

The Order 631

Chapter: 631

Chen Ping frowned slightly. The money hadn't been collected yet, and the medicinal materials hadn't been obtained yet. Chen Ping was worried about leaving like this. Besides, there was a martial arts gathering in another week, and Chen Ping planned to go there!

"If you still have something to do, it's okay to stay for a few more days. I just said it casually!"

Seeing that Chen Ping was a little embarrassed, Su Yuqi hurriedly changed her words.

"It's okay. I'll go back with you tomorrow, but I won't be able to stay in Jiangcheng for a few days, so I have to come back to deal with some things!"

Chen Ping smiled slightly.

He just happened to send Su Yuqi back to Jiangcheng. After all, it was safer there. In the provincial capital, people from the Feng family and Xuanyue Valley might come to cause trouble. Su Yuqi was not safe here!

"Yeah!" Su Yuqi nodded.

Early the next morning, Chen Ping called Chifeng, transferred the money in his hand to Chifeng, and told Chifeng the remaining money. He was thinking of a way to ask Chifeng to try his best to negotiate with Yaowang Mansion. After procrastinating for a few days!

After Lin Tianhu knew that Chen Ping was going back to Jiangcheng with Su Yuqi, he immediately drove to pick up Chen Ping!

"Lin Tianhu, you don't need to go back, just find a reliable person to help you take care of Juyi Hall first!"

Chen Ping knew that Lin Tianhu and Chi Feng were in a critical moment now, so he wanted the two of them to cultivate more feelings together!

Lin Tianhu knew what Chen Ping meant, his face turned slightly red and he said: "Mr. Chen, when I go back this time, I will also explain to Juyi Hall that when you return to the provincial capital, I will come back with you!"

Chen Ping smiled and said nothing more.

Lin Tianhu drove and took Chen Ping and Su Yuqi back to Jiangcheng!

When they arrived at Jiangcheng, it was already afternoon. Chen Ping and Su Yuqi did not go to Panlongwan Villa, but went directly to Su Family Villa!

As soon as she entered the door, Su Yuqi shouted excitedly: "Dad, we are back..."

Su Wenzong was drinking tea in the yard. When he heard Su Yuqi's shout, he suddenly smiled!

"Come, come over here and sit down!"

Su Wenzong waved!

Chen Ping held some local specialties from the provincial capital in his hand and put them on the stone table: "Uncle, I don't know if you like it or not, so I bought you some local specialties!"

"Hahaha, I like what you bought. Come sit down!"

Su Wenzong personally poured a cup of tea for Chen Ping!

Chen Ping sat opposite Su Wenzong, while Su Yuqi sat next to Su Wenzong, clinging to Su Wenzong's shoulders, still like a child!

“Chen Ping, did you encounter a lot of trouble in the provincial capital this time?”

Chapter: 632

Su Wenzong asked.

“Fortunately, everything has been solved!” Chen Ping said with a slight smile.

“If there is trouble, don’t carry it on your own. We are a family now, so don’t stay outside.

” Su Wenzong said.

“Yeah!” Chen Ping nodded!

Su Wenzong put his hand into his pocket, then took out a bank card and put it in front of Chen Ping:
“Chen Ping, there are five billion here. Although it’s not much, you can use it first. I know you are short of money recently!”

Chen Ping was stunned. For the Su family, five billion was almost their entire wealth.

“Uncle, I can’t ask for this money. You have acquired the Su family’s property in your lifetime, so how can I ask for it!”

Chen Ping thought Su Wenzong had sold the entire Su family’s property!

“Chen Ping, I heard you when you called. I knew you were short of money now, so I informed my dad. Please take it quickly. Anyway, my dad is my only daughter, and sooner or later, the things belonging to the Su family will belong to me. of!”

Su Yuqi said to Chen Ping.

Only then did Chen Ping know. No wonder Su Wenzong asked Chen Ping if he had encountered any difficulties as soon as he entered the door!

“Chen Ping, you are too young for my Su family. Although this five billion is a lot, I did not get it by selling off my property. Speaking of which, there is still a lot of money from you. The money you get from selling small things is returned to Dan. It’s also here, and your relationship with Yuqi is well known to almost everyone in Jiangcheng, so many companies cooperate with my Su family, which makes us earn a lot of money!”

“There are also all the properties of the Xiao family. If it weren’t for you, how could I buy them at a low price? So you deserve the money, so you should take it. If it’s not enough, we are thinking of a way. After all, we are a family. ah!”

Su Wenzong persuaded Chen Ping!

Chen Ping felt warm in his heart, nodded, and put away his bank card. With this money, he would be able to collect enough money for the medicine in Yaowang Mansion!

Seeing Chen Ping collect the money, Su Wenzong smiled slightly and continued: “I just came back, you two go and have a rest first. There is a banquet at the Regal Hotel in the evening. It’s ancient, and Mayor Ling knows that you are back. So I thought of sitting together, there are many rich people in Jiangcheng who are waiting to curry favor with you!”

Chen Ping smiled helplessly. In fact, he didn’t like this kind of social interaction, but with Gu Wentian and Ling Zhenchuan here, after all, the two of them helped him a lot, and they always had to live up to their reputation, so Chen Ping nodded and agreed!

Su Wenzong wanted Chen Ping to rest in the Su family villa, but Chen Ping still planned to go back to the Panlongwan villa. After all, there was more spiritual energy there. Chen Ping had not practiced well since he broke through to foundation building!

Su Wenzong asked Su Yuqi to follow Chen Ping back to Panlong Bay. When leaving, Su Wenzong did not forget to tell Su Yuqi: “Yu Qi, take more care of Chen Ping. Dad is not a stubborn person. If you can give me a baby, Grandson, I will take care of your children all day long...”

“Dad, what are you talking about? We are not married yet. Do you talk to your daughter like this?”

Su Yuqi blushed and stared at Su Wenzong.

“It’s hard to say yet. You go and get the certificate tomorrow. Dad will organize a wedding for you. I guarantee it will be the most luxurious wedding in Jiang City!”

Su Wenzong said with a smile.

Chapter: 633

“Ignore you.....”

Su Yuqi took Chen Ping and left, leaving only Su Wenzong laughing behind him!

Back at the Panlongwan Villa, Su Yuqi was tired after a long ride, so she lay down and rested. Chen Ping transferred the money in his hand to Chifeng and asked her to get the medicinal materials as soon as possible!

Then Chen Ping sat cross-legged and began to practice slowly. After entering the foundation building stage, Chen Ping’s need for spiritual energy became greater and greater!

But not long after Chen Ping entered cultivation, the phone rang suddenly. It was Chi Feng!

Just as the call was connected, Chifeng’s anxious voice came: “Palace Master, something happened, all our men in the Jiang family villa are dead!”

“When did it happen?” Chen Ping frowned!

“It must have happened in the morning. I was negligent and didn’t come here to check. Only now do I realize that everyone is dead!”

Chi Feng blamed himself very much.

Chen Ping's face was filled with gloom. Although he was back, there were still people guarding the Jiang family villa, and now they were all killed!

"Do you know who it is? That Jiang Zhengde? Or someone from Xuanyue Valley, or someone else?"

Chen Ping asked.

"I don't know, but since the other party didn't find you here, they will definitely go to Jiangcheng. Palace Master, please pay more attention!"

Chi Feng reminded Chen Ping.

"Okay, I get it!" Chen Ping said and hung up the phone!

Chen Ping's deep eyes were full of murderous intent. No matter who came, the soldiers would cover up the water and earth, and kill one by one!

The sun was setting and it was getting dark. Chen Ping got up and tidied his clothes, getting ready to go to the banquet!

But Su Yuqi was sleeping soundly at this time, Chen Ping shouted twice, and Su Yuqi shook her head: "You can go by yourself, I won't go, I'm too sleepy, I want to sleep!"

Chen Ping looked at Su Yuqi and finally turned away. Su Yuqi was protected by a jade pendant. If there was any danger, Chen Ping would know it immediately.

Inside the Regal Hotel!

Almost all the respectable people in Jiangcheng have arrived. Su Wenzong's status in Jiangcheng has skyrocketed because of Chen Ping. Now even Gu Wentian and Ling Zhenchuan respect Su Wenzong!

People from other families even fawned over Su Wenzong, their eyes full of envy, envious that Su Wenzong had a good daughter!

“Mr. Chen is here...”

Someone shouted, and Chen Ping opened the door and walked in. Everyone stood up and stood on both sides to greet Chen Ping!

Chapter: 634

Chen Ping nodded slightly, greeted everyone, and then sat next to Su Wenzong!

Everyone else also sat down, their faces full of excitement. Being able to sit and eat with Chen Ping was something that many wealthy families looked forward to!

“Mr. Chen, I heard from Pavilion Master Li that he wanted to invite you to the Dharma Protector Pavilion and gave you the position of Pavilion Master, but you refused?”

Gu Wentian was the first to ask Chen Ping.

Chen Ping smiled lightly: “I have too many trivial things to do, and I can’t do it!”

After everyone heard this, they were all sighing. They all turned down the position of the head of the Protector Pavilion in the provincial capital. This was so awesome. They really knew how powerful Chen Ping was.

You must know that this is the head of the Dharma Protector Pavilion in the provincial capital, which is bigger than the mayor Ling Zhenchuan. This is a position that many people dream of!

“Let’s just have a good drink today and don’t talk about other things...”

Su Wenzong knew that Chen Ping didn’t like people asking about his affairs, so he raised a glass of wine and suggested!

“Yes, yes, just drink and don’t talk about things...”

Gu Wentian nodded repeatedly.

Soon, the banquet started, and everyone was chatting lively, but Chen Ping was vaguely worried about Su Yuqi!

At this time, outside the Panlong Bay villa area, two people wearing black robes, wrapping themselves tightly, were walking towards the villa area!

The two people just walked past the security guards at the door, but the security guards seemed like they didn’t see them.

You must know that such a high-end community will definitely not let strangers enter casually, not to mention that he is wearing strange clothes, which makes him not a good person at first glance!

But there was no security guard to stop these two people, and they were allowed to walk in through the door!

“Did you feel like something went in?”

Suddenly a security guard asked with a frown.

“Is there something? We didn’t see it with so many eyes, but you were the only one who saw it?”

Someone refuted this security guard!

“I don’t know. I always feel like someone has entered. A gust of wind just now made me shiver all over!”

The security guard said with a puzzled look.

“You kid can’t see ghosts, can you?”

“Ha ha ha ha.....”

Chapter: 635

The other security guards started laughing!

The security guard stopped talking. Instead, he picked up the baton in his hand, left the guard box at the gate, and started patrolling the inside of the villa area.

It can be seen that this security guard is quite conscientious!

But when the security guard was holding a baton and just turned an intersection, he suddenly saw two black figures appearing in front of him. Both of them were wrapped in black robes, with only their eyes exposed!

“Who are you?” The security guard was startled and asked hurriedly, holding up his baton.

One of the two black figures suddenly raised his hand, and the security guard’s body was instantly sucked in. His neck was directly stuck, and it became difficult to breathe!

The security guard’s eyes were wide open, full of fear, and he struggled desperately, but he couldn’t break free at all!

“Which villa is Chen Ping’s?”

The shadow asked in a hoarse voice.

“Chen...Mr. Chen is at the villa on the top of the mountain. He...”

Click.....

Before the security guard finished speaking, the security guard's neck was directly broken and he died on the spot!

“Walk!”

After the two black figures finished speaking, they disappeared in an instant. The next moment, the two black figures had appeared more than ten meters away!

At this time in the villa on the top of the mountain, Su Yuqi had already gotten up, was a little hungry, and was cooking in the kitchen!

Two black figures quietly entered the villa, and Su Yuqi didn't even know it yet!

“Sure enough, there is some ability. The entire Panlong Bay Villa is quite full of spiritual energy!”

One of them took a deep breath and said with a look of enjoyment.

The two people sat on the sofa without restraint. When Su Yuqi prepared the meal and brought it out, she found that there were two more people on the sofa. She was shocked and the plate in her hand fell to the floor!

“Who are you? How did you get in?”

Su Yuqi asked with a pale face and a look of horror.

The two of them glanced at Su Yuqi at the same time, with excitement in their eyes: “I didn't expect Chen Ping's girl to be so handsome!”

“This time we brothers are not in vain. We must not hurt such a handsome girl!”

The two of them spoke to each other, but no one paid any attention to Su Yuqi. They had already regarded Su Yuqi as their prey!

Chapter: 636

Hearing the conversation between the two people, Su Yuqi’s face became even more ugly. He knew that these two people were here to cause trouble for Chen Ping!

“Who are you? Don’t you know that breaking into a house is illegal?”

Su Yuqi tried her best to calm down and continued to ask.

“Illegal?”

“Hahahaha, we brothers never know what is illegal!”

“It’s okay to tell you. I am the left protector of Xuanyue Valley, and he is the right protector. Then Chen Ping killed our Xuanyue Valley people. We are here to seek revenge. Where are they?”

Guardian Zuo asked.

“He...he’s not at home...”

Su Yuqi shook her head, glanced at the bedroom secretly, and found that the bedroom door was open, so she was about to run into the bedroom, close the door, and call Chen Ping!

“You don’t have to think about escaping. No one can escape in front of us!”

The right protector looked at Su Yuqi with a squinted look and said.

Su Yuqi didn't care. After gritting her teeth, she suddenly ran towards the bedroom!

"Humph, little girl is disobedient. I told you that you can't escape..."

The right protector snorted coldly, his body instantly reached behind Su Yuqi, and grabbed Su Yuqi!

But just when Su Yuqi was about to be caught, the jade pendant Su Yuqi was wearing suddenly flashed with red light, and the body of the right protector was instantly knocked away!

Su Yuqi also ran into the bedroom, locked the door tightly, leaned against the door, and breathed heavily!

"Protective weapon?"

The right protector looked at his slightly trembling palms and said with surprise in his eyes!

At the same time, Chen Ping, who was drinking at the Regal Hotel, suddenly shook his body and the wine glass in his hand fell to the ground, shattering instantly!

"Mr. Chen, what's wrong?"

"Chen Ping, what's going on?"

Everyone's eyes fell on Chen Ping, but Chen Ping had no time to explain. His whole body disappeared instantly, and then he appeared at the window and jumped down!

Everyone was shocked and hurriedly ran over to check. This was ten floors up, so they jumped right away!

When everyone looked down through the windows, they found that Chen Ping was no longer there!

Chapter: 637

“Immortal, Mr. Chen is really an immortal!”

Gu Wentian sighed with shock!

In the Panlong Bay Villa, Su Yuqi trembled and took out her mobile phone to call Chen Ping, but before the call was dialed, Chen Ping’s call came in!

“Chen Ping is from Xuanyue Valley. There are two of them in total. They look very powerful. They are in the living room now. I ran into the bedroom and closed the door!”

Su Yuqi said anxiously to Chen Ping.

After hearing this, Chen Ping’s heart was in his throat. For the Xuanyue Valley group, how could a bedroom door stop them!

“Stay in the bedroom, I’ll be there soon!”

After Chen Ping finished speaking, he increased his speed to the extreme, and the wind roared in his ears!

In the living room, the two guardians on the left and right of Xuanyue Valley had no intention of breaking down the door, but were sitting on the sofa talking!

“This Chen Ping really has something. He can actually refine a body-protecting spiritual weapon. If such a person can be used by our Xuanyue Valley, he will definitely become a great weapon!”

The right protector said with some appreciation in his eyes.

“This boy must be arrogant, how can he join our Xuanyue Valley? It’s better not to waste your efforts!”

Protector Zuo shook his head!

“Hmph, can a proud person escape my soul-eating technique? Whatever I ask him to do, he will do it!”

The right protector raised his lips and stretched out his right hand, only to see that his right hand was wrapped in a black mist.

At this moment, Chen Ping’s figure rushed into the villa in an instant. Seeing these two guys sitting in the living room and not rushing into the bedroom, Chen Ping’s hanging heart was finally relieved!

Seeing Chen Ping’s appearance, the guardians on both sides of Xuanyue Valley stood up and looked at Chen Ping with a bit of surprise in their eyes!

“Are you Chen Ping?” Protector You asked.

They didn’t expect that Chen Ping would be so young and have such achievements at such an age. If he really joined Xuanyue Valley, he would definitely become a great mage!

“Are you from Xuanyue Valley?” Chen Ping frowned.

“Yes, we are the guardians of Xuanyue Valley. If you kill our people in Xuanyue Valley, we will definitely not let it go. But seeing that you are young and promising and it is not easy to practice, if you are willing to join us in Xuanyue Valley, I can let you live!”

The right protector nodded and said.

“Hmph!” Chen Ping snorted coldly: “I don’t even bother to be with you guys like you Xuanyue Valley, if you scare my wife today, then I’ll keep you alive!”

“What am I talking about? This guy must be arrogant. Why would he join our Xuanyue Valley? Stop talking nonsense and slap him to death!”

Chapter: 638

Guardian Zuo said impatiently.

“Don’t worry, leave it to me!”

The right protector smiled coldly and saw that the black mist on his right hand suddenly became thicker and thicker. Then with a flick of his finger, a black mist shot directly towards Chen Ping!

Seeing this situation, Chen Ping was overjoyed. He pretended that he couldn’t dodge and let the black mist directly enter his body!

When the black mist entered Chen Ping’s body, it was instantly swallowed up by Chen Ping’s Dantian. Then the Condensing Heart Technique started to work and began to refine the black mist!

“Hahaha, boy, you’re so boastful about your abilities, you’ve been hit by my soul-eating technique, why don’t you just listen to me!”

When the right protector saw that Chen Ping didn’t dodge, he burst into laughter!

And the Zuo Guardian was also a little stunned: “With this little ability, how did you kill the old guy Buhuo and the Zuo Patrol Envoy? Could it be that these two guys were assassinated?”

“Definitely, Buzuo, that guy is so lustful. As long as he is poisoned by a woman, he will not care about anything. Haven’t you seen how beautiful Chen Ping’s wife is? Maybe Buzuo, that old guy just fell into a trap!”

The right protector said with disdain!

The black mist was quickly refined in Chen Ping’s dantian, and then Chen Ping pretended to be surprised and looked at the right protector: “What did you do just now? It was gone in a flash!”

The right protector was stunned and looked at Chen Ping in surprise: “Boy, do you still have thoughts now?”

“Why not?” Chen Ping asked.

“Damn, what’s going on? You won’t have the spirit-eating technique malfunctioning, right?”

Guardian Zuo cursed!

“Impossible, I must have used too little power!” After the right protector said, he suddenly waved his palm, and this time a large cloud of black mist directly enveloped Chen Ping!

Soon, the black mist entered Chen Ping’s body, and Chen Ping’s eyes lost their luster and his whole person became dull.

“Hahaha, did you see it? It was successful this time. This kid is very strong and has spiritual energy to protect his mind, so he didn’t succeed just now!”

Seeing Chen Ping like that, the right protector burst into laughter!

At this time, in Chen Ping’s body, the black mist desperately wanted to rush into Chen Ping’s head, but unfortunately it was tightly wrapped in Chen Ping’s Dantian, and the Heart Condensation Art was running rapidly!

“Does it work? Try it!”

Guardian Zuo said.

“Boy, come here and give me a shoulder massage!”

The right protector waved his hand towards Chen Ping.

Chapter: 639

Chen Ping's eyes were dull, and he slowly walked towards the right protector, then stood behind the sofa and pressed the right protector's shoulders!

"Did you see that my soul-eating technique never fails!"

The right protector said with a proud look on his face.

"Please press it for a while..."

Protector Zuo also sat down and leaned his head gently on the sofa!

Chen Ping pressed his hands on the shoulders of the right protector, and the Heart Condensation Technique was running. Chen Ping's hands were like a huge whirlpool, starting to suck the spiritual power from the right protector!

The right protector was lying on the sofa enjoying it, but soon he felt something was wrong. The spiritual power in his body seemed to rush out uncontrollably. At first, it flowed out slowly like a stream, but soon it became like a stream. The galloping rivers and seas began to lose spiritual power rapidly!

The right protector suddenly felt something bad. He wanted to get up, but his body couldn't move at all. When he looked up, he found that Chen Ping was looking at him with a playful look on his face. His eyes were clear, and he didn't look like he was being controlled!

The right protector opened his mouth and wanted to scream, but no sound came out at all, while the left protector on the side had his eyes slightly closed, also preparing to enjoy being massaged!

Soon, all the spiritual energy in the right protector's body was absorbed by Chen Ping, and the whole person turned directly into a mummy. His eyes were wide open until he died, and his eyes were filled with disbelief!

Looking at Guardian Zuo who had his eyes slightly closed and thinking about getting a good massage, Chen Ping raised the corner of his mouth and put one hand directly on Guardian Zuo's shoulder!

The left protector's body trembled slightly, and his eyes suddenly opened. Because he didn't hear the right protector's instructions, why did Chen Ping come to massage him?

As soon as Guardian Zuo opened his eyes, he saw the mummy next to him. He jumped up from the sofa and his head was about to explode!

In the blink of an eye, his partner turned into a mummy, and he died without even making a cry for help!

Protector Zuo's scalp was numb, and he looked at Chen Ping with horror in his eyes, then turned around and ran out!

Chen Ping's figure flashed and blocked Guardian Zuo's path: "Now that you're here, don't leave. I just want to use your resources tonight to practice hard!"

Guardian Zuo frowned and waved his black robe suddenly. The black robe actually blocked the light, and Guardian Zuo's figure disappeared instantly in the darkness!

"Do you, Xuanyue Valley, use these illusions to deceive people?"

Chen Ping looked disdainful and grabbed into the darkness. After a scream, Guardian Zuo appeared, and the black robe immediately shattered into pieces!

Protector Zuo had a look of horror on his face, his mouth opened wide, and he wanted to speak, but he couldn't say a word!

The spiritual energy in his body was rapidly drained, directly entering Chen Ping's body, and then being refined by the Ningxin Jue for his own use!

After draining the spiritual energy from Protector Zuo, Chen Ping disposed of the corpse and threw it all into the mountain stream!

After tidying up the room and looking at the closed bedroom door, Chen Ping stepped forward and pushed it, only to find that the door was still locked!

“Yu Qi, it’s me, I’m fine!”

Chapter: 640

Chen Ping knocked on the door and said.

Su Yuqi opened the door with panic on her face. When she saw it was Chen Ping, she threw herself into Chen Ping’s arms!

Chen Ping patted Su Yuqi’s back gently and comforted her softly!

At this time, the jade pendant on Su Yuqi’s body had faded and lost its effectiveness!

Chen Ping frowned slightly. He had to think of a way to refine a more powerful protective weapon, otherwise Su Yuqi’s safety would not be guaranteed.

Now Chen Ping’s weakness is Su Yuqi. He has always been worried about Su Yuqi’s safety!

At the same time, in the hall of Xuanyue Valley, the owner of the valley, Qian Feng, was playing chess with an old man. Suddenly, there was a sound in the black clay pot next to him. Qian Feng opened the pot to check and found that two more Gu insects were dead. It has been eaten by other Gu insects!

“After seeing it, I really underestimated this guy...”

Qian Feng’s brows wrinkled.

“What? The guardians on the left and right are also dead?” the old man asked.

Qian Feng nodded, his face looked ugly, and he didn’t speak!

“It seems like we old guys should go take a look!” After the old man finished speaking, he suddenly waved his sleeves and the chess pieces in front of him disappeared in an instant!

The old man turned and left, while Qian Feng’s eyes flashed with cold light.

At this time in the Panlong Bay Villa, Su Yuqi had fallen into a deep sleep, holding on to the corner of Chen Ping’s clothes with one hand. It was obvious that she was very scared, afraid that Chen Ping would leave!

Seeing Su Yuqi like that, Chen Ping sighed softly, his eyes full of pity. If it weren’t for him, Su Yuqi wouldn’t have been so frightened.

Slightly closing his eyes, Chen Ping began to refine and absorb the spiritual power of the guardians of Xuanyue Valley. On top of Chen Ping’s head, the white mist formed into vortexes and moved toward Chen Ping’s body. There was a rapid influx of people inside!

Early the next morning!

Chifeng sent a message saying that he had transferred the money to Yaowang Mansion and was now waiting for Yaowang Mansion to deliver the goods!

Chen Ping didn’t reply. He planned to use these few days to accompany Su Yuqi and let her slowly come out of her fear.

At the same time, at the Yaowang Palace in Tianfeng Town, after receiving the money from Chifeng, the housekeeper Lao Qiu immediately found the palace owner Sun Simiao!

“Master, the money has been sent, do we still want to deliver the goods?”

Lao Qiu asked.

“Of course we have to distribute it, and we can’t miss a single medicinal plant!”

Sun Simiao said.
