

The Order 5951

Chapter: 5951

“Comfortable.....”

Ning Zhi sighed, and then turned his attention to Qi Peijia!

Feeling Ning Zhi’s gaze, Qi Peijia couldn’t help but tremble in her heart, and her whole body began to tremble involuntarily!

“What are you going to do? I brought you here. If I hadn’t brought you here, how could your strength have grown so fast?”

Qi Peijia was a little scared and said tremblingly!

“So, I still want to thank you?”

Ning Zhi smiled very sinisterly and walked towards Qi Peijia step by step!

“You don’t need to thank me. As long as you let me leave, this cave will belong to you. No one else can get in without a method.”

“And as long as there are demon cultivators passing by, there will be a suction force to suck those demon cultivators in. You can just sit back and wait quietly.”

Qi Peijia had already begged for mercy!

“It’s a pity that I can’t wait any longer. Now I just need to absorb the death energy from your body and I can reshape my body. I’m tired of this old skin. I’m still the most handsome as I am.”

After Ning Zhi finished speaking, he suddenly shot at Qi Peijia!

Qi Peijia had no time to dodge and was immediately grabbed by the neck by Ning Zhi!

Qi Peijia felt suffocated, and felt extremely regretful. He was leading a wolf into the house!

Seeing that Qi Peijia was about to die, he suddenly thought of something and hurriedly said: "Don't kill me. If you want to reshape your body, you need to use the Demon Stone. Reshaping your body with the Demon Stone can make your body extremely powerful." ."

"You are now at the peak of the Tribulation Realm. It won't be long before you reach the Mahayana Realm. By then, your reshaped body will simply not be able to withstand your formidable strength."

"You can only reshape your body with the Demon Stone to match your strength..."

Qi Peijia's words made Ning Zhi stunned for a moment, and then he let go!

"Cough cough cough....."

Qi Peijia coughed violently!

"What is the Demon Stone?" Ning Zhi asked!

He didn't know what the Heavenly Demon Stone was at all. After all, Ning Zhi had just arrived at the Heavenly Demon Mountain not long ago. To be precise, he had not been in the Heavenly Realm for that long. How could he possibly know what the Heavenly Demon Stone was!

Qi Peijia explained to Chen Ping the power of the Heavenly Demon Stone, which made Ning Zhi instantly interested in the Heavenly Demon Stone!

"Take me there now. As long as you get the Demonic Stone, I can spare your life!"

Chapter: 5952

Ning Zhi threatened Qi Peijia!

“I...I don’t know where the Heavenly Demon Stone is. This Heavenly Demon Stone is extremely precious. It can be found at the top of the Heavenly Demon Mountain.”

Qi Peijia looked embarrassed!

“If you don’t know, take me to find it. If you can’t find it, you won’t have to live anymore...”

Ning Zhi glared at Qi Peijia fiercely and said!

Qi Peijia’s body trembled, and he nodded repeatedly: “Okay, I will take you to find it, take you to find it...”

“Just remember, if you dare to lie to me and play tricks on me, you will be responsible for the consequences.”

Ning Zhi threatens Qi Peijia!

After all, Ning Zhi doesn’t know whether what Qi Peijia said is true or not, and whether the Demon Stone really exists!

“Don’t worry, I will never lie to you. Everything I say is true. If you don’t believe it, you can just ask anyone.”

Qi Peijia said with trembling body!

Now that Ning Zhi is at the peak of the Tribulation Realm, how dare Qi Peijia lie to him!

“Let’s go...”

Ning Zhi pushed Qi Peijia, and the two of them walked out of the cave.

Ning Zhi followed Qi Peijia out of the Demon Swallowing Cave!

They are not afraid of someone breaking into the Demon-Swallowing Cave, because the Demon-Swallowing Cave has layers of formations, and the demon cultivators will only be sucked into it, and then their blood will drain out and die.

Qi Peijia was sucked into the cave at that time, but accidentally discovered the secret inside the cave, which made his strength grow by leaps and bounds!

Soul Demon Sect!

This is a not very large sect. Most of the houses are made of stones, and there is no decent mountain gate!

It seems that the life of this Soul Demon Sect should be very difficult. It can be seen that life in the depths of this Demonic Mountain is much more difficult than at the foot of the mountain!

If it had not been ostracized and scorned, perhaps the Soul Demon Sect would not have moved to such a difficult place!

“Mr. Cheng, the depths of the Demonic Mountain are not as good as those at the foot of the mountain. The conditions are a bit more difficult, which makes you laugh.”

Jiang Yulian said awkwardly!

“Miss Jiang, as monks, we should focus on cultivation, and everything else is just clouds and smoke.”

Chapter: 5953

Chen Ping said with a faint smile!

At this time, a dozen monks were waiting outside the Soul Demon Sect!

They should be waiting for Jiang Yulian and Zheng Jian!

“Senior brother and senior sister, you are finally back. Master is dying, and Divine Doctor Liu wants us to go find you!”

A thin, malnourished member of the Soul Demon Sect said anxiously!

“How could this happen? Go and have a look...”

When Jiang Yulian and Zheng Jian heard this, they immediately ran towards the sect anxiously!

The others followed, and Chen Ping also followed after seeing this!

At this moment, the entire Soul Demon Sect was already in chaos, and no one paid attention to Chen Ping!

Chen Ping followed Jiang Yulian and Zheng Jianjin. After all, he was unfamiliar with the place and couldn't just wander around!

Chen Ping followed the two people and ran into a slightly larger room, and saw a gray-haired old man lying on the bed!

The old man's face was very ugly, his breathing was very weak, and the breath in his body was almost no longer moving!

It seems like there is a feeling of running out of oil, but it doesn't look like any disease!

"Master, Master....."

Jiang Yulian and Zheng Jian threw themselves in front of the bed and couldn't stop their tears from flowing out!

On the side of the bed, a middle-aged and slightly fat man looked a little surprised when he saw Jiang Yulian and Zheng Jian!

However, that expression only passed for a fleeting moment, and then the fat man said: "Miss Jiang, I wonder if you got the Demonic Dragon Ginseng?"

"Doctor Liu, I brought it, I brought it..."

Jiang Yulian quickly took out the wooden box and took out the Demonic Dragon Ginseng!

Seeing the Heavenly Demon Dragon Ginseng, Doctor Liu's eyes lit up, and he immediately took the Heavenly Demon Dragon Ginseng!

"You all go out, I am going to treat Sect Leader Jiang."

Divine Doctor Liu waved his hand and said!

When Jiang Yulian and Zheng Jian saw this, although they were reluctant to give up, they could only retreat!

The door was closed, and then Divine Doctor Liu began to treat in the room!

Chapter: 5954

Many disciples of the Soul Demon Sect are waiting anxiously outside!

“Senior brother, senior sister, why did it take you so long to come back? Where are the other senior brothers?”

The thin man who greeted them asked Jiang Yulian and Zheng Jian!

After asking this question, both Jiang Yulian and Zheng Jian fell silent, and the two of them lowered their heads silently!

Seeing this scene, the other disciples of the Soul Demon Sect seemed to understand something!

Only then did Chen Ping realize that it was not Jiang Yulian and Zheng Jian who took the Heavenly Demonic Dragon Ginseng!

After a while, Jiang Yulian raised her head and said, “The other brothers and sisters were all sucked into the Demon Swallowing Cave. They are probably in danger.”

“I followed my senior brother and was hunted down again to rob the Heavenly Demonic Dragon Ginseng, so I was delayed.”

Chen Ping was instantly shocked when he heard the words “Devouring the Demon Cave”!

“Miss Jiang, what do you mean, the Heavenly Demonic Dragon Ginseng was dug from near the Demon Swallowing Cave?”

Chen Ping asked.

“Yes, this Heavenly Demonic Dragon Ginseng is only found near the Demon Swallowing Cave. The spiritual energy in this Heavenly Demonic Dragon Ginseng is different from other herbs.”

“Divine Doctor Liu said that only Heavenly Demon Dragon Ginseng can save our master.”

Jiang Yulian explained!

Chen Ping was silent. He did feel that there was immortal energy in the Heavenly Demon Dragon Ginseng, but there was something special about it that Chen Ping himself couldn't explain!

At this moment, there was a sudden flash of light in the room, followed by a long cry!

As the door opened, Doctor Liu slowly said: “You all come in, Sect Leader Jiang is already awake...”

After hearing their own words, Jiang Yulian and Zheng Jian quickly rushed in!

“Master...”

The two of them were lying on the bedside, crying with excitement!

At this time, Sect Master Jiang's face was rosy, and even his white hair had turned black, as if he had suddenly become many years younger!

Just a moment ago, he was a gray-haired, dying old man, but a moment later, he looked like this!

“Why are you crying? I'm already fine, aren't I?”

Sect Master Jiang said with a faint smile!

Chapter: 5955

“Master...” Jiang Yulian and Zheng Jian were still crying!

Sect Leader Jiang frowned slightly, then seemed to remember something and asked the two of them, “Where are the brothers who went to dig up the Heavenly Demonic Dragon Ginseng with you?”

Sect Leader Jiang's words made the two of them cry even more sadly!

At this time, the thin member of the Soul Demon Sect on the side said: "Master, the other brothers were all sucked into the Demon Swallowing Cave. Only Senior Sister Jiang and Senior Brother Zheng came back, and they were hunted down and robbed on the way. Heavenly Demonic Dragon Ginseng!"

"What's going on?" Sect Master Jiang was stunned and then asked!

"Master, more than a dozen of our brothers were sucked into the Demon Swallowing Cave and never came out again."

"After I followed my senior brother to dig up the Heavenly Demon Dragon Ginseng, I was chased by several people who suddenly appeared. They wanted to rob us of the Heavenly Demon Dragon Ginseng."

"And these people still have soul-fixing beads in their hands. My senior brother and I have no way to defeat them with our techniques."

"The Soul-fixing Pearl belongs to our Soul Demon Sect. There must be a traitor in our Soul Demon Sect. Very few people know about the digging of Heavenly Demon Dragon Ginseng, but those few people know that someone must have revealed the information!"

Jiang Yulian cried and said!

After hearing this, Sect Leader Jiang became furious!

"Order all members of the Soul Demon Sect that no one is allowed to leave the sect, otherwise they will be treated as traitors."

"I must find out who betrayed the sect. I will cut him into pieces."

Sect Leader Jiang roared angrily!

“Sect Master Jiang, you have just recovered, so you should calm down. It is not good for your health.”

“Now that Sect Leader Jiang is fine, it’s time for me to leave!”

Divine Doctor Liu persuaded Sect Master Jiang, and then prepared to turn around and leave!

“Divine Doctor Liu, thank you so much. I, the Soul Demon Sect, can’t repay you. As long as Divine Doctor Liu is of use to me, I, the Soul Demon Sect, will never refuse.”

Sect Leader Jiang hurriedly stood up and looked at Divine Doctor Liu with gratitude!

“Sect Leader Jiang, you’re welcome. As a pharmacist, it’s my duty to treat illnesses and save lives. You don’t have to be so polite.”

“If you still feel uncomfortable in any way, you can go to me...”

Doctor Liu said very politely!

“sure.....”

Sect Leader Jiang personally escorted Divine Doctor Liu out!

Chen Ping stared at the Divine Doctor Liu with a bit of suspicion in his eyes, because he could feel the faint breath of the Heavenly Demon Dragon Ginseng from the Divine Doctor Liu’s body!

Although Doctor Liu tried his best to cover up the aura of Demonic Dragon Ginseng, Chen Ping still noticed it!

And the lively and energetic Sect Leader Jiang!

Although Sect Master Jiang now looks much stronger and his hair has turned black, the vitality in Sect Master Jiang is very scarce!

On the contrary, the death energy accumulated in his chest. It is estimated that it will not take long for the death energy to spread and Sect Leader Jiang will die!

The reason why the current Sect Master Jiang is able to do this is like returning to the past!

Divine Doctor Liu used his own methods to stimulate the last breath of vitality in Sect Master Jiang, making Sect Master Jiang seem to have recovered!

Chapter: 5956

“Wait a moment.....”

Just when Divine Doctor Liu was about to leave, Chen Ping suddenly spoke!

Everyone was stunned for a moment, and then turned their attention to Chen Ping!

Sect Master Jiang frowned slightly and said, “Zheng Jian, who is this person?”

Sect Leader Jiang recognized at a glance that Chen Ping was not from the Soul Demon Sect!

“Master, this fellow Daoist Cheng is the savior of me and my junior sister. We were intercepted halfway, and it was he who saved us.”

“I was injured at that time, and it was Mr. Cheng who treated me. He is also a pharmacist.”

Zheng Jian quickly explained!

Upon hearing that Chen Ping was a pharmacist and the savior of Jiang Yulian and Zheng Jian, Sect Leader Jiang became very polite!

“Mr. Cheng, thank you very much. I wonder what’s wrong with you?”

Sect Leader Jiang asked Chen Ping!

And when Doctor Liu heard that Chen Ping was actually a pharmacist, his expression became a little ugly!

“Sect Master Jiang, in fact, your body has not recovered, and you have no illness. You should be dying and your life span is about to decline. And this Divine Doctor Liu did not use Heavenly Demon Dragon Ginseng on you. He just put it into your body. The little remaining longevity was burned.”

“The reason why you can move freely now and your hair has turned black is because of the rapid burning of life energy. If this continues, you may not survive more than three days!”

Chen Ping said to Sect Leader Jiang seriously!

“What did you say? Are you cursing my master to death?”

The thin Soul Demon Sect member yelled at Chen Ping!

Sect Leader Jiang also frowned, and then looked at Divine Doctor Liu!

Seeing Sect Master Jiang looking at him, Doctor Liu panicked a little, and immediately yelled at Chen Ping: “What nonsense are you talking about? I have been practicing medicine all my life, and in the depths of the entire Tianmo Mountain, who doesn’t know me? How dare you question me?” I?”

“You said that I didn’t use Heavenly Demonic Dragon Ginseng for Sect Master Jiang. What evidence do you have? You said that I asked Sect Master Jiang to burn longevity energy. What proof do you have? Do you just rely on your white teeth?”

Doctor Liu questioned Chen Ping. He did not believe that Chen Ping could produce evidence!

Although what Chen Ping said is correct, it is really difficult to provide evidence for this kind of thing!

Chen Ping looked at Divine Doctor Liu, and then shook his head: "I have no way to provide evidence. You just threw the magic dragon ginseng into the storage bag that day, and I couldn't find it unless you took out the storage bag to check. Or kill you while checking your storage bag."

"As for burning longevity, there is no way to prove it now, but in two days, Sect Master Jiang's body will weaken again, and then he will wait for the decline of longevity and die completely!"

Chapter: 5957

"Huh, you can't produce any evidence and you still dare to slander me. You are really brave."

Divine Doctor Liu snorted coldly, then looked at Sect Master Jiang and said, "Sect Master Jiang, I treated you with good intentions, but this guy slandered me, shouldn't you give me an explanation?"

"Doctor Liu, maybe this Mr. Cheng has made a mistake. Don't be angry."

Sect Leader Jiang hurriedly comforted Divine Doctor Liu!

For him, he believed in Divine Doctor Liu's medical skills even more. After all, Divine Doctor Liu was very famous in the depths of Tianmo Mountain!

"Mr. Cheng, Divine Doctor Liu is also very capable. You may have misjudged him!"

Jiang Yulian quickly pulled Chen Ping!

"Mr. Cheng, there is no doubt about the medical skills of Divine Doctor Liu. Divine Doctor Liu is not treated by just anyone. It took a lot of effort for us to invite Divine Doctor Liu here."

Zheng Jian also quickly followed Chen Ping and said!

“If you want to see my storage bag, I can take it out and have a look. If there is no Heavenly Demon Dragon Ginseng in it, I will never be done with you!”

As Doctor Liu spoke, he actually took out his storage bag!

Doctor Liu poured out everything in the storage bag, but there was no Heavenly Demon Dragon Ginseng in it!

“Take a look and see if there is Heavenly Demon Dragon Ginseng in it. I have been practicing medicine for decades and no one has ever questioned me like this.”

The more Divine Doctor Liu talked, the more excited he became, yelling at Chen Ping!

This made Chen Ping a little embarrassed. He was sure that he could feel the breath of Heavenly Demon Dragon Ginseng on that Divine Doctor Liu!

But now there is no Heavenly Demon Dragon Ginseng, and the divine doctor Liu no longer has the aura of Heavenly Demon Dragon Ginseng!

“Doctor Liu, don’t be angry, we believe you...”

Sect Master Jiang comforted Doctor Liu, and then with a wink, asked Jiang Yulian and Zheng Jian to take Chen Ping away!

Chen Ping is Jiang Yulian and Zheng Jian’s savior!

Doctor Liu is the savior of Sect Leader Jiang!

Now Sect Leader Jiang doesn't want to offend anyone, after all, they are not treacherous people!

It was only because of the strange skills they practiced that they were ostracized by everyone, so they ran deep into the Demon Mountain!

Sect Leader Jiang sent Doctor Liu away, while Chen Ping looked helpless!

Because he can see it, but there is no way to prove it!

Chapter: 5958

Sect Leader Jiang is at the end of his life, not sick, and there is nothing Chen Ping can do!

You must know that monks also have a limited life span, and they are not immortal and will live forever!

The current Sect Leader Jiang only has the strength to overcome the calamity realm, and his lifespan has expired, so it is normal for him to be weak. This is not a disease!

"Sect Leader Jiang, if you burn your lifespan now, you really won't live for three days. If you stop burning your lifespan now and you can still persist for a while, maybe during this time I can find a way to help you survive the decline of your lifespan."

After Sect Master Najiang sent Doctor Liu away and returned, Chen Ping said anxiously!

"Mr. Cheng, I appreciate your kindness. If I really reach the end of my life, it will be my destiny. There is nothing to regret."

Sect Leader Jiang smiled faintly, and then said to Jiang Yulian and Zheng Jian: "You two accompany Mr. Cheng around the sect casually. I will entertain Mr. Cheng in the evening."

"I understand, Master..."

Jiang Yulian and Zheng Jian nodded, and then left with Chen Ping!

When Chen Ping saw this, he was helpless. Since he was not afraid of death, why should he still pursue him?

Chen Ping followed Jiang Yulian and Zheng Jian out of the room!

The Soul Demon Sect is not very big or brilliant, so nothing is getting better!

It's just that Sect Leader Jiang used this to shut up Chen Ping!

"Mr. Cheng, although our Soul Demon Sect is not big, there is a place that you should like!"

After walking out of the room, Jiang Yulian said to Chen Ping!

"Where?"

Chen Ping asked curiously!

"You'll find out when the time comes!"

Jiang Yulian smiled faintly and sold it off!

Chen Ping didn't ask further questions, so he followed Jiang Yulian!

"Junior sister, are you going to take Mr. Cheng to see the Soul Flower?"

Zheng Jian asked Jiang Yulian!

“Oh, senior brother, you are so boring. I already told you to give Mr. Cheng a surprise, and you still said it. It’s really annoying...”

Jiang Yulian stamped her foot and pouted in anger!

“So beautiful.....”

At this time, Zhe Yan in Chen Ping’s sea of consciousness suddenly sighed!

It turns out that this guy has been looking at Jiang Yulian crazily!

Jiang Yulian’s cheeks suddenly turned red, and then she glanced at Chen Ping and said, “Mr. Cheng, are you...the residual soul friend in your body peeking at me?”

Chen Ping was stunned for a moment, and then he realized that this Soul Demon Sect mainly studies souls, so Zhe Yan’s words in his sea of consciousness were so beautiful that Jiang Yulian also heard it!

“Miss Jiang, my friend didn’t mean to offend. He just admired Miss Jiang after seeing her. He said he had never seen a girl as beautiful as you!”

Chen Ping hurriedly helped Zhe Yan and said!

Chapter: 5959

Jiang Yulian pursed her lips and smiled and said: “Mr. Cheng, I don’t mean to blame your friend. Let’s go...”

Jiang Yulian walked forward, with Chen Ping following behind.

Soon, they arrived at a land of flowers and grass. They saw that this patch of flowers and grass had a strange fragrance. This smell made Chen Ping feel very comfortable!

Not only the body, but also the soul seemed to have been baptized. Chen Ping couldn't describe that comfortable feeling!

"This flower is so weird. Why do I feel so powerful?"

Zhe Yan, who was in the sea of consciousness, suddenly screamed!

Chen Ping's spiritual energy surged, and he made a move, and then a flower flew towards Chen Ping and was caught in Chen Ping's hand!

The flower is pink with four separate petals and a stamen in the center.

"What a unique flower..."

Chen Ping sighed!

"Mr. Cheng, these are soul flowers. These flowers can strengthen the soul and help shape the soul."

"If you are a person with a broken soul, if you stay here for a few days, your soul will be restored."

Jiang Yulian was telling Chen Ping!

When Zhe Yan heard about Soul Body Shaping, his whole body was filled with excitement!

He has always lived in Chen Ping's sea of consciousness. If he wants to return to real life, he needs to reshape his body or take someone else's body!

When it comes to reshaping the body, Zhe Yan doesn't have the ability, and Chen Ping can't help!

The only thing that can be done is to find a suitable body and then seize the body, but that will require living in the face of others for the rest of your life!

Now Zhe Yan became a little excited when he heard that the soul flower in front of him could actually help the soul shape his body!

Chen Ping also felt something strange about Zhe Yan, and then said to Jiang Yulian: “Miss Jiang, do you mean that this soul flower can help the soul shape its body?”

“Of course, but the strength level of the residual soul cannot be too high, otherwise the failure rate will be very high, and the residual soul may be wiped out.”

Jiang Yulian nodded and said!

“Then my friend, can he reshape his physical body? He is only in the Fusion Realm.”

Chen Ping asked quickly!

Zhe Yan has been following him for a while, and he has helped Chen Ping a lot during this time. He learned a lot about demon cultivators through Zhe Yan!

Chapter: 5960

Now if there is a chance, Chen Ping still hopes to be able to reshape Zhe Yan’s body and give him freedom!

As long as he has a physical body, Zhe Yan can pursue his own happiness!

“Of course you can, but the matter of reshaping the body requires my master to complete it.”

“But you are the savior of me and my senior brother. My master should agree.”

Jiang Yulian said!

“Master will definitely agree. My master hates being owed favors. I will ask you about it when we have dinner in the evening.”

Zheng Jian also spoke!

“Thank you both very much!” Chen Ping quickly thanked him!

However, Chen Ping knew that Sect Leader Jiang would not live for many days. If he spent his spiritual power on helping Zhe Yan reshape his body, he would probably die faster!

Hearing that Chen Ping asked about reshaping his body, Zhe Yan was very moved and said: “Mr. Chen, thank you...”

“You’ve been with me for so long, it’s time to set you free.”

Chen Ping smiled lightly!

He followed Jiang Yulian and Zheng Jian around the Soul Demon Sect for a long time. Although the Soul Demon Sect did not have particularly beautiful buildings and pavilions, Chen Ping also gained a deeper understanding of the soul by following the conversations between Jiang Yulian and Zheng Jian!

It wasn’t until after dark that a member of the Soul Demon Sect came to call them to eat. Chen Ping and the three of them went to a hall of the Soul Demon Sect together!

Food is of no use to monks like them in the Tribulation Realm. Even if they don’t eat or drink, they won’t starve to death!

But even if you are a monk and you are hungry, you still have to experience the joy of tasting delicious food!

Meals are no longer for food and clothing, but for enjoyment!

During the dinner, Sect Leader Jiang was in high spirits, and the entire Soul Demon Sect was immersed in joy!

Now that Sect Leader Jiang has recovered, it is a matter of joy!

Sect Leader Jiang was very grateful to Chen Ping. No matter what Chen Ping said, he rescued Jiang Yulian and Zheng Jian, so they should be treated with courtesy!

“Master, there is still a residual soul residing in Mr. Cheng’s body. That is Mr. Cheng’s friend. Mr. Cheng would like to ask if it is possible to reincarnate his friend into a physical body?”

Zheng Jian asked Sect Leader Jiang!

Sect Leader Jiang smiled slightly and said: “The residual soul in Mr. Cheng’s body is just in the body state. Of course he can reshape his body. However, I have just recovered from a serious illness. I wonder how many days can I wait?”

Sect Leader Jiang could tell at a glance the strength of Zhe Yan in Chen Ping’s sea of consciousness, which shows that his research on souls has become even more in-depth!
