

## **The Order 6091**

Chapter: 6091

The source of thunder and lightning in the body continues to spread outward!

Lightning flashes appeared and disappeared, and soon all the lightning converged towards Chen Ping!

Chen Ping slowly raised his palm, and then pressed it down towards Mukui!

Everyone saw that thunder and lightning flashed on Chen Ping's palm, and the surrounding thunder and lightning were gathering towards his palm!

Chen Ping's palm was like a whirlpool, constantly absorbing the surrounding thunder and lightning!

"What kind of skill is this? It's too scary!"

"Can someone who is in the third level of the Tribulation Realm be able to perform this kind of technique?"

Everyone looked up at Chen Ping!

Lan Yingying looked even more shocked. She never expected that Chen Ping would shock her again and again!

Is this still the third-level monk in the Tribulation Realm that she despises?

Elder Mu frowned, a bad premonition surged in his heart, and he hurriedly protected Mu Kui behind him!

“Thunder Palm...”

Chen Ping waved his palm down!

In the palm of his hand, the power of thunder crashed down, piercing the void in an instant!

With the blessing of the source of thunder and lightning, the power of Thunder Palm is doubled!

When the thunder thundered down, Elder Mu waved his hand suddenly, and ice walls rose up from the ground to wrap Mukui inside!

Chen Ping had long known that Elder Mu would stop him, and he could not be his opponent now, so when Chen Ping used Thunder Palm, he had already held the clock in his other hand!

With a wave of Ben Lei Palm, the clock in Chen Ping’s hand began to glow, and the hands began to rotate!

When the time magic weapon was activated, everything around him instantly began to slow down, and the flow of time almost stopped!

Elder Mu was shocked. She suddenly felt that time around her was stagnant. The spells she cast began to become very slow, and the ice walls rising from the ground were rising slowly!

In the eyes of everyone around them, Elder Mu and the others seemed to be at a standstill. No one knew what was going on!

Chen Ping's Thunder Palm was not affected and struck Mu Kui with a bang!

Mukui's eyes widened with disbelief on his face!

He thought that when he arrived at the inner gate of Guanghan Palace, with his aunt's protection, there would be no danger!

Chapter: 6092

But now, he was slapped directly by Chen Ping!

In shock, Mu Kui slowly fell to the ground. How could he, whose strength had already been greatly reduced, withstand Chen Ping's terrifying blow!

Mukui slowly closed his eyes. Before he died, he seemed to see his aunt calling him!

"Qui'er, Kui'er..."

Elder Mu looked at the dead Mukui, his eyes were splitting, and he shouted desperately!

But Mukui is dead and can never be heard from again!

At this moment, the passage of time has already returned to normal.

Everyone looked at the dead Mukui in shock. They didn't know how Mukui died!

Lan Yingying looked dull!

She didn't expect that Chen Ping would kill Mu Kui in front of Elder Mu!

How can this be?

Elder Mu is at the peak of the Tribulation Realm and will soon reach the Mahayana Realm!

How did he, a third-level monk in the Tribulation Realm, do it?

Under the protection of a peak master of the Tribulation Realm, he also killed a seventh-level monk of the Tribulation Realm!

This unscientific!

The other monks were also very shocked at this moment, and they were all silent!

At first, they all looked down on Chen Ping, who was only at the third level of the Tribulation Realm!

But in the current scene, they knew that they were looking down upon others!

"You kill my nephew, you must die, you must die..."

Elder Mu glared at Chen Ping, his expression gloomy to the extreme.

You must know that the Mu family is also a wealthy family, and she is the elder of Guanghan Palace, but she did not expect that Chen Ping would dare to attack his nephew!

Elder Mu waved his hand, and the heaven and earth trembled. Countless cold air was like torrential water, constantly gathering towards Elder Mu!

As she practices ice-based skills, she is like a fish in water in the Guanghan Palace, and is even more capable of exerting her power!

The cold air around him continued to gather, and finally he was punched out by Elder Mu!

boom!

The terrifying cold air erupted, rushing towards Chen Ping like a tsunami!

Everything was blocked by the cold air in all directions, leaving Chen Ping with no way out!

Chen Ping frowned, and a sense of crisis ran through his body!

Chen Ping didn't have the confidence to withstand a blow from the peak of the Tribulation Realm!

Chen Ping, who didn't dare to be careless at all, instantly activated his indestructible golden body, and his whole body was covered in golden scales!

There was a fierce look in his eyes, and the dragon crystal on his chest also shone with light!

The terrifying cold air around him was approaching, and finally wrapped Chen Ping directly!

Chen Ping's body instantly formed ice. Even with the indestructible golden body protecting him, Chen Ping felt the biting cold!

In just the blink of an eye, Chen Ping's entire body was frozen!

At this moment, Chen Ping was like an ice sculpture, standing motionless on the spot!

Facing a strong man at the peak of the Tribulation Realm, he really had no power to fight back. If he hadn't secretly used the time weapon from the beginning, he wouldn't have been able to kill Mukui!

Chapter: 6093

"Things that don't know whether to live or die..."

Elder Mu looked at Chen Ping who had turned into an ice sculpture and snorted coldly!

Others looked at Chen Ping and sighed!

"I didn't expect someone who was in the third level of the Tribulation Realm to be able to explode with such power. It's a pity that I didn't know myself, and ended up like this."

"Elder Mu is a master at the peak of the Tribulation Realm. How dare he, a third-level Tribulation Realm master, follow Elder Mu?"

“It’s true that a newborn calf is not afraid of tigers. I thought I was invincible, but I didn’t expect that there are mountains beyond the mountains and there are people beyond the human beings.”

Many monks admired Chen Ping’s courage, but they laughed at him and committed suicide!

Using the strength of the third level of the Tribulation Realm to fight against the peak powerhouse of the Tribulation Realm, what is this other than seeking death?

Even Lan Yingying looked at Chen Ping who turned into an ice sculpture, with a look of disbelief on her face!

She didn’t understand what Chen Ping was thinking. Was he really not afraid of death?

Just when these people were pointing at Chen Ping, no one noticed that a flame flickered on Chen Ping’s chest!

This is the fire element in Chen Ping’s body working desperately!

The origin stars are shining brightly, emitting almost all the origin power!

The flames grew bigger and bigger, and the ice that covered Chen Ping began to slowly melt!

The fire burns the ice and emits bursts of steam, which instantly fills the sky and the earth!

Chen Ping’s figure also became looming under the steam!

Everyone who saw this scene was shocked. They didn’t expect that Chen Ping was not dead under Elder Mu’s ice seal, and could even use the ultimate fire to melt the ice!

Elder Mu was also stunned, then frowned slightly and said: "You can actually use fire-based skills, no wonder you are so arrogant."

"Don't think that a mere fire can melt my ice. Let me show you my true ability!"

Elder Mu was neither impatient nor impatient. He gently grasped it with his palm, and the cold air from the sky condensed directly towards Elder Mu!

When Chen Ping saw this scene, his heart was filled with despair!

He used all his fire power to slowly melt the ice around his body!

But now Elder Mu is about to take action again, and it seems that this time his action is even more brutal!

Chen Ping was scared. He knew that he could not withstand this blow!

Chapter: 6094

Everyone also knows that even if Chen Ping was not dead just now, he will definitely die with this blow!

"Boy, I'm afraid you won't be able to withstand this blow. I didn't expect that just being at the peak of the Tribulation Realm would put me in a desperate situation."

"If I had known you were such a waste, I wouldn't have stayed in your sea of consciousness."

Demon Lord Chiyun said with some regret!

At this time, it is useless to talk about regrets!

“Senior, I’m so sorry for causing harm to you!”

Chen Ping said very guiltily!

“Do you need me to use the body of the remnant soul to block it for you? In this way, you should be fine, but it’s hard to say whether I can stay in this world!”

Demon Lord Chiyun plans to sacrifice himself in exchange for Chen Ping’s safety!

After all, he is just a ray of soul. After leaving the host, his strength will be greatly reduced. If he is attacked, he will definitely be wiped out!

“Senior, I appreciate your kindness, but we can’t give up until the end, maybe there will be a turn for the better!”

Chen Ping persuaded Demon Lord Chiyun, but he himself was ready to die!

“stop.....”

Just as Elder Mu was about to slap Chen Ping with his palm, a loud shout rang out!

Elder Mu stopped and looked around, his whole person fell into a daze, and he saw that the entire Guanghai Palace had become extremely cold!

Within ten miles, snowflakes were falling, and the whistling wind sounded like ghosts crying and wolves howling!

All the monks felt terribly cold all over their bodies, and they involuntarily retreated into the distance.

I saw a fairy-like woman wearing white clothes flying out of the hall in the snowy sky!

The surrounding cold air instantly surrounded the woman, and even the cold air controlled by Elder Mu was instantly attracted away!

“Greetings to the Lord of the Palace...”

Seeing this scene, Lan Yingying was the first to kneel to the ground, and then many Guanghan Palace disciples also knelt down!

“Is this the palace lord of Guanghan Palace? It’s so beautiful.”

“Today is an eye-opener. I actually met the Palace Master of Guanghan Palace.”

“What a terrifying aura. Is this Palace Master of Guanghan Palace already in the Mahayana realm?”

Chapter: 6095

Many monks looked at the woman who appeared in shock!

The Palace Master of Guanghan Palace waved his sleeves gently, and the wind and snow suddenly rolled back, like a huge wave roaring, and the snowflakes floating between the sky and the earth disappeared instantly!

“Elder Mu, if you do anything in Guanghan Palace at will, do you know that this is breaking the rules of our Guanghan Palace? If this matter spreads, who will dare to come to our Guanghan Palace?”

The Palace Master of Guanghan Palace looked at Elder Mu with a cold expression and asked!

Elder Mu’s face was full of displeasure, but he did not kneel down to the Palace Master of Guanghan Palace. It could be seen that Elder Mu did not have any special respect for the Palace Master of Guanghan Palace!

“Palace Master, this guy killed my nephew in front of me. If I don’t kill him today, how can I be worthy of my dead nephew?”

Elder Mu said through gritted teeth!

“Elder Mu, he killed your nephew, and there are people from the Mu family asking to speak. Although you are also from the Mu family, you are now the elder of Guanghan Palace, and you must abide by the rules of Guanghan Palace!”

The Lord of Guanghan Palace said coldly!

Elder Mu’s eyes narrowed slightly: “Then I have to kill him today?”

Elder Mu, who was at the peak of the Tribulation Realm, actually provoked the Palace Master of Guanghan Palace, who was in the Mahayana Realm, in public!

This scene immediately left many people scratching their heads!

The elder followed the Lord of the First Palace to challenge!

Did you take the wrong medicine?

Chen Ping was also very surprised, looking at everything in front of him in shock!

“As long as I’m here, you can’t kill him...”

The master of Guanghan Palace waved his palm lightly, and a transparent ice soul instantly blocked Chen Ping!

Seeing this, Elder Mu gritted his teeth and said, “Palace Master, are you going to completely break up with my Mu family for the sake of an unrelated boy?”

“I’m just upholding the rules of Guanghan Palace. Do you have to kill people in Guanghan Palace? Don’t forget your identity as the elder of Guanghan Palace.”

The Palace Master of Guanghan Palace said coldly!

“Okay, then I will wait for him to leave Guanghan Palace and cut him into pieces. At the same time, I will also inform the Mu family and tell them everything here. My nephew is dead, and this matter will not be like this. Forget it!”

After Elder Mu finished speaking, he glared at Chen Ping fiercely and walked away!

Even now, Elder Mu has not revealed Chen Ping’s true identity because he does not want others to get there first. She wants all the hundred-year offerings of the Demon Sealing Alliance to fall into the hands of the Mu family!

“Yingying, please bring someone to tidy up this place, and then let the monks go to rest. Now they can choose their favorite female monks.”

Chapter: 6096

The Palace Master of Guanghan Palace said to Lan Yingying!

“As you command!”

Lan Yingying nodded, and then left with many monks!

Chen Ping saw this, but did not leave. Lan Yingying frowned slightly and said, “If you don’t leave yet, what are you doing here?”

Lan Yingying asked Chen Ping in a low voice!

“I’m here to find your palace master, not a female cultivator, so of course I can’t leave.”

Chen Ping said!

“Don’t push yourself too far, our palace master...”

“Yingying, let him stay and take the others away!”

The Lord of Guanghan Palace said!

When Lan Yingying heard this, she was a little surprised, because the master of Guanghan Palace did not like men, and the rules of the inner sect of Guanghan Palace were that all disciples were not allowed to find Taoist companions!

The Palace Master of Guanghan Palace sets an example and will not get close to male cultivators at all!

But today, the palace owner took the initiative to let Chen Ping stay, which surprised Lan Yingying!

However, Lan Yingying did not dare to ask any more questions and could only leave with many monks!

“You come with me...”

After the Palace Master of Guanghan Palace finished speaking to Chen Ping, he turned around and walked into the main hall!

Chen Ping followed without hesitation!

Although the Palace Master of Guanghan Palace has recovered her physical body, Chen Ping still remembers that at that time she was just a ray of soul, and she was just a saint in Guanghan Palace!

After entering the main hall, the master of Guanghan Palace fired a burst of spiritual power and poured directly into Chen Ping’s body!

Chen Ping did not dodge and allowed the spiritual power to enter his body!

“Although you broke Elder Mu’s ice seal, too much cold energy has accumulated in your body, which will have an impact on your subsequent cultivation. I have now removed the cold energy from your body.”

The Palace Master of Guanghan Palace said to Chen Ping!

“You know me?”

Chapter: 6097

After all, he has changed his appearance, and it has been for such a long time, so the Lord of Guanghan Palace might recognize him!

“Of course, I will never forget Mr. Chen’s great kindness.”

“Although you have changed your appearance, your aura cannot be changed. If I didn’t know it was you, I would have been able to stop you!”

The Palace Master of Guanghan Palace smiled lightly and said!

“Palace Master, I’m a little surprised. How can that elder dare to contradict you?”

Chen Ping couldn’t understand. It was outrageous for an elder to contradict the palace lord!

“Why!”

The master of Guanghan Palace sighed, motioned for Chen Ping to sit down, and then said slowly: “Have you not noticed that I, a disciple of Guanghan Palace, am not very strong?”

“The Blood Demon reshaped my body and asked me to rebuild Guanghan Palace. I also won over some disciples of Guanghan Palace who were living in various places.”

“But most of them are newly recruited disciples. If Guanghan Palace wants to develop, it must have resources.”

“There is no other way, so I thought of asking the outer disciples to find a Taoist companion. Many male cultivators came one after another. As long as we find a suitable Taoist companion, then these male cultivators can also be used by our Guanghan Palace, and their resources will become our Guanghan Palace.”  
It’s from the Han Palace.”

“As for Elder Mu, she also came here for the ice-based skills of our Guanghan Palace. I also happened to use her identity to establish contact with the Mu family and obtain some resources from the Mu family.”

“Furthermore, the male cultivators of the Mu family all practice fire-based techniques. When the time comes, they can quickly improve their cultivation by following our female disciples from Guanghan Palace.”

“Speaking of which, we are just using each other. There is no real distinction between superiors and subordinates, so Elder Mu is not afraid of me!”

The Palace Master of Guanghan Palace explained helplessly!

After hearing this, Chen Ping also felt the bitterness and helplessness of the Palace Master of Guanghan Palace!

Having just reshaped her body, she needs to rebuild Guanghan Palace and try her best to collect resources for the development of Guanghan Palace!

This means that Guanghan Palace must be the most difficult in its initial stage!

“Then because of me, wouldn’t the Palace Master have offended the Mu family?”

Chen Ping was a little embarrassed!

If he knew this was the case, he would not have killed Na Mukui and brought so much trouble to Guanghan Palace!

“For Mr. Chen, it is worth offending many people, let alone one Mu family. If it were not for Mr. Chen, I am afraid that that ray of soul would have disappeared long ago, and there would never be a Guangdong in this human world. It’s a cold palace.”

The Lord of Guanghan Palace has no regrets!

This time, Chen Ping felt even more embarrassed. Originally, he planned to get the Heavenly Demon Stone and leave. How could he leave now?

Chapter: 6098

“Palace Master, what’s going on with this trip to the polar regions in Guanghan Palace? If I can help, I’ll be very happy.”

Chen Ping asked the Palace Master of Guanghan Palace!

Since he has caused so much trouble to Guanghan Palace, Chen Ping always has to do something for others before leaving. If he takes the Heavenly Demon Stone, slaps his ass and leaves, it would be too inhumane!

Seeing Chen Ping asking about the trip to the Pole, the Palace Master of Guanghan Palace hesitated for a moment, then shook his head and said: “Mr. Chen, you’d better not go to the Pole. Did you come to Guanghan Palace to get the Heavenly Demon Stone? I will treat the Heavenly Demon Stone immediately.” I’ll give you the stone, you’d better leave!”

The master of Guanghan Palace actually refused to let Chen Ping participate in the trip to the polar regions, and also knew that Chen Ping was here to get the Heavenly Demon Stone.

“Why? Isn’t it just for the trip to the polar regions that the palace master is asking so many people to test? I think I can help.”

Chen Ping didn’t understand why the palace owner wanted him to leave!

“Mr. Chen doesn’t know. Traveling to the polar regions is very dangerous. Although it is the place where immortals fell, with opportunities and unknown resources, it is also a dangerous place. If these people go, maybe none of them will come back alive. .”

“This trip to the polar regions can only be regarded as exploration. It is the most dangerous, so you can’t go.”

The Palace Master of Guanghan Palace said!

It turns out that the palace owner of Guanghan Palace did not let Chen Ping go because of Chen Ping’s safety!

“Since this is the case, I should share the worries for the Palace Master. As long as this place can be explored, perhaps the Palace Master will not have to worry about resources in the future.”

After hearing this, Chen Ping became more determined in his thoughts!

Since the Palace Master of Guanghan Palace always thinks about himself, Chen Ping has to do something!

Now Guanghan Palace is extremely short of resources. You must know that without resources, it is difficult for a sect to develop.

Chen Ping just happens to be able to go to the polar regions to explore. If he really finds a resource area, it will be a great help to Guanghan Palace!

The palace owner looked at Chen Ping's insistence and didn't know what to say. Finally, he nodded helplessly!

"Whether our Guanghan Palace can develop depends on this trip to the polar regions. If we follow the Mu family and turn against each other, I'm afraid the Mu family will never use their Supreme Fire to practice dual cultivation with my Guanghan Palace disciples."

The palace owner sighed and said!

"Palace Master, I can practice dual cultivation with you Guanghan Palace disciples to help them quickly improve their strength. Although your Guanghan Palace disciples are not as beautiful as my women, in order to repay Palace Master for saving your life, I will risk my life."

"But there are no more than five people in one night. I'm afraid it will be too much and my body won't be able to bear it..."

Chen Ping followed the Palace Master of Guanghan Palace helplessly and said!

He also regards himself as a stallion now. Think about it when he was in the Ji family, he was treated like this once!

But luckily that time, there were only two Ji sisters!

Chapter: 6099

But this time, Guanghan Palace may have dozens of disciples, and Chen Ping doesn't know if he can handle it!

"Can you do that?" The Palace Master of Guanghan Palace was stunned!

Chen Ping did not speak, but raised his right hand slightly, and a ball of flame instantly burst into flames in his palm!

Immediately afterwards, the flames continued to rise, and the temperature in the entire hall increased rapidly!

At the same time, the fire element in Chen Ping's body is continuously spreading outwards!

"You actually understood the origin of the fire element. This is much stronger than the Mu family's fire element skills."

The Palace Master of Guanghan Palace said in shock!

"I am practicing dual cultivation with your Guanghan Palace disciples, is there no problem?"

Chen Ping put away his extreme fire and said with a slight smile!

"No problem, but you said that our Guanghan Palace disciples are not as beautiful as your women. Have you seen all of my Guanghan Palace disciples?"

The Lord of Guanghan Palace asked!

"No, but if the Guanghan Palace disciples are prettier than my woman, you won't use my image of a woman in the illusion array to confuse the minds of those who enter the illusion array."

"Do you know how much this hurts me? Even though I know it's all fake, I always feel like I'm being tricked..."

Chen Ping felt unhappy when he thought about what happened in the fantasy formation, so he glared at the master of Guanghan Palace and said!

“Hahaha, I actually forgot about this. When we set up the illusion formation, I really didn’t see many stunning beauties. Only the women around you are as beautiful as gods, so I used their images.”

“Now the phantom formation has been destroyed. When I set up the formation again, it will no longer be used...”

The Palace Master of Guanghan Palace laughed and said!

“Palace Master, without further ado, you’d better go and call your disciples. Five of them will come tonight. I’ll see if I can bear it. If so, I’ll add a few more tomorrow night.”

Chen Ping said to the Palace Master of Guanghan Palace.

“What are you going to do?”

The Palace Master of Guanghan Palace asked in confusion!

“Aren’t you dual cultivating with them to help you Guanghan Palace disciples improve their strength? If the dual cultivators don’t come at night, it’s still daytime, how embarrassing!”

Chen Ping actually blushed a little as he said that!

The Palace Master of Guanghan Palace was stunned for a moment, then smiled and said: “Mr. Chen, where are you thinking? The dual cultivation I am talking about is not a reconciliation of yin and yang, so that you can be with them... with them.”

Chapter: 6100

“It is to use your extreme fire to interweave and fuse with the extreme cold aura of the disciples in my palace, so that the extremely cold aura in their bodies will become more unafraid of flames.”

“Does Mr. Chen still want to sleep with all my disciples in the palace? Mr. Chen has so many women, isn’t he still not satisfied?”

The face of the Palace Master of Guanghan Palace was full of amusement, and Chen Ping looked embarrassed and ashamed!

“I understood it wrong, I understood it wrong...”

Chen Ping hurriedly explained!

Seeing Chen Ping’s embarrassed look, the Palace Master of Guanghan Palace chuckled: “Mr. Chen, I’m kidding you. If you like any of my disciples in the palace, just say something and I will let her go at night. Accompany you.”

“But you have just gone through a hard battle, and the various breaths in your body have not recovered yet. You need to recover for a few days first. The trip to the polar region is in three days.”

“No, no, I just need to take a good rest!”

Chen Ping waved his hands hurriedly. He had just gotten rid of the woman to rest, and he didn’t want to suffer anymore!

Some time ago, in order to protect himself, Chen Ping was constantly beaten by Bai Qian and couldn’t rest every night!

Now that I can finally take a break, why am I looking for a woman?

The master of Guanghan Palace sent someone to prepare a rest room for Chen Ping!

As Chen Ping walked back, the Palace Master of Guanghan Palace walked through the main hall and then came to the back of Guanghan Palace!

There is a small temple here with twinkling lights inside!

After entering, two Guanghan Palace disciples stood on both sides. Seeing the palace master coming, they hurriedly saluted!

The palace owner waved his hand and let the two of them go out. Then the palace owner waved his hand and a wall in front of him slowly disappeared!

Then I saw a table with numerous spiritual tablets placed on it!

In front of these archways, there are magic stones one after another.

These memorial archways belong to the former palace masters and elders of Guanghan Palace.

As a saint of Guanghan Palace, she was the candidate to take over as the next palace master of Guanghan Palace. Unexpectedly, Guanghan Palace was massacred, almost completely slaughtered!

“Senior ancestors, if you still have souls alive, I hope you can find this place and we can rebuild Guanghan Palace together.”

“There is a Heavenly Demon Stone here. As long as your soul returns to its original place, you can use the Heavenly Demon Stone to reshape your body and be reborn.”

The Palace Master of Guanghan Palace worshiped devoutly in front of these spiritual thrones!

She knows that if her soul can escape, then other people’s souls can also escape. As long as a trace of soul is left behind, she can reshape her body and be reborn directly!
