

The Order 6491

Chapter: 6491

Chen Ping sneered!

“Nonsense, you, a newcomer, dare to offend me. If I don’t kill you, how can you convince the public?”

“But you don’t have to die. As long as you kneel down and beg me now and join our lineage, I can spare your life.”

Liu Shitong said!

He can also keep Chen Ping alive. After all, Chen Ping is a rich second generation. If he joins their lineage, he can take the opportunity to collect a sum of money!

“Bah, who do you think you are? Just don’t kneel down and beg me not to kill you.”

Chen Ping spat hard!

That arrogant look made Liu Shitong angry to death!

“Senior Brother Liu, slap him to death. This guy is too crazy.”

Lu San shouted!

Wei Qing and Qian Xiu all looked nervous.

“Why is this little junior brother so tough-talking? He can’t be honest even though he can’t beat him.”

Qian Xiu was very puzzled!

“This little junior brother must come from a wealthy family. He has been pampered since he was a child. He doesn’t even know what fear is.”

Wei Qing looked at Chen Ping’s appearance and Chen Ping’s generosity when he made a move, and guessed that Chen Ping must be the son of a big family!

Since I was a child, I have lived well and lived well, and I have never suffered any setbacks, so I am so arrogant!

But this is the Ziyan Sect, and if Chen Ping is still so arrogant, he will suffer a loss!

“Boy, suffer death!”

Liu Shitong was enraged and disappeared instantly!

Immediately afterwards, I saw a figure, heading straight towards Chen Ping, and slapped Chen Ping with a palm!

The ferocious aura rushed towards Chen Ping like a tsunami!

Liu Shitong’s other hand was directly behind his back. It seemed that he planned to slap Chen Ping to death with one hand!

Looking at Liu Shitong who came with a ferocious face, Chen Ping raised a sneer at the corner of his mouth!

With a gentle wave of his hand, Liu Shitong felt a white light flash in front of his eyes, and then he found Chen Ping in front of him!

Chapter: 6492

“die.....”

Liu Shitong slapped Chen Ping with one palm!

This palm directly penetrated Chen Ping's body, but Chen Ping seemed to be fine!

Liu Shitong was shocked and attacked Chen Ping again!

But Chen Ping didn't fight back at all and allowed Liu Shitong to keep attacking him!

“What's wrong with Senior Brother Liu? Are you stupid? Why are you making random moves in the competition arena?”

Someone asked Lu San!

Lu San was also confused at this moment. He saw Liu Shitong waving his palms in front of Chen Ping!

But Chen Ping was not far in front of Liu Shitong, and he didn't move at all!

He looked at Liu Shitong like a monkey.

Wei Qing and Qian Xiu were also surprised and couldn't understand what Liu Shitong was doing!

"Senior Brother Wei Qing, is Liu Shitong sick?"

Qian Xiu asked!

"This...I haven't heard that Liu Shitong is sick? Could it be..."

Wei Qing seemed to have thought of something, and his eyes suddenly opened wide!

"How is it?" Qian Xiu asked curiously!

"Could it be that Liu Shitong was under an illusion? His whole body was under an illusion, so he became like this."

Wei Qing analyzed!

"Illusion? How could he be under an illusion?"

Qian Xiu's face was still full of doubts!

“Junior sister, you are too stupid. Of course it was the illusion cast by my junior brother, and that Liu Shitong was directly affected.”

“It turns out that my junior brother has already made up his mind. No wonder he is not afraid of Liu Shitong at all.”

Wei Qing said with admiration.

“Is my junior brother still an formation master? It is impossible. He is too young. How can he become an formation master?”

Chapter: 6493

Qian Xiu frowned slightly and looked at Chen Ping on the competition stage with a puzzled look on his face!

“Junior sister, my junior brother may have the jade slip of the illusion on his body. As long as the jade slip is activated, the illusion will also be activated.”

“Don’t forget that junior brother is very rich, so it is very possible to spend a lot of money to buy some formation jade slips.”

Wei Qing explained!

“Yes, yes, that should be it...”

Qian Xiu finally understands now!

At this time, Liu Shitong was on the stage, jumping up and down like a monkey, as if he was competing with others, but in fact he was the only one taking action.

Chen Ping stood not far away, with his hands folded in front of his chest, his face full of ridicule!

Soon, Liu Shitong was sweating profusely, obviously exhausted, and with a ferocious face, he kept yelling!

In Liu Shitong's eyes, he found that no matter how hard he beat Chen Ping, he couldn't knock Chen Ping down!

This almost made Liu Shitong collapse!

Just as Liu Shitong was yelling, Chen Ping finally moved!

Chen Ping jumped up and then kicked Liu Shitong hard in the back!

Liu Shitong lay down on the competition stage like a dog eating shit.

Chen Ping stepped on Liu Shitong with one foot and waved to the audience like a winner!

At this moment, everyone in the audience was surprised and looked at it in disbelief!

Even the referees and elders were confused. Looking at the scene on the competition stage, they forgot to announce the results!

"Awesome, junior brother is awesome!"

“That’s great. Junior brother is the best. I love you...”

“Hahaha, dogs eat shit. The eighth-level Tribulation Realm can’t beat the fourth-level Tribulation Realm. What a joke!”

Wei Qing and the others cheered excitedly!

After being shocked, Wei Qing hurriedly shouted to the referee elder: “Elder, the winner is decided, is it time to announce the result?”

“this.....”

The elder referee looked embarrassed and didn’t know how to announce it!

Chapter: 6494

Liu Shitong, who was trampled under his feet, also woke up from the illusion at this moment. Seeing his embarrassing appearance, he immediately shouted angrily: “Boy, if you dare to trick me, I will kill you...”

Following Liu Shitong’s roar, his body suddenly burst into flames!

Chen Ping retreated quickly, and Liu Shitong took the opportunity to stand up, and the flame turned into a long sword and swung at Chen Ping!

“If you want to become an inner disciple of the Ziyang Sect, you must defeat me with extreme fire. It’s shameful to use illusions to take advantage of others!”

When attacking Chen Ping, Liu Shitong shouted!

What he wanted was to tell everyone that he had fallen into Chen Ping’s illusion, not because his skills were inferior to others!

“It turns out that this guy used illusion magic on Senior Brother Liu. It’s really shameful.”

“No wonder Senior Brother Liu seemed to be stupid just now.”

“In the Zi Yan Sect competition, you actually use illusions. This is not your true skill.”

Lu San and others immediately accused Chen Ping!

Obviously, this is Liu Shitong making excuses for himself, and he has to let Chen Ping use Zhihuo to defeat him. This is so embarrassing!

But now even the referee elders don’t say anything, what else can Wei Qing and the others do?

I saw Liu Shitong slashing at Chen Ping with his sword. This sword instantly caused the space to vibrate, and the entire competition stage was enveloped in flames!

Chen Ping paused lightly with his feet, and his whole body disappeared in an instant. Then he saw flames rising above Chen Ping’s feet!

Chen Ping used the Fire Control Step and avoided Liu Shitong's attack!

Liu Shitong missed his sword, and his face was full of anger!

Chen Ping doesn't dare to reveal his full strength yet. The reason why he used illusion just now was to make everyone think that he won by opportunism!

But who would have thought that the referee elder did not make a ruling at all, nor did he sentence Liu Shitong to lose!

Now Liu Shitong is not allowed to use illusions, and can only use extreme fire. This is so shameless!

Chen Ping can't use the Ultimate Fire of Ziyang Sect yet. If he does, he may be investigated!

Whether it is the fire from the center of the earth, the fire from the demon clan, or the extremely cold ice flames, Chen Ping cannot be too exposed!

The Purple Flame Sect was originally dedicated to practicing fire-based techniques. If Chen Ping exposed too much extreme fire, he would definitely be suspected and even be arrested for research!

Chapter: 6495

At this time, Chen Ping could only temporarily use the fire-controlling step to dodge. Fortunately, the fire-controlling step was also a fire-based skill, so Liu Shitong couldn't say anything!

"Junior brother, this skill of making fire with your feet is really awesome. Is it so fast?"

Qian Xiu couldn't help but sigh when he saw Chen Ping's fire-control steps.

"What kind of skill is this? Why have I never seen Master use it before? I want Master to teach me. It's too fast."

Wei Qing looked at Chen Ping's fire-bending steps with envy on his face!

He thought it was taught by Elder Yu, but he didn't know that it was a real immortal method. Not to mention Elder Yu, not even their sect master knew it!

What's more, Chen Ping didn't use his full strength in this fire control step, nor did he learn all of it.

If you truly learn the fire-bending step, you can move a thousand miles in one step and move in an instant!

At this time on the competition stage, Liu Shitong was very angry with Chen Ping!

He didn't know what kind of fire technique Chen Ping used, but it was so fast that he couldn't hit or catch it at all, just like a loach!

"Feathers all over the sky..."

Liu Shitong shouted loudly, and the long sword in his hand burst into flames. The flames shot straight into the sky, and then fell from the sky, turning into flames all over the sky, like a downpour!

When Chen Ping saw this, he instantly used the fire to turn into a sword, and then swung the sword upward!

From the ground, countless flames soared into the sky, directly colliding with Liu Shitong's sky-filled flames!

The roar continued, and the flames swung by Chen Ping followed Liu Shitong's flames, colliding and disappearing in mid-air!

Just like setting off fireworks, they burst into a burst of light and then dissipated!

Liu Shitong looked at this scene and his whole body became ferocious!

His move couldn't hurt Chen Ping at all!

When everyone else saw this scene, they all fell silent!

Even Wei Qing and the others were silent, thinking that Chen Ping had used illusions to trick Liu Shitong!

But now, the two sides are truly colliding in strength!

Chen Ping was not at a disadvantage!

Chapter: 6496

Liu Shitong looked ferocious. He couldn't believe that Chen Ping, a fourth-level monk in the Tribulation Realm, could actually fight to a tie with himself, an eighth-level monk in the Tribulation Realm!

Along with Liu Shitong's roar, a large amount of flaming sword light was fired again!

Chen Ping looked at Liu Shitong's almost crazy look and couldn't help but raise the corner of his mouth. He knew that Liu Shitong was so angry with him that he almost collapsed!

boom!

Chen Ping instantly slashed out a sword light. This sword light directly shattered Liu Shitong's flaming sword light. At the same time, he went straight to Liu Shitong and bombarded Liu Shitong!

Then Liu Shitong suddenly landed, stirring up bursts of smoke and dust!

At this moment, everyone's faces were filled with shock!

It would be shocking if Chen Ping could tie with Liu Shitong!

But now, Liu Shitong was knocked away with one sword!

This kind of contrast is really difficult for everyone to accept for a while!

Isn't this a joke that a sword from the fourth level of the Tribulation Realm blew away the eighth level of the Tribulation Realm?

Even if there are geniuses who can leapfrog and fight, it is impossible to cross so many realms!

This is beyond everyone's knowledge!

Wei Qing opened his mouth and said in disbelief: “This...junior brother actually defeated Liu Shitong with his strength?”

At first, I thought Liu Shitong was under an illusion, so he was attacked by Chen Ping!

But what about now?

This is a competition of pure strength, and there is no possibility of opportunism!

It was this kind of competition of pure strength, and even Liu Shitong was beaten away!

“Junior brother must have hidden his cultivation. No wonder he dared to accept Liu Shitong’s competition easily!”

Qian Xiu looked at Chen Ping with admiration. She thought Chen Ping must be hiding his strength!

It is normal for some masters to hide their own strength for various reasons!

And many people do the same!

Just think of Chen Ping now, who suppresses his realm to the fourth level of Tribulation Realm, but his real strength is very high!

In this way, Liu Shitong will think that he will definitely win!

Chapter: 6497

But in real comparison, being suppressed and beaten by others is a typical case of pretending to be a pig and eating the tiger!

In this way, Chen Ping's reputation has greatly increased, and he can also humiliate Liu Shitong!

"It's very possible, maybe this junior brother is at a higher level than me!"

Wei Qing also believed that Chen Ping was hiding his strength!

They never imagined that Chen Ping was in the fourth level of the Tribulation Realm and there was no hidden realm at all!

It's just that Chen Ping's identity is simply not comparable to that of ordinary monks like them, so that's why this result occurred!

"Despicable, shameless, hidden realm, and unexpected. Such despicable people cannot join our Ziyang Sect."

When Lu San saw this scene, he quickly yelled!

He believed that Chen Ping was hiding his realm and deliberately showing weakness to make Liu Shitong careless!

This opportunistic method is not a real competition at all!

The elder referee also looked grim at this moment!

If Chen Ping really deliberately hid his realm from the beginning in order to make Liu Shitong become careless, then this battle would really not count!

After all, this is the Zi Yan Sect's inner sect assessment competition, not a life and death battle!

There is no need to use this method!

Such a scheming person is not suitable to become an inner disciple of Zi Yan Sect!

"Boy, you're fooling me, and you actually relied on your hidden realm to fool me!"

Liu Shitong got up and wiped the blood from the corner of his mouth!

The elder referee had also opened the formation of the competition platform at this moment, jumped to the competition platform, and said in a cold and angry voice: "You deliberately hide your realm and cause the opponent to misjudge. This way of winning is not effective, and it is also It doesn't meet the conditions of our Ziyang Sect."

"You can't become an inner disciple of our Ziyang Sect, go back to where you came from!"

Seeing this, Wei Qing, Qian Xiu and others rushed to the competition stage to plead for Chen Ping!

"Elder Judge, my junior brother has just arrived, so he doesn't know much about the sect's rules. Please be lenient this time."

"I asked him to expose all realm auras and accept our inspection!"

After Wei Qing finished speaking, he quickly looked at Chen Ping and said, "Junior brother, hurry up and let go of your realm. Stop hiding it. If you want to join the Purple Flame Sect, you must have no reservations."

"Senior brother, I have not hidden my realm. I am now at the fourth level of the Tribulation Realm."

Chapter: 6498

Chen Ping said blankly!

He just hid his identity, and his realm was not hidden at all. As for the strength he showed, there was nothing Chen Ping could do. This was his strength at the fourth level of the Tribulation Realm.

"Junior brother, please stop being so harsh and admit your mistake quickly. Maybe you will still have a chance."

Qian Xiu also persuaded Chen Ping!

"Senior sister, I am really in the fourth level of the Tribulation Realm. If you don't believe it, I can take the test!"

Chen Ping said calmly!

Seeing that Chen Ping refused to admit it, the elder referee snorted coldly and said: "Okay, we will conduct a full body examination on you right now. Don't try to hide yourself from our detection."

After saying that, several referees surrounded Chen Ping at the same time, and several people simultaneously emitted spiritual consciousness and enveloped Chen Ping!

Chen Ping didn't resist, he relaxed his mind, and all the auras of his realms came out!

For a full quarter of an hour, cold sweat broke out on the foreheads of several referees.

But after checking again and again, Chen Ping is indeed only at the fourth level of the Tribulation Realm!

Chen Ping did not lie or hide!

“It’s really strange. He really only has the fourth level of the Tribulation Realm and has no hidden realm!”

The elder referee said with doubts on his face!

When Wei Qing and the others heard this, they all looked at Chen Ping in surprise, with incredible expressions on their faces!

Liu Shitong shook his head and said: “Impossible. He is at the fourth level of the Tribulation Realm. How could he defeat me, the eighth level of the Tribulation Realm?”

“This is impossible, this is absolutely impossible. This guy must have some hidden skills to hide his realm aura so that no one else can detect it!”

Liu Shitong didn’t believe that he would be defeated by a fourth-level monk in the Tribulation Realm!

“Liu Shitong, although you are now the disciple of the sect master, you don’t have to doubt our strength. We can still find out whether we have hidden realms. Otherwise, we old guys wouldn’t have to be referees.”

The elder referee looked slightly angry, looked at Liu Shitong and said!

“Elder referee, calm down, I didn’t mean that...”

Liu Shitong apologized quickly!

However, Chen Ping had indeed reached the fourth level of the Tribulation Realm. This was beyond all their expectations, and they all thought that Chen Ping was in a hidden realm!

“If you are not as skilled as others, you will find other excuses. Are you still shameless?”

Chapter: 6499

“I even doubt how you reached the eighth level of the Tribulation Realm. Did you use evil skills to get there?”

“For people like you who don’t practice down-to-earth, but want to reach the sky in one step, even if you are now at the eighth level of the Tribulation Realm, your strength will not be much stronger!”

Chen Ping mocked Liu Shitong!

“You fart!” Liu Shitong’s face flushed: “You guess you are practicing evil skills!”

“Did I fart? Then why did you, the eighth-level Tribulation Realm, lose to me, the fourth-level Tribulation Realm?”

“Come and explain to me, isn’t it that you are incompetent, or what?”

Chen Ping said again!

Liu Shitong was so angry that the proud disciple of his sect master, who was also a deacon, was now humiliated by Chen Ping, a guy who was not even an outer sect disciple, and in front of so many people. It was a great shame and humiliation!

“I didn’t lose. Who said I lost? Do you think I will be defeated by you so easily?”

Liu Shitong roared, and the aura on his body exploded again!

“Since you won’t cry without seeing the coffin, then I will help you!”

Chen Ping smiled lightly!

Seeing this, the elder referee waved his hand and said: “Everyone, retreat, the competition will continue.”

As the formation slowly opened again, Chen Ping and Liu Shitong faced off again on the competition stage!

I saw Liu Shitong gently holding his hands, and the color of the sky changed instantly!

Above Liu Shitong’s head, two clouds, one red and one purple, appeared!

Immediately afterwards, two rays of fire fell from the two clouds and landed directly on Liu Shitong’s palm!

One of the supreme fires is the supreme fire of Ziyang Sect, but Chen Ping cannot tell what the lavender supreme fire is!

Everyone looked at Liu Shitong in shock, with doubts on their faces!

“How come there are two kinds of Liu Shitong’s ultimate fire?”

“It’s so strange. How come he has another kind of ultimate fire besides the ultimate fire of Ziyang Sect?”

Many people started talking in low voices!

Even the elder referee frowned!

“This Liu Shitong is just a disciple of the deacon, but he has actually mastered the Ziyang Sect’s top-secret ultimate fire. It seems that Sect Leader Huo really loves him.”

Chapter: 6500

The elder referee gritted his teeth, with obvious displeasure in his eyes!

You must know that the lavender ultimate fire is the top secret ultimate fire of Ziyang Sect, and it can also be regarded as the secret of Ziyang Sect!

All the disciples practice with the red ultimate fire, and have no access to this lavender ultimate fire!

I don’t even know about it, only those who have reached the elder level can have access to it!

But even the elders may not all be able to practice the Purple Flame Sect’s top-secret Ultimate Fire!

It also depends on the situation. Referee elders like them have limited rights in the Ziyang Sect!

Although they know the top-secret fire of Ziyan Sect, they can't access it or practice it at all!

But now Liu Shitong, just a deacon disciple, has actually mastered the Ziyan Sect's top-secret ultimate fire. How could this not make the elder referee angry!

Moreover, the origin of the name Ziyan Sect also comes from this lavender ultimate fire!

But now Liu Shitong actually showed the Ziyan Sect's top-secret fire in front of many disciples. This is not allowed!

Liu Shitong also knew that he should not show this lavender ultimate fire in front of everyone!

But in order to defeat Chen Ping, he couldn't care so much!

Chen Ping looked at the lavender ultimate fire in Liu Shitong's hand, and his heart was filled with excitement. This was another kind of ultimate fire. If he could absorb it, he would have five kinds of ultimate fire!

But in front of so many people, how could Chen Ping silently absorb the ultimate fire?

You can't blatantly seize the ultimate fire absorption!

Just when Chen Ping was thinking about how to absorb Liu Shitong's ultimate fire, Liu Shitong suddenly clasped his palms together!

The two kinds of ultimate fire collided together instantly, and then burst into endless flames, swallowing up Liu Shitong!

“ah.....”

Liu Shitong let out a shrill scream, but he didn't struggle at all and allowed the two kinds of ultimate fire to burn in his body!

“Senior Brother Liu, are you stupid? How could you set yourself on fire?”

“It's incredible, what is this going to do!”

Everyone was shocked when they saw Liu Shitong like this!

Even Chen Ping was a little confused and didn't understand what Liu Shitong was going to do!

When the two ultimate fires were not fused, Liu Shitong actually let them collide together. Isn't this looking for death?

At this moment, half of Liu Shitong's body was wrapped in red flames, and the other half was wrapped in lavender flames!

The two extreme fires were incompatible with each other and devoured Liu Shitong's body!

Liu Shitong screamed, and a strange aura slowly came out from his chest!

As this strange aura emitted, the two supreme fires that were originally incompatible began to slowly merge together in Liu Shitong's chest!
