

The Order 5991

Chapter: 5991

“Although I have lost my memory, I also know that even if the monks in the lower realm have practiced for thousands of years, only a few can ascend to the heaven.”

“Although your kid’s physical body is indeed unique and extremely powerful, are you so sure that you can ascend to heaven?”

Seeing that what Chen Ping said was a bit big, the old man snorted coldly!

“Whether you can ascend or not is not your concern. Don’t forget, you are my prisoner now. If you make me unhappy, I will make your soul fly away and disappear forever...”

Chen Ping threatened the old man and said!

“You...” Although the old man was dissatisfied, he did not dare to say anything. After all, what Chen Ping said was true!

Now he is just a remnant soul, and Chen Ping can make him disappear at any time and disappear forever!

“I’d better remove the shackles of this senior first!”

Seeing that Chen Ping was about to start a quarrel with the old man, Sect Leader Jiang hurriedly said!

Seeing the looming remnant soul, Sect Master Jiang did not dare to be careless at all. Then he waved his hand, and a large amount of green smoke surrounded the old man’s remnant soul!

The old man’s figure gradually became apparent, and on his withered face, his two big eyes were particularly bright!

As the green smoke became thicker and thicker, the old man's remnant soul began to struggle violently, and his gradually obvious figure began to become more and more blurry!

"Sect Leader Jiang, what's going on? Don't kill him..."

Chen Ping saw this and asked quickly!

"Mr. Chen, the shackles on the remnant soul are not real objects, but illusory things. They are trapped in the remnant soul, making it impossible for the remnant soul to break free. Therefore, if you want to remove the shackles, you must directly attack the heart of the remnant soul. OK!"

Sect Master Jiang explained to Chen Ping!

"You mean, these shackles don't exist at all, but are just a figment of imagination?"

Chen Ping said with shock on his face!

"Yes, that should be it. Just like a person with hallucinations, he imagines that someone is chasing him, so he falls into an endless escape. Although no one is chasing him in reality, in his world, The hunt is real."

"I only discovered it through careful observation just now!"

Sect Master Jiang followed Chen Ping and explained in detail!

Chen Ping suddenly realized that after all, the remnant soul is a spiritual body, and it is obviously impossible to rely on physical shackles to restrain it!

Just as Chen Ping and Sect Master Jiang were talking, a green light suddenly flashed in the thick green smoke!

As the green light passed through the old man's remnant soul, the old man let out a series of low roars!

Soon, the shackles on the old man's remnant soul slowly disappeared. As the shackles disappeared, the aura of the old man began to fill the air!

Even if it was just a trace of the remnant soul, the aura on the old man's body horrified Chen Ping and Sect Master Jiang!

"Which demon lord in heaven is this?"

Sect Master Jiang said with shock on his face!

After all, it is impossible for a wisp of remnant soul to exude such aura, it is a fallen monk from the heaven and human world!

"Roar....."

Just when Chen Ping and Jiang Sect Leader were shocked by the aura of the old man's remnant soul, a beast roar suddenly sounded!

Sect Master Jiang was stunned: "Where did the sound come from?"

Chen Ping was also stunned. Before he could react, the sky-swallowing beast actually ran out of the storage ring on its own!

Now only this sky-swallowing beast can enter and leave the storage ring at will without Chen Ping's mental summons!

Chapter: 5992

"This... what kind of monster is this?"

When Sect Leader Jiang saw the Sky-Swallowing Beast, he was immediately frightened!

He still doesn't know that it was precisely because of the Sky-Swallowing Beast that he survived the thunder tribulation and extended his life span!

"Sect Leader Jiang, don't be afraid, this is a sky-swallowing beast and it won't hurt you!"

Chen Ping hurriedly explained, but he was also curious as to why the sky-swallowing beast suddenly ran out on his own!

He saw the sky-swallowing beast heading towards the old man's remnant soul, which shocked Chen Ping!

The sky-swallowing beast can swallow all things. If it swallows the old man's remaining soul into its belly, it will be over!

"Little guy, come back, come back..."

Chen Ping yelled, but the sky-swallowing beast didn't seem to listen to Chen Ping at all!

After seeing the sky-swallowing beast, the old man's remnant soul was slightly startled, and then he stretched out his hand and stroked the sky-swallowing beast!

The sky-swallowing beast lay on the ground obediently and did not attack the old man's remnant soul!

This scene left Chen Ping stunned!

"It's such a familiar aura. The aura on this monster beast is so familiar..."

The old man murmured to himself!

The Sky-Swallowing Beast stuck out its tongue, preparing to lick the old man, but found that it couldn't lick it at all. The old man was a remnant soul. Although he could see it, he couldn't touch it!

"Mr. Chen, your spirit beast seems to be very familiar with this senior!"

Sect Leader Jiang also saw that the sky-swallowing beast seemed to be very familiar with the old man, so he asked curiously!

Chen Ping didn't speak, but stared closely at the Sky-Swallowing Beast and followed the old man!

Suddenly, Chen Ping seemed to have thought of something, and said with a shocked look on his face: "Demon Lord Chiyun, are you the Demon Lord Chiyun from the ninth level of heaven?"

"The Sky-Swallowing Beast is your mount, so you feel familiar, and the Sky-Swallowing Beast is also familiar with your aura, so it ran out of the storage ring after your aura exploded!"

Chen Ping remembered what happened when he met Lord Huolingxing in the battlefield of gods and demons. Lord Firelingxing had said that the Sky-Swallowing Beast was the mount of Demon Lord Chiyun, but he had never found Lord Chiyun. I have been to the heaven and human world, how come the beast elixir that swallows the beast appears in the heaven and human world!

It seems that the Red Cloud Demon Lord was beheaded by someone, and his remaining soul was suppressed in Tianmo Mountain and trapped in the cave. His mount, the Sky-Swallowing Beast, must also be dead!

The Sky-Swallowing Beast egg that Chen Ping got must have been an egg laid by the Sky-Swallowing Beast before it died. By chance, Chen Ping got it!

Obviously, Demon Lord Chiyun was suppressed at the foot of the Demon Mountain, probably before the war between gods and demons.

Chapter: 5993

From this point of view, the legend of Tianmo Mountain should be true. This Red Cloud Demon Lord should be the big devil who was said to be suppressed under Tianmo Mountain!

As for what level of strength the Red Cloud Demon Lord is, Chen Ping doesn't know, and the Fire Spirit Star Lord hasn't told him either!

But living in the ninth level of heaven, one's strength will definitely not be too weak!

"Demon Lord Chiyun? What kind of devil is this, Mr. Chen? I've never heard of it..."

Sect Leader Jiang asked very curiously!

And the old man himself looked confused: "You said I am Demon Lord Red Cloud and live in the ninth level of heaven? How did you know?"

The old man couldn't remember who he was at all, and when he heard the name Chiyun Demon Lord, he was also very unfamiliar!

"When I was in the battlefield of gods and demons, I heard a man named Huo Lingxingjun say that the Sky-Swallowing Beast is your mount. Now that the Sky-Swallowing Beast is so close to you, then you should be the Red Cloud Demon. You're the king!"

Chen Ping told the old man what he had heard!

The old man pondered for a moment, but still couldn't seem to remember anything, so he shook his head and said: "I don't know who Lord Fire Star is, and I don't know who I am!"

After saying that, the aura on the old man's body gradually subsided, and after the Sky-Swallowing Beast circled around the old man's remnant soul, it quickly returned to Chen Ping's storage ring!

"Sect Master Jiang, you should restore his memory first. Once the memory is restored, everything will be known!"

Chen Ping can't wait now!

If this old man is really Demon Lord Chiyun, a great demon who lives in the ninth level of heaven, then it would be a great joy for Chen Ping!

There is a big demon living in the sea of consciousness. Is Chen Ping still afraid that he will not be able to eat enough in heaven?

“Okay, let me try...”

Sect Leader Jiang nodded, but at this moment he had no confidence at all!

Knowing that the other party is a big devil from heaven, even if it is just a remnant soul, it is not that easy to help the other party recover his memory!

“Senior, I’m going to help you recover your memory. There may be some discomfort during the process. I hope you can be patient and don’t get angry!”

After knowing the identity of the old man, Sect Leader Jiang became even more humble. This was the great devil in the heaven!

If he was really offended, then there would be no need for his Soul Demon Sect!

“You can come on, I’m not that squeamish...”

Demon Lord Chiyun nodded and said!

I saw Sect Master Jiang’s face serious, and he used his hands to cast a large number of spells. Then the surrounding smoke turned into thin lines. As Sect Master Jiang lowered his hands, countless thin lines began to drill towards Demon Lord Chiyun’s head!

Chapter: 5994

The remnant soul of Demon Lord Chiyun trembled slightly, and strange cries rang out!

Immediately afterwards, a line of light blue breath condensed from Sect Master Jiang's fingers, and as the light blue breath entered the remnant soul of Demon Lord Scarlet Cloud, Demon Lord Scarlet Cloud shook even more fiercely!

Soon, Sect Master Jiang's forehead was covered with cold sweat, and his eyes were as wide as bells!

boom!

Suddenly, the remnant soul of Demon Lord Chiyun burst out with a golden light, instantly defeating all the aura of Sect Master Jiang, and the huge power caused Sect Master Jiang to fly backwards!

"Sect Master Jiang..."

Seeing this, Chen Ping hurriedly stepped forward to help Sect Leader Jiang up!

Sect Master Jiang was pale and weak at the moment and said: "This senior's strength is too terrifying. Even if there is only one remnant soul left, he has the ability to fight back automatically. With my level of cultivation, there is no way I can help him regain his memory!"

"If we can find someone who is stronger and understands souls, we may be able to help him regain his memory..."

After hearing this, Chen Ping was speechless. Where could he find someone stronger than Demon Lord Chiyun?

Even if he ascends to heaven now, he probably won't be able to meet someone as powerful as Demon Lord Chiyun in a short time. After all, he is a person living in the ninth level of heaven!

"It seems we can only wait slowly..."

Chen Ping glanced at Demon Lord Chiyun helplessly!

Originally, Chen Ping wanted Demon Lord Chiyun to restore his memory, which would be of great help to him!

Now it seems that there is no hope and I can only rely on myself!

Demon Lord Chiyun looked at Chen Ping like that and knew what he was thinking, so he said: "Even if I don't recover my memory, some instinctive things are enough for you to learn. I won't live in your sea of consciousness in vain. Look at your disappointed look!"

"Now that you are free of shackles, you may be able to slowly recall some things. Just stay in my sea of consciousness with peace of mind!"

After Chen Ping finished speaking, his spiritual consciousness shrouded the remnant soul of the Red Cloud Demon Lord, and then let him return to his sea of consciousness again!

"Mr. Chen, I'm really sorry that I couldn't help you..."

Sect Master Jiang said to Chen Ping with some shame!

"Sect Leader Jiang, you have helped me a lot. I have been harassing the Soul Demon Sect for many days, so it's time for me to leave!"

Since the memory of Demon Lord Chiyun cannot be restored, there is no need for Chen Ping to stay in the Soul Demon Sect. He still has to find the Heavenly Demon Stone to help Feng Demon reshape his body!

"Mr. Chen, there are many dangers in the depths of the Demon Mountain today, and there are no rules at all. Moreover, you have been ordered to kill by the Demon Sealing Alliance. It is estimated that many people want to take your life!"

"My Soul Demon Sect is relatively safe. Why don't Mr. Chen stay a little longer?"

Chapter: 5995

Sect Master Jiang said to Chen Ping!

“Sect Leader Jiang, the reason why I entered the depths of the Demonic Mountain is that besides exploring the Demon-Swallowing Cave, I also have a more important thing to do, which is to look for the Demonic Stone.”

Chen Ping revealed his purpose!

“The Demonic Stone?” Sect Master Jiang was stunned: “Mr. Chen, the Demonic Stone was used to reshape the body. I wonder what you are looking for?”

“Your friend, haven’t I helped him reshape his body? Besides, your friend’s level is too low to use the Heavenly Demon Stone.”

“Only monks who are above the Tribulation Realm need the Heavenly Demon Stone to reshape the physical body. This can keep the physical body strong to the greatest extent, and prevent the physical body from being too weak and not matching the strength of the realm, resulting in a decrease in strength or damage to the physical body.”

Sect Leader Jiang followed Chen Ping and explained the use of the Demonic Stone. He thought Chen Ping didn’t know!

“Sect Master Jiang, I know that I am looking for the Heavenly Demon Stone for another friend. He has taken a body now, but it limits his strength, so if he wants to rebuild his body, he must find the Heavenly Demon Stone.”

“This friend of mine must be above the realm of transcending tribulation. As for the specific realm he can reach, I’m not sure...”

Chen Ping followed Sect Leader Jiang and said!

When Sect Master Jiang heard this, he couldn't help but smile bitterly and said: "Mr. Chen, how many friends do you have, only the soul body is left? And each one is higher than the last..."

Chen Ping was also helpless. Like the Wind Demon and the Yin Demon, they were all remnant souls. Only the Blood Demon was its true form, but Chen Ping didn't know where the Blood Demon had gone!

"Sect Leader Jiang, I am entrusted by others to be loyal. Since my friend asked me to find the Heavenly Demon Stone, I must go find it, so I have no choice but to say goodbye!"

Chen Ping raised his hands towards Sect Master Jiang and said!

"Mr. Chen, that day's magic stone is an extremely precious thing, and in the entire world of heaven and humanity, there are only heavenly magic stones deep in the Tianmo Mountain. It is very difficult to find," said Sect Master Jiang!

"I know, but you have to look for it no matter how difficult it is. I believe that as long as you work hard, you will eventually find it."

Chen Ping said very confidently!

Seeing that Chen Ping was determined to find the Heavenly Demon Stone, Sect Leader Jiang was silent for a moment and said: "Mr. Chen, I know where the Heavenly Demon Stone is..."

When Chen Ping heard this, he immediately said excitedly: "Sect Master Jiang, where is the Heavenly Demon Stone?"

"According to this, there is a Heavenly Demon Sect thousands of miles to the southwest. It is said that this Heavenly Demon Sect has been living on the Heavenly Demon Mountain since the existence of the Heavenly Demon Mountain. Therefore, there must be a Heavenly Demon Stone in this Heavenly Demon Sect."

"I have some friendship with the Tianmo Sect. People from the Tianmo Sect once allowed our Soul Demon Sect to reshape several disciples, so we have always been in contact."

“I can go and try to see if I can get a piece of magic stone for Mr. Chen.”

“But this Heavenly Demon Stone is extremely precious, so I’m not sure that the Heavenly Demon Sect will definitely give it to me. I can only try my luck.”

Sect Leader Jiang said!

“Sect Leader Jiang, thank you so much. I can go to the Demon Sect with you. Then I can exchange it for spiritual coins, resources or other treasures.”

Chen Ping was very happy, as long as he knew where the magic stone was, that would be fine!

In this way, Chen Ping no longer has to search aimlessly. No matter how much it costs, Chen Ping will get the magic stone that day!

“Mr. Chen, your current status is not suitable for public appearances. I think you should wait in our Soul Demon Sect!”

Chen Ping is now a walking resource bank. There are probably not many people who have received the killing order from the Demon Sealing Alliance who will not be tempted when they see Chen Ping!

“Sect Master Jiang, don’t worry, I have the breath-taking technique, just change your appearance!”

As Chen Ping spoke, his body shape changed rapidly and he soon turned into a middle-aged man with a beard!

Seeing this, Sect Master Jiang could only nod in agreement with Chen Ping!

Chapter: 5996

Sect Master Jiang briefly arranged the affairs of the sect, and then took Chen Ping to prepare for the Heavenly Demon Sect!

Zheng Jian, Jiang Yulian and Zhe Yan also went with them!

“Master, that day the Demon Sect never walked around with other sects, so if you went to ask for the Heavenly Demon Stone from the Heavenly Demon Sect, wouldn’t that be a setback?”

Before Zheng Jian even set out, he started to talk depressingly!

In fact, Sect Leader Jiang himself knows that he is not sure, but even if there is a glimmer of hope, he still has to give it a try. It is much better than Chen Ping aimlessly looking for the magic stone!

“Even if there is only one ten thousandth chance, let’s give it a try!” Sect Leader Jiang said!

“If the Demon Sect doesn’t give it to you, I can exchange it for something else!”

Chen Ping also said!

Chen Ping would not ask for other people’s things for free. He still has a lot of fairy grass, spiritual stones and other resources in his storage ring, which he can exchange!

“Exchange? Do you know how precious the magic stone was that day? It can’t be exchanged for ordinary items.”

Zheng Jian snorted coldly!

Ever since Zhe Yan reshaped his body and followed Jiang Yulian to kiss me, Zheng Jian’s attitude towards Chen Ping has also changed!

Deep in his heart, he began to hate Chen Ping. If Chen Ping hadn’t brought Zhe Yan’s remnant soul, he and Jiang Yulian would still have been childhood sweethearts.

He has already planned to propose to Jiang Yulian. When the time comes, it will be great for the two of them to cultivate together!

But with the arrival of Chen Ping, all this came to nothing!

Chen Ping himself didn't know that Zheng Jian had begun to hate him because of what happened with Zhe Yan and Jiang Yulian!

"Master, do you still remember that the Heavenly Demon Sect promised that whoever can obtain the intensive skills of their Heavenly Demon Sect will be given a Heavenly Demon Stone?"

At this time, Jiang Yulian said!

"Of course I remember it, but it's impossible. I don't know how many masters have tried it in the past six months, but it's simply impossible, so don't think about it."

Sect Master Jiang waved his hand and said!

"Sect Leader Jiang, what's going on with Xu Yitian's magic stone from the Heavenly Demon Sect?"

Chen Ping asked curiously!

"Mr. Chen, half a year ago the Heavenly Demon Sect was guilty of a master. I heard that this master went to the Heavenly Demon Sect to look for the Heavenly Demon Stone. As a result, the Heavenly Demon Sect not only refused to give it to him, but also took action against the master!"

"As a result, the master was offended, and he was punished by the other party. He directly threw the Heavenly Demon Sect's skills into a cave, set up taboos, and even took away a Heavenly Demon Stone."

Chapter: 5997

"The Heavenly Demon Sect tried so hard but failed to extract the Buddha's intensive technique. Later, when there was no other way, they were allowed to use the Heavenly Demon Stone to find experts to help extract the intensive technique. At the beginning, many people tried it, and there were also people

who crossed over. The top masters of the Tribulation Realm also went there, but they all failed and returned, and now half a year has passed and no one is talking about it.”

“Our Soul Demon Sect followed the Tianmo Sect and had contact at that time. The master killed several disciples of the Tianmo Sect, but he did not kill them all. Instead, he left their souls behind, and the Tianmo Sect found them. They killed us, and then reshaped their disciples’ bodies, causing several disciples to be reborn.”

“Mr. Chen, it’s better not to think about the Heavenly Demon Sect’s promise of the Heavenly Demon Stone. If the Heavenly Demon Sect really doesn’t give you face, I can ask the disciples of the Soul Demon Sect to help Mr. Chen find the Heavenly Demon Stone!”

Sect Leader Jiang followed Chen Ping and explained in detail!

“Thank you...” Chen Ping smiled slightly!

Even the masters at the peak of the Tribulation Realm have nothing to do, so Chen Ping doesn’t want to think about it anymore. His current strength is not as good as the peak masters at the Tribulation Realm!

When Chen Ping followed Sect Leader Jiang and the others to the Heavenly Demon Sect, on a ridge hundreds of miles away from them, Ning Zhi and Qi Peijia were looking for the Heavenly Demon Stone!

The two of them had been searching hard for several days, but still could not find the shadow of the Demonic Stone. This made Ning Zhi lose his patience!

“Damn it, Heavenly Demon Mountain is so big, where can I find the Heavenly Demon Stone? Do you know where the Heavenly Demon Stone is?”

Ning Zhi looked at Qi Peijia with anger on his face and asked!

Qi Peijia looked sad and said cautiously: “I... I only know the approximate location, it should be in this area...”

Qi Peijia was just a little-known casual cultivator before, and didn't know much about Tianmo Mountain!

How could he possibly know the exact location of the Demonic Stone!

"We have been searching for so many days, but we haven't found the magic stone. Could it be that you deliberately made up this magic stone to deceive me?"

Ning Zhi waited for Qi Peijia and asked sharply!

Ning Zhi knew nothing about Tianmo Mountain, let alone the existence of Tianmo Stone, because Qi Peijia said so!

If Qi Peijia deliberately fabricated the Demonic Stone to protect himself, it is not impossible!

"No, I will never lie to you. Everything I say is true. There really is a magic stone!"

Qi Peijia was so scared that she cried when she saw Ning Zhi looking at her fiercely!

"Whether it's true or not, I don't want to look for it anymore. Now I'm about to break through. As long as I absorb the death energy in your body, I can break through to the Mahayana realm."

"After I break through to the Mahayana realm, I'll find an opportunity to rebuild my physical body. I'll make do with this old man's body for now!"

Ning Zhi lost his patience and didn't want to look for it anymore. After saying that, he looked at Qi Peijia with murderous eyes!

Qi Peijia panicked, he could really feel Ning Zhi's murderous intention!

"Don't, don't kill me, I...I know where the magic stone is!"

Chapter: 5998

Qi Peijia's face was pale and he begged loudly!

"I don't want to know anymore..."

After Ning Zhi finished speaking, the aura on his body slowly rose and began to surround Qi Peijia!

"I really know that there must be a Heavenly Demon Stone in the Heavenly Demon Sect. We can go to the Heavenly Demon Sect to find it!"

Qi Peijia suddenly thought of Tianmomen and said loudly!

"Tianmomen?" Ning Zhi was stunned!

"Yes, it is the Heavenly Demon Sect. This Heavenly Demon Sect has been around since the beginning of the Heavenly Demon Mountain. It is the oldest sect on the Heavenly Demon Mountain. They must have the Heavenly Demon Stone in their hands."

Qi Peijia seemed to have grasped a life-saving straw and said loudly!

"There is a Heavenly Demon Stone in the Heavenly Demon Sect, will he give it to me?"

Ning Zhi was right. The magic stone was so precious. Why would it be given to him?

And Ning Zhi doesn't want to fight now, even though he has reached the peak of the Tribulation Realm and will soon break through to the Mahayana Realm!

But his physical body is too weak. If a fight breaks out and the physical body is destroyed, it will be in trouble!

What's more, Ning Zhi doesn't know what the strength of this Tianmo Sect is.

"Yes, the Heavenly Demon Sect has always wanted to get their technique concentration. As long as you help the Heavenly Demon Sect get the technique concentration, let alone one Heavenly Demon Stone, even if it is ten, I think they will give it to you."

Qi Peijia told Ning Zhi everything about the Heavenly Demon Sect in detail!

After Ning Zhi heard this, he thought for a moment, then nodded and said, "Okay, let's go to the Heavenly Demon Sect, but you better not lie to me, otherwise I won't be able to spare you!"

"Don't dare, absolutely don't dare!" Qi Peijia wiped the cold sweat from his forehead and breathed a long sigh of relief. His life was finally saved for the time being! .

.....

Heavenly Demon Gate!

This is a sect that has been established for thousands of years. Since the existence of Tianmo Mountain, Tianmo Sect has been living deep in Tianmo Mountain!

Although the disciples of the Heavenly Demon Sect are all demon cultivators, they have not been affected by the war between gods and demons!

The Heavenly Demon Sect has never formed a clique, and has always lived in the deepest and most dangerous place of the Heavenly Demon Mountain. The entire Heavenly Demon Sect relies on the resources on the Heavenly Demon Mountain for cultivation!

With the start of the war between gods and demons, after the demons suffered heavy losses, the Demonic Mountain became a paradise for the demons!

Therefore, many demon cultivators rushed to Tianmo Mountain to survive, which invisibly began to squeeze the living space of Tianmo Sect!

Chapter: 5999

Especially in the past few hundred years, the outer area of Tianmo Mountain has been occupied by major demon sects and human families, and a certain alliance has been formed. This has made the resources of the Tianmo Sect even more scarce. In addition, the sects' cultivation techniques are intensive. Being thrown into a cave and unable to be retrieved puts the Heavenly Demon Sect into a huge crisis!

If things continue like this, the Heavenly Demon Sect will slowly disappear, and I am afraid there will no longer be a Heavenly Demon Sect in the entire heaven and human world in the future!

“Hey, is this God's will to destroy my Heavenly Demon Sect?”

At the entrance of the cave, the leader of the Tianmo Sect, Zeng Nianan, looked up to the sky and roared!

In front of Zeng Nian'an, there were more than ten people lying in a mess. These were all disciples of the Tianmo Sect, who had entered the cave to gain intensive skills!

However, no matter how many people entered, they were all knocked out in the end, and each one was seriously injured!

Zeng Nian'an sent countless disciples to try, but the results were the same!

The masters who came from all over the place before were also directly knocked out.

“Master, give up. All the disciples in our sect are injured now, so we can't try anymore...”

An elder came over and persuaded Zeng Nianan!

Zeng Nian'an's eyes were full of melancholy, and two lines of tears slowly flowed out!

“I’m sorry for Liezu Liezong, and I’m sorry for the ancestors of my Heavenly Demon Sect. Our Heavenly Demon Sect has been around for thousands of years, but I didn’t expect it to be destroyed in my hands.”

“You think I was such an idiot that I had to attack that expert? If I had given him a magic stone at that time, it wouldn’t have been like this.”

“Today I am going to personally retrieve the intensive skills. If I cannot succeed, then let me die to apologize...”

After Zeng Nianan finished speaking, he was about to rush into the cave!

“Sect Master, don’t do anything stupid. If something happens to you, our Heavenly Demon Sect will really be doomed...”

The elder hugged Zeng Nianan tightly and persuaded loudly!

Other Tianmo Sect disciples also ran over and pulled Zeng Nian’an back to the sect’s main hall!

“Sect Master, two people came outside and said they were here to help us get back the Gong Technique.”

At this time, a disciple of the Heavenly Demon Sect came forward to report!

Zeng Nian’an didn’t speak and closed his eyes slightly, because in the past six months, people would come to Tianmomen from time to time to challenge and get back the intensive skills, but they all ended in failure!

So Zeng Nian’an has no hope now!

“Why should I report such a trivial matter? Just take them to the cave and tell them that life or death has nothing to do with our Heavenly Demon Sect!”

The elder waved his hand and said!

Chapter: 6000

Now that Zeng Nian'an is in a bad mood, there's no need to bother with such a trivial matter!

"Yes!" The Heavenly Demon Sect disciple turned and left!

At this moment, outside the gate of Tianmomen, Qi Peijia was following Ning Zhi, waiting for the report!

Soon, the disciple of the Demon Sect came back that day and said to the two of them: "You guys come with me..."

Qi Peijia and Ning Zhi followed the Tianmomen disciples to the cave!

"The strength of our Heavenly Demon Sect is concentrated in this cave. You can go in and try it. However, if any problems arise, it has nothing to do with our Heavenly Demon Sect!"

The Heavenly Demon Sect disciple said!

Qi Peijia and Ning Zhi looked at the dark cave in front of them, and then looked at it carefully!

Ning Zhi even sent out his spiritual consciousness, wanting to explore the situation inside the cave, but as soon as his spiritual consciousness reached the entrance of the cave, it seemed to be blocked by a force!

"It seems there is something in this cave. I'll go in and take a look. You wait outside..."

Ning Zhi said to Qi Peijia, and then entered the cave!

With a flash of light, Ning Zhi's figure disappeared into the cave, and not even a sound could be heard!

Deep in the Demonic Mountain!

“Mr. Chen, if you walk a little further, you will reach the Heavenly Demon Gate. After arriving at the Heavenly Demon Gate, you should try not to expose your aura. I am afraid that someone will recognize your identity and cause unnecessary trouble!”

Sect Master Jiang reminded Chen Ping!

“Okay!” Chen Ping nodded!

In fact, Chen Ping knew that even if he exposed his aura, no one in the Tianmo Sect would know his true identity. After all, he had never been in contact with anyone from the Tianmo Sect, and no one was familiar with his aura!

Only people who are familiar with him can identify his identity from his breath. Now that Chen Ping has changed his appearance, people who are unfamiliar with him can't tell at all!

“Mr. Chen, there seems to be someone in front of you?”

At this time, Zhe Yan suddenly reminded!

When Chen Ping heard this, he listened carefully, and sure enough he could hear the sound of someone talking not far in front!

Along the way, in order to avoid others discovering his whereabouts, Chen Ping did not emit any spiritual consciousness, so that he did not notice in time that there was someone in front of him!

“What should we do? Should we take a detour?”

Jiang Yulian said!
