

The Order 6481

Chapter: 6481

“Yes, this is an ordinary bronze mirror I use for practicing. There is no ultimate fire at all!”

When Lu San saw this, he reacted and said loudly!

Wei Qing tried to inject a spiritual power into the bronze mirror, but although the bronze mirror formation flickered, no fire appeared!

This time, Wei Qing was a little embarrassed and at a loss!

“Show me this bronze mirror...”

Elder Cui stretched out his hand and said!

“Elder Cui, please take a look. I think it must be Lu San who did it with the bronze mirror!”

Wei Qing handed the bronze mirror to Elder Cui’s hand respectfully!

After Elder Cui saw the bronze mirror, his brows instantly furrowed and his face became very ugly!

“You guys stay, the others get out of here quickly!”

Elder Cui pointed at Wei Qing, Liu Shitong and Lu San and asked everyone to leave!

“Senior Sister Qian, you’re okay, stop crying.”

Chen Ping gently comforted Qian Xiu!

Since Elder Cui asked everyone to leave, it proves that the explosion of Zhihuo has nothing to do with the people who left!

“You go and wait for me outside. I believe Elder Cui will make a decision soon!”

Wei Qing asked Chen Ping and the others to get out!

After everyone left, Elder Cui waved his hand and directly set up a formation. No one could see what was going on in the formation!

Seeing this scene, the expressions of Liu Shitong and Na Lu San suddenly changed!

You must know that Elder Cui is selfless and suddenly sets up a formation. If he takes action against them and directly punishes them according to the rules of the Ziyang Sect, then they will really make the heaven and earth not respond, and the earth and the earth will not work!

“Liu Shitong, what’s going on with this bronze mirror?”

Elder Cui asked with a gloomy face to Liu Shitong!

“Elder Cui, I...I don’t know either.”

“Isn’t this Lu San’s own thing, used for practicing?”

Liu Shitong said pretentiously!

Chapter: 6482

Snapped!

Elder Cui slapped Liu Shitong on the face, and then said viciously: “You fucking fart, I carved the formation on this bronze mirror myself, and sealed the ultimate fire in this bronze mirror.”

“The purpose is to allow talented disciples to practice using the Bronze Mirror, so that they can more quickly comprehend and master the ultimate fire of our Purple Flame Sect.”

“How could such an important thing get into the hands of an outer disciple?”

When Elder Cui said this, Liu Shitong was so frightened that his face changed color!

He didn’t expect that this bronze mirror was actually made by Elder Cui himself!

This bronze mirror was also given to Liu Shitong by his master, so that Liu Shitong could help him in his cultivation. After all, with this bronze mirror, he could be in contact with the Supreme Fire all the time, and he could practice faster!

Unexpectedly, Liu Shitong actually took out the bronze mirror and used it for cheating during the assessment!

Plop!

Liu Shitong suddenly knelt down in front of Elder Cui and said with tears: “Elder Cui, this disciple is wrong. This bronze mirror was given to me by the master for my cultivation.”

“It’s just because Lu San is now at the sixth level of the Tribulation Realm and has not yet been able to master the breath of fire, and has never been able to pass the examination to become an inner disciple, so I lent him the bronze mirror.”

“I didn’t expect that Lu San would actually use this bronze mirror to cheat during the assessment, causing the ultimate fire in the assessment place to explode and causing damage to the assessment formation!”

Liu Shitong’s mind was also flexible enough. He didn’t expect to react so quickly and found a way to shirk the situation!

Lu San looked at Liu Shitong with shock on his face. He never expected that Liu Shitong would react so quickly and reach such a point, and even put the responsibility on himself!

“Are you telling the truth?” Elder Cui asked!

“Everything my disciple said is true, I would never dare to deceive Elder Cui...”

Liu Shitong knelt on the ground and said!

“Lu San...”

Elder Cui shouted, and Lu San was so frightened that he knelt on the ground with a thud!

At this moment, Liu Shitong kept winking at Lu San!

Now, as long as Lu San takes care of everything, it has nothing to do with him!

Lu San looked at Liu Shitong's eyes and knew that he had no choice but to resist. Even if Liu Shitong was confessed, it would be of no benefit to him!

Maybe by keeping Liu Shitong alive, I might have another chance in the future!

"Elder Cui, I was obsessed for a moment and used the ultimate fire in the bronze mirror to increase the aura of ultimate fire in the assessment place."

Chapter: 6483

"The disciples also just want to increase their fire aura so that everyone else fails the exam. Only I pass the inner sect exam, so I can show off."

"Unexpectedly, an operational error caused all the ultimate fire in the bronze mirror to escape, and merged with the ultimate fire in the assessment place, causing an explosion."

"Disciple deserves to die, disciple deserves to die, please ask Elder Cui to punish me!"

Lu San took all the responsibility himself!

When Liu Shitong heard this, he breathed a sigh of relief!

"Elder Cui, Liu Shitong must have instigated this matter. Otherwise, Lu San wouldn't dare and must punish Liu Shitong."

Wei Qing saw this and hurriedly said to Elder Cui!

It's clear that Liu Shitong instigated Lu San to do it!

"Wei Qing, don't slander me. What evidence do you have that I ordered you to do this?"

Liu Shitong yelled at Wei Qing angrily!

"It's you, Lu San doesn't have the guts."

Wei Qing said!

"It's not me!" Liu Shitong argued!

The two of them were so angry that they couldn't argue!

"alright."

Elder Cui shouted angrily, and the two of them shut their mouths instantly!

"Since there is no evidence to prove Liu Shitong's instigation, let's stop arguing."

"The accident this time will be borne entirely by Lu San. From now on, Lu San will not be allowed to evaluate the inner disciples for thirty years."

“Liu Shitong, as the chief examiner, will be fined three years if something like this happens.”

Elder Cui’s words made Liu Shitong and Lu San kneel down and kowtow!

If something like this happens, this punishment is definitely light!

Although Wei Qing was unhappy, there was nothing he could do!

“Elder Cui, what about this assessment?”

Wei Qing asked!

“The assessment is cancelled. I will conduct the assessment again after I repair the assessment formation!”

After Elder Cui finished speaking, he turned around and left, and the formation was automatically eliminated!

Liu Shitong and Lu San’s foreheads were covered with cold sweat, and they let out a long breath!

Chapter: 6484

After Wei Qing walked out, Qian Xiu and the others immediately greeted him!

“Senior brother, how’s it going? What did Elder Cui say?”

Qian Xiu asked!

“Elder Cui asked Na Lu San not to evaluate inner disciples for thirty years, and Liu Shitong was fined for three years.”

Wei Qing said!

“What about the assessment? We should have passed it, right?”

Someone asked!

I finally made it to the last level, and not every inner sect exam has this kind of luck!

“The assessment is invalid. Elder Cui will repair the assessment formation again. We will wait for notification then!”

Wei Qing shook his head helplessly and said!

“Ah...the assessment is invalid?”

“What a waste of time.”

“We were very lucky this time. We didn’t expect something like this to happen.”

Upon hearing that the assessment was invalidated, many disciples began to complain!

Chen Ping also frowned. If he couldn’t be promoted to an inner disciple, he wouldn’t be able to move around in the inner sect area, and it would be even less possible for him to meet the old sect leader!

The assessment is now invalid. If I re-assess, I don't know if I have to wait until the Year of the Monkey!

"Senior brother, I remember you said that there is another way to become an inner disciple, and that is to be recommended by elders. It only takes three elders to recommend you, right?"

Chen Ping asked Wei Qing!

Wei Qing nodded, and then said with a face full of confusion: "Junior brother, it is not so easy to be recommended by the elders, not to mention that you have just entered Ziyan Sect and have never been an outer disciple. If you want to use the method of elder recommendation, I'm afraid that It won't work at all!"

When Chen Ping heard this, he was immediately discouraged!

"Junior brother, don't be discouraged. Although you can't be recommended by the elders, there is still a way to be promoted to an inner disciple."

Qian Xiu said!

"What can we do?" Chen Ping's eyes lit up!

"Junior sister Qian, do you want to challenge me in the ring?"

Chapter: 6485

Wei Qing asked!

“Yes, if you succeed in the challenge, you can be promoted to an inner disciple.”

Qian Xiu nodded!

“Forget it, the sect has never seen a successful challenger in hundreds of years. If you ask your junior brother to challenge, you are looking for death.”

Wei Qing shook his head and said!

“Senior brother, how do you challenge? Who do you challenge?”

“Could it be that if the inner disciple wins the challenge, he can be promoted?”

Chen Ping asked doubtfully!

“It’s not that easy. If you challenge the inner disciples, it will be much easier. Then Lu San won’t have to wait so many years.”

“You need to challenge the deacon disciples of the sect. Only by defeating the deacon disciples can you become an inner disciple.”

“You can think about it, how can an outer disciple challenge a successful deacon disciple?”

“Every time I challenge, the deacon disciples will go all out. Otherwise, if they are successfully challenged, they will have no shame in staying in Ziyang Sect.”

“The Purple Flame Sect has been around for hundreds of years. Although there are challengers almost every year, no one has ever succeeded. On the contrary, many people have been beaten into useless people.”

“This challenge is too dangerous, so I didn’t tell you.”

Wei Qing followed Chen Ping’s story!

“Senior brother, I want to challenge, but I don’t know how to sign up for this challenge?”

When Chen Ping heard this, he became interested!

He will definitely be able to challenge successfully. Although Chen Ping does not want to expose his strength prematurely, in order to enter the inner gate, Chen Ping must challenge!

“Junior brother, you are only at the fourth level of the Tribulation Realm. If you challenge me, you will definitely lose.”

“You must know that the minimum strength of a deacon disciple is the sixth level of the Tribulation Realm!”

“That Liu Shitong is already at the eighth level of the Tribulation Realm. He will reach the ninth level of the Tribulation Realm in a little while.”

“Do you think you can beat them?”

Wei Qing persuaded Chen Ping!

“Brother, how will you know if you don’t try? Even Liu Shitong, I feel like I can beat him!”

Chapter: 6486

Chen Ping said with confidence!

“You are really brazen. If you have that much confidence, I can let you challenge me. As long as you can defeat me, I will let you become an inner disciple.”

At this time, Liu Shitong and Lu San also walked out!

Just when he heard Chen Ping’s words, Liu Shitong said with disdain!

He simply didn’t believe that Chen Ping, a guy at the fourth level of the Tribulation Realm, could defeat him!

He can defeat Chen Ping with one hand!

Liu Shitong’s words made many people gather around. Everyone was surprised when they saw that Chen Ping was challenging Liu Shitong to join the inner disciples!

You must know that Chen Ping did not pass the fourth level of the robbery realm, but Liu Shitong passed the eighth level of the robbery realm!

The difference is too huge!

“Junior brother, don’t listen to him. We are thinking of a way. When Master comes out of the meeting hall, we will discuss it with Master.”

“If you follow Liu Shitong, you will definitely die. This guy is not easy to keep.”

“Besides, even if it’s a martial arts competition in the ring, you don’t have to go to Liu Shitong. You can choose from among the deacon’s disciples. This is your right.”

Wei Qing hurriedly followed Chen Ping and said!

He was afraid that Chen Ping didn’t understand the rules and would be fooled by Liu Shitong!

“Wei Qing, what is the right or not? He has no choice but to compete with me. He chooses someone else. If I don’t pass, don’t forget that I am the chief judge of the assessment.”

Liu Shitong said with gloomy eyes!

This time the assessment was such a big mistake, Liu Shitong felt uncomfortable, and now he could take it out on Chen Ping!

“You are so despicable...”

Qian Xiu saw this and glared at Liu Shitong!

“mean?”

Liu Shitong smiled: “This is the sect’s rule. Do you think those who make the sect’s rules are despicable?”

“Hahaha, if you want to become an inner disciple, you must pass Senior Brother Liu.”

“Otherwise, none of you will be able to become an inner disciple.”

Lu San laughed proudly!

Chapter: 6487

“Boy, judging from your qualifications, if you switch to our lineage now, I can easily make you an inner disciple.”

Liu Shitong said to Chen Ping.

“Are you worthy?”

Chen Ping smiled coldly!

“Boy, if you don’t speak harshly, if you want to become an inner disciple, then beat me!”

Liu Shitong’s eyes narrowed slightly!

Wei Qing was going to be pissed to death at this moment!

He is also a disciple of Deacon, but he has no power at all now. Who made Liu Shitong’s master become the new sect leader!

He was now worried that Chen Ping would definitely be injured if he followed Liu Shitong!

If not, they will be directly destroyed!

“It’s much easier to beat you than to shit and fart!”

Chen Ping looked at Liu Shitong with disdain!

Chen Ping’s words immediately made everyone look at him with surprised expressions on their faces!

A fourth-level cultivator in the Tribulation Realm dares to say that defeating an eighth-level Tribulation Realm cultivator is easier than shitting and farting?

This is too bragging!

“Junior brother, stop talking and shut your mouth!”

Wei Qing frowned. He was afraid that Chen Ping was irritating Liu Shitong and it would end badly!

Qian Xiu and others also persuaded Chen Ping to stop talking!

“Brother, what I said is the truth, why can’t I say it?”

“With his strength, I can crush him to death with just one hand!”

Chen Ping sneered!

Since he can no longer hide his strength, Chen Ping might as well show off his awesomeness!

What Chen Ping said is indeed true. With Liu Shitong's strength, Chen Ping can indeed defeat him with one hand!

Hearing Chen Ping's words, Liu Shitong's face flushed with anger and said: "Boy, you are too crazy. Let me tell you, even if I cripple you in the ring, you deserve it and there will be no punishment."

Chapter: 6488

"Then in the ring, if I destroy you, will there be any punishment?"

Chen Ping asked!

Wei Qing was speechless for a while after listening to Chen Ping's words.

There must be a limit to showing off, and Chen Ping's showoff was a bit too much!

The other brothers all looked at Chen Ping, their eyes full of ridicule!

Chen Ping was overestimating his abilities. If he said this to Wei Qing, who was as powerful as Liu Shitong, it might be considered a sign of confidence and toughness!

But when it came out of Chen Ping's mouth, it was just a joke and he was overestimating his abilities!

How can a fourth-level monk in the Tribulation Realm compete with an eighth-level monk in the Tribulation Realm?

This is a difference of four small realms!

You must know that the higher the realm, the greater the gap between small realms!

“Junior brother, stop talking, I will help you find a way to enter the inner door.”

Wei Qing frowned and said angrily to Chen Ping!

“Brother, just wait and see the good show.”

Chen Ping smiled lightly, and then looked at Liu Shitong: “The assessment is now void, and the initial bet is also void. Now we make a bet again. If you beat me, the spiritual coins I bet can still be yours.” ”

“Okay, if you beat me, I will give you my spirit coins, and when I see you, I will call you big brother.”

Liu Shitong readily agreed!

This is simply giving yourself money for nothing!

“Where is the arena? Let’s compete now. I don’t have much time to waste on you.”

Chen Ping asked!

“Junior brother...”

Wei Qing and Qian Xiu both wanted to persuade Chen Ping, but Chen Ping waved his hand and told them all to be silent!

“Come with me.....”

Liu Shitong jumped up, followed closely by Chen Ping!

At this point, Chen Ping no longer cares whether his strength will be exposed!

Chapter: 6489

It doesn't matter if you reveal your strength, as long as you don't reveal your identity!

Seeing Chen Ping leaving with Liu Shitong, everyone followed him!

This kind of competition with four small realms has never happened in the entire Ziyang Sect!

Wei Qing also followed worriedly!

“Why is this junior brother so reckless?”

Wei Qing's face was full of anxiety, and he even asked someone to notify his master!

But I don't know if they can be notified. After all, not everyone can enter the conference hall!

"Hey, junior brother is too impulsive. It would be a pity if Liu Shitong ruined him."

Qian Xiu was also very anxious. It would be a pity for such a good person to be destroyed!

"Senior brother, senior sister, you can forcefully stop my junior brother and knock him unconscious. This kind of fight will simply lead to death in vain!"

"That's right, junior brother doesn't know Liu Shitong's insidiousness, but we do."

Many senior brothers also said it one after another!

"Yes, we will take away the junior brother by force in a moment."

Qian Xiu seems to have made a decision!

Wei Qing nodded vigorously. He couldn't watch Chen Ping seek death. If something really happened, Elder Yu would have no way to explain it!

Liu Shitong took Chen Ping to the competition stage. The competition stage here was made of special diamonds, and formation patterns flashed around the stage!

Obviously, these formation patterns should have been set up by Elder Cui. It is estimated that Elder Cui is the only formation master in the entire Ziyang Sect!

The area around the arena was already filled with people, all coming to watch the fun!

And the four referee elders were also invited out at this time!

“Liu Shitong, I remember today is the day of assessment. Why did you bring people to this competition stage?”

One of the referee elders asked Liu Shitong!

“Elder Referee, today because the assessment formation was damaged, some disciples want to compete in a martial arts challenge and be promoted to inner disciples.”

Liu Shitong said!

“Oh!” The elder referee nodded. After all, there are challenges almost every year, so there is no surprise!

“Let the challenging outer disciples and deacon disciples come on stage!”

After the elder referee finished speaking, he sat back on his chair!

Chen Ping followed Liu Shitong and stood on the competition stage!

The elder referee glanced at the two of them, frowned slightly and said, “Liu Shitong, let that deacon disciple come on stage!”

“Elder Referee, I am the one challenging this time!”

Liu Shitong said!

“Is it you?” The elder referee was shocked!

Chapter: 6490

You must know that Liu Shitong is the most powerful among the deacon’s disciples, and is now the proud disciple of the new sect leader!

Which non-sighted outer disciple would choose Liu Shitong for a challenge?

Isn’t it obvious that we will lose?

The elder referee glanced at Chen Ping and said, “Is it this disciple who raised the challenge?”

Chen Ping is only at the fourth level of the Tribulation Realm, and there is no way he can challenge Liu Shitong!

The difference in cultivation level is a bit too much. If you compare with Liu Shitong, you may not be able to defeat him with every move!

“Yes, it’s him!”

Liu Shitong nodded!

“What else is there to compare with? This competition is meaningless. With such a gap in realm, I’m afraid you could kill him with just one hand.”

The referee said boringly!

This kind of competition with such a big gap in realms is not worth watching at all!

It was over as soon as he raised his hand, which made them, the referees and elders, feel boring!

“Elder referee, even if I crush him to death with one finger, I still have to go through the process, otherwise some people will be unconvinced.”

Liu Shitong glanced at Chen Ping with a sneer!

But Chen Ping’s eyes were full of calmness, and there was a somewhat mocking smile at the corner of his mouth!

“Okay, let’s get started!”

After the elder referee finished speaking, he gently pressed his hand on a palm-sized stone!

Soon, rays of light suddenly lit up, and several formations enveloped the competition stage!

Once the formation is activated, Chen Ping and the others can start. No matter what happens inside, it will not affect the outside!

Similarly, people outside can’t affect the people on the competition stage!

Seeing the formation activated, Wei Qing and Qian Xiu became nervous. They wanted to stop Chen Ping, but now that the formation was activated, they had no way to stop him!

Looking at the formations activated around him, Liu Shitong smiled coldly and said: "Boy, I didn't expect you to be a newborn calf and not afraid of tigers. But today I want to use you to establish your power. You deserve your misfortune, so after you die, don't Blame me."

The aura of the eighth-level Tribulation Realm surged from Liu Shitong's body, and the entire competition arena was filled with Liu Shitong's aura!

"You want to kill me?"
