

The Order 6001

Chapter: 6001

“No need, our Soul Demon Sect has no grudges against others, even if we bump into someone, it will be fine.”

Sect Master Jiang waved his hand and said!

Now that Chen Ping has changed his appearance, his identity will not be discovered as long as he does not reveal his aura!

After walking forward for a while, you can clearly see five people walking towards them, talking and laughing!

When the two parties met, they were all slightly stunned!

It turns out that the leader of the other party is none other than Divine Doctor Liu who defrauded the Demonic Dragon Ginseng from the Soul Demon Sect!

Seeing Divine Doctor Liu, Sect Leader Jiang's face instantly turned gloomy, and Jiang Yulian's eyes widened with anger!

Divine Doctor Liu didn't expect to meet Sect Master Jiang here. He was slightly startled and then smiled and said: “It turns out to be Sect Master Jiang. It seems that you have recovered. Congratulations. I didn't expect to meet you here.” ...”

When Sect Leader Jiang looked at the Divine Doctor Liu, he was already filled with anger. He wished he could step forward and slap him to death!

But looking at the four Tribulation Realm cultivators behind Divine Doctor Liu, Sect Leader Jiang still suppressed his anger!

“Divine Doctor Liu, what a coincidence. My recovery is all due to the wonderful hands of Divine Doctor Liu.”

Sect Master Jiang forced out a smile and said!

After listening to Sect Leader Jiang’s words, Doctor Liu’s eyes were obviously filled with suspicion!

He knew that Sect Master Jiang was at the end of his life, his lamp had dried up and his oil had dried up, so it was impossible for him to recover, but now it seemed that Sect Master Jiang was indeed fine, which made him very confused!

Although confused, Divine Doctor Liu smiled and said: “It is an honor for me to be able to help Sect Master Jiang. I have something to do, so I won’t disturb Sect Master Jiang.”

After Divine Doctor Liu finished speaking, he took the people and left. It was obvious that this guy was feeling guilty now!

Sect Leader Jiang watched Divine Doctor Liu leading the people away without stopping him!

“Master, this guy is a big liar. He deceived us all. Why did you let him go? You should expose him face to face!”

When Jiang Yulian saw Divine Doctor Liu leading his people away without Sect Master Jiang stopping him, she asked in confusion!

“Our top priority is to help Mr. Chen find the Demonic Stone. What’s more, that guy also brings four sixth-level cultivators of the Tribulation Realm with him. If there is a fight, who might suffer the loss?”

Sect Master Jiang said to Jiang Yulian!

Jiang Yulian saw this and stopped talking, but it was obvious that she was still angry in her heart!

If Doctor Liu hadn't tricked them into digging for Heavenly Demonic Dragon Ginseng, they wouldn't have died in vain for more than a dozen of their fellow apprentices!

"Okay, don't be angry. If I have the chance, I will definitely seek revenge on that person named Liu. Let's leave quickly!"

Chapter: 6002

Sect Leader Jiang patted Jiang Yulian on the head and said!

Jiang Yulian nodded, and then the group continued moving forward!

Chen Ping didn't speak from beginning to end. At this time, he knew he needed to keep a low profile!

"Master, I have a stomachache, you go first, I will catch up right away!"

Just after taking two steps, Zheng Jian suddenly said, holding his stomach!

"Stomach pain? Why do you have a stomachache suddenly?"

Sect Master Jiang frowned slightly and said!

"Fellow Daoist Zheng, do you need me to help you take a look?"

Chen Ping stepped forward and asked!

"Don't bother Mr. Chen. It's probably because you have a stomachache. I'll just make it easier. You can leave first and don't worry about me. I'll catch up later."

Zheng Jian waved his hand and said!

“Well, just remember to catch up with us quickly!”

Chen Ping saw that Zheng Jian seemed to be fine, so he nodded and said!

As soon as Chen Ping and the others left, Zheng Jian straightened his body instantly, then turned around and chased in the direction where Doctor Liu and the others left!

“Doctor Liu, wait a moment...”

After Zheng Jian chased Divine Doctor Liu and others, he shouted loudly!

Divine Doctor Liu was stunned, looked at Zheng Jian with some doubts, and said with a wary expression: “What’s wrong?”

“Divine Doctor Liu, I have something good to tell you. I wonder if Divine Doctor Liu is interested?”

Zheng Jian said!

“What good thing?” Divine Doctor Liu asked!

“Doctor Liu, do you know a man named Chen Ping?” Zheng Jian asked!

“Chen Ping?” Divine Doctor Liu was slightly startled, then shook his head.

A bearded monk behind Divine Doctor Liu hurriedly said: “Are you talking about Chen Ping, who was ordered to be killed by the Demon Sealed Alliance?”

“Yes, that’s him!” Zheng Jian nodded quickly!

Chapter: 6003

“What’s going on?” Divine Doctor Liu asked!

The bearded monk hurriedly told the story about the Demon-Sealing Alliance’s execution of Chen Ping with a hundred-year sacrifice, followed by Doctor Liu!

After listening, Divine Doctor Liu’s eyes suddenly lit up and he said: “The Demon-Sealing Alliance has been enshrined for a hundred years? This is a huge resource...”

“Divine Doctor Liu, I guess many people are looking for Chen Ping everywhere now, but now I know where Chen Ping is.”

Zheng Jian said!

“You know?” Divine Doctor Liu looked at Zheng Jian, and then said with wary eyes: “Since you know, why didn’t you tell your master and get the hundred-year offering of the Demon Sealing Alliance into the hands of your Soul Demon Sect, but you came to me instead? ?”

“Are you trying to play some trick? Let me tell you, I’m not that easy to deceive...”

“Doctor Liu, you misunderstood. I’m not here to lie to you. I really know where Chen Ping is.”

Zheng Jian then told everything about Chen Ping!

When Divine Doctor Liu heard that Sect Leader Jiang had been helped by Chen Ping to survive the thunderstorm and improve his realm before recovering, he finally understood!

Only by breaking through the realm during the lifespan decline period can the Yangshou be increased, otherwise any panacea will be useless.

“Why did you tell me this? What good will it do to you?”

Doctor Liu still has not relaxed his vigilance towards Zheng Jian!

After all, this is of no benefit to Zheng Jian at all!

“Doctor Liu, I just hope that when you kill Chen Ping, you also kill the guy named Zhe Yan next to my junior sister. As long as he dies, my junior sister will no longer miss him.”

Zheng Jian said with hatred in his eyes!

Doctor Liu looked at Zheng Jian’s expression and burst into laughter!

“Haha, I understand, don’t worry, I will kill the man next to your junior sister.”

Doctor Liu laughed and patted Zheng Jian on the shoulder!

“Doctor Liu, you must not say that I told you this, otherwise my master will not be able to spare me.”

Zheng Jian warned Doctor Liu!

“Don’t worry, you gave me such a big gift, how could I betray you!”

Divine Doctor Liu smiled!

Zheng Jian felt relieved when Doctor Liu said this, so he quickly turned around and chased Chen Ping and the others!

And Divine Doctor Liu also took four monks with him, and then headed towards Chen Ping and others to intercept them!

Chapter: 6004

“Why did you wait so long to catch up?”

Sect Master Jiang saw that it took Zheng Jian a long time to catch up, so he reprimanded loudly!

“Master, I have a stomachache.”

Zheng Jian explained guiltily, and then kept looking around with his eyes!

He wanted to see if Doctor Liu and his people had caught up!

But after walking for a while, Zheng Jian didn't find the shadow of Divine Doctor Liu and others, and he couldn't help but feel a little depressed!

At this time, on the road that Chen Ping and the others must pass, Divine Doctor Liu and the four monks are setting up a magic formation!

“To be sure, I can only use the formation talisman that I bought at a high price. But if I catch Chen Ping, all the losses will be worth it.”

Divine Doctor Liu held the formation talisman in his hand. Although he was full of reluctance, he still poured spiritual power into it and began to set it up!

“Divine Doctor Liu, that is a hundred-year sacrifice from the Demon-Sealing Alliance. A formation talisman is nothing. But we must be careful. Since that kid can make the Demon-Sealing Alliance issue a killing order, he must have some strength.”

The bearded monk said to Divine Doctor Liu!

“As long as Chen Ping is introduced into the magic circle, he will be unable to escape. Don't worry...”

Doctor Liu's eyes were full of confidence!

He bought this magic circle talisman at a very high price and has always used it as a talisman!

Take it out now and it will be more than enough to deal with Chen Ping!

Doctor Liu and others had just set up the magic circle, and Chen Ping and the others also arrived!

“Hey, why are you here?”

Seeing Divine Doctor Liu and others, Sect Leader Jiang was stunned for a moment!

Because when Divine Doctor Liu left, he was not in this direction. How could he suddenly appear in front of them now?

And when Zheng Jian saw Divine Doctor Liu and others, an imperceptible smile appeared on his face!

“Sect Master Jiang, we are so destined. I didn’t expect to meet him again!”

Seeing Sect Leader Jiang, Divine Doctor Liu smiled lightly and said!

But while talking, the eyes of Divine Doctor Liu always looked at Chen Ping inadvertently!

Even the other four monks looked at Chen Ping intentionally or unintentionally!

Chapter: 6005

When Chen Ping saw this, he frowned slightly, and then his consciousness slowly spread out, and he instantly discovered the spiritual energy fluctuations in front of them!

“Is there a magic circle set up in front?”

After Chen Ping dispersed his consciousness, he realized that someone had set up a magic circle in front of him, and he instantly became alert!

“Doctor Liu, I don’t know if you waited for us here on purpose, or did you happen to meet us again by chance?”

Sect Master Jiang also felt a little strange, as if Divine Doctor Liu deliberately led people to wait for them in front!

“I’m waiting for you to do something on purpose. We were just chasing a monster, that’s why we got here.”

“If you have something to do, you can just leave. I won’t stop you!” Divine Doctor Liu said with a smile!

Although Sect Leader Jiang felt something was wrong, seeing what Divine Doctor Liu said, he said nothing more and continued to move forward with Chen Ping and the others!

Chen Ping didn’t say anything, but walked straight to the front and led the way!

When they passed by Divine Doctor Liu and others, Zheng Jian gave Divine Doctor Liu a confused look!

He didn’t understand, why didn’t Doctor Liu take action?

Just when Zheng Jian was confused, a strong white light suddenly flashed, and then Chen Ping, who was in front of them, disappeared in an instant!

When the light disappeared, Chen Ping’s figure appeared again!

But at this time, Chen Ping’s figure was already inside a huge transparent barrier!

“Mr. Cheng.....”

Seeing this scene, Zhe Yan was shocked and rushed forward!

But he was instantly ejected by a huge force!

“Mr. Cheng...” Sect Leader Jiang and Jiang Yulian were also shocked!

The two people also instinctively wanted to run towards Chen Ping, but Chen Ping stopped him and said: “Don’t come over, I’m trapped in the magic circle. If you rush over, you will be knocked away!”

“how so?”

Sect Master Jiang’s face was filled with confusion. He couldn’t understand why a magic circle suddenly appeared in this barren mountainous place.

“Hahaha... I’m getting rich, I’m getting rich...”

Doctor Liu suddenly laughed!

Even the four Tribulation Realm monks laughed, their faces full of excitement!

Chapter: 6006

The Demon Sealing Alliance has been enshrined for hundreds of years, which is a huge resource that is unimaginable!

“How come the hundred-year sacrifice of the Demon-Sealing Alliance has such a good thing happen to us?”

The bearded monk looked at Chen Ping like a cat seeing a mouse!

“Doctor Liu, what do you mean?”

Sect Leader Jiang frowned slightly, then looked at Divine Doctor Liu and asked!

“Sect Master Jiang, now that the matter has come to an end, I won’t hide it from you any more. Are you stupid if you say you don’t want the hundred-year tribute from the Demon-Sealing Alliance?”

“No wonder your Soul Demon Sect is not very strong. With your stupidity, your Soul Demon Sect will never be able to develop in your lifetime.”

Divine Doctor Liu laughed at Sect Leader Jiang!

“What’s the hundred-year tribute from the Demon-Sealing Alliance? Why can’t I understand what you’re talking about?”

Sect Master Jiang’s heart suddenly tightened, but on the surface he pretended not to know anything about it!

“Hahaha, stop pretending. The guy trapped in the formation now is Chen Ping, who was worshiped by the Demon Sealing Alliance for hundreds of years and issued a killing order, isn’t he?”

“Now that we have captured him, the hundred-year enshrinement of the Demon-Sealing Alliance is ours!”

Divine Doctor Liu said with a smile!

“You are mistaken. I heard that Chen Ping is only in his early twenties, but this Mr. Cheng obviously does not match his age!”

Sect Leader Jiang hurriedly explained that he hoped to deceive Divine Doctor Liu and others!

“The appearance can be changed at will. Do you think my name as a miracle doctor is fake? We are only arresting Chen Ping now, so you should take your disciples and leave quickly. I won’t embarrass you.”

“But if you want to stand up for Chen Ping, then don’t blame us for being rude. Just a few of you are no match for us.”

Divine Doctor Liu threatened Sect Master Jiang!

Sect Master Jiang frowned and glanced at Chen Ping. He wanted to save Chen Ping, but their strength did not allow it!

But just leaving Chen Ping behind like this, Sect Master Jiang couldn’t live with it!

This time, Sect Leader Jiang was in a dilemma!

“Master, let’s go. Even if we stay, we won’t be able to save Mr. Chen.”

Zheng Jian stepped forward and persuaded Sect Master Jiang!

Sect Leader Jiang glanced at Zheng Jian, but still said nothing!

Chapter: 6007

“Sect Master Jiang, you should take them away and leave me alone. I will catch up with you soon!”

Upon seeing this, Chen Ping also persuaded Sect Leader Jiang to take Jiang Yulian and the others to leave!

Even if they stay, they won’t be able to help, and in the end they may distract Chen Ping from protecting him!

“Mr. Chen, you saved my life. How could I just watch you die and remain indifferent...”

Sect Leader Jiang frowned and said!

“Sect Leader Jiang, I can’t die. If I die so easily, how could the Demon Sealing Alliance use a hundred years of sacrifice to issue a killing order?”

Chen Ping smiled lightly, with no trace of panic on his face!

“Sect Master Jiang, we should listen to Mr. Chen and leave first...”

Zhe Yan also spoke!

Zhe Yan has been following Chen Ping for such a long time, and he knows Chen Ping’s abilities. If they stay, they might even add more burdens to Chen Ping!

Seeing that Zhe Yan had said this, Sect Master Jiang felt that Chen Ping would be fine, so he nodded!

After giving a fierce look at Divine Doctor Liu, Sect Master Jiang led Jiang Yulian and the others and continued to move forward!

Zhe Yan also followed closely behind, but the Divine Doctor Liu and the others did not stop Zhe Yan!

This made Zheng Jian slightly stunned, looking at Divine Doctor Liu in confusion, and winking at Divine Doctor Liu desperately!

And Divine Doctor Liu seemed to have not seen it and ignored Zheng Jian!

Zheng Jian was so angry that his lungs were about to explode, but he didn’t dare to show it at this time!

“Sha Bi, you really thought I would help him kill people...”

Divine Doctor Liu smiled coldly!

Many people in the world of gods and humans are selfish and disrespectful, not to mention these monks deep in the Demon Mountain!

Zheng Jian actually dared to trust others so easily. He deserved to be deceived!

Now Divine Doctor Liu and others only have Chen Ping in their eyes. All they have to do is hand Chen Ping over to the Demon Sealing Alliance!

At this time, I will not make trouble and help Zheng Jian to kill Zhe Yan!

After Sect Master Jiang and others left, Divine Doctor Liu slowly walked to Chen Ping!

“Boy, your disguise skill is pretty good. It looks just like the real thing. But no matter how well you hide it, will we still find you?”

Chapter: 6008

Divine Doctor Liu said with a sneer!

“What if we find out?”

Chen Ping asked nonchalantly!

“What do you think can be done? Now you are trapped in my formation and can only be captured without mercy. Then I can exchange you and the Demon-Sealing Alliance for the hundred years of worship.”

Divine Doctor Liu was happy from the bottom of his heart when he thought of the hundred-year dedication of the Demonic Alliance!

“Trapped me?”

Chen Ping raised the corner of his mouth: “You are too naive to try to trap me with just this small magic circle!”

Chen Ping said to me, gently pressing on the magic circle with one hand!

A ripple suddenly appeared in the void, followed by golden light flashing, and the magic circle collapsed instantly like a broken mirror!

Seeing this scene, Divine Doctor Liu and others were all stunned!

“This...how is this possible?”

Doctor Liu’s eyes widened with disbelief on his face!

You know, he spent a lot of money to buy this magic circle talisman. It is a high-level magic circle. How could it be broken so easily?

“Doctor Liu, have you been deceived? This is simply a broken magic circle?”

The bearded monk looked at Divine Doctor Liu and asked!

“possible.....”

Doctor Liu nodded!

He didn't believe that Chen Ping could break through the formation so easily. There must be something wrong with his formation talisman and he was deceived!

"Even without the magic circle, we would still be afraid of this kid..."

When a monk saw that Chen Ping was only at the second level of Tribulation Realm, he snorted coldly and slapped Chen Ping with his palm!

With this palm, a fire dragon instantly shot out, swallowing Chen Ping instantly!

"I am only a second-grade warrior in the Tribulation Realm. I don't know why you are so cautious. It will be over with just one palm."

The monk sneered and said!

Divine Doctor Liu and others were also a little puzzled. They didn't expect Chen Ping to be so easy to deal with. With such strength, why did the Demon Sealing Alliance offer a hundred years of sacrifice?

Just when these people were puzzled, a red flame suddenly flew out from the raging flames, like an arrow from a string!

Uh-huh...

Just for a moment, the monk who took action only felt a heat in his chest. Then he looked down and found that his chest was burned with a big hole by the red flame!

The surroundings of the cave entrance were scorched black, obviously showing traces of being burned. The entire cave entrance could be seen from one side to the other!

"ah....."

After a while, severe pain came, causing the monk to scream and finally fell down!

The flames around Chen Ping began to slowly weaken, and finally disappeared completely!

“Playing with fire with me, you’re a little too young...”

Chen Ping snorted coldly!

Doctor Liu and the remaining three monks were dumbfounded when they saw this!

A sixth-grade monk in the Tribulation Realm died like this?

You must know that the aura exposed by Chen Ping is only the second level of the Tribulation Realm.

How could it be like this?

Divine Doctor Liu looked at the bearded monk with dull eyes, and his body was trembling slightly!

He is just a pharmacist, and his level of strength is not as good as these four!

The reason why these four people followed him was because of his status as a pharmacist, and he could use this status to defraud a lot of resources!

Chapter: 6009

“You...look at what I’m doing. I’ve said before that this guy won’t be simple, otherwise the Demon-Sealing Alliance won’t come up with a hundred-year offering.”

The bearded monk said quickly!

Divine Doctor Liu was speechless for a while. He did not expect Chen Ping to be so powerful. He killed a sixth-level cultivator in the Tribulation Realm with one move!

Isn't this a bit outrageous?

"We made a mistake. We were fooled. We must have been fooled. This guy is not Chen Ping at all. The Soul Demon Sect must have known that I cheated their Heavenly Demon Dragon Ginseng, so they deliberately did this."

"He must be a master found by the Soul Demon Sect, and then tricked us into taking action..."

Doctor Liu shouted!

He didn't believe that Chen Ping, a second-level cultivator in the Tribulation Realm, really had such ability. It was probably a trap from the beginning!

Zheng Jian also told them on purpose, just to make them take action!

In this case, even if they are all killed, I can only blame myself for taking action first!

"Is this a trap..."

When the bearded monk heard what Divine Doctor Liu said, he looked at Chen Ping in disbelief!

Although Chen Ping didn't know what Doctor Liu meant by the trap, he smiled lightly and said, "I am the Chen Ping you are looking for. Why do you say no now?"

After Chen Ping finished speaking, his appearance began to slowly change, and soon it became his original appearance!

Seeing this scene, Doctor Liu's mouth twitched, and his face became even more ugly!

The bearded monk gritted his teeth and said: "Doctor Liu, don't deceive yourself at this time. This guy is Chen Ping. We have to fight desperately. As the saying goes, wealth can be found in danger. If we can kill this Chen Ping, Feng The hundred years of worship from the Demon Alliance can enable us to conquer the entire Demon Mountain."

When he heard that he wanted to conquer Tianmo Mountain, Divine Doctor Liu was shocked, and then nodded and said: "Okay, let's do it together. We must kill him. Either he dies today or we die..."

"I don't believe it. The three of you who are at the sixth level of the Tribulation Realm and me, who is at the fifth level of the Tribulation Realm, can't kill him, a young monk who is the second level of the Tribulation Realm!"

Doctor Liu has regained his confidence, and the aura on his body is rising!

"Brothers, let's do it together, don't leave any room for anyone..."

The bearded monk said to the other two people!

"good....."

The other two monks all nodded and burst out with the most powerful aura!

Chen Ping saw that the four people in front of him were fully prepared. He did not panic at all, but said with a trace of disdain in his eyes: "Since you want to die, then don't blame me..."

Chapter: 6010

"Young man, kill them and absorb the death energy of several of them immediately. I stay in your sea of consciousness without any resources. It is estimated that this residual soul will die before I can recover my memory and reshape my body. ."

At this time, the remnant soul of Demon Lord Chiyun spoke!

The remnant soul of Demon Lord Chiyun can't get anything in Chen Ping's sea of consciousness. Not only can he get nothing, but he also has to worry about the Da Luo Golden Code in Chen Ping's sea of consciousness. If this doesn't go well, the Da Luo Golden Code is opened. His remnant soul will be wiped out!

After listening to Demon Lord Chiyun's words, Chen Ping nodded and said: "Okay, I will absorb more death energy from now on, maybe you can slowly recover your memory by yourself!"

As soon as Chen Ping finished speaking to Demon Lord Chiyun, he discovered that the bearded monk and his men had already taken action!

I saw the bearded monk shouting loudly, his palms filled with infinite flames, and then rising into the air, the flames instantly turned into three beasts and headed towards Chen Ping!

The other two monks also took action at the same time, and overwhelming flames came from all directions around Chen Ping, turning into beasts!

It is obvious that these three demon cultivators are all from the Flame Demon clan, and they all use the demon clan's ultimate fire. However, in Chen Ping's opinion, these ultimate fires are not pure at all!

Maybe these demon cultivators are all branches of the flame demon lineage, so it is normal for the skills to be impure and the ultimate fire to be impure!

When Divine Doctor Liu saw the three people taking action, he was not idle either. He had to go all out at this time!

Doctor Liu took out a dark pill from his body and swallowed it without hesitation!

Immediately afterwards, countless black mist filled the surroundings of the body. There were screams of ghosts crying and wolf howling in the black mist, as if countless ghosts were walking through the black mist!

"go to hell....."

Doctor Liu suddenly took a shot, and the black mist turned into a black dragon. With a shrill roar, it rushed towards Chen Ping!

“I told you, you are still a little immature when you are playing with fire with me...”

Chen Ping said with disdain!

“Let’s try it...”

The bearded monk roared, and monsters transformed from the ultimate fire fell from the sky, roaring.

Chen Ping used the Dragon-Slaying Sword, and flames rose from the Dragon-Slaying Sword!

Then with a wave of the dragon-slaying sword, a fire dragon with its whole body burning roared out!

With a dragon roar, the fire dragon pounced directly on those monsters!

In just the blink of an eye, the monsters transformed into fire fell one after another under the attack of the fire dragon and turned into balls of flames, which fell to the ground and were quickly extinguished!

At this moment, the bearded monk and others were shocked for a moment, and then fired out a stream of flames with both palms again!

But this time, Chen Ping did not take action. The original stars in his body began to flicker, and a huge suction force began to absorb these flames!
