

The Order 6471

Chapter: 6471

The formation patterns on the bronze mirror flickered, and then a wisp of brown fire jumped out!

It seems that this guy wants to use the ultimate fire in the bronze mirror to find the ultimate fire in this assessment place!

There will be a connection between the same kind of ultimate fire, and you can use this connection to find the direction of the ultimate fire assessment!

But just as Zhihuo jumped on the bronze mirror, Chen Ping swung out a sharp sword energy, and then saw the Zhihuo split into two!

Lu San was stunned. Before he could react, a huge suction force caused Zhihuo to be sucked away instantly!

“this.....”

Lu San was stunned. He had no idea what was happening!

Chen Ping could see Lu San in front of him, but Lu San couldn't see Chen Ping at all, and was manipulated by Chen Ping like a fool!

Zhihuo was sucked into Chen Ping's body, and instantly the brown Zhihuo was surrounded by the three kinds of Zhihuo in Chen Ping's body!

The extreme fire he had just inhaled still wanted to struggle and was scurrying around Chen Ping's body!

Before he could escape, he was suppressed by Chen Ping's three kinds of ultimate fire, and finally he was submissive and refined by Chen Ping!

The fire source stars in Chen Ping's body became brighter!

"The Ultimate Fire of the Purple Flame Sect is really a bit weak, and it can be refined so easily."

Chen Ping was speechless for a while!

He thought that it would take a certain amount of time to refine the ultimate fire of Zi Yan Sect!

Seeing that he had refined the ultimate fire, Chen Ping dismissed the illusion with a wave of his hand!

At this moment, Lu San looked at the bronze mirror in his hand, and his whole face turned green!

He originally wanted to rely on the ultimate fire in the bronze mirror to find the ultimate fire in the assessment venue!

Well now, the ultimate fire in the bronze mirror has disappeared!

And the ultimate fire in the assessment area also appeared in front of Lu San at this moment!

Just when Lu Sanbai was puzzled, the ultimate fire in the assessment area suddenly exploded!

Chapter: 6472

The huge impact caused Lu San to be instantly knocked out!

And the disciples of the new sect leader's lineage, under this huge heat wave, one after another announced their participation!

Many disciples were directly burned, and some fainted!

boom!

With the roar of the ultimate fire, the entire assessment place shook instantly!

The white area in front of everyone's eyes was slowly dissipating, and the fire aura in the entire assessment area became manic!

"Something happened, it got really hot..."

When Lu San saw this, he yelled!

Liu Shitong, who was sitting outside at the moment, also looked shocked!

He also felt that something was wrong at the assessment site, and hurriedly began to control the formation, trying to open the assessment site!

If something goes wrong at the assessment place and many disciples die inside, he, as the chief judge of the assessment, will not be able to escape his involvement!

Although he can use tricks to make the disciples of the old sect master's lineage fail the examination!

But we don't dare to let these people die in the assessment area, otherwise it will cause a big accident!

If not, there is a risk that the Ziyang Sect will have internal strife or even be destroyed!

Liu Shitong opened the formation, and the assessment area instantly became bright, and the white areas disappeared!

At this moment, Lu San's face was completely burned, and many of the disciples he brought were injured, and some even fainted.

"Junior brother, junior sister....."

Wei Qing also ran over in panic, shouting at Chen Ping and Qian Xiu!

When this happens, he is also afraid that someone will get hurt!

"Senior brother..."

Chen Ping took Qian Xiu and others to reveal themselves.

They all looked relaxed, no one was hurt at all!

Only Lu San and others were in a state of embarrassment, and many disciples were injured!

“It’s so good, why does the fire suddenly explode?”

Chapter: 6473

Wei Qing was relieved when he saw that Chen Ping and the others were fine, then looked at Liu Shitong and asked!

He thought that Liu Shitong was up to something again!

“Wei Qing, don’t ask me, I don’t know either. You don’t think it was me, do you?”

“I’m telling you, no one dares to make such a big noise, it’s fatal.”

Liu Shitong said with a serious face!

He was telling the truth, and he didn’t dare to do that!

Wei Qing also believed that Liu Shitong did not have the courage!

“What’s going on?” Liu Shitong looked at Lu San and asked!

“I...I don’t know either...”

“I just wanted to use the ultimate fire in the bronze mirror to find the ultimate fire in the assessment ground, and the result...”

Lu San told Liu Shitong his story in detail!

After Liu Shitong heard this, his face was livid with anger, and he slapped Lu Sanyi hard!

“Male Gobi, you idiot, who told you to do this?”

“I just asked you to use the ultimate fire in the bronze mirror to increase the aura of ultimate fire so that they can’t bear it.”

“You actually released the ultimate fire without permission. If the two ultimate fires collide, can they not explode?”

“This assessment place is strictly controlled. In order not to harm the assessment disciples, the ultimate fire is also calculated.”

“You actually made two ultimate fires merge together. Can the formation of this assessment place be able to withstand it?”

Liu Shitong cursed angrily and punched and kicked Lu San!

He wanted to beat this idiot to death!

Lu San’s face was full of grievances. He didn’t know what happened. At that time, the fire in the bronze mirror disappeared, and then there was an explosion!

When Chen Ping saw this, he secretly laughed inwardly. Now that he had stolen Zi Yan Clan's Ultimate Fire without being discovered, Lu San was left to take the blame!

"what happened?"

At this time, an old man with a stern face walked over quickly!

Seeing the person coming, the expressions of Liu Shitong, Wei Qing and others obviously changed!

Chapter: 6474

"Elder Cui, there was a glitch in the Zihuo explosion at the assessment site. Fortunately, no disciple's life was in danger."

Liu Shitong hurried up to meet him and said to the old man!

"How could this happen? This assessment formation was all arranged by me personally?"

Elder Cui frowned!

Chen Ping saw that Liu Shitong seemed to be afraid of Elder Cui, so he asked in a low voice: "Brother, is this Elder Cui a member of the new sect leader?"

Wei Qing shook his head and said: "No, Elder Cui is not from the new sect leader, nor is he from the old sect leader."

“In the Ziyan Sect, Elder Cui is the only one who doesn’t take sides and is selfless. Everyone is afraid of him.”

“The entire Ziyan Sect’s formation was arranged by Elder Cui. No matter who is the sect leader, they would not dare to offend Elder Cui.”

After listening to Wei Qing’s words, Chen Ping knew that Elder Cui turned out to be a senior formation master!

After all, in the world of gods and humans, formation masters are also very scarce. If a sect has a high-level formation master, it is a treasure.

No wonder Liu Shitong is so afraid!

I saw Elder Cui casually draw a few formation patterns, and then the assessment place flashed with white light!

Soon, Elder Cui’s face became very ugly and said: “The power of the Ultimate Fire in the assessment place suddenly increased, which proves that someone increased the intensity of the Ultimate Fire in the assessment place. Who did it?”

After saying that, Elder Cui glanced at everyone’s faces with a sinister look, because only those who participated in the assessment can increase the fire aura, and there is no way to control it outside!

Liu Shitong couldn’t help but swallowed his saliva after listening to Elder Cui’s words, and his expression became a little unnatural!

And Lu San’s body was trembling slightly!

He is just an outer disciple, he cannot afford such a big thing!

When Elder Cui's eyes fell on Lu San, Lu San immediately peed!

Seeing Lu San like that, even a fool would know who did it!

However, Lu San is an outer sect disciple, and obviously has not fully mastered the ultimate fire of Ziyan Sect. It is impossible to increase the ultimate fire in the assessment place!

"May I have your name?"

Elder Cui looked at Lu San and asked coldly!

"Disciple...disciple's name is Lu San..."

Lu San trembled and said stutteringly!

Chapter: 6475

"Do you know why this fire exploded?" Elder Cui asked!

Lu San was stunned and secretly glanced at Liu Shitong, while Liu Shitong followed Lu San desperately and winked!

He absolutely couldn't let Lu San tell the truth!

Seeing Liu Shitong's eyes, Lu San then shook his head and said: "Disciple doesn't know, the disciple's ultimate fire has not been fully understood, and the ultimate fire aura is also extremely weak. It is impossible to increase the ultimate fire in the assessment place."

Lu San directly told him that he had not mastered the extreme fire!

Elder Cui looked at Lu San. He knew that Lu San was not lying. This guy just couldn't practice Ultimate Fire, so he was at the sixth level of the Tribulation Realm and was still just an outer disciple!

This time, I have just developed some ultimate fire aura, so I am testing the inner disciples!

"Elder Cui, the disciples in the entire assessment have not mastered much of the Ultimate Fire Aura, so it is impossible for the Ultimate Fire Aura to suddenly increase during the assessment."

"But there is a person who has mastered a large amount of the ultimate fire aura, and he is also among the inner disciples in the examination."

After Liu Shitong took one look at Qian Xiu, he suddenly got into his mind and wanted to frame Qian Xiu!

"who is it?"

Elder Cui frowned and said!

"That's her, Elder Hu's beloved disciple Qian Xiu."

"She is testing deacons, and she is fully capable of quickly passing the inner disciples' testing levels in front of her, but she is grinding along with those who are taking the inner disciples' testing."

"I think there must be a plan. Maybe this time the assessment place Zhihuo suddenly increased explosions, and she was the one doing it!"

Liu Shitong pointed at Qian Xiu and immediately hit him!

This operation left Qian Xiu confused, and even Wei Qing looked shocked!

Chen Ping's eyes narrowed slightly. He didn't expect Liu Shitong to be so shameless!

"You are talking nonsense and spitting blood. I didn't increase the fire at all, and I don't know why the fire exploded."

When Qian Xiu saw that she had been wronged, she immediately roared angrily!

"You said it doesn't mean it doesn't exist? What evidence do you have?"

"Among the disciples in the entire assessment, you are the only one with the strength to increase to Fire. Who are you?"

Liu Shitong asked Qian Xiu!

"That's her. I saw her sneaking closer to Zhihuo. And along the way, she was taking the deacon assessment. She was not in a hurry at all. It was obvious that she was planning something evil!"

Chapter: 6476

When Lu San saw this, he also accused Qian Xiu!

At this moment, Qian Xiu couldn't argue, his face turned red with anger, but he didn't know how to refute!

Because she didn't know why the fire exploded suddenly!

In the end, Qian Xiu cried aggrievedly!

Seeing Qian Xiu like that, Liu Shitong and Lu San were filled with pride!

Chen Ping couldn't help but shook his head. He really agreed with that sentence. The person who wronged you knows better than you yourself how wronged you are!

"Junior sister Qian, did you do this?"

Wei Qing saw that Liu Shitong and Lu San both said that Qian Xiu did it, so he also asked!

After all, among these people, only Qian Xiucan has the ability to do such a thing!

It's possible that Qian Xiu was afraid of losing in the end, so he simply crashed the assessment so that he couldn't tell the winner!

Hearing Wei Qing's question, Qian Xiu looked at Wei Qing aggrievedly and said, "You...you also think it was me who did it?"

"Junior sister Qian, I didn't mean that. I just asked. If it's really you, you don't have to be afraid. I won't let the sect punish you."

Wei Qing said quickly!

“You bastard, get out of here, I didn’t do it at all.”

Qian Xiu roared angrily, and his whole body was really going to collapse!

Seeing Qian Xiu’s collapse, Wei Qing was also a little scared!

“It’s not you, then who is it? There will definitely be no problems with the assessment formation I set up. Who is it that suddenly increased the power of the fire?”

Elder Cui asked Qian Xiu!

At this time, Qian Xiu really couldn’t wash himself off even if he jumped into the Yellow River. He didn’t know who did it at all, and in the entire assessment, he was the only one who had this ability!

Moreover, she follows these inner sect examination disciples everywhere, so she must have an agenda!

How else could she explain it?

Chapter: 6477

Qian Xiu just wanted to take care of Chen Ping, who knew things would turn out like this.

“It’s not me, it’s really not me... Can you only believe me if I die?”

Qian Xiubi was driven crazy and his whole body collapsed!

And Chen Ping finally understands now that many people have been wronged and collapsed and committed suicide. This has really reached the limit!

“You die, if you die, we will believe you!”

Lu San said to Qian Xiu with a proud face!

As long as Qian Xiu commits suicide, the blame can be placed directly on Qian Xiu. She committed suicide because she did something wrong!

“ah.....”

Qian Xiu yelled in collapse, and suddenly slapped his Tianling point with a palm!

But Chen Ping on the side had quick eyes and quick hands and stepped forward to grab Qian Xiu’s wrist!

“Senior Sister Qian, you didn’t do this, why did you commit suicide?”

“If you do this, won’t you let those who secretly do evil escape in vain?”

Chen Ping said to Qian Xiu!

“No one believes me, no one believes me...”

“Junior brother, do you believe me?”

Liu Shitong snorted coldly!

“Without that strength, it is not necessarily impossible to cause the aura of the ultimate fire to explode. For example, if someone enters with a treasure containing the ultimate fire, and then releases the ultimate fire to fuse, will it also cause the aura to surge and cause an explosion? ”

Chen Ping looked at Liu Shitong coldly and asked!

When Liu Shitong heard this, his brows suddenly furrowed, with a bit of panic in his eyes!

And Lu San’s eyes widened and he looked at Chen Ping in disbelief!

No one saw him when he acted, but how did Chen Ping know?

“It is indeed possible...”

Elder Cui nodded!

“Elder Cui, don’t listen to this newcomer’s nonsense. They are all outer disciples. How can there be a treasure with the ultimate fire?”

Liu Shitong hurriedly said to Elder Cui!

“Whether you have it or not, you’ll know it as soon as you search him. Now I suspect that Lu San should have the treasure with the ultimate fire on him.”

Chen Ping said to Lu San!

"I didn't, didn't..."

Lu San shook his head hurriedly, his expression becoming extremely panicked!

"No?" Chen Ping looked at Lu San jokingly: "If you say no, then search you and let us take a look..."

"You bastard, who do you think you are? After all, Lu San is also the most senior outer disciple. How can I search you when it's your turn?"

Liu Shitong scolded Chen Ping!

If the bronze mirror is found during a body search, it will be troublesome!

"Junior brother, do you know anything?"

Chapter: 6479

Wei Qing saw that Chen Ping insisted on searching him, so he asked!

"Senior brother, that Lu San has something on him. I saw him use it during the assessment, and it seemed that there was ultimate fire in it."

"I guess he wants to increase the fire aura and make us unable to bear it and withdraw."

“As a result, the operation was incorrect and the fire exploded!”

Chen Ping whispered to Wei Qing!

When Wei Qing heard this, he immediately became furious, feeling that these guys actually cheated.

“Liu Shitong, the reason for Zhihuo’s unprovoked explosion must be found out. Junior Brother’s request for a body search is also a reasonable request.”

“Are you feeling guilty and don’t dare to let me search you?”

Wei Qing asked Liu Shitong!

“If I have any guilty conscience, just search them, but everyone must be searched.”

Liu Shitong pretended to be calm and said!

“That’s natural. Everyone who takes the assessment must be searched.”

Wei Qing nodded!

“Ouch...”

Lu San suddenly held his stomach at this moment and said with a ferocious expression: “I have a stomachache. I want to go out. You guys need to search others first!”

After Lu San finished speaking, he was about to leave. It seemed that he wanted to get rid of the bronze mirror!

Wei Qing jumped up, stopped Lu San, grabbed his collar and said, "Stop pretending, kid. Do you want to secretly get rid of the things on you?"

"No, I just feel sick to my stomach!"

Lu San said forcefully!

"Feeling sick in your stomach? You can think of all these excuses. Who do you think would believe it?"

Wei Qing sneered!

Liu Shitong also glared at Lu San angrily. He could think of such childish excuses!

As a monk who has transcended the tribulation realm, you say your stomach hurts and you need to poop!

Who the hell can believe that?

Chapter: 6480

This is no ordinary person!

It seems that Lu San was so panicked that his brain became dull!

“Senior Brother Liu, he...”

Lu San wanted to follow Liu Shitong and ask for help, but Liu Shitong glared at him and said: “Shut up, shut up!”

He was really afraid that this Lu San would betray him too!

You must know that Elder Cui is selfless and will not take the blame of the sect leader at all, even if Liu Shitong’s master is the new sect leader!

Lu San is just an outer disciple. It doesn’t matter what kind of punishment he is given. The most he can do is to be expelled from the Zi Yan Sect!

But Liu Shitong can’t do it. He is now also a disciple of the deacon, and he is also the beloved disciple of the sect leader. He has a bright future ahead!

“Lu San, if you take out your things obediently and explain clearly, Elder Cui may be able to spare your life.”

Wei Qing said to Lu San!

“I...I have nothing!”

Lu San said forcefully!

Wei Qing’s eyes narrowed slightly, and then he grabbed Lu San into his arms!

Before Lu San could react, the bronze mirror had already appeared in Wei Qing's hand!

"What is this?"

Wei Qing asked!

"This..." Lu San was a little panicked and didn't know how to answer for a while!

"Let me see....."

When Liu Shitong saw this, he stepped forward to snatch the bronze mirror away.

Wei Qing flashed and looked at Liu Shitong coldly: "Liu Shitong, do you want to snatch it away and then destroy the evidence?"

"What evidence do I destroy?"

Liu Shitong pretended to be innocent and said: "This is just a bronze mirror. What's so great about it? I really don't think I noticed the aura of fire in this bronze mirror!"

The ultimate fire in the bronze mirror was absorbed and refined by Chen Ping, so there is no ultimate fire anymore!

It is precisely because of this that Liu Shitong refuses to admit it!
