

The Order 6521

Chapter: 6521

It's not that Chen Ping's physical body is not afraid of extreme fire, so Chen Ping plans to use extreme fire to temper his physical body. If he can achieve the point where his physical body is not afraid of extreme fire, that would be really awesome!

However, Chen Ping had just relaxed his mind and allowed it to be roasted by the fire. The severe discomfort made Chen Ping almost scream!

This fire-tempered body has no defense, just like throwing ordinary people into a fire!

Chen Ping cannot use spiritual power to form protection, let alone use other techniques to offset the power of Zhihuo!

What Chen Ping needs is to grit his teeth and persevere. Only by going through the most severe quenching can Chen Ping's body be able to withstand the fire!

Chen Ping gritted his teeth and felt that his body was about to be burned!

Cold sweat broke out all over my body, and my eyes turned red!

Although it was painful, Chen Ping remained silent!

The tempering of the physical body is the most painful thing, so no matter how high the realm of many monks are, they only become better in their skills and aura!

The physical body is still fragile. After all, few monks can temper the physical body!

But Chen Ping is different. Chen Ping has been quenching his physical body from the beginning. As his realm improves, Chen Ping's physical body quenching has continued!

Although it is very painful every time, the rewards are also huge!

Chen Ping's physical body is not destroyed, so he doesn't need to reshape his physical body or resurrect his body like other monks!

I don't know how long it took, but Chen Ping could no longer feel the heat!

At this moment, the bones in Chen Ping's body were already as crystal clear as jade, and his body exuded the aura of an ancient venerable from the inside out!

"You kid, that's not how cultivation works. Whether it's tempering the physical body or practicing the techniques, you have to do it slowly and gradually."

"You kid have been quenching your body with fire for a whole day and a night. If your body hadn't been strong enough, I'm afraid your body would have been burned this time, and maybe even your soul would have been burned completely!"

"If your soul is burned away by then, where will you let me go? It will make me anxious all day and night!"

Demon Lord Chiyun said to Chen Ping angrily!

"one day one Night?"

Chen Ping was surprised. He didn't expect that he had been tempering for so long!

“When I’m quenching my body, no one will come to disturb me, right?”

Chen Ping asked quickly!

It would be troublesome if people discovered that he actually had five kinds of supreme fire, especially the supreme fire of the Ziyang Sect, and even the top-secret supreme fire of the Ziyang Sect. If this was discovered, Chen Ping would be unable to defend himself!

Chapter: 6522

“Don’t worry, no one has been here. They probably think you need to rest for a few days to recover.”

Demon Lord Chiyun said!

“That’s good!” Chen Ping breathed a sigh of relief!

Then I walked out of the room and saw that it was already very late!

The bright moonlight shone on Chen Ping’s body, giving Chen Ping a faint white light!

This is the result of the body being quenched by the ultimate fire!

“In this desert land in the Central Region, the temperature is very high during the day, but I didn’t expect it to be so suitable at night.”

Chen Ping felt the moonlight and the breeze, feeling indescribably comfortable all over his body!

Slowly walking out of the courtyard, Chen Ping planned to have a good time at Ziyanmen!

He is now an inner sect disciple, so he can go to all these inner sect places.

There were no disciples guarding the inner sect, so Chen Ping walked around freely without anyone stopping him!

Soon, Chen Ping walked to a quiet courtyard without knowing it!

However, there is a large amount of spiritual energy rising from this courtyard, and this spiritual energy is actually mixed with fairy energy!

“This small courtyard is much better than Senior Brother Wei Qing’s!”

Chen Ping took one look and actually opened the door and walked in!

I saw various fairy trees and vegetation growing in the small courtyard, and in the middle of these vegetation, there was a spiritual pool, full of spiritual liquid, exuding white mist!

The spiritual energy turns into mist, which is enough to show how full the spiritual energy is in the spiritual pool, and there is also some fairy energy mixed in the spiritual pool!

“Whose courtyard is this? There is a spiritual pond, what a luxury!”

Chen Ping thought to himself, then looked around, but found no one!

You can't even detect the presence of someone!

"Since no one lives here, I just want to take a bath in this spiritual pool!"

As Chen Ping spoke, he began to take off his clothes, and finally jumped into the spiritual pool!

A large amount of spiritual mist enveloped Chen Ping, making Chen Ping feel comfortable all over!

Chen Ping activated the Heart Condensation Technique without hesitation, and a large amount of spiritual energy and immortal energy were absorbed by Chen Ping!

Now that Chen Ping has discovered this spiritual pool, Chen Ping will not be polite!

You must know that Chen Ping needs to consume a lot of resources to advance to a small realm. Chen Ping needs to use all available resources!

Chapter: 6523

Chen Ping was lying quietly in the spiritual pool, with the moonlight shining on his body. Chen Ping's body was almost translucent!

Around Chen Ping's body, countless small whirlpools are constantly absorbing the spiritual energy in the spiritual pool!

The thick spiritual mist is decreasing visibly to the naked eye!

If anyone sees Chen Ping's absorption speed, they will probably be shocked!

Just when Chen Ping closed his eyes slightly, his body was floating in the spiritual pool, absorbing the spiritual energy, and felt extremely comfortable!

Several bubbles emerged from the bottom of the water, and then a girl with long hair emerged from the water!

The girl's skin is like mutton-fat jade, without any blemishes, as if it had been soaked in milk!

"Why did the spiritual energy in this spiritual pool dissipate so quickly?"

The girl got out of the water with confusion on her face and looked around!

But when she set her sights on Chen Ping, she was stunned for a moment, her mouth opened wide, her eyes widened, and she was completely dumbfounded!

At this time, Chen Ping was floating naked on the spiritual pond, and Chen Ping's body illuminated by the sun was emitting a faint white light!

Chen Ping's entire body was exposed to the girl's eyes!

But Chen Ping didn't know it at all, he still closed his eyes and enjoyed it!

"ah....."

Along with the girl's scream, Chen Ping was so frightened that he opened his eyes!

Chen Ping quickly looked up and saw the naked girl!

The two people looked at each other!

Two strangers, a man and a woman, actually met each other frankly at this moment. This atmosphere was both awkward and subtle!

Chen Ping looked at the girl's mutton-fat jade-like skin and her graceful figure, and his heartbeat started to speed up!

You must know that Chen Ping has no shortage of women around him, and there is no shortage of beauties either.

Now Chen Ping can feel calm when facing women!

But at this moment, Chen Ping's heartbeat started to speed up and his breathing became heavy!

Because this girl's skin is so good, her whole face seems to have been deliberately carved!

Among the women around Chen Ping, the only one whose skin can match the skin of the girl in front of him is Ji Ruxue!

Chapter: 6524

But Ji Ruxue is in the secular world, and Chen Ping hasn't seen her for several months!

“Rogue, bastard...”

After a brief look at each other, the girl suddenly sank into the water and swung her palm towards Chen Ping!

Chen Ping jumped directly to the shore, grabbed his clothes and ran to put them on!

At this time, Chen Ping was afraid that he couldn't explain it clearly!

Late at night, I ran into someone's yard and even stripped naked and jumped into someone's spiritual pond to take a bath!

It's useless no matter what!

Chen Ping ran away, but the girl didn't chase him!

After returning to his courtyard, Chen Ping let out a sigh of relief. Fortunately, no one saw him. It would be embarrassing if he was regarded as a pervert!

Not to mention learning the ultimate fire fusion technique, I'm afraid I won't be able to stay in Ziyang Sect any longer!

But thinking of the girl's figure and skin, Chen Ping's lips curved into a smile!

Although I saw it accidentally, I still saw it after all!

“Junior brother, it's so late and you haven't rested yet. Were you woken up too?”

At this time, Wei Qing came over and asked Chen Ping!

Seeing Wei Qing ask this, Chen Ping immediately reacted, nodded and said: "Well, I just heard something like a sound, so I came out to take a look!"

"I don't know who it is, but it's the one who yelled so much at night. I must find out tomorrow and punish him severely!"

Wei Qing said angrily!

"Senior brother, maybe it's too repressed. I just want to vent my emotions at night. I don't think it's necessary to be so strict."

Chen Ping said quickly!

He didn't want Wei Qing to investigate tomorrow. If the investigation came out, how could he stay?

"Junior brother, I didn't expect you to be rich, powerful, and kind-hearted. Good men like you are really rare!"

Wei Qing praised Chen Ping!

"I'm afraid there are not many men like me in the entire heaven and human world!"

At this time, Qian Xiu walked in!

Chapter: 6525

Seeing that it was Qian Xiu, Wei Qing was stunned and said: "Junior sister Qian, you are not staying at your own mansion at night, why are you here?"

"Senior brother, I came to see how my junior brother is recovering, and I brought some fruit to my junior brother by the way!"

With that said, Qian Xiu took out a few bright red spiritual fruits from his arms!

You must know that in a desert place like Ziyamen, it is too difficult to eat fruit, not to mention that this is a spiritual fruit!

"Junior sister Qian, you...did you steal Elder Hu's spiritual fruit?"

Wei Qing looked at those spiritual fruits and said in surprise!

"How can it be considered stealing? Now that my master has been imprisoned for thirty years, I have the final say in the entire mansion, so I will distribute these things."

"I was worried that my junior brother would not recover well, so I brought it to him!"

"Junior brother, hurry up and eat. Only elders can see this kind of thing!"

Qian Xiu handed several spiritual fruits to Chen Ping!

Chen Ping was not polite: "Thank you, senior sister!"

"Why are you being polite to Senior Sister? Whatever you want, just follow Senior Sister and Senior Sister will satisfy you!"

Qian Xiu said with a smile!

This made Wei Qing on the side so envious that he almost cried with envy!

Chen Ping was also speechless for a while. He could see that Qian Xiu wanted to sleep with him!

But Chen Ping has no feelings for Qian Xiu!

Although Qian Xiu is good-looking and can be considered a beauty, compared with the women around Chen Ping, she is still a bit uninteresting!

If compared with the girl I saw in the spiritual pool just now, it is even worse!

"Senior brother, did you know that Huo Dong is back today?"

Qian Xiu said to Wei Qing!

"What? Why is he back? Wasn't he expelled from the sect?"

Wei Qing said with a puzzled look!

“Who knows? Now that his father is the head of the sect, he must have called him back.”

“Furthermore, Liu Shitong is going to be beaten to death by his junior brother. Master Huo must find a capable helper!”

Chapter: 6526

Qian Xiu said!

“Senior brother, who is this Huo Dong?”

Chen Ping asked curiously!

“This Huo Dong is the son of Master Huo. He was kicked out of the sect and I don’t know where he went.”

“I didn’t expect to be back now!”

Wei Qing explained!

“Why was he kicked out of the sect?” Chen Ping was confused. How could Huo Yuanting be an elder before? Why was the elder’s son kicked out of the sect?

“Junior brother, you don’t know something. Huo Dong is a big pervert. Many of the female disciples who were in the sect at that time were ruined by him.”

“As a result, there were fewer and fewer female disciples of Ziyan Sect, but because his father was an elder, no one took care of him.”

“I didn’t expect that this guy was so bold that he actually attacked Senior Sister Zhu Ling and almost killed her. Fortunately, he was discovered.”

“At that time, when the old sect leader saw that his daughter was almost ruined, he wanted to kill Huo Dong in a rage. However, after several elders begged for mercy, he expelled Huo Dong from the sect!”

“Now that the old sect leader has abdicated, Huo Yuanting has become the sect leader. Unexpectedly, he called his son back. Now the female disciples in the sect will suffer again.”

Wei Qing sighed and said!

After Wei Qing finished speaking, Chen Ping couldn’t help but look at Qian Xiu. After all, Qian Xiu was also a female disciple!

Seeing Chen Ping looking at him, Qian Xiu quickly explained: “I have never been touched by that Huo Dong. I am still innocent!”

“Junior sister Qian has not been touched. Elder Hu was watching closely at that time, so Huo Dong couldn’t find a chance to make a move.” Wei Qing also said quickly!

“Senior Sister Qian, you have to be careful when Huo Dong comes back. Now that Elder Hu is locked up, no one will make the decision for you. If Huo Dong acts randomly, can you beat him?”

Chen Ping reminded Qian Xiu!

When Qian Xiu heard this, he shook his head: “When Huo Dong left, he had already reached the eighth level of Tribulation Realm. Now I don’t know where he has been promoted.”

“If he messes around, I will commit suicide directly. Even if I die, I can’t let him ruin it.”

When Qian Xiu said this, her face was determined. It was obvious that at that moment, she really dared to commit suicide!

“Sister Qian, even if you committed suicide, if Huo Dong is still interested in your body, wouldn’t it be...”

Chen Ping didn’t finish speaking, he believed Qian Xiu knew what he meant!

Qian Xiu’s face became very ugly. She had never thought about this!

Chapter: 6527

Then it’s impossible for Huo Dong to be so perverted, right?

But no one can tell!

Qian Xiu is in trouble!

“Junior sister Qian, if Huo Dong brings you trouble, tell me and I will protect you!”

Wei Qing saw Qian Xiu’s embarrassed look and quickly said!

“Senior brother, can you beat that Huo Dong?” Qian Xiu asked!

“I.....”

Wei Qing was speechless for a while, of course he couldn't beat him!

"Sister, why don't you come and live with me? If he comes here to trouble you, I won't let him walk out of this door."

Chen Ping said to Qian Xiu!

When Qian Xiu heard this, he nodded excitedly: "Okay, okay, I'll sleep with my junior brother. I'll get the bedding now..."

After Qian Xiu said that, he ran to get the quilt!

Chen Ping looked at Qian Xiu like that and immediately gave a bitter smile. He was really just one-way Qian Xiu's safety, so he let her sleep here!

There is absolutely no other meaning, but Qian Xiu probably didn't think so!

Wei Qing also looked at Chen Ping with envy: "Junior brother, you actually don't know that Junior Sister Qian is usually quite aloof, but now in front of you, she has become a little fan girl!"

"You are in luck tonight, enjoy it and I won't disturb you!"

"Senior brother, you misunderstood. I'm really just worried about Senior Sister Qian's safety. I have no other ideas. And I won't touch Senior Sister Qian." Chen Ping hurriedly followed Wei Qing to explain!

"Okay, you don't need to explain. Even if you don't have any ideas, can you guarantee that Junior Sister Qian doesn't have any ideas?"

“Looking at her like that, she will probably eat you tonight. Just take care of yourself!”

After Wei Qing finished speaking, he turned and left!

Soon Qian Xiu came with the quilt in his arms and pulled Chen Ping into the room without any explanation!

Chen Ping hurriedly entered the room and closed the door!

“Senior Sister Qian, there is a room next door. You’d better go over and sleep there. I’m used to sleeping alone!”

Chen Ping wouldn’t let Qian Xiu enter his room!

Qian Xiu worked hard for a long time, but when he saw that Chen Ping was unmoved, he could only go to the next door angrily!

Seeing Qian Xiu go to the next door, Chen Ping lay on the bed and fell asleep peacefully!

At this time, in the mansion of the sect master of Ziyang Sect!

In front of a tall building, several Ziyang Sect disciples stood!

In this building, Huo Yuanting was sitting in the main seat of the hall. Under his head, there were also several elders sitting, all of whom were from his lineage!

These elders all followed him, so Huo Yuanting summoned them late at night!

However, these elders do not have as much say in Ziyang Sect as Elder Yu, Elder Hu and others!

After all, Elder Yu and Elder Hu are all highly respected elders of the Ziyang Sect, trained by the old sect master during his time!

Moreover, Elder Yu, Elder Hu and others had the same status in Ziyang Sect as they did before following Huo Yuanting!

It's just that Huo Yuanting used tricks to make the old sect leader abdicate. When he became the sect leader, his status was inferior to that of Elder Yu. Elder Hu and the others got into trouble!

This is why Elder Hu contradicts him and doesn't accept him as the leader of the sect at all!

Today Huo Yuanting summoned several of his elders to discuss how to consolidate his position!

Chapter: 6528

Behind Huo Yuanting was Huo Dong, who had been expelled from the sect. At this time, Huo Dong was wearing a black brocade robe, a jade crown on his head, deep eyes, and a proud look on his face.

Even though he was expelled from the sect, even when facing these elders, Huo Dong had no expression on his face!

"Master, now you are in power and have welcomed the young master back. If anyone disobeys you in the future, just lock him up, just like Elder Hu, who will be locked up for 30 years."

At this time, a thin elder stood up and flattered Huo Yuanting!

“Yes, now Master Huo has the final say in the entire Ziyang Sect. Even if Elder Yu and his guys are unhappy, they dare not do anything. Do they dare to rebel?”

Another elder echoed!

After hearing this, Huo Yuanting did not speak, but looked at the last elder, who was bloated and had his eyes slightly closed!

“Elder Tian, do you have any opinions?”

Huo Yuanting asked!

And Elder Tian slowly opened his eyes and said slowly: “As long as the Divine Fire Seal is not obtained, the position of Sect Master Huo will not be stable. Although the old Sect Master abdicated due to illness, he still has a daughter.”

“If the Divine Fire Seal falls into Zhu Ling’s hands, I think there will not be many people in the entire Zi Yan Sect who will listen to Sect Master Huo.”

“And the young master was expelled from the sect, and now he is welcomed back by the Sect Master. Many people will have complaints in their hearts, and these resentments will inevitably erupt at a certain point.”

Elder Tian’s words made everyone shut up!

Huo Yuanting also had a solemn expression. He knew how he got the position of the Sect Master.

The old Sect Master was drugged by him secretly, and became a little crazy. He would get sick from time to time, so he had to abdicate!

Although he is the Sect Master now, he is only the acting Sect Master, and has not really taken the position of Sect Master!

If you want to take the position of Sect Master, you must get the Divine Fire Seal to command the Ziyang Sect!

This Divine Fire Seal is like a jade seal passed down from generation to generation!

Only by getting this thing can it be considered legitimate!

“Old man Zhu put the Divine Fire Seal into the Divine Fire Mountain many years ago. He probably prevented anyone from snooping on the position of the Sect Master.”

“Now he is so crazy that he can’t even open the Divine Fire Mountain. How can he take out the Divine Fire Seal?”

Huo Yuanting sighed!

“Sect Master, Elder Cui can use the formation to open the Divine Fire Mountain, but this guy is stubborn and won’t listen to us.”

The thin elder said!

Chapter: 6529

“No need to beg Elder Cui. As long as the Sect Master convenes an elders’ meeting and all the elders pass the resolution to open the Divine Fire Mountain, Elder Cui will have to open it. Can he dare to violate the sect’s rules!”

An elder said!

“It’s easy to say, how could Elder Yu and the others agree? They are probably thinking about how to push Zhu Ling to the top.”

The thin elder retorted!

“Okay, stop arguing. We’ll talk about the elders’ decision in a few days, but you must all raise your hands to agree to my son Huo Dong’s return to the sect.”

“As for other people’s opposition, I will pretend not to see it. Anyway, there is no room for negotiation on this matter!”

Huo Yuanting knocked on the table and said!

“Dad, I’m going back to the sect only to help you secure your position. I don’t want to stay in the sect at all. The world outside is more exciting.”

“And I must kill Zhu Ling this time I come back. It’s because of her that I was kicked out of the sect.”

“As long as Zhu Ling becomes my woman, no one in the entire Zi Yan Sect will threaten you.”

Huo Dong raised his lips slightly, his eyes slightly condensed as he said!

“Young Master, don’t be impulsive. I heard that Zhu Ling never goes out and has been practicing all day. It is estimated that her strength has reached the ninth level of the Tribulation Realm.”

The thin elder hurriedly persuaded Huo Dong!

He just came back and wanted to play with the daughter of the old sect master. This is not a good thing!

If things go wrong, the internal struggle of Zi Yan Sect will directly break out and get out of control!

“Hahaha, the ninth level of the Tribulation Realm is nothing!”

Huo Dong laughed loudly, and his aura suddenly burst out, and black flames kept burning around Huo Dong’s body!

“Demon Clan’s Ultimate Fire?”

Everyone was shocked, only Huo Yuanting had no expression on his face, as if he had known that Huo Dong had practiced magic!

Then the ultimate fire around Huo Dong’s body turned brown and then lavender. As the ultimate fire changed, Huo Dong’s aura kept rising!

“The peak of the Tribulation Realm?” All the elders were stunned!

None of them thought that Huo Dong, who left the eighth level of the Tribulation Realm, had reached the peak of the Tribulation Realm after returning!

With just a small opportunity, Huo Dong could ascend to the Mahayana realm!

It was simply incredible, especially since Huo Dong's body actually mastered three kinds of ultimate fire!

Chapter: 6530

"Elders, with my strength, if I want to play with Zhu Ling, no one will stop me, right?"

Huo Dong said with a faint smile!

Everyone was silent. With this strength, I'm afraid that Elder Yu can't stop it at all!

"In fact, there is another reason why my son came back this time, that is, to use the Divine Fire Seal as an opportunity to break through the Tribulation Realm and ascend to the Mahayana master."

"So I will find a way to open the Divine Fire Mountain in the next few days to expose the Divine Fire Seal."

Huo Yuanting said!

At this time, everyone also understood why Huo Yuanting suddenly called Huo Dong back from outside!

If the Divine Fire Seal can be used as an opportunity to allow Huo Dong to break through the Tribulation Realm and ascend to the Mahayana realm, then it is really worth it!

"Master, I do have an idea. I think it will get Elder Yu and the others to agree to open the God Mountain."

Then Elder Tian spoke!

“What idea?” Huo Yuanting asked with interest!

Elder Tian has always been Huo Yuanting’s think tank, which is why Huo Yuanting asked Elder Tian by name at the beginning!

And Elder Tian dared to close his eyes and pretend to sleep in front of Huo Yuanting, all because of his brain!

Elder Tian’s strength is not that high, but his brain is good!

The world of heaven and man respects strength, and many people work hard to cultivate, so their IQ is not high!

Anyone with a little brain can be a think tank!

“Master, Elder Yu and others have been unhappy about Elder Hu being imprisoned for thirty years.”

“We can use Elder Hu as a bargaining chip. As long as Elder Yu and others agree to open the God Mountain Fire, Elder Hu can be released and not imprisoned for thirty years.”

“If they don’t agree, then keep him imprisoned. These elders from the old master’s lineage have a deep friendship. I think they will definitely agree for Elder Hu.”

Elder Tian analyzed carefully!

“Yes, why didn’t I think of that?”

Huo Yuanting slapped the table and stood up, his face full of excitement and said: "Then use this method. If Elder Yu and others don't agree, I will lock Elder Hu up for a few more decades to see if they agree!"

"Father, I heard that Elder Yu has a new disciple, and he defeated Liu Shitong in the inner door martial arts test, and let Liu Shitong call him big brother?"

Huo Dong asked Huo Yuanting!
