

The Order 601

Chapter: 601

Two masses of mist, one black and one white, collided together. The black mist collapsed in one blow and disappeared without a trace in an instant. The sky became brighter. At this time, the ground was already filled with people from Chifengtang. Less than ten.

And Chifeng was holding a long sword, his body covered with scars, and he was glaring at the left inspector of Xuanyue Valley in front of him!

The left inspector of Xuanyue Valley ignored Chifeng's anger, but looked at the house wrapped in white mist with horrified eyes!

Crash la la la la la la la la la la la la la la.

There was a burst of shattering sounds, and the roof of the room collapsed instantly. Chen Ping was seen wrapped in a faint spiritual energy, and his whole body was suspended in the air, as if a god had descended!

"How dare you claim to be the master with your crooked ways?"

Chen Ping's eyes were filled with indifference. With a wave of his big hand, a white mist instantly enveloped the Xuanyue Valley Left Patrol Envoy!

Everyone only saw the left patrolman of Xuanyue Valley struggling desperately in the white mist, as if he was in great pain!

Suddenly, Xuanyue Valley's left patrolman's body stopped moving, as if he was dead!

Just when Lin Tianhu and Chi Feng were overjoyed, the white mist wrapping the Xuanyue Valley Left Patrol Envoy's body began to slowly penetrate into each other's body!

Immediately afterwards, the Xuanyue Valley left patrol envoy suddenly opened his eyes, and his body instantly rose into the air, facing Chen Ping from a distance in mid-air!

“Hahaha, with your little tricks, you can’t hurt me, but the abundant spiritual power in your body can be used by me!”

After the Xuanyue Valley left patrol envoy finished speaking, he suddenly pushed forward with both palms, and a huge suction force was sucked towards Chen Ping!

Chen Ping’s body seemed to be in a huge whirlpool and could be swallowed up at any time!

Soon, Chen Ping felt that the spiritual power in his body was flowing rapidly, and all of it was absorbed by the Xuanyue Valley Left Patrol Envoy!

“Hahaha, hahaha, such pure and abundant spiritual power. After I drain all the spiritual power from you, I will take you to Xuanyue Valley to be safe...”

The left patrol officer of Xuanyue Valley laughed with an extremely arrogant expression!

Feeling the loss of spiritual power, Chen Ping was not in a hurry and smiled with a slight smile.

The technique used by Xuanyue Valley Zuo Xun is similar to the exterminator Taoist’s Star Absorbing Technique. The two techniques should come from the same lineage, but the Xuanyue Valley Zuo Xun’s is more advanced. !

“Can you still laugh at this time? I have to admire your courage...”

When the Xuanyue Valley left patrol officer saw that Chen Ping was not panicked and even laughed, he felt a little admired in his heart. However, this did not make him feel the slightest pity for Chen Ping. The attraction of his thoughts became stronger and stronger, and Chen Ping’s The loss of spiritual power is getting faster and faster!

Lin Tianhu and Chi Feng below saw Chen Ping being wrapped in a swirling black mist, their faces suddenly became extremely ugly, and their hearts were extremely anxious, but at this time they seemed to have no choice!

“Hahaha, it’s so happy, so happy. This much spiritual power will definitely improve my strength by a big step. By then, I will be the elder of Xuanyue Valley...”

The left patrol envoy of Xuanyue Valley is getting more and more proud!

Chapter: 602

“Haven’t you had enough?” Chen Ping asked calmly.

“Enough? How can it be possible? I want to absorb all your spiritual power...”

The left inspector of Xuanyue Valley sneered, his eyes filled with pride!

“If you are greedy, you will end up with nothing...”

Chen Ping shook his head slightly and sneered, and the Heart Condensation Technique in his dantian immediately began to operate rapidly!

The huge suction force instantly sucked back the lost spiritual energy!

The Xuanyue Valley left patrol envoy was feeling proud when he suddenly discovered that the spiritual energy in his body began to drain out. He was shocked and turned pale. When he looked at Chen Pingping, his eyes were full of disbelief!

“How could this happen?” Xuanyue Valley’s left patrolman used his magic to its full potential, but the huge suction force on the opposite side was like a vast sea. No matter how hard he struggled, he couldn’t resist it!

“No, no, stop...”

The left patrol envoy of Xuanyue Valley felt that all the spiritual energy in his body was being sucked away!

“Why stop? Such good training resources are rare for me. Since you have brought them to me, how can I not accept the gift?”

Chen Ping sneered, and the Condensing Heart Technique speeded up again!

“ah.....”

The left patrolman of Xuanyue Valley screamed, and then his whole body began to age at a speed visible to the naked eye.

In the end, Xuanyue Valley’s left patrol envoy turned into a withered corpse. Chen Ping stopped, and the body of Xuanyue Valley’s left patrol envoy fell directly to the ground!

Looking at the left patrol officer of Xuanyue Valley who was turned into a mummy on the ground, Li Shouyi, the master of the Dharma Protector Pavilion, was suddenly shocked. He had never seen such a situation before. At this time, his eyes widened and he finally understood why he was in Hong Kong. In the city, both Gu Wentian and Mayor Ling Zhenchuan were so respectful to Chen Ping!

This is simply an immortal method. Even the master of Nei Jin has never been able to achieve this step. At this time, Li Shouyi suddenly had a bold idea in his heart!

Chen Ping’s body instantly arrived in front of Lin Tianhu and Chifeng. With a wave of his hand, a ball of spiritual energy instantly enveloped the two of them. The two of them felt their bodies relaxed, the pain in their bodies disappeared, and then they felt that their whole bodies were full of strength!

“Thank you Mr. Chen...”

Chi Feng and Lin Tianhu were overjoyed and followed Chen Ping to say thank you!

Chen Ping did not speak, but glanced at the corpses on the ground. These people all died to protect him.

Chen Ping's eyes burst with murderous intent, he looked to the southwest, and said in a cold voice:
"Xuanyue Valley, I will definitely let you repay this blood debt..."

Qian Feng, the owner of Xuanyue Valley, who was thousands of kilometers away, was sitting on a chair, opening the black clay pot next to him and feeding the Gu worms inside. Suddenly his body shook and his brows furrowed tightly. .

At this moment, a Gu insect seemed to be stimulated. It rushed up and bit Qian Feng's finger. A drop of blood fell into the pottery pot and was sucked clean by the Gu insects in an instant!

Chapter: 603

And the Gu insect that bit Qian Feng, after twisting its body violently a few times, it stopped moving in an instant and died!

"Dead again?"

Qian Feng was stunned and looked in the direction of Jiangbei with a gloomy face: "Jiangbei is going to change!"

After Qian Feng finished speaking, a black mist instantly enveloped his body, and the next second his body disappeared!

At this time, outside the Jiang family villa, Chifeng had sent people to clean up the scene. However, after so many men died, Chifeng was in a bad mood!

"Lin Tianhu, you go and relax with Chi Feng, and I'll go see Yu Qi and the others!"

Chen Ping has been practicing for several days, but he has not seen Su Yuqi these days because he is afraid that Su Yuqi will worry about him!

“Yes!” Lin Tianhu nodded: “Mr. Chen, during the past few days of your retreat, the owner of the Iron Gate Pavilion and the head of the Wu family have come here, especially the owner of the Iron Gate Pavilion, who comes almost every day!”

“Well, I understand!” Chen Ping knew that the owner of the Iron Gate Hall must have come to apologize, for fear that he would hold a grudge against the Iron Gate Hall!

Chi Feng and Lin Tianhu left, and Li Shouyi, who had been standing aside, walked up to Chen Ping at this time!

“Pavilion Master Li, I would like to thank you for your help this time!”

Chen Ping said to Li Shouyi.

Li Shouyi’s face turned red and he was full of embarrassment!

He didn’t help with anything when he came here. He just stood aside. His Dharma Protector Pavilion men didn’t even get a scratch on their skin.

“Mr. Chen, I’m ashamed, I’m ashamed, I actually didn’t do anything!” Li Shouyi said awkwardly, and his name for Chen Ping changed!

“If you can come here, you will be helping me!”

Chen Ping didn’t blame Li Shouyi for not taking action. After all, facing a warlock like Xuanyue Valley’s Left Patrol Envoy, Li Shouyi’s action with the Guardian Pavilion was in vain!

“Mr. Chen, I have an immature idea. I hope Mr. Chen can join the Dharma Protector Pavilion. When the time comes, I will definitely arrange a position for Mr. Chen as deputy pavilion master!”

Li Shouyi planned to drag Chen Ping into the Protector Pavilion. If someone like Chen Ping was in charge of the Protector Pavilion, the status of the Protector Pavilion would be greatly improved in the future. Even those martial arts families would not dare to look down on the Protector Pavilion!

“I still have a lot of things to do, thank you Pavilion Master Li for your kindness!”

Chen Ping shook his head. He would not join the Dharma Protector Pavilion. After all, this kind of official organization has too many rules!

“Mr. Chen, if you think your position is low, I can give you the position of Pavilion Master. I will be the Deputy Pavilion Master and assist you on the side...”

Li Shouyi said hurriedly.

Chen Ping shook his head: “Pavilion Master Li misunderstood. I do have a lot of private matters to deal with and I can’t join your Dharma Protector Pavilion. However, if Pavilion Master Li needs help with anything, I can help!”

Chapter: 604

When Li Shouyi heard this, he immediately felt happy: “Thank you in advance, Mr. Chen. If you use my Dharma Protector Pavilion, I will be obliged to do so!”

After chatting with Li Shouyi for a while, Chen Ping left and went directly to Gu Ling’er’s residence!

During the past few days of his retreat, Su Yuqi has been living with Gu Ling’er!

After arriving at the place, Chen Ping found that the door was locked and the two people were not at home, so he made a phone call. After knowing the location of the two people, Chen Ping went directly to find them!

It turns out that Gu Ling’er and Su Yuqi have been shopping every day these past few days, and today is no exception. They are wandering around a market!

“Chen Ping...”

After Su Yuqi saw Chen Ping, she waved vigorously!

Chen Ping hurried over, picked up Su Yuqi, and spun her around!

“If you two keep throwing shit in front of me, I’ll leave!”

Gu Ling’er rolled her eyes at the side!

“You should also find a boyfriend, so that you can spread your shit!”

Su Yuqi said with a smile.

“Hmph, I’m not looking for them. They’re just rough guys. It would be okay if I could find someone like Chen Ping!”

Gu Linger blurted out.

After Gu Ling’er finished speaking, she felt that she had said something wrong, and her face turned red. Unknowingly, she had regarded Chen Ping as her standard for men.

Seeing Gu Ling’er blushing, Su Yuqi chuckled and said, “If you like him so much, can’t we both be his girlfriends?”

When Gu Ling’er heard this, her face turned even redder and she glared at Su Yuqi: “Stop talking nonsense, I won’t make him look so beautiful!”

Listening to Su Yuqi’s words, Chen Ping felt speechless for a while and could only smile bitterly!

“Why are you laughing? I was just joking, you won’t take it seriously, right?”

Seeing Chen Ping smiling, Su Yuqi asked Chen Ping directly.

“I listen to you...” Chen Ping did not answer Su Yuqi’s words directly, but cleverly avoided it, which made Su Yuqi very satisfied!

Sure enough, after hearing what Chen Ping said, Su Yuqi smiled with satisfaction and said, “Let’s go, I’ll take you for a walk...”

The three of them were strolling around the market. Because they had never visited a market in a provincial capital, Chen Ping felt a little bit new. The market was very big, with everything sold there, and there were also places to play!

Just when three people walked to a street corner, they saw a group of people gathered around, each one yelling loudly and not knowing what they were doing!

Chapter: 605

“What is that for? Let’s go over and see...”

Su Yuqi curiously pulled Chen Ping over.

“Those are stone gamblers. They act like this every day. I really don’t understand what these men are yelling at a pile of broken stones all day long!”

Gu Ling’er said very puzzled.

Chen Ping was not curious at first, but when he heard Gu Ling’er talk about gambling on stones, he immediately became interested. Maybe he could select a few pieces of jade and make some jewelry for Su Yuqi.

“This pile of stones has the same status in the eyes of these men as high-end cosmetics in the eyes of you women...”

Chen Ping smiled lightly and walked over!

“Holy crap, Imperial Green, Imperial Green is out...”

Before Chen Ping and the others arrived, they heard a burst of cheers from the crowd!

“Hahaha, I’m rich, I’m rich...”

Immediately afterwards, someone was heard laughing crazily. It was obvious that this person bought the stone.

But when Chen Ping heard this voice, he frowned slightly, it seemed very familiar!

Gu Ling’er on the side had a cold face: “Gu Feng, that bastard, actually came to gamble on stones...”

After saying that, Gu Ling’er rushed towards the crowd angrily!

Chen Ping also immediately remembered that this voice was the voice of Gu Ling’er’s younger brother Gu Feng!

As soon as Chen Ping and the others walked up to them, they saw Gu Feng holding a stone, laughing crazily, jumping up and down, and they were so happy!

“Master Gu, I’m so sorry, this stone is not yours, you can’t take it away!”

At this time, a middle-aged man walked over and wanted to take away the stone from Gu Feng’s hand!

How could Gufeng give it to him? He immediately hugged the stone to his body and said, “Why isn’t it mine? I bought this. Do you want to regret it after you opened it in imperial green?”

The middle-aged man smiled lightly and said: "Master Gu, if you bought the stone, did you pay for it?"

"I gave you money, but I gave you a deposit of 100,000 yuan!" Gu Feng said loudly.

"Hahaha, who doesn't know the rules of the stone gambling world? You pay a deposit and the stone is yours. Isn't this a dream?" The middle-aged man said with a bit of disdain on his face!

"Boss Cui, how can you say that? In the past few times, I paid a deposit and opened the stone. At that time, all the stones were opened. I didn't see you talking about the money and the goods. I was behind the scenes. The remaining payment will be collected for you."

Gu Feng became a little anxious and asked with an angry look: "This time the imperial green is offered. You tell me that you have money and goods. Isn't this a clear way to trick me?"

Chapter: 606

"Tricked you? This is the rule of the stone gambling world. Where did I trick you? Hand over the stone, otherwise you will never leave!"

After Boss Cui finished speaking, three big men immediately surrounded Gu Feng!

Gu Feng was timid and turned pale with fright. However, facing a priceless treasure like the Imperial Green, he still didn't want to hand it over, so he hugged the stone tightly and said: "Boss Cui, my sister is a member of the Dharma Protector Pavilion. How dare you touch it?" I, my sister can't spare you!"

"What can the people in the Dharma Protector Pavilion do? The people in the Dharma Protector Pavilion must also follow the rules..."

Boss Cui smiled coldly.

Gu Feng held the stone and refused to let go. Boss Cui waved his hand and was about to let others grab it. Gu Ling'er rushed forward with a quick step and knocked down the three big men with three punches and two kicks.

“Sister...” Seeing Gu Ling’er coming, Gu Feng instantly became excited!

Boss Cui’s face turned cold: “Miss Gu, as a member of the Dharma Protector Pavilion, how can you hurt people? Are you trying to oppress the people?”

“You hit my brother, how could I not do it? Even if I hit you, it’s self-defense...”

Gu Ling’er glared at Boss Cui and said.

“Miss Gu, you must have evidence when you speak. Which of your eyes saw me beating your brother? Besides, your brother took my stone and refused to return it. This is robbing other people’s property. You, a person from the Dharma Protector Pavilion, don’t care about it?”

Boss Cui was not afraid of Gu Ling’er at all and asked with a sneer.

“Sister, don’t listen to his nonsense. I bought this stone, and I spent money...”

Gu Feng hurriedly followed Gu Ling’er to explain!

“Shut up!” Gu Ling’er angrily shouted at Gu Feng: “I’ll take care of you when I get home!”

When Gu Feng saw that Gu Ling’er was really angry, he clutched the stone with both hands and lowered his head, not daring to speak anymore!

“Boss Cui, I heard what you just said. In the past, my brother could pay a deposit to open the stone with you. Now that the goods are out, you say you can’t. Is this obviously a trap for my brother?”

Gu Ling’er is not stupid, she can see that this is a trap set by the owner of the stone gambling shop for Gu Feng.

“Miss Gu, you must be responsible for what you say. We are all serious businessmen. Besides, there are so many folks here. The rule in our stone gambling world is that one hand has money and one hand goods. I used to let him drive because I felt sorry for him. Isn't it okay if I don't sell like this today? Is it illegal?”

Boss Cui saw Gu Ling'er being aggressive, and Gu Ling'er was speechless for a moment!

“Give him the stone...”

At this time, Chen Ping and Su Yuqi also squeezed in from the crowd!

“Brother-in-law...” Gufeng's eyes lit up when he saw Chen Ping: “Brother-in-law, this is imperial green, worth at least several million, how can you return it to them?”

Gu Feng's name “brother-in-law” frightened Gu Ling'er and Chen Ping. This was in front of Su Yuqi, how could Gu Feng scream so randomly!

Chapter: 607

Su Yuqi was stunned and looked at Chen Ping and then Gu Ling'er, her face full of questions!

“Gu Feng, you bastard, how many times have I told you that Chen Ping and I have nothing to do with each other. He is not your brother-in-law. Why are you still barking nonsense? Chen Ping's girlfriend is your sister Yu Qi. She is me. classmates...”

Gu Ling'er's face turned red with embarrassment and she cursed loudly at Gu Feng!

Gu Feng was stunned, and then he realized that Chen Ping and Su Yuqi were holding hands. It turned out that Chen Ping was really not his sister's boyfriend, but he had misunderstood!

Although Gu Feng felt a little disappointed, he couldn't scream at this time, so he rolled his eyes and hurriedly explained: “What's wrong with calling me brother-in-law? He is my sister Yuqi's boyfriend, so I can't call him brother-in-law. ?Am I right, Sister Yuqi?”

Gu Feng met Su Yuqi for the first time, but like an old acquaintance, they called each other very close to each other!

Gu Ling'er was confused by Gu Feng, while Chen Ping had a flash of admiration in his eyes. Although Gu Feng was timid and timid, his reaction ability was really fast!

Su Yuqi was also filled with joy when she was called by Gu Feng, and asked Gu Ling'er: "Ling'er, is this the naughty brother you often talk about in school?"

Gu Ling'er nodded and couldn't help but glared at Gu Feng!

"Sister Yuqi, you have to make the decision for me. I paid for this stone. They are obviously trying to trick me..."

Gu Feng knew that Chen Ping's strength was extraordinary. If he could establish a relationship with Chifengtang, he would definitely not be an ordinary person.

That's why he let Su Yuqi make the decision for him. As long as Su Yuqi speaks, can Chen Ping not be obedient? You know in today's society, men always listen to women!

Su Yuqi glanced at Chen Ping: "Chen Ping, help him!"

"Gu Feng, return the stone to them. Since there are rules, then do things according to the rules..."

Chen Ping said to Gu Feng.

"Brother-in-law, this is imperial green, worth millions..." Gu Feng looked anxious and winked at Chen Ping desperately. He thought Chen Ping didn't know what imperial green was!

"Give it to them, this stone is worthless..."

Chen Ping said again.

Gu Feng wanted to say something else, but Gu Ling'er spoke angrily: "If you don't give it to me yet, you pig-brained person deserves to be tricked and your memory will be lost!"

Gu Feng looked helpless, gritted his teeth in the end, and could only throw the stone to Boss Cui, then lowered his head with a look of decadence!

"I told you, this stone is not valuable. It just has a very thin layer of imperial green. If you cut it into pieces, there will be nothing inside!"

Chen Ping patted Gu Feng on the shoulder and persuaded him.

"Really?" Gu Feng raised his head and asked with a look of surprise.

If that's the case, then the stone is worthless and you won't lose anything!

Chapter: 608

"Of course it's true!" Chen Ping smiled lightly.

Boss Cui also heard Chen Ping's words and sneered: "I have been playing stone gambling for decades, but my vision is not as good as yours, a kid in his early twenties. With such a color, you can get at least three pieces of material!"

"If you don't believe it, you can cut it again and see!" Chen Ping said to Boss Cui.

When the people around him heard this, they immediately became interested and shouted: "Let's take another stab at it!"

"Okay, then I'll make a cut!"

As Boss Cui said, he gave the stone to his men, who then skillfully cut the stone again.

But after cutting it, there was nothing inside, not even a hint of green.

At this moment, everyone was stunned. Boss Cui also widened his eyes and couldn't believe it!

"Keep cutting..."

Boss Cui yelled at his men.

Soon, I cut again, but still nothing.

In the end, the whole stone was cut into thin slices. As a result, there was only a thin layer of imperial green, and no material could come out. It was just a waste, worthless!

At this time, Boss Cui was dumbfounded, and everyone around him looked at Chen Ping in shock!

"Hahaha, it's great, it's so great. Please return the deposit to me quickly..."

Gu Feng laughed excitedly. If Chen Ping hadn't come, he would have suffered miserably again this time.

Boss Cui glared at Chen Ping fiercely, then looked at Gu Feng and said: "The rules of our store are that the deposit is not refundable, you can pick a stone inside!"

"I don't want it anymore. I can't trust your store now. Please refund me the deposit..."

Gufeng no longer wants to gamble on stones at their house!

"I said, the deposit will not be refunded. Either you pick a rough stone or leave..."

Boss Cui said with a domineering look.

“You...” Gu Feng was about to get angry, but was stopped by Chen Ping!

“With these 100,000 yuan, can I randomly choose rough stones?” Chen Ping asked.

“Of course, you can take your pick from this pile!” Boss Cui said, pointing to a pile of rough stones behind him.

Chen Ping glanced at the rough stones and shook his head secretly, because there was no imperial green at all, not even ice seeds.

Chapter: 609

But when Chen Ping’s eyes glanced at the messy pile of stones in his pocket, his body shook slightly!

“Can you just pick the rocks over there?” Chen Ping asked, pointing to the pile of messy rocks.

“Those are all opened waste rocks. If you want to choose, it’s 10,000 yuan a piece. You can choose whatever you want...”

Boss Cui took a look and said.

“Brother-in-law, those are just waste rocks that have been dug up, there won’t be anything good in them.”

Gu Feng hurriedly persuaded Chen Ping.

These stones have all been opened, but they are only opened once and then not opened. They are directly bought back by the stone gambling shop. The price is quite cheap. If a stone has been opened three or four times, there will be no residue. The value is gone!

Chen Ping ignored Gu Feng and walked over directly to pick it up from the pile of rubble!

Soon, Chen Ping picked out ten pieces of waste stone. Looking at the stones that had been cut, Gu Feng sighed, feeling that one hundred thousand yuan was wasted.

But considering that Chen Ping also gave him the money, Gu Feng couldn't say anything. Now if he makes Chen Ping happy, he might be able to give himself money. After all, Chen Ping has money!

"That's all, let's drive!"

Chen Ping threw the stone in front of Boss Cui and said.

Boss Cui looked at the pile of rubble in front of him and sneered: "We have agreed that if we can't open anything, we will not return it. Don't tell me later that I cheated you and ruined the reputation of my store!"

"Stop talking nonsense and drive quickly!" Chen Ping said coldly!

Boss Cui ordered to his men: "Open!"

Soon, a piece of waste stone was put into the machine, and then under the cutting blade, the waste stone was cut bit by bit!

"Ice seed stone is ice seed..."

Someone with sharp eyes immediately shouted out!

Sure enough, after the stone was opened, there was crystal clear ice seed stone inside!

"Hahaha, ice seed stone, now we won't lose..."

When Gu Feng saw it, he immediately laughed.

Although the ice seed stone is not very valuable, it can still be sold for one hundred thousand or two hundred thousand. In this way, they will not lose money!

“I didn’t expect you were so lucky. A blind cat meets a dead mouse...”

Boss Cui snorted coldly.

Chapter: 610

Chen Ping just smiled and said nothing, waiting to open other waste stones!

Soon, another piece of waste rock was opened, and it turned out to be another ice seed stone!

Then the third and fourth pieces were all filled with ice stones. This time everyone was dumbfounded, and Boss Cui couldn’t help but look at Chen Ping twice!

Gu Feng excitedly held the bag to put the opened stones, and urged Boss Cui: “Hurry up, don’t grind!”

When the fifth piece of waste rock was opened, everyone was stunned by a burst of dazzling green light!

Even Boss Cui was stunned on the spot!

Gu Feng was stunned for a moment, then jumped up like a madman: “Emperor Green, this is Emperor Green...”

After being shocked, everyone couldn’t help but start talking!

“Who is this kid? I’m so lucky. I can get imperial green from the scraps...”

“It’s not just good luck, it’s just an explosion of luck!”

“Shut up, this young man is obviously an expert. It’s not just luck!”

Everyone was talking, and Boss Cui’s face had become very ugly!

“Don’t be stunned, open it for us quickly...”

Gu Feng said to Boss Cui.

“We won’t sell it anymore. We won’t sell the remaining stones. I will refund the money to you...”

Boss Cui collected the remaining stones himself!

Chen Ping stepped forward and grabbed Boss Cui’s wrist: “I don’t want money, I just want stones. This is money and goods, how can you regret it?”

“Yes, how can you regret it? So many people are watching!”

Gu Feng also stepped forward and grabbed Boss Cui and said.

“Hmph, do you know whose shop this is? Do you dare to touch me here?”

Boss Cui snorted coldly, and instantly rushed out of a dozen big men. It turned out that these people were all practitioners.

“What do you want to do? Do you think I don’t exist?” When Gu Ling’er saw this, he became furious!

After all, she was also a member of the Dharma Protector Pavilion, but these people actually ignored her!

“Don’t say it’s you, even if your pavilion master comes, I’m not afraid. This is a shop owned by Master Wu. Do you dare to cause trouble?”
