

The Order 6391

Chapter: 6391

Binglu shook her head and said.

“Palace Master, we are not leaving. We are willing to accompany you and die together with Guanghan Palace.”

Many Guanghan Palace disciples all said with firm eyes.

“It’s not necessary. If you leave, Guanghan Palace will not be destroyed. Maybe many years later, Guanghan Palace will reappear.”

“If they all die here, then Guanghan Palace will really be finished.”

The Palace Master of Guanghan Palace sighed, and then said in a commanding tone: “I order you to leave Guanghan Palace immediately. It will be too late...”

Binglu wanted to say something else, but looking at the Palace Master’s decisive expression, she finally nodded helplessly and prepared to lead everyone away!

But just when Binglu was about to leave with other Guanghan Palace disciples, Lan Yingying suddenly shouted!

“Palace Master, look, look, Mr. Chen, it’s Mr. Chen...”

Lan Yingying’s shout was full of excitement!

When the Palace Master of Guanghan Palace and Binglu heard this, they quickly looked around and found that the figure at the front was approaching quickly, and it turned out to be Chen Ping!

Chen Ping was afraid that so many people would scare everyone in Guanghan Palace, so he ran in front of everyone so that he could inform everyone in Guanghan Palace in advance.

Seeing that it was Chen Ping, the master of Guanghan Palace finally had a smile on his face.

Binglu cried excitedly.

“open the door.....”

The Palace Master of Guanghan Palace ordered the palace door to be opened, and then led people to greet him!

“Palace Master, I’m back again...”

Chen Ping looked at the Palace Master of Guanghan Palace and smiled slightly.

Although Chen Ping did not have in-depth and intimate communication with the master of Guanghan Palace, the two of them had kissed each other and had skin-to-skin contact, so their relationship became subtle.

“You...why are you back? Those people are...”

The palace owner looked at the dark crowd behind Chen Ping and asked in shock.

“I brought them all. I know that the Mu family will definitely not let Guanghan Palace go, and Guanghan Palace is no match for the Mu family, so I contacted a group of friends to come and help.”

Chen Ping said with a smile.

“Friend?” The palace owner was stunned.

Chapter: 6392

All the disciples in Guanghan Palace looked on in disbelief.

You must know that in this world, the human world is all egoistic and puts interests first. There is very little friendship and it is all about the exchange of interests!

But Chen Ping called so many friends at once, why didn't everyone be shocked.

“Mr. Chen, you...how do you have so many friends?”

Binglu asked puzzledly.

“These are just friends from the Southern Region. If you include those from other regions, I have more friends.”

Chen Ping said with a slightly bragging tone.

However, Chen Ping was indeed able to contact more people, including Yihe, Jade Cauldron Sect, Ji Family...

These people estimate that if Chen Ping says anything, they will go through fire and water without hesitation!

The Palace Master of Guanghan Palace looked at Chen Ping crazily. She found that she liked Chen Ping more and more!

If it weren't for the rules of Guanghan Palace, she would have given it to Chen Ping right away!

This kind of man is worth every woman's effort!

Soon, Luo Shouhai and others also arrived in front of Guanghan Palace!

Chen Ping introduced these people to the Palace Master of Guanghan Palace one by one!

"This is the Lord of Blood Spirit Valley Luo Valley."

"This is the Master Song of the Soulless Palace."

"Sect Master Luo and Sect Master Chen of the five major sects."

"The head of the Sheng family."

"Jiang Yulian and Zhe Yan from the Soul Demon Sect."

"Among the three emperors and four kings of the beast tribe, the lion king, the monkey king, the leopard king, and the thousand-faced monster king, this is the fox princess."

After Chen Ping finished speaking, Bai Qian stepped forward and said to the Palace Master of Guanghan Palace: "Welcome to join Chen Ping's ranks of women..."

The Palace Master of Guanghan Palace was stunned, and then his face turned red!

Chen Ping coughed awkwardly!

"Bai Qian, don't talk nonsense. What is the identity of the palace master of Guanghan Palace? Can you talk nonsense? There are rules."

Chapter: 6393

Chen Ping glared at Bai Qian!

"Master, stop hiding it. There must be something going on between you two. You can see it from your eyes. You have to trust us women's intuition."

Huo Feng laughed from the side.

"That's right, you were still hiding, and you just did it. The eldest lady of the Sheng family looked at you all the way. Although you two didn't speak, you were definitely asleep."

"Are I right, the Sheng family girl..."

Bai Qian looked at Sheng Jiahui and asked!

Sheng Jiahui blushed and quickly lowered her head, feeling very embarrassed!

Huofeng said: "Don't be embarrassed, being able to become the master's woman is a blessing that has been cultivated for thousands of years."

"The master has many women, and we are not the only ones."

"Ahem, cough, cough, let's go in and talk, and then discuss how to defend ourselves against the enemy."

Chen Ping hurriedly interrupted Huofeng, and then called everyone into Guanghan Palace!

If this continues, I don't know what these two women will say!

Everyone looked at Chen Ping's embarrassed look and burst into laughter!

A beauty paired with a hero makes the world happy!

Chen Ping is a hero, so he should be surrounded by beauties!

When everyone entered Guanghan Palace, the palace owner immediately ordered people to close the palace door!

Chen Ping began to assign tasks!

Although the Mu family has not attacked Guanghan Palace yet, no one knows when the Mu family will come back, so they must prepare in advance!

Chen Ping asked Sheng Bushi to take the Sheng family to draw more talismans, while he himself set up a large number of defensive and offensive arrays in front of the Guanghan Palace!

The Palace Master of Guanghan Palace also used all the resources of Guanghan Palace. Since everyone is here to help, Guanghan Palace cannot be stingy!

Just when Chen Ping led everyone to build a large number of defenses in Guanghan Palace!

Everyone in the Mu family is also quietly looking forward to the return of the head of the Mu family!

“Steward Liu, why didn’t you send someone to notify me of such a big matter?”

At this time, a voice of reproach came!

Chapter: 6394

Hearing this sound, Butler Liu’s body trembled slightly, and then he hurriedly looked in the direction of the sound!

I saw a figure slowly appear, it was the young man who was watching Chen Ping and the others leaving the city in Nanjing City!

“Second Young Master, you...why are you back?”

Seeing this young man, Butler Liu’s face was full of disbelief!

This person is Mu Qing, the second son of the Mu family!

“My eldest brother and aunt were killed, and all the children of the Mu family were recalled. Can’t I come back?”

“Am I not a descendant of the Mu family?”

Mu Qing said with a cold face!

“No, no, that’s not what I meant. It’s just that the second young master is studying abroad, and I won’t let you know.”

“What’s more, we are enough to deal with Guanghan Palace, and we don’t need the Second Young Master to step forward.”

Facing Mu Qing, Butler Liu had a slavish look on his face. He never had the domineering look he did when facing other members of the Mu family!

“Hmph, you don’t know yet, but I saw Chen Ping leading thousands of monks to Guanghan Palace.”

“Obviously they were already prepared.”

Mu Qing said coldly!

“Thousands of monks?”

Butler Liu was shocked, his face full of disbelief!

He didn't expect that Chen Ping could summon thousands of monks in such a short period of time!

"Second Young Master, we are waiting for the master to come out of seclusion. As long as he comes out of seclusion, no matter how many people there are, it will not help."

After being shocked, Butler Liu said!

After all, in the face of absolute strength, quantity is not that important!

"How long will it take for my father to be released from confinement?"

Mu Qing asked!

"I don't know. It must have been in the past few days. In the meantime, the master's soul left his body once and caused some damage, so the retreat time may be longer."

Butler Liu said!

Chapter: 6395

"No need to wait for my father, I will take you to get revenge!"

Mu Qing said!

“Second Young Master, you must not do this. You just said that Chen Ping has brought thousands of monks to Guanghan Palace. We will be in danger if we don’t wait for the master to come out of seclusion.”

“And the princess of Guanghan Palace is in the Mahayana realm, so she is not that easy to deal with.”

“And that Chen Ping, even though he is not very high-level, he is very powerful. Both the eldest young master and the eldest young lady died in his hands.”

“The eldest lady is no match even at the peak of the Tribulation Realm. If you want to defeat Chen Ping, I’m afraid you will have to reach the Mahayana Realm.”

Butler Liu quickly tried to dissuade him!

“Mahayana Realm...”

Mu Qing smiled coldly, and then the aura on his body exploded instantly!

For a moment, the sky and the earth were dark, and boundless black fog filled the sky over the Mu family, as if it was the end of the world!

And in the dark mist, balls of flames continued to fall, and then attached to Mu Qing’s body!

In just an instant, Mu Qing turned into a burning man!

With Mu Qing’s wave of his hand, the vision of heaven and earth disappeared instantly, and even the flame disappeared!

“Second Young Master, you...you actually broke through to the Mahayana realm?”

Butler Liu said incredulously!

“If I didn’t break through to the Mahayana realm, how could I dare to go home?”

“This time, can I go to Guanghan Palace to take revenge?”

Mu Qing smiled coldly!

Butler Liu hesitated for a moment, then nodded and said: “Okay, I will take someone to follow the second master. Although the master of Guanghan Palace is powerful, I still have the confidence to deal with it.”

“Second Young Master just needs to kill Chen Ping!”

Mu Qing nodded: “Don’t worry, I will definitely kill that Chen Ping to avenge my eldest brother and aunt.”

“So what if he finds thousands of monks? They are all little rubbish in the Tribulation Realm!”

Mu Qing had just broken through to the Mahayana realm, so he called the Tribulation realm garbage!

Mu Qing and Butler Liu, with hundreds of members of the Mu family, headed towards Guanghan Palace!

Chapter: 6396

They didn't wait for the head of the Mu family to come out of seclusion!

Guanghan Palace!

Chen Ping follows the master of Guanghan Palace to take charge!

He directed everyone to set up layers of defenses, and everyone was full of energy and ready for battle!

At this moment, they are only waiting for the arrival of the Mu family!

"Mr. Chen, Palace Master, someone from the Mu family is here!"

Binglu walked into the hall and said with a slightly nervous expression!

As soon as they heard that the Mu family was coming, Chen Ping and the Palace Master of Guanghan Palace stood up at the same time, and then they disappeared in the blink of an eye!

When they appeared again, the two of them had arrived at the door of Guanghan Palace!

His body was suspended in the air, looking at the dark crowd of people rushing towards Guanghan Palace!

"Lord Valley Master Luo, please go down and prepare to fight!"

Chen Ping looked at the Mu family members who were about to arrive, and said to Luo Shouhai!

“Okay!” Luo Shouhai nodded!

Soon, all the sects and aristocratic families, as well as several great beast kings, were all ready!

A breath of soaring energy erupted from Guanghan Palace and soared straight into the sky!

The aura erupted by thousands of monks was absolutely terrifying!

Feeling the aura erupting from Guanghan Palace, many people in the Mu family began to be frightened!

After all, the head of the family has not left seclusion, and they are following Mu Qing to crusade, and it is really uncertain whether they will win or lose!

Mu Qing felt the aura erupting from Guanghan Palace and frowned slightly!

But it's already here, no matter what, it's impossible to go back quietly!

Wouldn't that be so embarrassing!

Manager Liu felt the terrifying aura, and his expression changed slightly!

“Where did this Chen Ping find so many monks, and they are all so strong?”

Butler Liu frowned and said!

Chapter: 6397

From these auras, most of them turned out to be masters of the Tribulation Realm, including many great monks at the eighth or ninth level of the Tribulation Realm!

Originally, he thought that even if Chen Ping summoned thousands of monks, they would still be trash in the Fusion Realm!

Who would have imagined that many of them are cultivators in the Tribulation Realm, and they are also very powerful!

“Now that you’re here, why don’t you come over and take a look!”

After Mu Qing finished speaking, he led everyone to Guanghan Palace!

At a glance, Guanghan Palace was surrounded by rays of light. It was obvious that formations had been set up all around!

At the same time, Chen Ping and the others were all suspended in mid-air, all ready to fight!

When Mu Qing saw this, he jumped up!

There are also more than a dozen monks from the Mu family floating in the air!

“Mr. Liu, what do you mean by bringing so many people to my Guanghan Palace?”

The Palace Master of Guanghan Palace asked Manager Liu!

She doesn't know Mu Qing. After all, Guanghan Palace was just established here, and Mu Qing has been away from home for many years!

It's normal that the Palace Master of Guanghan Palace doesn't know him!

"You know what your Guanghan Palace has done. We are here today to avenge the eldest young master and the eldest young lady."

"In addition, I would also like to advise other fellow Taoists that it is best for you not to get involved in the muddy waters that our Mu family is following Guanghan Palace."

"It would be inappropriate to put your own life on the line simply for some benefit."

Manager Liu is threatening others!

He thought that Chen Ping was able to find so many people, many of whom were here for profit!

"Do you think they came to help us in Guanghan Palace because of their own interests?"

The Palace Master of Guanghan Palace said with a smile!

"Of course, otherwise who would work for you in Guanghan Palace?"

"But if your Guanghan Palace hands over Chen Ping and lets our Mu family handle it, we may be able to bypass your Guanghan Palace."

Manager Liu said!

“Bah, who do you think you are? If you still want to deal with Mr. Chen, you have to ask us first if we agree!”

Chapter: 6398

The old devil mountain ghost spat hard and cursed loudly!

Manager Liu’s face turned cold, and his eyes began to show murderous intent!

Mu Qing, who had been silent all this time, said: “Fellow Taoists, I am Mu Qing, the second son of the Mu family. If you give my Mu family a face and leave today, my Mu family has decided to give resources to everyone.”

“But if you insist on going your own way, then report your name and don’t blame our Mu family for killing them all!”

Mu Qing is using both soft and hard tactics. He hopes that someone will give in and give up!

Although Mu Qing’s abacus is loud, it is useless. After all, these people are not here for profit!

“I, the master of the Blood Spirit Valley, Luo Shouhai, will not leave today. I will see how your Mu family destroys my Blood Spirit Valley.”

“We won’t leave even the five major sects. If they can, they will kill us all.”

“And my Soulless Palace...”

“And my Sheng family...”

“And my Soul Demon Sect...”

“I, the Demon Mountain Ghost Old Man...”

“And the three emperors and four kings of our beast tribe...”

“If we don’t leave, let’s see how awesome your Mu family is and kill all the sects like us.”

“I think you Mu family are just bragging. If you have the ability, go ahead. Stop talking!”

Everyone moved forward one by one, not afraid of the Mu family at all!

And listening to everyone’s introduction, Butler Liu and Mu Qing’s expressions changed!

It turns out that these monks are all from sect families and are not casual practitioners!

Especially the Demon Mountain Ghost Elder, he is considered a very famous celebrity in the entire Tianmo Mountain area!

They couldn’t understand how Chen Ping invited these people here!

How many resources and benefits are needed to attract people from these sects and aristocratic families!

Looking at the people in front of them, Mu Qing and Manager Liu looked solemn. If they launched a forceful attack at this time, they would definitely suffer heavy losses!

Even if they can win and take revenge, the Mu family will suffer heavy casualties and eventually become a small family!

But if you don't attack or take revenge, and just leave in such a dejected manner, then the Mu family will be too shameless!

Chapter: 6399

The two sides were in a stalemate, and no one made the first move!

After all, it is a fierce battle!

There will definitely be countless casualties, and the entire world of heaven and humans has never seen such a large-scale melee since the war between gods and demons!

Moreover, they are all great monks in the Tribulation Realm. The destructive power of this kind of melee is extremely terrifying!

Maybe, half of Tianmo Mountain might be sold off!

About an hour later, Manager Liu spoke first!

“Chen Ping, you killed our eldest son and eldest lady, but in the end you found so many people. Do you want to let everyone die with you because of your own fault?”

“You should know that once the melee begins, countless people will be killed or injured, and you will be a sinner by then.”

“Our Mu family is just looking for revenge on you. If you leave Guanghan Palace now, we will never touch Guanghan Palace.”

“You can’t be too selfish as a person. These people are willing to sacrifice for you, but you can’t let these people sacrifice their lives for you to save your own life, right?”

Manager Liu stood on the moral high ground and began to mock Chen Ping!

In order to make Chen Ping feel guilty, he left Guanghan Palace!

What the Mu family needs is revenge, not fighting with these people in front of them!

When the time comes, you will kill a thousand enemies and lose eight hundred, and the gains outweigh the losses!

“Mr. Chen, don’t listen to his nonsense. They have hundreds of people and are looking for revenge on your own.”

“Isn’t this bullying the minority with more? They are obviously deceiving you!”

Luo Shouhai quickly said to Chen Ping!

Chen Ping was not stupid. If he was only seeking revenge on himself, would he still need to mobilize hundreds of people? Would he mobilize an army like this?

“Chen Ping, if you have the courage to leave Guanghan Palace, I can guarantee that others will not take action. I will personally avenge my eldest brother and aunt.”

“It’s just the two of us competing. If I can’t kill you, I can accept my fate and take people away immediately. I will never harass Guanghan Palace.”

“Do you dare to compete with me? Then I won’t have to fight with others!”

Mu Qing knew that Chen Ping could not be fooled, so he said!

“You want to fight with me alone?”

Chen Ping raised the corner of his mouth slightly!

“Yes, it depends on whether you dare. The two of us will fight to the death in exchange for the safety of others.”

Mu Qing said.

Chapter: 6400

“Mr. Chen, don’t be fooled. The aura of this guy is very weird. Although I can’t tell the level, I feel it is definitely not low.”

The master of Guanghan Palace reminded Chen Ping in a low voice!

Chen Ping stared at Mu Qing. This guy was obviously a human monk, but he had a trace of devilish energy in him!

And he couldn't tell the level of his realm at all, which made Chen Ping dare not agree rashly!

Seeing that Chen Ping did not dare to agree, Mu Qing continued to mock: "Why, even if you die, will you drag all the people around you to be buried with you?"

"Or are you afraid that I am stronger than you and you will die in my hands?"

"If you don't dare to compete, you can kneel down and get under my crotch. I will spare your life. You only need to be a slave of our Mu family for five hundred years."

After Mu Qing finished speaking, he actually started to show his realm!

The cultivation level of the seventh level of Tribulation Realm!

Seeing Mu Qing take the initiative to reveal his realm, Chen Ping frowned!

Proves that Mu Qing deliberately exposed his state!

The seventh level of the Tribulation Realm is just a realm that Mu Qing wants to expose, and it is not real!

It seems that he just wants Chen Ping to know that his level is not high, so he dares to fight alone with him!

"Mr. Chen, don't be fooled. There is no way this guy is at the seventh level of the Tribulation Realm."

Luo Shouhai quickly reminded Chen Ping!

“I know!” Of course Chen Ping knew. This was Mu Qing’s deliberate show of weakness!

“Senior, if this guy’s realm surpasses the first level of the Mahayana realm, do I have any hope of living?”

Chen Ping asked Demon Lord Chiyun!

Listening to Chen Ping’s words, Demon Lord Chiyun shook his head: “If his realm surpasses the first level of the Mahayana realm, you will definitely die!”

Demon Lord Chiyun’s words made Chen Ping stunned. Now that he couldn’t see through Mu Qing, he could only bet that this guy didn’t have a cultivation level beyond the first level of the Mahayana realm!

Chen Ping, who is at the first level of the Mahayana Realm, can still deal with it with all the magic weapons in his hands, but if it exceeds the first level of the Mahayana Realm, Chen Ping probably has no hope!

This kind of transcendence of large realms can no longer be compensated by various magical weapons, especially as the gap in realms becomes larger as the level goes up, even if it is a small realm, the gap in strength will be a chasm!

Chen Ping is now just a fourth-level monk in the Tribulation Realm. Using various magical skills and magic weapons to barely cope with the first-level Mahayana Realm, he is already a very evil being!

Not to mention the world of gods and humans, even in the entire universe and galaxy, there are not many such geniuses in the world!
