

The Order 5941

Chapter: 5941

“Hahaha, you are still a well-educated little girl. Now hand over the Demonic Dragon Ginseng and I can let you go!”

The one-eyed man laughed and stretched out his hand towards the woman!

“Junior sister, we must not give it to them...”

When the man in green saw this, he quickly shouted to stop him!

“Cut the fucking nonsense...”

The one-eyed man waved his hand, and the man in green flew directly backwards!

Obviously in terms of strength, this man in green is much weaker!

Chen Ping also saw that this demon cultivator from the Soul Demon Sect had his own unique skills in soul control, but he still lacked a lot in fighting with real swords and guns!

Just like an array mage or pharmacist, if you specialize in one area, you will be able to do many other things!

After all, people’s energy is limited, and few people will be as perverted genius as Chen Ping...

“Senior brother...”

Seeing this, the woman in green hurriedly stepped forward to help her senior brother up!

“Hurry up and bring the Demonic Dragon Ginseng. My patience is limited.”

One Eye is getting impatient!

“good.....”

The woman in green nodded, then stood up and walked slowly towards the one-eyed man!

“Junior sister, you can’t...” The man in green vomited blood and tried his best to stop him!

But the woman in green didn’t seem to hear it!

“You must not kill me, I can give you the Demonic Dragon Ginseng!”

The woman in green had a scared look on her face and looked pitiful!

“Don’t worry, as long as you obey your orders, I won’t be able to kill you.”

The one-eyed man grinned!

The one-eyed man’s eyes were full of greed. He was greedy for the Demonic Dragon Ginseng in the hands of the woman in blue, and he was also greedy for the young woman’s body!

As long as he gets the Demonic Dragon Ginseng, he will attack the woman in green without hesitation!

Chapter: 5942

As for the promised promise!

They will never abide by it. After all, they are living deep in the Demonic Mountain. Who cares about promises and rules!

“This girl is so stupid. These guys are living deep in the Demon Mountain. How can they keep their promises? You can’t believe a word of these guys’ words.”

Zhe Yan said anxiously when he saw that the girl believed the one-eyed man’s words!

“What? You want to save that girl?”

Chen Ping could tell from Zhe Yan’s anxious tone that if he didn’t have only a trace of his soul left, he would definitely come to the rescue!

“I...” Zhe Yan didn’t know how to answer!

“Are you in love with this girl?”

Chen Ping can feel what Zhe Yan is thinking, but Zhe Yan lives in his sea of consciousness!

“A bit!” Zhe Yan said without hesitation!

After all, he wanted to hide Chen Ping, but he simply couldn’t, so he might as well just admit it!

“Isn’t it love at first sight?” Chen Ping smiled!

Zhe Yan stopped talking, but Chen Ping could feel the anxiety in his heart!

“Don’t worry, that girl is not stupid, on the contrary, she is very smart. Maybe these guys will trick her!”

Chen Ping laughed!

Just as Chen Ping finished speaking, the jade stone on the girl's chest shone brightly!

However, this did not attract the attention of the one-eyed people. They put all their attention on the Demonic Dragon Ginseng and the girl's body.

As the jade continued to flicker, the girl's body exuded a strange aura, which was much stronger than that of the man in green just now!

Unknowingly, the eyes of the four men beside the one-eyed man began to become trance-like, and four black shadows slowly floated out from above their heads!

These are the souls of four people. Only after the souls left the body did these four guys react!

I saw those four black shadows struggling desperately, trying to rush back to their true bodies!

But the jade stone on the girl's chest burst out with golden light. Under the golden light, the four black shadows were instantly defeated!

And the bodies of those four guys all lay down straight!

At this moment, the one-eyed man seemed to have reacted, and his whole body became ferocious. He looked at the soul-fixing bead in his hand, opened his mouth and swallowed it!

Chapter: 5943

Seeing the one-eyed man swallowing the soul-fixing pearl, the woman in green turned ugly!

One after another, the unique aura kept attacking the one-eyed man, trying to force out the one-eyed man's soul!

The one-eyed man looked at the woman in green like a poisonous snake. He didn't expect that he would be fooled by this woman!

"If you dare to lie to me, go to hell..."

The one-eyed man waved a long knife in his hand. The long knife was filled with black spiritual light, and then a sharp edge went towards the woman in green!

In the blink of an eye, the long knife cut through the void and roared towards her, threatening to cut the woman into two pieces!

The woman in green faced the one-eyed man's sword, her eyes full of fear. She wanted to hide, but she couldn't hide at all!

The woman in green clothes closed her eyes and could only accept her fate!

"Junior sister, junior sister..."

When the man in green saw this, he tried desperately to protect the woman in green, but he was injured and couldn't get up at all!

I can only watch my junior sister die tragically under the knife!

Seeing that the woman in green was about to die tragically, she saw a black shadow coming in an instant!

The black shadow stood in front of the woman in green, then reached out and grabbed the long knife!

The one-eyed man was stunned, and so was the woman in green!

None of them noticed that there was suddenly an extra person!

“Who are you? Don’t mind your own business...”

The one-eyed man yelled at Chen Ping!

Chen Ping now looks like a middle-aged man, and his aura only seems to be in the Fusion state!

But it is unreasonable to be able to directly block a sword from crossing the tribulation realm...

“When the road is rough, draw your sword to help. You can call me Lei Feng...”

Chen Ping smiled lightly!

The one-eyed man suddenly became furious and shouted loudly: “I’m afraid of your mother, even though I’m in the Fusion Realm, you dare to interfere.”

After saying that, the one-eyed man withdrew his long knife and swept it towards Chen Ping!

Chen Ping turned to one side, dodged the knife, and then kicked the one-eyed man in the abdomen!

Chapter: 5944

Wow.....

The one-eyed man suddenly opened his mouth in pain, and the soul-fixing pearl he had just swallowed was spat out!

When the woman in green saw this, the jade on her chest flashed, and then a strange aura enveloped the one-eyed man!

The one-eyed man was stunned for a moment, then his eyes became distracted, and his soul slowly floated out from his body!

After breaking away from his body, the one-eyed man was shocked, turned around and ran away!

The physical body is gone, it can be taken away and reshaped!

But if the soul is destroyed, it will really be doomed!

Seeing that the one-eyed man's soul was about to run away, the green-clothed woman's eyes flashed with anger. She suddenly waved her hand and struck out a hidden weapon like a steel nail, and then the one-eyed man's soul was locked in the void!

The one-eyed man was shocked and struggled desperately, but he couldn't get away at all!

Chen Ping looked at the scene in front of him in surprise, feeling very incredible!

After all, this soul is a spirit body and has no physical body at all. Weapons cannot touch it, let alone control it!

But the hidden weapon like a steel nail that the woman just threw out actually fixed the soul of the one-eyed man. It can be clearly seen that the hidden weapon was fixed on the soul of the one-eyed man!

"Mr. Chen, this is a soul-catching spike, a unique weapon of the Soul Demon Sect. The soul hit by this spike is as if it is immobilized and cannot move at all."

Seeing Chen Ping's doubts, Zhe Yan quickly explained to Chen Ping!

Chen Ping couldn't help but sigh, this Soul Demon Sect is really strange, even the weapons are aimed at the soul.

The woman in green clothes slowly walked towards the one-eyed man and asked with cold eyes: "Who gave you the Soul-fixing Pearl? Who is the traitor to our Soul Demon Sect?"

After hearing this, the one-eyed man suddenly laughed and said, "If you want to know the news from me, you'd better give up. I can't tell you."

The woman in green didn't say anything, but stretched out her hand to blow out a breath, and then the one-eyed man screamed!

The soul of the one-eyed man is slowly being absorbed by the woman in green!

In the end, he was sucked directly into the body of the woman in green!

The demon cultivators who are able to hide in the depths of Tianmo Mountain are all extremely vicious people, so even if these guys die, it is impossible to tell them!

After absorbing the one-eyed man's soul, the woman in green walked up to Chen Ping!

"Thank you fellow Taoist for helping me..."

The woman in green said to Chen Ping very politely!

Chapter: 5945

"It's just a little effort!"

Chen Ping smiled lightly!

But Chen Ping's eyes were fixed on the chest of the woman in green!

He could feel that there was a trace of vitality in the jade stone on the chest of the woman in green. It was this breath that made the special aura in the woman's body much stronger!

The woman in green clothes saw Chen Ping staring at her chest. She couldn't help but lower her head slightly and found that her collar had been opened at some point!

The snow-white skin exposed, especially the deep ravine, is indeed very attractive!

Originally, the woman in Tsing Yi was grateful to Chen Ping, but now she discovered that Chen Ping was so bold, looking directly at her private parts in front of her, her eyes suddenly filled with anger, and she tightened her collar at the same time!

Seeing the woman in green tightening her collar and covering up the jade, Chen Ping couldn't help but sigh: "It's such a good thing..."

Upon hearing Chen Ping's words, the woman in Tsing Yi certainly had no good impression of Chen Ping. She was openly teasing herself!

"You big pervert, you are so rude..."

The woman in green said and slapped Chen Ping with her palm!

Chen Ping was stunned and hurriedly avoided, saying with a confused expression: "Fellow Taoist, I just saved your life, why did you suddenly attack me? You are repaying kindness with enmity!"

"Bah, if you save me, you must be just greedy for my body. I will never let you succeed."

After saying that, the woman in green continued to attack Chen Ping!

However, after several consecutive moves, he couldn't even touch the corner of Chen Ping's clothes. The woman in green could only stamp her feet anxiously!

"Please tell me clearly, what kind of body do I covet in you? It's simply inexplicable!"

Chen Ping said with a confused look!

“Why are you pretending to be a gentleman? What were you looking at me just now?”

The woman in green tightened her collar again!

Chen Ping instantly understood that the woman had misunderstood, so he quickly explained: “I was just looking at the piece of jade on your chest. There was a breath of life in that jade. I felt it was very special, so I took another look. .”

“And I said this jade was a good thing. I didn’t say anything else. You must have misunderstood.”

“Really?” The woman in green looked at Chen Ping doubtfully!

“Of course it’s true. If I’m greedy for your body, why should I save you? I can just cooperate with that one-eyed man.”

Chen Ping said angrily!

Chapter: 5946

The woman in green thought for a while and felt that she had indeed misunderstood Chen Ping, so she apologized: “I’m really sorry, I misunderstood you.”

“My name is Jiang Yulian, and that is my senior brother Zheng Jian. We are both members of the Soul Demon Sect. I wonder what this fellow Taoist’s name is and who he is?”

“My surname is Cheng, and I come from the Northern Territory.” Chen Ping replied!

“It turns out to be Mr. Cheng. I didn’t expect that you only seem to be in the Fusion Realm, but you can withstand a blow from the Tribulation Realm.”

“And you...”

The woman in green clothes said, but suddenly stopped, then her eyes were fixed on Chen Ping, her brows slightly wrinkled!

Seeing Jiang Yulian's strange behavior, Chen Ping instantly became vigilant.

"Why is there another soul in your body? Could it be that your body was taken away from you?"

Jiang Yulian asked in shock!

She felt the remnant soul of the other flame in Chen Ping's body!

After all, the Soul Demon Sect is very knowledgeable about souls and is also very sensitive, so it is normal to be able to detect that Chen Ping still has souls in his body!

"My body was not taken away. There is indeed a residual soul in the sea of consciousness. That is my friend. His body was destroyed and his soul was weak, so I left him in the sea of consciousness."

Chen Ping explained!

Zhe Yan was deeply moved when she heard Chen Ping call her a friend!

For such a long time, Zhe Yan has been living in Chen Ping's sea of consciousness, and the two of them will communicate frequently!

However, Zhe Yan never dared to hope that she could become Chen Ping's friend!

You must know that during this period of time, he has learned most of Chen Ping's identity and secrets. He himself is just a small demon cultivator, how can he dare to climb up to Chen Ping!

Now that Chen Ping said this, Zhe Yan felt moved that a scholar would die for his confidant!

“It seems that your friend is very important to you, and you trust him very much, but no one dares to put other people’s souls into their own sea of consciousness.”

“If the other party has evil intentions, controls your sea of consciousness, and takes away your body, then you are doomed!”

Jiang Yulian said in surprise!

Chen Ping just smiled and did not explain!

Chen Ping’s sea of consciousness, let alone an injured remnant soul like Zhe Yan, even a strong soul, entering Chen Ping’s sea of consciousness, is like being in a cage. If Chen Ping wants them to die, they will die!

The soul of Hu Da and Hu Er entered Chen Ping’s body and tried to seize Chen Ping’s body, but Chen Ping easily killed him!

Chapter: 5947

“Junior sister, are you okay...”

Zheng Jian staggered over and asked Jiang Yulian with concern!

“I’m fine, senior brother, how are you?”

Jiang Yulian asked!

“He’s not dead, he just suffered some internal injuries!”

Zheng Jian gave a wry smile, then looked at Chen Ping and said, “Thank you fellow Taoist for helping me, I’m grateful!”

“You’re welcome. I see that you are injured. If you don’t get treatment in time, although you won’t lose your life, I’m afraid it will be difficult for you to increase your strength in the future.”

Chen Ping looked at Zheng Jian and said!

When Zheng Jian heard this, his eyes were filled with panic. For a monk, not being able to improve his realm would be even more uncomfortable than dying!

“Mr. Cheng, are you a pharmacist?”

Jiang Yulian looked at Chen Ping in shock and asked!

You know, pharmacists are very rare in the world of gods and humans. In the depths of their Demonic Mountain, pharmacists are even rarer!

After all, the pharmacist’s level of strength is not very high, and he will not easily go to the depths of the Demonic Mountain. It is too dangerous here!

“I just know a little bit about medical skills!”

After Chen Ping finished speaking, he took out the silver needle and said to Zheng Jian: “Fellow Taoist, please restrain your breath for the time being. I will dredge the bruises in your body for you. Then after taking the elixir, you can slowly heal.”

“Thank you very much!”

Zheng Jian nodded and restrained his breath without hesitation!

For Chen Ping, Zheng Jian actually had an inexplicable trust!

Chen Ping applied acupuncture on several of Zheng Jian's acupuncture points. In just a few minutes, Zheng Jian felt a wave of heat running through his body!

Then a mouthful of black blood spurted out!

Chen Ping put away the silver needle, took out a dark pill and said, "Take this pill and you will be cured in a few days."

Zheng Jian took the pill and swallowed it directly!

In the world of gods and humans, there are really not many people who dare to take strangers' things like this, unless they have special trust in each other!

It can be seen that Zheng Jian has great trust in Chen Ping!

Chapter: 5948

After swallowing the pills, Zheng Jian felt much better!

"Mr. Cheng, thank you so much. Not only did you save me, but you also healed my senior brother. I wonder where you are going? If you don't mind, I hope Mr. Cheng can come to our Soul Demon Sect to sit down. We can also do what's best for the landowner!"

Jiang Yulian asked Chen Ping!

"To be honest, I came to the depths of the Demon Mountain just to find the Demon Stone."

Chen Ping said with a smile!

Chen Ping did it to choose the Heavenly Demon Stone, and also to visit the Demon Swallowing Cave.

"Does Mr. Cheng have a friend who needs to reshape his body? Is it the one in your body?"

Jiang Yulian asked!

Chen Ping was stunned and asked with some confusion: “Does Miss Jiang also know that this magic stone is used to reshape the body?”

“Of course, our Soul Demon Sect specializes in studying souls. Reshaping the physical body of the soul is also something our sect studies.”

“However, Heavenly Demon Stones are very scarce. Only monks at the Mahayana realm or above will use Heavenly Demonic Stones to rebuild their physical bodies after their bodies have been destroyed, because the body rebuilt with Heavenly Demonic Stones will be very powerful.”

“If the reshaped body is too weak, it will be useless no matter how high the realm is. It will not be able to withstand the terrifying aura, and the body may even explode.”

“Isn’t it possible that Mr. Cheng’s friend is a monk in the Mahayana realm or higher?”

When Jiang Yulian said this, she looked at Chen Ping with eyes full of envy!

After all, being able to become friends with monks who are in the Mahayana realm or even higher realms is something worthy of showing off!

“this.....”

Chen Ping hesitated for a moment, then smiled bitterly and said: “Actually, I don’t know the strength of my friend. He just told me that he needed the Demon Stone, and it was not the friend in my body. The strength of the friend in my body is very low! ”

Chen Ping still doesn’t know what Feng Mo’s strength is. After all, Feng Mo is just a remnant soul and has taken away other people’s bodies, so his strength will definitely be greatly reduced!

As for what state Feng Mo was at his peak, Chen Ping didn't know!

There are also the Yin Demon, the Blood Demon, and Chen Ping doesn't know their realm!

However, Chen Ping knew that these guys could definitely be regarded as powerful beings in the world of heaven and humans, otherwise they would not have been suppressed!

They may be in the Mahayana realm, or they may have reached a higher immortal realm!

But one thing is that Chen Ping still remembers what the Blood Demon once said, that with one look from his father, the Blood Demon can be wiped out!

Then what state will his father be in!

Chapter: 5949

Chen Ping looked up at the sky. He didn't know when he would be able to fly to heaven. Maybe he would be able to see his father in heaven!

"Mr. Cheng, the Heavenly Demon Stone is a very rare thing. Although we have lived deep in the Heavenly Demon Mountain for so many years, we have never seen the Heavenly Demon Stone. However, it is possible that my master will know some news about the Heavenly Demon Stone."

Zheng Jian said to Chen Ping!

Zheng Jian's intention is very obvious, that is, let Chen Ping go back to the Soul Demon Sect with them, maybe he can get news about the Demon Stone!

Chen Ping himself also knew that it was impossible to find the Heavenly Demon Stone by wandering around in the depths of the Heavenly Demon Mountain. He couldn't even find the Demon-Swallowing Cave!

He had to have someone he knew well to guide him, so he nodded and agreed to follow Jiang Yulian and the others back to the Soul Demon Sect!

Chen Ping followed Jiang Yulian and Zheng Jian towards the Soul Demon Sect!

In fact, Chen Ping didn't know that the Demon Swallowing Cave was only a few hundred miles away from where they were now, and they could get there in less than a day!

At this time, deep in the Demon Swallowing Cave, more than a dozen corpses of demon cultivators were placed on the ground. The clothes of these corpses of demon cultivators were actually the same as those of Jiang Yulian and Zheng Jian. They should all be disciples of the Soul Demon Sect!

Clouds of black mist surrounded the dozens of corpses!

Wisps of deathly energy emanated from the corpse!

Ning Zhi sat in front of these corpses and suddenly opened his mouth. The wisps of death were continuously sucked into Ning Zhi's body!

Ning Caichen and Qi Peijia watched from both sides!

The expressions of the two people are different!

Qi Peijia's eyes were filled with anger and cowardice!

Ning Caichen's face was full of doubts and confusion!

Ever since Qi Peijia brought Ning Zhi and Ning Caichen into the Demon-Swallowing Cave, he never expected that Ning Zhi's strength would improve by leaps and bounds, and he would be able to master demonic cultivation techniques without a teacher!

There are many obscure pictures and texts on the stone walls everywhere in the Demon Swallowing Cave, and Qi Peijia could only identify one or two out of ten of them!

Ning Zhi came, but he understood more than half of it, as if Ning Zhi had always been a demon cultivator!

But Ning Zhi is obviously the ancestor of the Ning family and a human monk!

Qi Peijia can't defeat Ning Zhi now, and now the boss in the Demon Swallowing Cave becomes Ning Zhi!

Seeing Ning Zhi sucking the death energy from those corpses, Qi Peijia was angry and scared!

He was afraid that Ning Zhi would be unhappy one day and suck him too!

Ning Caichen didn't understand how his ancestor, who finally woke up, became a demon cultivator?

Chapter: 5950

It's very easy to practice the demon cultivation technique.

"call....."

After absorbing the death energy from those corpses, Ning Zhi let out a long breath!

"Hahaha, such a familiar smell, such a pleasant feeling..."

Ning Zhi laughed loudly. His old body turned out to be much younger at this moment!

Ning Zhi originally absorbed the evil spirit and became a demon cultivator from a human!

Now he has returned to his true nature as a demon cultivator!

“I’m at the peak of the Tribulation Realm. If it weren’t for this terrible skin restriction, I should have reached the Mahayana Realm by now.”

Ning Zhi looked at his body with a very disgusted expression!

Although the ancestors of the Ning family were very strong in the past, they have been dead for many years!

The physical body was taken away by Ning Zhi, but it limited the improvement of realm!

If Ning Zhi could seize the body of a still alive Tribulation Realm monk, his strength would have improved by leaps and bounds!

Even a monk who has just died in the Tribulation Realm is much stronger than this body that has been dead for who knows how many years!

“Ancestor, you...”

Ning Caichen looked at Ning Zhi in surprise, with confusion on his face!

He didn’t understand how his ancestor could say such things and despise his body?

Ning Zhi grinned at Ning Caichen, and then said coldly: “Actually, I am not an ancestor of the Ning family. I just took the body of your ancestor of the Ning family.”

“I was originally a demon cultivator, but I was seriously injured and almost died. I still retained a trace of my residual soul, which finally entered the body of the ancestor of your Ning family.”

“If my remnant soul hadn’t been too weak at the time, how could I have taken over the body of a rotten old man who had been dead for many years? Now that I finally have the strength, I want to reshape my body!”

Ning Zhi's words made Ning Caichen stunned!

He never expected that the ancestor he followed so hard was actually a demon cultivator!

Now, he finally understands all the strange behaviors of his ancestors during this period of time!

"you you....."

Ning Caichen's face was filled with anger. He pinned all the hopes of the Ning family's success on his ancestor!

Now he finds out that his ancestor has become someone else, which is hard for him to accept!

Ning Caichen's angry body was trembling slightly. He wanted to take action, but with his little strength, he was not vulnerable at all!

"Now that you know the truth, it's time to go underground and accompany your Ning family members."

After Ning Zhi finished speaking, he suddenly stretched out his hand, and a huge suction force sucked Ning Caichen into his hand!

Ning Caichen's vitality was rapidly draining away, and then a burst of death energy emerged from his body!

Ning Zhi opened his mouth and breathed the death energy into his body!

Then he let go, and Ning Caichen's body fell heavily to the ground!

Qi Peijia watched everything blankly, and he finally understood why Ning Zhi was able to quickly practice the demonic cultivation technique. It turned out that he was a demonic cultivator!
