

The Order 6541

Chapter: 6541

Zhu Ling's top secret ultimate fire is much more powerful than Liu Shitong's, and the purple color is more vivid and obvious!

As Zhu Ling's spiritual sword was swung, rays of sword light headed towards Chen Ping again.

But at this moment, the sword light was burning with flames, and the sword light of different colors, brown and purple, rushed towards Chen Ping.

Wei Qing looked at the terrifying sword light and his face became very ugly!

If he himself were under this offensive, he would definitely be defeated.

Elder Yu also frowned slightly, planning to stop him at any time. It seemed that Zhu Ling had murderous intentions and wanted to torture Chen Ping to death.

"Miss, I hope you will be merciful and don't harm your life."

Elder Yu reminded Zhu Ling loudly!

Zhu Ling snorted coldly and said: "When I take action with my unparalleled spiritual sword, there is no possibility of stopping. This guy is so pretentious. He even uses branches to fight with me. This is looking down on me. Then I will let you go." He saw how powerful I am!"

Elder Yu had a look of helplessness on his face. Facing the ninth-level monk in the Tribulation Realm, Chen Ping didn't respond properly and actually broke branches and used them as weapons!

Isn't this treating this competition as child's play?

"Junior brother, you have to be careful, don't be careless, and pay attention."

"If you don't have a weapon, you can use my sword temporarily."

Wei Qing said, about to throw his sword to Chen Ping!

But who would have thought that Chen Ping shook his head and said, "Senior brother, I appreciate your kindness, and I feel that the branches are more advantageous!"

Chen Ping actually rejected Wei Qing and still used tree branches to resist Zhu Ling's attack!

"Go to hell..."

Zhu Ling's eyes widened in anger, and countless flaming sword lights were spinning towards Chen Ping!

The sword lights of two different colors rotated together and turned into spirit snakes with their mouths open and bloody!

The endless flames made the entire courtyard glow with light!

Seeing Zhu Ling's sword technique and the ultimate fire, Chen Ping actually raised the corner of his mouth!

Whether it is Sword Art or Ultimate Fire, there is still a big gap between Zhu Ling and Chen Ping!

Chen Ping's Nine Shadows Sword Technique is an ancient sword technique. Chen Ping has not yet mastered the Nine Shadows Clone!

As for ultimate fire, Zhu Ling is even worse. Chen Ping has the origin of fire, and there are five kinds of ultimate fire!

Chapter: 6542

Zhu Ling only knows two kinds of fire!

Chen Ping held a branch in his hand, and a trace of extremely cold ice flames shot into it. The temperature around the branch instantly became extremely cold!

Immediately afterwards, Chen Ping used the branch in his hand to strike at the sword lights that turned into spiritual snakes and rushed towards them!

When these spiritual snakes touch the branches in Chen Ping's hand, they will instantly freeze the surrounding flames, then shatter into pieces and disappear without a trace!

Wei Qing, Elder Yu and Zhu Ling were stunned when they saw this scene!

They couldn't figure out what method Chen Ping used to block Zhu Ling's sharp attack with just a branch!

They didn't even understand why the air around Chen Ping suddenly became so cold!

Chen Ping has obviously mastered the ultimate fire. Only by knowing the fire-based skills can one enter the Purple Flame Sect!

Otherwise, Chen Ping would not have approached the old sect leader to find a way to merge with the fire!

But those who know how to use extreme fire can actually use methods that make the surrounding air extremely cold. This is beyond their scope of cognition!

Shouldn't only monks who practice ice-based techniques be able to emit that cold air?

They don't understand the extreme cold ice flames at all, nor do they know the existence of the extreme cold ice flames!

"Sister, you'd better admit defeat, you are no match for me at all."

"If you admit defeat now, maybe the conditions I propose will not embarrass you."

"If you are struggling, then after I win you, I will make you strip naked and dance in front of me."

Chen Ping looked at Zhu Ling and persuaded with a smile on his face!

But in Zhu Ling's eyes, this smile was mockery!

Especially when she took off her clothes and danced, she thought Chen Ping was humiliating her!

“Don’t be complacent, I haven’t shown my true abilities yet.”

Zhu Ling gritted her teeth and then jumped up!

Zhu Ling’s body jumped into the air, and then she threw the spirit sword in her hand. As the fire on the spirit sword shot into the sky, a roar sounded!

A giant dragon with its whole body burning with flames and its bloody mouth appeared!

It was a spiritual snake just now, but this time it was a fire dragon!

The methods are better every time!

Chapter: 6543

When Chen Ping saw this, his face finally showed a hint of solemnity!

If Chen Ping didn’t hide his identity and directly unleashed the power of the dragon to reveal the golden dragon, Zhu Ling’s transformed fire dragon would be vulnerable to a single blow!

But Chen Ping cannot be exposed. If he unleashes the power of the dragon, his identity will no longer be hidden!

The entire heaven and human world can erupt with the power of the divine dragon, and the only one who can make the golden dragon appear is himself!

Chen Ping swung out the branch in his hand, and a white light went straight towards the fire dragon!

But the moment the branch collided with the fire dragon, it turned into powder!

After all, it is just a branch. Although Chen Ping has injected spiritual power and a trace of extremely cold ice flames, it is still a branch!

Seeing the branches turning into powder, the corners of Zhu Ling's lips raised!

He wanted Chen Ping to regret that he would fight with him with a branch!

The fire dragon roared, and its flaming dragon claws shot directly towards Chen Ping!

Wei Qing and Elder Yu were both shocked when they saw this scene. Elder Yu began to exude aura, ready to stop it at any time!

But Chen Ping showed no fear. Although there was no branch, Chen Ping directly swatted out a palm and collided with the fire dragon's claws!

Chen Ping's palms were also filled with flames, and even in the flames, thunder and lightning could be clearly seen!

Chen Ping used Thunder Palm, but he didn't use it completely. He didn't want to be exposed too much in Ziyang Sect!

After Chen Ping's palm collided with the fire dragon, they all retreated!

Seeing this scene, Elder Yu, who had originally planned to take action, suppressed his breath again!

He also didn't expect that Chen Ping would follow the fire dragon with his bare hands without using any weapons!

And it doesn't look like he was hurt at all!

It's just that Chen Ping's palm just now had thunder and lightning flashing in the burning flames, and Elder Yu could see it clearly!

"This kid actually knows the art of thunder and lightning. It seems he really has a lot of things hidden."

Elder Yu is even more interested now!

Although Elder Yu loves money, he accepted Chen Ping's money and brought him to Ziyang's front door to meet the old sect leader and learn the art of ultimate fire fusion!

But he is not stupid, and he will not put Ziyang Sect into danger!

Elder Yu has been secretly observing Chen Ping's intentions!

If Chen Ping really has bad intentions towards Ziyang Sect, Elder Yu will definitely take action!

Money can be earned, but there must be a bottom line!

Elder Yu will not earn money that is detrimental to the Ziyang Sect!

“You now know the consequences of despising me, right? I allow you to take out your weapon, otherwise the next fire dragon attack will kill you.”

Although Zhu Ling was also surprised by Chen Ping’s palm, she was very confident that Chen Ping would definitely not be able to block the next attack!

“It’s useless to use branches to deal with you, I can just use my bare hands!”

Chen Ping waved to Zhu Ling, his teasing intention was very obvious!

“snort.....”

When Zhu Ling saw this, she snorted coldly, then her hands burned with flames, and she kept pinching them, and flames poured into the fire dragon in mid-air!

In an instant, the flames on the fire dragon became more intense!

Chapter: 6544

The flames on the fire dragon’s body burned fiercely, and it opened its bloody mouth and came towards Chen Ping again. Chen Ping, with his bare hands, quietly looked at the charging fire dragon!

Until the fire dragon arrived in front of him, Chen Ping had no intention of dodging or fighting back. This made Elder Yu and Wei Qing a little confused!

“Junior brother, what are you doing?”

Wei Qing shouted loudly!

But at this time, the fire dragon had already swallowed Chen Ping in one gulp and was immediately wrapped in flames!

Just when Wei Qing was nervous and ready to help Chen Ping, he was stopped by Elder Yu!

“Don’t worry, this little flame may not hurt him.”

Elder Yu finally understood that Chen Ping did it on purpose!

Think about how Liu Shitong used the Black Magic Lotus yesterday, but in the end the flames didn’t even hurt Chen Ping at all!

And now Zhu Ling’s extreme fire should not be able to hurt Chen Ping!

Although Elder Yu is more confused about what method Chen Ping used to avoid being afraid of the fire, Chen Ping must be confident if he dares to stand still!

Seeing Chen Ping being swallowed by the fire dragon, Zhu Ling sneered!

“You don’t know what’s wrong, but you still dare to ask me for a bet.”

Zhu Ling smiled coldly, looked at Elder Yu and said, “Elder Yu, I have already won. I don’t care whether your disciple lives or lives!”

“Miss, the outcome has not yet been determined. It’s too early for you to say this.”

Elder Yu said!

“Elder Yu, your disciple has been devoured by my ultimate fire. How dare you say that the outcome is uncertain?”

“If you don’t save him, your apprentice will be burned to ashes!”

Zhu Ling didn’t understand, how could Elder Yu still dare to say that the outcome was uncertain and not bother to save people at all?

“Burn to ashes? Am I that easy to burn to ashes?”

At this time, Chen Ping’s voice came out from the blazing flames!

Immediately afterwards, the flames around Chen Ping were quickly extinguished, and the fire dragon also disappeared without a trace in an instant!

Chen Ping stood quietly in front of Zhu Ling. There was no trace of burns on his body!

“This...how is this possible?”

Chapter: 6545

Seeing that her fire dragon disappeared and Chen Ping was not harmed at all, Zhu Ling was a little confused!

“Why is it impossible? Your Ultimate Fire is too weak and can’t hurt me at all!”

“Now I’m going to fight back, you have to be careful!”

After Chen Ping finished speaking, a flame danced in his palm!

Seeing the ultimate fire in Chen Ping’s palm, everyone looked at it in disbelief, because they could feel the terrifying power of Chen Ping’s ultimate fire!

The crimson fire exudes a shocking temperature. Even if there is only a small ball, the surrounding temperature will rise instantly!

Even the air made a sizzling sound when it came into contact with the fire!

Chen Ping just waved his hand, and the fire burned around Zhu Ling!

Zhu Ling screamed, but there was no way to escape!

“Stop, don’t hurt the eldest lady...”

Elder Yu saw this and hurriedly said to Chen Ping!

“Don’t worry, she won’t be hurt.”

Chen Ping smiled, then looked at Zhu Ling and said, “Are you admitting defeat? If you don’t, I will let the fire burn your clothes and expose you naked to everyone.”

When Zhu Ling heard what Chen Ping said, she was going to be furious.

When Wei Qing on the side heard Chen Ping's words, his face was filled with excitement and he whispered:
"Junior brother, burn, hurry up and burn senior sister's clothes..."

If he could see Zhu Ling without clothes, Wei Qing would probably die!

Although Wei Qing spoke in a low voice, Elder Yu still heard him, so he glared at Wei Qing so fiercely that he was so scared that Wei Qing did not dare to speak!

"I lose, I admit defeat..."

Zhu Ling said helplessly!

She also knew that she really couldn't beat Chen Ping. Even Zhihuo was no match for Chen Ping!

Seeing Zhu Ling admit defeat, Chen Ping pulled off Zhihuo and walked towards Zhu Ling!

But just when she arrived in front of Zhu Ling, Zhu Ling's eyes suddenly flashed with fierceness, and she slapped Chen Ping with her palm!

This guy unexpectedly attacked Chen Ping!

Chen Ping was stunned and immediately became angry. He reached out and gently grabbed Zhu Ling's wrist, and then controlled Zhu Ling with his backhand!

Chapter: 6546

Bang bang bang!

Chen Ping pumped directly towards the bulge on Zhu Ling's back!

Slap after slap very loudly!

"Ah... let me go, let me go..."

Zhu Ling was controlled by Chen Ping and couldn't break away at all.

She didn't expect that Chen Ping would hit her sensitive areas, and she had no ability to defend herself at all!

Wei Qing and Elder Yu were both dumbfounded. None of them expected that Chen Ping would dare to hit Zhu Ling's place!

"Big pervert, let me go, I'm going to kill you..."

Zhu Ling was ashamed and annoyed, and yelled at Chen Ping!

Chen Ping didn't care, he just beat him!

"I want to teach you a lesson. You must be upright. Since you have already lost, you still dare to make a sneak attack. If you weren't at the Ziyang Gate, you would have died long ago."

Chen Ping was also angry and wouldn't stop at all!

Wei Qing and Elder Yu were shocked and anxious.

“Junior brother, stop fighting, stop fighting...”

Wei Qing looked at Chen Ping with envy and said!

Even so, Wei Qing wished he could step forward and give Zhu Ling a slap in the face!

It was a sneak attack. This was indeed unethical!

“Stop, stop quickly...”

Elder Yu also shouted, but Chen Ping didn't listen at all!

In the end, Zhu Ling couldn't bear it any longer, burst into tears, and began to admit her mistake!

“I was wrong. I admit defeat. Stop fighting...”

Zhu Ling cried and said!

Hearing Zhu Ling say this, Chen Ping let go of his hand, but Zhu Ling's face was full of grievances, and she felt a burning pain in her back!

You must know that she is the eldest lady of the Ziyan Sect, everyone respects her, and those disciples tremble all over just looking at her!

Chapter: 6547

Zhu Ling has always behaved like a cold goddess, but now, she was caught and beaten!

He was beaten in front of others!

This psychological gap makes Zhu Ling feel aggrieved!

However, while feeling aggrieved, Zhu Ling actually had a strange emotion towards Chen Ping!

A fourth-level monk in the Tribulation Realm could hold her down and beat her, a ninth-level monk in the Tribulation Realm.

And Zhihuo is so powerful, mainly because Chen Ping doesn't lick himself at all, as if he is not affected by his beauty at all!

You must know that among those inner disciples, every one of them would lick their lips when they saw her, kneeling down and licking their own!

But Chen Ping didn't lick, which made Zhu Ling feel that Chen Ping was different from others!

So the more this happens, the more Zhu Ling feels differently about Chen Ping!

“Miss, are you okay? If Cheng Ping does this, I will definitely punish him well when he gets back.”

Elder Yu hurriedly walked towards Zhu Ling and said!

Zhu Ling glanced at Elder Yu and said, “Who asked you to punish him? We are fighting, and we will inevitably get hurt. Don’t punish him.”

Elder Yu was dumbfounded. He didn’t understand that Zhu Ling was beaten, but she still defended Chen Ping. What was going on?

Women are so difficult to understand!

After Zhu Ling finished speaking, she looked at Chen Ping and said, “I lost. If you want anything, just say it directly...”

“I want a way to fuse the fire...”

Chen Ping said directly!

Just now, Chen Ping said he wanted Zhu Ling to strip naked and dance, which was just to scare him. Chen Ping wouldn’t be so boring!

He came to Ziyan Sect to seek the method of fusion with the ultimate fire. If Zhu Ling understood this, then there would be no need to meet that crazy old sect leader!

“How to fuse with fire?”

Zhu Ling was stunned for a moment, then smiled bitterly and said: "Aren't you making things difficult for me? How do I know how to fuse the ultimate fire? You also saw that my two ultimate fires were separated from each other just now. If I understood With the ultimate fire fusion, I might be able to defeat you!"

Chen Ping knew that Zhu Ling was telling the truth. Zhu Ling's two kinds of ultimate fire were also separated just now. They just relied on rapid rotation and seemed to be fused together!

"Forget it if you don't understand!" Seeing that Zhu Ling didn't understand at all, Chen Ping could only wait for the opportunity to meet the old sect leader!

"Don't you have any other requirements?"

Chapter: 6548

Zhu Ling saw that Chen Ping seemed very disappointed, so she asked!

You know, you are a rare beauty. Now when Chen Ping is asked to make conditions, he only mentions fire fusion, and doesn't seem to mention anything else at all!

Could it be that I am not charming enough?

"No, what else can I ask for!"

Chen Ping shook his head!

When Zhu Ling saw this, she looked a little unhappy. If Chen Ping peeked at her beauty and made some demands about her body, Zhu Ling would not be angry, but would be happy because she is attractive!

But now Chen Ping didn't mention it at all, which made Zhu Ling start to wonder if she was no longer charming!

Wei Qing on the side was very anxious when he saw that Chen Ping didn't ask for anything else. If it were him, he would let Zhu Ling take off her clothes and have a look!

"Miss, I came to see you this time, and I have something else to tell you..."

When Elder Yu saw this, he quickly changed the subject!

"Elder Yu, did something happen again?"

Zhu Ling asked!

Elder Yu nodded: "Elder Hu was imprisoned for contradicting Huo Yuanting and will be imprisoned for thirty years..."

"What? Thirty years?"

Zhu Ling was shocked: "This Huo Yuanting has gone too far. He is just the acting sect leader, but he is so presumptuous."

"Also, Huo Dong is back. Miss, please be careful!"

Elder Yu said!

Zhu Ling frowned: "This guy actually dares to come back. When I see him, I will definitely kill him..."

"Miss, you have to be patient, otherwise our Ziyang Sect will have no hope."

“The top priority is that the eldest lady must speed up your cultivation. When you break through to the Mahayana realm, we can ask Elder Cui to open the divine volcano and obtain the divine fire seal. Then the eldest lady can be the leader of this sect.”

“Huo Yuanting has always wanted to open the sacred volcano. He has talked to Elder Cui several times, but Elder Cui has never agreed.”

“Now that the old sect leader is ill and his consciousness duration is unclear, the method that can allow Elder Cui to open the sacred volcano can only be approved by all the elders.”

“But don’t worry, Miss. We will not agree to open the sacred volcano until you reach the Mahayana realm.”

Elder Yu followed Zhu Ling and said!

“Elder Yu, thank you for your hard work, especially Elder Hu. Please think of a way to see if you can rescue him.”

“If he is really detained for thirty years, Elder Hu will be completely useless.”

Zhu Ling said with a worried look!

“Hey, let’s try our best, but it should be difficult!”

Elder Yu sighed, and then asked: “Miss, have you seen the old sect master recently? Has his condition gotten better?”

Zhu Ling shook her head: “Huo Yuanting sent people to guard him very tightly. I can only go to see my father at a fixed time, but every time I go, my father is in a crazy state.”

After hearing this, Elder Yu fell silent, because this was also the case when they went to see the old sect leader!

He even suspected that Huo Yuanting deliberately asked them to meet when the old sect leader was ill!

“Miss, please take care of yourself. As long as Huo Yuanting doesn’t get the Divine Fire Seal, we will have a solution.”

Elder Yu said!

Zhu Ling nodded heavily, now they can only rely on the Divine Fire Seal!

Elder Yu took Chen Ping and the others away, but Zhu Ling shouted to Chen Ping: “Junior brother, wait a minute, since I lost, I must show something.”

Chen Ping stayed behind with a confused look on his face, not knowing what Zhu Ling was going to say!

Wei Qing also looked envious, but was pulled away by Elder Yu!

“Senior sister, how do you want to express your gratitude? If you want to sacrifice yourself, then forget it. I am not the kind of person who takes advantage of others.”

After Elder Yu and Wei Qing left, Chen Ping asked Zhu Ling!

Chapter: 6549

Zhu Ling rolled her eyes at Chen Ping: “Don’t be so complacent. You looked down on me and hit me. I will remember this grudge.”

“But since I lost, I have to promise you one thing. If you want to learn Fire Fusion, although I can’t, my father can.”

“Senior sister, the old sect master is crazy now, and he is still under guard. You can’t see him casually. Even if he knows how to do it, I can’t see him!” Chen Ping said speechlessly for a while!

“Don’t worry, I have a way to take you to see my father. Although Huo Yuanting used his father’s comfort as an excuse to send people to guard him and set up a formation to prevent people from seeing him casually, I can still see my father secretly. ”

“No one knows this method, so I couldn’t say it in front of Elder Yu and them just now.”

“You come to me tonight, and I will take you to see my father. With your skills and abilities, you definitely don’t come to our Ziyang Sect just to be an inner disciple.”

“You can come in, I’m afraid you have given Elder Yu a lot of money, right?”

Zhu Ling looked at Chen Ping and said with a faint smile!

In fact, she had already seen through that Chen Ping’s ability was not that of an ordinary person, so how could he submit to the elder and be brought in by him?

Moreover, Elder Yu is greedy for money, which is also known to everyone!

The more important point is that most disciples have never even heard of the technique of fusion of ultimate fire!

After all, it is already difficult to master a kind of ultimate fire, and these disciples don't need the ultimate fire fusion!

Those who require the fusion of ultimate fire must at least master at least two types of ultimate fire!

Seeing that Zhu Ling was right, Chen Ping could only smile and said: "I came to Ziyang Sect just to follow the old sect leader to ask for advice on how to fuse the ultimate fire. I have absolutely no other intentions!"

"Then can you tell me what kind of fire you just used? It looks very powerful." Zhu Ling asked!

"The fire in the center of the earth..." Chen Ping said!

"Fire in the Earth's Core?"

Zhu Ling was stunned for a moment, then shook her head: "Never heard of it!"

"There are countless types of supreme fire in the world. It is impossible to have heard of them all. I have never heard of or seen the supreme fire of your Ziyang Sect before."

Chen Ping laughed!

"Then can you pass some of the Earth's Core Fire to me and let me refine it?"

Zhu Ling asked carefully!

After all, it is no small matter to refine it with the ultimate fire. After all, every strand of the ultimate fire refined is very precious!

What's more, Zhu Ling and Chen Ping met by chance and it had nothing to do with each other. Why should they pass it on to you!

Chapter: 6550

"Senior sister, it's not that I'm stingy and don't want to pass it on to you for you to refine. It's just because the fire in the center of the earth is so ferocious that you can't refine it at all."

"Perhaps the two ultimate fires in your body will be devoured by the fire from the center of the earth, and the gain will outweigh the loss!"

"But there is a way to pass on the fire from the core of the earth to you, and also reduce its intensity, making it easier for you to refine it."

Chen Ping said!

"What can I do? Tell me quickly!" Zhu Ling asked curiously!

"Double cultivation, Senior Sister Zhu Ling and I are dual cultivation. Our two auras can be merged. When the fire in the core of the earth feels my aura, there won't be too fierce resistance."

"That way, it will be easier to refine. There is no other way except this method."

As soon as Chen Ping finished speaking, Zhu Ling rolled her eyes at him!

“You big pervert, if you want to sleep with me, just tell me directly, and you still make so many excuses.”

“I don’t want the fire in the center of the earth anymore, I won’t let you sleep!”

Zhu Ling thought Chen Ping was deliberately making this excuse just to sleep with her!

“You don’t want it, I don’t want to give it yet...”

Chen Ping snorted coldly, turned and left!

“Remember, don’t forget to come to me at night...” Zhu Ling reminded Chen Ping.

Chen Ping did not speak, but walked out of Zhu Ling’s yard.

Not long after Chen Ping walked out of Zhu Ling’s yard, he saw Elder Yu following Wei Qing but actually waiting for him and not leaving!

“Junior brother, why did Senior Sister Zhu Ling ask you to stay? Isn’t she really going to do a striptease for you?”

Wei Qing joked after Chen Ping!

“Shut up!” Elder Yu glared at Wei Qing, and then said to Chen Ping: “The eldest lady is also a miserable person. I hope you won’t embarrass her.”

Elder Yu didn't want Chen Ping to embarrass Zhu Ling. If he really asked Zhu Ling to strip naked and dance, that would be a bit too much!

"I understand!" Chen Ping nodded!

At this moment, a Ziyang Sect disciple came in a hurry: "Elder Yu, Sect Master Huo is waiting in the meeting hall and requires all the elders to go to the meeting hall immediately!"

"What is this Huo Yuanting going to do?" Wei Qing frowned when he heard this!

Elder Yu's expression also changed slightly: "There is a sudden meeting at this time. Is it because of the Huo Dong matter?"
