

The Order 6121

Chapter: 6121

“What material is this fan made of? Why does it look like it’s made of paper?”

“There is light shining on the fan, it must not be a mortal thing!”

Many monks were talking about it!

It’s just that no one can use their spiritual sense to detect it, they can only guess with their eyes!

Chen Ping looked carefully with his Tianming eyes and found that this fan was indeed a bit strange, because the light on it was not caused by the array pattern, but the light of the fan itself!

Moreover, the refining structure of this fan is also very strange, and Chen Ping can’t understand it!

Lao Yang listened to everyone’s discussion and said that the fan was not good, but he was not angry. Instead, he smiled coldly and said: “Everyone, have you ever heard of the legend of Luban Pavilion?”

“Of course I have. I heard that this Luban Pavilion is an immortal pavilion and has a great status in the heaven. Moreover, this Luban Pavilion is good at refining weapons.”

“What Luban Pavilion refines are all weird things. I heard that the palm-sized wooden boat refined by Luban Pavilion can change instantly and hold ten thousand people!”

“Yes, yes, I also heard that Luban Pavilion can turn decay into a magical weapon. It’s so powerful!”

When many monks heard about Luban Pavilion, they all started talking!

“Luban Ge, why do I seem to have some impression?”

At this time, Demon Lord Chiyun spoke!

When Chen Ping heard this, he knew that Luban Pavilion was not simple. Demon Lord Chiyun had an impression that it must be a sect from the heaven!

“Everyone, I believe many people know about Luban Pavilion, but they don’t believe that the fan in my hand was made by Luban Pavilion. Today I will demonstrate it in public to let you know whether it is true or false!”

As Old Yang said, a trace of breath penetrated into the folding fan, and the stream of light on the folding fan became stronger, and then began to grow in size, and finally became a foot in size, directly covering Old Yang!

“This folding fan looks as thin as a cicada’s wing, but it is extremely strong and has strong defensive capabilities. This is a defensive folding fan.”

“Even if you are a peak master in the Tribulation Realm, it is simply impossible to break this folding fan.”

“Now I’ll give it a try to everyone!”

After the master said that, he put the folding fan in front of him, then circulated his breath, and the breath of the peak of the Tribulation Realm burst out, and then blasted out with a palm!

boom!

With a loud noise, the whole room shook, but the folding fan in front of me was intact!

Seeing this scene, all the monks were tempted!

If there is such a defensive magic weapon, wouldn't it be possible to have a chance of survival when encountering masters at the peak of the Tribulation Realm?

Chen Ping was a little excited when he saw this.

Although Chen Ping now has an indestructible golden body, the strength of this indestructible golden body can only increase with Chen Ping's strength!

Chen Ping also has a dragon-marked clock. With the strength of the dragon-marked clock, it can withstand a blow from the peak of the Tribulation Realm!

But if you want to lock yourself inside the Dragon Pattern Bell, isn't it the same as catching a turtle in a urn? If you are really in danger, there will be no chance to escape!

But this folding fan is different. It can be used casually. If there is such a defensive magic weapon, Chen Ping will not have to be afraid of the strongest people at the peak of the Tribulation Realm. The worst he can do is run away and he will not be hurt!

"Lao Yang, the starting price of this folding fan must be quite high, right?"

A monk asked loudly!

"Of course, the starting price is 20 million spiritual coins, the highest bidder will win!"

Lao Yang said!

“I will pay 20 million...”

Someone immediately shouted out!

“I will pay 40 million...”

“I will pay 60 million...”

As soon as this started, someone shouted 60 million. It seemed like everyone really liked it!

“I’ll give you 100 million!”

At this time, a thin monk stood up and said one hundred million!

This shocked many people. Although this thing is a good thing, the price is not something that everyone can afford!

When the monk saw that no one spoke, he had a smile on his face. It seemed that he was bound to win!

“One hundred and ten million...”

Just when the monk felt confident, Chen Ping suddenly spoke!

Chapter: 6122

Seeing Chen Ping's bid, the monk frowned visibly!

The other monks also looked at Chen Ping. Chen Ping just spent money to buy the hand bones, and now he has this folding fan. How rich he is!

Lao Yang also looked at Chen Ping a few more times. He didn't expect Chen Ping to be so rich!

"Fellow Taoist, I really want this folding fan, and I hope you can give it to me!"

The thin monk actually let Chen Ping want to do it!

It seemed that he didn't have any more money, otherwise he wouldn't have taken the initiative to ask Chen Ping to give in!

However, Chen Ping doesn't want to get out. If he has this folding fan, he can withstand attacks from the peak of the Tribulation Realm. For Chen Ping, it can save his life!

"Sorry, the rule is that the highest bidder wins, you can pay a higher price!"

Chen Ping shook his head!

Upon seeing this, the monk's eyes froze slightly, and then a burst of terrifying aura erupted from his body, directly tearing apart the array patterns surrounding his body!

At this moment, the monk's appearance and aura were all revealed, and he turned out to be an old man with gray hair!

A ninth-level monk in the Tribulation Realm, no wonder this monk dared to be exposed!

“Fellow Taoist, I am Mu Yao from the Mu family. If you can do it, my Mu family will be very grateful.”

After saying that, a ball of flame suddenly appeared in Mu Yao’s palm, indicating that he was not lying!

After all, the Mu family is the only one practicing fire-based skills near the Demonic Mountain!

“It turns out that he is from the Mu family. No wonder he dares to break the barrier on his body and reveal his true face and aura.”

“Now, I’m afraid Lao Yang won’t dare to say anything. After all, the Mu family is also a respectable family.”

“This kid is probably going to give it up. After all, it’s better to owe the Mu family a favor than a broken fan.”

Many monks were talking quietly!

Chen Ping stared at Mu Yao with a bit of vigilance in his eyes. He killed Mu Kui, and now people from the Mu family suddenly appeared here. It is very likely that these people are here for him!

Fortunately, Mu Yao didn’t know Chen Ping, so he persuaded Chen Ping!

If he knew Chen Ping’s identity, he would have taken action against Chen Ping long ago!

Lao Yang looked at Mu Yao. Although he felt unhappy, he didn’t say anything. After all, the Mu family is considered a big family in this Tianmo Mountain!

Chapter: 6123

If it's for a little money, it's not worth offending the Mu family!

Now let's see if Chen Ping wants to stop!

Everyone looked at Chen Ping. Even the magic machine gently pulled the corner of Chen Ping's clothes and motioned for him to let go of the folding fan!

"If you have money, just take it out and the one with the highest price will get it. I have no objection."

"But if you want to use your power to dominate others, I won't accept your trick."

Chen Ping looked at Mu Yao and snorted coldly!

Everyone looked at Chen Ping in surprise!

Mu Yao was also shocked. He originally thought that if he revealed his identity, he would be able to make Chen Ping back down, but he didn't want Chen Ping to give him any face!

He didn't know that Chen Ping even dared to kill the eldest son of the Mu family. How could Chen Ping give face to him, a collateral member of the Mu family!

"Are you not giving my Mu family face?"

Mu Yao looked at Chen Ping coldly, and the aura of the ninth level of Tribulation Realm burst out from his body, shrouding Chen Ping!

This breath was like the weight of a mountain, making Shen Jizi beside Chen Ping look pale and out of breath.

Chen Ping also had his eyes slightly condensed and stood motionless.

“If you were at the peak of the Tribulation Realm, I would still be more afraid of you. You are just a ninth-level person who has just been promoted to the Tribulation Realm. Do you really think you are invincible?”

Chen Ping snorted coldly!

Chen Ping’s words made Mu Yao stunned for a moment!

After all, Chen Ping’s current aura is hidden, and he doesn’t know what Chen Ping’s strength is!

But from Chen Ping’s tone, he should be quite strong, and he is probably also at the ninth level of Tribulation Realm, otherwise he wouldn’t dare to look down upon him so much!

Shenjizi was on the side, looking at Chen Ping with cold sweat all over his body!

He knew what kind of strength Chen Ping was.

He is only at the third level of the Tribulation Realm, but he dares to talk like this to a great monk at the ninth level of the Tribulation Realm?

This is really not afraid of death!

“Boy, if you have the ability, show off your strength. Let me see what you are capable of saying such things!”

Chapter: 6124

Mu Yao suppressed the anger in his heart and said to Chen Ping!

If Chen Ping is really at the ninth level of the Tribulation Realm, Mu Yao might be able to restrain himself.

“Why should I show my strength? I can only show my financial resources. If you have the ability, you can increase the price. If you have no money, then stop beeping here!”

Chen Ping said unceremoniously!

He was almost killed by Elder Mu, so of course Chen Ping would not be polite when facing the Mu family!

“Boy, you are looking for death...”

Mu Yao could no longer suppress it, and instantly moved towards Chen Ping, tearing through the void with one claw.

He wanted to force Chen Ping to take action, so that Chen Ping’s aura would be exposed and his strength would be revealed!

Just when Chen Ping was about to take action, a figure suddenly stood in front of Chen Ping!

Then there was a roar, and the two forces collided together in an instant, the void trembled, and the whole house collapsed instantly!

As the house collapsed, the barriers on everyone's bodies disappeared, and their auras were revealed, including their appearance.

Fortunately, these people are monks, and the collapse of the house did not cause any casualties, but the auction will not be held!

But when everyone saw that Chen Ping only had the strength of the third level of Tribulation Realm, they were all stunned!

How could a third-level monk in the Tribulation Realm say what he just said?

Facing the ninth-level monk in the Tribulation Realm, he didn't panic at all!

Is there a backstage?

Even Lao Yang was a little surprised when he saw Chen Ping's strength!

Mu Yao's face was full of anger. He really didn't expect that he would be fooled by a young monk who was in the third level of the Tribulation Realm!

"Fellow Daoist Mu, I hope you can give me a thin face and don't do anything here!"

Lao Yang said to Mu Yao!

Mu Yao shook his numb arm, glared at Chen Ping fiercely and said, "Boy, I'll wait for you outside. Let's see if you can hide here for the rest of your life!"

Now that he has seen Chen Ping's true face, Mu Yao is not afraid that Chen Ping will run away!

A young monk who is at the third level of the Tribulation Realm can be crushed to death by hooking his fingers!

Chapter: 6125

But here, he wants to give Lao Yang face. After all, Lao Yang is a strong man at the peak of the Tribulation Realm. He knows that he is no match at all!

Mu Yao tossed his sleeves and turned around to leave!

Lao Yang gave the folding fan to Chen Ping, and Chen Ping happily paid for it!

"Everyone, the auction is over now. I'm really sorry for the minor interruptions."

"Please leave quickly to avoid getting into unnecessary trouble!"

Lao Yang said to everyone!

Now that his identity has been exposed, if he is targeted by someone with intentions, he will definitely get into trouble!

And what Lao Yang said was also meant for Chen Ping!

He asked Chen Ping to leave here as soon as possible. Lao Yang didn't want to offend the Mu family for Chen Ping!

"What should we do?"

Shen Jizi asked with some fear!

That Mu Yao must be waiting for them outside. If they go out like this, Chen Ping will be doomed!

Shenjizi was also afraid of getting himself involved, after all, he and Chen Ping were together!

"Don't worry, that guy can't kill us, not to mention I still have this treasure in my hand!"

Chen Ping shook the folding fan in his hand!

This folding fan will definitely be able to block Mu Yao's attack!

"Boy, although this folding fan was made by Luban Pavilion, it is already old and may not be able to withstand a few attacks."

When Chen Ping was holding the folding fan, Demon Lord Chiyun checked it out by himself, and then said!

"Even if I can save my life, it's worth it!"

Chen Pingdao didn't care how long the folding fan could be used!

Chen Ping followed Shen Jizi and left. As his feet shook, the surrounding scenery changed instantly!

They have already come out of that space market!

Originally Shenjizi was afraid that Mu Yao would be waiting for Chen Ping outside, but when they came out, they didn't see Mu Yao!

Chapter: 6126

"Fortunately, this guy is just talking!"

Shenjizi secretly breathed a sigh of relief!

"Come on, come with me to Snow Creek Valley. I've already given you the money."

Chen Ping asked the magic machine!

"No problem. After leaving Nanjing City, keep walking east. The Snow Valley is at the foot of Tianmo Mountain."

Shen Jizi nodded and said!

Chen Ping and Shen Jizi flew up and headed towards the Snow Valley!

But as soon as he flew out of Nanjing City, Chen Ping frowned!

“What’s wrong?” Shen Jizi asked!

“We’re being followed!”

Chen Ping said!

“What? Who is following you? Is it someone from the Mu family?”

Shenjizi was a little panicked!

“I don’t know yet, just move forward and don’t worry!”

Chen Ping only felt that he was being spied on, and did not know the identity of the other party at all!

“We’d better go back. If we’re in Nanjing City, the Mu family probably won’t dare to take action.”

Shenjizi was scared and wanted to go back!

“Go back and fuck the chicken feathers...”

Chen Ping grabbed Shen Jizi’s shoulders, and then used the fire-bending step. The two figures disappeared instantly, and then appeared in the distance!

The speed of the two people increased a lot, as if they were jumping in space!

Mu Yao, who was following them, was dumbfounded when he saw the speed of Chen Ping and Shen Jizi!

“Damn it, you’re only at the third level of Tribulation Realm, how can you run so fast?”

Mu Yao held his breath and concentrated, desperately starting to catch up!

Chapter: 6127

At this time, Shen Jizi’s face turned pale. He didn’t know that Chen Ping would be so fast. He was several miles away in the blink of an eye!

Soon, Chen Ping and the others arrived at the foot of Tianmo Mountain. Everything here was covered with snow and the wind was howling!

After falling to the ground, Chen Ping pulled the magic machine to hide his figure!

At the same time, Chen Ping’s spiritual consciousness suddenly spread out, and Chen Ping’s spiritual consciousness was within the detection range for several miles!

It’s a pity that Chen Ping’s spiritual consciousness didn’t detect anything!

“Don’t you want to follow?”

Chen Ping frowned slightly!

In fact, it wasn't that Mu Yao stopped following, but that Chen Ping was too fast and couldn't keep up!

Mu Yao was panting now, chasing after him!

While chasing, he cursed: "Damn it, did they use some kind of aircraft? It's too fast!"

Just when Mu Yao was cursing, a figure suddenly rushed towards him!

It turned out to be Chen Ping. He discovered Mu Yao and wanted to strike first!

Mu Yao was too distracted by the chase, so he didn't immediately discover Chen Ping and the others who were hiding!

Seeing Chen Ping, a third-level monk in the Tribulation Realm, taking the initiative to attack a ninth-level monk in the Tribulation Realm, Shen Jizi was stunned!

Chen Ping slapped it with a palm, causing Mu Yao to react instantly, and flames burst out from his body!

Chen Ping's palm was not afraid of the flames at all, and he slapped Mu Yao's shoulder with one palm!

Mu Yao's body fell to the ground, his eyes filled with disbelief!

"Aren't you afraid of my flames?"

Mu Yao couldn't believe it. How could a third-level cultivator in the Tribulation Realm not be afraid of his own flames?

Chen Ping actually penetrated his own flames and was unscathed!

“With your little flame, I’m afraid you can’t even burn a chicken to death!”

Chen Ping said with a sneer!

“Boy, you are looking for death!”

Chapter: 6128

Mu Yao jumped up, then waved his palms, and instantly hundreds of flames came densely towards Chen Ping!

When Chen Ping saw this, he quickly retreated, and hundreds of flames instantly formed an encirclement, blasting towards Chen Ping like cannonballs!

Chen Ping used the Fire Control Step and kept dodging the attacks!

Chen Ping’s body disappeared and appeared, causing all Mu Yao’s attacks to fail!

Mu Yao looked at the two balls of fire at Chen Ping’s feet and frowned!

“What kind of technique are you doing?”

Mu Yao didn't understand how Chen Ping could move instantaneously with just two balls of flame!

"You don't care, isn't your Mu family famous for its fire-based skills? Then keep trying, I'm not afraid of fire!"

Chen Ping smiled coldly, with disdain in his eyes!

Mu Yao was so angry that he, a ninth-level master of the Tribulation Realm, did not want to be fooled by Chen Ping, a third-level Tribulation Realm master. Fortunately, this was not Nanjing City and not many people saw it. Otherwise, he would have embarrassed the Mu family. !

"Boy, I'm going to let you see the Mu family's real fire-based skills today!"

Mu Yao roared and suddenly swung his palms into the air!

Heat waves suddenly gathered in mid-air. The huge heat wave caused the surrounding white snow to melt instantly, revealing the brown land!

Those heat waves kept rolling in mid-air, and then Mu Yao fired a spiritual technique, and the heat waves suddenly burst into violent flames!

The flames roared towards Chen Ping!

boom!

The flames formed a sea of fire, giving Chen Ping no chance to escape!

Soon, Chen Ping was deep in the sea of fire and disappeared!

Mu Yao raised his lips: "You are too young to fight with me..."

When Shen Jizi on the side saw this, he was also dumbfounded. He sat down on the ground and watched Chen Ping being buried in the sea of fire, feeling very nervous inside!

Chen Ping is dead, will Mu Yao target him next?

Shenjizi is worried about his own fate!

He wanted to run away, but his legs wouldn't obey him at all!

Chapter: 6129

"This kid is so tough. He has been burned in this sea of fire for so long and he didn't even make a sound!"

Mu Yao didn't hear Chen Ping scream and couldn't help but said!

But soon, Mu Yao was a little dumbfounded, because he discovered that the sea of fire that stretched for several miles was actually decreasing at a speed visible to the naked eye!

Chen Ping's figure gradually appeared, and Chen Ping's whole body was covered in flames. The flames in the sea of fire were gathering towards Chen Ping!

It's as if Chen Ping is absorbing these flames!

“What...what’s going on?”

Mu Yao’s expression changed drastically!

Shenjizi also opened his eyes wide, looking in disbelief!

After a while, the sea of fire disappeared, and Chen Ping looked like he was enjoying it!

“Thank you for your fierce flames, which make my original stars a little brighter!”

Chen Ping said with a faint smile!

“Original stars? Don’t you understand the origin of fire?”

Mu Kui was shocked!

“good!”

Chen Ping opened his hand, and the source of fire exploded, with a ball of flame beating in the palm of his hand!

The aura emitted by this flame is much stronger than that of Mu Yao!

Just this small ball of flame, the heat wave that burst out, made the stones on the ground start to burn!

“No wonder you, a third-level cultivator in the Tribulation Realm, dare to challenge me. It turns out that you have understood the origin of the fire element...”

Mu Yao gritted his teeth, his face full of anger!

If he was not practicing fire-based skills, Chen Ping would definitely be scared by his ability to reach the ninth level of Tribulation Realm!

It's a pity that he is a fire-based martial artist, but Chen Ping has realized the origin of fire and is not afraid of flames at all!

In this case, although Mu Yao has a high level and strong strength, there is nothing he can do against Chen Ping for a while!

“Boy, just wait. Our Mu family has more than just fire-based skills. I will kill you sooner or later!”

Chapter: 6130

After Mu Yao finished speaking, he turned around and jumped up, ready to leave!

“If you want to leave, do you have my permission?”

The ball of ultimate fire in Chen Ping's hand was instantly thrown towards Mu Yao!

Seeing this, Mu Yao waved his hand lightly, and a flame shield appeared!

But Chen Ping's ball of fire easily passed through the flame shield and hit Mu Yao!

Mu Yao stumbled in mid-air and almost fell!

Although he was not seriously injured, his clothes were on fire!

Mu Yao was extinguishing the flames on his body while running away, looking extremely embarrassed!

Looking at Mu Yao escaping, Shen Jizi was dumbfounded.

Originally, he was thinking about how to escape, but he didn't expect Chen Ping, a third-level Tribulation Realm master, to beat away a ninth-level Tribulation Realm master monk!

If you tell this, others will definitely take it as a joke!

But it's true!

Chen Ping didn't chase Mu Yao. He was going to Snow Creek Valley to help Demon Lord Chiyun find the remains!

"Okay, don't be stunned, let's go to Snow Creek Valley to have a look!"

Looking at the dumbfounded Shen Jizi, Chen Ping smiled lightly and said!

"Okay, okay..."

Shenjizi nodded repeatedly, he didn't dare to offend him in the slightest now!

If Chen Ping offended him, Chen Ping would probably crush him to death with one hand!

Chen Ping followed Shenjizi for another ten minutes and came to a canyon!

The mountains are soaring here and there is snow everywhere!

But in the middle of this canyon, there is a small stream flowing slowly!

You must know that the temperature here is extremely low and there is white snow everywhere. How could a creek suddenly appear?

And the water in this stream is clean and clear, but there are no fish in sight!

Snow Creek Valley is also very quiet. There are no monsters to be seen. Only some small animals appear occasionally and drink water by the stream!
