

The Order 6301

Chapter: 6301

Chen Ping used the Fire Control Step to dodge quickly!

“You all, please be careful and don’t break the statue. That kid has a statue in his hand. If the statue is broken, it will be useless!”

Mu Nayi shouted!

When Mu Yao heard this, he quickly told everyone to stop. Anyone who was chasing Chen Ping desperately wanted to stop Chen Ping!

Mu Nayi’s figure is also moving quickly!

Whoosh!

Suddenly, Chen Ping felt a breath coming from behind him.

Chen Ping didn’t even look, he flashed his body, and then he slapped his palm backwards!

A burst of flames formed a wall behind Chen Ping, temporarily blocking Mu Yao and others!

But at the same time that Chen Ping took the shot, several figures appeared in front of him at the same time!

It was Mu Yao who brought several members of the Mu family!

Several people did not attack Chen Ping, but attacked at the same time, heading straight for the statue in Chen Ping's hand!

When Chen Ping saw this, he fell instantly and hit the ground heavily!

The ground suddenly collapsed, forming a deep pit, and a large amount of breath continued to rise into the sky!

Chen Ping's body was rushed by this breath!

"What a strong fairy spirit..."

Chen Ping couldn't help but look down, and saw the immortal energy flowing in the deep pit, showing a purple-brown color. This was the first time Chen Ping had seen such color of immortal energy!

Immortal Qi is like spiritual energy, it is colorless and odorless, but the Immortal Qi here has color, it should be caused by being too strong!

These immortal energy condensed into a liquid state, looking like a pool of water!

"Could it be that the immortal energy in the mansion flows from here?"

Chen Ping's eyes were full of shock!

“This should be the immortal energy pool of Wuji Holy Sect. For a sect as big as Wuji Holy Sect, disciples need a lot of immortal energy to practice.”

“And in this land of chaos, there is no immortal energy at all and no cultivation resources are available, so the Wuji Holy Sect should have built this immortal energy pool before coming to this place.”

“And this immortal energy pool is still hidden, hidden underground, so it has not been discovered.”

Chapter: 6302

“It seems that over time, the immortal energy pool was damaged, so the immortal energy leaked out and flowed into the mansion!”

Demon Lord Chiyun analyzed it to Chen Ping!

When Chen Ping heard this, his heart skipped a beat!

A pool of immortal energy from the Wuji Holy Sect, how terrifying must it be? How much immortal energy is stored in it?

Moreover, all the fairy energy has been liquefied, which proves that the fairy energy has reached a certain level of richness!

If Chen Ping hadn't quickly smashed the statue to the ground in order to avoid Mu Yao and others snatching it, the immortal energy pool might not have been exposed!

Chen Ping's body fell again, and with a pop, he fell into the immortal energy pool!

Mu Naiyi, Mu Yao and others who came over looked at the purple-brown immortal energy pool and were a little overwhelmed for a moment!

“What is this? Why did a puddle suddenly appear?”

Mu Naiyi didn't know that these flowing spirits were immortal energy, and thought they were pools of water!

“Miss, it doesn't look like a pool, it seems like some kind of spiritual energy...”

Mu Yao felt the breath rising into the sky.

Suddenly Mu Yao's eyes widened and he said: “Miss, this... could this be immortal energy?”

“Fairy energy?”

Mu Naiyi was stunned!

“Yes, this Wuji Holy Sect should be a heavenly sect. They are all immortals here, so they will definitely use immortal energy in their cultivation.”

“Could this place be the resource holy land of Wuji Holy Sect, the holy pool where immortal energy is stored?”

Mu Yao analyzed!

He doesn't understand immortal energy, nor has he experienced immortal energy, so he is just guessing!

“Send someone down to test it out!”

After Mu Nayi finished speaking, he looked at a Mu family member and said, “Go and test it...”

“Miss, I don’t know anything about immortality!”

The Mu family said!

At this moment, the Mu family has long been scolding their mothers for choosing themselves in every adventure!

Chapter: 6303

“You don’t need to understand, just go down and test whether there is any danger.”

Mu Nayi said!

Then the Mu family had no choice but to cautiously jump up and then fall towards the immortal energy pool!

But as soon as he came into contact with the pool of immortal energy, a fierce aura hit the Dantian of the Mu family!

Bang!

In just a moment, the Mu family exploded and died!

Seeing this scene, Mu Naiyi and Mu Yao were shocked!

“What...what’s going on?”

Munaiyi asked confusedly!

This has touched upon her knowledge blind spot!

Mu Yao was also confused. He just guessed that these were immortal energy.

Now, as soon as he got down, the person exploded and died, which made Mu Yao not dare to talk nonsense anymore!

“Why did that kid Chen Ping fall into it and nothing happened?”

Mu Yao was very puzzled!

Several people were standing by, and no one could explain it clearly!

“Miss, there’s no way we can keep going like this.”

Mu Yao frowned and said!

“Then what should we do? What if that guy Chen Ping comes out as soon as we leave?”

Mu Nayi said!

“Miss, I don’t think we all need to stay here. I will lead some people to stay here while you go to other places.”

“If you encounter the saints from Guanghan Palace and arrest them directly, I think Chen Ping cares about these saints very much.”

“When the time comes, we can use these saints as bargaining chips to blackmail Chen Ping into showing up and handing over the statue!”

Mu Yao gives Mu Nayi advice!

Mu Nayi thought for a while, then nodded and said: “Okay, that’s it, you must keep an eye on it. As soon as Chen Ping shows up, you will notify me immediately.”

Chapter: 6304

“Yes!” Mu Yao nodded!

Mu Nayi left, leaving only Mu Yao and his people waiting here!

At this moment, Chen Ping was falling downwards in the pool of immortal energy!

In the end, Chen Ping sank directly to the bottom of the Immortal Qi Pond!

His body was wrapped in a large amount of immortal energy, and every pore of Chen Ping was greedily absorbing the immortal energy!

Chen Ping didn't know how high his level could be improved after absorbing such a huge amount of immortal energy!

But what he can be sure of is that after absorbing these immortal energy liquids, even Munayi, who is at the peak of the Tribulation Realm, will no longer be his opponent!

Then Chen Ping won't have to run away, he can just kill the Mu family!

Just like flies, annoying as hell!

But just when Chen Ping was holding his breath and absorbing the immortal energy crazily, the statue he was holding began to shine!

Countless amounts of fairy spirit fluid were actually swirling and being sucked into the statue!

A huge whirlpool formed, like a whale swallowing water!

A large amount of fairy spirit liquid was absorbed by the statue, and the entire fairy spirit liquid was decreasing at a speed visible to the naked eye.

"Fuck..."

"Stop, stop, I discovered this, leave it to me, leave it to me..."

Chen Ping was stunned when he saw this scene!

The immortal energy pool that I finally discovered was crazy absorbed by this statue!

But the statue didn't stop, but was still absorbing it crazily!

Chen Ping angrily slapped the statue twice, but it was of no use at all!

Seeing that the fairy spirit liquid was getting less and less, Chen Ping became anxious!

But we can only act in a hurry, there is no way!

Mu Yao, who was above, saw that the pool of water in front of him was getting less and less, and he quickly informed Mu Nayi!

This kind of vision made Mu Yao feel a little unsure!

"Boy, if you don't have the extremely cold ice flames, let's see if you can freeze the fairy spirit liquid. As long as it freezes a little, the statue probably won't be able to absorb it."

Chapter: 6305

Demon Lord Chiyun gives Chen Ping advice!

When Chen Ping heard this, the extremely cold ice flames immediately danced on his fingertips!

Extremely cold ice flames appeared, and the surrounding immortal energy liquid was indeed condensing into ice!

Seeing that it was effective, Chen Ping worked harder!

But the statue is also desperately absorbing the fairy spirit liquid!

In the end, the fairy spirit liquid was completely absorbed, leaving only a large lump of fairy ice ice, dragging it in Chen Ping's hand!

At this moment, Chen Ping was holding the statue in one hand and the big ice cube in the other!

Just when Chen Ping was about to throw the immortal energy ice cube into the storage ring, he suddenly stopped.

If you throw this immortal energy ice cube into the storage ring, I'm afraid it will be eaten by the sky-swallowing beast again!

In that case, Chen Ping would get nothing!

Just when Chen Ping was wondering whether he should put the immortal energy ice cube into the storage ring, Mu Yao came with his men to kill him!

Mu Yao was on top, looking at Chen Ping's strange look, and was confused, but no matter what, he was determined to get the statue back!

“Boy, return the statue to me, and I can spare your life...”

Mu Yao and several members of the Mu family came with murderous intent!

When Chen Ping saw this, he couldn't help but frown. Then he gently tossed the fairy energy ice cube in his hand, and then white flames danced in his palm!

“Extremely cold ice flames...”

Chen Ping struck out with one palm!

Countless amounts of extremely cold mist rushed toward Mu Yao and others!

Mu Yao snorted coldly and united with several members of the Mu family to launch the flaming palm together!

The blazing flames went away against the white cold mist!

But soon, a scene that shocked Mu Yao and others appeared.

I saw the blazing flames, and after colliding with the cold mist, even the flames were instantly frozen!

The beating flames were all frozen, unable to emit the slightest heat wave!

A member of the Mu family who was near the front was slightly touched by the cold mist, and his entire arm was frozen directly!

Chapter: 6306

Just in the flash of lightning, the monk's arm fell off!

I was frozen to death by this cold fog!

"What a terrible cold fog, retreat quickly..."

When Mu Yao saw this, he was startled and quickly led his people back!

Chen Ping seized the opportunity and jumped up to escape instantly!

Chen Ping looked at the statue in his hand and wished he could set it on fire. The fairy spirit fluid he finally found was absorbed by the statue!

Seeing Chen Ping escaping again, Mu Yao screamed angrily!

"Chase me, don't let him get away..."

Mu Yao yelled and led his men to catch up quickly!

Chen Ping's speed is even slower now. Even with the fire-bending steps, he can't escape quickly!

Soon, Mu Yao led the people closer and closer. All of these people's eyes were scarlet, and then they shot out streams of flames!

These flames intertwined and turned into a huge fire net, covering Chen Ping!

When Chen Ping saw this, he was also sweating profusely!

He has something in his hand now and there is no way he can fight back!

Soon, the fire net wrapped up Chen Ping, and Mu Yao sneered: "I'll see where you run away..."

Mu Yao and others quickly controlled the fire net and kept tightening it!

At the same time, flames continued to rise around Mu Yao's body, and the flames on the fire net were expanding rapidly!

This is planning to burn Chen Ping alive!

Chen Ping was helpless, the original stars in his body flashed, and white flames burned around his body.

An extremely cold air spread from around Chen Ping's body!

Follow the touch of the fire net and freeze the fire net instantly!

Then the fire net shattered and Chen Ping escaped again!

However, Chen Ping knew that he could only use the extreme cold ice flame this time. He had just refined the extreme cold ice flame, and Chen Ping had not practiced it properly. He used it three times in a row, which already made Chen Ping feel extremely cold. weak!

“Damn, it’s this move again...”

Chapter: 6307

When Mu Yao saw this, he immediately cursed!

After finally controlling Chen Ping, Chen Ping escaped again!

He really couldn’t understand what Chen Ping’s method was. He could even freeze the flames. It was simply outrageous!

Chen Ping continued to escape, and Mu Yao led his men to chase him!

This made Chen Ping very anxious!

Mu Naiyi was not here. If Mu Naiyi also took action, Chen Ping knew that he would not be able to escape.

The main reason is that this statue is too laborious to fit into a storage ring!

“If you didn’t want to see the inheritance of Wuji Holy Sect, I would have smashed you to pieces.”

Chen Ping looked at the statue helplessly and said!

Unexpectedly, as soon as Chen Ping finished speaking, the statue gave Chen Ping a fierce look!

Chen Ping thought he was dazzled, but when he looked carefully, he found that the statue was staring at him!

“Fuck...”

Chen Ping was shocked!

“Boy, I told you, this is not a statue, this is a human being, a living person. If you scold him, will he be happy?”

Demon Lord Chiyun said to Chen Ping!

Chen Ping was also speechless. The immortal energy pool he finally found was absorbed by this statue!

It's not enough to curse yourself!

Just when Chen Ping was exhausted physically and mentally and was about to be caught up, another complete mansion appeared!

Chen Ping didn't hesitate at all and rushed forward instantly!

Chen Ping knew that there must be a formation in this mansion. Chen Ping had the Heavenly Eyes and could see the patterns of the formation. As long as they entered it, Mu Yao and others could be temporarily blocked by the formation!

As soon as Chen Ping rushed into the mansion, the formation in the mansion suddenly activated, and a ray of light came towards Chen Ping!

“What a strong aura, this formation is too strong, I’m afraid it can’t be broken!”

Demon Lord Chiyun couldn’t help but said!

Chen Ping also felt that the formations in this mansion were too terrifying, many times stronger than those of ordinary disciples outside!

Chapter: 6308

This time, Chen Ping panicked!

I’m afraid he can’t break through the formation. If the formation backfires, wouldn’t he be trapped in a trap!

Just when Chen Ping was panicking, a ray of light hit the statue directly!

Soon, the formation slowly closed, and Chen Ping walked in unscathed!

This surprised Chen Ping, but Demon Lord Chiyun responded and said: “This formation must have sensed the aura of the statue, so it was closed and allowed you to enter!”

Chen Ping was right when he thought about it. This statue was originally from the Wuji Holy Sect and was still alive. When the formation sensed his own aura, it would of course be closed!

Just after Chen Ping stepped into the mansion, Mu Yao and his men also chased after him. Seeing that Chen Ping had no problem entering the mansion, he also rushed in!

But as soon as he stepped in, he was knocked away by the golden light erupting from the formation!

Mu Yao was stunned. He didn't understand why Chen Ping could go in but they couldn't step in?

Tried several times with no success!

Mu Yao had no choice but to stay around the mansion and wait for Mu Nayi to come and make a decision!

Chen Ping can't escape from here anyway!

Chen Ping entered the mansion and found that it was empty except for a very worn-out looking cushion!

"Has everything in this mansion been emptied out?"

Chen Ping looked at the empty rooms around him, his face full of confusion!

"This should be the training hall, a place for meditation and practice. Of course there won't be anything there. Didn't you see a meditation cushion on the ground?"

Demon Lord Chiyun said!

"It's such a waste to use such a big hall just for meditation and practice. There is also such a powerful magic circle set up outside. I really don't understand what the head of the Wuji Holy Sect is thinking."

Chen Ping said speechlessly.

“Ignorant junior, what do you know!”

Suddenly, a voice came, with a bit of displeasure!

“Fuck, who?”

Chen Ping quickly looked around. No one should be talking in this empty hall!

After looking around and finding no one, Chen Ping hurriedly asked Demon Lord Chiyun: “Senior, who was speaking just now.”

Chapter: 6309

Demon Lord Chiyun did not speak, but winked at Chen Ping desperately, as if he was afraid of something!

When Chen Ping realized that something was not right with Demon Lord Chiyun, he looked at his palm and was immediately startled!

I don't know when, the statue turned into a living person!

This person is holding a jade slip in his hand, wearing a golden robe, and looks very young!

However, this man seemed unable to move and was still being held up by Chen Ping!

Chen Ping was startled and threw him out, throwing the man to the ground!

“Ignorant young man, you should throw me? Hurry up and put me on that cushion.”

The man shouted at Chen Ping with an angry face!

Chen Ping looked at the man and said with a puzzled look on his face: “Who are you? Why should I listen to you?”

“Besides, looking at your age, you are not much older than me. How dare you call me junior?”

“I am the leader of the Wuji Holy Sect. I have lived for tens of thousands of years. What’s wrong with calling you junior?” The man glared at Chen Ping angrily: “After becoming an immortal, your appearance can be changed at will, but you still rely on your appearance to tell your age. , simply extremely ignorant!”

“Fuck...” Chen Ping was speechless for a while!

The leader of the Wuji Holy Sect who has lived for tens of thousands of years?

This can indeed call Chen Ping a junior!

Chen Ping quickly placed the head of the Wuji Holy Sect on the cushion!

Just after sitting on it, the leader of the Wuji Holy Sect seemed to be relieved, and his hands began to move slowly. Then Chen Ping had finally frozen the immortal energy liquid, and at this moment, the leader of the Wuji Holy Sect was crazy to absorb it!

“What are you doing? This is mine...”

Chen Ping was shocked. He had managed to get it, and now he was going to be sucked away again!

Chen Ping wanted to stop it, but found that he couldn't move at all!

Watching helplessly, the immortal energy ice cubes were absorbed by the leader of the Wuji Holy Sect!

Chen Ping wants to cry but has no tears!

"Hahaha, I finally recovered."

The leader of the Wuji Holy Sect stood up and laughed crazily!

When Chen Ping saw this, he said: "You absorbed my immortal energy ice cube, what do you want to compensate me?"

Chapter: 6310

"What is yours?" The leader of the Wuji Holy Sect looked at Chen Ping: "The immortal pool belongs to my Wuji Holy Sect, how come it becomes yours?"

Chen Ping was speechless for a moment. It was indeed his, and Chen Ping had no way to refute it!

"Bring the stuff!"

The leader of the Wuji Holy Sect waved to Chen Ping and said!

“What to take?” Chen Ping was stunned!

“That scroll!” Wuji Holy Sect said!

“What scroll? I don’t have one!”

Chen Ping pretended not to know at all!

That scroll was something suppressed by the Wuji Holy Sect. It must be a good thing. Chen Ping couldn’t bear to hand it over!

When the leader of the Wuji Holy Sect waved his hand, the scroll actually flew out of Chen Ping’s storage ring and fell into the hands of the leader of the Wuji Holy Sect!

“Ignorance, if the devil in this scroll is accidentally released, not to mention you, even the entire world of heaven and humans will disappear.”

The leader of the Wuji Holy Sect snorted coldly!

“Will the heaven and human world disappear?” Chen Ping was shocked, and then looked at the leader of the Wuji Holy Sect and asked: “Then was this heaven and human world created by your Wuji Holy Sect?”

The leader of Wuji Holy Sect nodded and said: “Not bad!”

Chen Ping was even more surprised. It seemed that the Wuji Holy Sect was really awesome!

“Why did your Wuji Holy Sect want to open up the world of heaven and humans? And why were you exterminated?”

Chen Ping asked curiously!

“Junior, you talk too much. Even if I tell you, you don’t understand.”

“I hope you helped me by accident, so I’ll reward you with something.”

After the leader of the Wuji Holy Sect finished speaking, he threw the jade slip in his hand directly to Chen Ping!

Chen Ping took the jade slip and found that it contained the inheritance of Wuji Holy Sect, and on the other side of the jade slip, there were three words “Wuji Order” written on it.

“What’s the use of this thing?”

Chen Ping is puzzled!

“This records the inheritance of my Wuji Holy Sect. Because you are not a disciple of the Wuji Holy Sect, this inheritance is not all.”
