

The Order 5931

Chapter: 5931

“Until the last moment, let Valley Master Luo solve it himself!”

Chen Ping continued!

Demon Mountain Ghost Lao saw that Chen Ping was determined not to let him take action, so he had no choice but to give up, and then looked at Luo Shouhai worriedly!

Luo Shouhai felt the power erupting from Cheng Jinghui and did not dare to be careless in the slightest!

boom!

Luo Shouhai punched out, and the two people hit each other like meteors.

In this magic circle, the void trembled and ripples appeared.

Fortunately, there was a formation to block it. If not, the entire Blood Spirit Peak would have been destroyed by the power of this punch!

Buzz!

The two fists collided, and endless power spread from all around, and then hit the formation, making an explosion!

At this moment, in that formation, it felt like the end of the world was coming!

Bang!

Suddenly, Luo Shouhai's body was like a meteorite, falling rapidly from the sky, and then fell heavily to the ground!

Smoke and dust were flying all over the sky, and there was a huge pit on the ground. Luo Shouhai was trapped in it!

“Hahaha.....”

Cheng Jinghui burst out laughing when he saw Luo Shouhai's embarrassed look!

At this moment, Luo Shouhai stood up with difficulty with blood stains on the corners of his mouth!

“Mr. Chen.....”

Seeing this, Devil Mountain Ghost looked at Chen Ping anxiously!

If you don't help at this time, Luo Shouhai will really be doomed!

But Chen Ping remained motionless, and the expression on his face did not change. He looked at everything in front of him quietly!

It was as if Luo Shouhai's victory or defeat had nothing to do with him.

Devil Mountain Ghost didn't know what Chen Ping meant, but since Chen Ping didn't speak, Devil Mountain Ghost didn't dare to help privately!

“Brother, accept your fate. This is your fate. Now I will let you go underground and accompany your disciples!”

Chapter: 5932

Cheng Jinghui had a ferocious look on his face, but his strength was still growing!

After this battle, Cheng Jinghui will definitely suffer backlash from the formation. Even if he survives, he will probably be crippled!

But now it's time. Even if he dies, he still has to hold Luo Shouhai on his back, otherwise he won't be able to activate this heaven-reaching magic circle!

"Do you think you can defeat me with the power of the formation?"

Luo Shouhai slowly regained his composure, and there was no anger in his eyes. Instead, he said calmly: "You have the help of formations, and so do I..."

Luo Shouhai took out the formation disk from his arms, and then forced out a drop of blood essence, which dropped on the formation disk.

I saw the formation disk buzzing, and then emitted a ray of light!

A thick smell of blood continues to spread!

Soon, a huge magic circle appeared and swallowed Cheng Jinghui's magic circle directly!

The formations were shining with light, and there was red blood flowing in the formations!

This blood came from Hu Da and Hu Er's sacrifices to their own men. The power in the blood was not used up. Chen Ping tricked Hu Da and Hu Er into the sea of consciousness and killed them, and the sacrificial blood array was closed. !

However, the blood that was not consumed was still left in the sacrificial blood array. When Luo Shouhai used his blood essence to open the sacrificial blood array, the array was activated and the blood began to flow again!

"This...is this the sacrificial blood formation?"

Cheng Jinghui looked at the blood flowing continuously in the pattern and was immediately dumbfounded!

He never expected that the formation disk for sacrificing the blood formation would be in the hands of Luo Shouhai. You must know that this formation disk was left over from the war between gods and demons!

Luo Shouhai looked at Cheng Jinghui coldly, and the surrounding blood mist kept pouring into his body!

These are the powers in the formation, and soon Luo Shouhai's power is rising rapidly!

And Cheng Jinghui's strength is declining rapidly because he does not have the blessing of the formation!

Cheng Jinghui panicked, but seeing the formation patterns flashing around him, he had no way to escape!

"Brother, I...I was wrong, please forgive me..."

Cheng Jinghui started begging for mercy again!

If he had known that Luo Shouhai had the Blood Sacrifice Formation Disk in his hand, he would never have opened his so-called Heaven-Bearing Formation!

"Go to the underworld and beg for mercy from those Blood Spirit Valley disciples!"

Luo Shouhai flew up and slapped Cheng Jinghui on the face!

Chapter: 5933

Snapped!

This slap made Cheng Jinghui fall heavily to the ground.

Luo Shouhai didn't stop, he chased after him, grabbed Cheng Jinghui's collar and fired from left to right!

Luo Shouhai was venting his anger. Dozens of his disciples were massacred by Cheng Jinghui. Only Luo Shouhai knew this anger!

Luo Shouhai carried Cheng Jinghui and beat him from the sky to the ground. Cheng Jinghui had no ability to resist at all!

Seeing this scene, Devil Mountain Ghost Lao breathed a sigh of relief, and he also understood why Chen Ping wouldn't let him take action!

It turns out that Chen Ping knew it well and knew that Luo Shouhai would definitely not be defeated!

In the blood sacrifice formation, Cheng Jinghui was beaten to a terrible state!

However, Luo Shouhai did not kill him. It was not that Luo Shouhai did not want to kill him, but that he wanted Cheng Jinghui to be even more miserable!

Luo Shouhai grabbed Cheng Jinghui's collar and began to beat him to the ground!

The disciples of the Blood Spirit Peak, seeing Cheng Jinghui like that, their eyes widened and they didn't even dare to let out a fart!

The elder from Blood Spirit Peak also looked extremely ugly, his eyes full of panic!

I don't know how long it took, but Cheng Jinghui only had one breath left!

Luo Shouhai slowly let go, and Cheng Jinghui fell to the ground with a pop!

As Luo Shouhai put away the formation disk, the sacrificial blood formation slowly disappeared!

Looking at Cheng Jinghui with only one breath left, Luo Shouhai seemed to have no mercy in his eyes. Now Luo Shouhai no longer regards Cheng Jinghui as his junior brother!

“Senior...senior brother...please...”

Cheng Jinghui was vomiting blood from his mouth and wanted to beg for mercy when he was about to die. This shows that this guy has a very strong desire to live!

It's a pity that Luo Shouhai will not let him live!

Luo Shouhai raised his foot and stepped on it without any hesitation!

puff!

Cheng Jinghui's body instantly turned into a puddle of flesh, and even his soul was wiped out under this kick!

After killing Cheng Jinghui, Luo Shouhai collapsed on the ground as if his strength had been drained instantly!

“Disciples, you can rest in peace...”

Chapter: 5934

Luo Shouhai raised his head and shouted!

Cheng Jinghui is dead, and the disciples of Blood Spirit Peak are all trembling with fear in their eyes!

Now that Cheng Jinghui is dead, it will be their turn next!

They had just seen Luo Shouhai's strength with their own eyes!

With the addition of a demonic mountain ghost old man, there is no way they can be opponents!

"Lao Luo, what should we do with these disciples of Blood Spirit Peak?"

Demon Mountain Ghost asked!

If Luo Shouhai said kill, he would take action without hesitation!

For a moment, all the disciples of Blood Spirit Peak looked at Luo Shouhai. Their lives depended on Luo Shouhai's words!

Looking at the disciples at Blood Spirit Peak, Luo Shouhai stood up slowly!

"Now that Cheng Jinghui is dead, are you willing to follow me to Blood Spirit Valley to revive the glory of Blood Spirit Valley?"

Luo Shouhai asked those Blood Spirit Peak disciples!

Originally from the same sect, these Blood Spirit Peak disciples, if they could bring them back to the Blood Spirit Valley, would be able to adapt to the Blood Spirit Valley completely with just a slight change in their cultivation methods!

There is no one in the Blood Spirit Valley now. If we cultivate it bit by bit, it will take a lot of time!

Now these disciples of Blood Spirit Peak are ready-made, so Luo Shouhai wants to take them back to Blood Spirit Valley!

Listening to Luo Shouhai's words, the disciples of Blood Spirit Peak were all stunned, thinking that they heard wrongly!

They thought that even if Luo Shouhai didn't kill them, he would destroy them and let them fend for themselves!

But they didn't expect that Luo Shouhai would take them to Blood Spirit Valley!

"Thank you Lord Luo Gu, I am willing to follow Lord Luo Valley to the death..."

The elder from Blood Spirit Peak reacted the fastest and knelt down in front of Luo Shouhai to express his allegiance!

Seeing this, the other disciples of Blood Spirit Peak also knelt down and worshiped!

These people are willing to follow Luo Shouhai to Blood Spirit Valley!

After all, Blood Spirit Valley is the right path, and Blood Spirit Peak was founded by Cheng Jinghui himself after he left!

"Okay, you all get up!"

Chapter: 5935

Luo Shouhai raised his hand and made all the disciples of Blood Spirit Peak get up!

"Mr. Chen, thank you very much for allowing me to avenge the disciples of Blood Spirit Valley. The debt our Blood Spirit Valley owes to Mr. Chen will never be fully repaid!"

Luo Shouhai walked up to Chen Ping and was about to kneel down as he spoke!

If it hadn't been for Chen Ping, Luo Shouhai would never have known that Cheng Jinghui had done this!

"Master Luo Gu, you're welcome!" Chen Ping hurriedly supported Luo Shouhai!

"Mr. Chen, now that Lao Luo has taken revenge, we should go back quickly. After all, there are people everywhere looking for your whereabouts."

Devil Mountain Ghost Lao said!

"Master Luo Valley, Old Ghost, you two should go back to the Blood Spirit Valley first. I want to go for a walk on the top of the Heavenly Demon Mountain to see if I can find the Heavenly Demon Stone."

"Besides, I also want to go to the Demon Swallowing Cave to see what adventures Qi Peijia has in there!"

Chen Ping said to the two of them!

"Mr. Chen, I will accompany you. The depths of Tianmo Mountain are very dangerous, especially the Demon Swallowing Cave. I am afraid that you may be in danger."

Devil Mountain Ghost Lao said!

"Old Ghost, I changed my appearance and suppressed my aura. If you are not a particularly familiar person, you won't recognize me. Don't worry."

"And in this Tianmo Mountain area, I think the various sects are quite gentle and the three races can get along with each other. There shouldn't be any danger."

Chen Ping explained!

“Mr. Chen, you don’t know something. This Heavenly Demon Mountain used to be the land of demons. Later, the battle between gods and demons was fought here, so many demon cultivators died.”

“However, there are still many demonic cultivators who have survived, and some demonic cultivators who have done many evil things are lurking deep in the Demonic Mountain. These demonic cultivators do evil wantonly, and there are no rules at all in their cognition.”

“In recent years in the Southern Territory, especially in the Tianmo Mountain area, the three tribes have gotten along pretty well. Therefore, those evil cultivators have been hiding deep in the Tianmo Mountain and dare not show their faces. If Mr. Chen encounters these people, they will not care about anything. Unruly.”

Devil Mountain Ghost said with a worried look!

“What, is there a demon cultivator on the top of the mountain deep in the demon mountain that day?”

Chen Ping raised his head and glanced at the towering mountain top, and couldn’t help but be surprised!

You must know that it will definitely be very difficult on the top of the Demonic Mountain. Living in that kind of place must be miserable!

“Of course, but most of those demon cultivators use souls and resentful spirits to practice, so they kill innocent people indiscriminately and do all kinds of evil.”

“It is precisely because there are such a part of the demon cultivators that we demon cultivators are regarded as demons by others, and everyone shouts to kill them. In fact, demon cultivators are not all the kind of people who kill indiscriminately. It is just because of our demon cultivators’ abilities. The concept of Dharma is different from that of other immortal cultivators, so they are called demon cultivators.”

Chapter: 5936

“Among the demon cultivators, there are also many who have transformed from human monks. In fact, there is not much difference between the three races. They are all aiming to ascend to immortality.”

“It’s just that after the war between gods and demons, demon cultivators became street rats. No matter what they are, as long as they are demon cultivators, they are defined as bad people.”

The old Demon Mountain Ghost sighed, looking very helpless!

Chen Ping gently patted Devil Shan Gui Lao’s shoulder, which was considered a comfort!

The fact that the demons have reached this point must have been planned by someone!

There is also a battle between gods and demons, someone is definitely behind it!

The war between gods and demons back then was not limited to the world of heaven and humans, but many other worlds were in a melee!

“Old Ghost, I believe it won’t take long before the three races will get along well with each other, and the entire world of immortality will be prosperous.”

“At that time, no matter whether they are human race, demon race or beast race, they will be treated equally!”

Chen Ping said calmly!

“I hope, I hope this day will come...”

There is a bit of hope in the eyes of the old Demon Mountain Ghost!

“I don’t expect equal treatment, I just hope that there is a real distinction between good and evil in the eyes of everyone. Although I am a demon cultivator, I abide by the rules and keep my promises. However, some well-known and decent people in the human race are not as good as demon cultivators like us. .”

“The Feng Demon Alliance has always regarded itself as a well-known and upright family, with the slogan of exterminating demons and defending the Tao, but all the things it did were despicable.”

“Now in the entire heaven and human world, there is no distinction between good and evil. Many people in the heaven and human world are confused...”

Luo Shouhai said with some indignation!

After listening to Luo Shouhai’s words, Chen Ping could understand his current mood!

Originally I kept myself safe and abided by the rules, but because of my identity as a demon cultivator, I was often misunderstood and hunted down!

When they were in Mohai, Luo Xi and Jin Dong almost died there because of their status as demon cultivators!

If it weren’t for Chen Ping, Luo Xi and Jin Dong would have died in the sea of mo!

In fact, what’s wrong with Luo Xi and Jin Dong?

What other outrageous things did they do?

Just because of their unchangeable identities, they were criticized and hunted down by everyone!

Chen Ping followed Luo Shouhai and explained a few words to Devil Shan Gui Lao, then turned around and left!

Chapter: 5937

As for Ji Yun, Huo Feng and the others, they will stay in the Blood Spirit Valley for the time being!

Now Chen Ping is safer alone. With his changed appearance and breath, no one will find him!

If Huofeng and the others were following him, someone would definitely deduce Chen Ping's identity based on Huofeng and the others!

After Chen Ping left, Luo Shouhai took the disciples of Blood Spirit Peak and started to go down the mountain, and set Blood Spirit Peak on fire!

From now on, there will be no more Blood Spirit Peak!

.....

Deep in the Demonic Mountain!

Two monks were running in panic. Among them was a woman in green, wearing a piece of jade on her chest. The jade shone with a faint white light, and there was a trace of vitality circulating!

"Junior sister, you take the Heavenly Demonic Dragon Ginseng and leave first. I'll stay and delay the time for you..."

Said a man wearing a green robe with an injured left arm!

"Senior brother, you are injured. You should just take the Demonic Dragon Ginseng and leave. I will delay time for you!"

The woman in green took out a very exquisite wooden box from her arms and handed it to the man!

But the man did not answer, but said solemnly: "Junior sister, stop arguing with me. Go back quickly, otherwise it will be too late to save Master."

The man pushed the woman, then turned around and ran back with his sword in hand!

But the man just took two steps, and his face instantly turned ugly!

I saw a man with scars on his face and only one eye chasing after him, and behind him were four strong men holding various treasures!

As soon as these five people arrived, they surrounded the men and women. The five people had a blood-evil aura on them, and you could tell at a glance that they were demon cultivators!

“Fellow Taoist, we are both demonic cultivators, so why bother forcing each other?”

“If Fellow Taoist can let my junior sister and I go, our Soul Demon Sect will definitely be grateful.”

“If fellow Taoists can come to my Soul Demon Sect as a guest, we will definitely provide various resources.”

The man followed the one-eyed man very politely and said!

“Hahaha, are you fucking stupid? I have been chasing you for a long time because of the Heavenly Demon Dragon Ginseng in your hands. Who is going to be a guest of your Soul Demon Sect?”

“Maybe you guys from the Soul Demon Sect will take away my soul and ask me how to practice!”

The one-eyed man laughed loudly!

Chapter: 5938

Hearing the one-eyed man talking about Heavenly Demon Dragon Ginseng, the man in green's face instantly became even uglier!

However, he still suppressed the panic in his heart and said calmly: “Fellow Taoist, this Heavenly Demonic Dragon Ginseng is used to save my master, I can’t give it to you.”

“I can give you spirit coins, or other immortal grasses!”

“Stop talking nonsense, we just want the Demonic Dragon Ginseng, and the spirit coins are of no use. Deep in the Heavenly Demon Mountain, there is no place to spend the spirit coins.”

“Now obediently hand over the Heavenly Demonic Dragon Ginseng, and I can let you two go. If you don’t hand it over, don’t blame me for being rude.”

“It just so happens that your little junior sister is very cute. My brothers haven’t played with women for a long time.”

The one-eyed man looked at the woman in green with a bit of greed in his eyes!

“Hahaha.....”

Several other people also looked at the woman in green and laughed!

The man in green didn’t speak, but a strange aura slowly spread from around his body!

This breath is very special and has a breathtaking feeling!

The one-eyed man didn’t seem to notice this aura at all, and actually looked at the man in green with a sneer!

The man frowned slightly, and cold sweat broke out on his forehead. The strange aura became stronger and spread further around!

But the one-eyed men in front of them seemed not to be affected at all!

At this time, Chen Ping, who was on his way, suddenly felt a fit in his body, and his heart tightened directly, as if his soul had been knocked hard!

“Mr. Chen, this smell is so strange. I feel like I can’t control myself.”

Zhe Yan said in Chen Ping’s sea of consciousness!

Zhe Yan himself is a remnant soul, and now he seems to be suddenly restrained by someone, trying to pull him away from Chen Ping’s sea of consciousness!

Chen Ping frowned slightly, and golden light flashed in the sea of consciousness, directly defeating that strange aura!

But the strange feeling just now made Chen Ping instantly alert!

He has never encountered such a special atmosphere!

And this breath doesn’t seem to be dangerous, but it makes people’s soul deep inside seem to be hit!

Just now, Chen Ping’s soul almost broke away from his body uncontrollably, as if something was summoning the soul!

“I’m curious about the strange smell. Let’s go and see what’s going on...”

Chapter: 5939

Chen Ping was very curious, so he followed the breath and followed it!

However, Chen Ping was prepared, his soul was extremely powerful, and this strange aura could no longer deal a heavy blow to Chen Ping’s soul!

After carefully tracing for a distance, Chen Ping soon discovered the man and woman who were besieged!

Because Chen Ping didn't know who the other party was, he didn't move, but quietly observed!

But these people are all demon cultivators, Chen Ping can tell at a glance!

At this moment, the man in green clothes was already sweating profusely and his body was trembling slightly!

It seems that he has reached his limit, but the people in front of him are still motionless!

“Hahaha, you don't have to try to control our souls so that you can escape. How could we not be prepared to deal with the people of your Soul Demon Sect!”

As he spoke, the one-eyed man took out a bead the size of his thumb from his arms!

Immediately afterwards, the other four people also took out an identical bead, and then showed it off in front of the easy man!

Seeing the beads in the hands of several people, the man in Tsing Yi's face turned extremely ugly!

“Soul-fixing beads? Why do you have so many soul-fixing beads?”

The man in green asked with an ugly expression!

“Guess...” the one-eyed man grinned!

“Could it be that there was a traitor in our Soul Demon Sect and he gave you the Soul-fixing Pearl?”

The man in green said with an angry look!

“You guessed it right, but even if you know that there is a traitor in your Soul Demon Sect, what can you do? You are going to die soon!”

The one-eyed man laughed loudly!

The man in green gnashed his teeth angrily, but there was nothing he could do!

“Soul Demon Sect? I didn’t expect that there are still demon cultivators from the Soul Demon Sect still alive in the world?”

When Zhe Yan heard that the man and woman in green clothes were from the Soul Demon Sect, he immediately exclaimed!

“Zhe Yan, what kind of sect is this Soul Demon Sect? Is it good or bad?”

Chen Ping asked Zhe Yan!

Since Zhe Yan is so surprised, he must know about this Soul Demon Sect!

Chapter: 5940

“Mr. Chen, this Soul Demon Sect is also a demon cultivator, but their demon cultivator sect is different from other demon cultivators. Their sect has studied the soul very deeply, and these people from the Soul Demon Sect all like The strange aura that attacked the opponent’s soul just now must have been done by someone from the Soul Demon Sect.”

“As for whether this Soul Demon Sect is good or bad, there is no way to characterize it. It is said that the ancestor of this Soul Demon Sect was once the king of a country in the secular world. In another battle between countries, he led one hundred thousand soldiers They all died on the battlefield.”

“Only the king of this country is still alive, but he fell into deep self-blame, so he sat next to the corpses of a hundred thousand soldiers all day long to save his own soldiers.”

“The souls of these soldiers after death were unwilling to leave, and they still followed the king of this country. Slowly, the king of this country used these 100,000 souls to embark on the path of cultivation and founded the Soul Demon Sect, mainly to study souls.”

“It is precisely because the alternative cultivation method of the Soul Demon Sect is not accepted by the public of demon cultivators, so it is often ostracized. After the war between gods and demons, the demons suffered hardships, and the Soul Demon Sect became even more unpopular, and finally disappeared.”

“Everyone thought that the Soul Demon Sect was extinct, but they didn’t expect that it was hiding deep in the Demon Mountain.”

“The Soul Demon Sect has never done anything harmful to nature. They all use the souls of dead people and will not easily seize the souls of living people. But after all, using other people’s souls to practice is not a glorious thing, so the Soul Demon Sect is Whether it’s good or bad, I can’t tell.”

This tells Chen Ping the origin of the Soul Demon Sect!

“As for the other few people, do you know what sect they are from?”

Chen Ping asked!

“I don’t know, maybe they are some casual cultivators, but those walking deep in the Demonic Mountain are probably not good people.”

Zhe Yan said!

“Then what is the Demonic Dragon Ginseng they are talking about? Is it very precious?”

Chen Ping continued to ask!

“This...” Zhe Yan was speechless: “Mr. Chen, I still know some things about the demon clan. If you ask about Tianmo Mountain, I don’t know. After all, I have never been in Tianmo Mountain. .”

“But it seems that the Heavenly Demonic Dragon Ginseng should be a very precious fairy grass, otherwise it wouldn’t be snatched away.”

Chen Ping stopped talking and stared closely at the scene!

Among the five one-eyed men, only the one-eyed man is at the sixth level of the Tribulation Realm, and the others are at the fifth level of the Tribulation Realm!

Chen Ping can still handle this kind of cultivation alone!

At this moment, the woman in green said: “I will give you the Heavenly Demon Dragon Ginseng, can you let us two go?”

The woman in green took the Demonic Dragon Ginseng and planned to hand it over to the one-eyed man!

“Junior sister, you must not hand over the Demonic Dragon Ginseng. This is to save Master’s life. If you hand it over, Master will be dead!”

The man in Tsing Yi hurriedly stopped him!

“Senior brother, if we don’t hand it over, both of us will be dead, and we won’t be able to save the Heavenly Demonic Dragon Ginseng. I believe Master knows about it and won’t blame us.”

As the woman in green clothes spoke, she opened the wooden box and took out a wild ginseng that looked exactly like a dragon!

The moment the Heavenly Demonic Dragon Ginseng was taken out, Chen Ping felt a surge of fairy energy coming towards his face!

This Heavenly Demonic Dragon Ginseng actually contains a large amount of immortal energy. From this, it can be inferred that where the Heavenly Demonic Dragon Ginseng grows, there should be things that have fallen from the heavens, nourishing the growth of the Heavenly Demonic Dragon Ginseng!
