

The Order 6191

Chapter: 6191

The people from the five major sects stopped to rest, and then quickly moved towards the red light!

At this moment, Qi Peijia continued to wave out black mist, resisting Chen Ping's huge wave of flames!

Chen Ping looked at Qi Peijia's embarrassed resistance, and the corner of his mouth curled up!

Then the body jumped up, and the magic whip in his hand appeared instantly!

Snapped!

Qi Peijia was resisting the fierce flames. He was unprepared and was hit by Chen Ping's whip!

The painful attack of the demonic whip that pierced the sea of consciousness made Qi Peijia scream and fall to the ground!

He is not afraid of physical pain, but this magic whip is specifically aimed at the demon cultivator, attacking the demon cultivator's spiritual consciousness!

That kind of nerve pain is much worse than physical pain!

Looking at Qi Peijia who fell to the ground, the magic whip in Chen Ping's hand crackled in the air!

Listening to the noise, Qi Peijia's body trembled and his heart twitched. He was scared to death!

"Chen Ping, if you can kill me, why are you torturing me like this?"

Qi Peijia knew that now that he was in front of Chen Ping, there was no possibility of escaping, so he wanted to die!

Death can be a little more enjoyable!

Lan Yingying was shocked when she saw Chen Ping torture Qi Peijia!

"I can kill you at any time now, but I still want to torture you. Have you forgotten how you chased me on the battlefield of gods and demons?"

After Chen Ping finished speaking, he whipped Na Qi Peijia hard again!

But at this moment, Chen Ping noticed someone approaching, his brows furrowed involuntarily, and his consciousness instantly spread out to investigate!

When he found out that he was from the five major sects today, he seemed a little surprised!

After all, the five major sects are thousands of miles away from here, so how could they come here?

However, people from the five major sects came just in time. Chen Ping also wanted to find Na Hai Dafu and others from the five major sects to save it!

When they were in the five major sects, these guys intercepted Chen Ping and injured Bai Qian and the others. Chen Ping has not yet avenged this!

It's just the right time!

But before taking revenge, Chen Ping decided to clear up his murder of the five major sect disciples first!

Chapter: 6192

It was clearly Qi Peijia who did it, but in the end he was framed!

Realizing that people from the five major sects had arrived, Chen Ping looked at Qi Peijia and asked: "In the battlefield of gods and demons, it was obviously you who killed the disciples of the five major sects, why did you put the blame on me? If you explain clearly, I can Give you a good time!"

Qi Peijia didn't know that people from the five major sects were nearby, so he said: "It was all the idea of the Ning family. They changed into your appearance, and then deliberately exposed the storage bags of the disciples of the five major sects, letting the five major sects The door hates you, so you can kill someone with a knife."

Chen Ping was relieved when he heard that it was Ning Zhi's idea.

After fighting with Ning Zhi for so long, this guy can indeed do such a thing!

Ning Zhi is the most clever enemy Chen Ping has ever encountered, and this guy is ruthless and has no scruples!

"Chen Ping, I'm telling you now, please give me a good time!"

Qi Peijia said to Chen Ping!

He didn't want to be whipped a few times by the magic whip!

"Don't worry, someone will give you pleasure!"

After Chen Ping finished speaking, he looked aside and said, "Now that you are here, come out. You should also have heard that the killing of your five sect disciples has nothing to do with me, it was all done by this guy."

Qi Peijia was stunned for a moment, and then he saw hundreds of people coming out from behind one side of the mountain!

The ones at the front are the heads of the five major sects!

Seeing this scene, Qi Peijia knew that he had been tricked by Chen Ping!

No wonder he suddenly asked about the five major sects. It turned out that people from the five major sects were nearby!

Sect Leader Luo looked at Qi Peijia with murderous intent in his eyes and walked slowly over!

Qi Peijia's face turned very ugly!

"You dare to kill my disciples from the five major sects. This revenge must be avenged by our five major sects!"

After Sect Leader Luo finished speaking, he shouted at hundreds of disciples of the five major sects:
"Everyone stab him with a sword to avenge your senior brother..."

“As ordered...”

Hundreds of disciples from the five major sects are all filled with righteous indignation!

Qi Peijia was stunned. He wanted to die, but he didn't want hundreds of people to be stabbed to death!

Qi Peijia was very scared, but there was nothing he could do!

He knew the consequences of resistance would be a worse death!

Chapter: 6193

puff.....

A disciple from the five major sects came over and gave Qi Peijia a sword!

Then one by one came forward, and Qi Peijia was reduced to a puddle of rotten flesh in the end!

Qi Peijia died, but it was not Chen Ping who killed him, he was tricked to death!

“Fellow Taoist, I'm really sorry. I misunderstood you before...”

Sect Leader Luo stepped forward and said to Chen Ping!

Chen Ping didn't reply, but looked at Hai Dafu and others with deep hatred in his eyes!

Chen Ping wished he could kill these guys right away!

But now he is not a match for the five major sects. If these people join forces, Chen Ping is still not sure!

What's more, he came to find Jishi, so revenge can only be postponed!

However, Chen Ping must avenge himself. If he finds a suitable opportunity, he will take action without hesitation!

"let's go....."

After Chen Ping finished speaking, he turned around and left, followed by Lan Yingying!

"Sect Master Luo, I'm afraid this kid's value is not lower than that of the place where the immortal fell. This is a hundred-year enshrinement of the Demon Sealing Alliance."

Hai Dafu stepped forward and whispered to Sect Leader Luo!

"You still want to use his life to seal the Demon Alliance in exchange for a hundred years of worship?"

Sect Leader Luo gave Hai Dafu a cold look!

When Hai Dafu saw this, he shut his mouth, while Sect Leader Luo chased Chen Ping!

“Hmph, it would be a fool to give away a lot of resources.”

“It seems we have to take action in advance. We can catch this Chen Ping and go to the Demon Sealing Alliance in exchange for rewards.”

Hai Dafu said to Sect Master Yue and Sect Master Yang!

“Yes, let’s strike first. Didn’t Sect Master Na Luo say that as soon as we leave the five major sects, he won’t stop us from attacking Chen Ping?”

“We are testing the situation later. If Sect Master Na Luo really doesn’t care, we can let him live a little longer. If he blocks it, then kill him first.”

Sect Master Yue said coldly!

Chapter: 6194

“Yes, just do it!” Sect Leader Yang also nodded!

Only the leader of the Chen Sect, Chen, remained silent that day, with a very complicated expression on his face!

At this time, Chen Ping had already brought Lan Yingying back to the cave!

Binglu was surprised when she saw Lan Yingying like that. She thought it was Chen Ping who had used force on Lan Yingying!

“Don’t look at me like this, I didn’t do this. Find her some clothes quickly!”

Chen Ping saw Binglu’s strange eyes and quickly explained!

Binglu found some clothes for Lan Yingying to put on, and then asked: “Sister Yingying, what’s wrong?”

Lan Yingying lowered her head and did not speak!

In fact, Lan Yingying felt very guilty for indirectly killing two saints!

Otherwise, she wouldn’t have the shame to stay!

“Why are they following?”

Chen Ping frowned and realized that people from the five major sects were following him!

Chen Pingyuan originally wanted to avoid them, but he didn’t expect these people to follow him all the time!

Chen Ping walked out of the cave and saw Sect Master Luo walking to the entrance of the cave!

“Sect Master Luo, why are you following me?”

Chen Ping asked angrily.

If Sect Leader Luo hadn't helped him out of trouble when he was in the five major sects, Chen Ping would have been angry by now!

"Fellow Taoist, I came here to express my apology to you, and also to cooperate with you. It seems that you entered the Pole first and are more familiar with this place than we are."

Sect Master Luo said to Chen Ping very politely!

"Cooperate with me?"

Chen Ping was stunned, he didn't expect Sect Master Luo to make such a request!

Chen Ping looked at the other people behind Sect Master Luo, especially Hai Dafu, but did not answer!

These guys have a grudge against themselves, how could Chen Ping cooperate!

Hai Dafu and others were slightly shocked when they heard that Sect Master Luo wanted to cooperate with Chen Ping!

Chapter: 6195

Then they exchanged glances, ready to attack Sect Leader Luo and Chen Ping at any time.

"Mr. Chen, what's wrong?"

At this time, Binglu came out with many saints!

Seeing the sudden appearance of the saint, Hai Dafu and others were instantly alert. The plan to take action stopped again!

Sect Leader Luo looked at Binglu and others. They were all at the sixth level of the Tribulation Realm. None of them were weak. He couldn't help but be surprised!

Although the strength of the five major sects is good, the strength of their disciples is not very high.

And they are all uneven. Among the hundreds of disciples from the five major sects, the strongest ones are at the sixth level of the Tribulation Realm, and there are only a few!

Behind Chen Ping, more than ten women of the sixth level of the Tribulation Realm suddenly appeared, which surprised everyone in the five major sects!

Looking at the uniform costumes of these saints, it is obvious that they belong to the same sect!

If a sect has such strength, you can imagine how terrifying it is for the sect!

This is why Hai Dafu and others immediately gave up their plan to take action when they saw Binglu and the others!

"An old friend wants to cooperate with us..."

Chen Ping said calmly!

"Cooperation?" Binglu's face was full of vigilance!

You must know that the sect families who come here are all here for treasure hunting and profit. Who will cooperate with others?

“We just came to the polar regions for the first time and are not familiar with them, so we want to cooperate. Don’t worry, if we find the place where the immortals fell, we can share the treasures found there equally!”

Sect Leader Luo hurriedly said to Binglu!

Binglu felt relieved when she heard that Sect Master Luo and the others were looking for the place where the immortals fell!

Obviously, this person was also tricked. There is no place where immortals fell here!

“Sect Leader Luo, cooperation is fine. We don’t want anything if we find the place where the immortal fell. But we need a kind of pole stone here, and you can’t fight for it.”

“After all, that thing is useless to you. Only monks who practice ice skills can use it!”

Chen Ping directly told Sect Leader Luo about Ji Shi!

“No problem, since it is of no use to us, we will never fight for it!”

Sect Master Luo agreed directly!

Chapter: 6196

“It’s a pleasure to cooperate...”

Chen Ping stretched out his hand towards Sect Master Luo, and Sect Master Luo also shook hands with Chen Ping!

However, at the moment of shaking hands, Sect Master Luo exerted a slight force, as if to remind Chen Ping of something!

Chen Ping looked surprised, but he didn’t understand what Sect Master Luo meant!

From the beginning to the end, Sect Leader Luo did not discuss with the people behind him, and just decided to cooperate with Chen Ping!

Hai Dafu and others didn’t speak either. We could see the dissatisfaction in their hearts, but they didn’t dare to say anything!

Chen Ping took Binglu and the others to rest in the cave!

People from the five major sects found a place to repair outside the cave!

After daybreak, they set out to find the place where the immortal fell!

But just when Chen Ping was sitting at the edge of the cave, with his eyes slightly closed, and entering a state of cultivation, a breath suddenly came towards him!

Chen Ping opened his eyes instantly, and at the same time the aura on his body exploded, ready to take action at any time!

After all, Hai Dafu and others have always wanted to catch him and hand him over to the Demon Sealing Alliance to receive the reward, so Chen Ping had to guard against him!

“it’s me.....”

Just when Chen Ping was about to take action, Sect Leader Luo’s voice came over!

Chen Ping was slightly stunned and looked at Sect Master Luo in confusion. He didn’t understand what Sect Master Luo was doing secretly to find him!

Thinking of the situation where Sect Master Luo deliberately used force when shaking hands with him, Chen Ping knew that Sect Master Luo must have something going on!

“Sect Master Luo, what can you do?”

Chen Ping asked in a low voice!

Sect Master Luo looked around and whispered: “We’d better find a hidden place...”

Chen Ping nodded, brought Sect Master Luo into the cave, and ordered two saints to guard the entrance of the cave!

At this time, Sect Leader Luo breathed a sigh of relief, looked at Chen Ping and said, “Fellow Taoist, when I cooperate with you, I actually want you to help me...”

“help you with what?”

Chen Ping asked doubtfully!

Seeing that Sect Master Luo has reached the ninth level of the Tribulation Realm, Chen Ping doesn't know what else he can do to help him!

Chapter: 6197

“Hai Dafu and others have already had murderous intentions when we come to the polar region this time. The last time I let you go from the five major sects, they were already worried about me.”

“Now that I have broken through to the ninth level of the Tribulation Realm, they have already agreed to unite and kill me.”

Sect Leader Luo said with an ugly expression!

“They want to kill you? If you know that, why do you still come?”

Chen Ping was very curious, since Sect Master Luo knew, why did he come to the Pole?

Sect Master Luo smiled bitterly: “I am forced to have no choice. If I don't come, Sect Master Chen will definitely die...”

“The three of them gave the Tianchen Sect's Sect Master Chen a poison pill and asked him to cooperate with them.”

“If I don't come and pretend that I don't know anything, they will definitely attack Sect Master Chen.”

“Is this what Sect Master Chen told you?” Chen Ping asked!

Sect Master Luo nodded: “He secretly told me. I can also detect that Hai Dafu and others have murderous intentions towards me.”

“The reason why they haven’t taken action yet is because they want to find the place where the immortal fell and get rid of me.”

“They have the impossible to find the place where the immortal fell.” Chen Ping said calmly.

“Why?” Sect Master Luo was stunned!

“Because there is no place where immortals fell here at all. It’s all lies. The real resource in the polar region is the polar stone. This kind of thing is useless to other sects and families.”

“In this Jiji region, only Guanghan Palace who follows the Mu family needs Jishi. Everyone else who comes here is deceived.”

Chen Ping told Sect Leader Luo the true situation!

“So that’s it. I’ve heard of the Mu family, but I’ve never heard of Guanghan Palace!”

It is normal for Sect Master Luo not to have heard of Guanghan Palace. After Guanghan Palace was destroyed, it has just recovered. With the five major sects separated by thousands of miles, it is reasonable not to have heard of it!

“Sect Master Luo, how do you want me to help you? Let’s work together to get rid of those three people?”

Chen Ping asked!

Chen Ping also has hatred for Hai Dafu and the other three, so if he wants to kill them, Chen Ping will not hesitate!

But Sect Master Luo shook his head: "It's not possible now. If we look for an opportunity, there are many disciples under their sect. If we really take action, they will definitely kill each other. It will be very miserable."

"I want to find an opportunity to get rid of these three people without hurting my disciples!"

Chen Ping heard what Sect Master Luo said and understood what he meant. Sect Master Luo did not want to hurt the disciples of the five major sects!

Chapter: 6198

After all, they were all from the same sect in the past. As long as Hai Dafu and the other three were eliminated, the disciples would naturally be under the management of Sect Leader Luo!

"Okay, let's take action when we find an opportunity."

"But you can secretly tell Sect Leader Chen that I can find a way to remove the poison from him so that he doesn't have to worry."

Chen Ping said to Sect Leader Luo!

Sect Master Luo nodded happily. If Sect Master Chen's poison is detoxified, then their side will be even more powerful. By then, Hai Dafu and the other three will not be able to make any waves!

Early in the morning!

Chen Ping and the others set off with the people from the five major sects!

Along the way, everyone had their own agenda and no one spoke!

But not long after we left, the wind and clouds in the sky suddenly changed, countless clouds gathered, and large snowflakes fell!

The temperature dropped a lot in an instant, and many monks had to explode their spiritual power around their bodies to resist the cold!

However, Ice Dew and the others have no effect at all. After all, they practice ice-based techniques and live in this environment year after year!

“Mr. Chen, another pole stone was discovered ahead...”

At this time, Binglu walked to Chen Ping and said!

“Where?” Chen Ping had always been wary of Hai Dafu and others, so he didn’t notice it!

Binglu pointed to the rock wall not far away and said: “They are all on the rock wall, there seem to be hundreds of them...”

Chen Ping looked around and found that hundreds of extreme stones were inlaid on the rock wall on one side!

In the past, pole stones were found on the ground, but this time there were actually pole stones on the rock wall, embedded in the mountain!

This made Chen Ping very strange and couldn't help but stop!

"Why don't you leave?"

Sect Leader Luo asked!

"There is a pole stone ahead..." Chen Ping pointed!

"It turns out that this is what the pole stone looks like. Just send someone to take it down."

Sect Leader Luo said!

Chen Ping did not move. He looked at the extreme stones and felt a sense of danger in his heart!

Chapter: 6199

It shouldn't be a coincidence that the pole stone appears on that rock wall!

"Mr. Chen, I will personally lead people to take down the pole stone!"

Binglu said!

Chen Ping nodded, but warned: "You must be more vigilant. I always feel that there is danger here."

Binglu selected two saints, then jumped towards the rock wall!

Because of the magnetic field here, Binglu and the others cannot leap too high. They can only use their feet to leap upward again with the help of the rock wall!

Just when Binglu and the others were about to approach the rock, a black mass of poisonous insects suddenly flew out from the rock wall!

No one has discovered how these poisonous insects flew out of the rock wall!

"careful....."

Seeing this, Chen Ping jumped up, and at the same time, fire rose up from his palms!

This poisonous insect is most afraid of fire!

Seeing this, the other saints took out their frost swords one after another, and sword beams flew out quickly, heading straight for the black poisonous insects!

The bodies of Binglu and the two saints fell rapidly!

Thousands of poisonous insects, a mass of blackness, if they were wrapped in it, not even the remains of their bodies would be left!

Chen Ping fired out a series of extreme fires, forming a wall of fire to block the poisonous insects!

Let Binglu and the two saints have time to escape!

Then hundreds of sword rays passed through the insect swarm. Although many poisonous insects were killed, it was nothing more than drizzle to these thousands of poisonous insects!

“help.....”

When Sect Leader Luo saw this, he shouted and headed towards the insect swarm!

However, Hai Dafu and others did not move at all!

Sect Leader Luo ignored it and went directly to Chen Ping!

“This might be an opportunity!”

Sect Leader Luo whispered something in Chen Ping’s ear!

Chen Ping understood it instantly, and then his body fell rapidly!

The poisonous insects swarmed towards Chen Ping.

Suddenly, the rock wall collapsed, and a seemingly sleeping ice bear monster jumped out of the rock wall!

Only then did Chen Ping understand why these extreme rocks were on the rock wall. It turned out to be the ice bear monster!

And these poisonous insects should be guarding the pole stone outside when the ice bear monster is practicing!

This ice bear monster is huge in size, has a strong aura, and has a cultivation level at the peak of the Tribulation Realm!

Everyone was shocked when they saw this ice bear monster!

Chen Ping lured the poisonous insects and ice bear monsters towards the five major sects!

Since Hai Dafu and others don't want to take action, then he will force these guys to follow the poisonous insects and ice bear monsters to take action!

Only when chaos breaks out can they have the opportunity to quietly kill Hai Dafu and others!

Chapter: 6200

Hai Dafu and others saw Chen Ping leading the poisonous insect and ice bear monster towards them, and they all started shouting!

"Don't come over, don't come over..."

They don't want to follow these poisonous insects!

The more this happens, the less likely it is that Chen Ping will leave!

Hai Dafu and his disciples retreated desperately, but they were not as fast as Chen Ping!

The poisonous insect and the ice bear monster were attracted!

Hai Dafu and the others looked at each other and realized that they had no choice but to take action against the poisonous insects and ice bear monsters!

Chen Ping asked Binglu to take several saints and hurriedly went to the rock wall to take down the pole stone!

But just when Binglu and the others were about to take the pole stone, there were several more roars, and an ice bear monster rushed out from the rock wall!

This time, Binglu and the others were shocked!

When Chen Ping saw this, he jumped up and challenged several ice furbolgs on his own, letting Binglu and the others get the pole stone!

Sect Leader Luo also rushed forward to help!

At this time, he must work together with Chen Ping!

Sect Leader Luo and Chen Ping looked at each other. The two of them seemed to have thought together and followed the ice bear monster while fighting and retreating!

He actually led these ice bear monsters to Hai Dafu and others!

A group of poisonous insects, plus a few ice bear monsters!

Hai Dafu and his disciples are a little tired of coping!

Chen Ping followed Sect Leader Luo and took the opportunity to escape from the battlefield, not even going to help!

Blood spilled from the corner of Hai Dafu's mouth, his expression was very heavy!

Originally they planned to find an opportunity to take action against Chen Ping and Luo Zong, but now they are entangled by these poisonous insects and ice bear monsters!

"Finish the battle quickly, don't delay!"

Hai Dafu gritted his teeth and pulled out a long knife!

On the blade, spiritual power flows, and countless sharp blades are looming!

Then he slashed at an ice bear monster with his sword!
