

The Order 5911

Chapter: 5911

“Okay, let’s go quickly...”

Devil Mountain Ghost Lao nodded and said!

Chen Ping led a few people towards Fancheng again, but just after taking a few steps, hundreds of people came towards him!

Originally, they thought that these people didn’t know Chen Ping at all, so it would be best if they could fool him!

But when they got closer, everyone’s expressions changed instantly!

I saw that the leader turned out to be the eldest elder of the Ye family in Yecheng!

There were hundreds of people behind him, wearing all kinds of clothes. They should not be from a sect family!

After seeing Chen Ping, the eldest elder of the Ye family suddenly said ferociously: “Boy, let me see where you are going to escape today...”

“This kid is Chen Ping. Whoever can kill him will be offered a hundred years of sacrifice by our Demon Sealing Alliance...”

The words of the eldest elder of the Ye family caused hundreds of people behind to scream!

Everyone’s eyes were full of greed, and they wanted to rush forward and kill Chen Ping right away!

But Chen Ping and the others were facing hundreds of people, and their faces were all ashen!

Even Chen Ping has lost his fighting spirit!

Even if he is more powerful, what else can he do when facing hundreds of cultivators in the Tribulation Realm?

Seeing that Chen Ping's face was ashen and had no fighting spirit, the elder of the Ye family snorted coldly: "Today, I will avenge our family head!"

After saying that, the eldest elder of the Ye family waved his hand, and hundreds of monks rushed toward Chen Ping with roars!

But as soon as he moved, he heard a strange sound of "dong dong dong" in the distance.

Immediately afterwards, the earth began to tremble, as if there were thousands of horses galloping!

The sky suddenly turned dark, and an invisible pressure weighed on everyone's hearts!

On the ground, smoke and dust rolled in like ocean waves!

So everyone was stunned and looked in all directions in shock!

Soon, countless flying beasts flashed their wings in the sky!

On the ground were hundreds of various monster beasts, making deafening roars!

The Lion King, the Monkey King, the Thousand-Faced Demon King, and the Leopard King are slowly approaching!

Chapter: 5912

Seeing these people, Chen Ping felt relieved.

Bai Qian smiled: "You guys came at the right time, otherwise you would never see me again..."

"Fox Princess, it doesn't matter whether I see you or not, we just don't want my aunt to be wronged!"

The Monkey King looked at Huo Feng with a flattering expression!

"Monkey, it's not your fault that I helped you so much before, auntie."

Huofeng said happily!

The eldest elder of the Ye family looked at the Orcs, and his expression became very ugly!

"Do you, the little orcs, also want to join us in the Demon-Sealing Alliance?"

The eldest elder of the Ye family said angrily!

"So what if you go against the Demon Sealing Alliance? Besides, you are just an elder of the Ye family. Even the head of the Ye family is only a small helmsman of the Demon Sealing Alliance. He cannot represent the Demon Sealing Alliance."

"You guys who know what you are doing, get out of here right away. If you disturb our aunt, I will beat the shit out of you."

The Monkey King looked at the elder of the Ye family with disdain and said!

"you....."

The elder of the Ye family turned red with anger!

“Huofeng, let’s go, just a few of us are enough here!”

The Thousand-faced Demon King said to the fire phoenix!

“Okay, you guys should be careful too!”

Huofeng nodded, then looked at Chen Ping and said: “Master, let’s go...”

Chen Ping nodded, and then left with Huofeng and the others!

The Ye family elders and hundreds of monks were watching with eager eyes, but because of the presence of people like the beast tribe, they did not dare to act rashly!

“The Demon-Sealing Alliance’s hundred-year dedication must not let him escape. We must fight...”

Someone couldn’t resist the temptation and took action against Chen Ping!

The Demon-Sealing Alliance has been enshrined for a hundred years, which can change destiny!

Someone took action against Chen Ping, and others also took action!

Chapter: 5913

Although they also know the danger, the temptation is too great!

“Do it...”

When the Thousand-faced Demon King saw this, his eyes turned cold and he shouted loudly!

In an instant, the scene directly entered a fierce battle!

Hundreds of cultivators in the Tribulation Realm were fighting together with hundreds of monsters.

Bai Qian looked back and could see the worry in her heart!

After all, she is also an orc, and these are her kind. If it weren't for her injury, she would definitely stay!

Everyone else also looked back. After all, these orcs are here to protect them!

"Stop looking, get out of here quickly..."

Huofeng urged!

Everyone left in a hurry and rushed back to Fancheng!

As for the final result of the battle between the Thousand Faced Demon King and the monks, Chen Ping didn't know, but Chen Ping kept this kindness in his heart!

Regardless of whether these beasts were trying to save themselves or Huo Feng, the final result was to save Chen Ping!

If it hadn't been for the appearance of these orcs, Chen Ping and the others would have been killed long ago!

"Dad, what's wrong with you?"

Sheng Jiahui couldn't help but worry when she saw Sheng Bushi and others rushing back. Their faces were all pale, and some were covered in blood!

“Jiahui, find all the herbs in our Sheng family and give them to Mr. Chen.”

Sheng Bushi explained!

All of them were injured, and Chen Ping had to refine elixirs to heal them!

Sheng Jiahui nodded and quickly ordered people to prepare the herbs!

“Are you okay? I see you’re bleeding a lot...”

After explaining everything, Sheng Jiahui looked at Chen Ping and asked!

At this moment, Chen Ping’s body was covered in blood, like a bloody man!

“I’m fine, this is other people’s blood, not mine!”

Chapter: 5914

Chen Ping explained!

This was in the sacrificial blood formation, and it was stained with blood. It looked like Chen Ping was injured!

“I’ll go wash you up...”

As Sheng Jiahui said that, she pulled Chen Ping into her boudoir!

Ever since she followed Chen Ping and pierced the window paper, Sheng Jiahui had already decided that she was Chen Ping’s person!

However, she thought it would be difficult to see Chen Ping again in her life, but she didn't want to see Chen Ping again in just a few days.

Chen Ping did not refuse and allowed Sheng Jiahui to pull him into the boudoir and then take off his clothes!

Looking at Chen Ping's plump body, Sheng Jiahui blushed, but she still prepared hot water for Chen Ping and wiped it gently!

After all the blood on Chen Ping's body was washed away, Sheng Jiahui felt relieved when she saw that Chen Ping was really not injured!

After Chen Ping finished washing, he immediately prepared the Shennong Cauldron and began to make elixirs to heal several people!

Chen Ping knew that he couldn't stay in Fancheng for too long. If he stayed in Fancheng for too long and was discovered, it would only bring disaster to the Sheng family!

I have to say that this killing order from the Demon Sealing Alliance really made Chen Ping very passive, like a rat crossing the street!

Using the herbs from the Sheng family, plus some fairy herbs stored in his storage ring, Chen Ping refined more than a dozen elixirs in two days!

After giving it to Huofeng and the others, the injuries of several people were significantly relieved!

However, Chen Ping fell asleep directly because he was overworked!

When Chen Ping opened his eyes, he didn't know how long he had been asleep, but the first thing he did was to ask Huofeng about their injuries!

Chen Ping breathed a sigh of relief when he learned that everyone was almost recovered!

After getting dressed, Chen Ping followed Sheng Bushi to say goodbye, and then left the Sheng family without stopping!

Chen Ping did not have too much contact with Sheng Jiahui, because he knew that the two of them might not have a chance to meet in the future, and he should not let Sheng Jiahui have too many feelings for him!

After leaving the Sheng family, Chen Ping and the others rushed back to the Blood Spirit Valley as quickly as possible!

They did not take the airship because the target of the airship was too big and could easily be discovered!

After returning to Blood Spirit Valley, Chen Ping and the others breathed a sigh of relief!

“Dad, Mr. Chen, you are finally back. We are all worried to death.”

Luo Xi saw Chen Ping and the others coming back and rushed to greet them!

Chapter: 5915

“Master, have you found the person who massacred so many of my brothers in the Blood Spirit Valley?”

Jin Dong asked!

Now he can't wait to avenge his senior brother immediately!

Luo Shouhai shook his head: “We didn't find it. The rhino beast took us to the five major sects, but it wasn't the five major sects who did it. They just came here and left their aura!”

When Jin Dong heard that he was not found, he frowned and said, “Master, what should we do? Did these brothers and sisters die in vain?”

“Why.....”

Luo Shouhai sighed, he didn’t know what to do.

“Master Luo Valley, don’t be discouraged. I will think of a way to activate the time weapon in my hand and see if I can go back to the time when the Blood Spirit Valley was massacred.”

Chen Ping comforted Luo Shouhai and said!

Chen Ping has Feng Mo’s time weapon in his hand, and Feng Mo also gave him the formula. As for whether it can be used, Chen Ping himself is not very sure, but he can give it a try!

“Mr. Chen, you are back...”

Song Tianhai came over with several Soulless Palace disciples!

Chen Ping nodded, and then looked at Song Tianhai warily!

After all, many people know that he is now worth a hundred years of worship from the Demon Sealing Alliance!

Although the Wanli message transmission was random, Chen Ping didn’t believe that with so many people in the Soulless Palace, not one of them had received the killing order from the Demon Sealing Alliance!

If this Soulless Palace is also tempted by the hundred-year offering of the Demon Alliance, Chen Ping must be careful!

Seeing Chen Ping's vigilant eyes, Song Tianhai seemed to have thought of something, so he approached Chen Ping and said solemnly: "Mr. Chen, I also know about the Demon Sealing Alliance's order to kill you, and I also know about the Demon Sealing Alliance's order to kill you. The Alliance will reward you with a hundred years of worship."

"But please don't worry, Mr. Chen. It is absolutely impossible for me in the Soulless Palace to help the Demon Sealing Alliance, let alone take action against Mr. Chen. If Mr. Chen can't trust me, I can leave here immediately with the disciples of the Soulless Palace."

Chen Ping looked at Song Tianhai, smiled awkwardly and said, "Palace Master Song, I believe you. You should live in the Blood Spirit Valley. It is safe here for the time being."

"Now that you have left the Demon Sealing Alliance, the people from the Demon Sealing Alliance must be looking for you."

"Mr. Chen, thank you for your trust. If you have any use to get my Soulless Palace, I, Song Tianhai, will be obliged to do so."

Song Tianhai said gratefully!

The Soulless Palace is like a dog in the Demon Sealing Alliance. Anyone who dares to disobey will be killed!

After all, the status of demon cultivators in the entire heaven and human world is not high!

Chapter: 5916

Those demon cultivators who are unwilling to cooperate with the Demon-Sealing Alliance will all be slaughtered. The Demon-Sealing Alliance just wants to take all the demon cultivators in the heaven and human world under its command and treat them as their own dogs!

Nowadays, the place where demon cultivators can still live safely is in the Tianmo Mountain area, and the entire southern region is relatively tolerant of demon cultivators, unlike other places where they will kill all the demon cultivators they see!

This also makes the southern region have the most demonic cultivators, especially in the Tianmo Mountain area!

Chen Ping rested for a day in Blood Spirit Valley, and then began to study Feng Mo's clock!

Although there are formulas, Chen Ping can't always understand the meaning of the formulas.

Chen Ping knew that in order to activate the time magic weapon, he must be able to feel the flow of time and truly feel the speed of time!

Although everyone can find that time keeps moving forward, few people truly realize the flow of time!

Especially the speed at which time passes. Sometimes people feel that time passes very quickly, and sometimes people feel that time passes very slowly!

These are all perceived time flow rates, but these are just accidental. It is not that difficult to feel the time flow rate anytime and anywhere!

"Time never stops. It all feels like it's flowing at the same speed. How can it be possible to feel how fast it is?"

Chen Ping frowned slightly, looking very embarrassed!

But if you can't feel the flow of time, then it will be difficult to open this time magic weapon, not to mention having to go back in time!

Now if we want to find out who was slaughtered in the Blood Spirit Valley, we can only rely on the time weapon in Chen Ping's hand!

Chen Ping felt like his head was going to explode, so he walked to the window and opened the door quietly!

There is a tree outside the window. Under the moonlight, the shadow of the tree is reflected into Chen Ping's room!

Chen Ping looked at the shadow of the big tree in the room, and every leaf was extremely clear!

Chen Ping watched quietly, entranced for a moment!

Soon, Chen Ping discovered that among the shadows of these leaves, there was a leaf that was constantly changing!

The shadow of this leaf changes from a bud to a leaf!

Chen Ping hurriedly looked at the big tree and saw leaves starting to grow on one branch!

Chen Ping stared blankly at the growth of leaves, from small buds to leaves, and then withered and fell off!

The leaves on this branch keep repeating themselves like this!

Chen Ping looked at the changes in the leaves, and seemed to have a profound understanding of time in an instant!

Until it is created, the moonlight disappears and the sun rises high!

Chapter: 5917

The sun shone on Chen Ping's face, making Chen Ping suddenly enlightened. He seemed to know something!

The clock in Chen Ping's hand emitted light, and the hands on it began to turn backwards rapidly!

Chen Ping felt as if his soul had entered a time vortex and was being sucked in!

Soon, Chen Ping felt that all time around him had stopped, and he slowly opened his eyes!

I found myself floating in the sky above the Blood Spirit Valley!

At this moment, in the Blood Spirit Valley, there were waves of shouts of killing, and blood filled the air!

Chen Ping discovered that many disciples in Blood Spirit Valley were fighting to the death with a group of people!

Among this group of people, Chen Ping discovered Cheng Jinghui from Blood Spirit Peak, Luo Shouhai's junior brother!

Chen Ping's eyes were full of surprise. He really didn't expect that the person who slaughtered all the people in the Blood Spirit Valley would be the people from the same sect and sect of the Blood Spirit Valley.

This is simply unbelievable. If Chen Ping hadn't gone back in time, no one would have believed that these were true!

As Chen Ping watched, all the people in Blood Spirit Valley were slaughtered!

Cheng Jinghui ordered people to clean up the scene and hide the aura!

Just when he finished all this, Cheng Jinghui suddenly looked up at the sky. He always felt like a pair of eyes were staring at him!

But they didn't see it, so they could only take the people from Blood Spirit Peak and leave quickly.

Not long after the people from Blood Spirit Peak left, people from the five major sects arrived!

They only stayed for a short time and then left!

Everything is the same as what Sect Master Na Luo said!

“Mr. Chen, Mr. Chen...”

Chen Ping felt someone calling him!

Chen Ping felt his soul pulling back quickly, returning to his body in an instant!

Suddenly he opened his eyes and found that he was still in the room. Luo Shouhai, Luo Xi and Jin Dong were calling him!

“Master Luo Valley...”

Seeing that it was Luo Shouhai, Chen Ping let out a long sigh!

If someone had just attacked him, he probably wouldn't have been able to avoid it!

Chapter: 5918

“Mr. Chen, what's wrong with you? You're so motionless?”

Luo Shouhai asked very puzzledly!

“I.....”

Chen Ping hesitated. He didn't know whether he should tell Luo Shouhai the truth!

Although Luo Shouhai would be very discordant with Cheng Jing, if Luo Shouhai found out about this, it would be hard for him to bear it!

After hesitating for a moment, Chen Ping finally gritted his teeth and decided to tell Luo Shouhai the truth!

After all, the disciples in the Blood Spirit Valley were massacred. As the master, Luo Shouhai is qualified to know the truth!

“Master Luo Valley, I know who slaughtered the Blood Spirit Valley!”

Chen Ping said slowly!

“who is it?”

When Luo Shouhai heard this, his eyes widened and he asked eagerly!

Luo Xi and Jin Dong also stared at Chen Ping, especially Jin Dong, with his fists clenched. As long as Chen Ping said it, he might run for revenge immediately!

“It was Blood Spirit Peak, your junior brother who did it...”

Chen Ping said!

“It’s him? How could it be him?”

Luo Shouhai was shocked, his face full of wonder!

Even Luo Xi and Jin Dong were shocked and couldn’t believe it!

You must know that Cheng Jinghui was once a member of the Blood Spirit Valley. Many of the disciples in the Blood Spirit Valley also knew Cheng Jinghui!

Even if Cheng Jinghui had objections and followed Luo Shouhai, he would not be so mad as to massacre the Blood Spirit Valley!

“Mr. Chen, how is this possible? Even if my uncle hates Blood Spirit Valley, he can’t do this, right? How do you know?”

Jin Dong looked at Chen Ping in disbelief and asked!

After all, this kind of thing cannot go wrong!

“I saw it with my own eyes. I saw with my own eyes that the people from Blood Spirit Peak massacred all the people in Blood Spirit Valley.”

“I just opened the time magic weapon, used time to go back, and saw everything that happened at that time!”

Chapter: 5919

Chen Ping said truthfully!

“this.....”

Jin Dong didn’t know how to refute.

Luo Shouhai frowned. He believed that Chen Ping would not lie to him, but he couldn’t believe that his junior brother would really do such a thing!

“Mr. Chen, you used the time instrument to see the scene at that time. Is it possible that it was just a dream?”

“No matter how bad my uncle is, he wouldn’t dare to do such a thing, right?” Luo Xi couldn’t believe that Cheng Jinghui did this!

“It could also be a dream, I can’t tell the difference!”

After hearing this, Chen Ping could only explain!

But Chen Ping knew that it was not a dream, he must have seen the scene at that time!

But now Luo Shouhai and the others are unwilling to believe it, and Chen Ping has no way to confirm it!

He just used that time magic weapon to go back in time, and now he can’t use it again. If he wants to use it again, it will take some time!

“Whether it’s a dream or reality, it seems I’m going to go to Blood Spirit Peak and question Cheng Jinghui face to face.”

“If he really did it, I will definitely cut him into pieces and make the entire Blood Spirit Peak disappear completely!”

Luo Shouhai said with a ferocious look!

“Master Luo Valley, I will accompany you. Then you can follow Cheng Jing to confront him.”

Chen Ping knew that Cheng Jinghui would definitely not admit it. After Chen Ping went there, he could use the scene he saw to confront him!

And if Luo Shouhai goes by himself, Cheng Jinghui might even trap Luo Shouhai!

He dared to kill all the people in Blood Spirit Valley, so he had no friendship, so he would definitely take action against Luo Shouhai!

“Okay, thank you very much, Mr. Chen.”

Luo Shouhai nodded!

Chen Ping called on Demon Mountain Ghost Lao to join him. After all, with Demon Mountain Ghost Lao’s current strength, it would be no problem to deal with Cheng Jinghui!

As for Bai Qian and the others, Chen Ping asked them to stay in Blood Spirit Valley!

Now Song Tianhai and the others of the Soulless Palace are in the Blood Spirit Valley, and Bai Qian and the others are also staying behind, as a kind of surveillance on the Soulless Palace!

As the saying goes, you must not have the intention to harm others, and you must have the intention to guard against others!

Chapter: 5920

If Song Tianhai leaks the news that Chen Ping is in Blood Spirit Valley, Blood Spirit Valley will suffer disaster again!

Blood Spirit Peak!

Cheng Jinghui has been restless since he slaughtered everyone in the Blood Spirit Valley!

Especially not long ago, he seemed to feel nervous, as if he was being spied on!

Cheng Jinghui waved, and an elder immediately ran over.

“When the Blood Spirit Valley was massacred, was the scene cleaned up? Was all the aura wiped out?”

Cheng Jinghui frowned slightly and said!

“Sect Master, everything has been dealt with. It has been so many days. If Luo Shouhai had any clues, he would have found him long ago.”

The elder whispered!

“That’s good!” Cheng Jinghui nodded, and then continued: “I asked you to inquire about Chen Ping. Did you hear it?”

“I only found out that Chen Ping seemed to have appeared in the five major sects, and then left again!”

“On the way, we were intercepted and killed by the Hu family brothers, and hundreds of monks from more than a dozen sects and aristocratic families, large and small, were chasing after us.”

“But because several of the Three Sovereigns and Four Kings of the Beast Tribe arrived in time and rescued Chen Ping, the whereabouts of Chen Ping were not known later.”

“But Chen Ping really wants to be with Luo Shouhai from Blood Spirit Valley all the time. I think he should be in Blood Spirit Valley now.”

The elder answered carefully!

“The Blood Spirit Valley is ruined. What’s the use of staying in the Blood Spirit Valley? However, my senior brother is so lucky that he can let Chen Ping follow him. At this time, if Chen Ping is given to the Demon Sealing Alliance, it will be a valuable seal. The Demon Alliance has been worshiped for hundreds of years!”

Cheng Jinghui’s eyes were full of envy!

“Sect Master, many sect families are now arresting Chen Ping, are we also...”

The elder made a gesture of wiping his neck!

“If Chen Ping is really in the Blood Spirit Valley, it will be easier. I can talk to my senior brother.”

“After all, the Demon Sealing Alliance has been dedicated to him for hundreds of years, so I don’t believe he’s not greedy!”

Cheng Jinghui narrowed his eyes slightly and said with a lewd expression!

“Sect Master, then why don’t you contact Luo Shouhai and test whether Chen Ping is with him?”

The elder asked!
