

The Order 6061

Chapter: 6061

He is only at the third level of the Tribulation Realm. There are many people present who can kill him!

“Okay, since you admit it, don’t blame me. You would rather kill by mistake than let go!”

Seeing Chen Ping’s admission, the fifth-level cultivator in the Tribulation Realm no longer hesitated and took action directly!

I saw this guy slapping Chen Ping with one palm!

The gap between the two realms, in his opinion, only requires one palm to kill Chen Ping on the spot!

But just when this guy slapped his palm, Chen Ping also moved!

Chen Ping also slapped him out!

But Chen Ping is faster!

Snapped!

With one slap, the fifth-level cultivator in the Tribulation Realm was instantly thrown away, and then he fell heavily in front of everyone!

Then he vomited blood and lost his breath!

With the death, a ray of soul from the monk's body slowly came out, trying to escape from the airship!

Chen Ping flicked his finger, and a burst of fire instantly ignited the monk's soul!

Amidst the shrill screams, the monk's soul was burned to pieces!

The body dies, and the soul is burned to the ground!

There is no chance of survival anymore!

On the airship, all the monks looked at Chen Ping in shock, dumbfounded.

They never expected that Chen Ping, a third-level monk in the Tribulation Realm, would slap a fifth-level monk in the Tribulation Realm to death!

Is this too outrageous?

Chen Ping glanced at everyone, and then said with an indifferent expression: "Who else wants the hundred-year enshrinement of the Demonic Alliance? You can take action now!"

Facing Chen Ping's cold eyes, many people lowered their heads.

They finally understood why Chen Ping only had a third-level cultivation in the Tribulation Realm, but the Demon Sealing Alliance was offering a hundred-year offering as a reward!

Chen Ping saw that many monks on the airship were restrained by him, so he walked towards the outside of the airship!

Since these people are here to find him, Chen Ping will always have to face them!

But relying on Elder Sun and the others, I am afraid they are no match for these people!

Outside the airship, the one-eyed monk lost his patience and said coldly to Elder Sun: "Hand over the people. If you don't call them out, I will kill everyone."

"You, Wantong Pavilion, can't protect the safety of passengers. Let's see if there are still people riding on your Wantong Pavilion's airship..."

As the one-eyed monk spoke, a murderous aura continued to fill the air, and the pressure on his body shook even more!

More than a dozen demon cultivators, all with killing looks on their faces, are ready to take action at any time!

The young monks on the airship felt this murderous aura and were all sweating. They wanted to go to Guanghan Palace to be cool, but they were about to die on the way!

"Fellow Taoist, do you really want to fight to the death? If there is a fight, I'm afraid you won't be able to take advantage."

Elder Sun said with cold eyes!

Although Elder Sun was surprised when he learned Chen Ping's identity, there was no way he would hand Chen Ping over!

Not to mention that Chen Ping gave him more than a dozen jade slips for transmitting messages and also saved Elder Xia's daughter!

Even if Chen Ping was an ordinary passenger of this airship, Elder Sun would not be able to hand him over!

If it is handed over, how will Wantong Pavilion do business in the future?

"Elder Sun, you are the one who wants to defeat the enemy. I just asked you to hand over Chen Ping. Why are you so reluctant to do so?"

"Are you also spying on the Demon-Sealing Alliance's century-old offerings?"

The one-eyed monk asked!

Chapter: 6062

"You're farting. Although our Wantong Pavilion is not as good as that Demon Sealing Alliance, we are still not short of his resources. How could I spy on it?"

"I don't care who Chen Ping wants to kill. He is on the airship of our Wantong Pavilion right now, and he needs to be protected by our Wantong Pavilion. If I hand him over now, how will the entire Southern Territory view our Wantong Pavilion in the future?" Pavilion?"

“As an escort elder, I want to protect the safety of the airship and passengers. Unless I die, I will not hand the person over to you.”

“I don’t care how you got the news that Chen Ping was on our airship. If you dare to use force, I will accompany you to the end. Even if I die, our Wantong Pavilion will put you on the must-kill list.”

“You have to think carefully. If our Wantong Pavilion is placed on the must-kill list, do you think you still have a chance to hang out in the Southern Territory?”

Elder Sun can only continue to move out of Wantong Pavilion to scare the other party!

Sure enough, the one-eyed monk did hesitate this time. Wantong Pavilion is also a famous sect in the Southern Territory, with many branches in the Southern Territory!

If he is really annoyed and Mr. Wantong puts it on the must-kill list, he will really not be able to hang out in the Southern Territory!

What’s more, the master of Wantong Pavilion is a dragon who never sees the end, and few people know his identity. It’s all the elders who control Wantong Pavilion!

Just when the one-eyed monk hesitated, Elder Sun continued: “If fellow Taoist give way this time, I, Wantong Pavilion, can send a batch of resources. Although it is not as good as the hundred-year tribute of the Demon Sealing Alliance, it will definitely not be too bad!”

Elder Sun struck while the iron was hot, hoping to make the one-eyed monk leave!

After hearing what Elder Sun said, the one-eyed monk became even more hesitant!

“Brother, if we kill Chen Ping, it won’t be as simple as just getting a hundred years of worship from the Demon Sealing Alliance.”

At this time, a young man behind the one-eyed monk came forward and whispered a few words in the one-eyed monk’s ear!

After listening, the one-eyed monk’s eyes became firm and he looked at Elder Sun and said, “Elder Sun, although I have no intention of being an enemy of Wantong Pavilion, I must take away Chen Ping today, otherwise you will die.”

Elder Sun frowned. He was about to succeed just now. I don’t know what the one-eyed monk said again to make the one-eyed monk become determined!

“Elder Sun, can you beat this eye?”

Just when Elder Sun was in trouble and didn’t know what to do, Chen Ping walked out of the airship!

“Mr. Chen, why did you come out? Didn’t I tell you not to move!”

Seeing Chen Ping come out, Elder Sun said anxiously!

“Are you Chen Ping?”

The one-eyed monk glanced at Chen Ping and asked in surprise!

After all, he thought that the person who could be killed by the Demon-Sealing Alliance with hundreds of years of sacrifice was also a monk at level 5 or above of the Tribulation Realm!

He should also be a person who has a life-and-death feud with the Demon Sealing Alliance.

Chapter: 6063

But Chen Ping looks very young, he is only at the third level of Tribulation Realm, and he is very ordinary!

How could a person of this level of strength be punished by the Demon Sealing Alliance?

“Yes, I am Chen Ping, the man who was killed by the Demon Sealing Alliance with a hundred years of sacrifice.”

“I can go with you, but don’t embarrass Elder Sun.”

Chen Ping said to the one-eyed monk!

When the one-eyed monk heard this, he was immediately overjoyed. If Chen Ping was captured without hesitation, he would not have to offend Wantong Pavilion, and he would still be able to receive a hundred years of worship from the Demon Sealing Alliance, the best of both worlds!

“Okay, as long as you are obedient, I will never embarrass Wantong Pavilion. I will let them leave immediately.”

The one-eyed monk nodded!

“Mr. Chen, you...”

Elder Sun couldn't bear to see Chen Ping standing up on his own initiative just to avoid causing trouble to him!

Chen Ping ignored Elder Sun and continued to say to the one-eyed monk: "I will be killed by you soon. Can I understand one thing before I die?"

"Okay, tell me!" the one-eyed monk said!

"I want to know, how did you know that I was on the Wantong Pavilion airship, and how did you know that I went to Guanghan Palace? Who told you?"

Chen Ping has always wondered who revealed his whereabouts!

After all, only a few people knew that he took the airship to Guanghan Palace, and it was impossible for these people to leak his whereabouts!

And the monks on the airship don't know him, and they can't reveal it!

"Hahaha, it doesn't matter that you offended the Demon Sealing Alliance, but you actually offended Mr. Mu of the Mu family. Mr. Mu revealed your whereabouts to us."

"Now you know it, you damn well understand it..."

The one-eyed monk laughed and said!

"Mu Kui?" Chen Ping's eyes narrowed slightly!

He knew that Elder Xia would never kill Mukui, but he didn't expect to let this guy go so quickly!

"Mr. Mu from the Mu family? How did Mr. Chen offend him?"

Elder Sun didn't know what Mu Kui was doing in Wantong Pavilion, so he was full of doubts!

Chen Ping didn't have time to explain to Elder Sun, so he said, "Elder Sun, it's a long story. I'll explain it to you later."

Chapter: 6064

"I asked you just now, can you beat this one eye? You haven't answered yet."

"Mr. Chen, I am 80% sure of defeating him, but he has so many younger brothers who are not weak at all. These disciples I brought are no match for him."

Elder Sun said in embarrassment!

If it's one-on-one, Elder Sun is not afraid!

But there are so many people on the other side, it's impossible to fight him alone!

"Elder Sun, just hold on to one eye of this one and leave the rest to me."

Chen Ping said calmly!

"What?" Elder Sun was shocked: "Mr. Chen, these are more than a dozen monks at the fifth and sixth levels of the Tribulation Realm. Although there are not many sixth-level monks, there are so many people that you cannot handle with only the third level of the Tribulation Realm. ."

Although Elder Sun knew that Chen Ping was good at spells, it was impossible for a third-level monk in the Tribulation Realm to deal with more than a dozen fifth- and sixth-level monks in the Tribulation Realm!

Isn't this a joke?

When the one-eyed monk saw that Chen Ping actually wanted to take action and deal with more than a dozen of his younger brothers by himself, he suddenly laughed wildly: "Boy, have you lost your mind and gone crazy? You are only at the third level of the Tribulation Realm, and you still want to Are you going to fight with a dozen of my brothers?"

"Whether you are going crazy or not, you will know after you try it."

Chen Ping smiled coldly, and the dragon-slaying sword instantly appeared in his hand, and the indestructible golden body covered his whole body!

Seeing Chen Ping's body suddenly covered with golden scales, and the terrifying aura emanating from his body, the one-eyed monk frowned slightly!

Seeing this, Elder Sun knew that today's battle was unavoidable, so he gritted his teeth and said: "Mr. Chen, you and our Wantong Pavilion disciples will fight against the enemy together. I will help you after I kill the one-eyed man!"

"No need, you Wantong Pavilion disciples are too weak, don't die in vain."

Chen Ping shook his head and said!

When those Wantong Pavilion disciples heard this, they were all furious!

Many of them are at the third or fourth level of strength, many of them are at the fourth level of the Tribulation Realm, which is higher than Chen Ping. Now Chen Ping actually says that their strength is low?

Isn't this humiliating?

After listening to Chen Ping's words, Elder Sun also felt that Chen Ping was a little too pretentious. He was only at the third level of Tribulation Realm, but he actually said that others were low in strength!

But at this time, Elder Sun couldn't refute Chen Ping, so he could only say: "Okay, I'll try my best to make a quick decision and come here to help you!"

"I'd better make a quick decision and go help you..."

After Chen Ping finished speaking, his figure disappeared in an instant!

Chapter: 6065

Then a white light flashed, and next to Duyan, a young man who was in the fourth level of the Tribulation Realm, his head flew high in an instant!

Kill with one sword!

Still, no one reacted!

Chen Ping was holding the Dragon-Slaying Sword, and blood was still dripping from the blade of the Dragon-Slaying Sword.

hiss.....

Seeing this scene, all the disciples of Wantong Pavilion took a breath!

Just now they were angry that Chen Ping looked down on others!

Now everyone is stunned. A fourth-level cultivator in the Tribulation Realm was actually killed instantly by a third-level Tribulation Realm cultivator without any hesitation.

Even if a fifth-level monk in the Tribulation Realm wanted to kill a fourth-level Tribulation Realm monk, he couldn't do it so quickly and smoothly!

Elder Sun was also shocked. He did not expect that Chen Ping was so powerful. From that sword alone, he was not sure he could do it!

The one-eyed monk looked at his dead brother and was shocked in his heart.

Then he yelled angrily: "Boy, you are looking for death, kill me..."

The one-eyed monk jumped up, with a scimitar in his hand filled with black mist, and came straight towards Chen Ping!

"As long as I'm here, you can't hurt Mr. Chen at all!"

Elder Sun also jumped up. With Chen Ping's performance just now, Elder Sun's confidence has greatly increased!

Elder Sun followed the one-eyed monk into a fierce battle!

The remaining dozen demon cultivators came to attack Chen Ping!

“Nine Shadows Sword Technique...”

Chen Ping waved his dragon-slaying sword, and then figures appeared one after another!

In the end, there were seven identical Chen Pings, all wearing golden armor, holding dragon-slaying swords, and looking at the demon cultivators with murderous eyes!

More than a dozen demon cultivators were stunned when they saw so many identical Chen Pings suddenly appearing!

Not only them, but also the monks in Wantong Pavilion and the airship were stunned!

They really didn't understand what kind of technique Chen Ping used, and how could he conjure up so many of himself at once?

Chapter: 6066

Which one is true?

“Don't be afraid, this is an illusion, it's all fake, just attack!”

The one-eyed monk saw that his younger brother was being restrained by Chen Ping, so he shouted loudly!

With so many Chen Pings suddenly appearing, it was obvious that they had used illusions to confuse everyone's eyes!

After hearing the one-eyed monk's words, more than a dozen demon cultivators started attacking again!

More than a dozen treasures of various kinds were coming towards Chen Ping together!

Chen Ping held the dragon-slaying sword and instantly jumped up high!

When Chen Ping jumped up, more than a dozen demon cultivators immediately aimed at him. They all knew that this was Chen Ping's true form, and the others were all phantoms!

Chen Ping wanted this effect. A dozen demon cultivators jumped up and headed straight for Chen Ping's body. No one was paying attention to the Chen Ping clones below!

But just as these dozen demon cultivators were attacking Chen Ping, they suddenly felt a chill coming from behind them!

These demon cultivators were shocked. They thought the disciples of Wantong Pavilion had taken action!

But when they looked down, they found that the clones of Chen Ping that they had ignored were actually coming to kill them with dragon-slaying swords in their hands!

These demonic cultivators were so shocked that they had no time to react, and six or seven of them were directly killed!

This time, half of the people were lost!

“What’s happening here?”

“Damn it, can the transformed clone also kill people?”

“This clone doesn’t seem to be an illusion at all. It seems that each clone has its own aura.”

“It’s too scary. Is this kid really at the third level of Tribulation Realm?”

Whether it was the disciples of Wantong Pavilion or the people on the airship, everyone looked at it in shock, their eyes almost fell out of shock!

The one-eyed monk followed Elder Sun to fight and didn’t notice it. When he glanced at it casually, he was instantly stunned!

A dozen boys who were alive and kicking just now were half dead in the blink of an eye?

He didn’t understand how Chen Ping did it!

At the moment when the one-eyed monk was shocked, Elder Sun seized the opportunity and slapped the one-eyed monk on the chest, knocking the one-eyed monk far away!

Chapter: 6067

Elder Sun also noticed at this time that half of the dozen demon cultivators were killed by Chen Ping in the blink of an eye!

Now he finally knew why Chen Ping asked himself if he was the opponent of the one-eyed monk!

More than a dozen demon cultivators who were in the fourth and fifth levels of the Tribulation Realm had no resistance to Chen Ping, a third-level Tribulation Realm cultivator. It was simply outrageous!

“withdraw.....”

The one-eyed monk felt the chaotic atmosphere in his body and knew that he was injured. In addition, his younger brother was no match for Chen Ping, so he waved his hand and withdrew!

Elder Sun and Chen Ping did not pursue him. Their top priority was to get on their way, not to kill!

Now that Chen Ping’s identity has been exposed, there may be more people blocking the road. Now Elder Sun must send Chen Ping to Guanghai Palace as quickly as possible!

“Mr. Chen, are you okay?”

Elder Sun asked Chen Ping!

“It’s okay. He’s only at the fourth or fifth level of the Tribulation Realm. He can’t hurt me.”

Chen Ping said calmly!

Elder Sun was listening to Chen Ping’s words at the moment, but he didn’t even realize that he was showing off!

Now he also understands why the Demon Sealing Alliance wants to use a hundred years of sacrifice to kill Chen Ping!

Elder Sun took Chen Ping back to the airship!

Looking at the dead monk in the airship, Elder Sun frowned slightly!

He didn't know that this monk was killed by Chen Ping!

Just when Elder Sun was about to ask questions, Chen Ping took the lead and said: "This guy knew my identity and wanted to kill me and go to the Demon Sealing Alliance to receive the reward. It's a pity that he didn't have that life and was killed by me..."

When Elder Sun heard this, he said nothing more, but glanced at the many monks on the airship and said: "Everyone, as passengers of Wantong Pavilion, I will ensure your safety, but if you dare to act recklessly on the airship, I will never show mercy!"

Elder Sun is also warning everyone not to take Chen Ping's advice!

The airship started to move forward, but this time it went smoothly, no one was intercepting it!

Two full days later, the airship finally reached the end of the Southern Territory!

Chen Ping saw that there was a vast expanse of white under the airship, and above this vast expanse of ice and snow, there was a not very big city!

"Mr. Chen, this is Nanju City, which means we are at the very edge of the Southern Territory. Our airship landed in this city. If we want to go to Guanghan Palace, we still need to pass through the city and go up to the depths of Tianmo Mountain. That's all."

“The climate here is extremely cold. The depths of Tianmo Mountain are more dangerous than the hinterland. You must be careful. However, Guanghan Palace has a reception desk in Nanjing City. After signing up, you can be led to Guanghan Palace. This is relatively safe. Some.”

Chapter: 6068

“Our Wantong Pavilion also has a branch here. If Mr. Chen has anything to do, he can go to Wantong Pavilion at any time. As long as we can help, we will never stand idly by.”

Elder Sun valued Chen Ping even more at this time.

A small third-level cultivator in the Tribulation Realm could easily kill half of the dozens of fourth- and fifth-level demon cultivators in the Tribulation Realm. This kind of perverted strength is definitely worthy of being a genius among geniuses!

Elder Sun knows that if Chen Ping grows up, he will definitely be very terrifying. By then, he may have absolute power in the heaven and human world, and it is possible to even become a domain lord!

If you could ascend to immortality, that would be even more awesome!

Elder Sun knows that Chen Ping is a potential stock, so making friends now is the best choice!

“Thank you, Elder Sun.” Chen Ping nodded slightly and apologized, then asked curiously: “Elder Sun, since we have reached the end of the Southern Territory, if we continue to move forward, where will we end up?”

Chen Ping didn't know if the celestial world was the same as the secular world. It was spherical. If you continued walking to the end of the Antarctic, it would circle around!

“I don't know. No one knows where the end of the Southern Territory is, because apart from the Central Territory, there are barriers at the ends of the four major domains of the Tianren Realm, southeast, northwest, and cannot be penetrated at all, so no one knows.”

“I heard that there was once a powerful man who had reached the realm of immortality. He could not understand the way to become an immortal or ascend to immortality. He wanted to cross the barrier and see what was beyond the realm of heaven and man, but he failed. When the body dies, the Tao disappears.”

“So for all these years, no one would want to cross that barrier, and no one would want to know what is beyond the end!”

Elder Sun explained with a smile!

When Chen Ping heard that the end of the Heavenly Realm was a barrier, he knew that the entire Heavenly Realm might be a space world created by a certain immortal!

You must know that the universe, galaxies, thousands of worlds, thirty-six heavens, so many worlds may be nothing more than chess pieces in front of the real master!

He can create countless worlds at will, and he can also destroy countless worlds at will!

As Chen Ping’s strength grew, he discovered that the entire galaxy was more complicated than he imagined!

Chen Ping doesn’t know what kind of strength his father is now!

“Mr. Chen, please don’t even think about testing me. Everything I say is true...”

Seeing Chen Ping’s silence, Elder Sun thought Chen Ping was curious!

You know, curiosity killed the cat. If Chen Ping really wanted to go to the end of the Southern Territory and cross the barrier, it would really be over!

“Don’t worry, Elder Sun, I won’t be stupid enough to test you.”

Chen Ping smiled slightly!

While Chen Ping and Elder Sun were talking, the airship slowly landed on Wantong Pavilion’s own branch square!

Stepping off the airship, Chen Ping saw a lot of monks shuttled here, most of them young monks!

Chapter: 6069

The iconic loft of Wantong Pavilion is very eye-catching in this small border town, and it can also be seen that Wantong Pavilion has indeed great financial resources!

“Mr. Chen, since Guanghan Palace has a reception in Nanjing City, and everyone knows that the disciples of Guanghan Palace are as beautiful as immortals, the entire Nanjing City has become a lot more lively.”

“Of course, our Wantong Pavilion has also benefited a lot from this. In the past, there were not many people in Nanjing City.”

Looking at the monks constantly passing by, Elder Sun sighed with emotion!

Chen Ping was a little puzzled, then why did Guanghan Palace set up a reception desk and specially take people to Guanghan Palace?

Is it just to find Taoist companions for the outer disciples of Guanghan Palace?

Although he was confused, Chen Ping didn't go into details. He just came to get the Heavenly Demon Stone. He could go back after getting the Heavenly Demon Stone. As for why Guanghan Palace did this, Chen Ping didn't want to think about it anymore!

Just after Chen Ping and the others stepped off the airship, several people wearing Wantongge costumes came over!

"Elder Sun, thank you for your hard work. Will it go well this time?"

A tall and fair-skinned disciple of Wantong Pavilion asked Elder Sun very politely!

"Fortunately, although there is a little hiccup, it doesn't matter."

Elder Sun smiled slightly, then looked around and said, "Why do I feel that there are so many more monks in Nanjing City? Could it be that some saint has appeared in Guanghan Palace to attract people?"

"That's not true. Guanghan Palace recently spread news that a place where immortals died was discovered in the polar regions. However, that place is very dangerous, so Guanghan Palace hopes to find some Taoist companions for the outer disciples. Then go explore together."

"But this time Guanghan Palace has set up many tests. Only after passing the test can we select Taoist companions to go to the polar regions, so it attracts more people."

"If I weren't the person in charge of the Wantong Pavilion, I would also like to give Guanghan Palace a try..."

The Wantong Pavilion disciple said jokingly!

When Chen Ping heard this, he looked at the person in front of him carefully. He didn't expect that this person was so young and was actually the person in charge of the Wantong Pavilion branch!

No wonder this guy dares to follow Elder Sun and make such a joke!

“Hahaha, Pavilion Master Qian, don’t let your brothers and sisters hear these words, otherwise you will be in trouble.”

Elder Sun laughed and said!

“I was just joking. Elder Sun won’t complain, right?” Pavilion Master Qian asked with a smile!

“That’s not certain. If you want to stop my mouth, you’ll have to bleed some blood.”

Elder Sun was joking with Pavilion Master Qian!

“Elder Sun, since you’ve already arrived, I won’t bother you. I’ll ask you where the reception desk of Guanghan Palace is.”

Chapter: 6070

Chen Ping saw Elder Sun chatting happily with Pavilion Master Qian and didn’t want to waste time, so he asked Elder Sun!

“Elder Sun, who is this???”

Master Qian Pavilion looked at Chen Ping!

“Oh, this is Mr. Chen. He is the one who is optimistic about Elder Xia’s daughter’s illness.”

Elder Sun quickly introduced!

Elder Sun specifically talked about Elder Xia’s daughter because Pavilion Master Qian has a good relationship with Elder Xia!

Pavilion Master Qian was able to become a person in charge of the branch pavilion in Nanjing City at such a young age because of Elder Xia’s recommendation!

Although Nanjing City was extremely desolate at that time, he was also the master of the branch pavilion. For a young man, this was unlimited opportunities!

Now that the emergence of Guanghan Palace has made Nanjing City prosperous, the master of Qian Pavilion has also risen in the Wantong Pavilion. Now he can joke with Elder Sun!

“What? Elder Xia’s daughter is cured of her illness?”

Pavilion Master Qian was a little shocked!

“Well, Mr. Chen cured her. Lao Xia also gave Mr. Chen a token.”

Elder Sun nodded and said!

After listening to Elder Sun’s words, Pavilion Master Qian looked at Chen Ping with much more respect!

“Mr. Chen, my surname is Qian. I am the person in charge of the Wantong Pavilion here. If you have anything to do here, you can come to me at any time.”

Pavilion Master Qian said very politely!

“Thank you very much, Pavilion Master Qian. Now I just want to go to the reception desk of Guanghan Palace to sign up. I wonder where the reception desk is?”

Chen Ping just wants to go to Guanghan Palace quickly to get the Demon Stone!

If his identity is completely exposed, it will be even more difficult here!

Pavilion Master Qian told Chen Ping the location and wanted to take Chen Ping there, but Chen Ping refused directly!

Chen Ping plans to find a secluded place to change his appearance. It would be inconvenient for Pavilion Master Qian to follow him!

After saying goodbye to Elder Sun and Pavilion Master Qian, Chen Ping found a hidden place and changed his appearance!

But this time, Chen Ping did not turn into a bearded uncle.

After all, most of the monks who went to Guanghan Palace were young people. If Chen Ping turned into an uncle, he would be too conspicuous!

Chen Ping just turned into a very ordinary young man and walked towards the reception area of Guanghan Palace!

Before he even arrived at the reception desk, Chen Ping saw that there was already a queue in front of him!

The queue stretched for hundreds of meters, with no end in sight!

Chen Ping frowned when he saw such a long queue. He didn't expect that so many people wanted to go to Guanghan Palace!

If there is a queue, how long will it take?

Just when Chen Ping was in a dilemma, a monk with a goatee and narrowed eyes walked towards Chen Ping!

“Does this fellow Taoist want to sign up to go to Guanghan Palace to find a Taoist companion?”

The goatee walked up to Chen Ping and asked in a low voice!

Chen Ping nodded. Although he was not looking for a Taoist companion, he couldn't tell this guy that he was here to get the Heavenly Demon Stone!

“If you go to Guanghan Palace and sign up at the reception desk, you won't be able to get in line in the year of the monkey and the month of the horse.”

“But you only need to pay one hundred thousand spirit coins, and I can take you to Guanghan Palace. I know the way to Guanghan Palace, and it is absolutely safe.”

“But I can only send you to the outer gate of Guanghan Palace. You have to figure out how to get in.”

“If you want to enter the outer gate, I can take you, but it will cost you one million spirit coins.”

The goatee said to Chen Ping!
