

The Order 6511

Chapter: 6511

“Do you think I can become an inner disciple with my strength?”

Chen Ping asked Liu Shitong!

“Yes, I definitely can. If I lose, you are now an inner disciple!”

Liu Shitong nodded desperately!

At this moment, Liu Shitong’s eyes were full of fear!

“Since I won, is it time to honor our bet?”

Chen Ping asked!

“Bet... bet, what bet?”

Liu Shitong pretended to be stupid and said blankly!

He didn’t want to call Chen Ping brother in front of so many people. That would be too shameless for him!

How will the disciples of this lineage view him in the future?

Chen Ping frowned and didn't say anything. Instead, he grabbed Liu Shitong's neck and put a little force on his hand. Liu Shitong suddenly felt like he was going to die!

"I know, I know..."

Liu Shitong quickly begged for mercy: "Don't kill me, don't kill me..."

He was really afraid that Chen Ping would be stunned and kill him!

Chen Ping let go of Liu Shitong and said with a slight smile: "Shout..."

"Brother..."

Liu Shitong shouted softly!

"I can't hear it, the sound is too low..."

Chen Ping shook his head!

Chapter: 6512

"Brother..."

Liu Shitong increased the volume, but only so that Chen Ping could hear it!

Chen Ping frowned again, with a sharp look in his eyes!

Liu Shitong trembled all over and immediately shouted: “Big brother, big brother, big brother...”

Liu Shitong’s voice was so loud that everyone in the Ziyang Sect could hear it!

When Wei Qing and the others heard Liu Shitong calling Chen Ping brother, they all laughed wildly and felt a breath of bad breath!

But Lu San and others looked ugly, feeling worse than eating shit!

Chen Ping smiled and looked at the referee’s seat calmly: “Elder referee, is it time to rule?”

Only then did the elder referee react, shut down the formation, and jumped to the competition stage!

“The competition is over. Outer disciple Cheng Ping won and became an inner disciple!”

The referee elder announced it!

“Okay, junior brother is awesome!”

“Junior brother is awesome, senior sister loves you to death.”

“Junior brother YYDS...”

The disciples of the old sect leader all cheered, rushed to the competition stage, directly lifted Chen Ping up, and threw him high into the air!

Lu San and others helped Liu Shitong off the competition stage!

Liu Shitong's face was ugly, and his aura was unstable. It looked like he needed to cultivate for a long time!

Just when Chen Ping and Liu Shitong were finishing their competition, almost all the elders in charge were present in the meeting hall of Ziyang Sect, and sitting on the main chair was the newly appointed sect leader Huo Yuanting.

The meeting in the council chamber this time was also because of the matter of Qian Xiu's master, Elder Hu. Elder Hu had followed Huo Yuanting and refused to deal with him before!

After Huo Yuanting became the sect leader, Elder Hu refused to accept it and was punished by Huo Yuanting according to the sect rules!

In order to discover the following crimes and disobedience, Huo Yuanting summoned these elders for discussion!

What's more important is that Huo Yuanting wants to reform the recruitment conditions for Ziyang Sect disciples!

In fact, in the final analysis, Huo Yuanting wants the disciples who enter the inner sect in the future to become his Huo Yuanting's bloodline!

Slowly weaken the strength of the old sect leader's lineage, and when the time is right, Huo Yuanting's family will be the only one in the entire Ziyang Sect!

Chapter: 6513

“Master Huo, Elder Hu has committed crimes below, but has not done anything too outrageous. You can just punish him for a few years. Now you have imprisoned him for thirty years. Isn’t the punishment too harsh?”

An elder with a gray beard stood up, looked at Huo Yuanting and said!

“Yes, Lao Hu will be imprisoned for thirty years. I think it’s too harsh!”

Elder Yu stood up and complained about Elder Hu!

Huo Yuanting looked coldly at the person who spoke for Elder Hu, and said with an indifferent expression:
“Elder Hu’s punishment has been determined and cannot be modified.”

“In addition, today’s inner disciple assessment, all disciples who pass must go to Jingsi Cliff to practice hard for a month.”

“This is also the sect’s rule, just tell your disciples!”

Huo Yuanting’s tone was unquestionable. As a sect leader, even if he had just been promoted, he did not want his elders to object!

All the elders looked at each other, but no one was speaking!

They all know that going to Jingsi Cliff to practice hard for a month is a lie, but it is true to brainwash those disciples who have passed the examination!

Although they all knew it, they had no choice but to make Huo Yuanting the sect leader now!

Seeing that no one spoke, Huo Yuanting smiled with satisfaction!

Then he glanced outside and asked, "It's already this point. Isn't the assessment over yet?"

At this time, a disciple hurriedly came in from the outside and said: "Master, the assessment has ended long ago, but because a disciple cheated, the assessment exploded and the assessment formation was damaged."

"Elder Cui is repairing the assessment formation, so it will take a few days to complete the repair."

"What? Someone cheated and caused the fire to explode? How audacious, who is it?" Huo Yuanting said with wide eyes!

When Elder Yu heard this, his heart suddenly tightened!

If Chen Ping did this, it would be over. When the time comes to investigate, it will definitely be exposed that he took money to bring people into the sect at will!

But just when Elder Yu was nervous, the disciple said: "It's the outer disciple Lu San. He used the ultimate fire in the bronze mirror to increase the power of the ultimate fire, but he failed to control it, causing the ultimate fire to explode! "

Elder Yu breathed a sigh of relief when he heard it was Lu San.

Huo Yuanting frowned. Lu San was a disciple of his lineage. Although he was only an outer disciple, he was already at the sixth level of Tribulation Realm, which was higher than some inner disciples!

As for using the bronze mirror to cheat, it must have been Liu Shitong's idea. After all, only Liu Shitong had the bronze mirror!

"Master, this cheating in the assessment has damaged the assessment formation. This is a serious crime and must be punished!"

Elder Yu said to Huo Yuanting!

Chapter: 6514

At this time, he wanted to embarrass Huo Yuanting. Since he had imprisoned Elder Hu for thirty years, let's see how his own disciples would be punished for making mistakes!

"Punishment, definitely punishment!" Huo Yuanting nodded, but in his heart he was thinking of ways to excuse Lu San!

"Elder Yu, the sect leader, and Elder Cui have already punished Lu San."

The disciple said!

As soon as he heard this, Huo Yuanting breathed a sigh of relief: "Since Elder Cui has punished me, let's follow Elder Cui's wishes. After all, Elder Cui is famous for being selfless!"

"There was an accident in the assessment this time. Did no one pass the assessment?"

"One person passed the examination by relying on the challenge." The disciple said!

“The challenge passed? Who was it? Who challenged it?”

“It’s a disciple named Cheng Ping, the challenger to Senior Brother Liu Shitong!” The disciple replied!

“What?”

Huo Yuanting stood up suddenly, with a look of disbelief on his face!

Liu Shitong was his most proud disciple, how could he be defeated by an outside disciple?

When Elder Yu heard the word Cheng Ping, he was also shocked. He didn’t expect that it was the person he brought.

He didn’t even expect that Chen Ping had such ability!

“Tell the elder referee to send the jade slips recording the competition!”

Huo Yuanting calmed down, sat back slowly and said!

“Yes!” The disciple turned around and left to find the elder referee!

Several other elders were whispering among themselves!

“Whose disciple is this? Can he defeat Liu Shitong?”

“It’s really hidden, but the name Cheng Ping is very unfamiliar!”

“Isn’t it that the most powerful disciple outside our Ziyang Sect is Lu San? How come Cheng Ping appears?”

Several elders were discussing, but Elder Yu was silent!

Now that Chen Ping is famous, just don’t reveal that he is accepting money!

“Elder Yu, do you know this Cheng Ping? Whose disciple is he?”

Chapter: 6515

An elder asked!

Elder Yu hesitated for a moment and said with a slight embarrassment: “He is a disciple I just accepted!”

“What? The disciple that Elder Yu just accepted?”

At this time, all the elders were furious!

The disciple he just accepted defeated Liu Shitong. This is so awesome!

At this moment, the referee elder hurriedly delivered the jade slip of record!

As a burst of spiritual power penetrated into the jade slip, a white mist slowly appeared in the void!

Immediately afterwards, the scene of Chen Ping and Liu Shitong competing in martial arts appeared in the white mist, and even the sound was clear!

This is also for the sake of fairness. If the referee elder is unfair, there are still recording jade slips for other elders to judge!

Seeing Chen Ping competing with Liu Shitong, everyone was shocked!

Especially when Chen Ping was burned by the ultimate fire, even the elders like them might not be able to withstand the power of the ultimate fire!

However, the scenes of Liu Shitong using the top-secret Ultimate Fire and the Black Magic Lotus were also exposed!

Seeing this, Huo Yuanting's face looked uglier than eating shit!

After all, even ordinary elders are not qualified to learn this top-secret fire, but Liu Shitong, a deacon disciple, actually knows the top-secret fire. Needless to say, everyone knows that it must have been taught secretly by Huo Yuanting!

There is also the Black Demonic Lotus. Although Liu Shitong did not learn demonic skills, the Black Demonic Lotus is also a demonic cultivator. It is shameless for a human sect monk to secretly breed a demonic creature!

Looking at the fighting scene, everyone's expressions became complicated!

Until the end, Liu Shitong was punched away, and then the scene of begging for mercy and calling big brother appeared. Huo Yuanting couldn't sit still anymore!

With a wave of his hand, the jade slip of record was destroyed, and the picture disappeared instantly.

“Waste, simply waste...”

Huo Yuanting was angry!

His proud disciple was beaten in public and begged for mercy, while still calling him “big brother”!

The other elders were shocked and secretly covered their mouths and laughed!

Elder Yu put away his shocked look and then said to Huo Yuanting: “Master Huo, your proud disciple is really awesome. He even understands the top-secret fire of our Ziyang Sect.”

“I remember the rules of the Ziyang Sect. The top-secret ultimate fire is not allowed to be practiced by disciples below the elders. Now your disciple is just a deacon. How did he refine the top-secret ultimate fire?”

Chapter: 6516

Elder Yu took a preemptive strike. He wanted Huo Yuanting to be tired of explaining and forget to ask some questions about Chen Ping!

Otherwise, it would be very difficult for him to investigate!

“Yes, then how did Liu Shitong become such a top secret?”

“There is also something from the demon clan in his body, so Liu Shitong won’t follow the demon cultivator secretly, right?”

Another elder stood up and asked!

Huo Yuanting had cold sweat on his forehead. Although he was the sect leader, the rules of the Ziyang Sect could not be broken!

“Maybe Liu Shitong secretly learned from me while I was practicing. I will investigate this matter clearly.”

“Everyone has nothing else to do, so just leave!”

Huo Yuanting waved his hand, then stood up and left in a hurry!

Seeing Huo Yuanting leave, Elder Yu also breathed a sigh of relief. It seems that Huo Yuanting will not ask about Chen Ping’s affairs for the time being!

“Elder Yu, where did you find this awesome disciple?”

“This is so awesome, I beat Liu Shitong until he called me big brother.”

“If there were more disciples like this, it would be impossible for the old sect leader to be squeezed out by Huo Yuanting!”

Several elders surrounded Elder Yu and asked chatteringly!

“I took this disciple in Hu Huangcheng. I didn’t expect him to be so powerful!”

After Elder Yu finished speaking, he left in a hurry!

He just collects money to do things, and has no idea that Chen Ping is so awesome!

However, it is not a good thing for Chen Ping to be too awesome. After all, it will not be good for Chen Ping to be too conspicuous!

At this moment, in Elder Yu's mansion, Chen Ping was surrounded by Wei Qing, Qian Xiu and the others, and was regarded as a great hero!

"Junior brother, you are so awesome. Even my senior brother feels ashamed in front of you."

"This is the spiritual coin that won Liu Shitong. See if the number is correct!"

Wei Qing said, placing two large bags of purple gold spirit coins in front of Chen Ping!

These were all Liu Shitong's bets with Chen Ping and lost to Chen Ping!

Chen Ping didn't even look at it, he just put away his bag of purple gold spirit coins, then returned the remaining bag to Wei Qing and said: "Senior brother, give this bag of purple gold spirit coins to all the brothers."

Chapter: 6517

"During the competition just now, everyone was worried about me!"

There are more than a hundred purple gold spirit coins in a bag. Even ordinary sects don't have this kind of generosity!

Wei Qing took the purple gold spirit coin with trembling hands, nodded and said: “Okay, I’ll give them points now!”

The other brothers and sisters were all excited and kept praising Chen Ping!

Some of them have to kowtow to Chen Ping. After all, many of them are outer disciples with low status. Not to mention having so many spirit coins, they have never even seen them before!

This is like going from being a beggar to suddenly becoming a millionaire!

The reason why Chen Ping did this was to win over people’s hearts so that he could move freely in Ziyang Gate!

“Junior brother, this is the first time I have seen a man like you. You are powerful, wealthy, and also humble.”

“You don’t know. I was scared to death just now, senior sister. I thought you were going to die.”

Qian Xiu took Chen Ping’s hand and said with concern!

Qian Xiu’s hands were weak and boneless, constantly rubbing against Chen Ping!

Wei Qing felt a little unhappy when he saw it. He secretly liked Qian Xiu, but now that Qian Xiu was treating Chen Ping like this, Wei Qing could only watch and didn’t dare to say anything!

You know, Wei Qing likes money more than women!

It was impossible for him to offend Chen Ping for Qian Xiu, not to mention that Qian Xiu took the initiative to seduce Chen Ping!

Chen Ping withdrew his hand and said, "Senior sister, I will still have to take care of you in Ziyamen from now on!"

"Don't worry, junior brother. If you have anything to do at Ziyang Sect in the future, just come to me."

"If I can't do it, then let Senior Brother Wei Qing come forward. If anyone dares to bully Junior Brother, we will not agree!" Qian Xiu said, patting his chest!

"Yes, if we don't agree, we will follow our junior brother from now on!"

Everyone said in unison!

"Thank you so much, senior sister!" Chen Ping smiled slightly when he saw everyone like that!

"Junior brother, you have just arrived, so you probably haven't arranged a place to rest yet. There are many disciples in Elder Yu's mansion, so there probably won't be any spare rooms."

"If you don't mind, little junior brother, I will take you to my place. My master is locked up now, and I have the final say in the entire mansion."

"And I can always talk to my junior brother..."

Qian Xiu actually wanted to ask Chen Ping to live with him!

This was blatant seduction, but others didn't laugh at Qian Xiu!

After all, if men like Chen Ping were women, they would jump into her arms without hesitation!

"Junior Sister Qian, I can give up my room so that Junior Brother can rest, so I won't bother you."

"I guess Master will be back soon. When Master comes back, he will definitely talk to Junior Brother. It won't be convenient for him to go anywhere."

Wei Qing stopped Chen Ping from going!

Chapter: 6518

"Hmph, stingy..."

Qian Xiu rolled his eyes at Wei Qing!

At this time, Elder Yu came back. Seeing Elder Yu coming back, Qian Xiu hurriedly stepped forward and said, "Elder Yu, I wonder if anything about my master was mentioned in the council this time?"

"He just contradicted the Huo clan master a few words, but he was going to be imprisoned for thirty years. It's too heavy!"

"There is nothing we can do about this matter. Huo Yuanting is very determined, but we will still intercede with Elder Hu. You should go back first." Elder Yu said!

Qian Xiu nodded, and then left with several disciples!

After Qian Xiu left, Elder Yu asked Wei Qing to leave with others. Only Elder Yu and Chen Ping were left in the entire hall!

“If you make such a big noise, someone will notice you.”

“Learn to be more low-key from now on, so that no one will discover you!”

Elder Yu reminded Chen Ping!

“Don’t worry, I’m measured!”

Chen Ping nodded!

Elder Yu did not ask about Chen Ping’s identity, nor about Chen Ping’s strength!

Since he has collected the money, Elder Yu also knows that he should ask what should be asked and should not ask what should not be asked!

This is a matter of principle!

Use people’s money to eliminate disasters with others. Only in this way can we have more cooperation in the future!

Nowadays, the Ziyang Sect is constantly fighting within itself, and with Huo Yuanting excluding dissidents, Elder Yu doesn’t know how long he can stay in the Ziyang Sect.

At this time, making a lot of money is the most important thing!

“It’s good to be measured, but you have to be careful. Liu Shitong is not a generous person.”

“Disciples who still have to pass the inner sect are going to study hard at Siguo Cliff for a month. It was just announced. I don’t know if you need to go!”

“I will try my best to fight for you. Don’t think about it. That place is said to be a hard training, but it is actually a place for brainwashing. It may turn people into fools.”

Elder Yu said to Chen Ping!

“A month of hard training?” Chen Ping was stunned when he heard this. He didn’t have time to spend a month here!

What’s more, he has a bet with Mu Qing, so he can’t stay in Ziyang Sect for a month!

Chapter: 6519

“Elder Yu, I am now an inner disciple, and I hope you can arrange for me to meet with the old master as soon as possible.”

Chen Ping said!

“I will arrange it, but Huo Yuanting is very strict with the old sect leader now. It is very difficult for even the descendants of the old sect leader’s family to meet him.”

“Don’t be anxious yet. If possible, I will let you meet the old sect leader’s daughter first. If the old sect leader’s daughter knows how to overcome the calamity through fire, you won’t have to meet the old sect leader.”

“After finishing your business, leave the Ziyan Gate as soon as possible, otherwise you will be stared at and it will be very troublesome!”

Elder Yu didn’t want Chen Ping to stay at Ziyan Gate for a long time. After all, it would be difficult for him to deal with the person he brought in after being investigated!

“Okay, everything will be subject to the elders’ arrangements!”

Chen Ping nodded.

Now that he is here, Chen Ping can only listen to Elder Yu, otherwise Chen Ping will not recognize the old sect leader even if he sees him!

Elder Yu left, and Wei Qing walked in and asked very curiously: “Junior brother, what did master tell you?”

“It’s nothing. Master told me to keep a low profile. He also wanted me to meet the old sect leader’s daughter.”

Chen Ping smiled slightly and said!

“What? Master wants you to see Senior Sister Zhu Ling?”

Wei Qing’s eyes were full of surprise: “Junior brother, you don’t know that Senior Sister Zhu Ling is a rare beauty. She usually lives in seclusion. Even the disciples of Ziyan Sect, not many people have seen her.”

“I’ve heard that a man’s soul will be taken away by just one look at her. I’ve never had the chance to see her.”

“Unexpectedly, as soon as you entered the inner gate, Master asked you to see her. I really want to see her!”

“Senior Sister Zhu Ling? Is she the daughter of the old sect leader?”

Chen Ping asked doubtfully!

“Yes, this is the only daughter of our old sect leader. She has received the true inheritance from the old sect leader. Many sects and families in the Central Region wanted to propose marriage, but they were all rejected by Senior Sister Zhu Ling.”

“I heard that Senior Sister Zhu Ling doesn’t like any man. There are also rumors that she is a lesbian and only likes women...”

Wei Qing lowered his voice and whispered to Chen Ping!

After hearing this, Chen Ping couldn’t help laughing!

She was aloof and looked down on men, so she was rumored to be a lesbian.

What is the logic?

Chapter: 6520

“Senior brother, I’m a little tired and want to take a rest. You’d better take me to a resting place!”

Chen Ping doesn't want to listen to Wei Qing's gossip!

As for whether Zhu Ling is a lesbian, Chen Ping doesn't care, it has nothing to do with him!

"Okay, I'll take you there, and you can stay in my room!"

Wei Qing nodded!

Wei Qing took Chen Ping to his own small courtyard. Because Wei Qing is a deacon disciple and is different from ordinary inner disciples, he has his own separate small courtyard!

Although the courtyard is not big, it is very exquisite. There are many spiritual flowers and grasses planted in the courtyard, and the spiritual energy is very rich!

Moreover, there are formation patterns around the courtyard, which were also arranged by others!

It is estimated that when you reach the level of a deacon disciple, you can enjoy benefits that ordinary disciples cannot enjoy!

"Junior brother, although my courtyard is not as good as Liu Shitong's, it is still pretty good among the deacon disciples of Ziyan Sect. You can live here, and I will live outside with other junior brothers!"

Wei Qing said!

"Senior brother, there are several rooms in this courtyard, which are enough for the two of us to live in. Why do you still have to go outside? Just live together!"

Chen Ping said!

“Junior brother, although we have a room, living together will inevitably cause disturbance and affect our cultivation. It’s fine for me to live with other junior brothers.”

Wei Qing smiled and then walked out!

Chen Ping didn’t say much, then closed the door and took a rest!

After calling out the two ultimate fires that had just been absorbed and refined, Chen Ping started to temper them!

Especially the Ziyang Sect’s top-secret Supreme Fire, because Liu Shitong didn’t have much Supreme Fire in his body, and Chen Ping absorbed it separately and secretly, so it was very weak.

Chen Ping slowly nourished and quenched the two supreme fires, making the two supreme fires slowly begin to become stronger!

The five kinds of ultimate fire make Chen Ping’s fire stars extraordinarily bright!

With a gentle wave of Chen Ping’s palm, five types of ultimate fire jumped out around Chen Ping. The various colors of ultimate fire shone with light, and the breath of each ultimate fire was completely different!

For a moment, Chen Ping’s body was illuminated by the fire in various colors, and from the outside, it looked like the room was turned on with colored lights!

Chen Ping circulated the ultimate fire, and then circulated these ultimate fires in various parts of the body. Then Chen Ping relaxed his mind and allowed the ultimate fire to burn his body!

Chen Ping planned to use the ultimate fire to temper his body. When he competed with Liu Shitong, the reason why Chen Ping was not afraid of Liu Shitong's ultimate fire was because he had extremely cold ice flames, so Chen Ping was not burned!
