ping also fought back!

"I didn't expect that you, a mere second-grade monk in the Tribulation Realm, could also understand the origin of thunder and lightning. You really have some talent."

After Hu Er finished speaking, thunder and lightning suddenly appeared all around his body, and he directly used thunder and lightning to form a shield, blocking Chen Ping's thunder and lightning attack!

"You actually understood the origin of thunder and lightning..."

Chen Ping frowned slightly and said in surprise!

“Hahaha, my original power of thunder and lightning is much stronger than yours, and I can also directly transform into thunder and lightning. You, who are only at the second level of Tribulation Realm, want to compete with me. What a wishful thinking!”

Hu Er raised the corner of his mouth, then stretched out his hand to grab it, and the surrounding thunder and lightning instantly condensed into a spear!

On Chen Ping’s Dragon Slaying Sword, the power of thunder and lightning continued to bloom, and the power of thunder and lightning was constantly colliding!

Hu Da’s palm moved the black clouds in the sky, and those black clouds turned into giant pythons, roaring continuously!

Chen Ping looked at the two brothers Hu Da and Hu Er, with no trace of panic in his eyes!

Although Hu Er also understood the origin of thunder and lightning, compared with Chen Ping, he was simply dwarfed!

Chen Ping’s origin space is the stars in the universe. A single thunder and lightning origin star is probably larger than Hu Er’s origin space!

If Hu Er knew that Chen Ping’s origin space was the stars in the universe, he probably wouldn’t be so arrogant!

What’s more, Chen Ping not only has the origin of thunder and lightning, he can completely integrate other origins to make the origin of thunder and lightning more offensive!

As for Hu Da’s methods, Chen Ping was even more disdainful.

With the protection of the indestructible golden body, it would be impossible for Hu Da to hurt Chen Ping!

It's just that Devil Mountain Ghost Lao and the others don't know the situation and are still worried about Chen Ping!

Chapter: 5886

Chen Ping fights against two brothers, Hu Da and Hu Er, alone!

After fighting for more than a dozen moves, they were not at a disadvantage!

At this time, both Hu Da and Hu Er were a little anxious, and cold sweat broke out on everyone's forehead!

Two monks of the sixth level of the Tribulation Realm can do nothing against a second-level monk of the Tribulation Realm. This is too embarrassing!

The two of them joined forces and still couldn't take down Chen Ping, which was beyond their expectations!

"I won't play with you anymore..."

Chen Ping suddenly had a flash of light in his eyes, and then there was a magic whip in his hand!

Then a whip was whipped towards Hu Da.

The demonic whip was still carrying extreme fire, which shocked Hu Da. His body quickly swept back, and the whip passed across Hu Da's chest, and he almost hit it!

Even though he didn't hit the mark, the aura on the magic whip made Hu Da feel dazed for a while!

Just when Hu Da was in a daze, Chen Ping slashed at Hu Er with his sword!

A whip and a sword, Chen Ping can actually use them at the same time!

Hu Er snorted coldly when he saw this, and then waved the thunder spear in his hand, instantly bursting out countless thunder!

Immediately afterwards, those thunder bombarded Chen Ping!

And on top of Hu Er's spear, thunder and lightning were still bombarding!

Every thunder and lightning carries a breathtaking power, and black holes of different sizes are torn apart in the void by these thousands of thunder and lightning!

When Chen Ping saw this, a ball of thunder and lightning formed directly around his body, and then he rushed towards Hu Er without dodging!

"You still want to compare the power of thunder and lightning with me, it's like hitting an egg against a stone!"

Seeing Chen Ping actually using the power of thunder and lightning to fight with him, Hu Er's eyes were full of disdain!

The origin of thunder and lightning is his special skill. Not everyone can understand this kind of thing!

Thousands of thunder and lightning formed a huge cage in the void, covering Chen Ping in it, and then continued to squeeze it!

The thunder and lightning cage became smaller and smaller, and finally bound Chen Ping tightly!

boom!

As the thunder and lightning cage closed, there was a deafening explosion!

Chapter: 5887

A burst of white smoke rose up, and Chen Ping's figure disappeared in the thunder and lightning!

"Hahaha, with this little ability, I dare to resist."

"But this physical body has all turned into nothing. I have to explain it to the Demon Sealing Alliance!"

Hu Er thought that Chen Ping was directly wiped out by the terrifying power of thunder and lightning!

"Hu Er, be careful..."

Just when Hu Er looked proud, Hu suddenly shouted!

Immediately afterwards, Hu Er felt a terrifying aura coming from above his head!

Hu Er quickly looked up and found Chen Ping, covered in thunder and lightning, looking down at him!

"You actually escaped?"

Hu Er was shocked, and then he pointed the thunder spear in his hand. From the spear, a thunder and lightning force as thick as a bucket hit Chen Ping directly!

However, Chen Ping did not dodge, but allowed the power of thunder and lightning to hit him!

The thunder and lightning around Chen Ping became entangled with Hu Er's thunder and lightning!

Soon, Hu Er was surprised to find that the source of lightning in his body was being rapidly absorbed!

“Are you actually absorbing my original power?”

Hu Er’s face was full of surprise!

“What? Can’t you suck it?” Chen Ping asked with cold eyes!

“Do you know that my original space is a lake, and you still want to absorb my original power, which will directly burst your body.”

Hu Er didn’t take it seriously. After all, there was a huge source space that stored a lot of lightning sources. Chen Ping wanted to absorb them all. It was just a daydream!

“Sect Master Hai, what should we do?”

Sect Leader Yang asked in a low voice!

“What else can we do...”

Hai Dafu glanced at Sect Master Luo not far away with fear, his face full of helplessness!

However, deep in Hai Dafu’s eyes, there is already strong dissatisfaction. At this moment, cracks in the five major sects have appeared!

Sect Master Yang is unwilling to accept it!
