

## **The Order 5981**

Chapter: 5981

Not only did it not cause any harm to Chen Ping, it was quickly absorbed by Chen Ping!

The spirit monster who saw this scene was very confused, but he quickly said: "I didn't expect that you, a little monk, could realize the origin of fire, but I want to see how much fire you can absorb!"

After the spirit monster finished speaking, he spread his teeth and claws with his hands, as if he was doing something.

Immediately afterwards, the surrounding chaos began to roll, like strong winds and waves, and then a large amount of flames poured out from the chaos!

The flames instantly surrounded Chen Ping, and the flames soaring into the sky were like a wave bursting from a dam!

The entire chaos was filled with flames, and the spirit monster was also in the flames, letting out bursts of harsh laughter!

"Let's see how much you can absorb..."

The spirit monster laughed mockingly!

The fierce firelight and heat can fuse everything!

The spirit monster's whole body was also burning with flames, suspended in mid-air!

"This endless flame, even if you understand the origin of fire, you can't even think of absorbing it all..."

The corner of the spirit monster's mouth curled up into a sneer.

Under this kind of flame, everything will be destroyed, let alone a little monk Chen Ping!

The flames became smaller and smaller, and Chen Ping's figure disappeared!

In the chaotic space of the formation, only the monsters were smiling proudly!

But soon, a voice made the monster's smile freeze on his face!

"Did you laugh a little too early?"

Chen Ping said slowly behind the monster!

The spirit monster turned around and was suddenly startled. It turned out that Chen Ping was standing completely behind him. There was no trace of being burned anywhere!

"you you....."

The spirit monster's body was flashing with red flames, and its face was filled with disbelief: "How could you still be alive..."

"Why is it impossible? The little flame you have is not enough for me to fill my teeth. I can't wait to summon some flames to come out!"

Chen Ping said very proudly!

His origin space is the stars of the universe, even his fire origin is still a star!

Chapter: 5982

With just this little flame, Chen Ping's origin space is expected to explode. It's a joke!

The spirit monster's face was extremely ugly, and its body kept retreating!

Chen Ping saw that the spirit monster was about to escape, so he took advantage of the situation and took advantage of the situation, and the overwhelming flames came rolling in!

"I'll also let you taste the flames..."

Chen Ping roared, and the flames directly engulfed the monster's body!

The spirit monster let out a harsh roar, and then the chaotic void around it trembled violently!

Along with a huge suction force, Chen Ping's body was instantly sucked into the darkness!

When there was light again, Chen Ping found himself back in the cave!

However, Zhe Yan and the others are no longer in the cave, and there are no skills engraved on the cave walls!

Chen Ping was very strange and kept looking around!

"A mere cultivator in the Tribulation Realm actually has an origin space like the stars in the universe. It's rare, it's really rare..."

A faint voice seemed to come from the horizon!

"Who are you?"

Chen Ping was suddenly startled and asked loudly!

“Who am I?” The voice was filled with confusion and confusion, as if he was asking himself back!

“Who am I? Where do I come from? Why am I here?”

The sound echoed in the cave!

This time, Chen Ping was confused!

He didn't even know who made the sound, so how could he know who the other party was!

“Do you dare to show up and meet me? Maybe if I see you, I can know who you are.”

Chen Ping said!

Chapter: 5983

“Oh? You know me?”

The voice was a bit surprised!

“If you show up, I might get to know you...”

Chen Ping lured the other party to show up.

If the other party doesn't show up and acts like a ghost, Chen Ping won't be able to deal with it!

As soon as Chen Ping finished speaking, a figure suddenly appeared in front of him!

This figure looks very old and tired, and he is also carrying heavy shackles!

Just like a serious criminal in ancient times, one can't help but feel pity for him!

"Do you know me?"

After the figure appeared, he asked Chen Ping!

Chen Ping shook his head. He didn't know the other person, but Chen Ping didn't understand. This old man clearly had only a trace of his soul left, so why was he still bound by heavy shackles?

And these shackles should not be ordinary things. After all, something that can lock the soul must be a high-level magic weapon or something!

"Senior, who are you? Why are you here? And you are already a remnant soul, and you are still being restrained. What happened?"

Chen Ping asked curiously!

"I don't know who I am, and I don't know why I am trapped here. I want to leave here, but for thousands of years, I have been unable to get out of here."

The old man looked at the stone walls around him, his eyes full of desire for freedom!

"Senior, were you the one who drew the formations and techniques in this cave?"

Chen Ping continued to ask!

The old man nodded: "Yes, I painted it. I just wanted to suck in some monks, then possess them in their bodies and leave here. Who knew these guys were too weak and died one by one..."

“I really can’t understand why the monks in this place are as weak as rubbish. There is no other way. I can only describe the skills and let him practice them. When he is strong enough, I can attach myself to his body and leave. Here it is!”

When Chen Ping heard this, he immediately thought of Qi Peijia. After entering the Demon Swallowing Cave, this guy’s strength improved by leaps and bounds. It turned out to be the old man’s fault. It seemed that this guy was really lucky!

Chapter: 5984

“What state are you in now?”

Chen Ping asked curiously!

“I don’t know!” The old man shook his head!

“Then you should know your name, right?” Chen Ping continued to ask!

“I don’t know...” The old man still shook his head!

“Then what else do you know about yourself?”

“I don’t remember anything, I just know that I have to get out of here!”

The old man said!

“Since you don’t know anything, then I can’t help you. Why do you trap me in this magic circle?”

Chen Ping didn’t understand why the old man trapped himself in the magic circle!

Only Chen Ping can see the magic circle hidden in the skill, which is what the old man did on purpose!

“Of course it’s because of your body. Your body interests me very much. Maybe I can get out of here by possessing you!”

After the old man finished speaking, he looked at Chen Ping greedily!

“If you say you’re possessed, then you’re possessed. I won’t agree to it. What benefits can I get from helping you leave here?”

Chen Ping knew that although the identity of this old man was unknown, he was definitely the big devil who was suppressed here from heaven!

Maybe you can get some benefits from this guy!

“benefit?”

The old man was stunned and said slightly angrily: “Are you bargaining with me? I’m not begging you. Even though I only have a residual soul left and am still bound by shackles, if I want to enter your body and control it’s still easy for you...”

“Really?” Chen Ping snorted coldly, not believing it at all!

Whoosh!

As soon as Chen Ping finished speaking, the old man turned into a black mist in an instant, and then quickly entered Chen Ping’s sea of consciousness!

Chen Ping’s consciousness did not let go, but the old man entered Chen Ping’s sea of consciousness easily, which shows that he is indeed powerful!

“Hahaha, you ignorant little kid, it is your supreme honor to be able to be borrowed by me...”

After the old man entered Chen Ping's sea of consciousness, he burst out laughing!

Chapter: 5985

"You really have a lot of trouble. I promise to take you out, but after you get out, you have to come out of my body immediately!"

Chen Ping said to the old man!

"Stop dreaming. It took me thousands of years to wait for you to have such a strong body that can withstand my remaining soul. How can I be willing to leave? I want to use your body to practice again and retrieve my lost memories!"

The old man showed a ferocious expression at this moment!

Chen Ping was not surprised at all when he heard the old man's words. After all, the old man was just a remnant soul and was still bound by shackles. If he walked out of the cave, even in the world of heaven and man, it would be difficult for his remnant soul to survive. of!

"You want to seize my body with just this remnant of your soul. Isn't it too beautiful!"

After Chen Ping finished speaking, golden rays of light suddenly burst out in the sea of consciousness!

When the old man saw this, he couldn't help but sneer, and his body exuded a light blue aura. This aura wrapped the old man's body and blocked the golden light!

Chen Ping's sea of consciousness instantly became a battlefield. The two forces were constantly colliding, making Chen Ping frown and feel like he was in pain!

Fortunately, Zhe Yan reshaped his body and left Chen Ping's sea of consciousness. Otherwise, this terrifying collision of auras would definitely tear Zhe Yan's remaining soul into pieces!

“Boy, the stronger your consciousness is, the more I like it. It seems that my thousands of years of waiting have really not been in vain!”

Facing the overwhelming golden light attack from Chen Ping’s Consciousness Sea, the old man laughed!

Chen Ping tried his best, and the vast sea of consciousness continued to surge, but he could not cause any harm to the old man!

You must know that this old man is just a ray of remnant soul, or a remnant soul bound by shackles, but he still possesses such a huge power of divine consciousness, making Chen Ping’s sea of consciousness attack unable to do anything!

The old man laughed, and the light blue aura on his body began to expand, gradually drowning the golden light in Chen Ping’s sea of consciousness!

Chen Ping’s eyes gradually lost their luster, and his whole body began to be controlled by the old man!

Seeing that Chen Ping’s sea of consciousness was about to be occupied by the old man, there was a sudden explosion!

A bright light burst out from Chen Ping’s sea of consciousness, instantly defeating the old man’s light blue aura!

The old man was overwhelmed by the light, his eyes full of fear!

“This...what is this?”

The old man looked at the light in front of him in shock!

When the light slowly faded, the old man discovered that there was a book among Chen Ping’s books, with four large gilt characters on it: Daluo Golden Code!

“This...how is this possible? How come there is a heavenly book in your sea of consciousness?”

The old man suddenly panicked!

Chapter: 5986

Although he has lost his memory, he is extremely familiar with the light emanating from Daluo Golden Code. It is a power that only exists in the heaven!

Chen Ping saw that the old man was afraid of the Daluo Golden Code, so he controlled his consciousness to slowly open the Daluo Golden Code!

As the Great Luo Golden Code was opened, rays of light shone towards the old man!

The old man exclaimed, and then the power in his body disappeared instantly, and his whole person curled up into a ball!

“Don’t kill me, don’t kill me, I won’t dare to snatch your body anymore...”

The old man began to beg for mercy!

This remnant of his soul has struggled to survive for thousands of years, just so that one day he can see the light of day again!

But I didn’t expect that today I finally encountered a body that could carry me, but I encountered a problem!

He never imagined that there would be a heavenly book in the sea of consciousness of a young monk in the Tribulation Realm!

When Chen Ping saw the old man like that, he closed the Daluo Golden Code. The golden light disappeared, and the old man let out a long sigh!

“Who are you, guy? Why is there a heavenly book in your sea of consciousness?”

The old man asked in disbelief!

“You don’t even know who I am and you dare to snatch my body. Are you a little reckless?”

Chen Ping said!

“It is indeed a bit reckless. It is unreasonable for you to have such a powerful body without being a monk in the Tribulation Realm. It is a pity that I have lost most of my memory, otherwise I would definitely know who you are.”

“I’m in trouble today, but thank you for your kindness in not killing me. I will definitely repay you when I can see the light of day again...”

After the old man finished speaking, he was about to leave Chen Ping’s sea of consciousness!

But as the old man thought, Chen Ping’s sea of consciousness burst out with golden light again!

This light directly blocked the old man’s remaining soul, making it impossible for him to leave!

“What...what are you going to do?”

The old man asked in panic!

“Don’t you want to leave this broken cave? I can take you out to see the outside world, but you can only stay in my sea of consciousness.”

“Maybe I have a way to help you recover your memory. When you recover your memory, you have to do something for me before I can let you go!”

Chen Ping had no intention of letting the old man leave. After all, this guy came from the heaven. Although he had lost his memory, he knew some things that people in the heaven and human world could never know!

Chapter: 5987

“You really take me away?”

The old man asked in surprise!

“Of course, I’m different from you. I’m a guy who doesn’t keep his word!”

Chen Ping said coldly!

This made the old man look so ashamed that he stopped speaking!

“Mr. Chen, Mr. Chen...”

Suddenly, Zhe Yan’s voice sounded in Chen Ping’s ears!

Chen Ping was in a trance for a while, and then he saw Zhe Yan next to him, and there were still the skills carved on the stone wall!

Zheng Jian and Jiang Yulian used the stones in the cave to build tombs for their dead brothers!

Even in the cave, they don’t want their senior brothers to die here!

Chen Ping watched the cave return to its original appearance, frowned slightly and said, "Zhe Yan, did I leave the cave just now?"

"No, Mr. Chen has been standing here motionless. I felt a little strange, so I shouted twice!"

Zhe Yan said!

"Is it all an illusion?"

Chen Ping frowned, and then his consciousness instantly sank into the sea of consciousness!

When he saw the old man, he realized that it was not an illusion at all.

"Mr. Chen, what do you mean by hallucination? I just practiced the exercises on the stone wall. I feel that these exercises are very special. Some places don't seem to make sense at all. I wonder if Mr. Chen can explain it to me?"

Zhe Yan asked Chen Ping for advice!

"First make rubbings of these exercises, and I will explain them to you later!"

Chen Ping asked Zhe Yan to rub the skills on the stone wall!

Then he looked at Jiang Yulian and Zheng Jian who were piling up graves for their senior brothers, and said to them: "People cannot be resurrected after death. Since they are already dead, there is no use in piling up graves. It is better to burn them." To prevent the body from becoming food for wild beasts!"

After hearing Chen Ping's words, Zheng Jian and Jiang Yulian both stopped!

If all the dozens of Soul Demon Sect disciples piled stones tombs, it would take a long time!

The two people didn't speak, while Chen Ping fired a burst of fire and set the corpses of the disciples of the Soul Demon Sect on fire!

Chapter: 5988

Even Ning Caichen's body was burned by Chen Ping. Rather than rotting a little bit, it would be better to have a fire!

After doing all this, Zhe Yan also imprinted the skills around the stone wall!

Chen Ping took them out of the Demon Swallowing Cave!

But just when Chen Ping and the others stepped out of the Demon Swallowing Cave, the entire Demon Swallowing Cave suddenly collapsed!

In an instant, the Demon Swallowing Cave was submerged and disappeared without a trace!

Looking at the collapsed Demon Swallowing Cave, Jiang Yulian and the others were all confused!

"Mr. Chen, did you find anything in the Demon Swallowing Cave? Apart from the exercises on the stone wall, there doesn't seem to be any treasures."

Zhe Yan asked Chen Ping!

"It's a worthwhile trip..."

Chen Ping smiled slightly. He had obtained the old man's remnant soul, which was better than any other treasure!

It would be even better if the old man could regain his memory!

Chen Ping took Zhe Yan and the others back to the Soul Demon Sect. Along the way, Jiang Yulian followed Zhe Yan and kissed each other, making Zheng Jian anxious and angry!

Returning to the Soul Demon Sect, Chen Ping immediately found Sect Master Jiang. He hoped that Sect Master Jiang could help the old man regain his memory!

The other thing is to see if Sect Leader Jiang can remove the shackles on the old man's remnant soul!

After all, Sect Leader Jiang's research on souls is much higher than Chen Ping!

"Mr. Chen, I heard that you gained a lot from your trip to the Demon Swallowing Cave?"

Sect Leader Jiang looked at Chen Ping and asked!

"There is nothing to gain, only a few techniques on the stone wall, which are meaningless to me!"

Chen Ping smiled faintly. His own Heart Condensation Technique was stronger than any other technique, so Chen Ping had no regard for the technique of the Demon Swallowing Cave!

However, Chen Ping changed the subject and said: "Although I didn't get any treasure, the trip was worth it..."

Seeing Chen Ping's smile, Sect Leader Jiang also smiled slightly and said, "Mr. Chen, are you talking about the remnant soul that suddenly appeared in your sea of consciousness?"

Chen Ping was stunned and looked at Sect Master Jiang in surprise!

He didn't follow Sect Leader Jiang to talk about the remnant soul, but he didn't expect to be seen through!

Sure enough, Sect Leader Jiang's research on souls has reached the ultimate level!

Chen Ping smiled awkwardly and said: "Sect Leader Jiang, to tell you the truth, I did rescue a remnant soul in the Demon Swallowing Cave, and it is now in my sea of consciousness."

"Mr. Chen, since the Demon Swallowing Cave is so powerful, the remnant soul in it must be no ordinary person. I wonder which Demon Lord's remnant soul is it?"

Seeing Chen Ping admit it, Sect Master Jiang asked curiously!

"I don't know either. This remnant soul has lost its memory and doesn't even know who it is. So I would like to ask Sect Leader Jiang to take action to see if I can help this remnant soul regain its memory."

"As long as the memory is restored, maybe we can learn many things we have never heard from this remnant soul."

Chen Ping wants Sect Master Jiang to restore the memory of the old man's remnant soul.

Chapter: 5989

"I'll give it a try, but I've never helped a soul recover its memory, so I'm not completely sure!"

Sect Leader Jiang couldn't guarantee it, after all, he had never done this before!

"Okay, thank you very much, Master Jiang!"

Chen Ping nodded!

Since he wanted to help the old man restore his memory, Chen Ping temporarily stayed in the Soul Demon Sect!

Zhe Yan is also in the Soul Demon Sect, following Jiang Yulian and kissing me!

This made Zheng Jian's anger grow stronger and stronger!

After Chen Ping stayed in the Soul Demon Sect for three days, Sect Master Jiang found Chen Ping and then took Chen Ping into an underground secret room!

In this secret room, four incense burners are emitting green smoke, and the whole room is filled with this green smoke!

Although the green smoke filled the entire room, Chen Ping did not feel choked. On the contrary, the green smoke had a light fragrance and smelled very comfortable!

"Mr. Chen, let the remaining soul out of your body, and I'll see if I can help him regain his memory!"

Sect Master Jiang said to Chen Ping!

"Do you still need to let it out?"

Chen Ping was stunned!

This old man's remnant soul has always wanted to leave in Chen Ping's sea of consciousness. Since he can't control Chen Ping, he doesn't want to stay in Chen Ping's sea of consciousness and become Chen Ping's puppet!

It's just that there is Daluo Jindian in Chen Ping's sea of consciousness, which makes it impossible for the residual soul to escape!

Now if the remnant soul is released directly and it doesn't return to Chen Ping's body, wouldn't Chen Ping's work be in vain?

Sect Master Jiang saw Chen Ping's concerns, so he said: "Mr. Chen, the soul is extremely mysterious. If it is in your body, I can't operate it. But don't worry, even if the remnant soul leaves your body, it will still be inseparable." Open here."

“What is burned in these four incense burners is soul pollen. It took thousands of years of collection to obtain these. The remaining souls may be able to restore some memories after being edified by the soul pollen.”

“If you leave this room, the remaining soul will dissipate quickly, so Mr. Chen can rest assured...”

Hearing what Sect Leader Jiang said, Chen Ping felt a little more relieved!

“Boy, since I agreed to live in your body, I will not run away. If you really help me restore my memory, I will also give you a great opportunity.”

The old man’s remnant soul said in Chen Ping’s sea of consciousness!

“Okay, you just heard it, don’t think about escaping from here, otherwise your remnant soul will dissipate and you will truly disappear forever.”

Chapter: 5990

Chen Ping said to the old man!

“Don’t worry, although I have lost my memory, I am not stupid...”

The old man couldn’t wait!

He also wanted to regain his memory quickly so he could understand why he was trapped in a broken cave!

Chen Ping let go of his consciousness and let the old man’s remnant soul escape from his body!

Seeing the remnant soul appearing, Sect Master Jiang was stunned for a moment, his face full of disbelief!

“Why...how does this remnant soul still have shackles on it? Are there any shackles that trap souls in this world?”

Sect Leader Jiang was very puzzled. After all, the soul is a spiritual body and cannot be trapped except by special formations!

“Sect Master Jiang, can you unlock this shackles for him first?”

Chen Ping asked!

“Let me give it a try. I have never encountered anyone whose remaining soul is bound by shackles.”

“It seems that the other party wants to prevent him from resurrecting forever, and also makes him suffer all kinds of torture. What kind of deep hatred is there that would chain his soul?”

Sect Master Jiang said with emotion!

“When I regain my memory and know who tortured me, I will make him pay back a hundredfold!”

The old man snorted coldly!

“Even if you recover your memory, it’s just a ray of soul. Since the other party can kill you and put your soul in chains, it proves that he is stronger than you. You should think about how to repay me in the future! ”

Chen Ping couldn’t help but roll his eyes at the old man!

Even though he’s like this, he’s still thinking about revenge.

“Don’t worry. Although I have lost my memory, my strength is definitely not comparable to that of your little Tribulation Realm monk. As long as I restore my memory and help you advance to the Mahayana Realm, it won’t be a problem!”

The old man said very confidently!

“What else should I use you for when I am promoted to the Mahayana realm? What I need is your help in the heaven. When I get to the heaven, you can be my advisor.”

If Chen Ping only wanted to advance to the Mahayana realm, he wouldn’t have paid any attention to the old man’s remnant soul!

As long as he has enough resources, Chen Ping can definitely be promoted to the Mahayana realm!

“What? You have just passed through the tribulation realm, and now you are thinking about the heaven? Do you really think you can ascend?”
