

The Order 6221

Chapter: 6221

But Chen Ping is like a ghost, always following him!

“You’re a bit slow, hurry up...”

Chen Ping said with a smile!

The hunchbacked old man saw the flames burning on Chen Ping’s feet. He had no idea what kind of magic Chen Ping was using, but he could follow him like a shadow and couldn’t get rid of it at all!

“Stop chasing...”

The hunchbacked old man slapped Chen Ping with his palm!

But this time, the hunchbacked old man did not use the evil spirit. He knew that the evil spirit had no effect on Chen Ping!

It was just a burst of pure spiritual power that hit Chen Ping!

But Chen Ping did not dodge or dodge, and the indestructible golden body on his body shone with light, allowing the hunchbacked old man to hit him with a palm!

Bang!

Chen Ping's figure didn't even move!

This hunchbacked old man is a demon cultivator, and his power lies in his evil spirit. Now he doesn't dare to use his evil spirit. He wants to use his pure spiritual power to hurt Chen Ping. It's a joke!

When the hunchbacked old man saw this, he looked helpless and ran as hard as he could, but he couldn't outrun Chen Ping!

Finally, I could only stop panting!

How he played with the disciples of the five major sects just now, now Chen Ping is playing with him!

The boomerang finally hit me!

"what on earth do you want?"

The hunchbacked old man asked Chen Ping!

"Of course I'm going to have fun with you, I still have some good things I don't want you to see!"

After Chen Ping finished speaking, he took out the magic whip!

Then the magic whip snapped in the air, without hitting the hunchbacked old man, but just like that, the hunchbacked old man was so frightened that he felt his head buzzing!

"This, what is this?"

The hunchbacked old man looked at the magic whip in Chen Ping's hand with extreme fear in his heart!

The whip hadn't hit him yet, but the sound alone made him dizzy. If it hit him, it would be a big deal!

Chapter: 6222

"This is called a magic whip. It's specially used to beat demon cultivators. You'll know what it's like when you try it. It's very satisfying!"

Chen Ping said, and whipped the hunchbacked old man, which made the hunchbacked old man scream!

He kept beating the hunchbacked old man until his skin was torn apart, and he kept begging for mercy!

"Please, stop fighting, I was wrong, I was wrong!"

"Spare me, I will never be a dog to the Demon Sealing Alliance again, and I will never hunt you down!"

The hunchbacked old man couldn't bear the soul pain caused by the magic whip!

If it was just physical pain, he could bear it!

However, the magic whip is specifically used to deal with the spiritual consciousness of the demon cultivator. This kind of pain cannot be endured by willpower!

Seeing the hunchbacked old man like that, Chen Ping directly reached out to pick it up, and then chased him in the direction where Sect Master Chen and the others had just gone!

The reason why Chen Ping didn't kill the hunchbacked old man was because he felt that this guy was still useful, and maybe he could be exchanged for Sect Leader Luo!

Chen Ping's speed was very fast. The hunchbacked old man felt Chen Ping's speed and his eyes were almost shocked!

Now he finally understood why the Demon Sealing Alliance wanted to use a hundred years of sacrifice to hunt down Chen Ping!

This is not a third-level monk in the Tribulation Realm. He is even more awesome than a ninth-level monk in the Tribulation Realm!

And he also has a magical whip in his hand that can restrain demon cultivators.

The hunchbacked old man now regrets it to death. Why did he take this job?

"Can you sense where the other members of your Guisha Sect are?"

Chen Ping asked the hunchbacked old man!

Although Chen Ping knew the general direction of Sect Leader Luo's escape, Chen Ping couldn't tell whether the direction would change in the middle!

So I want the hunchbacked old man to sense the location of his sect disciples!

As long as we find people like Gui Sha Sect, we will definitely find Sect Master Luo!

“I...I can’t sense it!”

The hunchbacked old man shook his head!

“You fart, then how do you contact each other and get together?”

Chen Ping slapped the hunchbacked old man on the head!

Chapter: 6223

“I...I really can’t sense it, we...”

The hunchbacked old man still wants to hide it!

Chen Ping stopped listening and whipped the hunched old man with the magic whip several times!

The hunchbacked old man howled and screamed, and his whole body became ferocious!

“If you don’t tell me, I’ll keep beating you until you tell me!”

Chen Ping kept pumping in his hands, pumping and pumping!

The hunchbacked old man was about to cry. He grinned and said, “I said, I said...”

Seeing that the hunchbacked old man gave in, Chen Ping stopped!

“I’m going to ask my eldest brother where he is now.”

The hunchbacked old man took out the sound transmission jade slip from his arms and carefully inserted a burst of spiritual power!

It can be seen that it is very important for the hunchbacked old man to see this jade slip!

Just after the sound-transmitting jade slip was imbued with spiritual power, a deep voice came from the other side: “Second brother, you are fucking crazy. Why did you suddenly use the sound-transmitting jade slip? Did you encounter some emergency?”

You must know that although the sound transmission jade slips are ordinary, they are also precious things. They will not be used casually unless there is an emergency!

The hunchbacked old man looked at Chen Ping and then said: “Brother, I killed all the people from the five major sects. Where are you now? I will go find you. Have you caught the man named Luo?”

“No, this kid actually came to the crack and was running desperately towards the borderland of chaos. He probably wants to enter the land of chaos without letting us catch him!”

The man in black robe cursed and said!

“I understand, I’ll be there soon!”

The hunchbacked old man put away the message jade slip!

He glanced at Chen Ping and said, "You know the location, can you let me go?"

"Let you go? What a beautiful thought you have!"

Chen Ping snorted coldly and carried the hunchbacked old man towards the crack!

Chen Ping knew that if he didn't bypass the big crack, he would have to cross the crack if he wanted to go to the chaotic land on the border!

But there is no way to cross the crack, so Chen Ping has to find Sect Leader Luo before he crosses the crack!

Otherwise, Sect Leader Luo would most likely be swallowed up by the crack!

Chapter: 6224

Chen Ping's speed was maximized!

At this time, the man in black robe, with the disciples of Gui Sha Sect, was chasing Sect Master Luo!

"Damn it, the second son is a loser. His formation was broken, and he even said that he had wiped out all the people from the five major sects."

"What the hell are you lying to? After destroying the five major sects, why did you break the formation and let this person named Luo escape?"

“I think he just got caught and is a piece of trash, otherwise he wouldn’t be able to use the jade slips!”

The man in black robe cursed and kept chasing after Sect Leader Luo!

If the formation had not been broken, it was impossible for Sect Master Luo to escape from the formation even if he ran. However, the formation was broken, giving Sect Master Luo a chance to escape towards the border!

After receiving the jade slip from the hunchbacked old man, the man in black robe discovered that the hunchbacked old man had been arrested!

“Great Elder, since the Second Elder has been arrested, why do you still tell us our location?”

A Guisha Sect disciple asked in confusion!

“I said it just to let them come here. This big crack is full of evil spirits. For us, it is the best place to practice, but for other monks, this is the place to be buried. ”

“I’m going to lure all these people here, and then let them bury themselves in this big crack!”

“You lead people to ambush around. They must be coming soon. I will chase the man named Luo. He is exhausted now and cannot run fast!”

The man in black robe ordered!

“As ordered...” Hundreds of Guisha Sect disciples all ambush him!

The man in black robe quickly chased towards Sect Leader Luo, and the man in black robe's body turned into a black smoke, like a whirlwind!

Sect Leader Luo is extremely weak at the moment and is about to collapse!

The crack ahead is getting closer. As long as you cross the crack, you can reach the borderland of chaos!

The chaotic land at the border of the world of heaven and humanity, anyone who steps into it will die!

But even so, Sect Master Luo ran over without hesitation!

He didn't want to be caught by the Guisha Sect, and he knew what would happen if he was caught!

He also doesn't want to be killed by the Gui Sha Sect. He knows that the Gui Sha Sect hates him deeply. If he kills himself, he will definitely refine his remnant soul into a fierce ghost at the moment of his death!

In that case, they can use the remnant soul of Sect Master Luo to massacre all the disciples of the five major sects!

That would be the catastrophe of the five major sects!

Chapter: 6225

"Luo, don't even think about running away!"

The man in black robe has already caught up with him!

Seeing that the man in black robe was the only one, Sect Leader Luo couldn't help but sneered: "Even if I am weak now, it's not that easy for you to catch me."

"I am at the ninth level of the Tribulation Realm. Wouldn't it be so embarrassing if I were caught by you, the eighth level of the Tribulation Realm?"

"Humph, let's try it!" The man in black robes laughed ferociously, stretched out his arms, and a large black mist suddenly covered dozens of miles in radius!

Sect Leader Luo unleashed his final fighting strength and started fighting with the man in black robe!

At this time, Chen Ping looked at the rising black mist in the distance and knew that the people of Guisha Sect had already taken action against Sect Leader Luo!

At the same time, on Chen Ping's side, Sect Master Chen took the remaining twenty disciples of the five major sects and headed towards the direction of the black mist!

When they met together, Sect Leader Chen's eyes were full of surprise!

"Fellow Daoist Chen, you caught up with me so quickly?"

Sect Master Chen did not expect that Chen Ping would take care of the hunchbacked old man so quickly!

Chen Ping knocked the hunchbacked old man unconscious and handed him to Sect Master Chen, saying: "You guys keep an eye on him, I'll go rescue Sect Master Luo."

Bringing the hunchbacked old man with him affects Chen Ping's speed!

Sect Leader Chen nodded and asked several sect disciples to control the hunchbacked old man!

Chen Ping used the Fire Control Step and his body disappeared instantly!

But just as they were approaching the place filled with black mist, hundreds of people from the Guisha Sect suddenly rushed out. They were ambushing here!

Seeing that Chen Ping was alone, these people did not hesitate at all and all rushed towards Chen Ping!

Facing hundreds of Guisha Sect disciples, red flames flashed in Chen Ping's eyes!

He knew he couldn't waste time here, because Sect Leader Luo probably wouldn't last long!

Chen Ping suddenly jumped up and floated in the air, with blazing flames rising from his body!

What these evil cultivators are most afraid of is the blazing flames!

As Chen Ping slowly raised his hands, endless flames burned across the sky!

Even the air is burning!

Heat waves swept across, covering a dozen miles in radius, and the thick snow melted and evaporated instantly!

Chapter: 6226

Chen Ping burst out all the fire in his body!

Hundreds of Guisha Sect disciples looked at the endless flames with horror in their eyes!

boom!

Chen Ping waved his palm, and the flames gathered in one place and instantly turned into a fire dragon, opening its bloody mouth!

The fire dragon roared and dived down!

Those Gui Sha Sect disciples were shocked!

Countless evil energies erupted one by one, forming an airtight shield of black mist!

They want to stop this fire dragon!

But just as their black mist shield was formed, they felt a huge suction, sucking away all their sinister energy in an instant!

Chen Ping opened his mouth, and countless evil spirits entered Chen Ping's body!

This time, the disciples of Gui Sha Sect were even more confused!

And at the moment of confusion, the fire dragon had already rushed in front of him, and the fierce flames caused the bodies of the Ghost Demon Sect disciples to burn violently!

These people let out shrill screams.

Upon seeing this, the Guisha Sect disciples fled one after another. Now they only have fear in their hearts!

But there is no way to escape!

When the flames went down, more than a dozen Guisha Sect disciples were instantly wiped out!

Even the soul was burned to the core!

Hundreds of Gui Sha Sect disciples were wiped out in an instant, leaving not even a trace behind!

At this time, Sect Master Chen and the others had arrived, and they were all shocked when they saw everything in front of them!

Sect Master Chen was secretly glad that he sided with Sect Master Luo and let Chen Ping go!

If Chen Ping was completely angered by the five major sects at that time, he didn't know what the consequences would be for the five major sects!

The man in black robe, who was hundreds of miles away, heard the shrill screams of the Guisha Sect disciples!

The screams of hundreds of people could be heard far, far away!

Chen Ping solved these Guisha Sect disciples without stopping at all, and disappeared in a flash!

Chen Ping's figure soon appeared in the black mist!

The man in black robe also sensed immediately that someone had entered his black mist, so he condensed thousands of ghosts into his palms and headed crazily towards the place where Chen Ping appeared!

At the same time, the men in black robes accelerated their attacks on Sect Leader Luo!

Sect Master Luo was on the verge of collapse at this moment. His whole body was wrapped in the sinister aura of the man in black robes, making him unable to breathe at all!

He wanted to break free, but his strength seemed to be drained from his body!

"I said, I won't die in your hands..."

Sect Master Luo knew that he was doomed, so he jumped towards the crack!

He would rather jump to his death than die in the hands of the Ghost Demon Sect!

Chen Ping had already rushed over at this moment. When he saw Sect Leader Luo jumping into the crack, he was extremely anxious!

"Don't jump, don't jump..."

Chen Ping wanted to stop Sect Master Luo, but unfortunately it was too late. Sect Master Luo's body reached the middle of the crack, and suddenly several wind blades passed by Sect Master Luo!

However, Sect Leader Luo's body did not explode and fall into the cracks like others, but the whole body fell downwards!

When Chen Ping saw this, he immediately took the magic whip in his hand and whipped it towards the man in black robe!

Bang bang bang...

The whip made a deafening sound, and the black mist was instantly defeated by the whip and disappeared!

Chapter: 6227

The man in black robe looked at Chen Ping, then at Sect Master Chen and others who were chasing him. His whole body was wrapped in the sinister aura, and he also jumped towards the crack!

When Chen Ping saw this, he condensed fire into his hand and shot it out instantly!

Whoosh whoosh!

Three rays of fire are coming in an instant!

The speed of the fire was so fast that the void began to twist!

When the man in black robe saw Chen Ping Zhihuo coming in an instant, he hurriedly shot out a black mist to block it!

He could block the first ultimate fire, but was hit by the second and third ultimate fire!

The flames filled the black-robed man's body, completely covering him!

The man in black robe screamed and fell towards the crack!

However, as the man in black robe fell, the flames on his body were quickly extinguished!

Chen Ping looked at the bottomless crack and began to hesitate!

He didn't understand why Sect Master Luo and the black-robed man were not torn apart by the wind blade in the crack, but fell directly.

At this time, Sect Master Chen arrived with the disciples of the five major sects!

The hunchbacked old man also woke up slowly!

Looking at the crack in front of him, there was a sparkle in the eyes of the hunchbacked old man!

It was obvious that he wanted to enter this crack!

"Tell me, what is in this big crack? Why are some people torn apart by the wind blades in the crack, while others are fine?"

Chen Ping knew that the hunchbacked old man must know some secrets of this crack!

“I.....”

The hunchbacked old man didn't want to tell Chen Ping!

But when he saw the magic whip in Chen Ping's hand, he trembled and said truthfully: “This big crack is filled with evil spirit. As long as it is wrapped in the evil spirit, you will not be trapped if you fall into it.” Shredded.”

“This is something we also experimented with several disciples...”

The words of the hunchbacked old man made Chen Ping understand instantly!

When Sect Leader Luo jumped into it just now, he was enveloped in the sinister aura!

Chapter: 6228

And the man in black robe had the same reason!

Fortunately, Chen Ping has Dao pattern evil spirit in his body, which is many times stronger than Yin evil spirit!

He can enter the big crack and rescue Sect Leader Luo!

“Sect Master Chen, you guys wait here, I'll go and meet Sect Master Luo!”

After Chen Ping finished speaking, the evil aura from the Tao marks on his body filled the air, and he jumped directly into the crack!

The moment he jumped into the crack, Chen Ping felt countless wind blades whistling around his body!

It's just that because of the evil spirit surrounding his body, these wind blades did not cause any harm to Chen Ping!

Chen Ping's body was falling rapidly, and the wind was whistling in his ears!

Everything was pitch black before my eyes, I couldn't see much!

However, the evil spirit permeated the surroundings, making the surrounding temperature extremely low!

With such a strong evil spirit, countless monks and monsters died in this big crack!

After all, this big crack has existed for thousands of years, and basically all the people and monsters who fell in here died!

Thousands of years of accumulation have made the evil spirit in the big crack so strong!

Chen Ping didn't know how long he had been falling, but as his body continued to fall, the original cold feeling slowly disappeared, and instead it felt warm!

Chen Ping was very puzzled, how could there be a warm feeling with so much sinister energy?

Just when Chen Ping was puzzled, his body finally fell to the bottom of the crack!

I saw that the big cracks were all filled with white bones. I don't know how long these bones have been there!

Walking on it makes a creaking sound!

Fortunately, the bottom of this crack can be detected with spiritual consciousness. Otherwise, the surrounding area would be completely dark and without spiritual consciousness, it would be difficult to move forward!

Chen Ping dispersed his consciousness and began to look for the figure of Sect Leader Luo. They fell at the same location, so they shouldn't be too far apart after falling!

Sure enough, after Chen Ping's consciousness dispersed, he discovered the figure of Sect Master Luo. At this moment, Sect Master Luo was in a coma due to extreme weakness!

In addition, the evil spirit is everywhere here. If it is not a demon cultivator, but an ordinary monk comes here and is invaded by the evil spirit for a long time, it will also cause damage!

Chen Ping hurriedly injected a burst of spiritual power into Sect Master Luo's body, and Sect Master Luo slowly woke up!

"Fellow Daoist Chen, where are we?"

Chapter: 6229

Sect Leader Luo looked very surprised when he saw Chen Ping!

He remembered that he seemed to have jumped into a big crack. Why was he with Chen Ping now?

“Sect Leader Luo, we are at the bottom of the big crack. Fortunately, when you jumped down, you were wrapped in the evil spirit, otherwise your whole body would have been torn to pieces.”

Chen Ping said!

Only then did Sect Master Luo notice that they were surrounded by evil spirits, and there were thick bones on the ground!

“Where are those people from Guisha Sect?”

Sect Master Luo asked quickly!

If everyone from the Guisha Sect is still here, then they are in danger!

“Only the Great Elder of Guisha Sect is left, and he jumped into the crack. I don’t know if that guy is dead.”

Chen Ping knew that the man in black robe was hit by his ultimate fire and fell to the bottom of the crack!

Even if he doesn’t die, he must be injured!

“How are the disciples of our five major sects doing? And Sect Master Chen?”

Sect Master Luo asked!

“There are still about twenty disciples of the five major sects. Master Chen’s physical body was destroyed, but the remnant soul is still there and can reshape the physical body!”

Chen Ping replied!

Upon hearing this, Sect Leader Luo became silent!

At this moment, after the man in black robe fell to the bottom, his body was indeed injured by the fire, but his life was not in danger!

Feeling the sinister aura around him, the man in black robe had a sneer on his lips.

As long as he absorbs these evil spirits, he can not only recover, but his strength can also be improved quickly!

Thinking of this, the man in black robe started to use his skills and began to desperately absorb the evil energy!

This place is full of sinister energy, and the man in black robe absorbs it twice as fast as usual!

After the Yin evil spirit was absorbed, Chen Ping noticed it instantly!

He could feel the flow of Yin evil energy being absorbed!

Following the direction of the flow of Yin evil energy, he can find the man in black robe!

Chapter: 6230

“Sect Master Luo, I know the location of the Great Elder of Gui Sha Sect.”

Chen Ping was delighted!

“Then let’s go find him. If the two of us join forces, that guy is no match.”

“There is evil energy everywhere here. If we let that guy absorb it unscrupulously and improve his strength, we will be in danger!”

Sect Leader Luo knew that he had to kill the man in black robe first!

Chen Ping took Sect Master Luo and quickly found the man in black robe according to the flow of evil spirit!

When the man in black robe saw Chen Ping and Sect Leader Luo, he was obviously stunned for a moment, but he soon burst into laughter!

“Huh, here is my home court. There is evil energy everywhere here, and I can get it replenished at any time.”

“And not only can you two not replenish it, but you also have to separate your spiritual power to resist the invasion of the evil spirit. So even if I don’t fight you two, if you stay here for a long time, you will run out of energy and energy. Died by force!”

The man in black robe was full of pride!

Listening to the words of the man in black robe, Sect Master Luo's face became very ugly!

Because he knew that the man in black robe was right, in this place, he and Chen Ping would not have any chance of recovery!

But this man in black robe has a steady stream of sinister energy!

Such a gap, even if it is slowly consumed, can still consume them to death!

But Chen Ping looked at the man in black robe with a sneer, and said with disdain: "Are you happy too early? You don't have to think about it. Since I can enter the bottom of this crack intact, then it proves that I can also use Yin evil energy!"

After Chen Ping finished speaking, his body suddenly emitted waves of suction, and the endless evil energy around him poured into Chen Ping's body like a torrential river!

The man in black robe was dumbfounded for an instant and looked at Chen Ping in disbelief!

Sect Master Luo also didn't expect that Chen Ping could do this!

Looking at it in surprise, you must know that Chen Ping does not exude the slightest aura of a demon cultivator!

But it can absorb the evil spirit!

This is very strange!

“Stop, these evil spirits belong to me!”

The man in black robe roared angrily, and his body turned into a storm of black mist, sweeping towards Chen Ping!

Seeing this, Sect Master Luo was about to stop him when he heard Chen Ping say calmly: “Sect Master Luo, don’t move, let me take care of him!”
