

## **The Order 6011**

Chapter: 6011

“Although you guys are not pure, it’s still better than nothing...”

Chen Ping sneered, and all the flames were absorbed by him. At this moment, Chen Ping became a burning man!

When the three bearded monks saw this, they were all stunned. They didn’t understand what Chen Ping was doing. How could he not dodge? Instead, he drew the flames towards himself!

Even Divine Doctor Liu was stunned. The dragon that turned into black mist stopped instantly and kept circling above Chen Ping’s head without launching an attack!

At this moment, Chen Ping’s whole body was covered in flames and he couldn’t attack anymore!

In just a moment, the ultimate fire on Chen Ping’s body disappeared, and a line of red fireworks continued to surround Chen Ping’s body!

The aura of the supreme fire of the demon race is constantly filling the air, and Chen Ping, surrounded by the supreme fire, is like a supreme fire demon!

“Demon Ultimate Fire? Such pure Ultimate Fire breath, how can you have our Demon Ultimate Fire?”

The bearded monk’s face was full of shock.

“I told you, you are too young to play with fire! Since you like to play with fire, let me give you a taste of the true fire of the demon clan.”

After Chen Ping said that, a ball of flame suddenly appeared on his palm!

The beating flames seemed to have life, and kept dancing!

A wave of heat rushed out, followed by a suffocating feeling!

The smell of this flame alone made the bearded man and others look frightened!

They have never felt this kind of pure fire breath, not even from their master!

“Are you also a demon cultivator, a pure flame demon?”

The bearded monk asked with his body trembling!

“Huh, who is the Balrog...”

Chen Ping snorted coldly, and then the flame in his hand erupted into a wave of heat again!

But this time, the aura was even stronger. It wasn't just the aura of the demonic supreme fire, it was the aura of several supreme fires mixed together!

This breath is the real breath of the fire element in Chen Ping's body.

“This is.....”

The bearded monk's eyes widened and he said in horror: “The aura of the origin, you...you actually have the origin of fire...”

As the bearded monk said the words “fire element origin”, the other two monks were stunned!

Chapter: 6012

Chen Ping is only in the second level of the Tribulation Realm, how can he possess the Origin?

And it's also the origin of fire!

The bearded monk looked at Chen Ping's disdainful look and felt deep regret in his heart!

He regretted coming to Chen Ping!

The Demon Sealing Alliance is the largest alliance organization in the entire heaven and human world!

There are countless masters in the Demon-Sealing Alliance. Since the Demon-Sealing Alliance has issued a killing order with a hundred-year tribute, it proves that Chen Ping is definitely not simple!

Just a few of them actually wanted to kill Chen Ping and get the hundred-year tribute from the Demon Sealing Alliance. It was really a daydream!

Now that the Demon Sealing Alliance's hundred-year offering has not been obtained, they are about to die!

"We...we were also deceived. It's not that we want to kill you, it's him...it's him who wants to kill you..."

The bearded monk suddenly pointed at Divine Doctor Liu and said!

It seems that he wants to transfer Chen Ping's murderous intention to that Divine Doctor Liu so that he can let them go!

Divine Doctor Liu was stunned and looked at the bearded monk in disbelief!

He never imagined that he would be stabbed in the back by this bearded monk!

“What nonsense are you talking about? You are obviously coveting the hundred-year tribute from the Demon Sealing Alliance, so why are you pushing it on me again?”

Divine Doctor Liu was also anxious and said with eyes wide open!

“No need to argue, you all deserve to die anyway...”

After Chen Ping finished speaking, the flame in his hand suddenly turned into a sea of fire, instantly surrounding the three bearded men!

“ah.....”

A shrill scream sounded!

Although the three bearded men are demon cultivators of the flame demon lineage and should not be afraid of fire, Chen Ping’s flames are beyond their ability to withstand!

Soon, the three bearded men fell to the ground without making any sound. Chen Ping suddenly opened his mouth and inhaled, and three balls of death air flew from the three bearded men into Chen Ping’s body!

Chen Ping then looked at Divine Doctor Liu, his eyes cold and ruthless. Chen Ping’s eyes were like steel knives, piercing deeply into Divine Doctor Liu’s heart!

Divine Doctor Liu was scared, and even the black dragon he activated dissipated into a black mist and floated away in an instant!

None of the three bearded men are Chen Ping’s opponents, so how could he himself be Chen Ping’s opponent!

Chapter: 6013

Doctor Liu’s mind was spinning rapidly. He wanted to think of a way to survive!

“You... don’t kill me. I have a lot of precious fairy grass and various resources with me. I can give them to you!”

As Doctor Liu spoke, he kept taking out various fairy herbs from his storage bag!

The depths of Tianmo Mountain are uninhabited and the environment is very harsh, so many fairy grasses grow here and can survive for many years!

If no one picks them, these fairy grasses will keep growing!

You must know that the older the grass jelly is, the higher its value is!

Chen Ping looked at the fairy herbs that Divine Doctor Liu took out and put them into his storage ring without any ceremony!

Seeing Chen Ping collect his things, Doctor Liu secretly breathed a sigh of relief!

“I’ve given you everything, so I won’t bother you anymore...”

After saying that, Divine Doctor Liu slowly backed away, planning to turn around and leave!

“Did I let you go?”

Chen Ping said coldly!

Divine Doctor Liu felt unwell for a while, and then said with a sad face: “I...I gave you everything. If you feel it’s not enough, I can go back to the mansion and send you another batch.”

“You seem to have something on you that you haven’t taken out, right?”

Chen Ping asked slowly!

“No, it’s on me...”

Before Doctor Liu could finish speaking, he was suddenly stunned. He seemed to know what Chen Ping was talking about!

Chen Ping must be referring to the magic dragon ginseng that day!

The magic dragon ginseng is a precious thing today, and Doctor Liu doesn’t want to take it out!

But in this situation, there is nothing he can do!

I saw Divine Doctor Liu slowly reaching into his arms, and then took out the Heavenly Demon Dragon Ginseng!

“This is the Heavenly Demonic Dragon Ginseng. With this thing, your strength will increase by leaps and bounds.”

After saying that, Divine Doctor Liu handed over the Heavenly Demonic Dragon Ginseng!

Chen Ping took the Demon Dragon Ginseng and threw it into the storage ring without even looking at it!

Chapter: 6014

“Okay, now you can die...”

After Chen Ping finished speaking, a ray of light suddenly flashed past!

“you.....”

Doctor Liu was shocked, but before he could say anything, his head flew out instantly!

Immediately afterwards, a wisp of death air emerged from the broken neck and was sucked into Chen Ping's stomach!

"Is Mr. Chen in danger?"

Jiang Yulian, who had already left, was very worried about Chen Ping!

"We're not leaving. Let's wait and see. If Mr. Chen fails to catch up, we'll go back and have a look!"

Sect Master Jiang waved his hand and made several people stop!

After all, Chen Ping is also his savior. If he watches Chen Ping in danger but remains indifferent and refuses to save him, Sect Master Jiang will be in trouble for the rest of his life!

"Master, let's go. Even if we go back now, Mr. Chen will probably have been captured or killed long ago."

Zheng Jian saw that his master was going back to save Chen Ping and said quickly!

"Sect Leader Jiang, Yulian, don't worry, Mr. Chen will be fine. A few sixth-grade demon cultivators in the Tribulation Realm can't do anything to Mr. Chen."

"Furthermore, I also discovered that those demon cultivators are all of the Flame Demon lineage, so they pose no threat to Mr. Chen."

Zhe Yan was not worried about Chen Ping at all, and even comforted Sect Master Jiang and Jiang Yulian!

Moreover, Zhe Yan called Yu Lian directly and acted very close to Jiang Yu Lian, which made Zheng Jian on the side grit his teeth!

“Brother Yan, why are you so confident in Mr. Chen? Mr. Chen is only a second-level cultivator in the Tribulation Realm. Even if he is extremely talented and can fight beyond the level, he still faces several sixth-level Tribulation Realm cultivators. It’s not dangerous at all, is it?”

Jiang Yulian asked!

“I have been following Mr. Chen for a while. His true strength is beyond imagination. Even if Mr. Chen really cannot defeat those demon cultivators, he will be able to save the day in a critical moment.”

Zhe Yan smiled slightly, but then said in deep thought: “But how did Divine Doctor Liu and others discover Mr. Chen’s identity? Logically speaking, Mr. Chen has changed his appearance and hidden his aura, so he will not be discovered.”

“And when they met for the first time, Divine Doctor Liu and the others didn’t seem to have discovered Mr. Chen’s identity, but the second time they clearly set up a magic circle, waiting for Mr. Chen to take the bait. It’s really strange...”

After Zhe Yan finished speaking, he looked at Zheng Jian!

“Could it be that Divine Doctor Liu and others discovered Mr. Chen’s identity when they first met, but they just pretended not to know, then deliberately left, ran to the front to set up a formation, and waited for Mr. Chen to surrender. Where is the snare?”

Jiang Yulian analyzed!

Chapter: 6015

After all, it was impossible for her to suspect Zheng Jian. After all, the two had known each other for so many years, not to mention that Zheng Jian had no reason to betray Chen Ping!

“Yes, Junior Sister’s analysis is correct. Divine Doctor Liu and others must have discovered it a long time ago and are just pretending not to know!”

Zheng Jian originally wanted to find some excuse to excuse himself, but now Jiang Yulian has spoken!

“Don’t worry about how Liu discovered Mr. Chen’s identity. The top priority is whether Mr. Chen can escape!”

Sect Leader Jiang frowned slightly and kept looking in the direction he came from. He very much hoped that Chen Ping would suddenly appear safely!

“Sect Master Jiang, I’m really sorry for making you worry...”

Just as Sect Leader Jiang finished speaking, Chen Ping’s figure suddenly appeared in front of them!

It’s like it appeared out of thin air.

This is Chen Ping’s fire-bending step. Although he can’t move a hundred miles in one step, it is still possible to take one step and appear several miles away in an instant!

“Mr. Chen, are you okay?”

Sect Leader Jiang asked excitedly when he saw Chen Ping!

“I’m fine. A few demon cultivators still want to kill me. It’s a joke to ask the Demon Sealing Alliance to receive the reward.”

Chen Ping smiled lightly, then took out the Heavenly Demon Dragon Ginseng: “Not only am I fine, I also got back the Heavenly Demon Dragon Ginseng that you were deceived by that Divine Doctor Liu. Now return it to its original owner!”

Although Chen Ping knew that the Heavenly Demon Dragon Ginseng was a good thing, the Heavenly Demon Dragon Ginseng was obtained by the Soul Demon Sect with the lives of more than a dozen disciples. He could not keep it privately!

“Mr. Chen, since you brought back the Heavenly Demonic Dragon Ginseng, just put it away yourself. This thing is of no use to us.”

Sect Leader Jiang did not go to pick up the Demonic Dragon Ginseng that day!

“Sect Leader Jiang, after all, your Soul Demon Sect disciples paid for this Heavenly Demonic Dragon Ginseng with their lives. You should take it back.”

Chen Ping shirks it!

“Mr. Chen, you saved my life. This kindness cannot be compared to that of a Heavenly Demon Dragon Ginseng. You’d better put it away!”

Sect Leader Jiang declined!

When Chen Ping saw this, he stopped saying anything and put away the Demonic Dragon Ginseng!

At this time, Zheng Jian, looking at Chen Ping who was unharmed, felt extremely nervous. He didn’t know what Divine Doctor Liu and others would say to Chen Ping!

If he tells the truth about his informant, he will be finished and he will never have to stay in the Soul Demon Sect again!

And with the character of his master, his life might not be saved!

Chapter: 6016

“Mr. Chen, then... didn’t Divine Doctor Liu and others tell you how they discovered your identity?”

Zheng Jian asked Chen Ping tentatively!

Chen Ping glanced at Zheng Jian, nodded and said, “I told you...”

Upon hearing this and seeing Chen Ping staring at him, Zheng Jian suddenly broke out in cold sweat on his forehead!

“Mr. Chen, what did they say?”

Jiang Yulian asked. She was also curious about how Doctor Liu and others discovered Chen Ping’s identity!

Zheng Jian’s heart tightened, and then his eyes began to dodge a little, and he was already thinking about how to beg for mercy!

“Among those demon cultivators, some of them had seen me take action before and were familiar with my aura, so they discovered it.”

Chen Ping explained!

“That’s it!” Jiang Yulian nodded!

When Zheng Jian heard this, he suddenly felt relieved and let out a long breath!

“Mr. Chen, since everything is fine, let’s set off quickly. The Demon Gate is ahead of us!”

Sect Leader Jiang said!

Chen Ping nodded slightly, then patted Zheng Jian on the shoulder and said, “Fellow Daoist Zheng, it’s time for us to set off. You won’t have a stomachache this time, right?”

Zheng Jian was stunned for a moment, then smiled awkwardly and said: “No, not anymore...”

In fact, Chen Ping didn't know that Zheng Jian had leaked his identity, but after listening to the conversation between Divine Doctor Liu and others, Chen Ping had some guesses in his mind!

.....

Heavenly Demon Gate!

Zeng Nianan was sitting on the chair of his master, looking extremely decadent!

If the Heavenly Demon Sect's intensive skills cannot be extracted, their Heavenly Demon Sect will really be disbanded, and then the Heavenly Demon Sect, which has stood for thousands of years, will disappear in the long river of history!

As time goes by, I don't know how many sects and families have disappeared, but very few of them collapsed because the entire sect's skills were sealed and could not be taken out!

Their Heavenly Demon Sect was considered to be the first of its kind. When he thought of the scene when he offended that master, Zeng Nian'an wanted to give himself a few words!

"Master, someone just entered the cave and hasn't come out yet. Maybe it can happen this time!"

At this time, the elder of the Tianmo Sect walked into the hall and said to Zeng Nianan!

Chapter: 6017

"What?" Zeng Nianan stood up suddenly, and then asked: "How long have you been in there?"

"It's been about a stick of incense, and no one has ever been able to survive for such a long time after entering the cave!"

The elder said!

“Quick, take me to see, maybe this is an expert!”

Zeng Nianan hurriedly walked out of the hall!

For such a long time, no one has entered the cave and stayed for such a long time. Many of them were knocked out by the restrictions inside as soon as they walked in!

Now there are people who have not come out even after going in for a stick of incense, so there is hope!

But just as Zeng Nian'an walked to the door of the hall, a disciple of the Tianmo Sect came to report: “Sect Master, Sect Master Jiang from the Soul Demon Sect wants to see you...”

“Sect Leader Jiang of the Soul Demon Sect? What is he doing here?”

Zeng Nian'an was stunned, but still stopped and said: “Please come in, Master Jiang...”

After saying that, Zeng Nian'an turned around and sat back again, and then said to the elder: “You go to the cave entrance to guard it first, I will be there soon!”

The elder nodded, then turned and left!

Soon, Sect Leader Jiang led Chen Ping and the others into the hall!

“Master Zeng, I have taken the liberty of visiting. It is really disturbing...”

As soon as Sect Master Jiang entered the door, he said politely!

“Sect Leader Jiang is here. It's too late for me to be happy. Why bother? Please take a seat...”

Zeng Nian'an personally greeted Sect Leader Jiang to sit down!

Then he ordered someone to serve top-quality spiritual tea. This shows that Zeng Nian'an still respects Sect Master Jiang!

"Master Zeng, I came to Tianmo Sect this time because I have something I want to ask Master Zeng for help!"

Sect Master Jiang said after taking a sip of tea!

"Sect Master Jiang, you once helped my Heavenly Demon Sect and allowed many of my disciples to reshape their bodies and come back to life. If you have any questions, just ask!"

"As long as I can do it, I will never shirk it. It doesn't matter if I go up to the mountain of swords or to the sea of fire."

Zeng Nianan patted his chest and said!

Seeing what Zeng Nian'an said, Sect Master Jiang felt relieved, so he said, "Sect Master Zeng, I want to get a Heavenly Demon Stone from your Heavenly Demon Sect. I have a friend who needs to reshape his body and needs the Heavenly Demon Stone!"

Chapter: 6018

"You want the magic stone?"

When Zeng Nian'an heard this, his face suddenly turned ugly!

Seeing this, Sect Leader Jiang hurriedly said: "Master Zeng, although the Heavenly Demon Stone is extremely rare, to your Heavenly Demon Sect, a Heavenly Demon Stone should be nothing, right?"

"Sect Master Jiang, it's not that I'm stingy and won't give you the Heavenly Demon Stone, but my Heavenly Demon Sect only has one Heavenly Demon Stone at the moment."

“You also know what happened to our Heavenly Demon Sect half a year ago. In fact, after that incident, almost all the Heavenly Demon Stones in our Heavenly Demon Sect were taken away, except for one!”

Zeng Nian’an said helplessly!

“ah.....”

When Sect Leader Jiang heard this, he was immediately shocked!

If the Heavenly Demon Sect only had one Heavenly Demon Stone left, it would definitely be impossible to give it to them!

“Sect Leader Zeng, I heard that your Heavenly Demon Sect’s intensive skills have been tabooed. If anyone can bring out your Heavenly Demon Sect’s intensive skills, you will give them the Heavenly Demon Stone as a gift?”

At this time Chen Ping asked!

Zeng Nian’an turned to look at Chen Ping. At this moment, Chen Ping had changed his appearance and turned into a middle-aged man with beard again!

“Master Zeng, this is a friend of mine named Cheng. It is he who needs the Heavenly Demon Stone!”

Sect Master Jiang quickly introduced!

When Zeng Nian’an heard this, he nodded and said: “You are right. If you can get the intensive skills of our Heavenly Demon Sect, I can give you the last Heavenly Demon Stone!”

“Well, please ask Master Zeng to take me to the forbidden place. If I can show you the intensive technique, I hope that Master Zeng will keep his word. If I can’t show it, we will turn around and leave!”

Chen Ping said!

He knew that this was the only way to make the Heavenly Demon Sect willingly take out the Heavenly Demon Stone!

“Okay!” Zeng Nian’an stood up, and then led Chen Ping and the others towards the cave!

Zeng Nian’an knew that not everyone could enter the cave. Since Chen Ping said so himself, let him give it a try!

When Chen Ping is thrown out of the cave, we can’t blame him for not giving him the Demon Stone!

In that case, Sect Master Jiang would have nothing to say, so as not to make him feel that Zeng Nian’an was not giving him face!

In front of the cave where Zeng Nianan brought Chen Ping and the others, the elders of the Heavenly Demon Sect were guarding the entrance. Seeing Zeng Nianan coming, they hurried over!

“How’s it going?” Zeng Nian’an asked!

“It’s still inside, there may be something going on...”

The elder said very excitedly!

Chapter: 6019

When Zeng Nian’an heard this, he was immediately overjoyed. It had been so long and he hadn’t been beaten out of the cave by the restrictions inside, which proved that he was quite capable!

“Master Zeng, is there someone inside already?”

Seeing this, Sect Leader Jiang asked!

“Yes, before you guys came, someone had already entered the cave to help us get the intensive technique. Now it’s been a stick of incense, so I guess it’s very likely to succeed this time!”

Zeng Nianan said happily!

When Sect Leader Jiang heard this, he quickly looked at Chen Ping. If the other party succeeded, then Chen Ping would have no chance to get the Demonic Stone!

“Mr. Cheng, you’d better go in quickly. If you’re late, you might be too late...”

Seeing this, Zhe Yan said to Chen Ping!

Chen Ping nodded, and then exuded his spiritual consciousness. He wanted to see what taboos there were in this cave first!

You can’t rush in rashly. After all, so many people have tried it and no one has succeeded. That proves that the taboo in this cave must be very strong!

When Chen Ping’s consciousness had just dispersed, Qi Peijia stuck his head out from behind the boulder in the cave, and then stared at Chen Ping with his eyes!

“It smells so familiar. Is this guy Chen Ping?”

Qi Peijia stared at Chen Ping, who had already changed his appearance!

After continuing to check Chen Ping’s aura, Qi Peijia laughed coldly: “It is indeed him. It seems that this guy is also afraid of the Demon Sealing Alliance’s killing order, so he changed his appearance. But he met me today, You’re in bad luck...”

Qi Peijia was very happy in his heart. As long as he killed Chen Ping, he could go to the Demon Sealing Alliance to lead a hundred years of worship. By then, his strength would increase by leaps and bounds!

As long as his strength reaches the peak of the Tribulation Realm, he no longer needs to be controlled by Ning Zhi!

Now there is nothing he can do about listening to Ning Zhi!

After Chen Ping dispersed his consciousness, he frowned and instantly looked at the boulder on one side!

Chen Ping had just hidden his aura, so he didn't notice Qi Peijia. Now that his consciousness spread, he immediately caught Qi Peijia's figure!

This made Chen Ping feel very strange. He didn't understand why Qi Peijia was in the Tianmo Sect?

"Mr. Cheng, what's wrong?"

Sect Leader Jiang saw something wrong with Chen Ping's expression, so he asked!

Before Chen Ping could say anything, Qi Peijia jumped up and landed directly in front of Chen Ping!

"It's been a long time no see. How are you?"

Chapter: 6020

Qi Peijia smiled coldly at Chen Ping and said!

When Zhe Yan saw Qi Peijia suddenly appearing, his face instantly turned cold and his expression became nervous!

He knew Qi Peijia's abilities. When he was in the battlefield between gods and demons, Chen Ping almost fell into Qi Peijia's hands several times!

If several of the Three Sovereigns and Four Kings hadn't appeared at that time, Chen Ping would really have been in trouble!

Although Chen Ping has now been promoted to the second level of the Tribulation Realm, he is still a little unable to deal with Qi Peijia!

"Brother Yan, what's wrong? Who is this person?"

Jiang Yulian saw Zhe Yan's ugly face, so she asked with concern!

"This person is Mr. Chen's enemy, and he's going to be in trouble now!"

Zhe Yan whispered to Jiang Yulian!

When Jiang Yulian heard this, her expression changed, and then she quietly started to circulate the aura in her body!

"Mr. Cheng, who is this? Is this your friend?"

Sect Leader Jiang asked Chen Ping!

"We are friends!" Chen Ping replied calmly, but his eyes were fixed on Qi Peijia!

Zeng Nian'an was slightly startled when he saw Qi Peijia appearing, and then looked at the elder beside him!

This is the important place of Tianmo Sect, and outsiders are not allowed to come and go at will. Now that an outsider suddenly jumped out, Zeng Nianan was a little unhappy!

“Sect Master, this is the person who came to challenge together. The person who entered the cave is his friend, and he is waiting here!”

The elder quickly explained!

Zeng Nian’an didn’t get angry when he heard that the other party came to challenge him and was a friend of the man in the cave!

After all, the people in the cave are the most promising to bring out their intensive skills!

When Chen Ping heard that Qi Peijia came to the Tianmomen with someone to challenge him, he couldn’t help but frowned. He couldn’t guess who entered the cave!

“Chen Ping, do you think no one will be able to recognize you after you change your appearance?”

Qi Peijia looked at Chen Ping with a sneer and asked!

“Chen Ping?”

Zeng Nianan was stunned!
