

## **The Order 6501**

Chapter: 6501

“This guy actually knows how to fuse the fire technique?”

When Chen Ping saw this, he was immediately surprised!

He thought that only the old sect leader could fuse with fire, but he didn't expect that Liu Shitong could also fuse with fire!

You must know that not everyone can refine the ultimate fire, and it is even more difficult to fuse the ultimate fire!

After the fusion of the two ultimate fires, the power is obviously much greater!

The flames on Liu Shitong's body turned dark brown, and his whole person had a ferocious expression, looking like a demon!

On Liu Shitong's chest, strange lines appeared, and a black lotus bloomed!

It seems that Liu Shitong is very strange at this moment!

“Why does this guy suddenly have demonic energy?”

Chen Ping's eyes were full of surprise!

At first, Liu Shitong had no demonic aura at all, and he couldn't tell that he was a demon cultivator at all. But now, this guy actually has demonic aura. Although the demonic aura is not heavy, there is only a trace of it, but it was still noticed by Chen Ping. arrive!

"What's going on? What Liu Shitong practices is not our Zi Yan Sect's technique?"

The elder referee frowned, and he seemed to have noticed something strange about Liu Shitong!

Others also talked about it. They had never seen this kind of technique, but many people did not notice that Liu Shitong began to have demonic energy!

"Black Demon Lotus, this guy is actually using this method to fuse into fire!"

At this time, Demon Lord Chiyun spoke!

"Black Magic Lotus?"

Chen Ping was stunned!

"The black lotus on this guy's chest is the Black Magic Lotus. This Black Magic Lotus needs to be nurtured in the body. Once the Black Magic Lotus appears, it can fuse everything."

"This guy just used the Black Demon Lotus to fuse the ultimate fire. It's not that he has the skill to fuse the ultimate fire."

"However, after the Black Magic Lotus is used, the monk will be severely injured. He needs to cultivate his moral character. Otherwise, he may even be swallowed by the Black Magic Lotus."

“I didn’t expect that this guy has a black magic lotus in his body, and he is still using it at this time. He obviously wants to kill you!”

Demon Lord Chiyun said with some surprise!

After all, it was just a martial arts competition, and there was no deep hatred. This Liu Shitong used the Black Magic Lotus, and he was probably going to fight to the death!

Chapter: 6502

From this point of view, this Liu Shitong is really a ruthless character!

“So, this Liu Shitong is not a demon cultivator? He doesn’t know how to merge into fire?”

Chen Ping asked!

“Yes, he is able to do this entirely because of the Black Magic Lotus. I just don’t know where this kid got the Black Magic Lotus.”

Demon Lord Chiyun said!

After hearing this, Chen Ping breathed a sigh of relief. If this guy really knew how to integrate the fire technique, Chen Ping would be really hard to deal with!

Now just relying on the ultimate fire fused with the Black Demon Lotus, Chen Ping is no longer afraid!

As long as the Black Demon Lotus is destroyed, the two kinds of ultimate fire will naturally separate!

Chen Ping can look for opportunities to refine and absorb the lavender ultimate fire!

At this time, Wei Qing and the others, seeing Liu Shitong's sudden change, were all sweating for Chen Ping!

But Chen Ping himself looked relaxed. No matter how Liu Shitong performed now, he was still an ant in front of him!

“go to hell.....”

A terrifying aura surged around Liu Shitong's body. Looking at the Black Magic Lotus on his chest, Liu Shitong regained his confidence!

He believes that with the blessing of the Black Magic Lotus, he will definitely be able to defeat Chen Ping!

He cannot be defeated by a fourth-level monk in the Tribulation Realm, otherwise he will no longer have a place in the Ziyan Sect, and he will be sprayed to death with spittle!

Liu Shitong waved his arms, and flames shot out from the black magic lotus on his chest!

The dark brown fireworks turned into fire dragons and enveloped Chen Ping!

Chen Ping, however, refused to dodge and allowed these fire dragons to surround him!

Chen Ping wants to try to absorb and refine the lavender ultimate fire from this flame!

Since Liu Shitong's ultimate fire is not a true fusion, Chen Ping has the opportunity to absorb and refine it!

If Chen Ping defeated Liu Shitong now and directly absorbed and refined the lavender fire from his body, people would definitely be discovered and suspected!

Now Chen Ping can only take the risk and separate the lavender ultimate fire from the fused flame!

Fortunately, Chen Ping has already refined the Ultimate Fire of the Purple Flame Sect, so he can distinguish the Ultimate Fire of the Purple Flame Sect from the flames, and the only remaining one is the lavender Ultimate Fire!

But Chen Ping didn't know that this lavender ultimate fire also belonged to the Ziyan Sect. It was just the top secret ultimate fire of the Ziyan Sect. Even the deacons and disciples of the Ziyan Sect didn't know about it. How could Chen Ping know about it!

Chapter: 6503

Chen Ping's indestructible golden body was activated. Because he was surrounded by flames, Chen Ping's indestructible golden body was not found, otherwise Chen Ping's identity would probably be exposed!

After all, in the entire world of gods and humans, Chen Ping is the only one who can cast an indestructible golden body and be covered in golden scales!

"Junior brother!"

"Junior brother..."

Seeing that Chen Ping was wrapped in the fire without dodge, Wei Qing and Qian Xiu both shouted in shock!

They didn't understand why Chen Ping didn't dodge. Could it be that he couldn't dodge?

In fact, even Liu Shitong himself was a little surprised. He didn't expect to control Chen Ping as soon as he took action, and the flames enveloped Chen Ping!

Although Liu Shitong didn't know why Chen Ping didn't avoid it, he still couldn't avoid it at all!

But now that Chen Ping is wrapped in the fire, he will definitely not survive!

Liu Shitong had a sneer on his face, and balls of flames were still shooting out from the black magic lotus!

Chen Ping, wrapped in flames, still looked extremely relaxed!

With the indestructible golden body protection and the extremely cold ice flames running, Chen Ping couldn't feel the heat at all!

Looking at the flames rising around his body, Chen Ping only saw the ultimate fire of the Purple Flame Sect beating out, and then began to use the principle of attraction of the same kind of ultimate fire. Chen Ping slowly separated the ultimate fire of the Purple Flame Sect in the flame!

Soon, in front of Chen Ping, a ball of lavender ultimate fire jumped up, and the ultimate fire of the Zi Yan Sect had been attracted out!

Chen Ping opened his mouth without hesitation and sucked in the lavender fire into his body!

It's just that there is too little of the ultimate fire, and there is no way to refine it, so Chen Ping continues to separate the two types of ultimate fire and absorb it again!

Just when Chen Ping was separated and the fire continued to be absorbed, the flames around Chen Ping began to weaken!

Upon seeing this, Chen Ping quickly put away his indestructible golden body, and then pretended to be in pain and struggled in the flames!

If Liu Shitong saw that Chen Ping was unharmed, he might not continue to use the fused ultimate fire!

The flame slowly goes out!

Chen Ping looked a little embarrassed, half-kneeling on the ground in despair!

His body was still trembling: "What a powerful fire. I didn't expect you to be able to fuse the fire."

"If it continues to burn, I will turn into ashes!"

Originally, Liu Shitong was stunned when he saw that Chen Ping was still alive. But after hearing Chen Ping's words, Liu Shitong smiled and said, "Boy, you now know how powerful I am. It's too late..."

Chapter: 6504

With that said, Liu Shitong was about to use Extreme Fire again!

"Stop, admit defeat, we admit defeat..."

"Elder referee, we admit defeat. This is just a competition, not a life and death fight. Liu Shitong cannot be allowed to kill!"

When Wei Qing and Qian Xiu saw this, they shouted quickly!

They gave up and refused to let Chen Ping continue to fight. In this situation, if the fight continued, it would really be wiped out!

“Huh, it’s not like you’re competing. There’s no point in admitting defeat!”

Liu Shitong snorted coldly!

The elder referee looked at Chen Ping and asked, “Are you admitting defeat?”

“If you admit defeat now, you will not be allowed to participate in the assessment competition within three years!”

“I won’t admit defeat, not even to the death. If you can, burn me to death and burn me to ashes!”

Chen Ping stood up and said with arrogance!

He was going to anger Liu Shitong and make him burst into flames without any reservation!

Chen Ping is not afraid of Liu Shitong’s extreme fire!

“Junior brother, stop talking and admit defeat quickly, otherwise you will really be burned to death.”

Qian Xiu shouted!

“Junior brother, don’t be so harsh!”

Wei Qing had a sad look on his face. He didn't understand why his junior brother was so harsh!

Just admit defeat, no one will die!

"I don't have any other skills. I just have a tough mouth and won't give up even if I die!"

Chen Ping raised his head and said arrogantly!

"Okay, then I'll burn your mouth to pieces and see how long you can get hard."

Liu Shitong's face was full of anger. After jumping up, he crossed his hands in front of his chest.

Soon, large nets intertwined with flames appeared!

The Black Magic Lotus was trembling slightly, and the fused Ultimate Fire burst out with scorching heat!

Chapter: 6505

If it weren't for the isolation formation, the others would probably have been burned!

"Elder Referee, as a referee, are you just going to watch the disciples in your sect kill each other?"

"If my junior brother dies, this matter will definitely not be over, and you will be severely punished."

When Wei Qing saw this, he could only threaten the elder referee to rescue him!

Otherwise, Chen Ping would really die on that competition stage!

The elder referee frowned slightly and looked very displeased. He was also an elder, but he was threatened by Wei Qing!

Moreover, the elder referee also knows himself. With his strength, if he tries to stop him very soon, he may not be able to stop it!

After all, Liu Shitong is an eighth-level monk in the Tribulation Realm, and he has also refined the Ziyang Sect's top secret Ultimate Fire!

These supreme fires have never been seen by ordinary elders like them!

However, after thinking again and again, the elder referee pressed the switch, and the formation was shut down instantly!

"stop....."

Immediately afterwards, the referee elder joined forces with several other referees to take action at the same time, and only then blocked Liu Shitong's attack!

"Liu Shitong, the winner has been decided, so there is no need to kill in pain!"

The elder referee said!

When Chen Ping saw this, he suddenly looked helpless. If he could scold someone, he really wanted to scold the referee for being nosy!

Liu Shitong also frowned. In order to kill Chen Ping, he did not hesitate to use the top-secret fire and the black magic lotus!

After this battle, Liu Shitong will probably have to recuperate for a year and a half!

After paying such a high price, Chen Ping would lose, he would not agree!

What's more, Chen Ping hasn't given up yet.

"Elder referee, the opponent has not surrendered yet, do you want to intervene?"

Liu Shitong asked with eyes full of anger!

"Although he didn't admit defeat, everyone can see the result. They are all from the same sect, so there is no need to kill him in pain!"

The elder referee said slowly!

"Then what if I don't stop?"

Liu Shitong's eyes narrowed slightly!

"If you don't stop, then we old guys will have to practice with you, and this matter will also be reported to the sect leader."

“Although you are the favored disciple of the new sect leader, you have broken the rules of the Ziyan Sect. Let’s see if the new sect leader will spare you!”

The elder referee threatened Liu Shitong!

At this time, Liu Shitong was a little tired. If he took action, things would probably get into trouble!

But just when Liu Shitong was about to let Chen Ping go, Chen Ping became anxious!

“Who told you to meddle in other people’s business? I’m still waiting to beat Liu Shitong to the ground.”

“Stop meddling in other people’s business. I won’t admit defeat even if I die in the competition arena.”

“.....”

Chen Ping just started talking to the referee!

This time, the referee elder was so angry!

Chapter: 6506

“Junior brother, please don’t be rude, why are you talking to the elder referee!”

Wei Qing saw this and hurriedly scolded Chen Ping!

And the elder referee was so angry that his face turned green!

“You ungrateful guy, since you want to compete, then keep competing!”

The elder referee stepped down directly and restarted the formation!

At this time, both Wei Qing and Qian Xiu panicked!

Liu Shitong had a sneer on his face: “Boy, you are really asking for death. Since you want to die so much, I will help you!”

Liu Shitong kept waving his hands, and scorching flames engulfed the entire competition stage!

Chen Ping was overjoyed and remained motionless, letting the flames burn!

The more ultimate fire there is, the more lavender ultimate fire there is!

In this way, Chen Ping can take advantage of this opportunity to see if he can refine this lavender ultimate fire!

Chen Ping screamed in pain, but his face was full of smiles, constantly absorbing the lavender flames in the fire!

The screams stopped in Liu Shitong’s ears, but he was so excited!

“Scream, the louder you shout, the more excited I get...”

Liu Shitong's face was full of pride, and he kept getting more and more popular!

Wei Qing and Qian Xiu were extremely anxious when they heard Chen Ping's screams!

"Hey, this little junior brother is really asking for his own death. How come the rich second generation seems to have something wrong with his brain?"

Qian Xiu sighed!

Qian Xiu is tempted by such a rich young man, but it's a pity that he doesn't have a good brain and has a tough mouth. He is not a complete fool!

Wei Qing also sighed, thinking about how to explain it to his master!

Chapter: 6507

The examination of an inner disciple turned into a life and death fight!

Everyone stared blankly as Chen Ping was burned by the fire!

And Chen Ping's screams were so terrifying even when he stood up!

A stick of incense!

Two sticks of incense!

Three sticks of incense...

Liu Shitong had cold sweat on his forehead, and the flames erupting from the Black Magic Lotus began to weaken!

But Chen Ping's voice was still coming out, and he was still screaming!

How long has it been, but it still keeps screaming!

Although the scream was very miserable, there was no sign of it being weak, and the voice was still so loud!

"Ah... it's burning me to death, it's too hot..."

"Stop burning, I'm going to die!"

"After burning for a while, I will turn into ashes!"

The difference between Chen Ping and Zhi Huo was actually getting weaker, so he screamed even harder!

He hoped that Liu Shitong would hold on a little longer and not extinguish the fire so quickly!

Liu Shitong gritted his teeth and went crazy!

But at this time, he didn't want to give up. It was clear that Chen Ping was about to die. If he gave up at this time, wouldn't all his previous efforts be in vain?

Liu Shitong could only grit his teeth and persist, but the fire in his body could not hold on for much longer!

Especially the top-secret fire, Liu Shitong did not take very long to refine and master it!

Now the lavender ultimate fire is almost exhausted, and the black magic lotus can hardly hold on anymore!

Chapter: 6508

You must know that releasing this black magic lotus will have a huge backlash on Liu Shitong's body!

It has been so long now, and Liu Shitong's body has already suffered serious damage!

After this battle, Liu Shitong will probably have to cultivate for a long time!

"Damn it, this guy is still half burned to death anyway. Even if he can't be burned to death, I can just beat him to death!"

Thinking of this, Liu Shitong took back all the fire!

But Chen Ping was still screaming and didn't notice Liu Shitong taking back Zhihuo.

Everyone saw that Chen Ping was unharmed, but he was twisting his body and pretending to be miserable and shouting!

“It will burn me to death. This fire is so powerful!”

“My arms are going to burn off.”

Chen Ping is still shouting!

Liu Shitong was stunned when he saw this scene!

What’s going on?

He suffered backlash and even exposed the Ziyang Sect’s top-secret fire. Why did Chen Ping seem to be unscathed in the end?

And looking at Chen Ping like this, it’s obvious that he’s just pretending!

Others were also dumbfounded and didn’t understand what was going on!

Even if Chen Ping was not burned to death, he would still be burned beyond recognition and his body would be scarred!

But looking at Chen Ping now, there is no scar at all, and even his clothes are intact!

There is no trace of burning anywhere!

“Hey, why is Zhi Huo gone?”

Chen Ping reacted belatedly and saw that the fire around him was gone, so he waved to Liu Shitong and said:  
“Don’t stop, I’m almost burned to death, keep burning!”

Chapter: 6509

“Come on, come on, burn me...”

Chen Ping looked like he needed a beating and provoked Liu Shitong!

“Hahaha, my junior brother is so awesome!”

Qian Xiu couldn’t help laughing when he saw Chen Ping like that!

Others couldn’t help but laugh, and all focused on Liu Shitong. They wanted to know what else Liu Shitong could do!

“This kid is not afraid of fire. No wonder he has been so tough just now. Could it be that he is a genius who practices fire-based skills?”

The referee elder couldn’t help but be surprised when he saw that Chen Ping was not injured at all after being burned for a long time!

Liu Shitong looked at Chen Ping’s provocative look and was so angry that he spurted out a mouthful of blood!

He really didn't understand, even though he had used the top-secret fire and the black magic lotus, he still couldn't hurt Chen Ping at all!

"Since you are not afraid of the fire, I will use the most primitive means to kill you!"

After saying that, Liu Shitong jumped up and headed straight for Chen Ping like a sharp sword!

Since Chen Ping is not afraid of the fire, he doesn't have to go to the fire. Liu Shitong will use the purest physical strength to deal with Chen Ping!

He didn't believe that Chen Ping's body could withstand his overwhelming strength!

You must know that the higher the realm, the strength of the physical body will also increase, otherwise it will not be able to withstand such a high realm of cultivation!

Liu Shitong, who is at the eighth level of the Tribulation Realm, will definitely have stronger physical strength than Chen Ping, who is at the fourth level of the Tribulation Realm!

Chen Ping's strength can be compensated by various techniques, but his physical strength cannot be compensated by techniques!

"You want to fight me in close combat?"

Chen Ping raised the corner of his mouth: "Since you don't have to be hot anymore, there is no need to make you stand!"

Chen Ping let Liu Shitong stand on the stage all the time in order to absorb the lavender ultimate fire!

Now that Liu Shitong is no longer so popular, there is no need to let him bluster anymore!

Chapter: 6510

If Chen Ping wants to defeat Liu Shitong, it is just a matter of making a few moves!

Facing Liu Shitong, who was approaching quickly, Chen Ping stood still. It wasn't until Liu Shitong came in front of him that he suddenly punched out!

Chen Ping's fist was wrapped in golden light, and it collided with Liu Shitong's fist fiercely!

boom!

A terrifying wave of air surges in all directions. Think of a formation to block it, otherwise everyone around you will be in trouble!

After this punch, Liu Shitong's body was like a leaf, flying backwards, and at the same time, his entire arm hung down helplessly!

Liu Shitong's body fell heavily to the ground, and a large mouthful of blood spurted out from his mouth!

Everyone stayed on the spot, some couldn't believe it!

At first, Liu Shitong was stepped on by Chen Ping, who said that Chen Ping used illusions, which was opportunistic!

Later, Liu Shitong used the top-secret extreme fire, but Chen Ping was still not hurt, thinking that Chen Ping's body was not afraid of extreme fire!

But now, using the most primitive strength of his body, Liu Shitong was still punched away by Chen Ping!

What excuse can I make this time?

Being crushed again and again can only prove one thing, that is, Chen Ping's strength is far superior to Liu Shitong!

Although Chen Ping seems to be only at the fourth level of the Tribulation Realm, his true strength is terrifying!

Chen Ping walked up to Liu Shitong and picked it up!

It's like carrying a chicken!

Liu Shitong looked at Chen Ping in horror, his body trembling!

No matter what, he couldn't defeat Chen Ping, and now he finally understood that he was no match for Chen Ping, and Chen Ping never took him seriously from beginning to end!

As for screaming in the fire, it was just to tease him!

Liu Shitong hasn't noticed yet, but Chen Ping has absorbed the Ziyang Sect's top-secret fire!
