

The Order 6311

Chapter: 6311

“And this is a Wuji Token. When you ascend to heaven, you can use the Wuji Token to ask my Wuji Holy Sect to help you do three things.”

The leader of the Wuji Holy Sect said!

“Does this mean the inheritance is incomplete?” Chen Ping asked!

“Of course, if I die, you will get a complete inheritance. Now that I have not died, and you are not a disciple of the Wuji Holy Sect, how can you get a complete inheritance.”

The leader of the Wuji Holy Sect explained!

“Then what’s the use of this Wuji Order? Your Wuji Holy Sect has been wiped out, and you are the only commander left. Where can I find you to do three things?”

Chen Ping was speechless!

This Wuji Order is of no use at all!

It’s not as affordable as the Immortal Qi Spiritual Liquid!

“Be brave. Now that I have recovered, the Wuji Holy Sect will definitely regain its glory. This Wuji Order is what many people want. How dare you say it is useless?”

The leader of the Wuji Holy Sect said angrily.

When Chen Ping saw this, he quickly apologized: "I'm sorry, I was superficial..."

Chen Ping didn't understand why these people from the fairy world had such explosive tempers.

Lord Huo Lingxing also left after a disagreement!

Chen Ping was afraid that the leader of the Wuji Holy Sect would also leave in anger, and he would get nothing!

"Senior, since you said that I can do three things with your Wuji Holy Sect, can you do one thing now?"

Chen Ping asked!

"What to do?" The leader of the Wuji Holy Sect was stunned!

"I am being hunted. You first kill the person who is chasing me, that is, the Demon Sealing Alliance, and all the people in the Demon Sealing Alliance."

"Anyway, this world of heaven and earth was created by your Wuji Holy Sect. You can be considered the master of the world of heaven and earth. You can do this with just a wave of your hand!"

Chen Ping said to the leader of the Wuji Holy Sect.

Chen Ping was upset by the Demon-Sealing Alliance. He just had this opportunity to directly destroy the Demon-Sealing Alliance and he would be clean from now on!

The leader of the Wuji Holy Sect rolled his eyes at Chen Ping and said as if he was a fool: “Although this world of heaven and humanity is a world created by my Wuji Holy Sect, I cannot interfere in the affairs of the world of heaven and humanity.”

“This is the way of heaven. It is not a world created by me. I can change this world at will, or even make it disappear.”

Chapter: 6312

“It’s okay if it’s a secret space. This is a world, and I can’t disobey heaven.”

“Although you are as weak as ants in front of me, I can’t change the fate of you ants.”

When Chen Ping listened to the words of the leader of the Wuji Holy Sect, he seemed to understand somewhat!

Looking at Chen Ping’s expression, the leader of the Wuji Holy Sect continued: “The master who controls the universe and the galaxies can collapse countless planes and worlds with just one sneeze, let alone this small world of heaven and humans.”

“But he can’t do that. Everything must abide by the reincarnation of heaven and earth. It is precisely because this world of heaven and humans was opened up by our Wuji Holy Sect that we cannot interfere in the affairs of the world of heaven and humans.”

After the leader of the Wuji Holy Sect finished speaking, his figure suddenly disappeared!

The entire hall was empty, even the cushions had disappeared!

“Why do you just leave? I haven’t finished asking yet!”

Chen Ping was speechless for a while.

“Did your boy get kicked in the head by a donkey?”

Only now does Demon Lord Chiyun dare to speak!

“What’s wrong?” Chen Ping didn’t understand why this guy started swearing!

“The leader of the Wuji Holy Sect gave you the Wuji Order and promised to help you with three things, but you actually asked him to destroy that demon-sealing alliance?”

“Are you stupid?”

“This is like a billionaire who promised to do three things for you, but you actually asked him to buy breakfast for you first?”

“You have a head on your butt?”

Demon Lord Chiyun will be pissed to death by Chen Ping!

“Then what should I do? I can’t deal with the Demon-Sealing Alliance now.”

Chen Ping said!

“You help me collect all the bones. When I regain my physical body, I will stomp my feet and help you destroy them.”

“You are really using an anti-aircraft cannon to kill mosquitoes. What kind of demon-sealing alliance does it need the leader of the Wuji Holy Sect to take action?”

“Where do you want the old face of the leader of the Wuji Holy Sect to go?”

Demon Lord Chiyun was speechless for a while!

Chapter: 6313

“this.....”

Chen Ping was also speechless. The world of heaven and those three things were still too far away for him now.

It’s a pity that none of these heavenly beings understand the sufferings of the human world.

Although the Wuji Order given by the leader of the Wuji Holy Sect is a priceless treasure to many immortals!

But for Chen Ping, it is somewhat useless and fake!

“You should take a look at the inheritance of Wuji Holy Sect. Even if it is incomplete, it must be very impressive.”

“I don’t know how long the formation outside the mansion will last. Taking advantage of this opportunity, if you can get the inheritance of Wuji Holy Sect, you don’t have to be afraid of those guys outside.”

Demon Lord Chiyun said to Chen Ping!

Chen Ping was right. Instead of complaining, it would be better to get the inheritance of Wuji Holy Sect as soon as possible!

Chen Ping took the Wuji Order, and then a burst of spiritual power penetrated it!

Buzz!

The next moment, Chen Ping’s mind roared, and then his sea of consciousness trembled.

A majestic information continues to pour into Chen Ping’s sea of consciousness. This inheritance is very large and complex!

While Chen Ping was receiving the inheritance, a beam of light seemed to fall from the sky and hit Chen Ping!

This moment made Chen Ping feel extremely comfortable!

Chen Ping didn’t feel that the Wuji Holy Sect’s inheritance was of much use, but the beam of light attracted by the inheritance was filled with majestic energy.

Chen Pingyuan turned to the Heart Condensation Technique and began to absorb it without hesitation!

The immortal spirit liquid has been absorbed by the leader of the Wuji Holy Sect. Chen Ping will not let go of the aura brought by this beam of light now!

Chen Ping absorbed it crazily!

At this moment, Mu Yao and several members of the Mu family were squatting outside the mansion!

Mu Yao was very anxious at this time!

“Miss, I don’t know if you have received the message. Why haven’t you come yet?”

Mu Yao said anxiously!

“Uncle Mu, look quickly...”

Chapter: 6314

At this time, someone discovered that a beam of light seemed to fall from the sky and shine into the mansion!

Mu Yao looked at the light, his expression became more and more solemn!

“I wonder what kind of adventure this kid will have inside. The aura in this beam of light is very powerful. Maybe he is absorbing the inheritance of immortal magic.”

“We can’t wait any longer. I’m going to find the eldest lady. You two should keep watch. As soon as Chen Ping comes out, don’t fight hard and let me know.”

Mu Yao can’t wait any longer!

But he can’t break the mansion formation now, so he can only wait for Mu Nayi to come!

Now that Mu Naiyi has not shown up, Mu Yao is getting anxious!

“Understood!” Several members of the Mu family nodded!

Only then did Mu Yao go to Mu Nai Yi with peace of mind. If he waited for Chen Ping to absorb the immortal magic inheritance, it would be too late!

When Mu Yao was looking for Mu Naiyi, Mu Naiyi had already returned to the sect’s main hall.

Here, Mu Nayi met Binglu and others, who were waiting for Chen Ping here!

Because Mu Nai Yi personally killed several saints before, Bing Lu and others now hate Mu Nai Yi to the core!

Lan Yingying also glared at Mu Nayi. As an elder of Guanghan Palace, she actually attacked the Saint of Guanghan Palace so cruelly. Damn it!

“You guys, come with me now.”

Mu Nayi glanced at Binglu and the others and said!

No one from Binglu and the others spoke, they all glared at Mu Nayi!

“Didn’t you hear? I order you as an elder.”

Mu Nayi said coldly!

“Bah, you killed so many of our sisters and you still want to order us. You are no longer the elder of Guanghan Palace.”

Binglu spat hard at Mu Nayi!

Mu Nayi was not angry, and said coldly: “You come with me, and I will spare your life. If you let me do it, you know the consequences.”

Mu Nayi was at the peak of the Tribulation Realm, and Binglu and the others were no match at all!

But Binglu and others are not afraid at all!

“Hmph, if you can, kill us. Even if you die, we won’t follow you.”

Chapter: 6315

After Binglu finished speaking, she held the Frost Sword in her hand and put on a desperate stance!

Everyone else also showed off their frost swords!

Seeing this scene, Mu Naiyi raised the corners of her mouth: “Those who overestimate their own capabilities...”

After saying that, a horrifying aura erupted from his body. This aura was like a storm, directly suffocating Binglu and the others!

Let alone taking action, they might not even be able to move a step now!

After all, the difference in strength was too great, and the aura that Mu Naiyi burst out was beyond their ability to bear!

They are not Chen Ping, who can leapfrog and fight.

Just when Binglu and others were out of breath and their bodies fell to their knees, a breath suddenly came from behind, making Binglu and others relax instantly!

“Why is Miss Mu so angry?”

Ouyang Zhenhua came slowly with the monks!

It was Ouyang Zhenhua who rescued Binglu and others just now!

When Mu Naiyi saw Ouyang Zhenhua, she couldn't help but frown and said, “Who are you?”

“I am the head of the Ouyang family, Ouyang Zhenhua.”

Ouyang Zhenhua said politely!

When Mu Naiyi heard this, he snorted coldly: "Does the Ouyang family dare to interfere with our Mu family's affairs?"

"What's more, you are only at the ninth level of the Tribulation Realm, and you want to fight with me?"

"I don't dare. It's just that these girls have saved our lives, so I still ask Miss Mu to show her kindness."

Ouyang Zhenhua knew that he was no match for Mu Naiyi, and he didn't want to fight with Mu Naiyi!

"What if I insist on taking them away?"

Mu Naiyi said with disdain in her eyes!

"If Miss Mu is stubborn, I will have no choice but to offend you. Although I am not Miss Mu's opponent, with so many of us, I think we can still deal with you alone."

Ouyang Zhenhua also said with a cold face!

Mu Naiyi was stunned, with anger in his eyes!

But Ouyang Zhenhua was right, if these people came together, Mu Naiyi wouldn't be able to handle it!

Chapter: 6316

But she couldn't let Binglu and the others go. If she let them go, it would be difficult to find them!

Mu Nayi was in a difficult situation and didn't know what to do for a while!

Just when Mu Nayi was in trouble, Mu Yao flew over quickly!

"Miss..."

After Mu Yao saw Mu Nayi, he shouted quickly!

When she saw that it was Mu Yao who was here, Mu Nai Yi felt happy!

"Why are you here? What about Chen Ping?"

Mu Nayi asked!

"Miss, Chen Ping is hiding in a mansion and hasn't come out for a long time. I suspect that he is absorbing the inheritance from the statue."

"So I came over to find the eldest lady to discuss countermeasures!"

Mu Yao said!

Upon hearing this, Mu Nayi turned his attention directly to Binglu and others: "Just in time, capture these saints and use them to force Chen Ping to show up."

“I want to see if Chen Ping doesn’t care about these women.”

At this time, Binglu and others saw Mu Yao appear, and their hearts suddenly despaired. Even Mu Naiyi couldn’t deal with it, and with Mu Yao in the mix, there was no hope!

When Ouyang Zhenhua saw this, he also looked embarrassed. If it were Mu Nayi, he could still handle it with everyone!

But now that there is Mu Yao, who is in the ninth level of the Tribulation Realm, they may not be rivals anymore!

“I’m going to take these women away. If the others don’t want to die, just get away from me.”

Mu Naiyi glanced at Ouyang Zhenhua and others!

This sentence instantly caused many monks to step back.

Ouyang Zhenhua hesitated for a moment, and finally backed away helplessly. Even if they tried, they couldn’t stop him!

At this moment, the hearts of Binglu and the others were filled with despair!

Under the pressure of Mu Nayi and Mu Yao, Binglu and others were unable to even take action!

I can only let myself be manipulated and leave with him!

Ouyang Zhenhua looked at the backs of Binglu and others being taken away, gritted his teeth and said, "Let's go, let's follow and have a look..."

Chapter: 6317

Inside the mansion!

Chen Ping's eyes were closed tightly, his clothes were bulging, and a monstrous aura was constantly erupting!

Immediately afterwards, Chen Ping suddenly opened his eyes, and golden light suddenly appeared on his body, rising into the sky like an erupting volcano!

Wherever the golden light passed, everything turned into rubble, and even the mansion formation disappeared instantly under this violent aura!

Everyone in the Mu family who was guarding outside the mansion was so frightened that they couldn't bear the violent aura and fled into the distance!

"How is this going?"

"Has Chen Ping finished absorbing the inheritance of immortal magic?"

"Why isn't Uncle Mu coming back yet?"

Everyone in the Mu family had panic in their eyes, and they kept retreating!

At this moment, Chen Ping's whole body was wrapped in golden light, and his eyes were filled with blazing flames!

The mansion had long been reduced to rubble, and Chen Ping's body was slowly suspended!

Those Mu family members looked at Chen Ping, their eyes widened with disbelief on their faces. At this time, Chen Ping was like a god!

Rumble.....

Suddenly, countless thunder clouds gathered in the sky, followed by a muffled thunder!

The turbulent flow of time and space in the land of chaos also disappeared under this thunder cloud!

Accompanied by a thunderstorm, it hit Chen Ping hard, and Chen Ping's whole body burned with flames crazily!

"Thunder Tribulation? He...he is making a breakthrough?"

"It's broken, please inform Uncle Mu and the eldest lady quickly."

"How can this guy break through here? Moreover, this thunder disaster is too terrifying."

Everyone in the Mu family panicked and hurriedly informed Mu Yao and Mu Nayi!

Chen Ping's body was suspended in mid-air, motionless, undergoing the baptism of thunder!

Every lightning tribulation makes the entire Wuji Holy Sect tremble!

Mu Naiyi and Mu Yao, who were originally rushing here, stopped and stared blankly at the thunder clouds in the sky!

“Thunder Tribulation Cloud? How could someone break through here?”

Chapter: 6318

Mu Yao’s face was full of doubts!

“Could it be that boy Chen Ping? He is only at the third level of the Tribulation Realm. Even if he breaks through to the fourth level of the Tribulation Realm, how can such a small improvement in level trigger a thunder catastrophe on such a scale?”

Mu Nayi also had a puzzled face, not understanding what was going on!

But at this moment, a voice came from Mu Yao’s jade slip!

“Uncle Mu, Chen Ping has suffered a thunderstorm and his mansion has been reduced to ruins. This kid’s aura at this time is too terrifying.”

A member of the Mu family sent a message to Mu Yao!

“Sure enough, this is Chen Ping’s breakthrough, let’s go quickly!”

When Mu Naiyi heard that Chen Ping was really making a breakthrough, she had a bad feeling in her heart!

Mu Naiyi and Mu Yao escorted Binglu and others and sped up!

They hope to arrive before Chen Ping succeeds in crossing the tribulation!

In this way, there may be a chance to prevent Chen Ping from improving his realm, or even make him fail to overcome the tribulation and die in the thunder tribulation!

At this time, thunder tribulations struck Chen Ping one after another, but Chen Ping had no expression on his face!

“The eighth thunder tribulation has occurred. The small level improvement has actually caused eight thunder tribulations.”

“It’s so scary. No wonder he dares to go against the eldest lady.”

“The Demon-Sealing Alliance has offered a hundred-year offering. It seems to be really foresight. This guy is really difficult to deal with.”

The Mu family members were shocked to see Chen Ping standing still amid the thunder and disaster!

“Boy, I won’t let you succeed in overcoming the tribulation...”

At this moment, a figure suddenly appeared, and Mu Yao shot out a fire dragon, heading straight for Chen Ping!

The moment the fire dragon arrived in front of Chen Ping!

Another thunderstorm crashed down!

Boom!

This thunder catastrophe instantly caused the fire dragon shot by Mu Yao to disappear, and under this thunder catastrophe, Chen Ping was successfully promoted to the fourth level of the Tribulation Overcoming Realm!

At this moment, Chen Ping's body was surrounded by golden light, and he looked at Mu Yao coldly like an ant!

The thunder clouds dissipated, and space-time turbulence appeared again in the sky!

Chapter: 6319

Chen Ping looked down at Mu Yao, his eyes full of disdain and ridicule!

Looking at Chen Ping's eyes, Mu Yao's heart trembled!

As a ninth-level monk in the Tribulation Realm, Mu Yao couldn't help but tremble when facing Chen Ping, a newly promoted fourth-level Tribulation Realm!

The aura that erupted from Chen Ping was intimidating.

Mu Yao had never felt this kind of feeling even when he met the head of the Mu family!

“Ignorant rat...”

Chen Ping waved his palm, and a breath came instantly!

Mu Yao’s expression suddenly changed!

Bang!

This palm directly knocked Mu Yao away.

Mu Yao spurted out a mouthful of blood in mid-air. After flying more than ten feet, Mu Naiyi, who was rushing towards him, swung out a burst of spiritual power to catch it!

Mu Yao’s eyes were full of fear, and he stood next to Mu Naiyi with a face of shame!

“Mr. Chen.....”

When Binglu and others saw Chen Ping, they were all excited!

Even Ouyang Zhenhua and others who came from behind were surprised when they saw Chen Ping who looked like a god in mid-air!

A small improvement in realm brought a big change to Chen Ping, as if Chen Ping had been promoted to a big realm!

“Are you, the Mu family, all robbers? Do you think you can’t defeat me, so you brought these saints here to threaten me?”

Chen Ping saw that Binglu and others were already in Mu Nayi’s hands, so he said coldly!

“Hmph, what are you bragging about? If you didn’t run away like a mouse and ended up hiding in a mansion without coming out, would I be able to blackmail you?”

“Don’t run away if you can. Let’s see if I can kill you.”

Mu Nayi snorted coldly!

Although Chen Ping was promoted to the fourth level of Tribulation Realm, she still didn’t take Chen Ping seriously!

The fourth level of the Tribulation Realm is the same as the peak level of the Tribulation Realm, but there is an essential difference!

Mu Nayi only needs an opportunity to reach the Mahayana realm!

Chapter: 6320

As for Chen Ping, he doesn’t know what year or month he wants to reach the Mahayana realm!

“It’s not certain who will destroy whom. You don’t need to make any big claims now.”

Chen Ping smiled coldly!

After reaching the fourth level of the Tribulation Realm, Chen Ping will be able to fight with Mu Nayi!

It won't be like Guanghai Palace, under the hands of Mu Nayi, there will be no power to fight back!

What's more, Chen Ping still has a trump card in his hand, and the extremely cold ice flame is Chen Ping's trump card!

This Mu Nayi practices ice-based skills and uses various methods in an endless stream!

But the ice system skills are powerful, but there is still a certain gap between them and the extreme cold ice flames!

This extremely cold ice flame is the extremely cold thing in the heaven, nothing can compare with it!

"Arrogant..."

Mu Nayi smiled disdainfully!

At this moment, the entire Wuji Holy Sect began to be shrouded in darkness, and a chilling aura spread, making people's hearts tighten!

Chen Ping was suspended in the air and looked at each other with Mu Nayi, the auras of the two of them continued to condense!

Everyone can feel that there should be a fierce battle next.

The rising auras on the two people made everyone feel breathless and kept retreating!

Only Ouyang Zhenhua remained motionless, staring at Chen Ping and Mu Nayi!

The fourth level of the Tribulation Realm, fighting against the peak of the Tribulation Realm!

If someone told him this, Ouyang Zhenhua would not believe it even to death!

How to fight this kind of battle that is not of the same magnitude at all?

I'm afraid the battle will be settled with just one slap!

But at this moment, he saw with his own eyes that the rising aura of Chen Ping, a fourth-level monk in the Tribulation Realm, was no better than that of a monk at the peak of the Tribulation Realm!

“Mr. Chen, you must be careful, this Mu Nayi is very insidious...”

Binglu reminded Chen Ping loudly!

This Mu Nayi is very insidious. At first, relying on his identity as the elder of Guanghan Palace, Binglu and the others relaxed their vigilance!
