

## **The Order 5971**

Chapter: 5971

The surrounding soul flowers flew up one after another, and then quickly landed on Zhe Yan's soul!

After these soul flowers landed on Zhe Yan's soul, they immediately melted and disappeared!

And Zhe Yan's transparent soul actually began to grow layers of skin!

As the soul flowers continue to fall, Zhe Yan's body is growing rapidly!

Soon, a naked Zhe Yan appeared!

With bronzed skin, bulging muscles, and an angular face, this body is actually much stronger than Zhe Yan was at the beginning!

Chen Ping was also shocked when he looked at Zhe Yan's body. When he killed Zhe Yan, he didn't realize that this guy still looked like a handsome man!

But now after the reshaping, he has become much more handsome, as if he went to a plastic surgery institution and directly underwent surgery and had a plastic surgery!

"Mr. Cheng, why don't you find some clothes for your friend..."

Jiang Yulian blushed and said to Chen Ping!

After all, Zhe Yan was standing naked in front of her, and Jiang Yulian was very shy!

Chen Ping realized what he was doing and quickly found clothes to put on Zhe Yan!

Sect Leader Jiang also hit such a body with spiritual power, and Zhe Yan suddenly woke up!

But at this moment, half of the entire soul flower bush has disappeared!

In order to reshape Zhe Yan's physical body, Sect Master Jiang also spent a lot of effort. After all, he was Chen Ping's friend. Sect Master Jiang had to do this for Chen Ping's sake!

"Mr. Cheng, this physical body of your friend has probably risen to several realms at once. My master used half of the soul flowers to reshape it for him. You must know that reshaping other people's bodies only uses ordinary resources. That's all."

Zheng Jian said to Chen Ping!

Zhe Yan, who had woken up at this time, felt the power of his body and looked at his restored body. He was so excited that he knelt down in front of Sect Master Jiang.

"Sect Master Jiang, I, Zhe Yan, will always remember your kindness in reincarnation..."

Zhe Yan kowtows directly to Sect Master Jiang!

"Fellow Taoist, please get up quickly. I also do it for Mr. Cheng's sake. He has saved my life, so I have to do this."

"If you want to thank you, you'd better thank Mr. Cheng..."

Sect Leader Jiang said!

Zhe Yan turned around, kowtowed to Chen Ping and said, "Mr. Chen, thank you. I have grown a lot while following you. Now you have given me life again. Thank you..."

Chapter: 5972

Zhe Yan said excitedly, but completely forgot that Chen Ping had already changed his identity and was no longer called Chen Ping at all!

“Mr. Chen?”

Sect Master Jiang, Jiang Yulian and Zheng Jian looked at Chen Ping at the same time!

Zhe Yan was stunned, knowing that he had lied, and he was so embarrassed that he didn't know how to explain it!

Chen Ping smiled slightly: “Actually, my surname is not Cheng, my surname is Chen, and my name is Chen Ping...”

After Chen Ping finished speaking, his appearance changed rapidly and turned into his original appearance!

The reason why Chen Ping dared to reveal his identity was because he believed in the Soul Demon Sect and the character of Sect Leader Jiang!

“Chen Ping? That Chen Ping that the Demon-Sealing Alliance offered a hundred years of sacrifice to hunt down?”

Zheng Jian asked in disbelief!

Chen Ping nodded: “Yes, it is me who the Demon-Sealing Alliance is chasing. If you kill me, you will be enshrined by the Demon-Sealing Alliance for a hundred years!”

Zheng Jian was stunned for a moment, then waved his hands repeatedly!

Sect Master Jiang said with a serious face: “Mr. Chen, in fact, I have known that you have hidden your identity for a long time. The reason why I did not expose you is because I believe you and know that you have difficulties.”

“Now that you have revealed your identity, our Soul Demon Sect is not that kind of treacherous and ungrateful person.”

“You saved two of my disciples and my life. If we attack you now in exchange for a hundred years of worship from the Demon-Sealing Alliance, will we still be considered human beings?”

“Mr. Chen, please rest assured. If anyone in our Soul Demon Sect dares to attack you for the centenary sacrifice of the Demon Sealing Alliance, I will not forgive you lightly...”

After Sect Master Jiang finished speaking, he looked at Zheng Jian specially!

This startled Zheng Jian, and he hurriedly explained: “Not to mention the hundred years of worship from the Demon Sealing Alliance, even if I were to ascend to immortality immediately, I would not be able to do anything to Mr. Chen. I will never do such ungrateful things. If you don’t know how to do it, if you do something ungrateful, even if you become an immortal, what’s the use of it.”

Zheng Jian expressed his position. He was really afraid that something would happen to Chen Ping and his master would blame him!

“Sect Master Jiang, of course I believe in the character of your Soul Demon Sect, otherwise I would not reveal my true identity easily.”

“To be honest, I hid my identity and came to the depths of Tianmo Mountain to find the Demon Swallowing Cave and then go in to find out!”

Chen Ping revealed his true purpose!

“Go to the Demon Swallowing Cave?”

Hearing Chen Ping’s purpose, Sect Master Jiang and others all looked shocked!

You must know that the Demon-Swallowing Cave is in this Tianmo Mountain, and it is a taboo existence. No one wants to go to that place!

Chapter: 5973

If it weren't for the purpose of saving Sect Leader Jiang, Jiang Yulian and Zheng Jian wouldn't have taken people to dig up the Heavenly Demon Dragon Ginseng near the Demon Tun Cave!

In the end, everyone was sucked into the Demon Swallowing Cave, and only the two of them escaped!

In the end, he was cheated!

"Mr. Chen, may I ask, what are you doing in the Demon Swallowing Cave? That place is very weird!"

Sect Leader Jiang asked!

"I just want to go to the Demon Swallowing Cave to explore and see if there are any hidden secrets in the Demon Swallowing Cave."

"Because some people entered the Demon Swallowing Cave and when they came out, their level improved a lot. I think there must be secrets in the Demon Swallowing Cave!"

Chen Ping said without hesitation!

It was because Qi Peijia entered the Demon Swallowing Cave that he transformed from a casual cultivator who was bullied by others to his current strength!

But Chen Ping doesn't know yet, Qi Peijia is now being bullied again!

"Mr. Chen, no one knows what's in the Demon Swallowing Cave. It will definitely be dangerous to enter rashly. If it's just to explore, it's better not to take the risk!"

Zheng Jian persuaded Chen Ping!

“Mr. Chen, I think senior brother is right. You should not go there. The Demon Swallowing Cave is very evil.”

Jiang Yulian also stopped Chen Ping!

“Thank you both for your kindness, but I have already decided. Now that Sect Leader Jiang’s life is safe, it’s time for me to set off.”

“But I don’t know where the Demon Swallowing Cave is, and I hope Miss Jiang can tell me!”

Chen Ping asked Jiang Yulian!

Seeing this, Jiang Yulian could only tell Chen Ping the location of the Demon Swallowing Cave!

Seeing that Chen Ping had decided to leave, Sect Leader Jiang did not dissuade him. Instead, he took out a bead about the size of an egg from his body!

“Mr. Chen, this is the largest soul-fixing bead of our Soul Demon Sect. You take it with you. In addition to strengthening your soul, this soul-fixing bead can also make you not afraid of the attacks of those soul-seducing techniques.”

Sect Leader Jiang said, handing the soul-fixing bead to Chen Ping!

Chen Ping was not polite, put away the Soul-fixing Pearl, and then followed Sect Leader Jiang to say thank you!

Then Chen Ping looked at Zhe Yan, who had been successfully reshaped. He knew that he liked Jiang Yulian so much. If Zhe Yan wanted to stay in the Soul Demon Sect, Chen Ping wouldn’t say anything!

Seeing Chen Ping looking over, Zhe Yan immediately said: "Mr. Chen, I will accompany you to the Demon Swallowing Cave. Even if I have to leave you, I have to wait until you come out of the Demon Swallowing Cave safely!"

Chapter: 5974

Chen Ping smiled and said nothing!

Zhe Yan has followed him for such a long time, and Chen Ping has seen all the changes!

"Mr. Chen, let me take you to the Demon Swallowing Cave. That place is very hidden. Although I told you the specific location, I'm still afraid that you can't find it!"

When Jiang Yulian saw that Zhe Yan was going to follow Chen Ping to the Demon Cave, she actually took the initiative to follow him!

In fact, after seeing Zhe Yan's naked remodeling, Jiang Yulian's heart skipped a beat!

This was the first time she saw a man's naked body!

"Junior sister, the Demon Swallowing Cave is very dangerous..."

Zheng Jian saw that Jiang Yulian was going to take Chen Ping to the Demon Cave, so he anxiously tried to dissuade him!

But at this time, Sect Master Jiang said: "Zheng Jian, you should also go with me. After all, you have just escaped from the Demon Swallowing Cave, so you are more familiar with the Demon Swallowing Cave than others."

"As ordered..."

Zheng Jian saw that his master had spoken, so he nodded and could only follow along!

After saying goodbye to Sect Leader Jiang, Chen Ping and the others headed straight for the Demon Swallowing Cave!

In order not to cause necessary trouble, Chen Ping changed his appearance again!

Along the way, Jiang Yulian always looked for opportunities to chat with Zhe Yan!

And Zhe Yan was also very happy to chat with Jiang Yulian!

Two people who are in love with each other have become very close even before they reach the Demon Swallowing Cave!

It's just that the intimacy between the two makes Zheng Jian angry to death.

Although Zheng Jian didn't say anything along the way, he already hated Zhe Yan in his heart!

Originally, he was going to take down his junior sister, but now Zhe Yan, a body reshaped by a broken soul, followed Jiang Yulian and kissed me!

Zheng Jian followed Chen Ping and the others quietly to the vicinity of the Demon Swallowing Cave!

"Mr. Chen, as you move forward, you will reach the Demon Swallowing Cave area, so be alert, because you don't know when a strange suction force will suddenly appear, and then your whole person will be sucked into the Demon Swallowing Cave. In the cave!"

Jiang Yulian pointed in front and warned Chen Ping!

"Well, I understand!" Chen Ping nodded, and then slowly walked forward!

Zhe Yan followed Chen Ping, but was pulled back by Jiang Yulian: "You have just reshaped your body, and your level is too low, so don't go in. Let's follow Mr. Chen..."

Chapter: 5975

Jiang Yulian looked worried, worried that Zhe Yan's level was too low and she would be in danger!

"I'm fine. With Mr. Chen here, you can all rest assured!"

Zhe Yan comforted!

After following Chen Ping for a long time, he knew that Chen Ping was the chosen one. No matter what kind of danger he encountered, he could save the day in the end!

Seeing that Zhe Yan insisted on following, Jiang Yulian took off the jade stone from her chest and put it on Zhe Yan!

"Put this on, and you'll be able to resist attacks from the divine soul when the time comes!"

Jiang Yulian said with concern!

Zhe Yan nodded, then took Jiang Yulian's hand and slowly followed Chen Ping!

Zheng Jian in the back was so angry that he wanted to break his teeth!

Chen Ping didn't know that Zhe Yan followed Jiang Yulian to show off his love. He only focused on the Demon Swallowing Cave!

As they got closer and closer to the Demon Swallowing Cave, a strange force suddenly filled the air around Chen Ping and the others!

Then this force turned into a huge suction force!

Everyone felt their bodies light up, and then quickly headed towards the Demon Swallowing Cave!

This sudden change caused Jiang Yulian and the others to quickly use their spiritual power to resist, and each of them hugged the tree tightly to prevent the suction force from sucking them into the Demon Swallowing Cave!

But Chen Ping did not resist the suction force. He completely dispersed his breath and looked like an ordinary person!

Just as Chen Ping dispersed the breath in his body, the huge suction force magically disappeared!

When Chen Ping looked at Jiang Yulian and the others, they were all resisting desperately, hugging the tree tightly!

But even so, their bodies are still suspended in mid-air, and they are about to be unable to hold on!

“Give up resistance, restrain all your aura, and regard yourself as an ordinary person, an ordinary person without any spiritual power...”

Chen Ping said loudly to the three of them!

Hearing Chen Ping's shout, the three of them quickly put away their spiritual power, and then restrained their breath.

The strange suction gradually disappeared, and finally all three of them landed firmly on the ground!

“Mr. Chen, what's going on?”

Zhe Yan asked Chen Ping in disbelief!

Chapter: 5976

When they restrain their breath, they can no longer feel the suction. This is amazing!

“There must be a magic circle set up at the entrance of the Demon-Swallowing Cave, and the condition for the magic circle to be activated is that if there is a monk’s aura permeating the surrounding area at a certain distance, the magic circle will be activated, and then generate a huge suction force!”

“If you condense your breath and become an ordinary person, then this formation will lose its activation conditions, so the huge suction power will disappear.”

Chen Ping explained!

When Jiang Yulian and Zheng Jian heard this, they immediately regretted it. If they had taken Chen Ping with them from the beginning, maybe their fellow apprentices would not have been sucked into the Demon Swallowing Cave and their lives and deaths are unknown!

As a monk, everyone who comes near the Demon-Swallowing Cave will unconsciously circulate their aura and remain vigilant, guarding against dangers that may come at any time!

How could anyone restrain their aura and become an ordinary person, wandering around the Demon Swallowing Cave!

It is precisely because of this that the Demon Swallowing Cave has been successful repeatedly, and it is unknown how many monks it has swallowed!

Chen Ping led the three of them slowly into the Demon-Devouring Cave. About ten meters into the Demon-Devouring Cave, sure enough, there were formations carved on the stone wall!

This should be the formation that generates the huge suction!

Several people restrained their breath and carefully passed through the magic circle. At this moment, the cave was completely dark!

As soon as Chen Ping stretched out his hand, a spiritual fire burned, lighting up the cave!

Looking around the cave, except for the carved formations at the entrance, the stone walls elsewhere were covered with moss and had a damp smell!

At first glance, it looks like an ordinary cave, nothing special about it!

However, Chen Ping did not take it lightly, but walked forward cautiously!

Jiang Yulian and the others are following behind!

This is the Demon Swallowing Cave. No one knows what will appear inside, so everyone is very nervous!

After walking a certain distance, Chen Ping saw man-made formation patterns carved on the stone wall!

He knew that this was another formation appearing!

Chen Ping hurriedly extinguished the spiritual fire in his hand, allowing everyone to restrain their breath again, and passed through with breathless concentration!

In this way, they passed through three formations and finally reached the depths of the cave!

At this moment, deep in the cave, there are densely packed strange marks on the stone walls!

There were more than a dozen corpses lying on the ground, and on the other side of the cave, there were a large number of bones piled up, not only human bones, but also many animal bones!

Chen Ping fired a burst of fire, lighting up the entire cave!

Chapter: 5977

“Junior brother.....”

Seeing the corpses on the ground, Jiang Yulian and Zheng Jian immediately screamed!

It turns out that these corpses are the disciples of the Soul Demon Sect who were sucked in!

Chen Ping was attracted by the marks on the stone wall!

He looked carefully and found that these regular marks turned out to be exercises, and they were also demonic cultivation exercises!

Chen Ping also has the demonic aura in his body, so he can also understand these techniques!

Just when Chen Ping was surprised that someone had left so many demon skills deep in the cave, he suddenly heard Zhe Yan calling him loudly!

“Mr. Chen, come and see, come and see...”

Zhe Yan’s shout directly attracted Chen Ping to him!

“What’s wrong?” Chen Ping asked!

“Mr. Chen, look at this body quickly. Is it the head of the Ning family, Ning Caichen?”

Zhe Yan pointed at a corpse and asked!

Chen Ping took a look and found that it was indeed Ning Caichen’s body!

Chen Ping reached out and found that Ning Caichen had died long ago. The breath in his body disappeared, and even the death energy gathered after death was swept away!

“Why did he appear here? Who killed him?”

Chen Ping looked at Ning Caichen’s body and fell into silence!

Although Ning Caichen did not have much friendship with Chen Ping, Chen Ping even had trouble with the Ning family because of the matter of the Imitation Dafa!

However, seeing Ning Caichen suddenly die tragically in the Demon Swallowing Cave, Chen Ping still felt a little uncomfortable!

He also couldn’t understand why Ning Caichen appeared here?

Where is the ancestor of the Ning family?

All kinds of questions troubled Chen Ping. He really couldn’t figure out why Ning Caichen appeared here!

Could it be that after coming out of the battlefield of gods and demons, Ning Caichen did not go back to the Northern Territory, but what he did in the depths of the Demonic Mountain, near the Demon Swallowing Cave?

Chen Ping never expected that Qi Peijia would cooperate with the Ning family!

“Mr. Chen, don’t you have a time magic weapon? You can go back in time. If you use that time magic weapon, you will know what is happening here!”

Zhe Yan reminded Chen Ping!

After hearing this, Chen Ping nodded, and then took out the clock!

As a burst of spiritual power penetrated into the clock, the clock emitted light, and then the hands started to move!

Chen Ping's consciousness seemed to have entered the river of time, and was then taken away by a whirlpool!

But just when Chen Ping felt that his consciousness was retreating in the long river of time, a golden light suddenly flashed up!

Then Chen Ping opened his eyes and found that he was still in the cave, and the clock in his hand was still the same as before!

Chapter: 5978

"Mr. Chen, what's wrong?"

Zhe Yan saw Chen Ping like this, so he asked!

"There seems to be a formation in this cave, and my time magic weapon cannot be activated at all..."

Chen Ping looked around the cave and said!

"I haven't found any formation patterns. How can there be formations?"

Zhe Yan also looked around!

Chen Ping was also surprised. He did not find the existence of the formation, but when he just started the time magic weapon, he had clearly started to go back in time, but he was blocked by a golden light!

It was obvious that this golden light was emitted by something in the cave. At this moment, except for Chen Ping and the others, there was no living creature at all in the cave. Apart from the formation, Chen Ping couldn't think of anything else!

But there are no formation patterns carved around it. How was the formation formed?

Chen Ping was also puzzled!

"Mr. Chen, the techniques on the stone walls of this cave are so advanced. They don't belong to the realm of heaven and humans at all."

Zhe Yan observed the strange words on the stone walls around him and said in surprise!

"These techniques should have been drawn by the Demon Immortal. Isn't it rumored that the Demonic Mountain is suppressing a big demon? Maybe he was the one who drew them."

"You can take this opportunity to record these skills and then practice them. Your strength will definitely improve by leaps and bounds."

Chen Ping said!

In fact, Chen Ping didn't know whose hand these techniques came from, it was just a guess!

"It would be great if I could understand just one of these techniques, but I don't dare expect to learn them all!"

Zhe Yan said, then sat cross-legged, staring at a stone wall intently, and looked at it carefully!

Chen Ping looked around at the exercises around the stone wall, and soon he discovered that among these exercises, some of the engraved symbols shone slightly!

“Zhe Yan, do you think there are any symbols in these techniques that can emit light?”

Chen Ping asked quickly!

“No, I didn’t find it!”

Zhe Yan shook his head!

Chen Ping frowned, and then observed the technique again. Indeed, there were symbols shining brightly in the words in the formation!

Chapter: 5979

Chen Ping closed his eyes slightly and opened his consciousness, and the entire cave scene instantly appeared in his sea of consciousness!

This time, those shining symbols can be completely seen!

“Array patterns, these shining symbols are actually array patterns...”

Chen Ping was shocked. He didn’t expect that the other party would hide the formation in these exercises!

Chen Ping carefully observed these formation patterns, and then with a flash of golden light, Chen Ping felt that his whole body suddenly appeared in a land of nothingness!

The cave is gone, and so are Zhe Yan and the others!

“Zhe Yan, Zhe Yan...”

Chen Ping shouted, but Zhe Yan’s voice could not be heard at all!

Chen Ping knew that he must have been trapped by this formation, but Chen Ping did not panic, but looked for the formation's eye!

Just find the formation eye and break the formation directly!

But Chen Ping searched around and couldn't find the formation eye. The entire formation was like chaos, with no beginning and end, and he couldn't find the formation eye!

Chen Ping frowned slightly, then turned his palm over, and the Dragon-Slaying Sword appeared in his hand!

Immediately afterwards, a sharp sword light was swung out instantly, slashing at the surrounding chaos!

Since you can't find the formation eye, then forcefully break the formation!

boom!

The sword energy was instantly submerged in the chaos, and then countless brilliance lit up from the chaos!

At the same time, in the chaos, a red spiritual light suddenly flew out, and then turned into a monster whose whole body was burning with flames!

This monster has no entity and is looming. Only when the flames are beating can the monster's shape be clearly seen!

The monster's mouth is very big and its eyes look very weird!

"Why are there still monsters in the formation?"

Chen Ping frowned!

This monster has no entity, it is obviously a spirit monster, but how could this spirit monster hide in the formation?

“Who are you? Why are you hiding in the formation?”

Chen Ping asked the spirit monster!

Chapter: 5980

“Young monk, you dare to question me. Since you broke into the formation, please stay alive.”

The monster speaks human words, but is not afraid of Chen Ping at all!

Chen Ping snorted coldly and slashed with his sword with his backhand!

Facing the spirit monster, Chen Ping didn't talk nonsense. He knew that only by killing the spirit monster, the formation would be broken!

Seeing this, the spirit monster opened its mouth wide, and a flame came straight toward Chen Ping!

Chen Ping extinguished the flame with a wave of his hand!

And Chen Ping's sword had already struck at the spirit monster!

But the spirit monster didn't dodge, so it should have been able to withstand Chen Ping's sword. He was a spirit, so the sword didn't cause any harm to him!

When Chen Ping saw this, he waved the dragon-slaying sword in his hand, and it instantly burst into flames!

“Since you are a spirit body and physical damage is useless to you, then try the taste of this ultimate fire!”

The fire crow on Chen Ping’s dragon-slaying sword turned into a fire dragon and headed straight for the spirit monster!

Seeing this, the fire spirit monster suddenly clapped his hands, and several red flames rushed out from the surrounding chaos, and collided with Chen Ping’s fire dragon!

boom!

There was a violent breath fluctuation, and the surrounding chaos suddenly became distorted, and it actually absorbed all the fluctuating breath!

Chen Ping was stunned. He didn’t expect that this formation could absorb breath. It was so strange!

The spirit monster was not surprised. He waved his hands again, and five red flames came straight towards Chen Ping!

The air vibrates, and the void emits a wail!

The five red flames were extremely powerful, but Chen Ping smiled faintly and remained motionless!

“You are too arrogant...”

The spirit monster saw Chen Ping refusing to dodge, so he snorted coldly!

Chen Ping still showed a faint smile, until those red flames hit Chen Ping, Chen Ping did not move at all!

It's just that the fire source stars in the source space began to flicker, forming a huge suction force in Chen Ping's body.

Five red flames hit Chen Ping, and were quickly absorbed and refined into the original power by the fire source stars.
