

The Order 6081

Chapter: 6081

“stop!”

Lan Yingying stopped Chen Ping!

Chen Ping frowned and said, “What? I came in by myself, do you still have to kick me out? Don’t you, Guanghan Palace, abide by the rules?”

Chen Ping deliberately loudly talked about obeying the rules. After all, Lan Yingying was still very upright in Mukui’s queue, but Mukui took out the elder’s token, so Lan Yingying had no choice!

“Of course our Guanghan Palace abides by the rules. Since you passed through the illusion array and entered here, we will definitely not kick you out.”

“You can also choose the female cultivator you like here, and then pass the challenge to become a Taoist couple!”

“But if you want to go to the inner sect, you must pass the test. Not only you, but also the monks I brought here must pass the test before they can go to the inner sect!”

“Because the situation this time is special, it must pass a test. But if the test is passed, there will be big opportunities waiting for you later.”

“As long as you pass the test, you will not only be able to embrace the beauty, but you can also go to the polar regions together to explore the place where the immortal fell. If you are lucky, you may even get an immortal weapon.”

Lan Yingying said to Chen Ping!

Although Lan Yingying was angry at Chen Ping for destroying their Guanghan Palace formation, she did not embarrass Chen Ping too much!

Instead, he explained the rules of Guanghan Palace in detail!

As for the destruction of the formation, it is up to the palace master to decide, and it is not something that she, the person in charge of the reception desk, can take care of!

When Chen Ping heard this, he immediately shook his head and said: "I'm not here to find any Taoist companions, nor do I want to embrace a beautiful woman, let alone participate in any trip to the polar regions. I just want to meet your palace master!"

Chen Ping came here to get the Heavenly Demon Stone, not to find a Taoist companion.

What's more, there is no shortage of women around Chen Ping, and all of them are as beautiful as flowers. If he wants a woman, every woman will try their best to get close to him, so there is no need to go through the test!

As for the trip to the polar regions, exploring the place where the immortals fell, and obtaining any immortal weapons, Chen Ping was even more uninterested!

He also has many magical weapons in his hands, so he doesn't need any magical weapons!

Lan Yingying looked at Chen Ping in bewilderment. She didn't understand that Chen Ping had worked so hard to break in from the illusion array, not to find a Taoist companion, nor to travel to the polar regions, but to meet the master of Guanghan Palace!

You must know that most of these young monks came to Guanghan Palace to find Taoist companions. Of course, some of them heard about Guanghan Palace's trip to the polar regions and came here specially!

But Chen Ping was neither of them. He broke into Guanghan Palace just to meet the master of Guanghan Palace. This was too unusual!

"If you want to see the palace master, you must pass the test, otherwise it will be impossible to get to the inner gate!"

Lan Yingying said to Chen Ping!

Seeing this, Chen Ping could only say helplessly: "Okay, how to test it? Hurry up, my time is precious..."

Chapter: 6082

"Don't think that you are invincible after passing through our Guanghan Palace Illusion Array. Let me tell you, you may just be lucky to pass our Illusion Array. After all, the Illusion Array only charms the mind. As long as the mind is strong, it will be easy to pass. "

"But this test is a test of true strength. It is simply impossible for you to pass the test with the strength of the third level of Tribulation Realm."

Lan Yingying saw that Chen Ping didn't take Guanghan Palace's test seriously at all, so she said coldly!

"Whether it's a fantasy or not, you'll know after you try it, so hurry up and start!"

Chen Ping is a little impatient!

Lan Yingying glared at Chen Ping and said nothing. Instead, she walked up to the many monks and said loudly: "Everyone, you have been selected when you signed up. Now that you are here, you can choose the female monk you like and challenge for victory. , you can become a Taoist couple."

“But if you want to go to the inner gate and then travel to the polar regions, you must pass the test again. But don’t worry, everyone, this trial tower has already been set up by our palace master, so even if someone fails to pass the trial tower, It’s not life-threatening.”

“We want to select the most suitable candidate. After all, this polar trip is very dangerous. Our palace master does not want anyone to be injured or injured, so we set this test!”

After hearing Lan Yingying’s words, everyone suddenly said excitedly: “Let’s start quickly, we can’t hold it in anymore...”

After all, it wasn’t life-threatening, so I didn’t quit.

“Should I still use the test?”

Mu Kui took a step forward and asked Lan Yingying!

“Mr. Mu, although you have the Elder Token, this test is also a must. This is decided by the Palace Master himself. But don’t worry, this trial tower is not dangerous, and with your strength, you can pass this test. Tower training is very simple.”

Lan Yingying said to Mukui!

“Okay, press me and you’ll be tested!”

Mu Kui was very helpful to Lan Yingying’s words!

After all, who doesn't like people who flatter themselves, but when Lan Yingying saw Mu Kui agreeing, she secretly sneered!

Obviously, Lan Yingying deliberately flattered and killed Mu Kui!

Chen Ping frowned when he saw that Mukui also had to undergo a test!

After all, this guy has fought with Chen Ping and is very familiar with Chen Ping's aura. If he enters the trial tower, Chen Ping must let go of his aura. Otherwise, Mukui will definitely find out his identity!

But now that the matter has come to this, Chen Ping cannot back down, so he can only wait. If he can wait until Mukui passes the test and Chen Ping is accepting the test, then his identity will not be exposed!

Lan Yingying led everyone through the outer palace, and then walked to a high tower!

There is a light white mist surrounding the tower. The entire tower is like a golden cast, shining with golden light, and on the top of the tower, a green light keeps flashing!

"Everyone, this is the trial pagoda of our Guanghan Palace. Although this pagoda looks small from the outside, there is a vast space inside. You can fully display your strength."

"Of course, to pass the test, you have to walk all the way from the bottom of the pagoda to the top. Then you only need to touch the gem with green light, and it will be teleported out of the pagoda. It will be considered as passing the test."

"There are many mechanisms here. Maybe everyone's test is different, so it is absolutely impossible to get experience from other people's mouths."

Lan Yingying said to many monks!

As soon as Lan Yingying finished speaking, someone said impatiently: "Okay, hurry up and open the trial tower, we can't wait!"

Lan Yingying waved her hand, and the door of the trial tower slowly opened!

As soon as the door opened, several monks rushed in impatiently!

These people may think that passing the test first will give them a lot of face, and in this way they can attract the attention of many female cultivators!

Looking at the monks rushing in, Chen Ping sneered!

These guys are so impatient. Although the trial tower is not life-threatening, they never said they would not be injured!

If you are seriously injured and unable to practice, it will be even worse than death!

Chen Ping glanced at Mukui. He hoped that Mukui could pass the test first so that his identity would not be exposed.

Chapter: 6083

Bang bang bang.....

Suddenly, after a muffled sound, the monks who had just rushed in were all knocked out!

These people fell to the ground one by one, wailing in pain!

“Fuck, what kind of fucking test is this? It’s so perverted...”

“Didn’t I agree that it’s not life-threatening? I almost died in there.”

“My leg is broken, how can I practice in the future?”

“Liar, Guanghan Palace is a big liar...”

The monks who were knocked out were screaming and cursing one by one!

At this time, all the monks who were gearing up just now were a little confused!

Many people became nervous. They were eager to try it out after hearing Lan Yingying’s words that it was not life-threatening!

If you don’t lose your life in the end, but you become seriously injured and can no longer practice, that will be even worse than death!

“Humph, a bunch of cowardly guys!”

When Mukui saw that no one dared to enter on his own initiative, he snorted coldly and walked into the trial tower with great swagger!

When the other monks saw this, some gritted their teeth and followed in, while others announced their withdrawal!

Chen Ping was counting the time. When Mukui was about to pass, he was going in!

Seeing that Chen Ping didn't dare to go in, Lan Yingying suddenly said with a sarcastic face: "Since you don't dare to go in, then go back. I said, even if you passed the illusion array by luck, you can't pass this trial tower!"

Chen Ping looked at Lan Yingying, but did not speak. Instead, after waiting for a while, he walked into the trial tower!

As soon as he walked into the trial tower, Chen Ping found that the world around him changed and he was in an endless forest!

The surroundings are filled with the roars of various beasts!

"Is this this kind of test?"

Chen Ping raised his lips, he didn't expect the test of Guanghan Palace to be so simple!

It should be that after everyone enters the trial tower, they enter different scenes, and each scene has its own dangers!

Chen Ping walked forward in the endless forest!

From time to time, ferocious beasts rushed out, but were easily killed by Chen Ping with his Dragon-Slaying Sword!

Chapter: 6084

Although Chen Ping is currently only a third-level monk in the Tribulation Realm, Chen Ping is not afraid of a seventh-level monk in the Tribulation Realm!

Chen Ping killed the beasts along the way and easily arrived in front of the gem emitting green light!

Now Chen Ping only needs to touch the gem with his hand and input his breath into it, and he can be teleported out of the trial tower, and he will pass the test!

But just when Chen Ping was about to walk towards the gem, his body exuding aura, his expression suddenly tightened!

“Who is it, get out...”

Chen Ping discovered that someone was hiding not far away!

Chen Ping was a little surprised. He didn't know why the other party was hiding and secretly observing him!

“I didn't expect it was really you. Even if you change your appearance, the aura on your body can't change.”

Mukui came out of hiding, and there were several people following Mukui!

These people obviously entered this scene from the trial tower and then followed Mukui!

After all, only Mukui is the strongest here!

“Have you been waiting for me?”

Chen Ping looked at Mukui who appeared and frowned instantly!

He didn't expect that Mukui didn't leave the trial tower, but was waiting for him here!

“I always felt that you looked familiar, but I just couldn't remember it. Now through the aura emanating from you, I finally know who it is.”

“I didn't expect you to be so brave and dare to come to Guanghan Palace!”

Mu Kui said with a sneer!

“Why don't I dare? But you leaked my whereabouts to others and wanted to borrow a knife to kill me. It's a pity that the people you found are too pure and can't kill me at all!”

“Now that you know my true identity, I can't spare you!”

Chen Ping's eyes were filled with murderous intent.

“Chen Ping, don't forget, this is Guanghan Palace. Do you dare to take action here? Aren't you afraid of Guanghan Palace?”

Mu Kui is not afraid of Chen Ping at all!

This is Guanghan Palace, and his aunt is the elder of Guanghan Palace. Mu Kui also has great power in Guanghan Palace, so of course he will not be afraid of Chen Ping!

As long as Chen Ping dares to take action, he will leave the trial tower immediately, and then the people from Guanghan Palace can surround Chen Ping!

Chapter: 6085

“Chen Ping? Is this the person who the Demon Sealing Alliance used a hundred years of sacrifice to kill?”

At this time, a monk behind Mu Kui asked with golden eyes after hearing Chen Ping’s name!

“Yes, it’s him. Whoever of you can kill him will get a hundred years of worship from the Demon Sealing Alliance.”

Mu Kui pointed at Chen Ping and said!

When the monks heard this, their eyes suddenly shone with light, as if they had seen a big girl!

“Hahaha, I’m getting rich, I have a hundred-year tribute from the Demon Sealing Alliance, and I’m going on a ridiculous trip to the polar regions.”

“Kill, you are really lucky!”

“No one wants to rob me...”

These monks thought they were lucky and rushed towards Chen Ping!

Looking at the monks rushing towards him, Chen Ping had a calm expression. In his eyes, these guys were already dead!

When they had the intention to kill themselves, they were already dead!

Mukui looked at everything with a sneer, and then kept moving closer to the gem!

He knew that these people were no match for Chen Ping!

He did this on purpose, just to let Chen Ping kill these people!

When he leaves the trial tower, he can put a hat on Chen Ping. Guanghan Palace will not just sit idly by!

Chen Ping had already seen what Mukui was thinking, but it was impossible for him to let Mukui leave alive. If his identity was exposed, it would be troublesome!

Chen Ping raised his hand, and a bow and arrow appeared in Chen Ping's hand!

God King Bow!

Chen Ping actually took out the God King Bow!

The purpose is to keep everyone here. As long as these people die, no one will know his identity, let alone know that he has the God King Bow!

Seeing the God King Bow that Chen Ping suddenly took out, the monks were all stunned!

But while they were stunned, Chen Ping had already clasped the bow string, and then slowly pulled it full!

The evil spirit of the Dao pattern continued to condense, and finally turned into several arrow feathers!

Uh-huh!

Chapter: 6086

As soon as Chen Ping let go, the arrows flew towards those monks instantly!

Before there was any time to react, the bodies of those monks were penetrated by arrow feathers!

At the moment when the arrow feathers penetrated, the bodies of several monks began to disintegrate, and in the end they were completely wiped out, leaving no corpses behind!

Seeing the terrifying scene, Mu Kui, who had been sneering just now, was dumbfounded!

He didn't know that Chen Ping had such a powerful weapon in his hand!

This guy doesn't even know God King Gong!

Mukui turned around and rushed towards the gem. He wanted to leave the trial tower as soon as possible!

Chen Ping pulled the bow and arrow again, and an arrow feather exuding an icy aura appeared!

Chen Ping gently released his fingers, and the arrow flew towards Mukui like a shooting star!

The arrow feathers pierced through the void in the blink of an eye and arrived in front of Mukui!

“Who the hell is this guy?”

Mu Kui was shocked. He didn't understand what kind of prince or nobleman Chen Ping was. How could he have such a powerful weapon in his hand!

Feeling the breath of death approaching, Mukui regretted a little. He regretted what he did to provoke Chen Ping. He could just leave the trial tower!

But now it's too late to regret it. He can only continuously wave out auras, and then various barriers are formed in front of Mukui!

In the end, there was a wall of fire. These barriers blocked Mukui to death!

It's a pity that the God King's Bow in Chen Ping's hand is not an ordinary weapon!

In front of the God King's Bow, these barriers are as fragile as waste paper!

Bang bang bang!

The arrow feathers passed through several barriers in succession, and finally defeated the wall of fire instantly.

Mu Kui was so horrified that he could only bite the tip of his tongue and spit out a mouthful of blood!

The essence and blood solidified instantly, and then a violent explosion occurred the moment the arrow feathers arrived!

The terrifying aura is like a flood, rushing in all directions!

It was this breath that caused the arrow feathers to stop!

However, the aura on Mukui's body dropped at a speed visible to the naked eye!

Chapter: 6087

In order to survive, Mukui directly exploded all the essence and blood in his body. Although he is still alive now, it is impossible for him to break through again, and his strength will even decline!

Mu Kui glared at Chen Ping fiercely, then quickly stepped forward and grabbed the gem that exuded green light!

As a breath poured into the gem, Mukui's body began to disappear, and in the end he was directly teleported out!

Seeing this, Chen Ping put away the God King Bow and hurriedly chased after him. He didn't expect to take out the God King Bow and let Mu Kui escape. He would never let Mu Kui live!

After touching the gem, Chen Ping's body was instantly teleported out!

Lan Yingying and many female cultivators from Guanghan Palace are waiting for those who pass the test!

From time to time, people were teleported out of the trial tower, but Mukui never showed up, which surprised Lan Yingying!

After all, this guy has the highest strength, so it stands to reason that it would be easy to pass the test!

But now many people have passed, but there is still no sign of Mukui!

Lan Yingying was inevitably a little nervous. After all, Mu Kui was the nephew of Elder Mu. If there was something wrong with him in the trial tower, Lan Yingying knew that she would not get any good results!

At the same time, Lan Yingying was also observing Chen Ping's figure. It would be difficult for someone with a third-level Tribulation Realm cultivation to pass the test!

But Chen Ping was neither eliminated nor passed, which left Lan Yingying a little confused!

At this moment, a black shadow suddenly rose into the sky from the top of the trial tower, and then quickly fell to the ground!

"Help, help me..."

Mukui yelled and came straight to Lan Yingying!

At the same time, Chen Ping followed closely behind, chasing closely, holding the Dragon Slaying Sword in his hand!

Lan Yingying was startled, and then looked at Mukui who had fallen down, her face full of doubts!

Mukai's face was very ugly and his breath was weak. He seemed to be seriously injured!

Chen Ping, on the other hand, was holding the dragon-slaying sword and looking at Mukui fiercely!

Lan Yingying and other monks were shocked!

A seventh-level monk in the Tribulation Realm was being chased in such a panic by a third-level Tribulation Realm monk. How could such a thing happen?

"Miss Lan, this guy killed someone in the trial tower and wants to kill me. Stop him quickly..."

Mu Kui asked Lan Yingying to block Chen Ping!

However, Mu Kui did not tell Lan Yingying about Chen Ping's true identity. He had his own plans.

He planned to tell his aunt about Chen Ping's identity, and then kill Chen Ping, so that the Mu family could monopolize the hundred-year tribute from the Demon Sealing Alliance!

"What...what is this? Why do you want to kill someone?"

Lan Yingying looked confused at this moment and asked Chen Ping!

"I don't want to hurt you, please get out of my way. He must die today!"

Chen Ping pointed his sword at Lan Yingying and said!

Even if Chen Ping reveals his whereabouts to Mukui and seeks someone to kill him, Chen Ping will not let him go, not to mention that Mukui now knows his identity!

“How dare you... This is Guanghan Palace, how dare you...”

Before Lan Yingying could finish her words, a terrifying aura erupted from Chen Ping’s body!

Lan Yingying was stunned and looked at Chen Ping in disbelief!

“Is this the aura that can be exuded by the third level of the Tribulation Realm?”

Lan Yingying was stunned!

Seeing this, Mu Kui knew that it was impossible to rely on Lan Yingying to save him, so he jumped up and headed towards the inner gate of Guanghan Palace!

Just find your aunt!

Chapter: 6088

Chen Ping saw Na Mukui running away, so he jumped up and chased after him!

“Be brave, the inner gate is not something you can enter casually.”

Lan Yingying shouted angrily and stepped forward to stop Chen Ping!

Chen Ping frowned, pointed his dragon-slaying sword at Lan Yingying and said: "Get out of the way, or you will die..."

Chen Ping's body erupted with murderous intent, and his eyes were even colder and terrifying!

It seemed that he could kill Lan Yingying in just a moment!

Lan Yingying felt the terrifying murderous intention on Chen Ping's body, and she was stunned for a moment, her body was trembling slightly!

When Chen Ping saw Lan Yingying like that, he didn't say anything, but passed Lan Yingying and chased after Mukui!

Lan Yingying didn't chase her this time because she had a feeling that if she chased him, Chen Ping would really kill her!

When Mukui saw Chen Ping chasing after him, he was so panicked!

Now his strength is constantly declining, and all the blood and essence in his body has been burned up by him!

If Chen Ping catches up with him, he can be killed with one sword!

"Who is it? Breaking into the inner gate of Guanghan Palace without permission?"

Just when Mu Kui saw that he had reached the inner gate of Guanghan Palace, two disciples from the inner gate of Guanghan Palace suddenly blocked his way!

“Get out of the way, I am Elder Mu’s nephew, I have a token here!”

Mukui quickly took out the token: “I’m here to see my aunt...”

After the two inner disciples saw the token, they could only duck and let Mukui enter the inner gate of Guanghan Palace!

“Auntie, help me, help me...”

As soon as he entered the inner door, Mukui started shouting for help!

This made many Guanghan Palace nuns look at him in surprise!

At this moment, Chen Ping had also caught up with the inner gate of Guanghan Palace. Two disciples from the inner gate stopped Chen Ping and asked sternly: “Who are you? You are not allowed to enter the inner palace without permission!”

“Get out of the way, I don’t want to hurt you!”

Chen Ping said with a cold expression!

“Bold, a third-level cultivator in the Tribulation Realm dares to speak arrogant words!”

Chapter: 6089

An inner disciple glared at Chen Ping and said!

They were all at the sixth level of the Tribulation Realm, but Chen Ping dared to talk to them like this!

Chen Ping didn't say anything, but slashed with the Dragon-Slaying Sword in his hand!

Roar.....

The sword energy was like a dragon, roaring and heading straight towards the two inner disciples!

At this moment, the two inner disciples were all stunned.

"This...is this the sword energy struck by a third-level monk in the Tribulation Realm?"

"It's too scary, hide quickly..."

The two inner disciples quickly dodged to both sides!

In fact, Chen Ping didn't want to hurt them, he just wanted them to get out of the way!

Just as the two inner sect disciples were hiding, Chen Ping rushed into the inner sect!

At this moment, a middle-aged woman walked out of the inner hall, and then said with a gloomy face:

"Mukui, this is the inner hall of Guanghan Palace, what are you yelling about? "

This person is Mu Kui's aunt, Elder Mu of Guanghan Palace!

"Aunt, help, someone wants to kill me..."

After Mu Kui saw his aunt, he immediately fell from the air, and then knelt in front of Elder Mu with a look of grievance!

"What's going on? Who hurt you like this? Why is the essence and blood in your body gone? Is your strength also declining rapidly?"

"If this is the case, wouldn't you be unable to practice in the future? Wouldn't that make you a useless person?"

Elder Mu looked at Mukui like that and asked in shock!

"Auntie, it's Chen Ping. He wanted to kill me. In the trial tower, I exploded all my blood essence to save my life. He has caught up with me now!"

Mukui said in horror!

And as he spoke, he looked back, his body trembling with extreme fear!

"What? Attack you in the trial tower? Who asked you to go to the trial tower? With my token, you can enter and exit the inner door at will. Where is the need for a test?"

Elder Mu gritted his teeth and shouted angrily!

When Mu Kui heard this, he immediately understood that it was Lan Yingying's fault that made him enter the trial tower, and he actually used the trick of flattering and killing him!

Chapter: 6090

Thinking of this, Mu Kui wanted to beat up Lan Yingying right now!

"Auntie, here comes Chen Ping. I feel his aura. This guy is the person the Demon Sealing Alliance has used a hundred years of sacrifice to kill. As long as you kill him, you can get a hundred years of worship from the Demon Sealing Alliance."

"I'm only telling you this. You must not tell anyone else. In this case, the hundred-year enshrinement of the Demon Sealing Alliance will belong to our Mu family."

Mukui whispered to his aunt!

At this time, Mu Kui was still thinking about the hundred years of worship from the Demon Sealing Alliance!

But now that he has arrived at the inner gate of Guanghan Palace, with his aunt protecting him, Mu Kui believes that Chen Ping cannot kill him at all!

"What? This guy is the one the Demon Sealing Alliance is hunting down with a hundred years of sacrifice. How great!"

Elder Mu smiled coldly, and then said: "Hide behind me and see how my aunt will avenge you!"

Mu Kui hid behind Elder Mu, and then Chen Ping's figure appeared, and then landed in front of Elder Mu!

Elder Mu looked Chen Ping up and down and was a little surprised to find that Chen Ping only had the third level strength of the Tribulation Realm!

“Boy, did you hurt my nephew?”

Elder Mu asked Chen Ping!

Chen Ping glanced at Mu Kui who was hiding behind Elder Mu, nodded and said: “I not only want to hurt him, I also want to kill him...”

After Chen Ping finished speaking, he slashed down with his sword without hesitation!

The terrifying sword energy was heading towards Na Mukui from all directions!

“How dare you do it in front of me at the inner gate of Guanghan Palace!”

Elder Mu did not expect that Chen Ping, a third-level monk in the Tribulation Realm, would be so bold, so he waved his hand, and layers of ice mist instantly appeared around him, directly blocking Chen Ping’s sword energy!

Chen Ping looked at Elder Mu. He knew that he had to go all out and find a way to kill Mu Kui!

Otherwise, Mukui would definitely expose his identity.

Chen Ping put away the Dragon-Slaying Sword, and the terrifying aura continued to fill his body!

The world instantly became dark, as if it was the end of the world. Dark clouds suddenly covered the sky and the sun, and the entire Guanghan Palace was shrouded in black clouds!

Everyone looked at the sudden change in the sky in shock, and everyone was shocked!

In the black clouds, there was lightning and thunder, and Chen Ping's body floated slowly, surrounded by thunder and lightning, echoing the thunder and lightning in the black clouds!

In Chen Ping's eyes, a ray of light slowly came out!
