

The Order 6451

Chapter: 6451

Seeing Liu Shitong's agreement, Chen Ping raised a smile on his lips.

However, Wei Qing and Qian Xiu were very nervous. Although the money did not belong to them, it was heartbreaking to give it to Liu Shitong for free!

"Why....."

Wei Qing sighed, all the money was thrown away, it would be great if he could give it to himself!

"Senior brother, there is no need to sigh, what if we win!"

Chen Ping said with a smile!

"Hahaha, you, the new guy, have a bad mind and are you blind?"

"Don't you see how many disciples there are in our lineage? What is the level of the disciples in our lineage?"

Liu Shitong laughed and said!

"Junior brother, no matter how rich you are, you can't waste your money. We are very grateful to you for helping us pay the assessment fee, but you..."

Qian Xiu was also speechless for a while!

The other disciples were also silent. Compared with the disciples of the new sect leader's lineage, they were no match at all!

What's more, they are still the chief judge of the assessment, which makes it even more hopeless!

Seeing that everyone had no fighting spirit at all, Chen Ping said nonchalantly: "As long as everyone works hard, even if they lose, this little money is just a drop in the bucket to me."

"I can find a bitch out there with more money than this. If I lose to them, just treat it like I found a bitch!"

Chen Ping's words immediately caused everyone to laugh!

And Liu Shitong's face became very ugly, which clearly compared him to a girl!

But Chen Ping himself knew that there was no way he could lose. Not to mention the inner disciples of Ziyang Sect, even if the elders came, Chen Ping was not afraid at all!

You must know that Chen Ping, who seems to be at the fourth level of the Tribulation Realm, can explode with strength that is not inferior to the ninth level of the Tribulation Realm!

Chen Ping saw that everyone's mood had eased a lot, so he said: "Don't worry, everyone, we will definitely win. I never do anything I'm not sure of."

"Junior brother, it's good to have this kind of confidence, but it's really unrealistic for us to win."

"Whether it's in terms of strength or numbers, we don't have the slightest advantage. How can we win?"

“But don’t worry, junior brother, no matter what your inner sect examination is, you will be able to become an official disciple of the Purple Flame Sect.”

“I can ask Master to take you to the meeting hall for recommendation. As long as you are recommended by three elders, you can become an inner disciple without taking any examination.”

Chapter: 6452

Wei Qing saw that Chen Ping had spent so much money. It would be too embarrassing if he failed the examination and failed to become an inner disciple!

Moreover, Chen Ping is so rich, and Wei Qing doesn’t want to lose such a rich junior brother, so he guarantees Chen Ping!

Liu Shitong has now registered and made the bet into a document. Both parties must leave their own palm prints!

The reason why he did this was because he was afraid that Wei Qing would cheat in the end!

After all, it is obvious that Wei Qing cannot win this bet!

After doing everything, Liu Shitong waved to a young man!

“Elder brother...”

The young man stepped forward and leaned down!

“Lu San, do you still need me to explain? You will know what to do later, right?”

Liu Shitong asked the young man!

“Senior Brother, don’t worry, none of these guys can pass the examination.”

Then Lu San nodded and said!

“Although we are strong, we cannot be careless. After all, we are betting on hundreds of purple gold spirit coins, so we must not be careless.”

After Liu Shitong finished speaking, he took out an object wrapped in red cloth from his arms and handed it to Lu San: “When the last resort comes, you can open it and use it!”

Lu San took it carefully and said excitedly: “Elder brother, just take a look!”

Soon, everyone was ready for the assessment!

Qian Xiu also stood with everyone!

“Senior sister, you are already an inner disciple, do you still want to take the assessment?”

Chen Ping asked in confusion!

“The first part of the assessment is the same. I took the deacon assessment, but the subsequent assessments will be different.”

Qian Xiu followed Chen Ping and explained!

“Oh, that’s what happened!” Chen Ping nodded!

“Junior brother, during the assessment, don’t run around, just follow me.”

“Also, how is Junior Brother’s Ultimate Fire training? Our Ziyan Sect specializes in fire-based skills, so most of the assessments are in the fire-based skills.”

Chapter: 6453

Qian Xiu asked!

“I.....”

Chen Ping didn’t know how to answer!

He now has three levels of ultimate fire, and he has also understood the origin of the fire system. However, it is hard for Chen Ping to say how far he has developed his ultimate fire!

Seeing Chen Ping’s hesitation, Qian Xiu was slightly startled and said: “Junior brother, you don’t even have Supreme Fire, right? If you don’t practice Supreme Fire, you won’t be able to pass the inner sect examination.”

“The most important point in the inner sect assessment is that you must practice the ultimate fire.”

“Sister, I have the ultimate fire.”

After saying that, Chen Ping's fingertips pulsed with fire from the center of the earth!

The flame is very weak, like a candle, it can be blown out in just one breath!

Looking at Chen Ping's weak Zhihuo, Qian Xiu couldn't laugh or cry!

Others were also silent. Can such a supreme fire pass the test?

But Wei Qing said: "As long as you have the fire, at least it will be a pass for the assessment."

"No matter how strong you are, if you can't practice Ultimate Fire, you won't be able to pass the test. Look at Lu San across from you, who has a sixth-level strength in the Tribulation Realm. He is the strongest among the outer disciples, but he has yet to be able to practice Ultimate Fire. There is no way for Huo to become an inner disciple."

Wei Qing was afraid that Chen Ping would be under pressure, so he said this!

Chen Ping just smiled and did not speak. He was afraid that he would reveal his true power and scare those who came again!

Then everyone gathered around and listened to Qian Xiu talking about the key points of the assessment, including the use of ultimate fire and quenching!

Although there are many loopholes in what Qian Xiu said, Qian Xiu obviously understands more than those outer disciples!

But it's really incomparable with Chen Ping. After all, Chen Ping is the person who has realized the origin of fire!

If you don't understand Zhihuo to a certain extent, you won't be able to understand it!

It can be seen that these people are very nervous and excited about the assessment!

Chen Ping felt nothing, because he knew that he could pass with his eyes closed. In Chen Ping's eyes, the Ziyang Sect's inner sect assessment was as simple as playing house with a child!

Jingle Bell.....

As a harsh bell rang, everyone closed their mouths instantly, and then looked seriously ahead!

Chen Ping saw that Liu Shitong was holding a token as black as ink in his hand, and he pressed it gently into a round hole!

Chapter: 6454

There was only a buzzing sound, and then a curtain of light rose in front of everyone!

It was like a light screen showing a movie. In the light screen, Chen Ping saw mountains and green trees!

That scene formed a sharp contrast with the desert surrounding Ziyang Gate!

Everyone looked at this scene, many with yearning in their eyes!

After all, if you live in this desert for too long, you will yearn for different environments and places!

Just like traveling, no matter how beautiful the scenery is, when you live there, you will want to escape and travel to a strange place!

As everyone knows, the place where you travel is also the place where others want to escape!

“Junior brother, don’t be nervous. Just go in and relax. Since this has already happened, put your mind at ease. Even if you fail the examination, you, as an inner disciple, will be determined.”

Wei Qing patted Chen Ping on the shoulder and said!

“I know!” Chen Ping nodded!

“Junior sister Qian, I leave it to you, junior brother. You have to take good care of him. In addition, if you fail in the deacon test, don’t be brave and just quit. The deacon test will be very dangerous later.”

Wei Qing warned Qian Xiu!

After all, Wei Qing is a deacon, and he has passed the assessment himself, so he knows the dangers of the assessment place!

“Senior brother, don’t worry. I have a sense of discretion. Besides, my junior brother is the God of Wealth. I will never let anything happen to him.”

Qian Xiu said with a smile!

boom!

At this moment, a thunderous sound sounded in the light of the formation!

Then the scene in the light slowly disappeared, and a light door appeared!

The light gate flashed with bright golden light, shining on everyone's faces!

Everyone's breathing began to become rapid, nervous and excited!

You know, many outer sect disciples have not been able to enter the inner sect for more than ten years!

Especially people like Lu San, who are very strong, but they just can't practice the ultimate fire, and they keep hanging around outside!

You must know that the resources of outer disciples and inner disciples are very different!

Moreover, outer disciples do not have any rights or status!

Chapter: 6455

As long as you become an inner disciple, your status will be greatly improved!

"The assessment begins!"

Following Liu Shitong's shout, everyone swarmed towards the light door!

Upon entering the assessment place, the light door was automatically closed, and Chen Ping discovered that the guy named Lu San was always checking himself with his spiritual consciousness!

Chen Ping is currently at the fourth level of the Tribulation Realm, so no matter how Lu San investigates, he can't find anything at all!

"Junior brother, now the first level of the assessment needs to be done alone, but don't be afraid, there is no danger."

Qian Xiu warned Chen Ping!

"Well, I understand!" Chen Ping nodded!

As the group of people went deeper, Chen Ping soon discovered that the people in front of him disappeared one by one!

Then the surrounding area turned into a vast expanse of white, and you couldn't see anything but yourself!

"Illusion array?"

Chen Ping raised the corner of his mouth. He knew that these people were not really separated individually. They just used the illusion array to make these monks mistakenly think that he was the only one left!

A red light flashed between Chen Ping's eyebrows, and then penetrated the white mist and saw Qian Xiu and others not far away from him!

Chen Ping can easily break through this level of phantom formation!

It's just that Chen Ping didn't do that. He just came for the assessment. If he destroyed the illusory array, his true strength would be exposed!

Withdrawing his Tian Ming Eye, Chen Ping pretended not to know anything and moved forward in the illusion formation. He soon saw a high platform appearing in front of him!

On the high platform, an old man in white stood motionless, like a sculpture!

Chen Ping used his spiritual consciousness to explore the past and found that the old man could not detect his cultivation level.

The old man's eyes looked at Chen Ping coldly, with endless majesty and wisdom in his eyes!

It was as if Chen Ping could be seen through with just one glance!

"Junior, if you want to become a disciple of my Ziyang Sect, you must be sincere, calm and strong."

"You must not hide anything from the sect, do you know?"

The old man spoke slowly, not loudly, but with a tone that could not be refuted or questioned!

Chen Ping looked at the old man with a sneer on his lips. It seemed that this first level of assessment was to screen out those monks who had something to hide!

Chapter: 6456

If some disciples commit crimes, or commit many evil deeds and have many enemies, such people will cause trouble for Ziyan Sect if they become inner disciples!

The purpose of the first level is to eliminate some disciples who have something to hide!

Someone like Chen Ping, who conceals his identity, realm, and even his aura, will definitely not be able to pass this level if he is not strong enough!

But Chen Ping was not afraid at all. This was just an illusion, so that the examiner would not dare to lie because he captivated his mind!

Chen Ping could break this illusion with a wave of his hand, and of course he was not afraid of the old man's questioning.

"I know!" Chen Ping said calmly!

"Okay, now tell me your purpose of joining the sect and your true identity..."

The old man's voice is shocking and can directly touch the soul!

Chen Ping's eyes were dull, as if he was being controlled, and he said slowly: "My name is Cheng Ping. I have admired the Ziyan Sect for a long time, and wanted to become a disciple of the Ziyan Sect, so I worshiped under the elders and wanted to become a disciple of the Ziyan Sect. An inner disciple of the Ziyan Sect."

Chen Ping praised the Ziyan Sect very much, which made the old man very happy, and then waved: "Okay..."

Soon, the mist in front of Chen Ping disappeared, and Qian Xiu and the others appeared in front of Chen Ping again!

Chen Ping saw that everyone else was standing blankly, as if the assessment hadn't been completed yet!

"I peeped at Senior Sister taking a shower, and even dreamed of sleeping with Senior Sister at night."

"I killed people outside and was hunted down, so I joined the Purple Flame Sect."

"....."

Chen Ping looked shocked as he listened to the mechanical words of the Ziyang Sect disciples around him!

It was obvious that these people had their consciousness controlled and told all their secrets!

Fortunately, Chen Ping had seen through it a long time ago. This little illusion couldn't do anything to him, otherwise Chen Ping would probably tell all kinds of secrets!

"I have a good impression of the junior brother who just came here. He is so rich. I like rich people."

At this time, Qian Xiu's voice came!

Chen Ping was speechless for a while after hearing this. Qian Xiu had just met him and was fascinated by his wealthy status.

If it weren't for the fact that he was obsessed with his mind, Chen Ping might not be able to hear Qian Xiu's thoughts!

As the assessment ended, people started to wake up. When Chen Ping saw this, he hurriedly pretended to be still under control!

He couldn't let anyone know that he had heard all these people's secrets!

Chapter: 6457

When everyone was awake, Chen Ping pretended to open his eyes!

"Junior brother, are you okay?"

Qian Xiu saw that Chen Ping was awake and asked!

"I don't know, there seems to be no problem." Chen Ping said!

"Don't worry, as long as you are not a person with evil intentions or committing crimes, you will generally have an easy time in the first level."

Qian Xiu said!

But just as Qian Xiu finished speaking, a ray of light suddenly hit a monk!

Immediately afterwards, the monk screamed and disappeared in an instant!

Chen Ping took a look and found that it was the guy who peeked at the senior sister taking a bath and dreamed of sleeping with the senior sister at night!

Only this person was eliminated!

“Why was he eliminated in the first level? What has this guy done?”

“Who knows, anyway, I see him sneaking around every day and always running to the bathhouse.”

“Isn’t it because you peeked at junior sister and senior sister’s bath?”

The other monks joked!

After hearing this, Qian Xiu frowned and said, “Shut your mouth and stop talking nonsense.”

Chen Ping smiled and didn’t say anything!

Because he knew that this guy was eliminated because he peeped at his senior sister taking a shower.

Soon, a light door appeared again. After everyone passed through the light door, it was the second test!

“Junior brother, be more careful later!”

Qian Xiu said to Chen Ping!

“I understand, Senior Sister Qian!” Chen Ping nodded!

“Follow me and I will hold you. This level tests your ability to withstand pressure. There will be such terrifying pressure here. You must reach the finish line before you collapse.”

“Remember, the faster the better, so you can bear less pressure!”

Qian Xiu said and directly took Chen Ping’s hand.

Chapter: 6458

Obviously, this is to follow Chen Ping and shorten the distance between them!

“Senior sister, if the pressure here is very strong, then the faster we go, the greater the pressure will be.”

“My own speed, coupled with the pressure, will only make it more difficult.”

Chen Ping didn’t quite agree with Qian Xiu’s statement, so he retorted!

“What’s wrong with you, a newcomer, that you dare to question Senior Sister Qian?”

“You know, Senior Sister Qian is the assessment deacon. During the inner disciples’ assessment, she was among the top three.”

“You must be ignorant. Even if you are rich, you can’t question senior sister at this time!”

Seeing that Chen Ping disagreed with Qian Xiu's statement, everyone else immediately accused Chen Ping!

After all, in their eyes, Qian Xiu is the strongest and most vocal person here!

Chen Ping was speechless when he saw this and stopped talking!

But Qian Xiu said: "Okay, what the junior brother said is not unreasonable. Let's wait and see the situation before talking!"

Everyone was surprised when they saw that Qian Xiu was not angry and even helped Chen Ping to speak!

You must know that Qian Xiu is not such an easy person to talk to. If any of her fellow apprentices questioned her, Qian Xiu would have gotten angry!

Today it's like a different person!

Qian Xiu pulled Chen Ping and walked into the light door!

As soon as I walked in, the light door behind me disappeared instantly, and then waves of heat hit me, as if I was in the Flame Mountain!

Fortunately, everyone can still resist this scorching heat thanks to the fire-based techniques they practice!

Then everyone stared at the heat wave and continued to move forward!

It was okay at first, but as it continued to deepen, the heat wave became more and more intense, and the pressure became heavier and heavier!

Everyone began to struggle, with sweat on their foreheads, and their walking speed became slower and slower.

Qian Xiu didn't react much to this kind of coercion!

When Chen Ping saw this, he could only pretend to be struggling so that no one could see that he was special!

If Chen Ping, who is in the fourth level of the Tribulation Realm, acts too relaxed now, he will be suspected!

Soon, several figures rushed past them.

Chapter: 6459

Chen Ping looked at those people, as if this pressure had no pressure on them at all!

"Those people are also taking the deacon assessment, so there is no pressure on them at the inner gate."

"Actually, I can also walk away as fast as they do."

"But I promised to take care of my junior brother, so I will stay with you!"

Qian Xiu saw Chen Ping's confused look, so he explained!

“Thank you, senior sister!” Chen Ping quickly thanked him!

And just as Chen Ping was talking to Qian Xiu, Lu San and others came over!

“What? You can’t walk now?”

Lu San looked at Chen Ping and the others struggling and said with a mocking look on his face!

Chen Ping saw that these disciples of the new sect leader’s lineage seemed to have no hindrance to them, and they were walking very easily!

“Lu San, you are a guy who has just mastered the ultimate fire, and you still have the nerve to make fun of others. When the ultimate fire test comes later, you will be embarrassed.”

Qian Xiu rolled his eyes at Lu San and said!

“Hahaha, you won’t be able to see my shame later, because you can’t pass the previous levels!”

Lu San laughed proudly, and then left quickly under the watchful eyes of Chen Ping and others!

The speed of these people was much faster than Chen Ping and the others, and everyone felt very discouraged at this time!

“Senior sister, these guys are obviously not hindered by coercion. They may have cheated.”

“That is, did they use any means to reduce or disappear the pressure?”

“If the other party cheats, won’t we definitely lose?”

When everyone saw Lu San and the others leaving easily, everyone became suspicious!

Qian Xiu had a cold face. She didn’t know if the other party had cheated, but even if he had, there was nothing they could do!

After all, the chief examiner of the assessment is one of their own!

When Chen Ping saw this, he burst out with a breath, instantly forming a shield around everyone, blocking all the pressure and heat waves!

These are just for the assessment of the inner disciples. To Chen Ping, it is like a child playing house. It is just a matter of effort to block this pressure!

“What’s going on? Why is the pressure suddenly gone?”

Chapter: 6460

“It’s not hot anymore, it’s so relaxing!”

“Is the assessment level invalid?”

Everyone suddenly felt that the pressure was gone, and they all became surprised!

Even Qian Xiu was stunned and said in disbelief: "How could this happen? Could it be that the assessment level set up is broken?"

"Senior sister, no matter what, we should leave quickly while there is no pressure now, otherwise we will be left too far behind."

Chen Ping hurriedly urged!

"Yes, let's speed up!"

Qian Xiu nodded!

Without the pressure, everyone's speed increased very quickly. It didn't take long for them to catch up with Lu San and the others!

"Senior Brother Lu, look, why are those guys catching up?"

Someone discovered Chen Ping and the others and quickly reminded them!

Lu San turned around and saw Chen Ping and the others approaching quickly!

And the speed is very fast, and he is about to overtake them!

"Holy crap, what's going on?"

Lu San was also a little confused!

At this moment, Chen Ping and the others had caught up, while Qian Xiu looked at Lu San with a sneer and said, "Why are you so slow? You're like a tortoise. Aren't you very proud just now?"

"Hahaha, like a turtle..."

"It's too slow, you're still bragging!"

Other monks also mocked Lu San and others!

"Qian Xiu, you cheated, why doesn't the pressure here seem to have any effect on you?"

Lu San discovered that Chen Ping and the others were very fast and relaxed. They were obviously not under pressure at all!

"You fart, it's obviously this test level..."

Before Qian Xiu finished speaking, Chen Ping reminded him from the side: "Senior sister, the level has not failed. Look at Lu San and the others. Although their speed is not slow, they have obviously consumed a lot of spiritual power!"

Qian Xiu looked carefully, and sure enough, Lu San and others' faces were flushed at this moment, and there was sweat on their foreheads!
