

## The Order 641

Chapter: 641

“Master, why? Jiang Zhengzhong is dead. All this money was traded with us by Chifeng under the guise of the Jiang family. Why should we deliver goods to them? Chifeng has no backers in Kyoto!”

Lao Qiu said with a puzzled look!

“Although Chifeng has no backer in Kyoto, there is still a capable person standing behind him. He is just in his early twenties and can kill Jiang Zhengzhong, and he can even kill the old guy Buhuo from Xuanyue Valley. What do you think? Isn't he a genius?”

Sun Simiao raised the corner of his mouth slightly.

“Is the man named Chen Ping the palace master is talking about? I heard that the reason why he was able to kill Jiang Zhengzhong was entirely because Jiang Zhengzhong was exhausted after fighting Sun Yaobang and Chifeng, and was taken advantage of by Chen Ping!”

Lao Qiu said with some disdain, “In his early twenties, even if he practiced from his mother's womb, he would not be able to reach the level of a master of internal energy!”

“What about Buhuo from Xuanyue Valley? Not long ago, a left patrol envoy sent by Xuanyue Valley was also killed by Chen Ping. Remember, the enemy of the enemy is a friend. Sooner or later, we will have a problem with Xuanyue Valley. Zhan, now that Chen Ping has formed a deadly feud with Xuanyue Valley, then we will win him over, this is a rare genius!”

The more Sun Simiao talked, the more excited he became, his eyes flashing with light!

“Why is this kid so powerful?” Lao Qiu seemed a little surprised: “The master of the palace plans to drag Chen Ping into our King of Medicine's Palace!”

“Yes, our King Yao Mansion needs such talents!” Sun Simiao nodded!

“But Chen Ping killed Jiang Zhengzhong. Didn’t you say that the Jiang family has backers in Kyoto? If the backers of the Jiang family cause trouble for Chen Ping, what should we do?” Lao Qiu was very puzzled. Chen Ping is now It was such a troubled time, why did Sun Simiao still want to win over him!

“Haha... Lao Qiu, there is a Jiang Zhengde in the Jiang family in Kyoto, and don’t you know the backer of our Yaowang Palace in Kyoto? Do you think I will be afraid?”

Sun Simiao burst out laughing!

Lao Qiu nodded repeatedly: “That’s right. Which family in Kyoto can compare to the Bai family!”

“Go ahead, the martial arts gathering is about to begin. This year, the rewards will be increased. Also, the Trade Street should be renovated as soon as possible. Only when our reputation here grows, will there be more and more precious medicinal materials. And the treasure flows here!”

Sun Simiao waved his hand and said.

“Got it!” Lao Qiu retreated.

Just after Lao Qiu left, a young man of 27 or 28 years old walked out from the back of the hall. The young man was well-dressed and looked extraordinary at first glance.

“Second Young Master.....”

Sun Simiao stood up quickly and bowed slightly towards the young man.

The person who can make the Master of Yaowang Mansion so respectful is definitely not an ordinary person. This person is Bai Zhantang, the second young master of the Bai family in Kyoto. Although Bai Zhantang is only twenty-seven or eighty-year-old, his strength has already reached the level of Nei Jin Grandmaster, and now he is The sixth-grade grandmaster is even stronger than Jiang Zhengzhong!

The reason why Bai Zhantang has such strength at such a young age is inseparable from following the Yao Wang Mansion. Every year, the Yao Wang Mansion pays tribute to the Bai family with a large amount of elixirs to assist the Bai family's children in practicing martial arts!

"Master Sun, there's no need to be so polite, sit down..."

Although Bai Zhantang is the second young master of the Bai family in Kyoto and is so powerful, he has a reserved personality.

Chapter: 642

"Second Young Master, you are here in person for this year's martial arts gathering. Is there anything you want to do?"

After Sun Simiao sat down, he asked Bai Zhantang carefully.

"Yes!" Bai Zhantang nodded: "There is a spiritual weapon missing from my Bai family. This spiritual weapon can nourish the body and turn disaster into good luck. So I came here to see if this spiritual weapon will be used this time. Appearing at a martial arts gathering!"

After hearing this, Sun Simiao suddenly looked surprised: "Second Young Master, is there anyone in this world who can steal things from the Bai family?"

Bai Zhantang smiled awkwardly: "Don't ask any more questions. Several servants from my Bai family will come later. You just need to receive them. In addition, the news about my coming here must not be revealed at all!"

"Second Young Master, don't worry, I will never reveal it!" Sun Simiao nodded!

As the martial arts gathering approaches, people have begun to rush to Tianfeng Town in advance. A small town with only 10,000 people is starting to become lively.

Chen Ping followed Su Yuqi to accompany Su Wenzong in Hongcheng for a few days, and then returned to the provincial capital. At first, Chen Ping wanted Su Yuqi to stay in Hongcheng, but when the incident

of protecting the Dharma around Xuanyue Valley came out, Chen Ping did not dare let Su Yuqi take another half step away from her!

In the afternoon, Lin Tianhu drove Chen Ping and Su Yuqi to the provincial capital.

“You two are finally back. I’ve been waiting here for several days!”

Seeing Chen Ping and Su Yuqi coming back, Gu Ling’er said hurriedly.

“Ling’er, what are you waiting for us to do? Why don’t you go to work?”

Su Yuqi asked strangely when she saw Gu Ling’er waiting for them.

Chen Ping also asked with confusion on his face: “What happened?”

“I resigned and stopped going to work!” Gu Ling’er said.

“Resign?” Chen Ping and Su Yuqi both looked at Gu Ling’er in surprise!

They all know that Gu Ling’er’s ideal is to be a detective and eliminate violence.

How do you say you just resign?

“Why did you resign?” Su Yuqi asked in surprise.

“I want to become stronger. Only when I am strong can I punish the strong and support the weak, so I want to worship Chen Ping as my teacher!”

Gu Ling’er looked at Chen Ping with a firm face and said.

During this period, Gu Ling'er was deeply hit. In the face of other people's absolute strength, even though she was a member of the Dharma Protector Pavilion, she had no deterrent effect at all. This prompted Gu Ling'er to resign and make herself stronger!

Gu Ling'er's words almost made Chen Ping fall down!

Su Yuqi covered her mouth and smiled: "Ling'er, why are you crazy? If you become Chen Ping's teacher, what will you call me then? Do you want to call me master's wife?"

Chapter: 643

"Go, go, who calls you master's wife? You two are not married yet, so you just say that, you are really not shy..."

Gu Ling'er rolled her eyes at Su Yuqi, then looked at Chen Ping and said, "Chen Ping, I want to become your teacher, and you teach me kung fu!"

"I don't accept apprentices!" Chen Ping shook his head!

"If you don't accept it, I will follow you. I will go wherever you go!"

Gu Ling'er grabbed Chen Ping's arm and seemed to be relying on Chen Ping.

Chen Ping looked at Gu Ling'er like that and looked at Su Yuqi helplessly. He wanted Su Yuqi to persuade him!

Su Yuqi smiled: "I can't help you, if not, just compromise!"

Chen Ping sighed: "I can teach you, but I can't be your master. I can give you some guidance from time to time!"

Chen Ping reluctantly made a compromise!

“Okay, you just need to teach me!” Gu Ling’er smiled, then pulled Su Yuqi and ran away, saying as he ran: “Yu Qi, let me take you to see my new foundation, it’s great!”

Looking at the backs of the two people, Chen Ping smiled slightly!

“Mr. Chen, Chifeng has sent all the medicinal materials!”

Lin Tianhu came over and said to Chen Ping.

Chen Ping nodded and followed Lin Tianhu into the room. This was a separate room specially sent by Chen Ping to prepare for alchemy!

When Chifeng saw Chen Ping coming, he immediately stepped forward and said, “Mr. Chen, we have got all the medicinal materials from Yaowang Palace, and Yaowang Palace has given some more. It seems that they don’t know that Jiang Zhengzhong is dead!”

Chen Ping glanced at the medicinal materials on the ground. They were all top-quality medicinal materials that were more than a century old, with rich and pure spiritual energy!

“No, they must already know it!”

Chen Ping looked at the medicinal materials and smiled lightly.

If it is said that when Jiang Zhengzhong was first killed, the Yaowang Mansion did not get the news so quickly, but now more than ten days have passed, and it is impossible for the Yaowang Mansion not to know about it. If such a big thing happened, the Yaowang Mansion would not know about it. Then there is no way they can achieve this scale!

“Then why did Prince Yao’s Mansion know about it and still trade with us? I always sent people to pretend to be members of the Jiang family to negotiate!”

Chifeng said with a puzzled look on his face.

“I don’t know about this. Maybe they have other plans!” Chen Ping couldn’t figure out what kind of medicine was sold in the medicine palace gourd. Then Chen Ping continued: “Since the medicine has been sent, we will accept it. , I just happened to refine some elixirs for you two, so that your strength can be improved!”

“Thank you Mr. Chen...”

Chi Feng and Lin Tianhu both said with excitement!

Chapter: 644

Especially Lin Tianhu, he was greatly touched by coming to the provincial capital. He always wanted to improve his strength. If he could one day reach the realm of Nei Jin Grandmaster, then his life would not be in vain!

Chen Ping asked Lin Tianhu and Chifeng to guard outside, while he sat cross-legged and refined a dozen pills from the billions of medicinal materials in front of him!

Chen Ping did not keep it for himself, but gave it all to Chi Feng and Lin Tianhu. Lin Tianhu gave more because Lin Tianhu’s strength was too low after all.

The two people looked at the pills in their hands, their eyes full of excitement and gratitude. They knew the value of these pills, which were made from billions of medicinal materials. Chen Ping gave them all, which made the two of them even more devoted to Chen Ping!

“Lin Tianhu, take the prescription for Xiao Huan Dan and buy some medicinal materials. I’m going to practice some Xiao Huan Dan!”

Chen Ping ordered to Lin Tianhu!

“Okay!” Lin Tianhu nodded and followed Chi Feng away.

Chen Ping plans to practice some small returning pills to prepare for emergencies during the martial arts gathering. He has little money now. If he sees something he likes at the martial arts gathering, he can exchange it for the small returning pills.

In the evening, Gu Ling'er called Chen Ping and Su Yuqi and planned to invite them out for dinner!

After all, Chen Ping agreed to teach her kung fu, and Gu Ling'er should show her appreciation!

"Tell me what you want to eat, and don't save money for me!"

Gu Linger asked Chen Ping and Su Yuqi.

"You know best what kind of delicacies there are in the provincial capital. How can we know?"

Su Yuqi said.

"Okay, I'll take you to eat Teppanyaki. I know there's a good one!"

Gu Ling'er said and opened the car door!

But just when Gu Ling'er was about to get in the car, the phone suddenly rang. It was a call from his family, saying that something happened and they wanted Gu Ling'er to go home for dinner!

Gu Ling'er suddenly looked embarrassed, while Su Yuqi smiled slightly and said: "It's okay, you can go home and eat, the two of us can find a place to eat!"

"Why don't you come home with me to eat? It just so happens that my parents also want to meet Chen Ping!"

Gu Linger said.

“Your parents want to see Chen Ping?” Su Yuqi was stunned!

Gu Ling'er suddenly felt that he had said the wrong thing, and immediately blushed and explained: “It's the ancient style. I talk about how awesome Chen Ping is at home all day long, so my parents are very curious!”

“Isn't this not good?” Chen Ping was a little embarrassed!

“What's wrong with this? Get in the car!”

Chapter: 645

Gu Ling'er pushed Su Yuqi and Chen Ping into the car, and then drove straight to her home!

Gu Ling'er's parents are also important officials in the provincial capital, but they only live in a very ordinary community. The house with three bedrooms and two living rooms is quite spacious!

At this time, downstairs, a Rolls-Royce Phantom was parked in the community, which seemed out of place!

“Whose luxury car is parked here? It still has a Kyoto license plate!”

Gu Ling'er muttered.

Chen Ping and Su Yuqi followed Gu Ling'er with gifts in their hands!

After all, it's your first time going to Gu Ling'er's house, so you can't go empty-handed!

When Gu Ling'er opened the door, she found that there were two more people in the house, and the atmosphere at home was also a bit depressing!

Chen Ping and Su Yuqi followed in and immediately felt something was wrong in the atmosphere!

Chen Ping looked at a young man sitting on the sofa. The energy fluctuations in this young man's body had actually reached the strength of the Nei Jin Grandmaster, even surpassing Jiang Zhengzhong!

Behind the young man, there stood a tall middle-aged man with a majestic face. The aura of the middle-aged man was even more powerful, even surpassing that of the young man.

These two people were both top-notch masters in the provincial capital. Now Chen Ping finally understood why Wu Liuyi sent his son away. It seemed that the world of martial arts was truly extraordinary!

The young man seemed to feel the aura on Chen Ping's body. He raised his eyes and looked at Chen Ping, but quickly looked away!

"Dad, Mom, what is he doing here?"

Gu Ling'er looked at the young man sitting on the sofa and asked his parents angrily.

"Ling'er, of course I'm here to see you. Although we have broken off our engagement, we can still be together now that you are not married and I am not married!"

The young man stood up, looked at Gu Ling'er with a smile and said.

"Qin Feng, give up. Even if I live forever, I will never marry you. Didn't you humiliate me enough? Why don't you go find your Miss Bai? Has she been dumped? ?"

Gu Ling'er looked at Qin Feng with disdain.

Qin Feng was not angry and smiled lightly: "Ling'er, actually I still like you. I dumped Bai Manli a long time ago. I came here specifically to see you this time!"

As Qin Feng spoke, he actually grabbed at Gu Ling'er. Gu Ling'er wanted to dodge, but found that Qin Feng was extremely fast and Gu Ling'er couldn't dodge at all!

Gu Ling'er's hand was grabbed by Qin Feng, and her face became extremely ugly. She struggled desperately: "Qin Feng, you bastard, let go of your hand..."

When Gu Ling'er's parents saw this, they were about to speak, but they were glanced at by the middle-aged man behind Qin Feng. This glance brought endless pressure, which directly made Gu Ling'er's parents take a few steps back, and their expressions changed. very ugly.

"Who are you? Let Ling'er go quickly, aren't you a hooligan?"

Chapter: 646

When Su Yuqi saw this, she yelled at Qin Feng angrily.

Seeing this, the middle-aged man suddenly burst out with energy, and the terrifying aura pressed towards Su Yuqi!

"snort!"

Chen Ping snorted coldly and pulled Su Yuqi behind him. The spiritual power of his body exploded instantly, directly meeting the middle-aged man's energy!

An overwhelming force pressed forward, causing the middle-aged man to take several steps back before he stabilized his body!

Then Chen Ping stepped forward, grabbed Qin Feng's wrist, and forcefully opened Qin Feng's hand: "You'd better be more respectful to girls!"

Chen Ping's voice was extremely cold, and his eyes were fixed on Qin Feng!

When the middle-aged man saw this, his eyes burst out with murderous intent: "I'm really surprised that there are such young talents in Jiangbei Provincial City!"

As he spoke, the middle-aged man clenched his fists with both hands and prepared to punch Chen Ping!

“Ada, stop!” Qin Feng said, but the middle-aged man could only put away his fists!

Qin Feng looked at Chen Ping and said with hostility in his eyes: “Who are you Gu Ling’er?”

“Friend!” Chen Ping let go of Qin Feng and said calmly.

Qin Feng looked at Chen Ping, put away his hostility and said, “I’m here to do business, not to fight. If I have a chance, I’ll have a good fight with you!”

After Qin Feng finished speaking, he turned to look at Gu Ling’er’s father and said: “Uncle, I hope you will think carefully about what I just told you. As long as you help me find someone, I promise to use all the connections of the Qin family to get you.” Transferred to Kyoto to serve!”

“I will consider it!” Gu Ling’er’s father said.

Qin Feng nodded with satisfaction and left with the middle-aged man!

“Dad, who did Qin Feng ask you to find? Isn’t our family humiliated enough? Are you still helping him?”

Qin Feng walked back and Gu Ling’er asked loudly to his father.

Gu Ling’er’s father took out a photo of the girl: “He asked me to look for this girl. He said she might have come to the provincial capital and wanted me to mobilize connections in the provincial capital to find her. It’s not a big deal!”

“You should reject him on the spot, what are you thinking about? I think you just want to be an official in Kyoto!”

Gu Ling'er roared angrily, then turned around and ran out of the house!

Chen Ping and Su Yuqi looked embarrassed, so they could only put down their things and hurriedly chased after him!

In the car, Gu Ling'er was crying and looked aggrieved!

Su Yuqi comforted softly: "Ling'er, who is that man? Why did he break off the engagement with you?"

Chapter: 647

Gu Ling'er wiped her tears and then slowly started to talk!

It turned out that when Gu Wentian was still serving as a senior official in the provincial capital, he had a good relationship with the Qin family in Kyoto. At that time, the Qin family was still a small family. Later, under Gu Wentian's network, the Qin family gradually grew stronger.

After Gu Ling'er graduated from university, with the help of Gu Wentian, he got engaged to Qin Feng of the Qin family. At that time, Gu Ling'er saw that Qin Feng was handsome and powerful, so he liked him very much!

However, the good times did not last long. After Gu Wentian retired, Qin Feng actually broke off the engagement with Gu Ling'er, and even proposed to Bai Manli of the Bai family in Kyoto in public. This incident had a great impact on Gu Ling'er and the Gu family. Big, the relationship between the two families has been broken since then!

"This Qin Feng is worse than a beast!" Su Yuqi gritted her teeth angrily after hearing this.

Chen Ping was driving the car in front and could only sigh slightly. As the saying goes, the Qin family showed it vividly, but in today's society, there are not a few such people!

After finding a random place to eat, Chen Ping went back. Su Yuqi and Gu Ling'er slept together to comfort her, while Chen Ping spent the evening refining some small rejuvenation pills!

Early the next morning, Wu Xi from the Wu family came to the door.

“Mr. Chen, if we are going to attend a martial arts gathering, we have to leave today. I’m afraid we’ll be late and we won’t even have a place to stay!”

Wu Xi followed Chen Ping respectfully.

“Okay, wait a moment, I’ll explain it to you!”

Chen Ping nodded, told Lin Tianhu and Chi Feng to be optimistic about Su Yuqi, and then rushed to Tianfeng Town with Wu Xi!

Tianfeng Town used to be a barren town, but due to the construction of Yaowang Mansion and the annual martial arts gathering, Tianfeng Town became prosperous!

There are medical clinics, hotels, and bustling traffic everywhere. It is much more prosperous than some third- and fourth-tier small cities!

“Mr. Chen, I have booked a hotel in advance, but the scale of the hotel here is incomparable to that of the provincial capital. Mr. Chen, please feel aggrieved!”

Wu Xi took Chen Ping to a small hotel and stopped in front of it.

“It doesn’t matter!” Chen Ping doesn’t have any requirements for where to live!

Chen Ping followed Wu Xi into the hotel, and after a casual glance, he found that there were many internal energy masters in the hotel lobby, including some internal energy masters.

When Wu Xi passed by the hall, many people greeted him, which showed that Wu Xi had many acquaintances.

When they reached the third floor, Wu Xi took Chen Ping to the room closest to the corridor and said, "Mr. Chen, this is the best room in the hotel, so please accept it!"

Chen Ping walked into the room. The whole room was not big, only about a dozen square meters, with one bed and one bathroom. Although it was small and a bit shabby, it was very clean and the environment was good. You could see by opening the window. The only street in Tianfeng Town!

"Junior Brother Wu Xi, have the rooms been reserved?"

At this moment, several people walked towards Chen Ping and Wu Xi.

The leader was an old man, who looked like he was seventy or eighty years old. His whole body was skinny, with blue veins emerging on his body, like a mummy. However, the old man's eyes were shining brightly, and he was walking like a dragon and a tiger, and his movements were vigorous!

Chapter: 648

Behind the old man were two young men, one of whom was tall and full of masculinity, while the other was much thinner, but his eyes had a captivating look, and his aura was always permeating his body. , like a rooster ready to fight at any time, full of arrogance!

The tall young man who was following Wu Xi was looking at Wu Xi with a smile on his face!

"Master, two senior brothers, you are here..."

Wu Xi saw this and hurriedly rushed forward.

There were also many people in the corridor, and they greeted the old man one after another.

The old man nodded slightly in return. There was no smile on his face, and he looked a little arrogant!

"Master, let me introduce to you, this is Mr. Chen..."

Wu Xi hurriedly followed the old man and introduced Chen Ping!

Chen Ping smiled slightly and nodded to the old man to say hello, but the old man just glanced at Chen Ping without any reaction, and then said to Wu Xi: "Wu Xi, you are my Baji now." A disciple of Quan, who represents the face of my Baji Quan outside, how can I casually call others sir? Doesn't this make people look down on my Baji Quan?"

When Wu Xi heard this, he opened his mouth and quickly explained: "Master, no, it's Chen..."

"Junior Brother Wu Xi, what Master taught you is right. You must have some backbone to represent Baji Quan in the future. Master hopes that you can win the championship in this martial arts gathering. Don't embarrass me Baji Quan!"

said the thin young man.

"Brother, Mr. Chen is also attending this martial arts gathering. I'm afraid no one else will win this championship!"

Wu Xi said awkwardly!

Wu Xi had seen Chen Ping's strength with his own eyes. If Chen Ping came to power, the champion would be Chen Ping!

"Wuxi, are you scared out of your wits?" The old man frowned slightly: "I tell you, you must win the championship for me this time, otherwise don't blame me for expelling you!"

The old man snorted coldly, ignored Wu Xi, and walked directly towards the room at the end of the corridor. The thin young man followed behind the old man. When he passed Chen Ping, a burst of pressure suddenly broke out and he moved towards Chen Ping. Come on!

Chen Ping smiled coldly and did not move. He did not even burst out to resist. He allowed the pressure to come over him without any change in his expression!

The thin young man frowned slightly when he saw that Chen Ping had no reaction. However, he did not test Chen Ping, but followed the old man into the room!

The tall young man smiled at Wu Xi: "Junior brother Wu Xi, don't be nervous. Master is just like this. Just work hard. With your current strength, there is still a good chance of winning the championship!"

After patting Wu Xi on the shoulder, the tall young man also followed!

"Master....."

When Wu Xi saw the old man walking into the room at the end of the corridor, he was startled and hurriedly wanted to catch up because he had prepared this room for Chen Ping.

Chen Ping stretched out his hand to stop Wu Xi and shook his head slightly!

Chapter: 649

He understood what Wu Xi meant, but Chen Ping didn't want to let Wu Xi be scolded by his master for his own sake. After all, he had no requirements for where to live!

"Mr. Chen, I'm so sorry..."

Wu Xi said with an embarrassed look.

Wu Xi could only rearrange the room for Chen Ping next door, and then introduced several people to Chen Ping!

Through Wu Xi's introduction, Chen Ping found out that the old man's name was Gao Baisheng, who is now the owner of the Bajiquan gym, and that the tall young man was called Huo Laiyun, and the thin young man was called Huo Shan. He is from a village and has been worshiping Gao Baisheng since he was a child!

After chatting with Chen Ping for a while, Wu Xi went to the next room, and soon the sound of quarrels came from the next room!

Chen Ping's hearing is now different from that of ordinary people, so he can hear the sounds next door clearly!

"Junior Brother Wu Xi, please stop making Master angry. That kid looks ordinary. Why are you so afraid? You were scared out of your wits even before you were beaten. Is this still the style of my Bajiquan disciples?"

Na Huoshan said sharply.

"Brother, Mr. Chen's strength has already reached the level of a master of internal energy. I am no match for him..."

Wu Xi lowered his voice and said, probably because he was afraid that Chen Ping next door would hear him.

"Grandmaster bullshit, do you think it's so easy to achieve mastery of inner energy? Don't be fooled. You don't know it yet. I think that kid just wants to win the championship and deliberately fooled you!"

Huo Shan spat fiercely.

"Brother, it's true, Mr. Chen..."

"Okay, get out of here, I want to rest!"

Before Wu Xi finished speaking, Gao Baisheng shouted angrily and told everyone to get out!

Chen Ping, who was next door, smiled coldly and stood at the window, looking at the busy traffic on the road outside the window. Among the seemingly ordinary and hurried crowds, there were strong people hidden everywhere. In Tianfeng Town today, there are probably no strong people in the entire Jiangnan and Jiangbei areas. It's time for the most readers!

As the sky darkened, Wu Xi knocked on the door and asked Chen Ping to go to the hall for dinner!

Because the people were full, there were no private rooms available. Chen Ping and the others could only choose a table to eat in the corner of the hall. At this time, it was considered a blessing to have a table to eat. There were still many people waiting in line behind. !

Wu Xi was busy, preparing tableware for Chen Ping and Gao Baisheng, and then ordering and serving the dishes. After all, there were too many people now and the waiters couldn't be busy at all!

Chen Ping sat still all the time, which made Wu Xi's master and two senior brothers look displeased!

"Junior brother, you are not a waiter, sit down and wait for me!"

Huo Shan said coldly to Wu Xi.

"Brother, it will be ready soon!" Wu Xi said, taking some napkins and placing them next to Chen Ping:  
"Mr. Chen, the napkins are here for you!"

Chapter: 650

Chen Ping nodded: "Sit down, don't be busy, just wait a little longer!"

Wu Xi sat next to Chen Ping, and soon the food was on the table, and everyone started eating!

There are many people in the hall, and they are all martial arts practitioners, so they all speak loudly!

"Did you hear that a young master came out of Jiangbei? He was only in his twenties and he beheaded the head of the Jiang family in public!"

"I've heard about it a long time ago, but Jiang Zhengzhong was killed by that young man only after he had exhausted his inner strength after two battles. This is just a bargain!"

“No matter what, I really don’t want to meet him at this year’s martial arts gathering, otherwise I will have another powerful enemy!”

All the people’s comments reached Chen Ping’s ears, but Chen Ping just pretended not to hear it!

“Wuxi, your family is from the provincial capital. Have you heard about this?”

Gao Baisheng asked Wu Xi.

Of course Wu Xi knew about this, and the person involved was right in front of him, but when Wu Xi was about to say something, he saw Chen Ping wink at him, so Wu Xi said: “I heard, it seems that there is such a thing thing!”

“Hmph, Jiang Zhengzhong claimed to be very powerful, but he died tragically at the hands of a young man. However, I don’t believe that man could really kill Jiang Zhengzhong. He must have taken advantage of him and took advantage of him!”

Huo Shan snorted coldly.

“Jiang Zhengzhong was considered a powerful man, and he died like this!” Gao Baisheng shook his head slightly!

Chen Ping lowered his head and ate his meal, ignoring several people chatting about him!

When Huo Shan saw that Chen Ping was just eating with his head down, and all the food was taken away by himself, Huo Shan became furious. Just when Chen Ping was about to pick up the food again, Huo Shan suddenly blocked Chen Ping with his chopsticks!

Chen Ping was stunned, but ignored it, and wanted to pick up other dishes, but Huo Shan refused to let him go. He would block whatever dish Chen Ping picked!

“Brother, what are you doing?”

When Wu Xi saw this, he looked shocked and hurriedly said to Huo Shan!

“It’s nothing. Junior brother said that this guy is a master. I want to ask for advice on two tricks!”

Huo Shan looked at Chen Pingdao with an unhappy expression!

He has long been displeased with Chen Ping’s sophisticated look!

“Brother, Mr. Chen, he...”

“You’re not worthy yet!” Chen Ping put down his chopsticks and said calmly!

After saying that, Chen Ping got up and walked upstairs without eating.
