

The Order 6291

Chapter: 6291

Binglu said!

Only then did Chen Ping realize that he had just refined the power of Tao Zhihuo and was buried in the soil. He thought it was a deep pit landslide.

It turns out that it was Binglu and the others who did it!

Chen Ping glanced deep into the sect and said to Binglu: "You guys are here for the time being. Don't run around. You can rest in the courtyards we just inspected."

"I will go to the depths of the sect to take a look myself. Remember not to walk around casually or go to places that have not been explored before."

Chen Ping wants to go deep into the sect. If he takes Binglu and others with him, he may be dragged back!

And it is very dangerous to take them with them. After all, the Mu family has also entered. If they encounter them, Chen Ping may not have the energy to protect Binglu and others!

Binglu also knew that with their current strength, if they followed the Mu family and faced off, they would probably only cause trouble for Chen Ping!

"Mr. Chen, take care of yourself, we are waiting for you here!"

Binglu nodded and said!

“Okay!” After Chen Ping said that, he also started to go deep into the sect!

At this time, Mu Naiyi and the Mu family had already quickly penetrated deep into the sect!

At this moment, deep inside the sect, a well-preserved mansion appeared. This mansion was many times better than the courtyard when entering!

At a glance, you will know that this mansion must be where the high-ranking officials of the sect live!

“Miss, there must be many treasures in such a well-maintained mansion.”

Mu Yao said excitedly!

Mu Naiyi looked at the mansion in front of him, then pointed and said: “Go in and explore the way...”

The Mu family members were frightened when they were pointed out, but they had to go!

I can only take courage and walk towards the mansion little by little!

But when I walked into the mansion, I found that nothing happened, no taboos and no traps!

“Miss, it’s safe...”

That Mu family member shouted loudly!

After hearing this, Mu Naiyi led people in!

However, none of them noticed that when they walked in, the ground of the entire mansion was agitated as if there was running water!

Chapter: 6292

At the same time, the void around the mansion is also distorting and changing!

Mu Naiyi and others did not notice the changes in the mansion at all, and still walked towards the mansion!

When a few people came to the depths of the mansion, a main hall appeared in front of them!

In the main hall, a statue sits cross-legged!

The man on the statue is like an immortal. At first glance, he has an air of immortality, and his eyes are full of energy.

In the hand of this statue, there is also a jade slip, which seems to be watching carefully!

And there is a faint halo surrounding the statue.

“Is this a body-sculpting statue?”

Mu Yao asked curiously!

After all, in the world of gods and humans, there are many sect elders or sect leaders who feel that they are great, so they make themselves a body-sculpting statue so that others can worship them!

However, those who can make body-sculpting statues must have status within the sect!

Ordinary disciples don't get that kind of treatment!

"The material of this body-sculpting statue is really special?"

Mu Nayi looked at the statue in front of her and reached out to touch it!

"Miss, be careful..."

Mu Yao quickly reminded.

But Mu Nayi didn't pay attention, but gently touched the statue!

Buzz!

Suddenly, the statue emitted a burst of golden light, knocking Mu Nayi away!

Munayi, a great monk at the peak of the Tribulation Realm, did not expect to be so vulnerable in front of this statue!

“Miss, are you okay?”

Seeing this, Mu Yao hurriedly stepped forward and helped Mu Nayi up!

“There are taboos on this statue. It seems that there must be a secret inside the statue, or the jade slip in the statue’s hand is some supreme secret.”

Although Mu Nayi was knocked away, he was not unhappy at all. Instead, he said happily!

Chapter: 6293

“Go and take a look and see if there is any record on the jade slip.”

Mu Yao said to the Mu family member who came in to explore the way!

At this time, the Mu family almost stopped crying!

Even Mu Nayi was knocked away by Tabu. With his strength, wouldn’t it be that he would be knocked up into the sky by Taboo!

But he couldn’t help but listen. At this moment, the Mu family members were already scolding their mothers!

Why choose yourself every time!

The Mu family member stepped forward cautiously, then approached the statue and leaned forward hard to see what was on the jade slip!

But because he was too nervous, the Mu family member suddenly threw himself on the statue!

“ah.....”

This time, the Mu family was shocked!

However, it seems that the taboo on the statue has not been activated, and the Mu family member is fine too!

“I...I’m okay?”

That Mu family member was confused!

Mu Yao and Mu Nayi also looked confused!

Mu Yao personally stepped forward and touched the statue, but there was no reaction at all.

“Miss, it’s okay...”

Mu Yao looked at Mu Nayi and said!

Mu Nayi also frowned slightly, then stepped forward to touch again!

Buzz!

Golden light suddenly appeared, and Mu Naiyi was knocked away again, and this time, he seemed to be injured, with blood flowing out of the corner of his mouth!

“this.....”

Mu Yao was stunned!

It was okay for him to touch the statue, but why was Munaiyi suddenly knocked away when he stepped forward to touch it?

Mu Naiyi was also confused and didn't understand what was going on!

Chapter: 6294

“Miss, is it possible that this statue is divided into male and female statues, and because you are a female, it triggers the taboo?”

Mu Yao analyzed!

“It's possible!” Mu Naiyi nodded, but then he pondered: “It's also possible that the taboo on this statue is not based on male and female, but on the skill.”

“I practice ice-based techniques, which may trigger the statue's taboos, but you practice fire-based techniques, which should not trigger them.”

“Try to inject a spiritual energy into this statue and see what happens!”

Taboos that are divided according to men and women are really rare, but many taboos are divided according to exercises, which is normal!

Mu Yao nodded, then gently pressed his hand on the statue and began to emit spiritual energy!

One after another spiritual energy entered the body of the statue, and the statue did indeed change!

The halo around the statue became brighter, and even the jade slips on the statue’s hands began to glow!

“Miss, the inheritance of the skills, the inheritance of the skills...”

Mu Yao shouted excitedly!

“Tell me slowly, what’s going on?”

Mu Nayi asked!

“Miss, after I injected the spiritual energy, I started to communicate with the statue. I was able to see the inheritance of the skills on the jade slip.”

“This is an immortal method. If our Mu family has this inheritance, no one in the world of heaven and humans will dare to mess with us in the future!”

Mu Yao was so excited that he jumped up!

When the others heard this, they were also very excited. This was the inheritance of immortal magic. If they all learned it, it would be great!

This immortal magic inheritance is much more powerful than Jishi!

When Mu Naiyi heard this, her breathing became rapid and she was filled with ecstasy!

“Mu Yao, you should learn the inheritance of the Immortal Technique immediately. You must learn it exactly as it is.”

“When I go back, I will recommend you to become the chief elder of the Mu family, giving you supreme power.”

Mu Nayi knew that he had no way to obtain the immortal magic inheritance, and he could only have Mu Yao do it!

“Don’t worry, Miss, I will do my best!”

Mu Yao really wanted to scream a few times at this moment, this was simply a blessing from heaven!

Chapter: 6295

“You other guardians must ensure Mu Yao’s safety.”

Mu Nayi ordered to the rest of the Mu family.

“Yes!” The Mu family members all said excitedly!

At this moment, Chen Ping has also arrived outside this magnificent and intact mansion!

However, Chen Ping saw at a glance the aura like flowing water in the mansion!

These breaths stick to the ground, and even if there is any movement, these breaths will ripple!

However, these auras are only within the mansion and there seems to be no way to escape!

Chen Ping restrained his breath and walked in slowly with breathless concentration!

As soon as he stepped in, the atmosphere in the mansion automatically spread to both sides.

“Fairy energy?”

After Chen Ping entered the mansion, he was stunned!

The aura flowing in this mansion is actually immortal energy. Although there is only a thin layer of immortal energy on the ground, this immortal energy is many times stronger than spiritual energy!

The reason why Mu Nayi and the others did not find the existence of immortal energy at all when they entered the mansion was that they could not detect it at all and could not absorb and refine it!

Only when you ascend to immortality will the cultivation techniques in your body change and improve by absorbing the immortal energy!

The techniques they are practicing now cannot absorb the immortal energy at all!

But Chen Ping is different. Chen Ping's Heart Condensation Technique can absorb all things!

"Boy, have you noticed that these immortal energies are flowing? That proves that there is a place where the immortal energy is flowing, which is why the immortal energy in this mansion always exists."

"Otherwise, after so many years, this thin layer of immortal energy would have been slowly consumed."

Demon Lord Chiyun said to Chen Ping.

"Yes, I discovered it too."

Chen Ping nodded.

He also discovered that the immortal energy in this mansion seemed to be flowing from somewhere, but Chen Ping didn't know the specific place yet.

Although Chen Ping wanted to absorb these immortal energy and practice at this moment, the Mu family might be here too. Chen Ping didn't want to be killed for no apparent reason while he was practicing!

Resisting the urge to absorb it, Chen Ping walked cautiously towards the main hall of the mansion!

Chapter: 6296

Chen Ping was very careful and controlled the aura on his body to the extreme!

If you hadn't deliberately probed, you wouldn't have noticed Chen Ping's whereabouts at all!

But when Chen Ping approached the main hall, Mu Naiyi, who had been closing his eyes slightly, waiting for Mu Yao to learn the inheritance of immortal magic, suddenly opened his eyes!

Mu Nayi frowned, turned around and looked outside the hall, and found nothing!

But she clearly felt that someone was coming outside!

“You two, go out to investigate, and then guard outside. If anyone approaches, notify me immediately.”

Mu Nayi pointed to two members of the Mu family and said!

“Yes, Miss!” The two Mu family members walked out!

Mu Nayi will never allow anyone to disturb you at this time!

But when the two Mu family members walked out, Chen Ping was also nervous. He knew someone was coming out!

But there is no hiding place in the courtyard of this mansion!

Just when Chen Ping was about to be discovered, Chen Ping’s eyes lit up, and then he turned around and turned into Mu Nayi!

Chen Ping tried his best to hide his aura. It was difficult to detect just by looking at his appearance!

And the two Mu family members walked out of the main hall and started investigating in the courtyard of the mansion!

Chen Ping walked around behind the two of them and coughed softly!

The two Mu family members were shocked and turned around quickly. When they found it was Mu Naiyi, they hurriedly saluted and said: "Miss, why are you out? There is no one in this yard. They have been checked."

"Very good, please pay more attention!"

Chen Ping nodded and pretended to be calm!

"Don't worry, Miss. We will not let anyone get close to us and let Uncle Mu learn the inheritance of immortal magic. When the time comes, our Mu family will practice immortal magic, which is unmatched by other families."

A member of the Mu family said excitedly!

When Chen Ping heard this, he was stunned. Immortal magic inheritance?

But just when Chen Ping was stunned, the two Mu family members across from him looked tense: "Who are you? Why do you look like our eldest lady?"

When Chen Ping was in a daze, he accidentally leaked his breath!

Although he can transform into Mu Naiyi's appearance, there is no way he can transform into Mu Naiyi's aura!

Chapter: 6297

Moreover, the Mu family members who followed Mu Naiyi must be very familiar with Mu Naiyi's aura!

Seeing that Chen Ping had been discovered, there was no need to pretend, and his body instantly changed back to his own appearance!

"It's you?"

When the two Mu family members saw that it was Chen Ping, they immediately turned fiercely and attacked Chen Ping in an instant!

Chen Ping used his Dragon-Slaying Sword and slashed with the momentum, forcing the two Mu family members to retreat!

Chen Ping's aura was exposed, and Mu Naiyi in the hall noticed it immediately!

"This kid actually followed..."

Mu Naiyi frowned and disappeared in the hall instantly!

Seeing Chen Ping fighting with two Mu family members, Mu Naiyi shouted loudly: "Boy, you are so brave, you dare to follow me!"

Chen Ping turned around and saw that it was Mu Naiyi, turned around and ran away!

Mu Naiyi was not willing to let go of this opportunity and said to the two Mu family members: "You guys guard this place, I'll kill that kid."

Mu Naiyi chased Chen Ping!

However, just as Mu Naiyi was chasing Chen Ping, a figure quickly entered the hall!

When the Mu family members who were guarding the main hall saw someone entering, they discovered that it was Chen Ping who entered!

A few people didn't have time to think too much and rushed towards Chen Ping.

They would never allow Chen Ping to ruin Mu Yao's studies.

Chen Ping didn't want to fight either, so he turned around and ran towards the outside of the hall!

The two Mu family members who were guarding outside were also confused when they saw Chen Ping running out of the hall!

They clearly saw Mu Naiyi running after Chen Ping, why did Chen Ping come out of the hall again?

But now that they have seen Chen Ping, they can't just sit idly by and ignore it!

The two of them immediately shot at Chen Ping!

But just as they were fighting with Chen Ping in the courtyard of the mansion, another Chen Ping appeared in the hall!

Chen Ping looked at the statue in front of him and Mu Yao sitting cross-legged in front of the statue. He knew that Mu Yao must be learning the inheritance of immortal magic.

Although Chen Ping wanted to find out what kind of immortal magic inheritance was contained in this statue, he didn't have time!

Chapter: 6298

His clone couldn't last long at all.

Chen Ping waved his hand and instantly sucked the statue over!

Chen Ping wanted to put the statue in the storage ring, but found that the statue couldn't be put in at all!

This made Chen Ping confused for a moment!

This storage ring can accommodate everything in the world. Except that it cannot put living people in it, even monsters can stay in the storage ring!

But this statue cannot be put into the storage ring, which is a bit strange!

But Chen Ping didn't have time to think about it. He could only drag the statue with one hand and escape quickly!

Mu Yao's communication with the statue suddenly broke off, and he spurted out a mouthful of blood, and his face turned pale!

"Boy, give me back the statue..."

When Mu Yao saw that Chen Ping had snatched the statue away, he immediately chased after it like crazy!

Then several flaming palms were fired, and flames rushed towards Chen Ping!

And Chen Ping used the speed of the fire step to avoid the flaming palm!

Chen Ping escapes quickly!

Mu Yao yelled: "Hurry up and catch him, he took the statue away."

Several members of the Mu family who were originally fighting with Chen Ping suddenly discovered that Chen Ping had disappeared out of thin air!

Then Mu Yao yelled!

Several people in the Mu family were already stunned, but they still chased Chen Ping!

At the same time, Namu Nayi was still chasing Chen Ping hard.

"Boy, you can't escape. There is a way to heaven but you don't take it. Hell has no door and you break in."

“Today seems to be a good day for our Mu family. If you kill you, you can get the hundred-year tribute from the Demon Sealing Alliance. Our Mu family also gets the inheritance of immortal magic.”

Mu Nayi was extremely happy at the moment!

Chen Ping, who was running away, suddenly stopped, and then looked at Mu Nayi with a sneer on his face!

Mu Nayi was stunned, stopped, looked at Chen Ping in confusion and said: “Boy, why are you laughing?”

“I laugh at you for being such a fool. You still want to get the inheritance of immortal magic. Just take it for granted.”

Chapter: 6299

Chen Ping smiled even brighter, and then his figure gradually disappeared in front of Mu Nayi!

When Mu Nayi saw this, he was immediately shocked!

“In my arms, I was fooled...”

Mu Nayi reacted and hurried back!

Mu Yao is leading his men at this moment, desperately chasing Chen Ping!

The appearance of Chen Ping ruined everything for him!

If he gets the inheritance of immortal magic, then his status in the Mu family will skyrocket!

Now Chen Ping actually snatched the statue away!

“Mu Yao, what’s going on?”

Mu Nayi, who rushed back, saw Mu Yao running out of the mansion, and had a bad feeling in her heart!

“Miss, Chen Ping snatched the statue, and I was forced to interrupt my studies.”

After Mu Yao finished speaking, a mouthful of blood spurted out again, his eyes filled with anger!

“What?”

Mu Naiyi gritted his teeth, then looked at the Mu family members and said, “Are you all fucking losers?”

“Miss, we found Chen Ping and are already trying to stop him. Who knew it was just a clone?”

Several members of the Mu family hurriedly explained.

“Hurry up and chase me. We must take back the sculpture no matter what. It is the inheritance of our Mu family’s immortal magic.”

Mu Nayi yelled and started chasing Chen Ping!

This Mu Nayi directly passed down the Immortal Law of Wuji Holy Sect and said it belonged to their Mu family, which was quite shameless!

Chen Ping held the statue in his hands and ran quickly using the fire-bending steps!

“Senior, please help me see why this statue can’t be placed in my storage ring?”

Chen Ping asked anxiously!

He was holding the statue like this, which affected his speed too much, and if the fight started, he wouldn’t be able to take action!

“This storage ring of yours, what can’t be put in it?”

Chapter: 6300

Demon Lord Chiyun asked!

“People, living people cannot be put in it.”

Chen Ping said!

“That’s right. This statue should be made of flesh. Inside the statue is a person.”

Demon Lord Chiyun said!

“It’s a human being. Even if it becomes a corpse, it can be put into a storage ring.”

The body of the blood demon was put into the storage ring!

Chen Ping even used the corpse of the Blood Demon as a weapon!

“What if he didn’t die?” Demon Lord Chiyun smiled!

“What?” Chen Ping was shocked!

He didn’t expect that there was a person inside the statue he was holding, and a living person at that.

“What do you mean, this person is still alive? Doesn’t that mean he has lived for thousands of years?”

Chen Ping looked at the statue in disbelief!

At this time, Chen Ping was really afraid that the statue would suddenly explode and a manic immortal would appear and beat him up!

After all, with Chen Ping’s abilities, he was as weak as an ant in front of a disciple of a major heavenly sect like the Wuji Holy Sect!

And if this statue can appear in a mansion deep in the sect, it must be a high-level member of the sect!

Maybe he could even be the sect leader!

The more Chen Ping thought about it, the more he became afraid!

“You are so scared. Even though he is alive, he is still dead. If the statue explodes, the souls of the people inside will really be gone.”

“I think this person made himself into a flesh statue just to retain the last trace of his spiritual consciousness. He probably wants to find the successor of the Holy Sect in a few years.”

“After all, such a huge sect wants to leave seeds for itself, and does not want to be submerged in the long river of history and disappear completely.”

Demon Lord Chiyun explained!

When Chen Ping heard this, he breathed a sigh of relief!

At this moment, Mu Yao and others had already caught up, and then a stream of flames attacked Chen Ping desperately!
