

The Order 6331

Chapter: 6331

But as long as Chen Ping can be killed, everything is enough. Chen Ping's humiliation to her makes her alive a burden!

As the eldest daughter of the Mu family, she has no shame in being alive after being looked down upon by everyone!

Otherwise, he wouldn't have died with Chen Ping!

The Five Elemental Beasts are constantly attacking Chen Ping, but Chen Ping is trapped in them with no way to escape!

But just when everyone thought Chen Ping was bound to die!

Suddenly, a black shadow appeared in mid-air, and then the black shadow got bigger and bigger!

Only then did everyone realize that it turned out to be a big bell!

There is actually a dragon circling around the big clock!

Everyone was stunned, wondering why a big bell suddenly appeared here!

What is this big clock for?

Just like that, under the gaze of everyone, the big bell fell from the sky and directly trapped Chen Ping inside!

This time, all the attacks from the Five Elements Beasts hit the big clock, but they could not cause any harm to Chen Ping!

“What’s happening here?”

“Could it be that Fellow Daoist Chen used the big bell to lock himself up?”

“This bell is really special!”

Everyone kept exclaiming!

Chen Ping is hiding in the dragon pattern clock, leisurely and contented!

Since he knew that Mu Naiyi could not hold on for long, Chen Ping used the dragon pattern bell to lock himself up. When Mu Naiyi’s aura faded and she was half dead, he would come out to deal with her!

The Five Elemental Beasts are attacking desperately, but Chen Ping is hiding in the Dragon Pattern Bell and is leisurely and contented. Nothing is wrong at all!

Gradually, the Five Elements Beast’s attacks are getting weaker and weaker, and the Five Elements Beast’s figure is gradually disappearing!

This five-element beast is just an illusion, not an entity. It will dissipate after all its energy is consumed!

“No, damn you, come out if you can!”

Looking at the huge dragon-patterned clock in front of him, Mu Naiyi roared and slapped the dragon-patterned clock with his palm!

“I won’t go out, I’ll make you mad!”

Chapter: 6332

Chen Ping said leisurely and contentedly inside the dragon pattern clock!

“ah.....”

Mu Naiyi roared!

“Miss, this guy is a tortoise, so let’s kill all the saints of Guanghan Palace to see if he can get out!”

Mu Yao reminded Mu Naiyi!

They still have Binglu and others in their hands, and they can blackmail Chen Ping!

When Mu Naiyi heard this, he immediately laughed and shouted at Chen Ping: “Did you hear that? If you don’t come out, I will kill all these saints.”

“Mr. Chen, don’t come out, we are not afraid of death!”

Binglu shouted loudly!

“Let you shout...”

Mu Yao stepped forward and slapped Binglu hard on the face!

“Kill me if you can. Even if we commit suicide, we will never let you succeed.”

“Sisters, we must not drag Mr. Chen down, let alone let the Mu family beasts use us to blackmail Mr. Chen.”

“I’m leaving first, you all follow...”

After saying that, Binglu’s aura began to swell, and he was about to self-destruct!

Upon seeing this, several other saints also chose to self-destruct, and they would never drag Chen Ping down!

This time, the people of the Mu family were frightened!

Mu Nayi also didn’t expect that these saints were so unafraid of death!

“You don’t have the ability to self-destruct in front of me!”

Mu Naiyi waved his hand, and a vigorous aura was instantly suppressed towards Binglu and the others, causing Binglu and the others’ bulging auras to be suppressed directly and unable to rise again!

In the face of absolute strength, suicide is a luxury!

“Is your Mu family so shameless that you rely on dirty tricks to defeat your opponents?”

At this time, the Dragon Pattern Bell suddenly disappeared, and Chen Ping slowly appeared!

“Chen Ping, you are a coward. Now you kneel on the ground and die. I can let these saints go.”

Chapter: 6333

“Otherwise, I will let you watch with your own eyes as this saint is humiliated to death one by one.”

Mu Nayi stared at Chen Ping and said coldly!

She knows that her strength will not last long, so she doesn't want to fight with Chen Ping!

When Mu Yao and others heard this, their eyes suddenly turned lustful and they licked their lips!

When Chen Ping heard this, he immediately frowned!

“Mr. Chen, leave us alone, go away...”

Binglu shouted!

“You Mu family are really beasts.”

Chen Ping said sharply!

“Beast? I’ll show you what a beast is!”

With a sneer on his face, Mu Yao suddenly ripped off a saint’s clothes with a stabbing sound!

“ah.....”

The saint’s snow-white skin was exposed, and her eyes were full of anger!

“Beasts...” Binglu and others roared!

Mu Yao had a ferocious smile on his face: “Chen Ping, are you going to kneel down and die?”

After saying that, Mu Yao tore off Binglu’s clothes!

As long as Chen Ping disagrees, it seems that Mu Yao will tear off the clothes of all the saints one by one!

Chen Ping’s eyes burst out with anger, and his body was trembling with anger!

Just when Chen Ping was in a dilemma, Ouyang Zhenhua suddenly burst out!

“Damn it, you Mu family are a bunch of beasts!”

Ouyang Zhenhua and the other monks suddenly rose up and rushed towards Mu Yao and others!

Mu Yao and the others never thought that Ouyang Zhenhua would lead a sudden attack with many monks. They were caught off guard and suffered heavy casualties!

Binglu and others were also rescued by Ouyang Zhenhua and others!

“Fellow Daoist Chen, you can fight with peace of mind. You must not let these beasts like the Mu family go!”

Chapter: 6334

Ouyang Zhenhua shouted to Chen Ping!

“Ah... You are all targeting my Mu family. I want you all to die, all of you...”

Mu Naiyi did not expect that Ouyang Zhenhua would dare to bring people to follow their Mu family to oppose them!

You know, the Mu family is also a big family in this northern region!

The Ouyang family is just a small family that makes puppets. As the patriarch, Ouyang Zhenhua is only at the ninth level of the Tribulation Realm.

Such a small family actually dares to follow the Mu family and do the right thing!

This really doesn't take the Mu family seriously!

I saw Mu Nayi roaring, and the white skin of his body began to ooze blood. He looked like a bloody man, very scary!

As the blood oozed out, a blood mist appeared around Mu Nayi!

The blood-colored mist, with a thick smell of blood and cold breath, is spreading!

The surrounding space became distorted under this blood mist!

Waves of biting icy air radiated from Na Mu Naiyi's body, the air around him suddenly dropped, and hundreds of meters in radius began to freeze!

This cold air made everyone tremble and retreat again!

Everyone was stunned when they saw Mu Nayi turning into a monster!

Even Mu Yao was dumbfounded. He didn't know what kind of technique Mu Naiyi used to become like this!

"Go back quickly, go back quickly..."

Mu Yao greeted the two remaining Mu family members to step back!

Because he could feel that they could not resist this cold air, and Mu Naiyi seemed to have lost his mind, and he was afraid that he could even kill them!

The bloody cold mist around Mu Nayi became thicker and thicker, while Chen Ping frowned, with murderous intent in his eyes!

The dragon crystal on Chen Ping's chest flickered, and the golden dragon behind him slowly appeared, letting out a deafening roar!

A dragon roar resounded throughout the Wuji Holy Sect!

The golden dragon's whole body is burning with flames, and Chen Ping has been promoted to the fourth level of the Tribulation Realm. This golden dragon's strength is also obviously much stronger!

I saw the golden dragon roaring and rushing towards Mu Naiyi, its body shuttled through the void, and it was in front of Mu Naiyi in an instant!

Then the sharp dragon claws shot directly towards Mu Naiyi!

Chapter: 6335

But when the golden dragon approached Mu Naiyi, the bloody cold mist around Mu Naiyi began to move, forming a huge whirlpool!

Endless cold air erupted from the whirlpool, and the claws of the golden dragon were instantly frozen, then shattered and dissipated!

"Roar....."

The golden dragon let out a low roar. Fortunately, this golden dragon was also an illusory object, not an entity!

If it were a real giant dragon, it would be disabled now!

The giant golden dragon lost its claws and suddenly opened its mouth, spitting out endless flames!

The flames collided with the cold mist and made an explosion!

The entire Wuji Holy Sect and even the entire Land of Chaos seemed to be crumbling in the violent explosion!

The blood on Mu Nayi's body is still oozing out, and his face is ferocious. He seems to be suffering from great pain, and he should be on the verge of collapse!

“ah.....”

Mu Nayi roared out, and the aura that had been sealed in his body was completely liberated at this moment!

Just when this aura erupted, Mu Nayi's body also emitted a dazzling red light!

Weird marks appeared on Mu Nayi's skin!

Now Mu Nayi is probably no longer alone!

Even if there is no trace of hair, Mu Nayi seems to have no scruples!

Now she is crazy!

There is only one thought, and that is to kill Chen Ping!

The terrifying blood-red cold mist, like spiritual snakes, carried Mu Naiyi's blood and headed straight for Chen Ping!

Chen Ping hurriedly shot out walls of fire to block him!

But these Cold Mist Spirit Snakes were not afraid, they penetrated the wall of fire and came towards Chen Ping!

Chen Ping holds the dragon-slaying sword in his hand, and thousands of sword lights fall from the sky!

These cold mist spirit snakes were cut off, but there was no way to stop them. They would condense and fuse again!

It can't be burned to death, it can't be cut off!

Chen Ping has a headache!

Chapter: 6336

"Don't worry about these cold fogs. As long as the person who casts them dies, these cold fogs will disappear."

Demon Lord Chiyun reminded him!

Chen Ping's eyes lit up, and then he used the Fire Control Step, and his figure disappeared instantly!

When Chen Ping's figure appeared again, he was already in front of Mu Nayi!

"go to hell....."

Chen Ping waved his sword and headed towards Mu Nayi!

Mu Nayi did not dodge, but said with a ferocious laugh: "Hahaha, you want to kill me, you are so delusional..."

After saying that, Mu Nayi's body swelled rapidly, as if he was about to self-destruct!

boom!

With a loud noise, Mu Nayi's body exploded instantly, and blood-red cold air filled Chen Ping's body!

At this moment, everyone was stunned!

I don't understand how this Mu Nayi could self-destruct?

But Chen Ping knew that this guy didn't self-destruct at all, but integrated himself into the blood mist!

Chen Ping exerted his spiritual consciousness to the extreme, but he couldn't capture Mu Nayi's aura at all!

When Chen Ping saw this, he could only retreat desperately, trying to get out of the cold fog!

But the cold air followed him like a shadow, as if it had life, directly wrapping Chen Ping's body!

Chen Ping only felt that his movements began to slow down and his body became a little stiff!

"The strength of the Mahayana realm is indeed great, it is too difficult to deal with..."

Chen Ping's movements became slower and slower, and frost began to appear on his body!

These frosts are actually blood red!

Soon, Chen Ping turned into a bloody man, but the blood was not his own!

Seeing this scene, Binglu and others were very worried!

Ouyang Zhenhua and many monks also looked desperate!

If Chen Ping loses, can they still escape?

Chapter: 6337

Seeing Chen Ping being frozen, the blood mist began to gather in the sky, and Mu Nayi's figure appeared in mid-air again!

"It's your turn..."

Mu Naiyi looked at Ouyang Zhenhua and others coldly!

This time, these people were frightened!

How could they escape the cold mist of Mu Naiyi's blood!

Their faces were filled with fear. They wanted to run away, but their bodies seemed to be out of control, and their legs were extremely stiff!

Ouyang Zhenhua and others could only watch helplessly as the cold fog continued to sweep towards them!

And they can only sit back and wait for death, with no way to do anything, not even the ability to resist!

Seeing that everyone was about to be covered by the cold mist, suddenly thousands of rays of light emanated from Chen Ping's body, and the entire Wuji Holy Sect was filled with warmth!

Immediately afterwards, a golden light flew out, and the frozen frost on Chen Ping's body was shattered in an instant!

Everyone's eyes widened, looking at the golden light!

Even Chen Ping was surprised and looked at it in disbelief!

Mu Naiyi's face was solemn, and her expression became complicated!

No one knows what that golden light is, not even Chen Ping himself!

The golden light slowly converged, and everyone saw clearly that what was in the mid-air was a jade slip!

After the golden light converged, the jade slip suddenly fell and fell directly into Chen Ping's hands!

Chen Ping, holding the jade slip in his hand, was also confused!

This is the Wuji Order given by the Wuji Holy Sect Grandmaster, which contains the Wuji Holy Sect's inheritance!

This is just a recording thing, how can it fly out on its own?

Just when Chen Ping couldn't figure it out, the words "Wuji Ling" actually shone with light!

The light traveled on the Wuji Order, and then a strong aura storm was generated!

I could only hear the howling wind, and all the breath between heaven and earth was shaken by the storm!

A huge vortex began to form, and the huge suction force seemed to suck the entire Wuji Holy Sect into it!

The spiritual energy of heaven and earth, the immortal energy, the cold energy...

Chapter: 6338

All the breath was sucked into this Wuji Order, and even the void was sucked into distortion!

In just an instant, the pervasive cold mist of blood disappeared without a trace!

All were sucked into the Wuji Order!

And in the mid-air, only bright red blood was left floating down!

These are Mu Nayi's blood!

Everyone was covered in blood!

At this moment, everyone was stunned!

Everyone looked at the scene in front of them at a loss!

They wanted to know what kind of treasure Chen Ping had in his hand that could absorb all auras!

In fact, Chen Ping himself is in a state of confusion at the moment!

He never thought that this Wuji Order could be so useful!

He thought that the Wuji Order was just a record of the Wuji Holy Sect's inheritance!

"Isn't what Fellow Daoist Chen is holding an immortal weapon? An immortal weapon found here?"

"It's very possible that this is the Immortal Sect. It's very reasonable to have a few immortal weapons."

“Immortal weapon, I have never seen an immortal weapon in my life.”

Everyone looked at Chen Ping with envy!

“It’s over.....”

Looking at all this, Mu Nayi was stunned!

She thought she could kill Chen Ping by sacrificing everything!

However, things were different from what she thought!

Originally, Chen Ping was about to die, but she had already suppressed him and beat him violently. Why did an immortal weapon appear again in the end?

“No, it’s not fair, it’s not fair...”

Mu Nayi roared!

Then he rushed towards Chen Ping like he was crazy!

Chapter: 6339

However, at this moment, Mu Nayi no longer has the strength to be in the Mahayana realm, and is not even as strong as the Tribulation Realm!

All the breath and blood essence have been consumed!

At this moment, Mu Naiyi could only rely on instinct to attack Chen Ping!

Chen Ping looked at Mu Naiyi who was rushing towards him and couldn't help but shook his head!

“Why bother.....”

After saying that, wave the Wuji Order in your hand!

Bang!

After a loud noise, Mu Naiyi was instantly knocked away. His whole body was like a ball, and Chen Ping flew away at once!

Mu Naiyi's body fell heavily in front of Mu Yao and others!

At this moment, Mu Naiyi has returned to her original appearance!

“Miss...”

Mu Yao hurriedly bent down and helped Mu Naiyi!

But at this time, Mu Naiyi was naked, and Mu Yao was really enjoying it!

Mu Nayi's whole body has turned pale, as if she was frozen in frost!

"I lost....."

Mu Nayi's face was expressionless, and after a mouthful of blood spurted out, his body shattered like ice!

Mu Nayi's soul slowly floated up.

At this moment, she only has a remnant soul left. Even if she rebuilds her physical body, she is still a useless person and cannot practice anymore!

This is the price, and Mu Nayi must bear this price for the path he chooses!

Mu Yao fired a line of spiritual power to protect Mu Nayi's remaining soul, then looked at Chen Ping and said with a panicked look on his face: "Chen Ping, we are defeated. From now on, we will never trouble you again."

After saying that, Mu Yao was about to leave with Mu Nayi's remnant soul!

"Did I let you go?" Chen Ping's voice was cold, and he was in front of Mu Yao in an instant!

"Chen Ping, do you really want to kill everyone? If you do this, it will only make our Mu family fight with you."

Mu Yao asked!

"Kill them all?" Chen Ping raised the corner of his mouth: "When you were chasing the Saint of Guanghan Palace, did you ever think of killing them all?"

“When you were humiliating the corpses of these saints and taking off their clothes, did you ever think that today would happen?”

“No one from your Mu family can leave today...”

Listening to Chen Ping’s words, Mu Yao’s face turned pale, but he couldn’t wait to die!

“Master Ouyang, and fellow Taoists, do you know that this Chen Ping is the person that the Demon Sealing Alliance spent a hundred years of sacrifice to hunt down.”

“Whoever can kill him will get a hundred years of worship from the Demon Sealing Alliance. Don’t you want it?”

Mu Yao revealed Chen Ping’s true identity, hoping that these people would take action against Chen Ping as they watched the Demon Sealing Alliance worship for hundreds of years!

Chapter: 6340

After hearing Mu Yao’s words, everyone fell silent.

They all saw Chen Ping’s strength just now with their own eyes. Even if they join forces, they may not be able to match Chen Ping!

A hundred years of worship from the Demon-Sealing Alliance is good, but there is no point in killing one’s life!

After a while, Ouyang Zhenhua said: "You don't need to sow discord here. We were all saved by Fellow Daoist Chen. If it weren't for him, we might all die in the beast wave, so you want us to take action against Fellow Daoist Chen, wishful thinking."

"Yes, we are not evil. We will not take action against Fellow Daoist Chen."

"You Mu family pigs and dogs are no better than dogs. You should have died long ago."

"Do you still want to confuse us and treat us as fools?"

Many monks accused Mu Yao, which made Mu Yao extremely embarrassed!

Now, without anyone to help, Mu Yao and others will definitely die!

"Is there any other way you can save your life?"

Chen Ping looked at Mu Yao coldly and asked!

Mu Yao's face turned red and white, his eyes full of despair!

"Mu Yao, go away and leave me alone..."

Mu Nayi, who only had a remnant soul left, said!

She knew that even if she regained her physical body, her life would be over and she would no longer be able to practice!

As a monk, if you can't practice, what's the point of living!

"Miss, don't be discouraged. I brought the family master's talisman. Maybe the family master can save us."

With that said, Mu Yao took out a rune!

"No, big brother is in retreat. If you use his natal talisman now, it will disturb his cultivation. What's more, we are in the land of chaos now. Even with eldest brother's natal talisman, he may not be able to find us."

Seeing this, Mu Naiyi refused to let Mu Yao use it!

"Miss, if you don't use it, we will definitely die. It doesn't matter if we die. If you really die, the head of the family will go crazy."

"The young master has been killed. If you were to die and the master of the house came out of seclusion, how desperate he would be."

Mu Yao persuaded Mu Naiyi!

Mu Naiyi stopped talking, and Mu Yao injected a spiritual power into his natal talisman, and the talisman burned instantly!
