

The Order 6021

Chapter: 6021

When Sect Master Jiang heard this, he immediately looked at Qi Peijia warily!

“Is it the Chen Ping who was ordered to be killed by the Demon Sealed Alliance for a hundred years?”

At this time, the elder of Tianmomen asked in shock!

“Yes, it’s him. He changed his appearance, maybe because he was afraid that someone would recognize him.”

Qi Peijia said with a smile!

When Chen Ping saw this, he shook slightly and changed back to his own appearance!

Now that he has been recognized, there is no point in disguising his appearance!

Looking at Chen Ping in front of him, Zeng Nian’an’s eyes suddenly became a little fiery!

Upon seeing this, Sect Master Jiang hurriedly said to Zeng Nian’an: “Sect Master Zeng, this Mr. Chen is my savior, so I don’t want anyone to do anything to him.”

Sect Master Jiang was warning Zeng Nian’an that if he attacked Chen Ping for the sake of the Demon Sealing Alliance’s centenary enshrinement, he would definitely not stand idly by!

Seeing Sect Master Jiang say this, Zeng Nian'an smiled awkwardly and said: "Sect Master Jiang, since I am your friend, I will definitely not take action, but if others do, my Heavenly Demon Sect will not interfere."

After Zeng Nian'an finished speaking, he retreated directly to his back. He could tell that Qi Peijia would definitely take action against Chen Ping!

The strength of Qi Peijia, the eighth level of the Tribulation Realm, is definitely more than enough to deal with Chen Ping, and their Heavenly Demon Sect will definitely not interfere!

What's more, Qi Peijia's friends are in the cave and are about to successfully bring out the intensive skills of their Tianmo Sect. It is even more impossible for Zeng Nian'an to help Chen Ping deal with Qi Peijia!

Seeing what Zeng Nian'an said, Sect Master Jiang's face became very ugly. If the Heavenly Demon Sect didn't step in to help, how could they be Qi Peijia's opponents? The other party was a great monk at the eighth level of the Tribulation Realm!

Although Chen Ping can kill four monks of the sixth level of the Tribulation Realm, but facing the eighth level monks of the Tribulation Realm, he probably has no chance of winning at all!

When you reach the realm of transcending tribulation, even if you cross a small realm, your strength will increase like a cliff!

There are not many people who follow Chen Ping and fight across levels, and are several levels better. After all, these are very few people!

"Sect Leader Jiang, please step aside. This is a matter between him and me. Don't interfere!"

Chen Ping said to Sect Master Jiang!

Chen Ping knew that even if Sect Leader Jiang and the others took action, they would not be able to match Qi Peijia, and their lives would be in vain!

When Chen Ping faces Qi Peijia himself, even if there is no possibility of victory, he can escape. The worst he can do is not need this magic stone!

Now that Chen Ping can activate the time magic weapon of the clock, and has achieved certain achievements in fire control steps, it is not difficult for Chen Ping to escape if he really cannot defeat Qi Peijia!

But if Sect Leader Jiang and the others get involved, and Chen Ping guarantees their safety, it will be difficult to let go!

Chapter: 6022

“Mr. Chen, you...”

Sect Master Jiang wanted to say something, but Zhe Yan pulled him back and said, “Sect Master Jiang, Mr. Chen has his own sense of discretion. We’d better not cause trouble for him!”

In fact, Zhe Yan is also worried about Chen Ping. He knows that Chen Ping can’t beat Qi Peijia, but at this time, it’s useless for them to help, and they are adding burden to Chen Ping in vain!

Sect Leader Jiang and others also retreated, leaving only Chen Ping and Qi Peijia looking at each other!

“Aren’t you going to run?”

Qi Peijia looked at Chen Ping with a mocking look and asked!

“Why should I run?” Chen Ping said calmly!

“Haha, it seems that you have been promoted to the second level of the Tribulation Realm, which has greatly increased your confidence. Don’t you feel that you have been promoted to the second level of the Tribulation Realm, and you can compete with me? Without outside help, I will be there in minutes. It can kill you.”

A cruel smile appeared on Qi Peijia’s lips, looking at Chen Ping as if he were looking at a dead person!

“You couldn’t kill me in the battlefield between gods and demons, and you can’t kill me now. Do you know why?”

Chen Ping smiled and said!

“Why?” Qi Peijia was stunned!

“Because you are not qualified enough to kill me, do you think you can do whatever you want after you had an adventure in the Demon Swallowing Cave and learned the technique? You are just lucky.”

Chen Ping sneered!

“Hahaha, you can say whatever you want, but it can’t change your fate of dying today. If you don’t want to die, you can cut off your limbs and I will take you to the Demon Sealing Alliance to receive the reward.”

“As for how the Demon Sealing Alliance will deal with you, I don’t care, but there is a chance that you will survive.”

Qi Peijia laughed.

“You deserve to cut off your limbs...”

Chen Ping’s eyes narrowed, and there was murderous intent in his eyes!

Although Chen Ping didn’t have the confidence to deal with Qi Peijia, he was not afraid at all. After all, he had the ability to protect himself.

What’s more, there is an old fellow named Demon Lord Chiyun in his sea of consciousness. No matter how powerful Qi Peijia is, all his skills have been taught by Demon Lord Chiyun!

As long as Demon Lord Chiyun can help Chen Ping by then, there is no chance that he will kill Qi Peijia!

“Since you don’t understand current affairs, then die!”

Qi Peijia grinned, showing a row of white teeth!

boom!

Then a black mist erupted around Qi Peijia’s body, and the black mist began to spread continuously!

The violent black mist kept sweeping across, making the entire sky darken instantly!

Feeling this violent and bloody smell, Zeng Nianan kept retreating!

Sect Master Jiang and the others also continued to retreat, for fear of being caught by this aura!

Chen Ping looked at the aura bursting out from Qi Peijia, his face a little solemn, and then he took a deep breath, a golden light shot out from all around his body, and then the indestructible golden body covered Chen Ping's whole body!

Facing Qi Peijia, Chen Ping didn't dare to be careless at all. This was an eighth-level monk in the Tribulation Realm!

Wearing an indestructible golden body, all the auras in his body erupted at the same time, but Chen Ping's aura still seemed much weaker compared to the Qi armor!

Seeing this scene, both Sect Master Jiang and Zhe Yan were sweating for Chen Ping!

After all, the difference in strength between the two people is too big, and you can tell it just from the burst of breath!

Looking at Chen Ping, who was covered in golden light, Qi Peijia stared at Chen Ping indifferently, and said with a sarcastic smile: "You are not very strong, but you are rich in treasures. If you kill you, you will not only get a hundred years of tribute from the Demon Sealing Alliance, but also Being able to claim your treasure as my own is really killing two birds with one stone!"

After Qi Peijia finished speaking, he stamped his foot suddenly, and then the rolling black mist instantly turned into a beast, roaring straight towards Chen Ping!

Chen Ping looked at the beast coming. The dragon-slaying sword appeared instantly, and then he slashed out with a sword, flashing countless golden lights. The golden light directly turned into a golden dragon, letting out bursts of dragon roars!

Looking at the golden giant dragon, Zeng Nian'an was a little stunned. He didn't expect that this could be unleashed by a second-level monk in the Tribulation Realm!

Qi Peijia looked at Chen Ping's golden dragon that burst out, his eyes full of ridicule.

Chapter: 6023

boom!

The beast transformed from the black mist collided with the golden dragon instantly, and a terrifying aura suddenly vibrated in the void!

The terrifying aura caused Sect Master Jiang and others who were far away to have their expressions darken!

At the moment of collision, the golden dragon only lasted for a few breaths before it shattered into pieces!

After all, Chen Ping's strength is still no match for Qi Peijia. After all, the opponent is at the eighth level of the Tribulation Realm and is considered a master in the Tribulation Realm. Chen Ping is still a little weak!

After the black mist beast smashed the golden dragon, it only paused for a moment, and its breath was reduced a bit, and then it still charged towards Chen Ping fiercely!

Seeing this scene, Sect Master Jiang, Zhe Yan and others all gasped and couldn't help but break into a cold sweat for Chen Ping!

They did not expect that Chen Ping's Golden Dragon would be so vulnerable in front of Qi Peijia.

Even Zeng Nian'an was slightly stunned. Chen Ping, a second-level monk in the Tribulation Realm, dared to fight with an eighth-level monk in the Tribulation Realm!

And the golden dragon that Chen Ping just broke out was defeated in one blow, but it was still very powerful if it could withstand it after all!

In Zeng Nian'an's eyes, Chen Ping's strength is not that of the second level of Tribulation Realm!

Chen Ping frowned slightly, and then his figure quickly faded into blur, then turned into an afterimage and retreated instantly, leaving directly where he was standing!

Under Chen Ping's feet, two balls of flames slowly burned. Chen Ping used the Fire Control Step, and then managed to avoid Qi Peijia's blow!

boom!

A big crater was instantly blasted out of the ground, and smoke and dust billowed!

The beast turned into black mist, even if it missed a hit, looked at Chen Ping eagerly!

Qi Peijia also looked at Chen Ping indifferently, with a sneer on his lips. Even if Chen Ping had been promoted to the second level of the Tribulation Realm, he was no match for him!

Qi Peijia now looks at Chen Ping like a cat looking at a mouse. Although Chen Ping escaped the blow, the final result is death. This will never change!

With this blow, Qi Peijia used a crushing attitude, making Chen Ping very embarrassed!

When Sect Master Jiang and the others saw that Chen Ping had escaped the blow, they couldn't help but breathed a sigh of relief!

Zeng Nian'an exclaimed: "With great skill, the second-level Tribulation Realm evade a blow from the eighth-level Tribulation Realm. No wonder the Demon Sealing Alliance will come up with a hundred-year offering to issue a killing order!"

"The speed of the dodge just now, even I didn't notice..."

Zeng Nian'an couldn't help but cheer for Chen Ping. Although Chen Ping's attack was very embarrassing, after all, the difference in strength between Chen Ping and Qi Peijia was so great that he could dodge it!

Qi Peijia gave Zeng Nian'an a cold look. Although he was unhappy with Zeng Nian'an praising Chen Ping, he did not dare to make enemies now and could only kill Chen Ping first!

Chapter: 6024

"You just hide here and there, do you think you can escape the fate of death? Your result will not change!"

Qi Peijia sneered, then closed his palms, his eyes turned sinister, and he muttered something!

Roar!

The beast let out a roar, and then sprayed out a jet of black mist as black as ink from its huge mouth!

This poisonous mist was like a sharp sword, heading straight for Chen Ping!

The speed was extremely fast, like a shooting star!

Wherever the black mist passed, waves of unpleasant smell instantly appeared on the ground!

Chen Ping looked solemn, and then he used the fire control step to the extreme, and he kept retreating. However, the speed of this black mist was so fast that Chen Ping could not avoid it!

Chen Ping's eyes narrowed slightly. He didn't dare to take out the God King's Bow now. After all, he didn't know much about the Heavenly Demon Sect, nor did he know Zeng Nian'an. He wasn't tempted, but when he saw the God King Gong, Chen Ping didn't know it!

After all, the Divine King's Bow is a famous weapon in the world of gods. How many people have lost their lives for the Divine King's Bow. If Zeng Nian'an gets greedy when he sees the Divine King's Bow, Chen Ping will really be doomed!

Qi Peijia is so difficult to deal with, and with the addition of the Tianmo Sect, Chen Ping has no hope of survival at all!

Chen Ping held the dragon-slaying sword and quickly clicked it in the void a few times. A formation pattern visible to the naked eye appeared, and all the power in Chen Ping's body began to operate!

Then, a flame appeared between Chen Ping's eyebrows, and as the flame hit the pattern, a wall of fire appeared!

The dark golden flames made the entire void become hot, and even the surrounding rocks began to melt.

Then the black mist collided with the wall of fire that Chen Ping had just launched!

boom!

With a deafening loud noise, the wall of fire quickly extinguished under the black mist, but the speed and power of the black mist also began to decrease!

Chen Ping knew that his wall of fire could not block the black mist at all, so after the wall of fire was extinguished, he immediately slashed with the dragon-slaying sword!

And while swinging a sword, his body kept retreating!

A light curtain blocked the black mist, but in just a short breath, the black mist came through the light curtain!

Chen Ping frowned. He found that Qi Peijia was too difficult to deal with. If he didn't use the God King's Bow, he really couldn't deal with it!

Under the two blocks of the black mist, both speed and power dropped a lot. Chen Ping knew that he had no choice but to retreat, so he spit out a mouthful of blood. The blood mist attached to Chen Ping's immortal gold and was instantly Absorbed by the indestructible golden body!

After the essence and blood were absorbed, the indestructible golden body emitted countless golden lights, and a halo visible to the naked eye appeared around Chen Ping!

Chapter: 6025

“ah.....”

Chen Ping shouted loudly, asking him to use his indestructible golden body and his powerful physical body to resist Qi Peijia’s blow!

All the breath in Chen Ping’s body was erupted, and the original stars in the original space were shining with dazzling light!

boom!

That black mist hit Chen Ping’s body!

A loud noise instantly resounded throughout the Tianmo Sect, and violent shock waves spread out in all directions!

Sect Leader Jiang and Zhe Yan clenched their fists, their hearts in their throats!

Chen Ping’s body trembled suddenly, and then he flew backwards. At the same time, the black mist dissipated instantly!

Chen Ping fell heavily to the ground, creating a huge pit more than ten meters deep!

Mountains and rocks collapsed all around, like the end of the world!

“Mr. Chen.....”

Seeing this scene, Sect Master Jiang and the others became anxious and ran over with a roar!

Qi Peijia raised the corner of his mouth, and the beast condensed in the black mist slowly dissipated!

“Fight with me, you’re still far behind...”

Qi Peijia sneered. With this blow, he knew that even if Chen Ping survived, he would never be able to get up!

Zeng Nian’an also shook his head slightly and sighed slightly: “It’s a good talent, but it’s a pity... it’s a pity...”

“Even if I were to take that blow just now, I’m afraid I wouldn’t be able to take it...”

Zeng Nian’an was also at the eighth level of the Tribulation Realm, but Qi Peijia’s blow just now was really too powerful. Although he was also at the eighth level of the Tribulation Realm, he was not confident that he could withstand that blow!

At this time, Sect Leader Jiang and others had already run to the edge of the pit that was smashed by Chen Ping. Looking at the pit more than ten meters deep, Sect Leader Jiang, Zhe Yan and others were shouting!

“Mr. Chen...”

“Mr. Chen...”

But after shouting several times, Chen Ping didn't respond, and Chen Ping couldn't be seen, buried under rocks!

At this time, Sect Master Jiang and others panicked. They were all afraid that something had happened to Chen Ping. After all, the blow just now was too terrifying!

Chapter: 6026

Zhe Yan was about to jump into the pit to find Chen Ping, but just as he was about to jump down, he found that the rocks at the bottom of the pit moved, and then Chen Ping got out of the rocks!

But at this time, Chen Ping's indestructible golden body had disappeared, his clothes were in tatters, and there was blood flowing from the corner of his mouth!

It proves that although Chen Ping was not killed by the blow just now, Chen Ping was injured!

"Mr. Chen, I knew you wouldn't die..."

Zhe Yan said happily when he saw Chen Ping was still alive!

"How can I die so easily? The person who can kill me hasn't been born yet!"

Chen Ping grinned, and then jumped out of the pit!

Seeing that Chen Ping was not dead, Qi Peijia was slightly startled, but soon sneered: "You are really capable. You won't die like this, but no matter how capable you are, you won't survive today."

Zeng Nian'an couldn't help but be shocked when he saw that Chen Ping was still alive and jumped out of the pit on his own. Although he was injured, he didn't seem to be in serious trouble.

“It’s not that easy to kill me...”

Chen Ping touched the blood at the corner of his mouth, and then took out the magic whip!

Seeing Chen Ping take out the magic whip, Qi Peijia sneered: “I now know how powerful your magic whip is, so if you want to use this whip to fight me, I won’t let you succeed.”

After Qi Peijia finished speaking, he suddenly spurted out a mouthful of black blood. As the black blood spurted out, Qi Peijia shouted: “The devil is coming...”

Soon, this mouthful of black blood turned into a humanoid monster!

When Chen Ping saw this, he frowned and his expression became very ugly!

This magic whip is carried on the demon cultivator and can attack the demon cultivator’s spiritual consciousness. Even if there is armor on the body, it is useless!

But to deal with this condensed monster, the magic whip will be useless!

The magic whip has no effect at all on these monsters. After all, these monsters have no consciousness!

Seeing Chen Ping’s expression, Qi Peijia laughed loudly and said: “Hahaha, your magic whip is useless, right? Have you forgotten how you were beaten and fled in embarrassment by me in the battlefield between gods and demons?”

Chen Ping looked at Qi Peijia's proud look. Although he was angry, he had no choice but to use the God King's Bow?

"Boy, although this devil's arrival is powerful, it is full of weaknesses. This guy is really useless. He has not learned even one percent of what I have learned."

At this time, the Red Cloud Demon Lord spoke!

When Chen Ping heard that Demon Lord Chiyun spoke, he felt happy and put away the magic whip!

Chapter: 6027

"Senior, please tell me quickly what are the weaknesses of this devil's arrival, and then tell me how to deal with this guy. I was about to be beaten to death just now."

"If I die, you won't even have a place to stay, and other people's consciousness won't be able to accommodate you!"

Chen Ping asked the Red Cloud Demon Lord!

"Damn it, are you threatening me?" Demon Lord Chiyun cursed!

"Don't dare, I'm just reminding senior."

Chen Ping said quickly!

"This demon is afraid of fire when it comes. Don't you have the fire?"

Demon Lord Chiyun said!

“Senior, although this demon is afraid of fire when it comes, if I attack with fire, it will soon turn into a pool of blood. My ultimate fire will lose its effect, and the blood will condense again later, and it cannot be eliminated at all. .”

When Chen Ping was on the battlefield between gods and demons, he used extreme fire to deal with this humanoid monster, but it was of no use at all!

Later, I still used the God King Bow to get a chance to escape!

“As long as the blood enters the ground, it won’t be able to condense. Do you understand what I mean?”

Demon Lord Chiyun asked!

When Chen Ping heard this, he nodded repeatedly and said: “I understand, I understand...”

With the guidance of Demon Lord Chiyun, Chen Ping’s confidence greatly increased.

“kill him.....”

Qi Peijia gave an order, and the humanoid monster quickly rushed towards Chen Ping!

The fire source star in Chen Ping’s body burst out with dazzling light, and a ball of flame began to rise in Chen Ping’s hand!

With the push of Chen Ping's palm, the overwhelming flames directly enveloped the humanoid monster!

The terrifying fire emitted a heat wave, trapping the humanoid monster in place!

Qi Peijia didn't panic at all when he saw this, but raised the corner of his mouth slightly, and then the humanoid monster disappeared and turned into a pool of blood flowing!

The fire lost its target and quickly went out!

"It's useless, your ultimate fire can't stop my demon from coming..."

Chapter: 6028

Qi Peijia sneered!

But Chen Ping didn't pay attention, but quickly squatted down, stretched out his palm, and touched the ground gently!

The moment Chen Ping touched the ground, formation patterns emerged from the ground, and the whole earth began to shake!

Buzz!

The moment Chen Ping's palm came into contact with the ground, a long ravine began to open in all directions!

The pool of blood flowed directly into the ground. When Qi Peijia saw this, he was shocked and quickly made a seal with his hands to make the pool of blood return to the ground!

But it was too late, I saw countless formations flashing with light, directly trapping the pool of blood underground, and then the cracked gully closed again!

The earth returned to calm, as if nothing had happened!

Qi Peijia frowned and stared at Chen Ping!

He didn't understand why Chen Ping suddenly thought of this way to deal with the demon coming to him!

"Do you want your demon to come under the spell? I want to see how much blood essence you have available!"

Chen Ping said with a sneer!

Qi Peijia's eyes narrowed slightly: "Hmph, even if there is no need for the devil to come, it will be easy for me to kill you..."

Let's talk, Qi Peijia's whole body was shrouded in black mist, and then slowly formed a pair of armor!

"Black Magic Armor..."

Chen Ping couldn't help but frown when he saw that Qi Peijia was wearing the black magic armor again!

"This black magic armor has more flaws. I really don't know how this guy learned it..."

Demon Lord Chiyun snorted coldly!

"You command, I take action..."

Chen Ping's dragon-slaying sword appeared instantly, then his feet suddenly stopped, and his body disappeared instantly!

Chen Ping's body disappeared from the same place as if he teleported!

The Fire Control Step is easy to use, but it's a pity that Chen Ping has only scratched the surface of understanding it. Now Chen Ping regrets it when he thinks about it. It would have been better if he didn't offend the Lord Fire Star in the battlefield of gods and demons. Maybe he will be given some pointers now. I have already learned a lot about firebending steps!

Qi Peijia's pupils shrank, Chen Ping's speed was so fast that he couldn't see Chen Ping at all.

Chapter: 6029

Qi Peijia could only tiptoe a little, and his whole body shot straight into the sky!

But just as Qi Peijia's figure flew up, an afterimage appeared in front of him!

"Nine Shadows Sword Technique..."

Chen Ping shouted loudly, and six figures instantly surrounded Qi Peijia.

Then countless sword lights came densely towards Qi Peijia!

When Qi Peijia saw this, he snorted coldly and completely ignored him!

He knew that Chen Ping's attack could not break through his black magic armor at all!

When Chen Ping saw that Qi Peijia didn't care, he was immediately ecstatic. With Demon Lord Chiyun's command, Chen Ping easily knew the flaw in the black magic armor, but Qi Peijia was careless and didn't notice it!

Countless sword rays hit Qi Peijia's body, but they were all blocked by the black magic armor, unable to cause any damage to Qi Peijia at all!

"Hahaha... You can't hurt me at all, no matter how many attacks you try, it will be in vain!"

Qi Peijia laughed!

Chen Ping had a sneer on his face and looked at the laughing Qi Peijia with disdain. He knew that Qi Peijia would stop laughing soon!

Sure enough, Qi Peijia stopped laughing soon, and the smile froze on his face. At Qi Peijia's feet, there were several sword rays stabbing fiercely!

As several rays of sword light pierced the soles of Qi Peijia's feet, the black magic armor on his body began to shatter. In the end, the black magic armor shattered into pieces and turned into a burst of black mist and dispersed!

"this....."

Qi Peijia was shocked. He didn't expect that Chen Ping knew the weakness of the black magic armor and defeated it!

You know, no one will attack the soles of the opponent's feet unless they know that the opponent's weakness is on the soles of the feet!

Now Chen Ping uses the Nine Shadows Sword Technique, and the sword radiance that bursts out is to put it bluntly, it attracts Qi Peijia's attention. Chen Ping also knows that those sword radiance cannot break Qi Peijia's black magic armor at all!

Only when Qi Peijia is careless can he unexpectedly attack the weak points of the black magic armor!

"How do you know the weakness of the black magic armor? How on earth do you know it?"

Qi Peijia roared at Chen Ping!

"If you want to know, kneel down and beg me, and I can tell you..."

Chen Ping made a move and instantly became more confident!

Chapter: 6030

“Mr. Chen is the ancestor of the Ning family. He came out of the cave and kidnapped the master of the Zeng clan, and then got the Heavenly Demon Stone.”

Zhe Yan stepped forward and said!

Only Zhe Yan knows Ning Zhi and knows his identity!

“It turns out it’s this guy Ning Zhi. It seems like he’s really not waiting for me outside!”

When Chen Ping heard that Ning Zhi had snatched it away, he was not too surprised!

After all, Ning Zhi is different from other enemies. This guy’s IQ is a bit high, and he often doesn’t play according to the routine!

“Mr. Chen, I’m really sorry, but don’t worry, I will immediately send out all the disciples of the Heavenly Demon Sect to look for the Heavenly Demon Stone. After I find the Heavenly Demon Stone, I will hand it over to Mr. Chen as soon as possible!”

Zeng Nian’an said very ashamed!

After all, his promise was not fulfilled, which made him very uneasy!

“No, I’ll look elsewhere!”

Chen Ping shook his head!

Chen Ping knows that there is a Heavenly Demon Stone in Guanghan Palace. As long as he finds Guanghan Palace, he can get the Heavenly Demon Stone!

It's just that the Blood Demon didn't say where Guanghan Palace was, he just said it was on Tianmo Mountain!

But the Demonic Mountain is thousands of miles long, stretching across the entire Southern Territory, and spanning countless counties and cities. How long will it take to find it?

"Mr. Chen, do you know where there is a magic stone?"

Sect Leader Jiang asked in confusion!

Chen Ping nodded and said, "Sect Master Jiang, do you know where Guanghan Palace is?"

"Guanghan Palace?"

Upon hearing this, Sect Leader Jiang shook his head: "I don't know, is there a Heavenly Demon Stone in Guanghan Palace?"

"Yes!" Chen Ping said!

"I've never heard of this Guanghan Palace. Isn't it in the Southern Region? But if it's not in the Southern Region, how come there is a Heavenly Demon Stone?"

Zeng Nian'an didn't know where the Guanghan Palace was!

"It seems that I can only find it slowly. Guanghan Palace is on Tianmo Mountain."

Chen Ping was also helpless. After all, Guanghan Palace had only been rebuilt for more than half a year. It was normal for many people not to know!
