

The Order 621

Chapter: 621

“What’s your attitude towards Mr. Chen? Are you looking for a beating?”

When Wu Liuyi saw that Wu Xi was not convinced, he immediately yelled angrily.

“Master Wu, it’s understandable that young people are high-spirited, but you don’t have to be like this...”

Chen Ping persuaded Wu Liuyi.

Chen Ping didn’t care about Wu Xi’s attitude. Since entering the world of immortality, Chen Ping’s state of mind has slowly changed!

“Hey!” Wu Liuyi sighed: “If my two sons can be like Mr. Chen, I will have no regrets even if I die!”

“Dad, I am now at the level of a master of internal energy. I will definitely surpass you in three years...”

Seeing his father belittling him in front of outsiders, Wu Xi said unhappily.

“Master Nei Jin is nothing, just sit aside and let Mr. Chen give you some pointers...”

Wu Liuyi knew Chen Ping’s abilities. Even a master of internal energy like Jiang Zhengzhong could be slapped to death. How dare a master of internal energy dare to shout in front of Chen Ping!

Wu Xi was very unconvinced, but he didn’t speak. Instead, he found a place to sit down and started eating!

“Master Wu, what is the martial arts gathering that your son mentioned just now?” Chen Ping asked curiously.

“Mr. Chen, the martial arts gathering is a conference held by martial arts families and various sects in Jiangnan and Jiangbei provinces. It is mainly for the younger generation of martial artists to communicate and learn together.”

“However, in order to increase the enthusiasm of the younger generation, some elixirs and precious medicinal materials will be awarded to the winners at every martial arts gathering. Such a martial arts gathering is held once a year. It is organized by the Medicine King’s Palace, and the rewards are also provided by the Medicine King’s Palace.”

“Actually, there will be a lot of treasures at this martial arts gathering. The sale of elixirs can also be regarded as the marketing strategy of Yaowang Palace to promote their own elixirs. However, after being held over the years, there are indeed many people participating, and there are often some rare ones. Medicines and treasures appear!”

Wu Liuyi followed Chen Ping in explaining in detail!

“Oh? Is there such a party?” Chen Ping suddenly became interested: “Then I wonder if I can participate?”

“Of course. All warriors from Jiangnan and Jiangbei provinces can participate, but only for the younger generation. They cannot be over thirty-five years old. Old men like us can only watch from the sidelines!”

Wu Liuyi smiled bitterly and continued: “It’s just that if Mr. Chen goes to participate, I’m afraid you will be the first one, and the others won’t have to compete!”

“Haha, Master Wu deserves the award!” Chen Ping chuckled.

Wu Xi, who was eating next to him, couldn’t help but rolled his eyes after hearing this, obviously very unconvinced!

“Then when will this martial arts gathering be held?”

Chen Ping asked Wu Liuyi.

“Um...” Wu Liuyi pondered for a moment, seeming to have forgotten what time it was, so he asked Wu Xi: “Wu Xi, how many days will the martial arts gathering be held?”

Chapter: 622

“One week!” Wu Xi said without raising his head.

“This kid...” Wu Liuyi glared at Wu Xi, and then smiled apologetically at Chen Ping!

After dinner, under Wu Liuyi’s warm invitation, Chen Ping must give Wu Xiyier some guidance. Chen Ping had no choice but to follow Wu Liuyi to the Wu family’s martial arts arena!

Chen Ping had actually guessed a long time ago that Wu Liuyi was so respectful and hospitable to him, so he must be asking for something from him!

When they arrived at the martial arts arena, Wu Liuyi said to Wu Xi: “Wu Xi, do a set of boxing and let Mr. Chen give you some guidance!”

Wu Xi was very reluctant, but he could only put on his posture helplessly!

Wu Xi’s feet were slightly apart, standing in a horse stance, and then he stamped his feet suddenly. Everyone felt the ground tremble slightly. After Wu Xi raised his feet, a deep footprint appeared on the hard ground!

“The second young master has indeed reached the level of a master of internal strength. It’s really not easy!”

Qi Bo said in surprise after seeing it.

The servants of the Wu family all around also praised him, which made Wu Xi’s face full of pride!

Wu Xi performed a set of Bajiquan like a tiger, and the strong wind kept roaring. Even from a few meters away, you could feel the power of the strong wind, and there were even deep footprints under Wu Xi's feet!

"Mr. Chen, I hope you can give me some pointers..."

After Wu Xi finished a set of Bajiquan, Wu Liuyi said respectfully to Chen Ping.

Chen Ping nodded: "This set of Bajiquan is strong and powerful, which is indeed good. It's just a pity that the increase in strength comes at the expense of speed. This set of fists is too slow. You must know that if you are powerful, if you can't hit People are just working in vain!"

After hearing this, Wu Liuyi nodded repeatedly. Wu Xi's set of punches was indeed strong and powerful. He deliberately increased the power of each punch and kick, so this caused the speed to slow down!

When Wu Xi heard that Chen Ping actually said that his Bajiquan was slow, he immediately became unhappy. In addition, the anger he had been holding in his heart immediately burst out and said to Chen Ping: "Boy, if you really have the ability, do you dare to fight with me? I'll show you if my Bajiquan is slow or not!"

"You bastard, why are you talking to Mr. Chen!" Wu Liuyi was shocked. Wu Xi dared to talk to Chen Ping like this, but he was frightened. As he spoke, Wu Liuyi rushed over to teach Wu Xi a lesson!

Unexpectedly, Chen Ping stretched out his hand and stopped Wu Liuyi: "Master Wu, there's no need to be angry. Didn't I say before that it's normal for young people to be angry? I'll just fight him twice!"

Upon hearing this, Wu Liuyi hurriedly said in a pleading tone: "Please show mercy to Mr. Chen!"

"Don't worry, I won't hurt him!" Chen Ping said calmly.

With these words, Wu Liuyi felt relieved, and it was just in time for Chen Pingzhi to control Wu Xi's arrogance. You must know that there is heaven outside the world, and there are people outside the world.

Wu Liuyi sometimes wonders whether these two children are his biological children. They are all extremely arrogant and completely opposite to his own personality!

"Dad, you should beg me to show mercy. If I hurt your distinguished guest later, don't blame me!"

Wu Xi said with disdain.

Chapter: 623

Wu Liuyi ignored him because he knew that Wu Xi would be honest soon!

Chen Ping jumped lightly, arrived in front of Wu Xi, and said calmly: "If you hit me, I will just dodge and never fight back. Let you know if your Bajiquan is slow!"

Chen Ping said, putting his hands behind his back and standing quietly!

Wu Xi was stunned for a moment, then said with an angry face: "Boy, you are too crazy. If you are hurt, don't blame me..."

"No!" Chen Ping shook his head!

Wu Xi suddenly stamped his foot. This time, cracks appeared on the ground. The cracks spread everywhere and were several meters long!

Then Wu Xi exhaled loudly, the veins on his face tightened, and his whole person exuded a terrifying aura, like a cheetah, staring at the prey in front of him!

Suddenly, Wu Xi punched Chen Ping. The punch was so powerful that the sound of punching through the air suddenly sounded!

Facing this punch, Chen Ping still stood quietly, with his hands behind his back, as if he didn't care at all.

But just when Wu Xi's fist reached Chen Ping, Chen Ping turned his head slightly to one side and easily dodged Wu Xi's punch!

Wu Xi was stunned for a moment, then became furious and punched Chen Ping again. This time he did not attack Chen Ping's head, but aimed at Chen Ping's abdomen!

Chen Ping retracted his abdomen, turned sideways to avoid the punch, and then turned his body around, directly behind Wu Xi!

“ah.....”

After missing two punches in a row, Wu Xi became completely angry, roared from his mouth, and his fists were like meteors, shrouding Chen Ping!

This time, he actually used both fists, but unfortunately no matter how fast his fists were, they couldn't even touch the corner of Chen Ping's clothes!

In just a few minutes, Wu Xi had already punched more than a hundred times, but none of them hit!

Wu Xi stopped, breathing heavily, his forehead was covered with cold sweat, and all his energy was almost exhausted!

At this time, Chen Ping still had his hands behind his back, showing no signs of fatigue. He smiled slightly and said, “Do you believe your fists are too slow now?”

“Hmph, you're just relying on your body's flexibility. Do you dare to box with me? With a physique like yours, I can break all your bones with one punch!”

Wu Xi was still not convinced!

Chen Ping smiled: "Now that your energy has been exhausted, how can you still fight with me?"

After saying that, Chen Ping raised his foot and stomped lightly on the ground!

In an instant, the entire ground shook, like an earthquake. Wu Xi's body couldn't stand and fell directly to the ground!

Looking at Chen Ping's feet, deep cracks spread for more than ten meters, and Chen Ping's calves had already sunk into the ground!

Chapter: 624

Lifting his feet, Chen Ping walked back to Wu Liuyi calmly!

Wu Xi fell to the ground and was dumbfounded. Looking at the half-meter-deep pothole in front of him, Wu Xi's Adam's apple rolled, and he finally realized that Chen Ping's strength was simply not what he could compare with. Even with this strength, he might have already reached He has reached the eighth level of Nei Jin Grandmaster and above. No wonder his father is so polite to him!

Thinking of this, Wu Xi immediately stood up, walked to Chen Ping with a respectful look, and knelt down with a thud: "I'm blind, I hope Mr. Chen won't be offended!"

Seeing Wu Xi kneeling down for him, Chen Ping was a little surprised and reached out to lift Wu Xi up.

Although the two brothers of the Wu family have arrogant personalities, their ability to admit their mistakes and turn around is really extraordinary, and it seems that they are not unlike Wu Liuyi at all.

"Strength comes from the heart, and the shape is random, so that your speed and strength can be exercised, instead of focusing on one and losing the other, and the gain outweighs the gain..."

Chen Ping patted Wu Xi on the shoulder and said.

“Power comes from the heart, but the shape is random? Power comes from the heart, but the shape is random?.....”

Wu Xi murmured to himself, his eyes suddenly lit up, and he said with excitement: “Thank you, Mr. Chen, for your advice, I know, I know...”

After Wu Xi finished speaking, he ran directly to the martial arts field and started practicing, still nagging: “Follow your strength and follow your heart, and follow your form!”

Wu Liuyi looked at Wu Xi with satisfaction, and then said to Chen Ping with gratitude: “Thank you so much, Mr. Chen. If Mr. Chen comes to my Wu family, my Wu family will go through fire and water without hesitation!”

“It’s just a little effort, Master Wu, there’s no need to be polite!”

Chen Ping smiled lightly!

At this moment, Wu Dong came over and said respectfully to Chen Ping: “Mr. Chen, the rough stone has arrived. I wonder if you...”

“Okay, I’ll go take a look with you!”

Chen Ping nodded!

Wu Dong drove and took Chen Ping directly away from Wu’s house and to a warehouse in the suburbs. This is where Wu Dong stored the rough stones. After all, the store area in the market was too small to accommodate these rough stones!

After Chen Ping and the others arrived, a black car drove up quickly, and an old man with white hair got out of the car, wearing reading glasses and a cane in his hand!

Seeing this, Wu Dong hurriedly rushed forward: “Mr. Pei, be careful where you step!”

Seeing how Wu Dong looked, he respected the old man very much and helped the old man over carefully!

“Wu Dong, it’s just for your father’s sake. Otherwise, at my age, I would never be running around anymore. I’m helping you control your eyes this time, so I should retreat!”

Mr. Pei said with a displeased look!

“Mr. Pei, if you retreat, it will be a big loss to our stone gambling world!”

Wu Dong quickly complimented!

Chapter: 625

“I’m old and my health is failing!” Mr. Pei waved his hand: “But I heard that the volume this time is very large. Even for your father’s sake, the cost cannot be too small, at least this amount!”

Mr. Pei stretched out a finger and gestured towards Wu Dong!

“One million is not much, Mr. Pei is worth it!” Wu Dong said hurriedly.

“What one million?” Mr. Pei’s face turned cold: “It’s 10 million!”

“Ten million?” Wu Dong’s eyes widened in shock.

“Why, do you think it’s too much? I know that the stones you came here this time are Hengshan stones. If they are all good goods, do you need me to tell you how much money you can make?”

Pei Lao said coldly to Wu Dong.

“Okay, ten million is ten million...” Wu Dong gritted his teeth!

After helping Mr. Pei to a chair to rest, Wu Dong walked up to Chen Ping and said with some embarrassment: "Mr. Chen, this Mr. Pei is an old man in the stone gambling industry. When we buy rough stones, we will ask him to hold them." It's not that I don't trust Mr. Chen, I hope Mr. Chen won't misunderstand!"

"No problem!" Chen Ping smiled slightly.

After waiting for about half an hour, a truck drove over, followed by several small cars.

After the car stopped, a group of middle-aged men got out of the first car. The middle-aged man wore a diamond ring on his hand, a gold chain as thick as his thumb around his neck, and held a cigar in his hand.

From several other cars came a dozen bodyguards in suits, each wearing sunglasses and exuding a terrifying aura. They looked very powerful at first glance!

"Mr. Feng, when you come to deliver goods to me and bring so many bodyguards with you, are you looking down on me or the Wu family?"

Wu Dong walked over with a smile and shook hands with Mr. Feng!

"Of course I know the strength of your Wu family in the provincial capital, but this cart is made of high-grade Hengshan rough stones and is worth a lot of money. If something goes wrong along the way, won't I become a beggar in the future!"

Mr. Feng laughed, showing two big gold teeth!

"Mr. Feng is worth a lot. Not to mention a cart full of Hengshan stones, even if he buys the entire Hengshan Mountain, it would be more than enough!"

Wu Dong praised Mr. Feng!

“Young Master Wu has given you the award...”

Although Mr. Feng said this, he had a smile on his face!

Chen Ping on the side looked at Wu Dong with admiration. Although this kid didn't like martial arts, he was really a good businessman!

After Wu Dong exchanged a few words with Mr. Feng, Mr. Feng walked directly to Mr. Pei who was sitting on the chair and said politely to Mr. Pei: “Mr. Pei, you are going to take action in person today!”

“This cart of Hengshan stones is worth a lot of money. Wu Dong was worried and invited me here in person!” Mr. Pei said while still sitting with his eyes slightly closed!

Chapter: 626

“Mr. Wu, we have been dealing with each other for so many years, but you still can't trust me, Old Feng, so you even invited Mr. Pei here personally!”

Mr. Feng looked at Wu Dong and said half-jokingly.

“Mr. Feng, be careful and you won't make a big mistake, not to mention the price of this batch of Hengshan stones is not low!”

Wu Dong also smiled slightly.

“In this case, let's inspect the goods first, but I still say the same thing, this is a rough stone, I will not guarantee that you will get a gemstone, or what kind of gemstone you will get, and after the inspection and transaction, I will not return or exchange it! Mr. Feng said seriously.

“I understand, there is no need for Mr. Feng to explain these things!” Wu Dong nodded!

Soon, a cart of rough stones was dumped at the designated place. The stones in this cart were of different sizes and shapes. To the uninitiated, they looked no different from ordinary stones!

“Mr. Pei, thank you for your work...”

Wu Dong stepped forward to ask Mr. Pei to inspect the goods, and personally helped Mr. Pei up!

Mr. Pei nodded, took out a magnifying glass and a very delicate small hammer, and then walked to the randomly selected rough stone!

With so many rough stones, it was unrealistic to check them one by one, so I could only randomly select a dozen pieces for Mr. Pei to inspect!

As for whether these dozen stones can represent the quality of a cart of rough stones, no one can say for sure. It all depends on luck. Stone betting itself is all about luck!

Just when Mr. Pei was looking at the rough stones carefully, Chen Ping suddenly frowned slightly, then walked to the pile of rough stones, then bent down and started picking!

Mr. Feng glanced at Chen Ping and did not stop him. He thought Chen Ping was the subordinate brought by Wu Dong.

Chen Ping kept picking aside the rough stone in front of him, and soon a stone the size of an egg, with a smooth surface and an oval shape appeared in front of Chen Ping!

Chen Ping's eyes showed surprise, and he slowly picked up the stone. When Chen Ping's hand touched the stone, a pure spiritual energy penetrated directly into Chen Ping's body.

The spiritual energy contained in this egg-sized stone is actually more abundant than the spiritual energy contained in jade stones that are dozens of times larger.

“This...is this the spiritual stone?”

Chen Ping's eyes widened with disbelief!

After picking up this stone, Chen Ping closed his eyes slightly and sensed it again, and found that there was no stone with spiritual energy surging anymore!

“Where did you get this stone?” Chen Ping held the spirit stone and walked towards Mr. Feng with excitement on his face and asked.

Mr. Feng glanced at Chen Ping with disdain in his eyes, snorted coldly, and ignored him at all!

“Let me ask you, where did you get this stone?”

Chen Ping grabbed Mr. Feng’s collar and said anxiously.

Chapter: 627

Mr. Feng’s face became angry, and the bodyguards immediately surrounded him. When Wu Dong saw this, he also hurried over!

“Mr. Chen, what’s wrong?” Wu Dong stepped forward and hurriedly pulled Chen Ping away, and then said apologetically to Mr. Feng: “Mr. Feng, I’m sorry, maybe Mr. Chen was a little excited when he saw that these rough stones are good!”

“Hmph, today, for Wu Dong’s sake, I have to destroy this kid!”

Mr. Feng snorted coldly, waved his hand, and asked the bodyguards to retreat!

Chen Ping also felt that he was a little out of control, so he calmed down.

“Mr. Chen, is this stone in your hand some kind of gem?”

Seeing Chen Ping holding a stone the size of an egg, Wu Dong asked.

“Oh, it’s not a gem. I just think this stone is a little special!” Chen Ping shook his head, and then asked: “Are these stones all mined from Hengshan Mountain?”

“Yes. Judging from the color and shape of these stones, they are all mined from Hengshan. However, there are not many small stones like the ones you have in Hengshan. Even if there is something in this kind of stone, it is not worth a lot of money. It’s too much. Too small!”

Wu Dong explained.

Chen Ping smiled slightly but didn’t say anything. Wu Dong didn’t understand the importance of this stone to him at all!

“It seems I have time to go to Hengshan Mountain. Maybe I can find spiritual stones there...”

Chen Ping thought to himself!

“Excellent. This Hengshan stone is indeed of the best. The emerald green color is so clear from the outside. You can’t go wrong when you open it!”

Ten minutes later, Mr. Pei suddenly sighed loudly!

When Wu Dong heard this, he hurried over and said, “Mr. Pei, do you think there is something in these dozen stones?”

“Of course, come and see!”

Mr. Pei took a small flashlight and shined it on the stone, and soon a green luster appeared inside!

Mr. Pei hit it again with a small hammer, knocking off the outer skin, and the green inside became more vivid.

Wu Dong was immediately overjoyed. If such a good product could come out of a dozen randomly selected rocks, then this car must be indispensable. This is really good luck!

“Mr. Pei, thank you very much. I will call you for your reward shortly.”

Wu Dong said excitedly.

Mr. Pei nodded, sat back on the chair, and began to rest again. It was so easy to earn ten million!

“Master Wu, I told you that this batch of goods is of the highest quality. If you buy it, you will definitely make a lot of money!”

Chapter: 628

Mr. Feng said to Wu Dong.

Wu Dong smiled and said: “Mr. Feng, please tell me a price. How much does this car of rough stones cost?”

“Old rule, Hengshan stone is twice as expensive as other rough stones, so this car costs 300 million. Without bargaining, you can get your money back by just selling a few imperial green stones. Moreover, the shipment rate of Hengshan stone is very high.”

Mr. Feng held out three fingers and said.

Wu Dong hesitated for a moment, and then looked at Chen Ping. After all, Chen Ping is the major shareholder now, and Chen Ping has the final say!

“What do you think, Mr. Chen?” Wu Dong asked.

“These stones are rubbish. Not to mention 300 million, 30 million is not worth it...”

Chen Ping said calmly.

As soon as Chen Ping finished speaking, Mr. Pei, who had originally planned to close his eyes to rest, suddenly opened his eyes!

And Mr. Feng said with an angry look on his face: "Boy, what are you talking about? Do you know how to gamble on stones? I have a car full of Hengshan stones, and you said it's not worth 30 million? What a joke!"

"Wu Dong, where did you find this young boy? Among the dozens of stones I just looked at, some of the ice, imperial green and chicken blood red can be vaguely seen. You saw it yourself just now, and now he You actually said that a cart of Hengshan stones is not worth 30 million?" Mr. Pei stood up and said with a cold face: "I think this cart of rough stones is not worth more than 300 million. If you don't want it, then give it to me!"

Just now, Mr. Pei said that these stones were of the highest quality, but now Chen Ping actually said that they were rubbish. This is obviously contrary to Mr. Pei. How could Mr. Pei not be angry!

"Don't be angry, Mr. Pei!" Wu Dong hurriedly persuaded Mr. Pei, and then looked at Chen Ping with a puzzled face: "Mr. Chen, this car of Hengshan stones is indeed good, and the price of 300 million is not high, otherwise..."

"You don't believe me?" Chen Ping looked at Wu Dong and asked coldly.

"No, no, no, how could I not believe Mr. Chen!" Wu Dong waved his hands repeatedly!

"Since you believe me, then don't want this load of rocks!"

After Chen Ping finished speaking, he walked aside and sat down, and began to play with the spirit stone in his hand!

Wu Dong looked embarrassed, but finally walked up to Mr. Feng and said: "Mr. Feng, I'm really sorry, I can't accept this cart of rough stones!"

Mr. Feng was stunned for a moment, and then said angrily: "Wu Dong, Mr. Pei said it was the best, but you don't believe Mr. Pei. It's really ridiculous to believe a young boy. Since you don't want it, then I will find another seller." , let others get rich!"

Mr. Feng's words made Wu Dong feel very uncomfortable, but now that Chen Ping had spoken, Wu Dong did not dare to stay even if he wanted to.

"Mr. Feng, I want these rough stones, and I'm going to show them today. The opportunity doesn't come around all the time!"

Mr. Pei walked up to Mr. Feng and said.

"Mr. Pei, since you want it, I am bleeding heavily today and will give you 250 million, but I want to transfer the money on the spot and there will be no credit!"

"No problem, I'll transfer the money to you right away!" Mr. Pei suddenly felt happy. This export was 50 million cheaper, and he was able to take advantage of this huge bargain.

Chapter: 629

Because he didn't have enough money, Mr. Pei started calling to borrow money, and then called someone to prepare to transport the rough stones away!

After about an hour, Mr. Pei collected all the money and transferred it directly to Mr. Feng!

Looking at those rough stones, Mr. Pei was very excited. He glanced at Wu Dong coldly and said: "Today I will let you young people see what the top Hengshan stones are. How dare you call rubbish a stone that I have seen before!"

After saying that, Mr. Pei ordered people to cut into pieces the dozen stones he had seen. While cutting the rough stones, Mr. Pei's face was full of pride. He believed that there must be something inside these dozen rough stones. Shipping.

"Mr. Pei, I have a long way to go and I have to rush back. You just drive slowly here!"

Upon seeing this, Mr. Feng said to Mr. Pei.

“Mr. Feng, don’t go, come with me to witness this, so that these young people can have a long experience...” Mr. Pei grabbed Mr. Feng and said.

Mr. Feng looked a little embarrassed, but he had no choice but to stay!

Wu Dong watched from the side, his eyes were red, he was really envious, but unfortunately Chen Ping refused to accept it, so he could only watch others make money.

Soon, more than a dozen rough stones were cut open. When the rough stones were opened, everyone was stunned.

I saw that after the original stones were cut, there was nothing inside, just ordinary stones, and they were full of cracks!

As for the green and red seen from the outside, they are just a layer on the surface of the stone, as if they were deliberately painted on!

“How...how could this happen? Is this impossible?”

Mr. Pei’s eyes widened, and he looked through the dozens of rough stones like crazy, and then yelled: “Keep opening, open all the rough stones here!”

Soon, I opened dozens more stones, but found nothing. They were just ordinary stones, and there wasn’t even a trace of jade in them!

“No need to turn it on, nothing will happen, it’s a waste of time...”

Chen Ping stood up slowly and threw the spiritual stone in his hand. At this time, the spiritual energy on the spiritual stone had already been absorbed by Chen Ping!

Mr. Pei looked like he was stupid. He swayed twice and then rushed towards Mr. Feng with an angry look on his face: "How dare you lie to me and give me my money back..."

Mr. Pei grabbed Mr. Feng's collar tightly!

Mr. Feng's face became angry, and he no longer had the respectful look at the beginning. He pushed Mr. Pei hard: "Old man, you have misunderstood the rules of the stone gambling world. How can you rely on me!"

After pushing Mr. Pei away, Mr. Feng turned around and led others to leave, but Mr. Pei said reluctantly: "Stop them, don't let them go!"

The people called by Mr. Pei immediately surrounded Mr. Feng and the others. Upon seeing this, Mr. Feng's bodyguards immediately took action and knocked Mr. Pei's people to the ground in just a few dozen seconds!

"Humph!" Mr. Feng snorted coldly, then glanced at Chen Ping and said, "Boy, I remember you. It's best not to let me see you in the future!"

After threatening Chen Ping, Mr. Feng left directly with his people!

Chapter: 630

At this time, Mr. Pei sat paralyzed on the ground, his face was ashen, and he started crying!

He borrowed money to buy these, and now they are all trash. What will he use to pay back so much money?

Chen Ping glanced at Mr. Pei, and then said to Wu Dong: "Let's go!"

Wu Dong nodded and followed Chen Ping respectfully. Now he admired Chen Ping so much that if it weren't for Chen Ping, he would be the one sitting on the ground crying now.

"Mr. Chen, where are we going now?"

On the way, Wu Dong asked Chen Ping.

“Go and gamble on stones. Take me to see all the rough stones in the entire provincial capital. I’m short of money now!”

Chen Ping said without hesitation.

“Okay!” Wu Dong looked excited and took Chen Ping straight to the Stone Gambling Street in the market!

For a whole afternoon, Wu Dong led Chen Ping through the Stone Gambling Street in the provincial capital with ease. No matter what kind of rough stone they were, they could sell it.

I have looked at almost all the rough stones in the provincial capital, including imperial green, chicken blood red, ice type, etc. I don’t know how many have been found. Wudong will sell the stones on site and directly exchange them for money.

“Mr. Chen, we earned two billion in one afternoon, two billion...”

In the evening, on the way to send Chen Ping home, Wu Dong shouted excitedly!

Chen Ping leaned on the back of the chair and rested with his eyes slightly closed. Two billion was still too little for him, and Chen Ping had consumed a lot of his spiritual power in the past half day, and now his body was a little tired!

After sending Chen Ping home, Wu Dong kept part of his money and transferred the rest to Chen Ping. Chen Ping also told Wu Dong to buy more rough stones, especially Hengshan stones!

It’s not that Chen Ping likes the Hengshan Stone, he just hopes to discover the spiritual stone again, which will prove that the spiritual stone appearing in the Hengshan Mountain is not an accident.

As soon as Chen Ping entered, he saw Su Yuqi sitting alone in the living room, bored. When he saw Chen Ping coming back, he hurriedly got up and greeted him: "You had lunch, why didn't you come back until the evening? I'm so bored!" "

"Where's Gu Ling'er?" Chen Ping asked.

"What? Do you miss her?" Su Yuqi looked straight at Chen Ping and asked.

Seeing Su Yuqi like that, Chen Ping felt helpless. Sometimes men really can't guess what a woman is thinking!

"I'm just curious, why didn't she accompany you?"

Chen Ping explained.

"Ling'er has her own job, so she can't accompany me every day. In order to accompany me these days, she didn't even go to work!"

Su Yuqi grimaced: "If the matters in the provincial capital are settled, let's go back to Jiangcheng tomorrow. My dad is at home by himself, so I'm a little worried!"
