

The Order 6421

Chapter: 6421

In an instant, everyone rose into the sky!

They had already made preparations, and now they are firing out spiritual power one after another!

Everyone in the Mu family also took action at the same time!

Just when the melee was about to break out, the void shook, and then a figure appeared in the air!

“Father.....”

Seeing the person coming, Mu Qing suddenly became excited!

It turned out to be a phantom of the head of the Mu family. He must have known that Mu Qing and others came to Guanghan Palace to take revenge, so he came worried!

“Qing’er, you are too careless. Now you are the only son left as a father. What if something happens to you?”

“Now do what you have to do and I’ll hold off the others!”

The head of the Mu family said to Mu Qing!

After hearing his father’s words, Mu Qing nodded excitedly!

But the Palace Master of Guanghan Palace has a terrifyingly gloomy face at this moment, and his eyes are full of coldness!

She can still handle Manager Liu!

But here comes another Mu family leader. Although he is just a shadow, his strength is probably not lower than the ninth level of the Tribulation Realm!

“I’ll stop this old guy!”

I saw Devil Mountain Ghost Lao roaring angrily, and then a gray aura surged through his body, directly forming a giant claw and heading towards the head of the Mu family!

The master of Guanghan Palace also waved his hand, and the monstrous cold air surged out, turning into two icicles and attacking Manager Liu!

The melee started instantly, with countless auras flying around and various spells intertwined!

The heaven and earth were trembling in the melee. The entire Southern Territory seemed to be affected, and space-time cracks continued to flash in the void!

The entire Heavenly Demon Mountain shook, and countless people stared in the direction of Guanghan Palace!

Thousands of monks were fighting in mid-air!

The air was filled with thick fluctuations of spiritual energy. Every time the monk swung his fist or drew his sword, it was accompanied by a huge roar of spiritual power, as if it was about to tear the world apart.

Their figures shuttled quickly across the battlefield, as elusive as ghosts, and every confrontation was accompanied by a dazzling aura bursting out, illuminating the entire battlefield.

The monks' magic weapons and spiritual weapons were flying in the air, some piercing the sky like meteors, some weighing down like giant mountains, and some as misty as phantoms.

Chapter: 6422

Every time the magic weapon collided, there was a deafening sound that made the ground tremble.

The light of the magic weapons intertwined to form a brilliant sea of light, enveloping the entire battlefield.

The shouts, roars, and curses of the monks came and went, forming a passionate battle symphony.

Their faces were filled with determination and madness, and each pair of eyes shone with blazing light, as if they were about to pour out all their power.

On the battlefield, dust was flying and smoke was filling the air. Every time the monk fell to the ground, a blood flower bloomed, dyeing the land bright red.

However, these monks seemed to be tireless. They stood up again and again and charged again and again until they were exhausted.

I saw a monk holding a long sword, the sword flashing with cold light. His body was like the wind, and he shuttled lightly among the enemy groups.

His sword skills are like flowing clouds and flowing water, sometimes as fast as lightning, sometimes as soft as willow catkins. Every time he swings his sword, he can bring up a fierce sword wind, forcing the enemies around him to retreat several steps.

At the same time, another monk was wielding a huge battle ax. His power was amazing, and every time he swung the ax, he seemed to be able to shake the earth.

The battle ax drew sharp trajectories in the air, and the air flow it brought up rolled up the surrounding dust, forming a chaotic battlefield.

The two monks passed each other in the air, and the collision of swords and axes made a deafening sound, as if even the sky was shaking.

The shock wave generated by the collision spread in all directions, forcing the surrounding monks to retreat.

Around here, other monks were fighting equally fiercely.

Someone casts a powerful spell, activating the power of heaven and earth to form a sea of fire, ice or thunder, submerging the enemy in it.

Some rely on their superb body skills to move freely among the enemy, looking for flaws and delivering a fatal blow.

On the battlefield, the light of various spells intertwined to form a colorful light curtain.

In this light curtain, the figures of the monks were looming, and every confrontation was full of thrills and excitement.

Monks continue to die, losing their lives forever!

More monks saved their souls, and then Jiang Yulian led the people of the Soul Demon Sect to urgently begin to rebuild their bodies!

Chen Ping's eyes turned red when he looked at the fallen monks!

In today's battle, Chen Ping can only be worthy of the dead monks by killing that Mu Qing!

Mu Qing's eyes were also scarlet red. At this moment, both sides were already red-eyed!

"die....."

Chen Ping and Mu Qing all turned into a stream of light and collided fiercely together!

Chapter: 6423

Now for them, either you will die or I will die!

There is no room for retreat!

Just when Chen Ping and Na Mu Qing were about to collide, everything around them suddenly seemed to stop!

Then a voice from outside the world came slowly: "I have been in seclusion for hundreds of years, and I am about to ascend to immortality, but I am disturbed by you ignorant children."

“It’s damn good. Do you think you don’t take me seriously since I haven’t shown up for hundreds of years?”

With an old man in gray robe standing in the void with his hands behind his back, everyone felt their breath tightening and fell from the mid-air!

Even the Palace Master of Guanghan Palace fell to the ground, having difficulty breathing due to the pressure, and had no choice but to kneel down on one knee!

“Region...Region Lord, Lord of the Southern Domain?”

A shadowy figure of the head of the Mu family looked at the gray-robed old man in front of him in horror!

“You don’t practice honestly and sacrifice your soul to join in the fun. Go back!”

The old man in gray robe waved his hand gently!

A powerful burst of purple energy was waved out from his hand, and then the shadow of the head of the Mu family disappeared in an instant!

But at this moment, the head of the Mu family, who was in retreat at the Mu family, was vomiting blood and his face was extremely pale!

“Why did you provoke the Lord of the Territory? Damn it...”

The head of the Mu family wiped the blood from the corner of his mouth. It seemed that such a long period of seclusion was in vain!

And in Guanghan Palace, everyone felt the shaking pressure of heaven and earth, the void was trembling slightly, and the wind was howling!

Many monks with low cultivation levels have been knocked unconscious by this coercion!

More monks lowered their heads and trembled!

Even Mahayana masters such as General Manager Liu and Palace Master Guanghan Palace were pale, their eyes were full of fear, and they did not dare to look directly at the Southern Territory Lord.

Chen Ping raised his head hard and looked at the Southern Territory Lord. He wanted to see what the person in charge of a region was like!

Chapter: 6424

Chen Ping saw that the Territory Lord of the Southern Territory was an old man who looked very ordinary, but the majesty on his body was radiating from the inside out, not deliberately!

The Territory Lord of the Southern Territory looked at Chen Ping, causing Chen Ping to lower his head unconsciously!

Because the pressure that the Southern Territory Lord freely exuded made Chen Ping feel like he was being pressed down by a mountain. His whole body couldn't help but tense up, and he could only resist with all his strength!

The eyes of the Southern Territory Lord stayed on Chen Ping for a long time!

Then he slowly looked away and said calmly: "I don't care why you are fighting. If you dare to fight on a large scale, you will all die!"

At this sentence, everyone's body was shocked and their heads broke out in cold sweat!

Several monks were so frightened that they were knocked out of their bodies and frightened to death!

Fortunately, the soul is still there. As long as the physical body is not destroyed, it can return to the physical body and live again!

"This is so awesome. I'm just a fairy. I haven't become a real immortal yet. I'm just so awesome. After I finish finding the bones and reshape my body, I will be much more awesome than him."

Demon Lord Chiyun's face was full of envy!

At this moment, he also wants to show off!

When he was alive, he had never looked at these low-level monks at all!

A world like the Heavenly World is just a battlefield for demons like Demon Lord Chiyun!

As for the life and death of the monks living here, they don't care at all, and they have never thought about showing off in front of these monks!

After all, two powerful immortals would find a lower plane world to fight!

Even if this low-level world is destroyed, they don't care!

They are all ordinary monks. To immortals like them, they are not even ants!

If you die, you will die!

This is the law of heaven and earth where strength is respected!

When you have no strength, no one will care about your life or death!

“Shut up, don’t cause trouble for me, I don’t want to die, let’s wait until you regain your physical body and become awesome!”

Chen Ping told Demon Lord Chiyun to shut his mouth!

If he really offended this domain lord, he would probably be slapped to death!

However, Chen Ping’s worries were unnecessary. With the disappearance of the pressure, the Southern Territory Lord had already left!

Chapter: 6425

It wasn’t until the Southern Territory Lord left for a long time that everyone dared to slowly stand up and look up!

Without that pressure, everyone let out a sigh of relief!

Although both sides were glaring at each other at this moment, no one dared to take action!

Even the Territory Lord who has not shown up for hundreds of years has been provoked. If he dares to take action, his soul will definitely be gone!

Mu Qing looked at Chen Ping unwillingly, but he didn't dare to take action anymore. Moreover, he was punched by Chen Ping and his body was injured. Now was not the time to take action!

Especially when a ray of his father's soul suddenly disappeared, Mu Qing was very worried!

If the Southern Territory Lord blamed him, he might be hurting his father now!

If you get injured during this critical period of retreat, all your efforts will be wasted!

All the time spent practicing in seclusion was in vain!

"Boy, you are lucky today, but you will never be so lucky in the future."

"If you have the skills, we'll meet you at the martial arts arena in Nanjing City in a month."

"If you dare to come, I'll wait for you. If you don't dare, our Mu family will still blame Guanghan Palace for this debt!"

Mu Qing gritted his teeth and said with cold eyes!

Chen Ping, who he originally didn't pay attention to at all, is now making a bet!

“What’s wrong with this? After a month, you won’t be my opponent at all.”

Chen Ping has full confidence. A month later, Mu Qing, who is a first-level Mahayana player, will not take him seriously at all!

“Okay, if you have the guts, I’ll wait for you!”

After Mu Qing finished speaking, he waved his sleeves and left, taking everyone in the Mu family with him!

The chaotic scene just now has become much quieter now!

After a while, everyone finally reacted!

The appearance of the Territory Lord just now caused everyone to stop thinking!

“Everyone will rest in Guanghan Palace for two days. For those who are injured, I will practice the elixir as soon as possible.”

“The Soul Demon Sect will also reshape the bodies of the remaining monks as soon as possible!”

Chen Ping said to everyone!

Chapter: 6426

“Thank you everyone...”

The Palace Master of Guanghan Palace saluted everyone!

Although these people all came for Chen Ping, they were indeed injured or even sacrificed to protect Guanghan Palace!

“Palace Master, you’re welcome. Just worry about arranging everyone’s affairs!”

“I want to recover as soon as possible. This battle has taken too much damage!”

Chen Ping followed Mu Qing in the fight, almost using up all his aura energy!

He must recover as soon as possible and then find a way to improve to a higher level within this month!

If you can’t improve, just rely on your current strength, I’m afraid you won’t be so lucky if you compete with Mu Qing!

By then, the little Sky-Swallowing Beast may not be able to come out, and the Territory Lord may not show up either!

“Go ahead and leave this place alone. I will take good care of these people.”

The Palace Master of Guanghan Palace nodded!

Chen Ping went to the backyard of Guanghan Palace, and then sat cross-legged in the room, recovering all kinds of power in his body!

Especially the three ultimate fires in the body. At this time, the ultimate fire in Chen Ping's body was much weaker!

While Chen Ping was recovering, he continued to nurture those three kinds of ultimate fire!

At the same time, the Demon Sealing Alliance headquarters was thousands of miles away!

Alliance leader Zuo Tianzheng was sitting on a chair with a grim expression!

"Leader, Chen Ping is causing trouble in the Southern Territory. He actually led thousands of monks to fight with the Mu family."

"The entire Heavenly Demon Mountain was almost destroyed, and the void in the southern region showed signs of collapse."

"Finally, we lured the Southern Territory Lord out, and then the war calmed down."

Elder Chu followed Zuo Tianzheng to report!

"What? The Southern Territory Lord is out?"

Zuo Tianzheng's brows furrowed: "It's been hundreds of years. I thought they had already ascended to heaven, but I didn't expect they were still in the world of heaven and humans."

Zuo Tianzheng felt pressure in his heart. He founded the Demon Sealing Alliance and then spread his power throughout the heaven and human world, not to kill demons, but to become the master of the heaven and human world!

What he wants is to control the entire heaven and human world, not a certain region!

Chapter: 6427

Now that the Territory Lord of the Southern Territory has come out, Zuo Tianzheng's idea of dominating the entire heaven and human world may not be realized.

"Notify all the forces in the region that Chen Ping will be killed without mercy. As long as he leaves the Southern Region, he will never be allowed to survive."

Zuo Tianzheng said through gritted teeth!

Comparing the Southern Territory, all races are relatively harmonious, and the Demon Sealing Alliance's power is the lowest in the Southern Territory!

The Southern Territory also has the largest number of demon cultivators, but the Demon Sealed Alliance does not dare to massacre the demon cultivators in the Southern Territory Heavenly Demon Mountain!

Now we can only wait for Chen Ping to leave the Southern Territory and strangle him!

"I understand!" Elder Chu nodded!

"There is also the Mu family in the Southern Territory. To see if we can cooperate, you can go and talk in person."

"Now that Chen Ping is able to gather thousands of monks in the southern region, we must not underestimate this person."

Zuo Tianzheng continued!

“Okay!” Elder Chu nodded again, and then said: “Alliance leader, we have recently sent several groups of demon cultivators, but they have not been able to kill Chen Ping. There are even some who were persuaded to rebel by Chen Ping. Will we send demon cultivators again in the future? ?”

“No more faction. These guys are all duplicitous, not sincerely submissive, and unwilling to work hard.”

Zuo Tianzheng waved his hand and said!

The Soulless Palace sent out not only failed to kill Chen Ping, but now they have become Chen Ping’s helpers!

“I will notify the forces in all regions immediately, and then go to the Mu family in the southern region to discuss cooperation!”

After Elder Chu finished speaking, he turned and left.

Zuo Tianzheng let out a long sigh, and his figure slowly disappeared. It turned out that the person sitting here was not the real Zuo Tianzheng!

.....

Guanghan Palace!

Two days passed quickly!

Chen Ping’s body has almost recovered, and three kinds of ultimate fire are suspended in front of Chen Ping, bursting out with different flames!

Compared with two days ago, these three kinds of ultimate fire are obviously much stronger!

“Only three kinds of ultimate fire are good, but if they can be fused, it would be perfect.”

Chen Ping looked at the three kinds of ultimate fire in front of him and sighed!

Chapter: 6428

The power of each ultimate fire is not small, but there is no way to fuse it!

Although the three ultimate fires are all in Chen Ping's body, they exist in the fire source stars!

But there is no way to fuse the three kinds of ultimate fire!

If the power of the three clans merged with Chen Ping's is the same, it would be perfect!

After all, what comes out of the fusion must be powerful!

“Senior, do you know how to fuse different ultimate fires?”

Chen Ping asked Demon Lord Chiyun!

After all, this guy is a big devil and has seen a lot, so he should know!

“How do I know? You ask Lord Lihuo or Lord Fireling Star. They should know!”

Demon Lord Chiyun said!

“They are all in heaven, where can I ask?”

Chen Ping was speechless for a while!

Knowing that he couldn't ask anything, Chen Ping simply got up and walked out!

“Mr. Chen, have you recovered?”

Binglu had been waiting outside the door. When she saw Chen Ping coming out, she quickly asked!

“Well, it's okay.” Chen Ping nodded: “Prepare the fairy grass for me immediately. I want to refine some elixirs and distribute them!”

“The palace master has prepared all kinds of fairy herbs in advance, just waiting for Mr. Chen to recover!”

Binglu said!

Chen Ping nodded and started refining the elixir!

In just half a day, Chen Ping refined thousands of pills and distributed them!

In the hall of Guanghan Palace!

Everyone sat together. Now that the matter has been resolved, everyone else is planning to leave!

After all, all members are mobilized. If any other sect family has evil intentions at this time, then the hometown will be doomed!

“Mr. Chen, if there is nothing else, we will go back, even if there is no one at home!”

Chapter: 6429

Luo Shouhai said to Chen Ping!

“Yes, there has been no one for several days, so don’t worry about me anymore!”

The leader of the Sheng family also followed suit!

“I’ll take you back. Ji Yun has an airship, so it can go faster!”

After Chen Ping finished speaking, he looked at the Palace Master of Guanghan Palace and said, “Palace Master, then the Mu family should not dare to do anything to Guanghan Palace for a short time. We should take advantage of this period to develop Guanghan Palace as much as possible.”

With the Jishi Mine, Guanghan Palace only needs time to develop rapidly!

“Aren’t you going to stay a few more days?”

The eyes of the Palace Master of Guanghan Palace were full of reluctance!

Gently holding Chen Ping's hand, the Palace Master of Guanghan Palace held back the tears that were about to flow out!

She really likes Chen Ping more and more!

If it weren't for shouldering the important responsibility of Guanghan Palace, the master of Guanghan Palace would have given herself to Chen Ping long ago!

She wants to be Chen Ping's woman!

"I have been in the Southern Territory for such a long time, and I want to go back and have a look."

"And it's not like I won't come back. I will come back in a month to teach that Mu Qing a lesson!"

Chen Ping said with a smile!

"Okay, then take care on the road."

The Lord of Guanghan Palace let go of Chen Ping's hand!

"By the way, I wonder if the palace master knows where the technique of merging with fire can be found?"

Chen Ping remembered that his three kinds of ultimate fire could not be fused, so he asked!

"Fusion to Fire?" The Palace Master of Guanghan Palace was stunned, and then shook his head: "We all practice ice-based techniques, so I don't know where there is a technique to fuse to fire!"

“But you can ask the sects who practice fire-based skills. They may know.”

“It’s just that in the entire Southern Region, it seems that only the Mu family practices fire-based skills.”

When Chen Ping heard this, he frowned slightly. He couldn’t go to Mu’s house and ask, and it was impossible to tell him!

Chapter: 6430

“Mr. Chen, we will arrive at Huhuang City soon!”

Ji Yun saw Chen Ping coming out and said!

Chen Ping nodded, then approached the porthole and saw a city in front of him!

The city is very large, and the imperial city of Biyhe is not small!

Bai Qian walked over with aching legs, and then said proudly: “How is it? My imperial city is not small, isn’t it?”

“You will be the master of this imperial city from now on!”

Bai Qian leaned on Chen Ping’s shoulder and looked at Hu Huangcheng below and said!

Chen Ping never thought that Bai Qian, a woman at the seventh level of the Tribulation Realm, could actually conquer such a large area of the imperial city!

The airship slowly landed in a square in Huhuang City!

A large number of orcs gathered around, as if they were very unfamiliar and curious about airships!

“Get out of the way, everyone, get out of my way...”

With a loud roar, a pair of soldiers in armor rushed over and surrounded the airship!

One of them wore a golden helmet and held a long sword in his hand, looking at the airship warily!

“This is my captain of the bodyguard, his name is Xue Kun!”

Bai Qian pointed at the man wearing the golden helmet and said!

Chen Ping took a look and said casually: “This person is stronger than you. Will he be willing to listen to you?”

“Keke, this is my strength.”

Bai Qian smiled and asked Ji Yun to open the airship door!

Seeing the cabin door open, Xue Kun immediately became alert. When he saw Bai Qian coming down, his eyes suddenly lit up!

“My Lady Queen, you are back!”

Xue Kun hurriedly stepped forward and helped Bai Qian down!

When everyone around them saw this, they all knelt on the ground and shouted “Queen!”

“You guys come down too!”

Bai Qian looked at Chen Ping and the others who were a little confused, and said with a smile!
