

The Order 5921

Chapter: 5921

“No need, just gather a few people and we’ll go to the Blood Spirit Valley in person and we’ll find out.”

Cheng Jinghui waved his hand and said!

Since his massacre of Blood Spirit Valley has not been exposed, there is no need to worry too much!

At this time, Luo Shouhai, Devil Shan Guilao and Chen Ping were quickly heading towards the Blood Spirit Peak!

Blood Spirit Valley and Blood Spirit Peak are not far apart, just go up to a mountain peak and you’ll be there!

“Mr. Chen, now that the Demon Feng Alliance has issued a killing order for you, the Blood Spirit Peak must have gotten the news. If you follow us to the Blood Spirit Peak like this, maybe Cheng Jing will play tricks.”

“I think you should change your appearance and hide your aura, so that Cheng Jinghui won’t recognize you.”

Devil Mountain Ghost said to Chen Ping!

After all, Chen Ping is now considered a celebrity. He may be recognized and hunted down wherever he goes!

In order to avoid unnecessary trouble, Chen Ping should change his appearance!

Chen Ping now has the Dafa of Imitation Breathing, so changing his appearance is the easiest thing!

“Mr. Chen, I think Mr. Ghost is right. You should change your appearance. My junior brother is greedy. If he knows about the Demon Sealing Alliance’s order to kill you, he will definitely take action.”

Luo Shouhai also persuaded Chen Ping!

Seeing this, Chen Ping could only nod his head, and then used the breath-taking technique to transform himself into a middle-aged man in his early thirties!

The aura on his body is also partially hidden, and it looks like he only has the strength of the Fusion Realm!

At first glance, it looks ordinary!

Although it can’t withstand the other party’s detection, if someone has come into contact with Chen Ping, they can find it as soon as they detect the breath, but it still works to fool people who have rarely seen Chen Ping, or even seen them once!

Looking at Chen Ping’s transformed appearance, Luo Shouhai nodded, and then quickly headed towards the Blood Spirit Peak!

Just when Cheng Jinghui was about to take people to Blood Spirit Valley, a disciple suddenly came hurriedly to report!

“Sect Master, Luo... Luo Shouhai is here and has already arrived outside the door...”

The disciple said in a panic!

Upon hearing that Luo Shouhai came on his own initiative, Cheng Jinghui instantly became a little panicked. Ever since he left Blood Spirit Valley and founded Blood Spirit Peak, Luo Shouhai had not been to Blood Spirit Peak once!

But now they took the initiative to find him, which gave Cheng Jiahai a bad feeling. It was very likely that the other party had already known about their massacre of the Blood Spirit Valley!

“How many of them came?”

Chapter: 5922

Cheng Jinghui asked!

“Three people...” the disciple replied!

Upon hearing the three people, Cheng Jinghui secretly breathed a sigh of relief, and then said: “Invite them in...”

“Sect Master, isn’t Luo Shouhai here to raise an army to punish someone?”

The elder asked!

“No, he only came with three people, how could he raise an army to hold him accountable? If he really knew that I was the one responsible for the massacre in the Blood Spirit Valley, then I would make sure that he would never leave this place.”

Cheng Jinghui said with murderous intent in his eyes!

After all, the Blood Spirit Valley was also the place where Cheng Jinghui studied under his master, but now he directly destroyed the Blood Spirit Valley. This shamelessness will definitely be laughed at by everyone!

Therefore, Cheng Jinghui must not let this matter spread!

Cheng Jinghui was sitting in the main seat and was stunned when he saw Luo Shouhai walking into the hall with Devil Shan Guilao and Chen Ping!

He originally thought Luo Shouhai would bring Luo Xi and Jin Dong!

I didn't expect it to be someone else!

Especially the old Demon Mountain Ghost, when Cheng Jinghui saw him, he was a little frightened unconsciously!

Cheng Jinghui turned his attention to Chen Ping again, glanced at it briefly, and then moved away. A Fusion Realm cultivator couldn't catch his eye at all!

"Senior brother, I don't know if you came to my place suddenly. What's the matter?"

Cheng Jinghui asked Luo Shouhai!

Luo Shouhai looked at Cheng Jinghui and asked directly without beating around the bush: "My disciples from the Blood Spirit Valley were massacred and no one was left alive. Was it you who did this?"

"What?"

Cheng Jinghui stood up suddenly, with a look of surprise on his face!

But at this moment, he was already panicking. He didn't expect Luo Shouhai to be so direct. However, it seemed that Luo Shouhai was just guessing, so Cheng Jinghui pretended to be surprised!

"Senior brother, what are you talking about? The Blood Spirit Valley was massacred, and no one was left alive? Who did this?"

"How could you doubt me? Although I hate you and I am very fond of Blood Spirit Valley, there is no way I would do such a thing."

"Blood Spirit Valley is my root. If I do something worse than a pig or a dog, I will be laughed to death."

“Tell me, what’s going on? If I find out, whoever dares to attack Blood Spirit Valley will be cut into pieces!”

Chapter: 5923

Cheng Jinghui smashed the table in front of him with an angry palm!

Seeing Cheng Jinghui like that, Luo Shouhai had no idea for a moment!

After all, he didn’t want to believe that Cheng Jing would do this!

Senior brothers, how could Cheng Jinghui do such a thing!

Chen Ping looked at Cheng Jinghui’s superb performance with a sneer on his face. This guy is really good at pretending. It would be a pity not to act!

Luo Shouhai glanced at Chen Ping and saw that Chen Ping was silent, so he asked Cheng Jinghui, “You really didn’t do this?”

“Senior brother, how could I do such a wretched thing? If I did it, I would be struck by thunder and die...”

Cheng Jinghui actually started to swear!

When Luo Shouhai saw this, he really believed Cheng Jinghui. As for what Chen Ping said, maybe it was really a dream!

“Since it’s not you, I won’t bother you!”

Luo Shouhai is preparing to leave Blood Spirit Peak!

“Brother, wait a moment...”

Seeing Luo Shouhai about to leave, Cheng Jinghui hurriedly chased after him!

“What do you want?”

Luo Shouhai looked at Cheng Jinghui warily!

“Senior brother, you finally came to my place, but you still have to do something before leaving.”

“I just have something to discuss with you!”

Cheng Jinghui pulled Luo Shouhai and sat down!

“What do you want from me?”

Luo Shouhai kept a straight face!

Even if Cheng Jinghui did not do what happened in Blood Spirit Valley, Luo Shouhai would not give Cheng Jinghui a good look!

“Brother, I heard that the guy named Chen Ping seems to be in your Blood Spirit Valley, right?”

“And during this time, he seems to have been with senior brother all the time.”

Cheng Jinghui asked Luo Shouhai!

Chapter: 5924

Luo Shouhai looked at Cheng Jinghui warily and said, “What are you asking Mr. Chen for?”

“Senior brother, haven’t you heard some rumors?”

Cheng Jinghui said!

“What’s the rumor?” Luo Shouhai knew what Cheng Jinghui meant, but he asked pretending not to know!

“The Demon-Sealing Alliance came down with a killing order and is chasing Chen Ping. And whoever can kill Chen Ping, or capture him and hand him over to the Demon-Sealing Alliance, can get a hundred years of worship from the Demon-Sealing Alliance.”

“Do you know how huge the resources are from the Demon Sealing Alliance’s hundred-year tribute? If we can get this resource, you will be able to rebuild the Blood Spirit Valley by then, and it will be many times stronger than it is now!”

Cheng Jinghui whispered to Luo Shouhai!

“Hmph, even if you dare to have evil intentions towards Mr. Chen, you don’t even know who you are.”

Demon Mountain Ghost Boss who was listening on the side snorted coldly when he saw that Cheng Jinghui also wanted to attack Chen Ping!

Cheng Jinghui is only an eighth-level monk in the Tribulation Realm, and the Demon Mountain Ghost Elder is not afraid at all.

Cheng Jinghui was startled by the cold snort from Demon Mountain Ghost. After all, Demon Mountain Ghost’s reputation in the area of Tianmo Mountain was not an exaggeration!

“Old Ghost, don’t you want to get the hundred-year tribute from that demon alliance? With these resources, it will be very easy for us to break through the Tribulation Realm and ascend to the Mahayana Realm when the time comes!”

Cheng Jinghui is tempting Mr. Devil Mountain Ghost!

After all, no monk can withstand the temptation of the realm!

“Bah, let alone being promoted to Mahayana, even if I were to ascend to immortality, I would not be able to deal with Mr. Chen.”

The old devil mountain ghost spat hard!

Cheng Jing would see the situation and ignore Moshan Guilao. As long as Luo Shouhai agreed, the matter would be considered a success. If Moshan Guilao didn't agree, what would happen?

Could it be that he alone could deal with two of them, eighth-level cultivators in the Tribulation Realm?

“Senior brother, I don't think you are that pedantic, right? This is a hundred-year tribute from the Demon-Sealing Alliance. This opportunity must not be missed again!”

Cheng Jinghui stared at Luo Shouhai, as if he wanted to see into Luo Shouhai's heart!

He didn't know yet that Chen Ping was right next to him, looking at him with a sneer!

“Let me tell you, let alone the hundred years of worship from the Demon Sealing Alliance, even if it is a thousand years of worship, I will never betray Mr. Chen.”

“I also advise you not to have any ideas about Mr. Chen, otherwise don't blame me for turning your back on him.”

Luo Shouhai glared at Cheng Jinghui fiercely, then stood up and walked out!

Cheng Jinghui didn't expect Luo Shouhai to refuse so simply, and was stunned for a moment!

“Master Luo Gu, wait a moment...”

At this time, Chen Ping spoke!

Luo Shouhai was stunned for a moment, then asked: “Mr. Chen...Cheng, what’s the matter?”

Luo Shouhai just wanted to call Chen Ping, but then he remembered that Chen Ping had changed his appearance and identity, so he quickly changed his name!

“I have something that I want you to appreciate...”

As Chen Ping said that, he took out the clock!

Cheng Jinghui looked at the clock in Chen Ping’s hand, his eyes full of doubts!

Luo Shouhai also came over and looked at it with confusion!

Chapter: 5925

Chen Ping held the clock in his hand, and suddenly the clock emitted a faint light. This light instantly enveloped Luo Shouhai and Cheng Jinghui!

Luo Shouhai and Cheng Jinghui didn’t have time to react. They only felt that their consciousness was suddenly pulled away by a huge force!

Then they kept spinning in the vortex of time, and the two of them felt dizzy!

When the whirlpool stopped, the two people opened their eyes and discovered that they were actually above the Blood Spirit Valley!

The two looked at each other, but they couldn't notice each other's existence at all!

They can sense each other, but they can't see them at all!

Because now their consciousness has been stripped away and they have gone back to the past, so they can't see it at all!

At this moment, Blood Spirit Valley is experiencing a bloody battle.

Luo Shouhai saw that Cheng Jinghui led the disciples of Blood Spirit Peak and massacred the people of Blood Spirit Valley wantonly!

Cheng Jinghui's eighth-level strength in the Tribulation Realm is unstoppable by anyone in the Blood Spirit Valley!

Seeing his disciples being slaughtered one by one and dying in front of him, Luo Shouhai's body was trembling and his eyes were full of anger!

"Cheng Jinghui, you beast, I'm going to kill you..."

"Stop, stop, stop..."

Luo Shouhai roared, but no one could hear his roar!

The scenes Luo Shouhai saw had already happened, so they couldn't be changing!

Luo Shouhai clenched his fists. The feeling of helplessly watching his disciples being slaughtered and being helpless made him almost unable to breathe!

Cheng Jinghui looked at everything in front of him with surprise on his face. He didn't know what method Chen Ping used to allow them to see what happened at that time!

He had heard of a time weapon that could transport a person's soul back to the past and see what happened in the past!

Could it be that they are now being transported back to the scene of the massacre in Blood Spirit Valley?

At this moment, in the Blood Spirit Peak Hall, everyone looked at Luo Shouhai and Cheng Jinghui. The two stood blankly like wooden figures!

Without even blinking, it was obvious that the soul had been separated from the body.

"How brave, what did you do to our sect leader?"

When the elders of Blood Spirit Peak saw this, they immediately roared at Chen Ping!

At the same time, more than a dozen Blood Spirit Peak disciples stepped forward and surrounded Chen Ping!

Chapter: 5926

Seeing this, Demon Mountain Ghost Lao stood directly in front of Chen Ping and started a battle array!

"Do you want to fight? You little bastards, just stay away from me."

Devil Mountain Ghost Old Man cursed angrily at the people of Blood Spirit Peak!

Seeing the angry Demon Mountain Ghost, these people in Blood Spirit Peak were a little scared!

"Our sect leader has become like this. This guy has obviously manipulated our sect leader. If our sect master cannot recover, you will never leave the Blood Spirit Peak."

The elder of Blood Spirit Peak said loudly!

Although he is also afraid of the Devil Mountain Ghost Elder, as an elder of Blood Spirit Peak, he must stand up and speak now!

“Don’t worry, your sect leader will recover soon...”

Chen Ping said calmly!

As soon as Chen Ping finished speaking, Luo Shouhai and Cheng Jinghui suddenly moved!

I saw Luo Shouhai’s anger soaring, and he said to Cheng Jinghui: “You beast, today I will cut you into thousands of pieces...”

After saying that, Luo Shouhai kicked towards Cheng Jinghui!

boom!

This kick was dodged by Cheng Jinghui, but this kick directly created a deep hole in the ground of the hall!

The burst of energy caused the entire hall to shake, and finally collapsed!

When Chen Ping and the others saw this, they all jumped into the air!

Looking at the mess below, we can see how angry Luo Shouhai is!

“Master Luo Gu, what’s going on?”

Devil Mountain Ghost Lao asked Luo Shouhai!

“Cheng Jinghui, this beast, was the one who led the people to massacre me in the Blood Spirit Valley. I must let him die without a burial place today.”

Luo Shouhai gritted his teeth, and the bones in his body creaked!

Upon hearing this, Devil Mountain Ghost looked at Cheng Jinghui in disbelief. He did not expect that Cheng Jinghui would do this!

“Master Luo Gu, I will kill this guy for you!”

Devil Mountain Ghost is ready to take action against Cheng Jiahai!

Chapter: 5927

Even though Mo Shan Gui Lao was at the seventh level of the Tribulation Realm, he had experienced the Demon Tribulation Cloud. Even if he could deal with Cheng Jinghui, who was at the eighth level of the Tribulation Realm, he would have no problem.

What’s more, Cheng Jinghui is afraid of the Demon Mountain Ghost from the bottom of his heart, so the Demon Mountain Ghost will have the upper hand in the fight!

“Old Ghost, there is no need for any of you to take action. I will kill him with my own hands today to avenge my disciples.”

Luo Shouhai wouldn’t let Devil Shan Guilao and Chen Ping help!

He wanted to deal with Cheng Jinghui personally!

Cheng Jinghui also had a gloomy face at this moment and did not explain anything. After all, anything he said now was redundant!

Devil Mountain Ghost Lao still wanted to persuade Luo Shouhai, but then Chen Ping spoke.

“Old Ghost, let Valley Master Luo handle it by himself. We just need to keep an eye on the others in Blood Spirit Peak.”

Chen Ping knew that only Luo Shouhai could solve this kind of problem by doing it himself!

Seeing Chen Ping speak, Devil Mountain Ghost nodded.

“Go to hell...”

Just when Luo Shouhai turned his attention to Devil Shan Guilao and Chen Ping!

Cheng Jinghui, who had been silent all this time, actually took action!

Cheng Jinghui quickly arrived in front of Luo Shouhai and punched him!

Cheng Jinghui knows that today is a certain death situation!

Either Luo Shouhai dies or he dies, so there is no mercy at all, and there is no sense of sect friendship!

boom!

Cheng Jinghui’s punch almost exploded with all his power, and with an explosion, a huge ripple appeared in the void.

The murderous look in Luo Shouhai’s eyes became even stronger. Now that Cheng Jing would directly kill him, it was even more proof that he did it!

Luo Shouhai also punched him!

With both fists touching each other, Cheng Jinghui's body quickly retreated!

Luo Shouhai also retreated quickly, and the two of them were evenly matched in this punch!

However, Cheng Jinghui was prepared to attack with all his strength, and Luo Shouhai passively accepted the attack. So from this point of view, Cheng Jinghui's strength is slightly inferior!

Cheng Jinghui looked at Luo Shouhai in surprise, frowning slightly: "I didn't expect that in just a few days, your strength would be a head above mine. You must know that I have always been suppressing you."

Chapter: 5928

Cheng Jinghui didn't understand how Luo Shouhai, who had only been around for so long, was already stronger than himself!

Luo Shouhai did not speak, but the aura on his body exploded to the extreme!

The reason why Luo Shouhai was able to stand head and shoulders above Cheng Jinghui was entirely because when Chen Ping was healing Luo Shouhai, the elixir also increased Luo Shouhai's strength!

Originally, Cheng Jinghui was not much stronger than Luo Shouhai. Now that Luo Shouhai has used Chen Ping's elixir, his strength has improved and he has surpassed Cheng Jinghui!

This is why Luo Shouhai wanted to kill Cheng Jinghui alone, but Chen Ping didn't stop him, but agreed!

A few days ago, Chen Ping would not have let Luo Shouhai fight Cheng Jinghui alone!

"Beast, go to hell..."

Luo Shouhai shouted loudly, then moved his feet, and he arrived in front of Cheng Jinghui like lightning!

Then he punched Luo Shouhai with a punch, and Luo Shouhai's punch was filled with endless anger!

boom!

Cheng Jinghui was shocked and angry. He didn't expect Luo Shouhai to be stronger than him.

Cheng Jinghui hurriedly resisted, but was knocked away by Luo Shouhai's punch!

“metropolitan.....”

Upon seeing this, the elder of Blood Spirit Peak planned to rush forward with the disciples of Blood Spirit Peak!

Seeing this, Demon Mountain Ghost Lao suddenly waved his palms, and a huge force attacked the Blood Spirit Peak disciples!

More than a dozen Blood Spirit Peak disciples were all knocked over by this huge force!

Even the elder of Xuelingfeng fell to the ground hard!

“If you dare to take action, you will only die...”

Devil Mountain Ghost Lao threatened these people in Blood Spirit Peak!

The big eyes of the Blood Spirit Peak stared at the small ones, and no one moved easily!

Cheng Jinghui waited for Luo Shouhai fiercely. He never expected that Luo Shouhai's strength would grow so fast and make him so embarrassed!

Just when Cheng Jinghui didn't know how to deal with Luo Shouhai, Luo Shouhai's punch came again!

He will not give Cheng Jinghui the slightest chance to breathe, let alone the slightest mercy!

He was going to beat Cheng Jinghui to death!

Chapter: 5929

boom!

Luo Shouhai punched out angrily, and the void continued to tremble!

Cheng Jinghui resisted again, but a mouthful of blood spurted out, and he was knocked flying away from the ground!

Boom.....

Cheng Jinghui's body was like a cannonball, destroying the houses one after another, and a deep ravine was directly cut on the ground!

In the end, Cheng Jinghui crashed directly into the mountain gate of Blood Spirit Peak, causing the gate to collapse before he stopped!

Those Blood Spirit Peak disciples looked very ugly when they saw their sect master in this state. Their sect was in a mess!

Although Cheng Jinghui was beaten like this, Luo Shouhai did not stop at all. Instead, he stepped down and was in front of Cheng Jinghui again in an instant!

Then he raised his fist and punched the embarrassed Cheng Jinghui again!

“Brother, don’t kill me, I was wrong...”

Cheng Jinghui looked at Luo Shouhai and began to beg for mercy!

However, Luo Shouhai’s eyes were full of murderous intent and anger, and he would not listen to Cheng Jinghui’s begging for mercy!

If he were to be let go just by asking for mercy, then the lives of dozens of disciples at Blood Spirit Peak would be too cheap!

“Go to hell and follow Master to admit your mistake...”

Luo Shouhai punched it down!

But just when Luo Shouhai hit it, Cheng Jinghui suddenly disappeared!

The whole person seemed to have suddenly disappeared!

Luo Shouhai’s fist hit the ground hard, creating a deep pit!

Seeing Cheng Jinghui disappear suddenly, Chen Ping and Devil Mountain Ghost Lao were also stunned!

“Where is the person? Why did he disappear suddenly?”

Devil Mountain Ghost asked in confusion!

Luo Shouhai also looked around and didn’t find where Cheng Jinghui was!

“People don’t disappear out of thin air. He must be nearby. Feel his breath.”

Chen Ping said to Luo Shouhai!

Chapter: 5930

Luo Shouhai nodded, and then used his consciousness to feel Cheng Jinghui's aura!

But just when Luo Shouhai had just released his consciousness, he suddenly felt the earth tremble, and the earth under his feet began to crack, spreading around like a spider web!

At the same time, rays of light shot out from the underground and surrounded Luo Shouhai!

"Master Luo Gu, be careful, this is a magic circle..."

Chen Ping quickly reminded loudly!

Before Luo Shouhai could react, Cheng Jinghui rushed out from the ground!

Rays of light from all around shone on Cheng Jinghui's body. Divine patterns appeared on his body, and his body also radiated light!

Boom!

Cheng Jinghui's power is rising rapidly, and a manic aura is rising in his body!

Cheng Jinghui's face was full of ferocity, and he seemed to be going crazy. Cheng Jinghui now looked like a crazy beast!

"You forced me to do this. You forced me to do this. I want to sacrifice my life to open this heaven-reaching magic circle!"

Cheng Jinghui roared!

Luo Shouhai looked at Cheng Jinghui and frowned involuntarily!

He could feel the increase in strength in Cheng Jinghui's body. It seemed that this formation had similarities with the sacrificial blood formation!

"go to hell....."

Cheng Jinghui shouted loudly, and the whole earth collapsed, and then he punched Luo Shouhai.

Seeing this scene, Old Devil Mountain Ghost frowned and was about to step forward to help!

However, Chen Ping stopped him!

"Mr. Chen, why are you stopping me? I'm afraid Luo Shouhai won't be able to bear it anymore."

Devil Mountain Ghost asked Chen Ping in confusion!

"Don't worry, just wait and see..."

Chen Ping said to the Devil Mountain Ghost Old Man!

"Cheng Jing will use the formation to increase his strength dramatically. If we wait any longer, I'm afraid Luo Shouhai will be defeated!"

Devil Mountain Ghost Lao didn't understand why Chen Ping made him wait!
