

The Order 651

Chapter: 651

“Boy, what did you say?” Huo Shan suddenly jumped up and wanted to chase Chen Ping!

But Wu Xi grabbed him, and then Wu Xi chased Chen Ping!

Back in the room, Wu Xi followed Chen Ping and apologized: “Mr. Chen, my senior brother has a bad temper. I hope you will have a lot of...”

But just as Wu Xi was talking, Huo Shan had already rushed in, followed by Gao Baisheng and Huo Donglai!

“Boy, you have the ability to repeat what you just said!”

Huo Shan roared at Chen Ping!

“Senior brother, senior brother.....”

Seeing this, Wu Xi hurriedly stopped Huo Shan to prevent Huo Shan from conflicting with Chen Ping!

“Junior brother, don’t stop me, I have to teach this kid a lesson today!”

The violent aura on Huo Shan’s body has begun to explode!

“Brother, Mr. Chen is the one who killed Jiang Zhengzhong, you are no match for him!”

When Wu Xi saw this, he could only tell the truth about Chen Ping’s identity, otherwise Huo Shan would never give up!

Sure enough, when Wu Xi said this, Huo Shan fell silent instantly and looked at Chen Ping in disbelief!

“No wonder you dare to speak so boldly. It turned out that after you killed Jiang Zhengzhong, you claimed to be invincible and ignored everyone. Haven’t you heard that the deeper you practice martial arts, the more you should keep a low profile?”

Gao Baisheng said coldly.

“Even if he can kill Jiang Zhengzhong, I will give it a try today to see if I am worthy of fighting him!”

When Huo Shan saw that his master had said this, his anger suddenly rushed up again.

Wu Xi wanted to stop him, but Gao Baisheng scolded him: “Wu Xi, you are not allowed to stop me, otherwise you will not be blamed for not recognizing you as my master!”

When Wu Xi heard this, he could only sigh and stepped aside!

“Boy, do it!” Huo Shan shouted at Chen Ping without Wu Xi’s obstruction!

“I said, you don’t deserve it...”

Chen Ping said calmly!

Chen Ping broke through Qi training and entered the foundation building stage. Even the Nei Jin master was like an ant in his eyes, let alone the level of Huo Shan, a mere Nei Jin master!

“court death.....”

Chapter: 652

Huo Shan roared suddenly and punched Chen Ping!

Huo Shan exerted all his strength, the wind howled, and the sound of breaking through the sky suddenly sounded!

Chen Ping sneered, took a step forward lightly, and then slapped Na Huoshan. That casual slap was like driving away mosquitoes!

Snapped!

A crisp sound sounded. Huo Shan's fist hadn't even reached Chen Ping, but he was slapped hard on the face. Half of his face instantly swelled up, and several teeth fell out!

At this moment, Huo Shan was stunned, and even Gao Baisheng was stunned, with disbelief in his eyes!

"This slap is just to teach you a lesson. If you dare to be disrespectful, you will not be spared..."

Chen Ping said coldly.

"Ah...I'll fight you!"

Huo Shan roared, he had never been so humiliated before.

He hit Chen Ping with a fierce punch, trying to kill Chen Ping!

When Wu Xi saw this, he immediately wanted to stop him, but it was too late. Huo Shan's fist had already reached Chen Ping!

"Impatient!"

Chen Ping's face turned cold and he patted it away!

“Crack!”

A crisp sound.

Huo Shan’s arm suddenly became weirdly bent and broke directly, and he was forcefully slapped to the ground by Chen Ping and knelt directly in front of Chen Ping.

“I told you that you don’t deserve it, but you just don’t believe it...”

Chen Ping said calmly!

At this time, everyone was shocked. Huo Laiyun was even more shocked and opened his mouth wide enough to stuff an egg!

At first, when Chen Ping said this, he only thought that Chen Ping was showing off, but now looking at Huo Shan with a broken arm, he finally realized that Chen Ping’s disdainful words were not showing off, but that he had real strength!

“Boy, you dare to hurt my disciple. Even if you can kill Jiang Zhengzhong, so what? Since my disciple is not worthy, let me, the master, teach you!”

Gao Baisheng saw the miserable state of his apprentice and suddenly became furious!

Chen Ping just glanced at Gao Baisheng coldly: “You don’t deserve it either!”

Chapter: 653

“What? You are too arrogant...”

Killing intent rose in Gao Baisheng’s eyes!

Seeing this, Wu Xi hurriedly stepped forward to help Huo Shan up, and then begged Chen Ping: "Please, Mr. Chen, for my sake, please don't get angry..."

"If I didn't look out for you, he wouldn't have simply broken off an arm!"

Chen Ping said with indifference in his eyes.

"Thank you Mr. Chen, thank you Mr. Chen..."

Wu Xi thanked him repeatedly, helped Huo Shan back behind Gao Baisheng, and then said to Gao Baisheng: "Master, don't be angry, Mr. Chen..."

"Get out of here!" Gao Baisheng didn't listen to Wu Xi's words and shouted Wu Xi aside. Then he looked at Chen Ping coldly: "You hurt my disciple's hand, I will make you use both hands to do it." Waste!"

"If you have that ability, you can try it!"

Chen Ping looked at Gao Baisheng with indifferent eyes. When Chen Ping saw Gao Baisheng, he couldn't help but shudder!

With such indifferent eyes, it was as if the person in front of him was like an ant, disdainful to have the slightest emotion!

"Okay, okay, okay..."

Gao Baisheng said three good words in a row, and his aura suddenly exploded.

A strong wind suddenly whipped up in the whole room, and all the bedding and other items were swept up by the strong wind!

But just when Gao Baisheng's momentum exploded, a soft breeze suddenly blew up, like a spring breeze blowing on his face, directly suppressing Gao Baisheng's momentum!

"If you want to do something, do it. I still want to live in the room, so don't mess it up for me!"

Chen Ping looked at Gao Baisheng with a casual look, not taking Gao Baisheng seriously at all!

There was a flash of shock in Gao Baisheng's eyes, but now that the matter was over, in front of his apprentice, he had no choice but to take action!

"drink....."

Gao Baisheng shouted loudly and punched Chen Ping!

Chen Ping raised his hand and grabbed Gao Baisheng's fist. Gao Baisheng's figure came to an abrupt stop!

"This, how is this possible?"

Gao Baisheng's eyes were full of horror, and he looked at Chen Ping in disbelief!

His punch weighed thousands of kilograms at least, but Chen Ping caught it so easily, and Gao Baisheng felt as if his fist was about to burst.

Chapter: 654

He wanted to break free, but he couldn't move at all. His whole body seemed to be frozen!

Chen Ping sent him off gently, and Gao Baisheng stepped back a few steps. If Wu Xi and Huo Laiyun hadn't hurriedly helped him, Gao Baisheng would have sat on the ground!

"I have said before, you are not worthy of fighting me. Today, for the sake of being Wu Xi's master, I will spare your life. If you dare to provoke me, I will definitely kill you!"

Chen Ping said calmly with an indifferent expression.

At this moment, Gao Baisheng's face was ashen. He finally understood that Chen Ping's indifferent eyes were not just pretending, but that in his eyes, he was really like an ant!

Gao Baisheng's expression changed again and again, and finally he sighed helplessly: "We were blind and offended Mr. Chen..."

Gao Baisheng's title changed. After bowing deeply to Chen Ping, he turned around and walked out!

Wu Xi hurriedly followed him out. At this time, Gao Baisheng seemed to have aged a lot in an instant, and said to Wu Xi: "Please invite Mr. Chen to my room, I don't deserve to live in a room like that!"

Wu Xi nodded, returned to Chen Ping's room, and followed Chen Ping to tell Gao Baisheng's words. Chen Ping did not refuse and moved directly to the room at the end of the corridor!

The sky is getting darker and darker, and the neon lights are flashing on the streets outside. It's so lively!

"Wuxi, come with me for a walk, and I'll see if there's anything good!"

Chen Ping said to Wu Xi.

"Okay, I'll take Mr. Chen to the Trade Street. They are all temporarily set up to facilitate warriors from all over the world to trade their treasures."

Wu Xi nodded!

Soon, Wu Xi took Chen Ping to the Trade Street. The place was bustling with people. On both sides were selling medicinal materials, elixirs, some jade pendants, furnace tripods, and weapons such as swords and knives. Everything you need!

Chen Ping looked around and found that they were all ordinary objects. There was a bit of disappointment on his face. He originally wanted to find a better spiritual weapon here and help Su Yuqi refine a protective spiritual weapon. !

Wu Xi saw Chen Ping's disappointment, so he said: "Mr. Chen, the good things here are usually taken away by Yaowang Mansion. How can they be circulated here? This is the reason why Yaowang Mansion holds this martial arts gathering! "

Chen Ping nodded, remembering that he still had the refined Xiao Huan Dan on his body, so he said to Wu Xi: "If I want to sell things here, are there any procedures required?"

"No need, just find an empty place to set up a stall!" Wu Xi shook his head: "Does Mr. Chen have something to sell?"

"Well, I have some pills in my hand that I want to sell!"

Chen Ping said, found an empty place, and then took out the Xiao Huan Dan!

Wu Xi looked at the dark elixir in Chen Ping's hand and asked with some confusion: "Mr. Chen, what is the name of your elixir?"

"Xiao Huan Dan..."

Chen Ping said calmly.

Chapter: 655

"Oh!" Wu Xi didn't hear it and could only say "Oh!"

But Chen Ping's words about Xiao Huan Dan were overheard by a servant of Yao Wang's Mansion who was passing by. After hearing the words "Xiao Huan Dan", the servant of Yao Wang's Mansion glanced at Chen Ping subconsciously, and then hurriedly left!

Soon, Lao Qiu, the housekeeper of Yaowang Mansion, hurried over with the servants of Yaowang Mansion!

Sun Simiao was asking Lao Qiu to inquire about Xiao Huan Dan. However, because he was busy with martial arts gatherings, Lao Qiu had no time to go to Yuncheng and Hongcheng to investigate. This time, he heard from a servant that someone was selling Xiao Huan Dan in the Trade Street. He immediately brought people over here!

Lao Qiu glanced at Chen Ping, and then asked: "Little brother, what is the name of your elixir?"

"Xiao Huan Dan!" Chen Ping said truthfully.

Lao Qiu did not speak, but gently picked up the elixir, smelled it gently, then crushed the elixir and put it in his mouth to taste it!

Chen Ping frowned when he saw this: "You didn't tell me whether to buy it or not, but you crushed my elixir?"

At this time, Wu Xi hurriedly leaned into Chen Ping's ear: "Mr. Chen, this is the steward of the King of Medicine Mansion. He may have bought all your pills."

When Chen Ping heard this, he immediately understood and nodded!

After tasting it, Lao Qiu's eyes suddenly shone: "Little brother, how much does your little Huan Dan cost?"

"Two million!" Chen Ping said calmly!

"Okay, I want them all!" Lao Qiu said cheerfully, then ordered someone to count the quantity, and continued to ask Chen Ping: "I want to ask my little brother, who refined this elixir of yours?"

"I made it myself!" Chen Ping said.

“Did you refine it?” Lao Qiu looked at Chen Ping in surprise, his eyes filled with disbelief!

Seeing that Lao Qiu didn't believe it, Chen Ping didn't bother to explain: “After counting the amount, just transfer the money to me. I have to go back to sleep!”

Lao Qiu asked someone to transfer the money to Chen Ping. Just when Chen Ping was about to leave, Lao Qiu stopped Chen Ping and said, “This little brother, I wonder if you can come to Yaowang's Mansion for a talk? Our palace master wants to see you!” ”

After hearing this, Chen Ping hesitated for a moment, then nodded and said, “Okay!”

Chen Ping was also thinking about meeting the master of Yaowang Mansion. If he could build a good relationship, he might be able to get a lot of resources from Yaowang Mansion!

Chen Ping asked Wu Xi to go back by himself, and then followed Lao Qiu to Yaowang Mansion!

In the lobby of Yaowang's Mansion, Sun Simiao was very excited when he knew that the refiner of Xiaohuan Dan had been found. If such a person could be brought into Yaowang's Mansion, or if he could know the refining method, it would be a great blessing for Yaowang's Mansion. !

But when Lao Qiu arrived with Chen Ping, Sun Simiao frowned slightly. He originally wanted to refine elixirs like Xiao Huan Dan, but he was an old man who had been proficient in alchemy for many years, but he didn't want to be an old man in his early twenties. young people!

“Master of the Palace, people have brought...”

Lao Qiu said to Sun Simiao.

Chapter: 656

Sun Simiao nodded, looked at Chen Ping and said, “Did you really refine the Xiao Huan Dan?”

Sun Simiao had doubts in his eyes, and he didn't quite believe Chen Ping!

After all, there are many people who want to be on the Yaowangfu list, and there are many scammers among them!

“If you don’t believe it, I can leave!”

Chen Ping looked calm, turned around and left after saying that!

Chen Ping’s reaction made Sun Simiao a little confused. After being stunned for a moment, he hurriedly stood up and stopped Chen Ping: “Little brother, don’t be offended. I just have never seen such a young alchemist, so I spoke a little recklessly! Little brother Please take a seat...”

Chen Ping didn’t really want to leave. After Sun Simiao apologized, he sat down!

Sun Simiao waved his hand towards Lao Qiu: “Go and pour tea!”

After finishing speaking, he looked at Chen Ping with a smile on his face and said, “I wonder what I call my little brother?”

“Chen Ping!” Chen Ping said calmly.

But when the word “Chen Ping” came out of his mouth, Sun Simiao was stunned. Even Lao Qiu, who was about to pour the tea, stopped and looked at Chen Ping in disbelief!

“Is this little brother the one who killed Jiang Zhengzhong?” Sun Simiao asked in disbelief.

“It’s me!” Chen Ping was not surprised at all that Sun Simiao knew about this.

It has been a while since Jiang Zhengzhong was killed. It would be a bit strange if Yaowang Mansion has not received the news yet.

“Hahaha, it’s true that heroes are born in youth!” Sun Simiao laughed: “Have you received all the medicinal materials that Yaowang Mansion and Brother Chen traded some time ago? I specially ordered people to select the top-grade medicinal materials in order to be able to harmonize with them. Little brother, make a friend!”

“Master Sun, you sent someone to bring me here. Isn’t it just to make a friend?”

Chen Ping smiled lightly, looked directly at Sun Simiao and said.

Sun Simiao chuckled: “Little brother, since you asked so, let me tell the truth. I want the recipe of Xiao Huan Dan in my little brother’s hand. And if you don’t mind it, I want to invite you to join me.” In our Medicine King’s Mansion, as long as my little brother joins my Medicine King’s Mansion, no one in the whole of Jiangbei, not to mention the whole of Daxia, will dare to cause trouble to my little brother!”

“Of course, if you have any requests, little brother, feel free to ask for them. As long as I can satisfy them, I will definitely meet them!”

Chen Ping smiled, the master of the Medicine King’s Palace dared to say such arrogant words. You know that the entire Daxia has a population of more than one billion and is full of talents. What can a Medicine King’s Palace count for?

However, Chen Ping did not refute, but looked towards the back of the hall: “Palace Master Sun, my request should be made to the person who can make the decision. I told you, I’m afraid you can’t make the decision!”

Sun Simiao was stunned for a moment, and when he saw Chen Ping looking towards the back of the hall, he suddenly looked embarrassed!

“Brother Chen is indeed a young talent. If he can join the King of Medicine Palace, he will be even more powerful...”

Not long after Chen Ping finished speaking, Bai Zhantang stepped out from behind!

Chapter: 657

Seeing Bai Zhantang coming out, Sun Simiao hurriedly stood up to make way for Bai Zhantang, and respectfully shouted: "Second Young Master!"

Bai Zhantang sat directly opposite Chen Ping and smiled faintly: "Let me introduce myself, I am Bai Zhantang from the Bai family in Kyoto. Today I hit it off with Brother Chen!"

Chen Ping sneered: "As soon as we feel like old friends, you won't hide behind and dare not show up!"

As soon as Chen Ping entered the hall, he felt that someone was hiding behind him, and judging by his breath, his strength had reached the level of a master of internal energy!

Bai Zhantang smiled awkwardly: "Brother Chen, I won't show up, actually..."

Chen Ping waved his hand and interrupted Bai Zhantang: "There is no need to explain to me, I am not interested in listening. The reason why I came is because Yaowang Mansion has the medicinal materials I want. I will not join Yaowang Mansion, and Xiao Huandandan I can give you the recipe, but if you get the elixir recipe, you can't refine it. If you want a small return elixir, then use medicinal materials in exchange!"

Seeing Chen Ping's decisive words, Bai Zhantang couldn't help but frown slightly. In his opinion, if he revealed his identity, Chen Ping would be overjoyed to join Yaowang Mansion. You know the name of the Bai family in Kyoto, which is famous. It's so good under the big tree. Everyone knows the principle of enjoying the cool air, but Chen Ping doesn't care at all!

"Brother Chen, I know you have been in some trouble recently. You killed Jiang Zhengzhong, and he also has a younger brother Jiang Zhengde in Kyoto. Although the two brothers are at odds, they are brothers after all, so Jiang Zhengde will definitely seek revenge on you. There is also Xuanyue Valley. I have already found out that the four elders of Xuanyue Valley have already left and are heading to Jiangbei. If you join Yaowang Mansion and have the protection of my Bai family, I can help you solve all these troubles..."

Bai Zhantang's eyes narrowed slightly, and he stared at Chen Ping and said.

"I can handle these things myself. At worst, I'll kill one of them, or a pair of them."

Chen Ping's tone was low, but to Bai Zhantang's ears, he sounded extremely arrogant!

Bai Zhantang smiled coldly: "I don't know if Brother Chen has ever heard of a sentence: When the sky is crazy, it will rain, and when people are crazy, there will be disaster?"

"If you think I am arrogant, then there is no need to talk about it..."

After Chen Ping finished speaking, he stood up and left!

"Brother Chen, stay here. I want the Xiao Huan Dan prescription in your hand. Please give me a price..."

When Bai Zhantang saw that Chen Ping refused to join the King of Medicine Mansion, he could only do the next best thing and get the pill formula first!

"I told you, it's useless to give you the elixir, you can't refine it!"

Chen Ping said.

"Little brother, there are many alchemists in our Medicine King's Mansion, so there is no elixir that cannot be refined. If you say so, does it mean that you don't have any elixir recipe at all?"

Sun Simiao said with a grim expression when he saw that Chen Ping always belittled Yao Wangfu.

"Since you insist on the elixir, I can give it to you in exchange for half of the medicinal materials from the Medicine King's Palace!"

Chen Ping said calmly.

When Bai Zhantang and Sun Simiao heard this, they were stunned. Then Sun Simiao said angrily: “Do you know how many medicinal materials our Medicine King’s Palace has? You only need half of it when you open your mouth. It’s like a lion’s mouth.”

Bai Zhantang also frowned: “Although your Xiao Huan Dan is very effective and low-cost, but based on these, you are asking for half of the medicinal materials from my Medicine King’s Palace. Isn’t this a bit overestimating yourself?”

Chapter: 658

“What if we add this elixir to the recipe?”

As Chen Ping spoke, he took out a green elixir from his arms and threw it towards Bai Zhantang. Bai Zhantang reached out to catch it. When the elixir was taken, a faint fragrance hit his nostrils!

After Sun Simiao saw the elixir, his pupils shrank immediately, with horror in his eyes: “This... this is...”

“This is the Great Return Pill. It is more effective than the Lesser Return Pill. The main reason is that the Great Return Pill can greatly increase the warrior’s inner strength, improve his cultivation, and repair hidden wounds!”

As soon as Chen Ping finished speaking, Bai Zhantang and Sun Simiao were shocked!

This Great Return Pill was the pill that Chen Ping refined for Chi Feng and Lin Tianhu. Chen Ping kept one with him!

“You also refined this elixir?” Bai Zhantang looked at Chen Ping and asked.

“If you don’t believe it, then there is no need for us to talk!”

Chen Ping waved his hand, and the elixir returned directly to Chen Ping’s hand!

“Brother Chen, how about our Bai family being willing to spend tens of billions to buy your elixir recipe? In addition, I can help you deal with Jiang Zhengde and Xuanyue Gu!”

Bai Zhantang stood up and said.

“I said, I can handle my own affairs. If you want the elixir, just use the medicinal materials in exchange!”

Chen Ping shook his head and said!

Bai Zhantang frowned. He couldn't decide half of the medicinal materials in Yaowang Mansion. In order to let these precious medicinal materials pass through the hands of Yaowang Mansion, the Bai family also worked hard. You must know that these precious medicinal materials are not inexhaustible. Everything was done with one plant less, and now half of it is given to Chen Ping, and Bai Zhantang can't bear to part with it!

Seeing that Bai Zhantang remained silent, Chen Ping turned around and left. But as soon as he took two steps, several people suddenly poured in from outside and surrounded Chen Ping!

It can be seen that these people should have been ambushing outside the hall for a long time, waiting for the opportunity. If Chen Ping agreed to the request, these people would not come in.

Chen Ping's face turned cold and he looked at Bai Zhantang: “What does this mean?”

“Little brother, those who know the current affairs are heroes. No one can refuse me in the Medicine King's Mansion. Leave the elixir recipe here and you can leave!”

Bai Zhantang said nothing, but Sun Simiao said coldly.

“Are you openly robbing someone?” Chen Ping sneered!

“No matter what you say, keep the recipe, otherwise...”

“Otherwise, what?” Chen Ping narrowed his eyes slightly, and a cold light shot out from his eyes!

Sun Simiao trembled unconsciously when Chen Ping saw him like this, but after looking at Bai Zhantang, who had been silent, he said with a stern face: "Otherwise, I will let you disappear forever!"

"Just you?" Chen Ping suddenly laughed, his smile full of disdain: "I changed my mind, just because of your threat to me, send all the medicinal materials from Yaowang Palace to my home, otherwise you will let Yaowang Palace Everyone is destroyed!"

Chapter: 659

Chen Ping was just trying to find an excuse to get medicinal materials from King Yao's Mansion, but he didn't expect that Sun Simiao came to his door and actually dared to threaten Chen Ping!

"Hahaha, boy, are you crazy? Even if you can kill Jiang Zhengzhong, do you really think you are invincible? You still want to destroy my Yaowang Mansion..."

Sun Simiao laughed, while Bai Zhantang looked gloomy and said nothing!

Chen Ping snorted coldly and walked directly outside without saying anything else!

"Stop him..."

Sun Simiao gave an order, and several people surrounding Chen Ping rushed towards Chen Ping!

Chen Ping kept walking, and a monstrous force rose into the sky, like a huge scourge, directly knocking away several people who were rushing towards him!

When Sun Simiao saw this, his face became furious: "Good boy, let me meet you..."

"Stop!" Bai Zhantang said!

Sun Simiao stopped and could only watch Chen Ping leave!

“Second Young Master.....”

Sun Simiao looked at Bai Zhantang with a puzzled expression!

“Don’t worry about him yet. It’s not too late to deal with him after the martial arts party. We have more important things to do now!”

After Bai Zhantang finished speaking, he turned around and walked towards the back hall!

.....

At the entrance of the hotel, Wu Xi walked back and forth anxiously!

Seeing Chen Ping coming back, Wu Xi hurriedly greeted him: “Mr. Chen, are you okay?”

“It’s okay, what’s wrong?”

Chen Ping looked at Wu Xi with confusion and asked.

“It’s okay!” Wu Xi let out a long breath: “The master of Yaowang Palace is extremely domineering. I’m afraid that Mr. Chen will get into trouble if he goes!”

When Chen Ping heard this, he smiled lightly: “No one can cause trouble to me, just go to sleep!”

After saying that, Chen Ping casually took out the Great Return Pill, threw it to Wu Xi and said, “If you eat this pill, you have a good chance of winning the championship in this martial arts gathering!”

Wu Xi looked at the elixir and didn’t pay too much attention. Instead, he asked with some surprise: “Don’t Mr. Chen plan to participate? I heard that the championship reward this time is a century-old medicinal plant!”

Chen Ping shook his head: "I won't participate anymore. I have to give you some hope!"

Chapter: 660

Originally, Chen Ping planned to participate, but now that he is interested in the medicinal materials of the entire Yao Wang Mansion, a mere century-old medicinal material, Chen Ping doesn't care anymore!

Excitement flashed across Wu Xi's face: "Thank you, Mr. Chen!"

Wu Xi thought Chen Ping did this to give him the championship position!

Just when Chen Ping was about to return to the hotel, someone suddenly shouted from behind: "Chen Ping..."

Chen Ping turned back suddenly and frowned slightly: "Why are you here? Didn't I tell you not to come over?"

It was Su Yuqi and Gu Ling'er who came, and Lin Tianhu was behind carrying bags for them!

"Mr. Chen, I'm sorry, Miss Su and the others insist on coming, I can't stop them..."

Lin Tianhu said helplessly.

"None of your business!" Su Yuqi said, looking at Chen Ping and saying: "We are too bored in the provincial capital, so why don't we come here to play for a few days? Are you here to find a girl behind my back?"

When Su Yuqi said this, Chen Ping was speechless and said: "I'm afraid it's too dangerous for you to come, and the hotels here are tight. I'm afraid you won't even have a place to stay if you come!"

"Don't worry, I have found a hotel a long time ago. Although my Gu family is not as good as before, I still have the ability to book a hotel in the towns down here!"

Gu Ling'er said.

Chen Ping had nothing to say, but what Gu Ling'er said was right. With the Gu family's ability in the provincial capital, it was really not a big deal to book a hotel. How come Gu Ling'er's parents were also officials in the provincial capital!

After helping Su Yuqi and Gu Ling'er settle down, Chen Ping went to rest. Originally, the two girls planned to go shopping at the night view, but Chen Ping stopped them. It was late at night, and Chen Ping really didn't want to hang out with them. , and there are warriors everywhere here, all of them have rough personalities. Chen Ping doesn't want to cause unnecessary trouble!

In the middle of the night, Chen Ping, who was sleeping soundly, was suddenly awakened by the sound of rapid footsteps on the street. He quickly got up and looked through the window. He found a girl running desperately, with several people chasing after her!

These people all kept silent in a tacit understanding and just ran as hard as they could. Seeing this scene, Chen Ping planned to go back to sleep. No matter what conflicts the other party had, they would not care about him. Chen Ping was not a savior, and he did not want to be a savior. !

But just when Chen Ping was about to lie down and sleep again, he suddenly felt a vague spiritual energy coming from the girl's body, and this spiritual energy felt very familiar to him, as if he was holding his own The same feeling I had when my mother left the jade pendant!

Chen Ping opened the window, jumped out, and followed closely behind!

Soon, the girl was blocked in an alley, holding something tightly in her hands, and then looked at the people chasing her in horror!

Chen Ping was hiding in the dark. When he saw the girl's appearance, he was suddenly surprised. This girl turned out to be the girl in the photo of Gu Ling'er's parents that Qin Feng gave to her at that time!

Among the people chasing the girl, Chen Ping also spotted a familiar figure, that was Bai Zhantang, whom he had just met!

“Yin Susu, give me the things, I can let you and your daughter go, and I can also let the King of Medicine Mansion do its best to cure your father’s disease!”

Bai Zhantang walked towards the girl and said calmly.

“Bai Zhantang, don’t come here, or I will break the jade pendant!” The girl raised the thing in her hand and stared at Bai Zhantang and said.
