

## **The Order 6431**

Chapter: 6431

Chen Ping took Ji Yun and Huofeng off the airship!

“Queen, who are these people??”

Xue Kun looked at Chen Ping and the others and frowned slightly!

“These are all my friends!”

Bai Qian said!

Xue Kun didn't say anything, but ordered someone to drive back to the palace!

Bai Qian's palace is much more magnificent than Yihe's. After all, girls like to be beautiful!

That night, Bai Qian held a grand party ceremony for Chen Ping, Ji Yun and Huofeng!

I have to say that Bai Qian's life in Huhuang City was really nourishing!

After all, the queen of a city is the ruler in this city, and she can do whatever she wants!

“Xue Kun, while I'm gone, no one in the Feng family will cause trouble, right?”

At the banquet, Bai Qian asked Xue Kun!

“Queen, the Feng family is not looking for trouble. It seems that something is going to happen to the Feng family in the past few days. They are gathering people frequently, and they seem to be looking for someone named Chen Ping.”

“I heard that the Demon Sealing Alliance issued a killing order and offered a hundred years of sacrifice. Now the Feng family is busy with this matter.”

“I also heard that an elder from the Demon Sealing Alliance headquarters personally went to the Feng family, probably for this matter.”

Xue Kun said!

When Bai Qian heard this, she glanced at Chen Ping slightly, and then said, “Where’s Granny Zhen? I didn’t seem to see her when I came back.”

“Grandma Zhen has been out of the city to collect medicine for many days, and she should be back soon!”

Xue Kun replied!

Bai Qian nodded, not saying anything!

After the banquet, Chen Ping asked Bai Qian curiously, “What does the Feng family have to do with you? And who is Granny Zhen?”

“The Feng family is considered a big family in the Central Region, and the Feng family is also a vassal family of the Demon Sealing Alliance. It has wanted to cooperate with me, Hu Huangcheng, many times.”

“I won’t agree. The Demon Sealing Alliance is not a good thing. Now that the Demon Sealing Alliance has issued a killing order for you, it is even more impossible for me to cooperate with the Feng family.”

“As for Granny Zhen, she is a servant who has been following me. Granny Zhen has taken care of me since I was very young, and Granny Zhen has very good medical skills.”

Chapter: 6432

Bai Qian followed Chen Ping and explained in detail!

Just as Chen Ping was talking to Bai Qian, a figure suddenly flashed past Bai Qian’s room.

“Someone...”

Chen Ping instantly got up and chased him out!

Bai Qian followed closely behind. In his own palace, someone dared to peek at him outside the room. He was so desperate!

The moment Chen Ping chased Bai Qian out, the figure suddenly fell to the ground!

When Chen Ping and the others caught up, they found that it was a girl!

The girl’s body was covered with scars and she was obviously seriously injured!

“Xiao Cui?”

Seeing the girl, Bai Qian immediately exclaimed!

“Do you know him?” Chen Ping asked!

“This is my personal maid.”

Bai Qian frowned slightly and said!

When Chen Ping saw this, he directly picked up the girl and returned to Bai Qian’s room!

After some inspections, Chen Ping shook his head and said: “The injury is too serious and the soul is damaged. I’m afraid it will be difficult to save him.”

“How could this happen? Who dares to kill my personal maid?”

Bai Qian’s face was filled with deep anger: “Chen Ping, can you let her wake up? I want to ask who beat her like this.”

“Let me try!” Chen Ping nodded, and then a burst of spiritual power penetrated into the girl’s body!

Chen Ping took out a rejuvenation pill from the storage ring and gently put it into the girl’s mouth.

After a while, the girl slowly opened her eyes!

“Xiao Cui, who beat you like this?”

Seeing this, Bai Qian hurriedly asked!

“The Queen...is...it’s Xue Kun, please run away...”

“Xue Kun has already cooperated with the Feng family. He is just waiting for you to come back and attack you.”

Chapter: 6433

“I risk my life to tell you, you should leave quickly. Granny Zhen did not go to collect medicine, but was locked up in a water prison!”

“Queen, let’s go...”

After the girl finished speaking, she tilted her head and lost her breath!

Bai Qian listened to the girl’s words, her whole body was full of shock and confusion.

She didn’t understand that Xue Kun had betrayed her!

When Chen Ping saw Bai Qian, he didn’t know how to persuade him!

As a queen, you must be strong!

You know, this is the world of gods and humans, where strength is the most important thing and there are no rules at all!

This is not the secular world. In the secular world, without real ability, you can get into the position of mayor and manage a city just by flattering others!

No matter how capable his subordinates are, it's useless, no one dares to rebel!

Because the secular world has sound rules, and these rules are for ordinary people to obey!

But in this human world, there are no rules!

Everything has spoken for itself!

“This Xue Kun, I want to kill him, I must kill him.”

Bai Qian roared.

“Queen, if you want to kill me, you need to be able to do so!”

A cold snort came, and then the door was kicked open!

I saw Xue Kun and many guards directly surrounding Bai Qian's room!

Seeing Xue Kun, Bai Qian's eyes were full of anger: “Xue Kun, do you dare to betray me?”

“Why don’t I dare? The Feng family has already negotiated with me. Hu Huangcheng will join the Demon Sealing Alliance and will provide us with various resources.”

“You are only at the seventh level of the Tribulation Realm. Do you still want to rule the entire Huhuang City?”

“The reason why I am willing to listen to you is just that I want to practice dual cultivation with you. It doesn’t matter who manages Hu Huangcheng by then.”

“But after all these years, you haven’t even let me hold your hand. I’ve figured it out. You don’t intend to practice dual cultivation with me at all, so I might as well do the opposite.”

“Now that I have reached the ninth level of the Tribulation Realm, the entire Huhuang City listens to me. If you are obedient, I can ensure that you enjoy the glory.”

“If you don’t obey me, don’t blame me for being rude...”

Xue Kun looked ferocious and proud!

Bai Qian looked at Xue Kun like that, and her expression became even more angry!

Chapter: 6434

Just as Chen Ping was talking to Bai Qian, a figure suddenly flashed past Bai Qian’s room.

Chapter: 6436

Xue Kun looked ferocious and proud!

Bai Qian looked at Xue Kun like that, and her expression became even more angry!

At this time, Ji Yun and Huo Feng also rushed over from the next door, but Xue Kun was not afraid!

After all, none of these people is stronger than him!

After listening to Xue Kun’s words, Chen Ping looked at Bai Qian with a smile and said, “Is this your way of controlling people? Is this what you said you are so good at?”

“Just rely on your looks to impress Kaizi. After a long time, Kaizi will understand that if you want people to obey, you still need strength.”

Bai Qian glared at Chen Ping, and then said angrily: “You are still laughing at me. Aren’t you angry that someone wants to play with your woman?”

“What’s there to be angry about? This proves that my woman is beautiful. Many people have had their thoughts on the women around me, but it’s a pity that they are all dead!”

After Chen Ping finished speaking, he looked at Xue Kun and said, “How dare you get your hands on my woman even though you are only at the ninth level of the Tribulation Realm?”

Xue Kun frowned and stared at Chen Ping: "Your woman?"

"Of course, your queen is my woman now, so I should be your prince-consort."

"Aren't you going to kneel down when you see your consort?"

Chen Ping said with a playful look!

"Bah, you are just a fourth-level monk in the Tribulation Realm. How could the Queen fall in love with you? If you dare to talk nonsense, I will skin you!"

Xue Kun didn't believe what Chen Ping said at all!

Seeing that Xue Kun didn't believe it, Chen Ping hugged Bai Qian and kissed her, even raising and lowering his hands!

Bai Qian didn't resist or dodge at all!

This time, Xue Kun was so angry that he flew into a rage!

"Take off my skin? Do you have that ability?"

After Chen Ping finished speaking, his figure disappeared in a flash!

Before Xue Kun could react, he was slapped in the mouth and flew out of the room!

Chen Ping and the others also walked out!

Xue Kun looked at Chen Ping in disbelief. He never imagined that a young monk at the fourth level of the Tribulation Realm could slap him away with a slap. ”

Many guards around him also looked at him in shock.

Chapter: 6437

“Boy, you are looking for death...”

Xue Kun roared, and a bear loomed behind him!

The bear opened his bloody mouth, bared his teeth and claws, and the aura of the ninth level of the Tribulation Realm kept pressing towards Chen Ping!

Chen Ping snorted coldly: “A bear wants to play with my woman...”

After Chen Ping finished speaking, the dragon crystal on his chest kept flashing, and the terrifying power of the dragon exploded!

A golden dragon appeared behind Chen Ping!

The golden dragon roared with such power and domineering force that the surrounding guards fell to their knees!

Seeing this, Xue Kun frowned, and there was obviously a trace of panic in his eyes!

He didn't expect that Chen Ping turned out to be a dragon!

"So what if you are a dragon? With your level 4 strength in the Tribulation Realm, you can't even think of killing me!"

Xue Kun roared angrily, and the bear figure behind him kept getting bigger!

"Then with me, can I kill you?"

The fire phoenix turned around and transformed directly into its true form!

The huge fire phoenix was burning with blazing fireworks, hovering in the sky!

The appearance of the fire phoenix made everyone in Hu Huangcheng kneel down when they saw this scene!

Xue Kun looked at the fire phoenix in front of him and was dumbfounded!

Before Xue Kun could react, the golden dragon and fire phoenix spurted flames from their mouths, burning Xue Kun to death!

A monk at the ninth level of the Tribulation Realm was burned to death without any time to resist!

It was only then that many guards realized how terrifying Chen Ping, who did not seem to be at the fourth level of the Tribulation Realm, was!

This Xue Kun has just been promoted to the ninth level of the Tribulation Realm. This strength is indeed not enough for Chen Ping!

You know, even Chen Ping, a first-level monk in the Mahayana realm, can fight in a battle. A promoted ninth-level monk in the Tribulation Realm, it is not easy to kill him!

Xue Kun didn't understand until his death. Why did he die?

He didn't even understand that Bai Qian had met so many friends who expressed their opinions!

Xue Kun died, and the remaining guards followed Bai Qian to beg for mercy!

Chapter: 6438

Bai Qian did not punish these guards, but went directly to the water prison and rescued Granny Zhen!

The crisis in Hu Huangcheng was simply resolved, and Xue Kun's long-planned rebellion was also shattered in an instant!

This is the embodiment of strength!

Early the next morning!

Bai Qian sent someone to Ziyang Sect and invited Elder Yu from Ziyang Sect to come!

After all, no one knows now whether Ziyang Sect has the technique to merge into fire!

If there is no Ziyang Gate, then Chen Ping doesn't have to go to Ziyang Gate again!

Chen Ping's current status is not suitable for running around!

"Queen, why did you send someone to invite Elder Yu from the Purple Flame Sect?"

"The Purple Flame Sect may have changed its dynasty recently. I heard that the old sect leader was forced to abdicate and the new sect leader took over."

"During this period, the internal fighting within the Ziyang Sect is the most serious. We in Hu Huangcheng should not get involved in the Ziyang Sect's affairs."

Granny Zhen thought Bai Qian invited Elder Yu to discuss the internal fighting in the Ziyang Sect!

"Purple Flame Sect has a new sect leader?"

Bai Qian was a little surprised in her heart: "It's only been so long. A sect as big as Ziyang Sect has changed its dynasty. It's incredible."

"But don't worry, Grandma Zhen. I don't want to get involved in the Ziyang Sect's affairs. It's just that my friend wants to merge with fire, so I asked Ziyang Sect if there is any skill that can merge with fire."

When Granny Zhen heard this, she realized that Bai Qian was not involved in the internal fighting of the Ziyang Sect, so she nodded and said: "The Ziyang Sect should have this kind of skill. After all, the Ziyang Sect practices fire skills in the world of heaven and humans. The most awesome sect."

"It's just that I don't know if the Ziyang Sect will spread this kind of skill to others. After all, the skills of each sect are not spread to the outside world."

Listening to Grandma Zhen's words, Bai Qian also looked troubled, then looked at Chen Ping and said, "What if the Ziyang Sect has the technique of merging with fire, but it doesn't spread it to others?"

"This is not easy to handle. I just need to join the Ziyang Sect and become a disciple of the Ziyang Sect."

Chen Ping smiled lightly and said!

It seems that Chen Ping has already thought of a countermeasure. He also knows that the skills of each sect are basically not taught to outsiders. If you want to learn, you must become a disciple within the sect!

"You think it's so easy to join the Ziyang Sect, but you need to take an assessment."

Bai Qian said!

"What? Do you think I can't even pass the examination of a disciple?"

Chapter: 6439

Chen Ping asked playfully!

"That's not true!" Bai Qian shook her head. Although Chen Ping is only at the fourth level of the Tribulation Realm now, his true strength is no match for even the ninth level of the Tribulation Realm. It is easy to pass the Ziyang Sect assessment!

"Master, if you want to join the Ziyang Sect, you must change your appearance and your name. Don't let the people of the Ziyang Sect take advantage of you and detain you."

The fire phoenix on the side said!

After all, many people now know that the Demon Sealing Alliance used a hundred years of sacrifice to kill Chen Ping!

If people from the Ziyan Sect know Chen Ping's true identity, I'm afraid Chen Ping will become a prisoner if he fails to learn this technique!

After all, the hundred years of worship from the Demon Sealing Alliance is very tempting!

"This is easy to handle..."

Chen Ping smiled, then turned his body twice, and his whole appearance changed instantly!

As for the aura that cannot be completely changed, Chen Ping is not worried. After all, no one in the Ziyan Sect knows Chen Ping's aura!

"Let's wait until Elder Yu comes and ask. If he knows about this technique, given our friendship, maybe he will tell the truth."

Bai Qian doesn't want Chen Ping to take the risk of becoming a disciple of Ziyan Sect!

If you can get the technique from Elder Na Yu, even if you spend a certain amount of resources, it will be worth it!

Near noon, Elder Na Yu arrived!

At this time, Elder Na Yu looked a little tired!

“Fox Princess, why did you send someone to look for me? If it weren’t for the close friendship between the two of us, I wouldn’t have come.”

“Our Ziyang Sect is experiencing troubled times recently, and there are many things that need to be dealt with!”

Elder Yu said to Bai Qian.

“Elder Yu, I gained something from my trip to the Southern Territory Demon Mountain this time. I immediately thought of Elder Yu.”

Bai Qian said and took out some resources obtained in Tianmo Mountain!

Seeing this, Elder Yu had a smile on his face, and collected all the resources unceremoniously, and then said: “You are too polite. If you have anything, just tell me. I know you came to me, but it’s not To give me these resources.”

“Elder Yu is really smart. I have a friend who also practices the fire system and has mastered several kinds of ultimate fire. So I would like to ask Elder Yu if any of your Ziyang Sect’s exercises can fuse the ultimate fire. What about the exercises?”

Bai Qian asked!

“The technique of merging with fire?” Elder Yu frowned slightly, then shook his head and said: “It seems that there is no technique that can fuse with fire in our Ziyang Sect.”

Chapter: 6440

When Bai Qian heard this, she felt a little discouraged. If she gave away so many resources, wouldn’t it be a waste? Ziyang Sect doesn’t have such a technique at all!

Chen Ping was also speechless. If even the Ziyang Sect, which is the best at practicing fire skills in the heaven and human world, does not have this kind of skill, it seems that only the heaven can have it!

But with Chen Ping's current strength, if he wants to ascend to heaven, it will probably take quite some time!

What's more, in a month, he will compete with Mu Qing. If Chen Ping's strength does not increase, he may not be able to compete with Mu Qing!

Just when Bai Qian was discouraged and Chen Ping was speechless, Elder Yu changed the subject and said: "Although our Ziyang Sect does not have the technique of merging with the Ultimate Fire, I have heard that after the Ultimate Fire Crossing Tribulation, it can be integrated."

"To survive the tribulation through fire?"

Chen Ping and Bai Qian said in unison, their faces full of surprise!

They don't know what it means to cross the tribulation of the fire!

"This kind of ultimate fire transcending tribulation is to bombard the ultimate fire in the body with tribulation thunder. No matter how much ultimate fire it is, the ultimate fire after being transcended will fuse together and will not differentiate."

"However, this is only what I have heard about. I have never seen it. Our old sect master seems to have successfully passed through the tribulation of fire."

Elder Yu's words undoubtedly gave Chen Ping confidence!

Although Chen Ping didn't know what it meant to survive the tribulation, he had made a good start.

“Elder Yu, I wonder if you can bring my friend to meet your old sect master?”

Bai Qian asked!

Elder Yu smiled awkwardly and said: “I’m really sorry, our old sect master is in retreat and cannot meet people casually.”

“What’s more, your friend is not a disciple of our sect. Even if he meets our old sect master, he can’t teach him anything.”

“I can join your Ziyang Sect.” Chen Ping said hurriedly!

Elder Yu looked at Chen Ping, and then smiled coldly: “Do you think it is so easy to join our Ziyang Sect?”

“You are only at the fourth level of the Tribulation Realm. It is very difficult to pass the inner sect examination.”

“I can try.” Chen Ping said!

“us.....”

“Elder Yu, I have some things here that I want to give to you.” Before Elder Yu could say anything, Bai Qian once again came up with a lot of resources!

When Elder Yu saw this, he laughed, collected everything and said, “I can take you to take the assessment. You may not pass. It all depends on your ability. It doesn’t matter what I, the elder, say.”

“No problem!” Chen Ping nodded!

“Okay, then you can go with me. If you can really pass the test, for the sake of the Fox Princess, I will also take care of you.”

Elder Yu looked at Chen Ping and said!

“Elder Yu, thank you very much.”

Bai Qian quickly thanked him!

But I have long been scolded in my heart. This is not for her sake, but for the sake of resources!
