

The Order 5901

Chapter: 5901

Although this bloody weirdo is the fusion of the souls of Hu Da and Hu Er, even if he is fused, he is still a demon cultivator, and he will definitely be afraid of the demon whip.

But this time, the bloody weirdo refused to dodge, and whip shadows passed through the weirdo's body without leaving any trace.

The magic whip seems to have no effect at all!

“Mr. Chen, this weird guy used this formation to fuse the souls of Hu Da and Hu Er. However, this weird guy has no spiritual consciousness at all, let alone the sea of consciousness. I'm afraid this magic whip will be of little use.”

Zhe Yan reminded Chen Ping!

Chen Ping finally realized that the reason why the magic whip is so powerful against demon cultivators is because it can attack the demon cultivator's sea of consciousness!

But the weirdo in front of him now has no consciousness at all, so whipping the magic whip is useless!

Chen Ping put away the magic whip, and the dragon-slaying sword in his hand suddenly fell.

Thousands of sword lights surrounded the weirdo.

But those ten thousand sword lights also passed through and did not cause any harm to the weirdo!

At this moment, Chen Ping panicked. Normally, the weirdo in front of him seemed to have a real body. Why couldn't even the Dragon-Slaying Sword cause any damage?

While Chen Ping was thinking, the weirdo took action and knocked Chen Ping back again.

Chen Ping spurted out another mouthful of blood, his face even more ugly!

For a while, no matter what methods Chen Ping used, he could not hurt the weirdo at all, but only got beaten.

Chen Ping no longer attacked, but used fire-controlling steps to avoid and think about how to deal with this guy.

How could Chen Ping defeat a nearly invincible being?

Even with such a consumption, Chen Ping can't consume the opponent's, but he has a large formation to continuously deliver power!

In this large formation, this blood-red monster is almost invincible!

"Is it possible to break the formation first?"

Chen Ping frowned, not knowing what to do!

Chen Ping became more and more anxious, making his movements slow and constantly avoiding being hit by the bloody weirdo!

Fortunately, Chen Ping had an indestructible golden body and was physically strong, so he was not defeated!

If it were anyone else, he would have been beaten to ashes by now!

Even if you are a genius, it is impossible for you to fight against a monk at the second level of the Tribulation Realm and at the peak of the eighth level of the Tribulation Realm!

Chapter: 5902

Such a huge gap in realm cannot be made up by relying on talent!

“Mr. Chen, don’t worry, try to trap this guy first, and then break the formation. As long as you can break the formation, this guy will no longer be a threat.”

Zhe Yan comforted Chen Ping, who was already a little anxious.

If Chen Ping continues like this, even with his strong body, he may not be able to bear it!

“Let me try.....”

After listening to Zhe Yan’s words, Chen Ping began to stabilize, used his body skills to dodge, and then used his magic skills!

Chen Ping is going to set up a small formation in this big formation to trap the bloody weirdo!

As Chen Ping used the magic formula, golden chains instantly appeared on the ground!

Chen Ping used the formation and the metal element to trap this bloody weirdo!

A series of golden iron chains wrapped around the legs of the bloody weirdo, and then wrapped around the body!

The bloody monster struggled and kept roaring!

When Chen Ping saw this, he ignored the bloody weirdo and quickly looked at the surrounding formation!

The formation patterns on the ground are still flowing with blood!

The blood of these demon cultivators continues to provide strength to the bloody weirdo!

The formation pattern was extremely complex, Chen Ping frowned, looking for the formation eye!

The bloody monster kept roaring, which made Chen Ping more and more anxious. The more he acted like this, the harder he could find the location of the formation!

Crash la la la la la la la la la la la la la la.

Suddenly, the iron chain surrounding the bloody monster broke into several sections.

The bloody weirdo broke free and headed straight for Chen Ping!

“Mr. Chen, be careful...”

Seeing this, Demon Mountain Ghost Lao shouted to remind Chen Ping!

Chen Ping was startled, and before he could make any move, he was slapped by the bloody weirdo and flew away!

Chen Ping’s body hit the edge of the formation hard, and then bounced back!

“Cough cough cough.....”

Chapter: 5903

Chen Ping coughed violently, blood dripping from his mouth!

This time, everyone became even more worried!

Chen Ping stood up with all his strength and looked coldly at the bloody weird man in front of him. As his thoughts flashed, the Dragon Pattern Bell suddenly appeared in mid-air!

The huge dragon-patterned bell buzzed, and the entire void was shaken with ripples!

Then the dragon pattern bell shrouded down towards the bloody weirdo!

The bloody weird man looked up at the dragon-patterned clock and tried to move his body, but found that he couldn't move at all!

The dragon pattern clock seemed to have a huge suction force, sucking in the bloody weirdo!

boom!

The dragon-patterned bell hit the ground hard, covering the bloody weirdo inside!

At the same time, the patterns on the dragon pattern clock flickered with light!

No matter how hard the bloody weirdo bombarded him, the dragon-patterned clock didn't move at all!

Seeing this, Chen Ping breathed a sigh of relief!

When other people saw this, they were relieved!

Now that the bloody monster is restrained by the Dragon Pattern Bell, Chen Ping only needs to find the formation eye and break the sacrificial blood formation!

Chen Ping looked carefully at the formation patterns on the ground, and the blood inside was still flowing!

With such a huge and complex formation, it would not be possible for Chen Ping to find the center of the formation overnight!

“Mr. Chen, this sacrificial blood formation is opened with the blood of those demonic cultivators. You can follow their blood breath to find the formation’s eye.”

“Only when the formation eye is activated can the grand formation be opened...”

Sheng Bushi was outside the formation and said loudly to Chen Ping!

When Chen Ping heard this, he understood instantly, and a ray of consciousness slowly attached to the blood flowing in the array!

As long as you follow the flowing blood, you will definitely be able to find the location of the formation!

After all, the energy needed by this formation now comes from the blood of these demon cultivators!

Soon, Chen Ping used this method to find the center of the formation!

As long as you find the formation eye, the rest becomes much simpler. You only need to destroy the formation eye, and the great formation will naturally be lifted!

Chapter: 5904

However, after the formation eye is destroyed, the formation plate of the priest’s blood formation can no longer be used!

Looking at the formation he found, Chen Ping hesitated a little!

This sacrificial blood formation is also a good formation!

Especially for the Blood Demon lineage, it is simply considered a divine weapon!

Now that the Blood Spirit Valley has been slaughtered, Luo Shouhai, Luo Xi and Jin Dong will probably be ostracized a lot if they want to survive in Tianmo Mountain!

After all, there are only three people left in a sect, who can look down on them!

But it would be different if Luo Shouhai had this array. He could use this array to slowly develop his own power!

“Mr. Chen, hurry up and leave...”

Seeing Chen Ping’s hesitation, Devil Mountain Ghost Lao shouted in confusion!

“Master, break the formation, break the formation quickly...”

Huofeng also shouted anxiously!

Behind Chen Ping, the Dragon Pattern Bell kept buzzing, and the bloody weirdo was attacking the Dragon Pattern Bell crazily!

“Mr. Chen, what are you waiting for?”

Zhe Yan didn’t understand why Chen Ping was still hesitating now that he had found the location of the formation!

“I don’t want to break this great formation. If it is broken, the formation will be completely destroyed.”

Chen Ping said!

“Mr. Chen, if you don’t break the formation, you won’t be able to deal with the Hu brothers. They can live forever in this formation!”

Zhe Yan advised!

“There is no eternal life in the world. Maybe there is another way to let them put away the formation by themselves.”

Chen Ping’s brain was thinking rapidly, and then he turned his attention to the two bodies of Hu Da and Hu Er!

“Mr. Chen, it’s useless even if you destroy their physical bodies. They can completely use the power in this formation to reshape their physical bodies.”

“Since they dare to leave their bodies, they are not afraid of their physical bodies being destroyed.”

Zhe Yan said!

“Let’s try it...”

Chapter: 5905

After Chen Ping finished speaking, the illusory stars in the original space were flashing rapidly!

Immediately afterwards, the scene around Chen Ping began to change, and in the end, the sacrificial blood array disappeared!

And Sheng Bushi and others outside the formation watched helplessly as Chen Ping and the others slowly disappeared from the formation!

At this moment, no one can be seen in the entire formation!

“Where’s Mr. Chen?”

Ji Yun asked very surprised!

“Where’s the person? Where’s Chen Ping?”

Bai Qian’s eyes were full of worry!

“Why did it disappear?” Devil Mountain Ghost Elder was also very confused!

Only Sheng Bushi frowned slightly, and then said slowly: “Mr. Chen should have set up the illusion array in the blood array, so when we looked over, they disappeared, but in fact they are still inside!”

“Illusion formation? Why did Mr. Chen set up the illusion formation? Why didn’t he break the formation and come out quickly?”

Luo Shouhai asked!

“I think Mr. Chen probably wants to keep this array. If it is really broken, then this array will be completely destroyed.”

Sheng Bushi guessed!

“Why keep the formation disk? Mr. Chen’s own attainments in formation techniques are not low. Why do you still care about this formation disk?”

Luo Shouhai didn’t understand why Chen Ping cared about this formation when he could set up the formation at will!

Sheng Bushi glanced at Luo Shouhai and said, "Perhaps it is not for Mr. Chen's own use. This formation disk can be regarded as a magical weapon for demon cultivators of the blood demon lineage."

When Luo Shouhai heard this, he was stunned instantly!

He seemed to understand that Chen Ping did not destroy the formation at the last moment and left the formation behind, probably for himself!

You know, Chen Ping is taking a big risk!

Luo Shouhai looked into the formation. Although Chen Ping could not be seen, his eyes were full of emotion!

A scholar dies for a confidant!

At this time, Luo Shouhai had secretly vowed that if Chen Ping was in danger, he would not hesitate to risk his own life to stop it!

At this moment, Chen Ping, who was in the formation, saw fire beating in his palms, and then he swung out his palm, and a fireball directly wrapped the physical bodies of the Hu brothers!

Chapter: 5906

Immediately afterwards, the smell of barbecue came out, and the Hu brothers' bodies instantly turned into ashes!

After the Hu brothers' bodies turned into ashes, the bloody monster inside the dragon-marked bell let out a shrill scream!

Then the loud voice came out!

“Boy, do you think you can subdue us by destroying our bodies?”

“In this great formation, we can instantly reshape our bodies. Don’t even think about defeating us.”

Hu Da did not feel the slightest anger because his body was destroyed!

“Really? If the formation is no longer there and your physical body is destroyed, can you still reshape it instantly?”

Chen Ping asked jokingly!

“This is the heaven formation disk left behind during the war between gods and demons. It was carved by a powerful being at the level of immortals and demons.”

“How could you, a small second-level cultivator in the Tribulation Realm, break this formation?”

Hu Da simply didn’t believe what Chen Ping said!

“No matter who draws the formation disk, as long as the formation eye is found, the formation will be as fragile as paper. I can break it with just one click.”

“You use the blood of your tribe to continuously provide energy, but you have forgotten that the energy in the blood will be gathered into the formation eyes and provided to the formation for use.”

“As long as I follow the smell of blood, I can easily find the location of the formation.”

Chen Ping said confidently!

After hearing Chen Ping’s words, Hu Da didn’t speak and just fell silent.

Although they have formation disks and can activate large formations, they are not formation masters, so they are dubious about what Chen Ping said!

But it was obvious that Hu Da seemed to believe what Chen Ping said!

“Brother, don’t listen to this kid’s nonsense. He is not an array master. How could he possibly understand this? He is just lying to us.”

Hu Er said!

“Whether I lied to you or not, I will let you out and have a look.”

Chen Ping waved his hand, and the Dragon Pattern Bell soared into the sky and returned directly to the storage ring!

The bloody weirdo was released, and then looked around, with disbelief in his eyes!

“The formation is really gone, it’s really been broken...”

Chapter: 5907

The bloody weirdo made a loud sound from his mouth.

“Boy, even if you break our formation, you will never be able to escape.”

Hu Er roared angrily!

“Who said I was going to escape? Without this formation, how long can you maintain this form?”

“Furthermore, your physical bodies have been reduced to ashes. With just your two spiritual bodies, I will use a hundred ways to make your life worse than death!”

Chen Ping said with a joking face!

Seeing Chen Ping like that, the Hu brothers panicked!

Without the formation, they wouldn't be able to maintain this form for long!

"Boy, since you destroyed our body, we will take your body away. Your body is quite strong. Then we can use your body to fight."

After saying that, the bloody weirdo walked straight towards Chen Ping, his scarlet eyes filled with murderous intent!

Chen Ping breathed a sigh of relief when he saw that the two of them had been fooled!

These two guys also wanted to take away his own body, which made Chen Ping extremely happy!

You must know that Chen Ping's sea of consciousness cannot be destroyed by anyone, not to mention that there is Daluo Golden Code in Chen Ping's sea of consciousness, which no one can shake!

"Zhe Yan, these two guys will take away my body in a while. You must not be exposed. Just stay quietly in the sea of consciousness."

Chen Ping warned Zhe Yan!

"Mr. Chen, I understand. These two guys are really stupid. They dare to come and take Mr. Chen's body away."

Zhe Yan nodded!

Chen Ping looked at the bloody weirdo charging towards him and punched him!

It's just that this punch directly penetrated the body of the bloody weirdo, and then countless tiny blood mists quickly invaded along Chen Ping's body!

Chen Ping's bone meridians trembled for a while, and then the blood mist went straight to Chen Ping's sea of consciousness!

Blood mist filled the air, Chen Ping's sea of consciousness trembled, and Chen Ping also showed great pain!

"ah....."

Chen Ping screamed, which made the Hu brothers feel happy!

The souls of the two brothers began to continuously impact Chen Ping's sea of consciousness. They wanted to occupy Chen Ping's body!

Chapter: 5908

Soon, the blood mist enveloped Chen Ping.

Immediately afterwards, Chen Ping's eyes became dull, and the bloody monster suddenly dispersed and turned into a ball of blood mist!

This blood mist also entered Chen Ping's body!

"Brother, it's done..."

Hu Er's voice actually rang out from Chen Ping's mouth!

“As expected, it happened. This boy’s physical body is really strong. When the time comes, I will give you a physical body. We two brothers can live happily again.”

Hu Da said with great satisfaction!

“Brother, this boy has a strong physical body, and he also possesses the power of lightning. I want this physical body. The two of us are the perfect match.”

Hu Er also likes Chen Ping’s body!

“Brother, this boy’s origin space is definitely not as good as yours. When the time comes, I will find a way to find a physical body for you, and I will find one with the origin of thunder and lightning.”

Hu Da didn’t want to give up Chen Ping’s physical body, so he said perfunctorily!

“Okay, let me first see how big this kid’s origin space is, and he brags that his origin space is the universe and the galaxy...”

As Hu Er said that, he entered Chen Ping’s original space!

After entering Chen Ping’s original space, Hu Er was stunned instantly!

Because at this moment, he felt like he was in the galaxy of the universe, filled with stars, some of which were particularly bright!

“Isn’t this...Isn’t this...too damn outrageous?”

Hu Er was so shocked that his jaw dropped!

He didn’t expect that what Chen Ping said was true, and he actually wanted to use his original power to burst Chen Ping!

Now that I think about it, it's a joke!

"Brother, how are you?" Hu Da asked!

"Brother, come and see, this kid's origin space is actually the galaxy of the universe."

Hu Er greeted Hu Da excitedly!

Chapter: 5909

Hu Da also entered Chen Ping's original space.

When looking at everything in front of him, Hu Da was dumbfounded. He really didn't expect that Chen Ping's original space was actually a galaxy in the universe!

He once entered Hu Er's original space, which was a vast lake with no end as far as the eye could see.

He thought that this kind of original space was big enough!

But compared with Chen Ping, Hu Er's original space is simply dwarfed!

"It's incredible that this kid's origin space is so huge..."

Hu Da said in shock!

"Brother, please give me this body. I can use such a large source space. You haven't understood the source yet, so it won't be of much use if you seize the body!"

Hu Er took the opportunity to follow Hu Da and ask for Chen Ping's body!

Hu Da was silent. In fact, he also liked Chen Ping's body. It was so powerful!

But he did not understand the origin, so this origin space is useless to him!

Just when Hu Da didn't know how to answer, Chen Ping's voice sounded from all directions!

"My body is not something you ants can take over if you want. Do you really think that ants can shake a tree?"

Chen Ping's voice was full of sarcasm!

"Damn it, this kid actually still has some residual consciousness. He hasn't been completely taken away yet. Let's destroy his consciousness first."

After that, Hu Da took Hu Er out of the original space and entered Chen Ping's sea of consciousness!

Just when the Hu brothers were about to attack Chen Ping's sea of consciousness, golden light shone in Chen Ping's sea of consciousness!

Daluo Jindian exudes golden light. This golden light shines on the Hu brothers, making them feel uncomfortable, as if they are being transformed by the golden light!

"Just two of you guys who don't care about life and death, you still want to take Mr. Chen's body, you are really overestimating your capabilities..."

Zhe Yan appeared from Chen Ping's sea of consciousness!

"There are actually people in this kid's sea of consciousness, and what on earth is this golden light? It makes me feel so uncomfortable."

Hu Er said with a ferocious look!

“Brother, go quickly, leave this kid’s sea of consciousness, quickly...”

Hu Da urged Hu Er!

Chapter: 5910

“What’s wrong, brother?”

Hu Er asked in confusion!

“This kid’s sea of consciousness is too huge, and his consciousness is boundless. It’s impossible for us to take him away.”

“The two of us were fooled. This kid must have let us enter his body on purpose!”

Hu Da pulls Hu Er and is about to run away!

But before he could move, Chen Ping’s consciousness rolled over in the sea of consciousness, directly surrounding the Hu brothers!

Then under the golden light of the Daluo Golden Code, the souls of the Hu brothers were quickly eaten away!

Until their death, the Hu brothers never thought that it was because they entered Chen Ping’s sea of consciousness and wanted to seize Chen Ping’s body that they would become like this!

Chen Ping’s sea of consciousness is not what they imagined!

The phantom array set up by Chen Ping slowly disappeared, and Chen Ping’s figure was revealed!

But the bloody monster has disappeared, and the blood in the entire sacrificial blood array is slowly draining away!

After the Hu brothers died, the formation slowly stopped functioning, and then turned into a formation disk again and fell to the ground!

Seeing the formation disappear, everyone rushed forward!

“Chen Ping, are you okay?”

“Mr. Chen, are you injured?”

“Master, you scared me to death just now...”

Bai Qian and Huo Feng were all very worried!

After all, Chen Ping had just been promoted to the second level of the Tribulation Realm. Facing that bloody weirdo, how could he be his opponent?

“I’m fine!”

Chen Ping smiled slightly, then handed the formation disk to Luo Shouhai and said: “Lord Luo, your Blood Spirit Valley has suffered such a catastrophe, and your strength in the Tianmo Mountain area has been severely damaged. I will give you this formation disk. With this formation, you can still recruit some subordinates to revive the Blood Spirit Valley.”

Luo Shouhai took the formation plate with trembling hands, tears kept flowing from his eyes, and he was choked with sobs and didn’t know what to say!

“Let’s go quickly. If we meet other people, it will be troublesome.”

Sheng Bushi urged!

Now they are all injured, and Chen Ping himself is also fighting fiercely. If someone else comes, it will be troublesome!
