

The Order 611

Chapter: 611

Boss Cui's face was full of pride, because he had the support of the Wu family behind him!

You must know that the Wu family is one of the best in the provincial capital, and the head of the Wu family, Wu Liuyi, is also one of the four directors of the Martial Arts Alliance!

"Today, even if it's a shop opened by the King of Heaven, you still have to open it for me with all the stones!"

Chen Ping said with a gloomy expression.

"Damn it, I won't drive, what else can you do to me?"

Boss Cui made a stern face!

Bang.....

Chen Ping punched him with one punch, causing Boss Cui's mouth and nose to bleed. Chen Ping had to stop, otherwise Boss Cui would have lost his head!

"Damn it, if you dare to hit me, kill them..."

Boss Cui wiped a handful of blood and shouted directly at his thugs!

More than a dozen thugs rushed up with sticks in an instant. Just when Chen Ping was about to take action, Gu Ling'er's strong body rushed forward. Against those masters from martial arts families, Gu Ling'er was no match, but against these thugs, Gu Ling'er was no match. Linger is more than enough!

Bang bang bang.....

In just a few minutes, more than a dozen thugs were beaten to the ground by Gu Ling'er. This time, Gu Ling'er did not hold back. Those thugs had either broken arms or legs. Gu Ling'er had been ignored and was already filled with anger. !

Seeing this scene, Boss Cui stepped back and said with a ferocious expression: "Okay, okay, okay... you have caused a big trouble, no one can leave today!"

After Boss Cui finished speaking, he took out his cell phone and made a call. It was obviously to Master Wu.

"Young man, hurry up and take your things and leave. The Wu family is not someone to be trifled with..."

Someone persuaded Chen Ping.

"Sister, we..."

When Gu Feng saw Boss Cui calling someone, he started to feel a little scared. After all, the Wu family was not someone to be trifled with.

"Gufeng, don't be afraid, I'm here!"

Seeing Gu Feng's scared look, Chen Ping said calmly.

Gu Feng nodded and said: "Well, don't you know the people from Chifengtang? Call the people from Chifengtang, and you don't have to be afraid of the Wu family at all!"

"How can we use the people from Chifengtang to deal with a mere Wu family!"

Chen Ping sneered!

Chapter: 612

Seeing Chen Ping being so arrogant, the people around him couldn't help but shake their heads secretly. If the sky is crazy, there will be rain, and if people are crazy, there will be disaster. How dare you talk about the Wu family like this? I'm afraid you will be unlucky today!

Soon, a young man in his early twenties came hurriedly with a folding fan and several people behind him!

"Who the hell doesn't have the guts to dare to cause trouble in my Wujia store?"

Before anyone arrived, the sound of angry curses could already be heard.

Chen Ping took a look at the young man and found that he and Wu Liuyi looked somewhat similar, but their temperament and temperament were completely different between father and son. Wu Liuyi was very scheming, steady and impeccable in his work. On the other hand, he This son looks so arrogant and domineering!

However, Chen Ping did not feel the slightest fluctuation of energy in this young man. It was obvious that the other person was not a warrior. As a master of internal energy, Wu Liuyi, how could his son not be a warrior?

Just when Chen Ping was confused, Boss Cui saw someone coming and hurriedly greeted him.

"Master Wu, it's them..."

Boss Cui pointed at Chen Ping and the others, his eyes full of anger.

The young man glanced at Chen Ping and Gu Feng, then looked at the wailing thugs on the ground, and his face turned cold: "If you make trouble here and hurt my people, even if you, Miss Gu, are from the Dharma Protector Pavilion, you are Don't you also want to give me an explanation?"

"Wu Dong, it was your people who deceived my brother first. It should be you who want to give an explanation!"

Gu Ling'er glared at the young man and said.

"I only know that you are making trouble here and hurting my people. I don't know anything else. Now apologize and compensate for my losses. Maybe I can spare your lives!"

Wu Dong shook his folding fan with an extremely arrogant attitude!

"What if I say no?" Chen Ping looked at Wu Dong and said with a cold smile.

"Then there's no need to leave!"

Wu Dong's voice dropped, and several people following behind him instantly surrounded Chen Ping.

There was only a skinny old man standing motionless beside Wu Dong!

Chen Ping glanced at it and found that these people were all inner strength warriors. They were much stronger than those little gangsters just now, and the skinny old man next to Wu Dong had strength surging on his body, and his aura was stronger than that of the gangsters just now. Wu Liuyi is not weak at all!

"Either apologize or die. It's your choice..."

Wu Dong looked at Chen Ping with a gloomy expression. No one dared to say no in front of him, but Chen Ping was the first!

"Can I choose the third one?" Chen Ping smiled slightly.

"The third one?" Wu Dong was stunned!

“That means you will die...”

Chapter: 613

After Chen Ping said the word “death”, his aura suddenly exploded!

The terrifying aura instantly stagnated the breathing of the several inner strength warriors surrounding him, and then they felt as if they were being pressed down by a huge boulder.

Plop, plop.....

Several inner strength warriors all knelt down on one knee, their expressions were filled with pain, and blood flowed from the corners of their mouths!

Everyone was surprised when they saw this scene!

Especially the skinny old man, his eyes suddenly widened and his body was trembling slightly. The terrifying aura just now made him almost fall to his knees. Fortunately, the aura was not directed at him, otherwise he would not be able to bear it at all!

“Who are you?” the skinny old man asked Chen Ping with a wary expression.

“My name is Chen Ping!” Chen Ping said calmly!

When the skinny old man heard this, his whole face suddenly changed, and his eyes were filled with fear: “You...are you Mr. Chen?”

The skinny old man is the chief steward of the Wu family. Although he did not participate in the arena competition, Chen Ping’s name was still heard. Moreover, Wu Liuyi sent him to the Jiang family villa many times to invite Chen Ping in the past few days, but Chen Ping is in retreat and hasn’t seen Chen Ping!

Now listening to Chen Ping himself, and thinking of Chen Ping’s terrifying aura just now, he can be sure that the young man in front of him is the one who killed Jiang Zhengzhong!

“Mr. Chen, we were blind and offended Mr. Chen. I hope Mr. Chen won’t take offense!”

As the skinny old man spoke, he knelt down in front of Chen Ping!

“Uncle Qi, what are you doing?”

Wu Dong’s eyes widened and he couldn’t believe the scene in front of him.

You must know that in the Wu family, Uncle Qi’s identity and Wu Liuyi can be said to be equal, and their strength is also comparable!

Now he actually knelt down in front of a young man in his twenties. Isn’t this embarrassing to the Wu family?

“Shut up!” The skinny old man glared at Wu Dong, who was too frightened to say anything!

Chen Ping looked at the skinny old man kneeling on the ground. He didn’t say anything, but said to Gu Feng: “Gu Feng, put your things away, let’s go!”

Gu Feng nodded, hurriedly packed up all the stones, and then left with Chen Ping!

It wasn’t until Chen Ping disappeared that the skinny old man dared to get up.

“Master Wu, our stones...”

When Boss Cui saw Chen Ping taking the stone away, he hurriedly said to Wu Dong.

Snapped.....

Chapter: 614

As soon as he finished speaking, he saw that the skinny old man gave Boss Cui a slap in the mouth, which made Boss Cui dizzy and his face became swollen!

“Uncle Qi, what on earth is going on?” Wu Dong asked with confusion on his face!

“Young master, we got into trouble. We got into big trouble. This matter must be decided by the master!”

The skinny old man sighed and returned with Wu Dong!

.....

After Wu family and Wu Liuyi heard about it, they were furious!

“Beast, traitor, I will kill you.....”

Wu Liuyi slapped Wu Dong on the head!

However, he was stopped by Uncle Qi: “Master, even if you kill the eldest young master now, it will be of no use. What we have to do now is to let Mr. Chen eliminate the bad impression of our Wu family!”

“Yes, yes, I want to go and apologize to Mr. Chen in person!”

Wu Liuyi nodded repeatedly, hurriedly ran back to his room, and took out the medicinal materials he had collected for hundreds of years!

Wu Dong knelt on the ground, his body trembling, and he said to Uncle Qi with an aggrieved face: “Uncle Qi, who is that guy? Why are you and Dad afraid of him?”

“Young Master, stop talking. He was the one who killed Jiang Zhengzhong in the ring. He destroyed both the Wei family and the Jiang family. Do you think the Wu family will follow in the footsteps of the Jiang family?”

Qi Bo said sharply.

At this moment, Wu Dong’s face turned pale and he was frightened to death. He murmured: “I...I don’t know. What...what should I do?”

“Beast, follow me...”

Wu Liuyi picked up Wu Dong and left!

.....

In the Jiang family villa, Chen Ping, Su Yuqi and Gu Ling’er were having dinner!

“Ling’er, don’t go back to your little house at night. Just stay here, just to keep me company!”

Su Yuqi followed Gu Ling’er and said.

“I’m not a light bulb. You two live together at night. What am I doing next to you? Listen to the sound!”

Gu Ling’er said with a smile.

Su Yuqi blushed, glared at Gu Ling’er and said, “Don’t talk nonsense, we two are very innocent and have never slept together...”

Chapter: 615

“We have established a relationship, it’s okay to sleep together, and we can have a baby soon!”

Gu Ling'er looked at Su Yuqi with a playful expression and said.

"Come on, pull it off. I don't want to have a baby so early. I haven't had enough fun yet!"

Su Yuqi rolled her eyes!

Chen Ping didn't speak. He ate a few mouthfuls of food and walked away. These two girls dared to say anything together!

Sitting on the sofa, Chen Ping planned to practice for a while, but saw a subordinate walking in!

"Mr. Chen, the head of the Wu family wants to see you..."

The subordinate said.

Chen Ping was not surprised. With Wu Liuyi's character, he would definitely come if he knew about it.

"Just say I don't have time!" Chen Ping waved his hand!

Soon the men were out.

Outside the villa, Wu Liuyi and Wu Dong were waiting anxiously outside, holding a very exquisite gift box in their hands!

Seeing the person who reported the news coming out, Wu Liuyi hurriedly stepped forward: "Brother, what did Mr. Chen say?"

"Mr. Chen doesn't have time!" After the man said that, he closed the door of the villa.

Wu Liuyi and Wu Dong were outside and were dumbfounded for a moment!

“Dad, then... what should we do?” Wu Dong asked cautiously.

Snapped!

Wu Liuyi directly gave Wu Dong a big mouth: “Kneel down, keep kneeling here, kneel until Mr. Chen sees us!”

How dare Wu Dong not listen, and hurriedly knelt at the door, while Wu Liuyi returned to the car and waited quietly!

At night, there was sudden lightning and thunder, and heavy rain poured down. Wu Liuyi was sitting in the car, looking at Wu Dong kneeling in the rain, his face not moved at all!

The next day, after the rain, the sky cleared and a rainbow rose from the sky!

“beautiful.....”

Su Yuqi and Gu Linger looked at the rainbow and shouted happily.

Chen Ping took a breath and moved his body in the yard. One of his subordinates came over and whispered a few words in Chen Ping’s ear!

Chapter: 616

Chen Ping was stunned for a moment, then a smile appeared on his lips: “Go out and have a look!”

The door of the villa opened, and after Chen Ping walked out, he saw Wu Dong still kneeling on the ground, his body was wet, he looked very embarrassed, and his eyes were dull!

Seeing Chen Ping coming out, Wu Liuyi hurriedly greeted him: “Mr. Chen, Quanzi is ignorant and has offended Mr. Chen. He really deserves death. I hope Mr. Chen can spare Quanzi’s life!”

Wu Liuyi said and hurriedly handed over the gift box. Chen Ping could feel the fluctuations of spiritual energy inside without looking at it and knew what it was!

“Master Wu, please be polite. It’s just a small misunderstanding. You don’t have to be so polite. Just take Mr. Ling back, so you don’t catch a cold!”

Chen Ping laughed, accepted the gift, and handed it to his subordinates!

Seeing what Chen Ping said, Wu Liuyi was overjoyed and nodded repeatedly: “Okay, okay, thank you Mr. Chen for your magnanimity. I will hold a banquet at my humble residence at noon. I hope Mr. Chen can appreciate it!”

“Okay, I will definitely be there at noon!” Chen Ping nodded!

Chen Ping needs a thoughtful person like Wu Liuyi to do things around him, so he agreed to go to the Wu family!

“Then I will wait for Mr. Chen at home!”

Wu Liuyi carried Wu Dong and left. At this time, Wu Dong was almost exhausted!

Not long after Wu Liuyi left, Lin Tianhu and Chifeng came. Looking at the look in their eyes, the corners of Chen Ping’s mouth raised slightly. It was obvious that the two of them were interested in each other!

“Palace Master, the Medicine King’s Mansion has sent someone to urge the final payment of the medicinal materials. They said that the medicinal materials have been prepared. They will wait for the final payment to be received and then send the goods over!”

Chi Feng whispered to Chen Ping.

“Well, I’ll try my best to make preparations. You sell all the Jiang family’s properties at a low price to get the funds, keep this villa, and see how much money you can raise...”

Chen Ping frowned slightly.

It is really difficult for Chen Ping to collect billions in a short period of time. He doesn’t have much business now, so he just sells some small Huandan. The sales volume of Xiaohuandan is not very big now, and Chen Ping didn’t have any during this period. It’s time to refine the Small Return Pill!

Although Juyitang and Chifengtang are both small, they are gangs after all, and they don’t have much property under their name. Besides, they have thousands of brothers to support, and they can’t afford much money at all.

“Yes!” Chifeng nodded: “But I’m afraid it will be difficult to get rid of these things in a short time, and it will also take time. However, I have sent people back to King Yao’s Mansion to give me a few days of grace!”

“Hall Master, if I sell all the properties of the Juyi Hall in Hongcheng, I can raise some money. Anyway, my Juyi Hall is full of rabble. Only when I arrived in the provincial capital did I realize that I was a joke!”

Lin Tianhu followed Chen Ping and said.

Chen Ping glanced at Lin Tianhu and smiled lightly: “You also want to come to the provincial capital for development?”

“I...” Lin Tianhu looked at Chen Ping’s expression and suddenly turned red. He didn’t know what to say!

Chifeng lowered his head slightly and laughed secretly!

Chapter: 617

“For Juyi Hall, you can find someone you trust to take care of it. This time after the medicinal materials from King Yao’s Palace arrive, I will refine a pill for you and try to help you achieve a breakthrough in strength in the shortest possible time...”

Chen Ping understood what Lin Tianhu meant and knew that he wanted to stay in the provincial capital for development. After all, Chifeng was in the provincial capital, and Chifeng was much stronger than him. As a big man, Lin Tianhu also had a somewhat unsightly face. !

“Really?” Lin Tianhu was suddenly pleasantly surprised: “Thank you so much, Master!”

“You follow me, of course I won’t let your skills be inferior to others, otherwise it won’t be an embarrassment to our Tianlong Palace!”

Chen Ping stood up and patted Lin Tianhu on the shoulder with a smile!

“Hey, it would be great if we knew where the other halls are. There are thirteen halls in total. We can definitely raise the money!”

Lin Tianhu suddenly sighed.

“Okay, just do your best. I’ll take care of the money. You go ahead and visit the market here. The things are pretty good!”

Chen Ping smiled and waved his hand!

Chifeng blushed and walked out, while Lin Tianhu glanced at Chen Ping gratefully and followed him out!

Chi Feng and Lin Tianhu walked back, Chen Ping frowned slightly, billions of dollars, this is not a small amount, where can you get it?

If there is really no other way, he can only ask his father-in-law Su Wenzong for help. However, although the Su family is the richest man in Hongcheng, they do not necessarily have much funds in hand. Everything else is assets, and they still need to be liquidated. Time.

At noon, Wu Liuyi sent a car to pick up Chen Ping, and Wu Dong was driving!

At this time, Wu Dong had changed his clothes and his complexion had improved a lot. When he saw Chen Ping coming out, Wu Dong immediately opened the car door respectfully: "Mr. Chen, please get in the car!"

Chen Ping nodded and got into the car, while Wu Dong drove carefully towards the Wu family!

Wu Dongde was arrogant and domineering, but in the face of absolute strength, he could only serve him respectfully. Even his father was polite to Chen Ping, how could he dare to be disrespectful!

While the car was driving on the road, Wu Dong's phone rang, but he didn't dare to answer it. Instead, he secretly glanced at Chen Ping!

Chen Ping smiled helplessly: "Just answer the call, I'm not a devil!"

After Chen Ping said this, Wu Dong picked up the phone!

"Master Wu, Boss Feng has arrived at the port, and the rough stones have started to be loaded into the truck. They will arrive at our place in the afternoon!"

The person on the phone said.

"Okay, okay, I know!"

Wu Dong said that he was about to hang up the phone, but the other party immediately said: "Master Wu, then Boss Feng said that this batch of rough stones are Hengshan stones, and asked you to prepare more money!"

"Hengshan Stone?" Wu Dong was obviously taken aback, and then said with a bit of excitement on his face: "No problem, let him transport all the rough stones, and don't share them with others!"

Chapter: 618

After hanging up the phone, Wu Dong still had a hint of excitement on his face!

Chen Ping looked at Wu Dong's excited look and felt a little curious, so he asked, "What is this Hengshan stone?"

"Oh, Mr. Chen doesn't know. This Hengshan stone is the rough stone produced on Hengshan Mountain. Because this kind of rough stone has a high shipment rate, most of the precious gems such as imperial green and crimson red are produced from this Hengshan stone. , so the price of the rough stone will be higher, but if you can get this kind of stone, if you are lucky, you can make a lot of money even if you open it yourself!"

Wu Dong excitedly followed Chen Ping's introduction. It could be seen that Wu Dong still had some research on the rough stone, and he was not a good-for-nothing young man!

"If we can increase the shipment rate of rough stones, that is, if we can 100% produce gemstones, how much money can we make from this thing?"

Chen Ping suddenly became interested in gambling on stones, and he seemed to see a way to make money!

"How can someone be 100% sure to find a gem? What if..." Wu Dong said, suddenly stunned, and then looked at Chen Ping through the rearview mirror in surprise, because he suddenly thought of what happened yesterday, Chen Ping Pingke randomly picked out ten pieces from the waste rocks, and all five of them yielded gems. Although the remaining five pieces did not, Wu Dong seemed to understand something!

"Mr. Chen, if we can find gemstones 100% of the time, then this business will be extremely profitable. Even becoming the richest man in the country is no exaggeration!"

Wu Dong said excitedly.

"This is a good way to make money!" Chen Ping nodded.

"Chen...Mr. Chen, if you know how to choose rough stones, then let's work together. I can give you 50% of the shares, no, no, no, 80%. I only need 20% of the shares. That's fine, Mr. Chen just needs to inspect the rough stones after he comes!"

Wu Dong's heart was pounding. If he could 100% pick out the rough stones containing precious stones, wouldn't he make a fortune even if he had 20% of the shares?

Pick out some good rough stones and open them yourself, and then take the remaining tattered stones to the stone gambling shop to sell them, so that the group of stone gamblers can gamble, and you can still make another fortune!

"You trust me so much?" Chen Ping smiled.

"Xin, with the skills Mr. Chen showed yesterday, there is no master with such a unique vision in the entire stone gambling world!"

Wu Dong nodded quickly and said.

"Well, I'm also short of money, so I'll cooperate with you!" Chen Ping nodded.

"Thank you Mr. Chen, thank you Mr. Chen..."

Wu Dong was overjoyed and hurriedly thanked him!

When Wu Dong brought Chen Ping to Wu's house, Wu Liuyi and others were already waiting at the door. Seeing Chen Ping coming, Wu Liuyi personally stepped forward and helped Chen Ping open the door!

Entering the Wu family hall, Chen Ping found that Wu Liuyi had prepared a very sumptuous lunch table early. Only after inviting Chen Ping to take the main seat did the others dare to sit down.

"Master Wu is too polite, it's just a simple meal, why should it be so grand!"

Chen Ping looked at the table of food and said with a faint smile!

“Mr. Chen, how dare I neglect you!” Wu Liuyi said, getting up and pouring a glass of wine for Chen Ping himself!

Chapter: 619

“Wu Dong, why don’t you even offer a toast to Mr. Chen? Follow Mr. Chen and apologize!”

Wu Liuyi said to Wu Dong after pouring Chen Ping a glass of wine.

“No need, it’s nothing serious, there’s no need to apologize again and again, it makes me look stingy!”

Chen Ping waved his hand and said.

“Yes, yes!” Wu Liuyi nodded repeatedly: “Mr. Chen doesn’t know something. I am a rebellious son who has been disobedient since childhood. I am also lazy by nature and have no talent for practicing martial arts. Instead, I am interested in some broken stones all day long. After this time, I asked him to close the stone betting shop and never let me touch those big rocks again!”

“Dad, I know I was wrong. I will definitely change my arrogant and domineering temper in the future, but don’t let me close the store!”

When Wu Dong heard this, he immediately said anxiously.

“Shut up. Thank you for Mr. Chen’s magnanimity this time. Otherwise, your life will be lost and you open a crappy stone betting shop. From now on, you can stay at home and you are not allowed to go anywhere!”

Wu Liuyi glared at Wu Dong and scolded loudly!

“Dad, my store can’t be closed!”

“Why can’t it be closed?” Wu Liuyi shouted.

“Because, because my stone betting shop also has Mr. Chen’s shares, Mr. Chen is the boss now, so I can’t close it...”

Wu Dong suddenly remembered giving Chen Ping 80% of the shares and immediately said to Wu Liuyi.

Wu Liuyi was stunned and looked at Chen Ping with doubts on his face.

Chen Ping nodded and said: “Wu Dong is right. I do plan to invest in his Stone Gambling Shop. Everyone has their own ambitions and talents. Not everyone is suitable for martial arts. I think Wu Dong is doing this in Stone Gambling.” In this regard, he is very talented!”

“In that case, I’m relieved. With Mr. Chen in charge, I believe Quanzi can do business honestly!”

Wu Liuyi didn’t expect that Chen Ping would start a business partnership with Wu Dong, but in this way, Chen Ping’s relationship with the Wu family would be one step closer!

The banquet started, and people kept toasting to Chen Ping. Chen Ping did not refuse anyone who came. After all, he had the Concentration Art to protect his body. It didn’t matter how much wine he drank!

However, during the dinner, Wu Liuyi seemed to have something on his mind. He kept looking outside the door with a somewhat anxious expression!

“Master Wu, if something happens to you, I’ll leave first...”

Seeing Wu Liuyi like that, Chen Ping said.

“No, no, no, Mr. Chen, please don’t misunderstand!” Wu Liuyi saw that Chen Ping had misunderstood, and hurriedly explained: “I also have a son who has been practicing martial arts outside. I told him to come back at noon, hoping that he could Mr. Chen gave me some advice, but this guy hasn’t arrived yet!”

Wu Liuyi said with an angry look on his face!

“Practice martial arts outside? With the skills of the head of the Wu family, do you still need to send your son away?”

Chapter: 620

Chen Ping felt a little surprised!

After all, Wu Liuyi is also a master of Nei Jin. He is a famous figure in the provincial capital, but he still sends his son out to practice!

Wu Liuyi smiled bitterly: “Mr. Chen doesn’t know something. With my little ability, I can still do it in the provincial capital, but outside of Jiangbei, I have nothing. You know, there are so many masters in the martial arts world. Grandmaster Jin doesn’t care.”

“Are there any masters above you?” Chen Ping was a little surprised!

After all, he is not a member of the martial arts world, and he does not practice Jin Qi, so he does not know the levels of the martial arts world. In his opinion, being able to train Jin Qi to the master level is already considered very good!

“Don’t Mr. Chen know?” Wu Liuyi looked confused!

Chen Ping smiled and shook his head: “I’m not from your martial arts world, so I don’t know very well!”

Wu Liuyi recalled the scene when Chen Ping fought with Master Buhuo, and realized that it seemed that Chen Ping was a warlock, not a warrior!

Seeing this scene, Wu Liuyi could only explain: “The hierarchy in our martial arts world is very strict. Before you develop your internal energy, you cannot be called a warrior. Only when you develop your internal energy can you be a true warrior.”

“Nei Jin is divided into Nei Jin Xiaocheng, Nei Jin Dacheng, Nei Jin Master and Nei Jin Grandmaster, and these are all subdivided. Each realm level is divided into nine levels. This is why I, Chifeng, Sun Yaobang and Jiang Zhengzhong are both Nei Jin Grandmasters, but their strengths are different. I am only a second-grade Nei Jin Grandmaster, while Chi Feng and Jiang Zhengzhong are estimated to be around the fourth grade!”

“Beyond the Inner Power Grandmaster, there are martial arts experts, martial arts masters, and even masters at the Martial King Realm and the Martial Emperor Realm. But these are just what I have heard about. I have never seen such masters!”

Listening to Wu Liuyi’s explanation, Chen Ping had a general understanding of the martial arts world. It turned out that the martial arts world was the same as Chen Ping’s immortal cultivation world. The boundaries were very strict. Chen Ping just didn’t know that he was in the foundation building period. Realm, corresponding to the martial arts world, what realm can you reach!

While Chen Ping was deep in thought, Wu Liuyi continued: “So I sent my second son to study in the Bajiquan lineage since he was a child. I hope that his strength will surpass mine in the future!”

Just as Wu Liuyi finished speaking, a young man walked in and said as he walked: “Dad, I am busy practicing now. This time I must help our Bajiquan win a good prize at the martial arts gathering.”

The young man walked in. Chen Ping took one look and was suddenly shocked. He found that this man looked exactly the same as Wu Dong. If Wu Dong hadn’t been sitting nearby, Chen Ping would have definitely admitted his mistake!

“Mr. Chen, this is my second son Wu Xi, they are twins!”

Wu Liuyi followed Chen Ping and introduced!

Chen Ping smiled slightly, nodded, and said hello to Wu Xi!

However, the names of this family gave Chen Ping a lot of insight. Wu Dong, Wu Xi, Wu Liuyi, the names of this family are really random!

Wu Xi was slightly startled, glanced at Chen Ping, and found that Chen Ping was only about the same age as him, but his father actually called him sir, with an extremely respectful attitude. This made Wu Xi frown and said: "Dad, what are you talking about at home?" Here comes the distinguished guest, it won't be him, right?"

"You bastard, how can you talk? Why don't you come over to see Mr. Chen..."

When Wu Liuyi saw Wu Xi's arrogant attitude, he immediately cursed!

Seeing that Wu Liuyi was angry, Wu Xi could only walk up to Chen Ping unwillingly: "I have seen Mr. Chen..."

Chen Ping just nodded slightly and said nothing!
