

The Order 6071

Chapter: 6071

“Can you really take me to Guanghan Palace?”

Chen Ping looked at the goatee with disbelief in his eyes!

“Of course. I have lived here all my life. I am very familiar with the road to Guanghan Palace, and it is absolutely safe.”

“I’ll tell you the truth. I am familiar with an elder from Guanghan Palace. If you give me more spirit coins, I can take you to the inner gate without any problem.”

Goatee smoothed his beard with his hand and said confidently!

“Okay, then take me to the inner gate. It’s best to meet the master of Guanghan Palace!”

After saying that, Chen Ping took out a dozen purple gold spirit coins from the storage ring and threw them to Goatee!

“Purple gold spiritual coin?”

Goatee looked at the purple gold spirit coin in his hand and was stunned for a moment!

It took a long time to recover, and the look in Chen Ping’s eyes instantly became extremely flattering!

He didn't expect that Chen Ping turned out to be a rich man who could sell more than a dozen purple gold spirit coins!

"Fellow Taoist, don't worry. I have stayed here all my life, and I will definitely send you to Guanghan Palace!"

Goatee hurriedly put the purple gold spirit coin into his pocket and was about to leave with Chen Ping!

"Shen Jizi, you are cheating here again, how many times have I warned you!"

Just when Shen Jizi was about to leave with Chen Ping, a shout suddenly sounded!

I saw a female cultivator wearing green clothes and holding a sword coming quickly, glaring at the magical machine!

When Shen Jizi saw the woman, he immediately seemed extremely embarrassed!

"Miss Lan, I'm not lying. Don't be so slanderous!"

Shen Jizi quickly shook his head and said!

"Huh, I've been watching you for a long time. You've been using our Guanghan Palace as an excuse to deceive people all day long. Don't think I don't know."

The girl Lan snorted coldly, then looked at Chen Ping and said: "Fellow Taoist, I am the person in charge of the reception desk of Guanghan Palace. My name is Lan Yingying. Did this guy tell you that he can take you to our Guanghan Palace?" The palace can still take you in and let you spend money?"

Chen Ping nodded, and then looked at the magic machine with a bit of anger in his eyes. It turned out that this guy was a liar!

“Don’t be fooled. If you want to go to our Guanghan Palace, you can only register at the reception desk and then be guided by us.”

“If you rashly go up the mountain privately, you won’t be able to find the location of our Guanghan Palace. Instead, you will be in trouble. The environment here is harsh and there are monsters everywhere.”

Chapter: 6072

“If you really want to go to Guanghan Palace, please queue up and register.”

After Lan Yingying finished speaking, she glanced at Chen Ping and then continued: “However, with your third-level strength in the Tribulation Realm, I’m afraid you won’t have the chance to go to our Guanghan Palace this time. The strength of the monks we registered this time must be Only those who are at level five or above of the Tribulation Realm can do it.”

“After all, the Taoist companions that the outer sect sisters are looking for this time are going to enter the polar regions together. If the cultivation level is too low, they will just die in vain!”

After hearing what Lan Yingying said, Chen Ping was really surprised. He didn’t expect that Guanghan Palace was really different!

There are also realm requirements for finding a Taoist companion for the outer disciples in your palace!

This is not looking for a Taoist companion. It is obviously looking for someone to take advantage of, someone who has worked for Guanghan Palace in vain!

Chen Ping was about to ask Lan Yingying if the palace owner of Guanghan Palace was in the palace. Chen Ping wanted to set up a relationship to see if he could enter Guanghan Palace!

But before Chen Ping could say anything, a commotion broke out in the queue!

“Who are you? We’ve been waiting in line for a long time, why did you jump in line?”

“What the hell, don’t you Guanghan Palace care about it?”

“I’ve been waiting in line for a long time, no one can jump in line!”

Some people in the queue shouted in dissatisfaction!

Lan Yingying frowned and her face became ugly. It seems that queue jumping often happens here!

“Xue’er, what’s going on? Why is there someone jumping in line?”

Lan Yingying looked at a female cultivator not far away and asked sharply!

“Sister Lan, this person is related to Elder Mu.”

The female cultivator hurriedly came over and said.

Lan Yingying said with a cold face and an unhappy expression: "Didn't I say that no matter what, you must follow the rules?"

"Have you forgotten the rules of our Guanghan Palace?"

"Sister Lan, I..." The female cultivator lowered her head, looking a little aggrieved!

"Do I have to follow the rules too?"

A male cultivator in white walked towards Lan Yingying, with a hint of amusement on his face.

When Chen Ping saw this male cultivator, he was stunned. Isn't this the same Mu Kui who was let go by Elder Na Xia?

When did this guy come to Nanjing City?

Chapter: 6073

Could it be that he was also going to Guanghan Palace?

Lan Yingying frowned slightly after seeing Mu Kui: "Mr. Mu, now your behavior has caused dissatisfaction to others, and there is nothing we can do..."

Obviously, Lan Yingying's tone has softened a lot, and it seems that she also knows Mu Kui!

Mukui looked at Lan Yingying, his eyes full of lightness, and raised the corner of his mouth: "You mean, you want me to line up?"

"Not bad!" Lan Yingying nodded!

“What if I don’t line up?” Mu Kui seemed to be provoking Lan Yingying!

“Then there’s no way to register you!”

Although Lan Yingying’s tone was calm, she was very firm!

“Won’t you register for me?” Mu Kui snorted coldly: “I want to see if you have that ability.”

“Open your big eyes and see what this is...”

Mu Kui took out a token and waved it in front of Lan Yingying. This was the token of Guanghan Palace!

Seeing the token, Lan Yingying stopped talking!

“This is the token given to me personally by Elder Mu of Guanghan Palace. What else do you dare to say?”

“Let me tell you, if it weren’t for the fact that you are an inner disciple of Guanghan Palace, I would have played with you a long time ago.”

“My aunt personally notified me to come here, so that I can go to the extreme to experience it. Otherwise, I would not be willing to come to this ungrateful place.”

After Mukui finished speaking, he put away the token and walked straight towards the reception room. There was no queue at all!

Mu Kui didn't notice Chen Ping's existence until he left. Chen Ping changed his appearance and suppressed his aura. If Mu Kui didn't deliberately investigate, he wouldn't have been able to discover it!

Lan Yingying looked at Mu Kui's back, her face turned red with anger, but there was nothing she could do!

The female cultivator opened her eyes angrily and said, "Sister Lan, this Mu Kui has gone too far. He dares to talk to you like this because of his relationship with Elder Mu. Moreover, this guy has fooled us by relying on his status as the son of the Mu family. Several outer sisters."

"He also said that the harmony of yin and yang, the dual cultivation of ice and fire, can quickly increase the strength, so that many of our outer sect sisters were deceived by him and competed with him..."

"Xue'er, shut up!" Lan Yingying didn't wait for Xue'er to finish speaking and quickly glared at her!

After all, with Chen Ping and that magic machine, it is inconvenient to talk about some scandals in Guanghan Palace!

Lan Yingying took Xue'er away without even looking at Chen Ping!

In Lan Yingying's eyes, Chen Ping is just a little monk at the third level of Tribulation Realm!

Not even qualified to register!

When Shen Jizi saw this, he turned around and prepared to leave!

"Fellow Taoist, have you forgotten something?"

Chen Ping saw that the magic machine was actually going to leave, so he said!

“What did I forget?” Shenjizi said pretending to be confused!

“You forgot to give me the money back.”

Chen Ping stretched out his hand toward Shenjizi!

“What money? I didn’t take any of your money. Don’t slander anyone. Get out of here right now, otherwise don’t blame me for being rude to you!”

How could the money that Shen Jizi put in his pocket be taken out again!

What’s more, Chen Ping is only at the third level of the Tribulation Realm, but he himself is at the fifth level of the Tribulation Realm!

Chen Ping has no companions, he is alone, and the magic machine is going to rob him!

Chapter: 6074

Shenjizi nodded, and then continued walking south with Chen Ping!

After walking a short distance, Shenjizi stopped and observed the surrounding situation. Then he waved his hand and a strong wind swept across, blowing away all the snow on the ground.

After the snow was blown away, a cave was revealed, but the cave was very small and required bending down to enter!

“Enter this cave and you can go directly to the outer hall of Guanghan Palace. It is very hidden here. No one knows about it, and it is very safe.”

“I have been making money from this cave during this period of time...”

Shen Jizi pointed at the cave and said!

Chen Ping glanced at the cave, and then sneered: “You rely on this cave to kill people and buy goods, right?”

Chen Ping could clearly feel the bursts of anger coming from the cave!

Shen Jizi was stunned for a moment, and then quickly explained: “Fellow Taoist, please don’t misunderstand me. Although I have killed people in this cave, I never dare to have any evil thoughts towards my fellow Taoist.”

“Even if you move, it’s meaningless!”

Chen Ping smiled lightly and then got into the cave!

Shenjizi was stunned for a moment, and then followed in!

It was very dark in the cave, and Chen Ping didn’t know how long he had been walking before a light appeared in front of him!

When he emerged from the cave, Chen Ping saw a mist in front of him. In the mist, there was a palace!

“Ahead is the outer palace of Guanghan Palace. I can only take you here. If you want to enter Guanghan Palace, you still need to find a way on your own.”

Shen Jizi said cautiously!

“Okay, that’s all. You don’t have to worry about other things!”

Chen Ping nodded, and then walked towards the outer gate of Guanghan Palace!

Chen Ping looked from a distance and saw several female nuns guarding the outer palace. These female nuns were all so graceful and graceful that one look at them would make people feel excited!

Outside the outer gate of Guanghan Palace, there were several male cultivators who seemed to be saying something following the female cultivators!

These male cultivators were blocked from entering and could not enter!

Looking at the ragged clothes of these male cultivators, they must have found their own way to Guanghan Palace. It seems that they suffered a lot on the way!

However, such monks who come up to the mountain privately are not allowed to enter Guanghan Palace!

Only those who sign up at the reception desk and are brought in by someone from Guanghan Palace can enter.

Chapter: 6075

Soon, another group of people walked towards the outer gate of Guanghan Palace.

But this time, it was Lan Yingying who led the team, followed by more than a dozen male cultivators!

Mukui is among them!

“Sister Lan, you are here...”

When a female cultivator from Guanghan Palace saw Lan Yingying, she quickly opened the door and welcomed her out!

Lan Yingying nodded, then looked at the ragged monks in front of the door, frowned slightly and said: “Why are there so many people coming to Guanghan Palace privately today? They are really stubborn!”

After saying that, Lan Yingying asked all the monks she brought to enter the outer palace, and he said to the ragged monks: “It is impossible for you to come to Guanghan Palace privately. Let’s go back.....”

“Fellow Taoist, we have gone through a lot of hardships to find this place. Many people died on the road. Just let us in.”

“Yes, if we go back like this, we will definitely die on the way. Just let us go in.”

“We just want to find a Taoist companion, and we are willing to contribute to Guanghan Palace!”

Several monks were begging Lan Yingying, and some even knelt down!

Lan Yingying looked at these monks, sighed, and then said: “Our Guanghan Palace has the rules of Guanghan Palace. If we let you in, wouldn’t it be bad? Anyone who wants to enter Guanghan Palace can do it.”

“If you really want to enter Guanghan Palace, then enter from the side of the main hall. There is an illusion array there. As long as you can pass through, you can enter Guanghan Palace.”

Lan Yingying pointed to the thick white fog beside the hall and said!

Several monks looked at the white mist, and all of them had troubled expressions on their faces. It seemed that they knew how powerful the illusory formation was!

“If you don’t have the courage, then leave. You can’t go in.”

After Lan Yingying finished speaking, she turned around and entered the hall!

The remaining monks looked at each other in shock!

Chen Ping, who was not far away, heard Lan Yingying’s voice and looked at the fog on that side, and his heart suddenly became ecstatic!

He was still worried about how to enter, but now he has a way!

Chen Ping walked towards the mist without hesitation!

But who would have thought that the magic machine caught up with him, grabbed Chen Ping and said, “Fellow Taoist, you must not do this. This illusion formation is not an ordinary existence. You cannot enter.”

“As far as I know, there is no way to enter Guanghan Palace through the illusory array. Many people have died inside. There are various combinations of formations in this illusory array. Some people are trapped in it and cannot get out for a lifetime. , you must not try it!”

“I’m not being alarmist. If it weren’t for your generosity and giving me so much money, I wouldn’t have told you. Didn’t you see that those monks didn’t dare to give it a try?”

Chapter: 6076

Shenjizi persuaded Chen Ping not to let Chen Ping enter the illusion array!

Chen Ping glanced at the machine, then smiled slightly and said: “I know some formation techniques. Even if I can’t pass, it’s still no problem to get out...”

“I have to remind you, if you are trapped in it by then, it will have nothing to do with me.”

When Shen Jizi saw that Chen Ping was determined to go, he let go!

Chen Ping nodded, and then walked towards the illusion array!

The monks at the door were all shocked when they saw Chen Ping walking towards the illusion formation!

Even the female cultivators from Guanghan Palace at the door looked at Chen Ping in shock!

“It seems that this guy doesn’t know how powerful the phantom formation is, yet he dares to try it.”

“No one has tried the magic array for many days, and there is another good show today.”

“That phantom formation is the palace master’s excuse to make those monks who come to Guanghan Palace privately retreat.”

Several Guanghan palace female cultivators were discussing!

Chen Ping walked into the illusion formation without hesitation, and his figure disappeared in an instant!

“Why.....”

Seeing Chen Ping’s figure disappearing into the illusion formation, Shen Jizi sighed: “What a good man. He must still have a lot of money on him. It’s such a pity. Before entering the illusion formation, give me all the money you have.” OK!”

It turns out that Shenjizi has been thinking about the money on Chen Ping. If the person dies in the illusion array, the spiritual coins on him will be useless!

Shenjizi turned around and was about to leave!

But at this time, there was a mist in the illusory formation that shot straight into the sky!

Shen Jizi was stunned and stared blankly at the illusory formation!

Even the monks and female cultivators at the door opened their mouths with shock!

“How is it possible that the outer formation of the phantom formation has been destroyed?”

Shenjizi said in disbelief!

As soon as Chen Ping entered the phantom formation, he broke through the outer formation of the phantom formation and directly entered the core area of the phantom formation. This speed was too fast!

There are quite a few people who can break through the formations outside the phantom formation, but there are none as fast as Chen Ping!

“This...how is this possible? Didn't that guy just enter?”

Chapter: 6077

“It's too outrageous. In the blink of an eye, the outer formation was broken. Is this guy an formation master?”

“It's useless even if it's an array mage. He can't break the core of the illusion array, so he'll just wait to die trapped inside.”

“If there is no way to break through the outer formation, there is still a possibility of getting lost and returning. Now that we have entered the core of the illusion formation, we will be trapped inside.”

Several Guanghan Palace nuns were chattering!

At this time, Lan Yingying walked over quickly, frowning slightly and said: “What's going on? Those guys really entered the illusion array?”

Lan Yingying thought that those monks in ragged clothes had entered the illusion formation because of him!

“No, those guys are still standing outside. Another person went in.”

“But this man is very strange. He came to Guanghan Palace privately, and his clothes are intact, and he doesn’t seem to have encountered any difficulties at all!”

A female cultivator from Guanghan Palace said!

“Another person?”

Lan Yingying was a little surprised!

After seeing Lan Yingying, the magic machine turned around and left quickly. If Lan Yingying found him, his way to make a fortune would be gone!

At this time, in the illusory formation, Chen Ping was walking forward leisurely and contentedly. This illusory formation had no impact on Chen Ping at all!

“Fellow.....”

Suddenly, someone called Chen Ping!

Chen Ping looked for his voice and found several beauties walking towards Chen Ping!

When he got closer, Chen Ping discovered that it was actually Ge Yuhan, Ge Jiayi, Gu Ling’er, Wu Mei’er, Ji Ruxue...

“You...you...”

Chen Ping looked at the women in front of him and didn't know what to say for a moment!

"Are we beautiful?"

Ji Ruxue is still so dignified and elegant, with her snow-white skin and stunning appearance that makes people fall in love with her!

What's more important is that Ji Ruxue is wearing a white dress at the moment, and her looming body is very attractive!

The other girls also wore very bold clothes, exposing large areas of skin!

Each one is as charming as silk, and exudes a seductive smell!

Chapter: 6078

Chen Ping looked at the woman in front of him, feeling a little sad in his heart!

"Come on, let's play with you and make you want to die..."

Ji Ruxue stepped forward and gently touched Chen Ping's face!

They don't seem to know Chen Ping, after all, Chen Ping has changed his appearance!

"Damn it, the Saint of Guanghan Palace, for actually treating my woman as a temptation in the illusion array. I must settle the score with her."

Chen Ping suddenly cursed angrily, waved his palm lightly, and all the women in front of him disappeared!

Chen Ping was not deceived. He knew that these women were caused by the phantom formation!

However, the Saint of Guanghan Palace actually used Chen Ping's female appearance as the basis of temptation, which Chen Ping couldn't accept.

Even knowing that they were all imaginary and fake, Chen Ping felt sour in his heart!

He decided that when he met the Saint of Guanghan Palace, he must give an explanation!

This kind of temptation was broken by Chen Ping with a wave of his hand, but many people fell into trouble here!

After all, the people who come here are all young monks, looking for Taoist companions and coveting the beauty of the female cultivators from Guanghan Palace!

If in this illusion array, they encounter so many attractive beauties wearing scantily clad clothes, few people would be able to withstand it!

As Chen Ping waved his hand to break the temptation in the illusory formation, the surroundings suddenly became pitch black, followed by waves of cold air and the roar of a fierce ghost!

Chen Ping raised the corner of his mouth and sneered!

"It's really sad that such a low-level illusory formation can trap so many people. The monks in the Heavenly and Human Realm really know too little about the art of formation."

Chen Ping sneered secretly and walked forward without paying any attention to everything around him!

Chen Ping kept walking forward, but the formation behind him suddenly collapsed!

Just like this, they collapsed all the way. When Chen Ping saw a main hall again, the illusion array behind him completely collapsed and disappeared without a trace in an instant!

“The illusion array collapsed and disappeared directly...”

“What is going on? Could it be that someone passed through the phantom formation and entered the outer gate of Guanghan Palace?”

“Who is he? This is so awesome!”

The commotion caused by the collapse of the illusory formation instantly aroused the discussion among many monks in the outer palace!

They were all brought in by signing up, but they didn't expect anyone to be able to pass through the illusory formation of Guanghan Palace and force their way in!

Chapter: 6079

Lan Yingying frowned and stared at the illusory array on one side. Now the illusory array was broken. Not only was it broken, the other party also directly destroyed their illusory array!

You must know that this illusory formation was set up personally by the Palace Master of Guanghan Palace. I didn't expect it to be destroyed like this!

"I want to see who it is? Even if he broke through the illusory formation, he actually destroyed the formation."

Lan Yingying gritted her teeth, feeling very angry inside!

At this time, after destroying the phantom formation, Chen Ping looked at a path and slowly walked towards the outer palace!

Through the illusion formation, this road can lead directly to the outer palace!

The path was covered with snow, and it was obvious that no one had cleaned it, which proved that no one had ever walked on this path!

"I don't know who has passed through the fantasy formation. If he is handsome, I will accept him."

"A monk like this who can break into Guanghan Palace is definitely not bad at it. It will be your turn when the time comes."

"I also want to become a Taoist companion with this kind of person."

The eyes of several female nuns in the outer palace were shining brightly!

As outer disciples of Guanghan Palace, they are allowed to become Taoist couples with male cultivators, and they also know their mission. Their mission is to find potential male cultivators to become Taoist couples!

This is also done to indirectly increase the strength and influence of Guanghan Palace!

Since you are looking for a Taoist companion, who wouldn't want to find a handsome and capable monk?

Each of these female cultivators was full of expectations, but Lan Yingying glared at these female cultivators so hard that they all shut their mouths!

Regardless of who this person is or what his abilities are, he must give an explanation for destroying the illusory formation in Guanghan Palace!

Soon, a figure slowly appeared from the path!

Everyone waited quietly, no one spoke, it was completely silent!

When the figure approached, Lan Yingying was stunned for a moment, her eyes widened, and her face was full of disbelief!

She didn't expect that it would be Chen Ping who broke through the illusion formation!

A third-level cultivator in the Tribulation Realm that she looked down upon at all!

Lan Yingying still remembered what she said at that time, third-level monks in the Tribulation Realm did not even have a chance to sign up!

But now, Chen Ping broke into Guanghan Palace alone!

"Oh it's you?"

Chapter: 6080

Lan Yingying looked at Chen Ping and said in surprise!

“Yes, it’s me. Since you don’t take me with you, I can come in by myself!”

Chen Ping smiled lightly at Lan Yingying and said!

Others were also shocked after seeing Chen Ping!

“This guy is only at the third level of the Tribulation Realm. How could he pass through the illusion?”

“Not only did he pass through the illusion, he also destroyed the formation of Guanghan Palace. This is making trouble!”

“Where is this kid from? Why don’t you recognize him?”

Many monks looked at Chen Ping and started talking about it!

Mukui also frowned slightly and looked at Chen Ping. He didn’t know why, but he always felt that Chen Ping looked familiar!

However, Chen Ping changed his appearance and his aura became calmer, but Mu Kui didn’t recognize it!

After seeing Chen Ping, the female cultivators who had just wanted to become a Taoist couple with Chen Ping were all a little disappointed!

“It’s not that long, it’s really disappointing!”

“Three levels of Tribulation Realm, I thought he would be a master.”

“Who just said that you want to become a Taoist partner with him? Go quickly!”

The female disciples in Guanghan Palace were discussing in low voices!

Lan Yingying didn’t care about the female cultivators, but looked at Chen Ping angrily and said: “Since you passed the illusion array, why did you destroy our array? This is the illusion array set up by our palace master himself. Now You have been ruined and must give us an explanation!”

When Chen Ping heard this, his face suddenly turned cold and he said, “I think your palace mistress should give me an explanation, right? Call your palace mistress here, I have something to ask her!”

When Lan Yingying heard that Chen Ping was so arrogant, she couldn’t help but become even more furious!

“Who do you think you are? Let our Palace Master come to see you. If our Palace Master comes, you will definitely die!”

Lan Yingying angrily scolded Chen Ping and said!

“Since you won’t report it, then I will go to her personally to settle the account...”

Chen Ping said, heading towards the inner door!

This Saint of Guanghan Palace used her own woman as a temptation in the illusion formation. How could Chen Ping endure it!

Even if it was fake, Chen Ping felt like he had been cuckolded!
