

The Order 6441

Chapter: 6441

Chen Ping told Ji Yun and Huo Feng a few words, asking them to stay in Huhuang City for a while!

He himself followed Elder Na Yu to the Purple Flame Sect!

The terrain structure of the Central Territory is very different from that of the Southern Territory. There are not many mountains, and most of them are plains!

As we get closer and closer to the Ziyan Gate, the temperature also rises!

A large expanse of desert appeared in front of us!

Chen Ping was very puzzled as to why the Ziyan Sect built the sect in such a desert. It was too difficult!

Soon, Chen Ping saw a large area of buildings in the desert. These buildings were exquisite, spectacular, and very grand!

Chen Ping took a quick look and found that these building stairs were very orderly!

“Fellow Daoist Cheng, this is our Ziyan Sect. If you want to become a disciple of the Ziyan Sect, you must take the exam.”

“Have you seen these buildings? The closer you are to the buildings inside, the higher the level of the disciples living there.”

“The outermost are the outer disciples. You need to start the assessment from the outer disciples.”

Elder Yu said to Chen Ping!

Chen Ping changed his appearance, now his name is Cheng Ping!

“Elder Yu, we still need to assess the outer disciples. Can’t we assess the inner disciples directly?”

Chen Ping frowned slightly and said!

If this assessment is from the outer sect, when will he be promoted to a senior disciple of Ziyang Sect, and when will he be able to meet the old sect master?

“It’s not that you can’t, it’s just...”

Elder Yu glanced at Chen Ping and said hesitantly!

Chen Ping instantly understood what Elder Yu meant. He just wanted some benefits.

This guy is really greedy, but Chen Ping can’t help it, who can ask for help from others!

Chen Ping had no choice but to take out some fairy grass, spiritual stones, and a large bag of purple gold spiritual coins from the storage ring.

“Elder Yu, these are the only things I have with me. You can take them first. When I become an official disciple of the Ziyang Sect, I will naturally not forget Elder Yu.”

“I have just arrived at Ziyang Sect. I am not familiar with the place. I will have to rely on Elder Yu to take care of me in the future.”

Chen Ping gave the thing to Elder Yu very wisely.

Chapter: 6442

Elder Yu looked at the things in his hands, and suddenly smiled and said: “You’re welcome, Fellow Daoist Cheng. If you have anything to do with Ziyang Sect in the future, just come to me directly. I am not an elder for nothing.”

“I have a good relationship with the Fox Princess, and you are his friend, so of course I have to take care of you.”

“Just follow me and forget about the outer examination.”

As the saying goes, a person’s hands are short when taking people, and his mouth is short when he eats people. After taking Chen Ping’s things, Elder Yu obviously became easier to talk to.

Elder Yu followed Chen Ping and floated in the air, and then explained the Ziyang Sect to Chen Ping: “Look at the two large buildings in the front. These are the outer sect disciples, and only those inside are the inner sect disciples.”

“Looking at the large building in the middle, those are where the high-level officials of Ziyang Sect live. The ones behind are the family members of the old sect master. The new and old sect masters have just replaced each other, so there are still many things to deal with in Ziyang Sect.”

“As a disciple like you who has just entered the sect, remember not to inquire casually, and don’t offend anyone. As long as you practice well, there will always be a chance to meet the old sect master.”

“Okay!” Chen Ping nodded!

The two people fell from mid-air and then entered through the main entrance of Ziyang Gate!

Although the entire Ziyang Gate is in the desert, after entering the Ziyang Gate, you can't see a grain of sand, it is lined with green trees, and there is even a small fountain!

Being able to build such a large-scale building in the desert, as well as a green tree fountain, shows that the Ziyang Sect's financial resources are also very strong!

Elder Yu took Chen Ping into the Ziyang Gate without anyone blocking him.

The outer disciples guarding the sect did not dare to stop the elder.

In this way, Elder Yu led Chen Ping through two huge building complexes and arrived at the place where the inner disciples were!

At this time, a young man who looked to be in his twenties, wearing a blue robe and a jade crown came over.

“Master, why are you back just now? The sect leader has just sent people to inform you several times, inviting you to go to the council hall to discuss matters.”

When the young man saw Elder Yu, he quickly said anxiously!

“The sect leader has only been in office for a few days. How come he discusses matters every day and doesn't give him any private space?”

Elder Yu said impatiently.

“Master, you should keep your voice down and stop complaining. In the half day since you left, Elder Hu was punished by the sect leader. It is probably because of this that he came to discuss matters with you.”

The young man looked around cautiously, and then whispered!

“What? Lao Hu was punished? Why?”

Elder Yu said in surprise.

“How did I know that this is a secret? I also overheard what the disciples in the conference hall said.”

Chapter: 6443

The young man said!

“Then I’d better go and see if something happened to this old Hu.”

As Elder Yu said, he was about to go to the meeting hall, but he suddenly thought of Chen Ping, and then pointed at Chen Ping and said: “Wei Qing, this Cheng Ping also came to join our Ziyang Sect. You take him to take the assessment. If he passes Then let him work under me.”

Wei Qing took a look at Chen Ping, then nodded and said: “I understand, Master, you should go quickly. If you go late, the master will punish you, and you will be in trouble.”

“He dares. I’m not as easy to bully as Lao Hu.”

Elder Yu had a tough look on his face, but as he said this, he ran towards the meeting hall!

Seeing Elder Yu running away, Wei Qing smiled and patted Chen Ping on the shoulder and said, "Fellow Taoist, let my master bring you to the inner sect for assessment. Isn't it a good thing for him?"

When Chen Ping heard this, he seemed to have some understanding. He hurriedly took out a dozen purple gold spirit coins and handed them to Wei Qing and said, "Brother Taoist, when I join the Ziyan Sect from now on, we will be brothers. Please take care of me."

Wei Qing was stunned for a moment while holding Chen Ping's dozen purple gold spiritual coins, and then said with excitement on his face: "Hahaha, no problem, everything is easy to talk about, I will protect you if anything happens."

A dozen purple gold spirit coins are nothing to Chen Ping, but to these ordinary sect disciples, it is a huge sum of money!

No wonder Wei Qing is so excited!

"Junior Brother Cheng, I will take you to take the assessment..."

Wei Qing excitedly took Chen Ping to the assessment!

Before Chen Ping passed the exam, Wei Qing started shouting junior brother and junior brother!

"Junior brother, don't be nervous. The inner sect's assessment is not strict either. You are now in the fourth level of Tribulation Realm and you are fully capable of handling it."

"What do you do at home, junior brother? Why do you come to our Ziyan Sect?"

“Although there are more rules in Ziyang Gate, it is also very quiet. It is located in the center of the desert and is rarely disturbed by people. Moreover, the weather here is very helpful for practicing fire-based skills.”

Along the way, Wei Qing asked Chen Ping questions and showed great enthusiasm!

Chen Ping could only answer one question or another!

“Senior brother, can I ask if I can skip the inner sect exam?”

Chen Ping asked!

“No exam?”

Wei Qing was stunned for a moment, and then said in a panic: “Junior brother, what’s going on? Did senior brother say something wrong somewhere? Are you so scared that you don’t dare to take the exam?”

“Don’t be afraid. It’s really simple. With your strength, you will definitely pass the test in one go. Don’t fail to take the test.”

Chapter: 6444

Wei Qing was scared and thought he had scared Chen Ping!

If a rich man like Chen Ping becomes a senior brother in the future, his benefits will definitely be indispensable!

What’s more, Elder Yu brought it to him personally. If Chen Ping doesn’t take the exam and leaves, Elder Yu probably won’t be able to spare him when he comes back!

“Senior brother, you misunderstood. I just wanted to ask if you could skip the exam and just spend some spiritual coins and resources to pass it for me.”

Chen Ping hurriedly explained.

“Oh, that’s what happened!”

Wei Qing wiped the cold sweat from his forehead, and then said with a slight embarrassment: “Junior brother, there is no such precedent. After I go, I will help you ask.”

“Okay, thank you, senior brother.” Chen Ping said!

“Whatever, we will be the closest people from now on.”

Wei Qing patted Chen Ping on the shoulder and said!

The reason why Chen Ping didn’t want to take the assessment and directly paid bribes to get in was because he didn’t want to expose his strength and aura!

If you can spend spirit coins to directly enter the Purple Flame Gate, that would be the best!

Chen Ping followed Wei Qing to a tall building!

At this moment, there are already many people queuing up in front of the door. These are all those who are here to take the exam and want to join the Ziyang Sect!

There are also some that are assessed by outer disciples and promoted to inner disciples!

Wei Qing took Chen Ping directly through the crowd and walked in!

Entering inside, Chen Ping saw an angry girl wearing a blue silk dress, holding a long sword, and said loudly:
“If you don’t speak clearly today, no one will be able to take the exam.”

The girl stood directly in front of the door, preventing those children taking the assessment from entering!

“Junior Sister Qian, what are you doing?”

Wei Qing looked at the girl and asked with confusion on his face!

When the girl saw Wei Qing, she immediately said with an aggrieved look on her face: “Brother Wei Qing, you came just in time to give us an evaluation. Liu Shitong did not allow us to participate in the assessment, and other outer disciples must choose them after the assessment.” The pulse will do.”

“We, the disciples of the old sect master’s lineage, are not allowed to take the assessment unless we switch to their new sect master’s lineage.”

“Why, is there such a thing?” Wei Qing frowned!

Chen Ping was confused and asked in a low voice: “Senior brother, what is going on? Did my exam also fail?”

Chapter: 6445

“Junior brother, don’t worry. Liu Shitong doesn’t have the final say in this assessment field. Although he is the proud disciple of the current sect leader, he doesn’t have the final say in the entire Ziyang Sect.”

Wei Qing said angrily!

“Senior Brother Wei Qing, who is this?”

The girl looked at Chen Ping and then asked!

“Oh, this is Cheng Ping, my junior brother brought by my master. I am here to take him to examine the inner disciples.”

Wei Qing hurriedly introduced: “Junior brother, this is Qian Xiu, Elder Hu’s disciple.”

“Hello, senior sister!” Chen Ping greeted Qian Xiu very politely, and then asked with a little doubt: “Senior sister is already an inner disciple, why do you still need to come for the assessment? And who is Liu Shitong?”

Wei Qing smiled and said: “Junior brother, although Junior Sister Qian is an inner disciple, she still has to climb up the ladder. She is evaluating the deacons of the inner sect.”

“To be honest, I am now the deacon of the sect. Did you see the jade crown on my head? This is the symbol of being a deacon.”

Wei Qing followed Chen Ping with a hint of pride!

“This Liu Shitong is Elder Huo’s proud disciple.” Qian Xiu said.

“Keep your voice down, you are the leader of the Huo clan now. You are the disciple of the sect leader, so of course you are awesome.”

Wei Qing quickly reminded!

Chen Ping finally understood that with the replacement of old and new sect masters, there were constant internal fights within the Ziyang Sect!

Elder Yu, Elder Hu and others should be from the same lineage as the old sect leader!

That’s why this assessment is specifically targeted at them!

It is also to get these people to break away from the old sect leader’s lineage and join the new sect leader’s lineage!

This kind of alternation of sect power, accompanied by secret battles, is a normal thing!

Where there is power, there will be fights!

Wasn’t this the same situation in the Jade Cauldron Sect back then!

“Senior Brother Wei Qing, as the deacon of the Ziyang Sect, you must take care of this matter. Let’s go find Liu Shitong to discuss it.”

Qian Xiu took Wei Qing and headed straight to the hall!

When Chen Ping saw this, he could only follow behind!

Chapter: 6446

“Liu Shitong, what do you mean? Why not let Junior Sister Qian take the test? And why do you have to let the disciples who take the test join your lineage?”

After Wei Qing walked into the hall, he angrily yelled at a young man in white!

Liu Shitong sneered, looked at the furious Wei Qing and said, “Senior Brother Wei Qing, I did not deny Junior Sister Qian the assessment, and I did not force other assessment disciples to join our lineage.”

“This is their own choice. Can you still influence other people’s choices?”

“You are talking nonsense. You just stopped me from taking the exam, and you also said that as long as I join your lineage, you will let me pass the deacon exam easily. This is all what you said!” Qian Xiu exposed Liu Shitong’s lie!

But Liu Shitong said with a smile on his face without any panic: “Junior sister Qian, you heard it wrong. As the chief judge of this assessment, how could I say such a thing? And I would never do it.” ”

“You...you are shameless...”

Qian Xiu was so shamelessly manipulated by Liu Shitong that he didn’t know what to say!

“Liu Shitong, since you said you didn’t stop me, let Junior Sister Qian do the assessment. There are also several inner disciples who will do the assessment. You are not allowed to stop them or ask them to join the team.”

Wei Qing suppressed his anger and said to Liu Shitong!

“The assessment is okay, but each person must pay five purple gold spirit coins.”

Liu Shitong said!

Everyone was stunned when they heard Liu Shitong’s words, and then Wei Qing frowned and said, “Liu Shitong, do you want to use your status as the chief judge of the assessment to bend the law for personal gain and make money for yourself?”

“I have never heard of people requiring spiritual coins for assessment. You are showing favoritism.” Qian Xiuye said loudly!

Other disciples taking the assessment also started shouting!

After all, five purple gold spiritual coins are a huge sum of money to these disciples!

“Don’t speak so harshly. When did I bend the law for personal gain? This is the new rule set by our Ziyan Sect.”

“Not only you, but also the disciples of our lineage have to pay the assessment.”

“However, these money are not handed over to the sect, but to the two disciples for assessment. Whichever side wins, these spiritual coins will be given to whomever.”

Liu Shitong said with a sneer!

“Are you kidding? As the chief judge of the examination, you will definitely protect your own disciples. Aren’t we destined to lose?”

Qian Xiu immediately scolded loudly!

Wei Qing also frowned. He knew that Liu Shitong was deliberately setting up obstacles to prevent disciples from their lineage from participating in the assessment!

Not only are there many disciples for the opponent's assessment, but the chief referee is also a member of the opponent's family. How can he be invincible when he is both a referee and an athlete.

Chapter: 6447

What's more, five purple gold spirit coins per person, not everyone can get it!

"Liu Shitong, if you obstruct the disciple's assessment like this, I'm going to sue you."

Wei Qing said angrily!

"Go, I'll wait for you. These are the rules set by my master, and these rules are promulgated by the sect leader's order. If you sue me, won't you sue my master as well?"

Liu Shitong said confidently!

"you....."

Wei Qing was speechless for a moment, who let his master be the master of the sect!

In this case, this is forcing the disciples of their lineage to join forces again!

And if the assessment of the outer disciples and the assessment of the inner disciples are all from the same lineage as the sect leader, then as time goes by, the entire Ziyang Sect will become a single family!

But now Wei Qing has no choice. This is a rule issued by the sect leader. There is no point in being angry!

“Are you going to take the exam? If you don’t take the exam, don’t make trouble here.”

Liu Shitong said impatiently!

Chen Ping remained silent on the sidelines, but he knew that it seemed that his method of relying on his ability to pass without assessment would not work!

Unless he chooses to join the lineage of the new sect leader, in that case, even if he meets the old sect leader, they may not teach him the art of extreme fire fusion!

“Senior Brother Wei Qing, forget it...”

Qian Xiu said helplessly.

She simply couldn’t produce five purple gold spirit coins and couldn’t participate in the assessment!

“Junior sister Qian, don’t be discouraged, I’ll pay you for the assessment.”

Wei Qing said as he took out five purple gold spirit coins from his body. These were given to him by Chen Ping!

Chen Ping looked at Wei Qing, and he didn't expect that this guy looked very greedy, but he was willing to take out the money at this time!

"Senior Brother Wei Qing, you..."

Qian Xiu looked at the purple gold spirit coin that Wei Qing took out, and his face was filled with emotion for a moment!

"Go and take the assessment. I believe you will succeed."

Wei Qing looked at Qian Xiu with firm eyes!

Chapter: 6448

Chen Ping could tell that the reason why Wei Qing became so generous was because he definitely liked Qian Xiu!

Often after he likes a woman, a man becomes generous to her!

"Senior Brother Wei Qing, then the other brothers..."

Qian Xiu looked outside and saw that there were several disciples of his lineage who wanted to be tested!

When Wei Qing saw this, he looked embarrassed and said: "I can't control other people, I don't have that much money."

When the other people heard this, their faces were ashen and dejected!

“Disciples of our lineage for examination, come forward and I will pay you spiritual coins.”

Liu Shitong greeted at this time, and then handed over spiritual coins for the disciples of their lineage!

There were more than ten disciples in total, and Liu Shitong threw nearly a hundred purple gold spiritual coins on the table!

“Are there any other disciples who want to join our lineage? I can also pay for it for you.”

Liu Shitong shouted to the disciples waiting for the assessment outside the door!

With this shouting, many people raised their heads and seemed to see hope in their eyes!

However, due to the presence of Wei Qing and Qian Xiu, no one has walked over yet!

Liu Shitong was not in a hurry. He knew that these people would come over sooner or later, so he waited quietly!

Wei Qing was extremely embarrassed at the moment. He didn't want his disciples to join the new sect master!

But he couldn't get the spiritual coins to pay for these disciples!

Just when the atmosphere became very awkward, Chen Ping spoke!

“Senior brother, I have paid for the examination fees for the disciples of this lineage. Let them come as many disciples as they want.”

After saying that, Chen Ping poured a bag of purple gold spirit coins directly on the table!

The crashing purple gold spirit coins shocked everyone’s eyes!

There are more than a hundred purple gold spirit coins!

After being shocked for a while, Wei Qing grabbed Chen Ping’s shoulders with excitement: “Junior brother, thank you, thank you...”

“Junior brother, you... you are so rich!”

Qian Xiu looked at those purple gold spirit coins and hugged Chen Ping excitedly!

Chapter: 6449

This made Chen Ping very embarrassed. After all, men and women cannot be intimate!

What’s more, Wei Qing also likes Qian Xiu!

At this moment, Qian Xiu squeezed Chen Ping’s chest softly, leaving Chen Ping speechless!

Two people have just met, are they so open?

When the disciples outside the door saw this, they all ran in and thanked Chen Ping one after another!

They still don't know that there is such a rich second generation among their disciples!

So rich!

Liu Shitong frowned, glanced at Chen Ping and said, "Senior Brother Wei Qing, who is this person? He looks very unfamiliar, isn't he from our Ziyan Sect?"

"This is my master's new disciple. I was specially asked to bring him here for assessment." Wei Qing said!

"Oh, it turns out that he is the disciple that Elder Yu has just recruited. No wonder Elder Yu doesn't look down on such a rich and poor disciple."

"But it's no use having money. I will enforce the law impartially. If I'm not strong enough, I won't be able to pass the test."

"Money can make you bow your head, but it can't make me show favoritism!"

Liu Shitong said angrily!

Obviously, this Liu Shitong is following Wei Qing in the yin and yang of Elder Yu to be greedy for money. As long as he has money, he will do anything!

Wei Qing blushed, because what Liu Shitong said was right!

“Stop talking nonsense, hurry up and register and prepare for their assessment!”

Wei Qing told Liu Shitong to stop talking!

“Senior Brother Wei Qing, I can let them take the assessment, but as a junior brother like you, you can only take the external assessment. You must do it step by step.”

“You can only take the inner sect examination after a few years of inspection. This is a rule. You can’t break the rules.”

Liu Shitong said.

When Wei Qing heard this, he said angrily: “Liu Shitong, are you done with this? This is my master’s own disciple. He does not need to be tested by outsiders. You did this on purpose.”

“It didn’t need to be used before, but now the rules have changed. It must be assessed by the outer sect, and it must be observed for several years.”

“You...” Wei Qing was very angry: “I... I will go to the meeting hall to sue you. I don’t believe you can cover the sky with just one hand at Ziyang Gate.”

“Go, go quickly and see if you can sue me.”

Chapter: 6450

Liu Shitong said with a sneer!

Wei Qing just said this, but did not move. He knew that even if he went, it would be of no use at all!

“Liu Shitong, what do you want? How can we pass the examination of my teacher’s inner sect?”

Wei Qing finally asked helplessly!

People have to bow their heads under the eaves, Wei Qing can only give in!

“How about this, for the disciples of your lineage, the assessment fee will be increased to ten purple gold spiritual coins?”

Liu Shitong asked!

“You...” Wei Qing was trembling with anger!

“Don’t worry, if the disciples of your lineage win, all these spiritual coins will be returned in full. What are you afraid of? Do you feel that the disciples of your lineage are useless and there is no possibility of winning?”

Liu Shitong said sarcastically!

Wei Qing was said to be speechless. He really thought so. After all, they had few disciples in their lineage, and their strength was not strong. How could they be better than the other party!

To put it bluntly, the money you take out is given to the other party for free!

“Ten purple gold spiritual coins are not much. Do you dare to bet bigger?”

After Chen Ping finished speaking, he took out a bag of purple gold spirit coins again, at least hundreds of them!

“I bet all these purple gold spiritual coins. You only need to pay half of the spiritual coins. If you win, you will take all these spiritual coins.”

“If you lose, you will only take out half of the spirit coins.”

Chen Ping looked at Liu Shitong and said!

Liu Shitong was stunned for a moment, and then looked at Chen Ping. He was just a fourth-level monk in the Tribulation Realm, but he was uttering arrogant words!

“Junior brother, you...”

Wei Qing only knew that Chen Ping was rich, but didn't know how powerful Chen Ping was, so he wanted to stop him!

After all, Chen Ping is only at the fourth level of the Tribulation Realm!

“Junior brother, don't bet with them. No matter how rich you are, you can't give it to them for free.”

Qian Xiu also quickly persuaded Chen Ping!

“Don't worry, this little money is nothing to me!”

Chen Ping said very pretentiously!

Then Liu Shitong's eyes lit up. He thought Chen Ping was just rich and pretending to be cool, and he didn't have any real ability!

This is a clear gift of money to yourself, how could you not agree?

"Okay, I promise you!"

After Liu Shitong finished speaking, he also took out a bag of spirit coins and poured them all on the table!

Seeing that Liu Shitong agreed, many disciples were surprised!

This is a huge amount of money. You must know that these purple gold spirit coins are resources and can buy a lot of resources!

Now the two sides are blocked!
