

The Order 6261

Chapter: 6261

Chen Ping's indestructible golden body has been completely shattered, and blood marks appear on Chen Ping's powerful body!

"Damn it, do you have to let me die?"

Chen Ping was speechless for a while!

He had just been rescued from that chaotic land by Mr. Shi, and now he was trapped in the beast tide again!

This time, Mr. Shi should not be saving him!

Just when Chen Ping was wielding the Dragon-Slaying Sword mechanically and the various auras in his body were constantly weakening!

Suddenly a light flashed in the storage ring!

The little swallowing beast ran out yawning, obviously just waking up!

The moment the little swallowing beast appeared, the originally manic and ferocious monster suddenly became quiet!

The dark monsters all looked at the sky-swallowing beast in front of them!

Roar.....

Suddenly, the sky-swallowing beast roared!

This roar directly caused the earth to tremble and the rocks to break apart!

The beast tide started to retreat amidst the huge roar of the Sky-Swallowing Beast!

Then he turned around and ran away. Tens of thousands of monsters were scared away by the roar of the Sky-Swallowing Beast!

You must know that this little sky-swallowing beast is very small. Compared with those monster beasts that are several feet tall, it is as big as an ant!

But such a small sky-swallowing beast could scare away thousands of monsters with just one voice!

“What kind of roar is this? Is it the Beast King?”

“It was so terrifying. Just this roar almost broke my heart.”

“It’s over. I’m afraid we’re going to be doomed now.”

When many monks heard the roar of the sky-swallowing beast, their expressions changed drastically!

Ouyang Zhenhua and others also felt their hearts trembling, with horror in their eyes!

Binglu and the others turned around and looked at the cold place at the foot of the mountain. They were all sweating for Chen Ping!

Chapter: 6262

Chen Ping let out a long sigh of relief. Looking at the sky-swallowing beast, he felt extremely fond of it!

This little guy is so awesome at such a young age. If he grows up, it will be even better!

It's just that it's so edible and can swallow anything, but it just doesn't grow!

"Boy, don't think twice about my sky-swallowing beast. I've recovered my physical body, and I'm going to ride it across the heavens."

Demon Lord Chiyun knew what Chen Ping was thinking and said quickly!

"I picked up this Sky-Swallowing Beast. Your mount, the Sky-Swallowing Beast, is already dead."

Chen Ping doesn't think that this sky-swallowing beast belongs to Demon Lord Chiyun!

Demon Lord Chiyun was speechless for a while, but this little sky-swallowing beast was indeed picked up by Chen Ping!

"Boy, let's discuss it. Before I return to my physical body, you can use it in this world."

“When I regain my physical body, you have to return it to me. When the time comes, you ascend to immortality. You have just arrived in heaven, and you are so poor that you can’t afford it.”

Demon Lord Chiyun started discussing with Chen Ping!

The dignified Demon Lord is now discussing with the third-level monk in the Tribulation Realm. If others knew about this, their jaws would probably drop!

“Okay!” Chen Ping nodded!

It seems that Chen Ping really can’t afford to feed this sky-swallowing beast!

Looking at the corpses of monster beasts all over the ground, Chen Ping was very excited. They were full of beast pills!

This many beast pills are enough for Chen Ping to use for a while!

Chen Ping ignored the sky-swallowing beast and bent down to pick up the beast pills!

And the dragon-slaying sword began to cut into the corpse of the monster and take out the beast elixir!

But who would have expected that the little sky-swallowing beast roared, then opened its mouth!

For a moment, the entire sky changed color, and the mouth of the Sky-Swallowing Beast was like a black hole, full of suction!

Before Chen Ping could react, those monster beast corpses and beast pills were sucked into the belly of the sky-swallowing beast!

In just an instant, apart from the bright red blood stains, the corpses and beast elixirs of the monsters were gone on the ground!

Chen Ping was dumbfounded!

The sky-swallowing beast burped, returned to the storage ring and went to sleep!

Chapter: 6263

“grass.....”

Chen Ping couldn't help but cursed!

I tried my best to kill so many monsters, but I got nothing!

Although the beast tide was scared away by the Sky-Swallowing Beast, swallowing all the beast elixirs is too unethical. You have to divide yourself a little bit?

Chen Ping was speechless at this moment!

“Hahaha, I've told you before that you can't afford to raise it, and you have to fight with it at such a young age.”

Demon Lord Chiyun looked at Chen Ping's helpless look and burst into laughter!

Chen Ping could only sigh and slowly walked up the mountain!

At this moment, the cold fog had disappeared, and everyone saw that the foot of the mountain had long since lost the impact of the beast tide and became very quiet!

Only Chen Ping's figure was slowly going up the mountain!

It was as if the beast tide had suddenly disappeared!

Upon seeing this, Binglu and others rushed towards Chen Ping!

Ouyang Zhenhua and other monks also ran down one after another!

If the beast tide subsides, the corpses of monster beasts all over the ground will become resources!

There are beast elixirs in the corpses of monsters!

But when they got closer, they discovered that there were corpses of monsters on the ground, and the beast elixir had disappeared!

At this time, everyone was dumbfounded. They didn't understand why the corpses of monsters and beasts all over the ground disappeared just because they didn't see them.

So everyone focused on Chen Ping!

They really want to know where all the corpses of monster beasts have gone!

It is impossible for Chen Ping himself to turn the corpses of these monster beasts into nothingness in an instant!

Binglu and the others ran over and asked Chen Ping concernedly: "Mr. Chen, are you okay?"

"I'm fine. It's just that all the energy in my body consumes too much. I'll be fine if I rest."

Chen Ping said with a faint smile!

"Fellow Taoist, thank you for your help. We are grateful."

Chapter: 6264

Ouyang Zhenhua walked up to Chen Ping and said gratefully!

Having seen Chen Ping's true strength, Ouyang Zhenhua, although he is a ninth-level monk in the Tribulation Realm and the head of the Ouyang family, he has no airs at all!

"You're welcome, it's just a little effort!"

Chen Ping just smiled indifferently!

This little effort almost cost me my life!

“Fellow Taoist, I don’t know why the beast tide suddenly left, and why are the monster beast corpses all over the ground missing?”

Ouyang Zhenhua asked his question!

The other monks also listened with their ears pricked up, wondering what was going on.

Binglu and the others also wanted to know what happened to Chen Ping in that cold fog just now.

“I’m not very sure. The beast tide suddenly retreated with a roar, and took away the bodies of all its companions.”

Chen Ping could only lie, there was no way he could tell the sky-swallowing beast.

Even if you say it, these people may not believe it.

They had never seen a mythical beast that could swallow so many monster beast corpses in one go, and they couldn’t believe it.

In this case, Chen Ping might as well tell a lie to be more truthful.

When Ouyang Zhenhua heard this, he nodded and said: “It seems that the roar just now really came from the Beast King. But for some unknown reason, the Beast King recalled the beast tide and even took away the corpses of his companions. It seems that the Beast King has opened fire.” Wisdom.”

Everyone believed Chen Ping’s words, after all, only this explanation could make sense.

Otherwise, how could these countless monster beast corpses disappear all of a sudden.

Although everyone was sorry, there was nothing they could do. A large number of beast pills just disappeared.

“Fellow Taoist, I would like to say goodbye without saying thanks. We are going to the mountains to see if we can find anything.”

“If fellow Taoist need help, my Ouyang family will also help.”

Ouyang Zhenhua said to Chen Ping!

He knew that Chen Ping had a feud with the Mu family, otherwise the two parties wouldn't have beaten each other with stones!

“Senior Ouyang, can I ask you a question?”

Just when Ouyang Zhenhua was about to leave, Chen Ping suddenly said.

Chapter: 6265

“Fellow Taoist, please speak!” Ouyang Zhenhua stopped!

“Senior Ouyang, I think you used a puppet when you were dealing with the beast tide. I wonder if you bought the puppet or refined it yourself?”

“I think Senior Ouyang is not a demon. He shouldn't be able to refine puppets, right?”

Chen Ping asked curiously.

When dealing with the beast tide, Chen Ping noticed that when Ouyang Zhenhua waved his sleeves, several black spots appeared, and then turned into puppets, blocking the beast tide without fear of life and death.

Therefore, Chen Ping was very curious. Ouyang Zhenhua didn't seem to be a demon cultivator, and he probably didn't have the skills to turn corpses into puppets.

After all, this kind of technique can only be mastered by demon cultivators. After all, it would be too cruel to turn a corpse into a puppet.

"Hahaha, fellow Taoists don't know yet, the puppets in this world are not just refined from corpses."

"It can be made from various materials. My puppet is not a corpse. Although it looks like a human, it is actually made."

Ouyang Zhenhua laughed loudly!

"Robot?" Chen Ping instantly thought of robots.

"Robot? What robot is the fellow Taoist talking about?"

Ouyang Zhenhua's face was full of confusion!

Living in the celestial world, Ouyang Zhenhua certainly didn't know what a robot was, but Chen Ping lived in the secular world. He knew that robots were made of various materials and then installed with batteries.

“Oh, it’s nothing.” Chen Ping smiled and said, “Senior Ouyang made this puppet himself?”

“Of course.”

Ouyang Zhenhua looked proud, and a black shadow suddenly shot out from his sleeves.

Then the black shadow suddenly grew bigger and turned directly into a one-foot-tall puppet. This dummy was lifelike and very flexible. Ouyang Zhenhua controlled the puppet and punched it out, causing a huge boulder to shatter instantly!

“This is so amazing. It’s just like the real thing. It’s so ingenious!”

When Binglu saw the puppet, she couldn’t help but admired it!

Ouyang Zhenhua said with a proud look on his face: “Our ancestors of the Ouyang family learned how to make puppets after being taught by Luban Pavilion in the heaven.”

“Luban Pavilion?” Chen Ping instantly remembered that the folding fan in his hand was also made by Luban Pavilion.

“Why, fellow Taoist, have you heard of Luban Pavilion?” Ouyang Zhenhua looked at Chen Ping and asked!

Chen Ping nodded: “I’ve heard that Luban Pavilion is very good at refining weapons.”

Chapter: 6266

“I wonder if Senior Ouyang can tell me how to make a puppet? And what is used to drive this puppet?”

If it is a puppet corpse refined by the demons, it uses the power of the corpse itself and the strength of the physical body.

Therefore, the strength of the puppet corpse is related to the strength of the corpse before death!

But the puppet created this time is different. It should be related to the method of creation and materials, as well as the driving force!

“Fellow Taoist, although you saved us, making puppets is a secret that our Ouyang family has never passed down. I can’t tell you.”

“However, this puppet can be driven by spiritual stones and animal elixirs. The more advanced the spiritual stones and animal elixirs, the greater the power of this puppet.”

Ouyang Zhenhua said!

Hearing what Ouyang Zhenhua said, Chen Ping was not surprised. After all, this was his family’s unique skill. How could he teach it to others at will.

“Senior Ouyang, I also have a body-protecting magic weapon made by Luban Pavilion. Take a look.”

Chen Ping took out the folding fan!

Ouyang Zhenhua took it, looked at it carefully, and then said excitedly: “Yes, this is indeed made by Luban Pavilion, but this thing is damaged, I’m afraid it won’t be used a few times.”

“However, this folding fan can block a blow from the peak of the Tribulation Realm, and there is still no problem.”

“Senior Ouyang, I give you this folding fan. Can you tell me how to make a puppet?”

“I promise I won’t tell anyone about it, I’m just curious!”

Chen Ping reluctantly gave the folding fan to Ouyang Zhenhua in exchange for the method of making a puppet!

Although Chen Ping can use the Nine Shadows Sword Technique to clone himself, the clone still consumes the power of his body!

And this clone does not exist everywhere and everywhere!

But this puppet is different. As long as you have the materials and spirit stones, you can build it at will without consuming Chen Ping’s own power!

Chen Ping thought that if he created an army of puppets, he would be able to sweep across the world of heaven and humans!

Even if the puppet is destroyed, there is nothing to worry about, it can be rebuilt at any time.

Ouyang Zhenhua looked at the folding fan in his hand, thought for a moment, and whispered a few words in Chen Ping’s ear!

No one knows what was said!

“Fellow Taoist, I hope you won’t spread the word. This can be regarded as my reward for saving your life.”

“See you later...”

After Ouyang Zhenhua finished speaking, he led the people up the mountain.

Chen Ping, Binglu and others did not continue to go up the mountain, but rested on the spot!

Chen Ping knew that he could only go up the mountain after he recovered completely. If he met someone from the Mu family, given Chen Ping’s current situation, he would be seeking death!

Chen Ping thought about what Ouyang Zhenhua said. Although there is a way to make a puppet, Chen Ping has nowhere to find the materials now!

Moreover, Chen Ping had never heard of several of the materials!

No wonder the Ouyang family doesn’t build an army of puppets. It seems that this material is very precious and rare!

At the moment, Chen Ping has no way to build a puppet. He can only see if he can find these materials in his free time.

Chen Ping used various fairy grass resources in his storage ring to quickly recover his physical strength. It only took half a day for Chen Ping to recover as before!

Chapter: 6267

“Let’s go, I wonder if the Mu family has found the Ji Stone Mine!”

After recovering his strength, Chen Ping took Binglu and others and started to rush towards the mountain!

Along the way, there were pole stones everywhere. The pole stones scattered on the ground were not picked up!

Other monks do not know the pole stone, and the pole stone is of little use to them!

Ice Dew and the others tried their best to pick it up, but this slowed down their progress!

“Stop picking it up. As long as you find the pole stone mine, you will have as much as you want.”

Chen Ping didn’t let Binglu and others pick up the pole stones. It was too slow.

I found the pole stone mine, and I have as many pole stones as I want!

“Don’t go up...”

Suddenly, Chen Ping remembered the voice of Demon Lord Chiyun in his mind!

Chen Ping was stunned and asked in confusion: “Why?”

“I remembered something. There should be a cave on the mountainside, leading directly to the Land of Chaos.”

“In the land of chaos, there seems to be a sect.”

Demon Lord Chiyun seemed to be trapped in painful memories and said slowly!

“Cave? Leading to the land of chaos?”

Chen Ping was stunned!

Indeed, half of this mountain peak is wrapped in the Land of Chaos!

Chen Ping and the others went up the mountain from the other side, so they were not affected by the Land of Chaos!

But isn't it a joke to say that there are sects in the land of chaos?

You must know that in the land of chaos, the turbulence of time and space is raging, and nothing can exist!

However, one cannot completely disbelieve what Demon Lord Chiyun said!

After all, Demon Lord Chiyun had been here thousands of years ago, and it was he who cut the big crack with his sword.

“Where is the cave?”

Chen Ping wanted to ask about the specific location of the cave.

Chapter: 6268

“How did I know? It’s already pretty good that I can remember these.”

After Demon Lord Chiyun finished speaking, he stopped talking!

At this time, Chen Ping was a little at a loss!

Should we look for a cave or continue to the top of the mountain in search of a pole stone mine?

After thinking for a moment, Chen Ping decided to look for the cave halfway up the mountain!

Maybe the Naji Stone Mine is also in a cave halfway up the mountain!

“We won’t go to the top of the mountain anymore. Now let’s check to see if there are any caves or anything like that.”

“The other thing is to stay away from that place of chaos and don’t get sucked in.”

Chen Ping said to Binglu and the others!

“Mr. Chen, aren’t you going to the cave? If the Naji stone mine is on the top of the mountain, wouldn’t it be an advantage for the Mu family?”

Binglu asked in confusion!

“What if the Ji Stone Mine is on the mountainside?”

Chen Ping asked!

This time, Binglu didn't say anything anymore!

Everyone began to search for the so-called cave halfway up the mountain!

At this moment, Ouyang Zhenhua and others were also heading towards the top of the mountain aimlessly!

In fact, after listening to Chen Ping's advice, Ouyang Zhenhua also knew that there could not be a place where immortals fell here!

But I just couldn't give it in. I came here for several days and wasted manpower and material resources. I didn't get anything. If I just went back, wouldn't I be laughed at?

What's more, if this mountain peak suddenly appears, there might be some adventure!

Ouyang Zhenhua was just comforting himself in his heart. He had given up hope for a long time!

If you reach the top of the mountain and still get nothing, then you have no choice but to go back home!

“This liar who suffered a thousand cuts...”

Ouyang Zhenhua insulted those who spread rumors!

“Master, look quickly...”

Chapter: 6269

Suddenly, a tribesman shouted!

Ouyang Zhenhua looked over and found that haloes appeared in the middle of the mountain. This halo was very similar to the halo surrounding the mountain when it first appeared!

“Let’s go and see...”

Ouyang Zhenhua was overjoyed and rushed over with his men!

When other monks saw this, they also rushed towards the place where the halo appeared!

At this time, Chen Ping and others were also attracted by the halo and accelerated their pace!

Wait until Chen Ping and the others arrive!

I found that Ouyang Zhenhua and others were also there, and everyone was enveloped in that halo!

Only then did Chen Ping realize that the halo was actually coming from a dark hole!

Seeing the entrance of the cave, Chen Ping's heart skipped a beat!

He didn't know if this was the cave that Demon Lord Chiyun was talking about.

Now everyone is surrounding the entrance of the cave, and no one dares to go in. After all, no one dares to try this unknown cave!

You know, the first person to walk in will bear all the risks!

These people are all here for the treasure, and no one wants to be the first to take the risk and be the leader!

"Senior, is that the cave you are talking about? Is there any danger in it?"

Chen Ping asked the Red Cloud Demon Lord!

Now Chen Ping doesn't dare to enter rashly.

"How do I know? They say I only remembered that bit and couldn't remember the rest."

Demon Lord Chiyun shook his head and said!

"Since you can't remember, I will risk going in. If I encounter danger, I will die and you will be done with it."

Chen Ping said!

Upon hearing this, Demon Lord Chiyun hurriedly said: "Don't worry, I'm thinking about it carefully, maybe I can remember some more."

Demon Lord Chiyun frowned and thought hard!

It can be seen that he works very hard!

Chapter: 6270

After a moment, Demon Lord Chiyun breathed a sigh of relief and said: "There is no danger in the cave, but I don't know if there will be danger in entering the Wuji Holy Sect."

"Wuji Holy Sect? Are you saying that there is really a sect in the land of chaos called Wuji Holy Sect?"

Chen Ping asked quickly!

"Yes, the Wuji Holy Sect can be regarded as the major sect in the heaven. I don't know how it came to this chaotic land of the heaven and the human world. Maybe this heaven and human world was created by the Wuji Holy Sect."

Demon Lord Chiyun said slowly!

When Chen Ping heard this, he was surprised in his heart. How huge and awesome a sect that could create a world like the Heaven and Human Realm must be!

You know, it is very impressive for a monk to create a secret realm!

This is creating a world!

Chen Ping is now full of yearning for Wuji Holy Sect!

With Demon Lord Chiyun's words, Chen Ping walked towards the cave!

"Mr. Chen..."

Binglu and the others were startled and hurriedly stepped forward to hold Chen Ping!

Since there are haloes of light coming out of this cave, it proves that this is no ordinary cave!

Maybe there are many dangers inside!

It would be very dangerous to walk in blindly like this!

"Don't worry, it's okay. Just follow me and keep a certain distance!"

Chen Ping smiled slightly and said!

He knew that Demon Lord Chiyun would not lie to him!

Seeing this, Binglu could only let go of Chen Ping and nodded!

Then Chen Ping walked directly into the cave, and Binglu and the others followed after a moment!

“Master, what should we do?”

The clansman asked Ouyang Zhenhua!

Ouyang Zhenhua thought for a moment, then waved his hand and said: “Follow us and see what is in this cave.”

As Ouyang Zhenhua and others entered, the other monks no longer hesitated and all followed in!
