

The Order 6551

Chapter: 6551

“Elder Yu, I don’t know why, but the sect leader just asked you to go right away!”

The disciple said!

“Okay, I’ll be there right away!” Elder Yu nodded!

Then he warned Wei Qing and Chen Ping: “Go back to the mansion and don’t run around. When Huo Dong comes back, he will definitely establish his authority in Ziyang Gate to avoid getting into trouble!”

“I understand, Master!”

Wei Qing nodded!

Elder Yu walked back, while Wei Qing followed Chen Ping back home!

But as soon as I walked to the door of the mansion, I saw a lot of people surrounding the door!

The leader among them was Huo Dong, and beside Huo Dong was Liu Shitong who was leaning on crutches.

Liu Shitong has not recovered yet and relies on crutches to support his movements.

Qian Xiu and a dozen of his disciples stood guard at the door to confront Huo Dong!

“Qian Xiu, you have become more and more intelligent these years since I ran away. Now that Elder Hu is locked up, you have no master and no one to rely on. If you want to follow me, I promise to let you do it every night. “Drunk and dreaming.”

Huo Dong looked at Qian Xiu with lustful eyes and asked!

“Bah, Huo Dong, you are a perverted thief. Sooner or later, you will be castrated and you will become a useless person.”

Qian Xiu spat hard!

“Qian Xiu, you are so brave. Now that Senior Brother Huo Dong is the young master of the Ziyang Sect, you dare to talk to him like this?”

Liu Shitong shouted at Qian Xiu!

“He has been expelled from the Ziyang Sect a long time ago. He is not a disciple of the Ziyang Sect at all. He is a bastard young sect leader.”

Qian Xiu said coldly!

“Whether I am the young master or not, if I want to play with you, who dares to stop me?”

Huo Dong raised the corner of his mouth and reached out to grab Qian Xiu!

Qian Xiu wanted to dodge, but found that she was enveloped by Huo Dong's aura and couldn't move at all. Now Qian Xiu panicked!

But just when Huo Dong was about to catch Qian Xiu, a figure suddenly stood in front of Qian Xiu!

With a surge of aura, Huo Dong's aura was instantly defeated, and Qian Xiu also regained his freedom!

Chapter: 6552

Huo Dong was stunned and looked at the person in front of him!

"Senior Brother Huo Dong, this guy is Elder Yu's new disciple Cheng Ping."

After Liu Shitong saw Chen Ping, his eyes were full of anger!

Huo Dong looked at Chen Ping and said with a smile: "So you are the guy who defeated Liu Shitong and became an inner disciple. You look quite ordinary."

"Do you dare to compete with me? Today I will beat all of you who are not convinced..."

"Are you worthy of comparing with me?" Chen Ping's eyes were full of disdain!

Huo Dong didn't expect Chen Ping to be so aggressive. He frowned slightly and the aura on his body exploded again!

“Young Master, please calm down. The sect leader has told me that you must not cause any trouble in the past two days. The sect master has important things to do today, so you can’t ruin it!”

At this time, a disciple behind Huo Dong quickly reminded him!

When Huo Dong heard this, he suppressed the anger in his heart.

He knew that a plenary meeting of elders would be held today, hoping to open the sacred volcano!

If there is a conflict at this time, I am afraid it will affect the meeting to open the sacred volcano!

“Boy, sooner or later I will let you know how powerful I am!”

“And Qian Xiu, it won’t take long before I let you climb into my bed and howl...”

Huo Dong sneered, then waved his hand and left!

Qian Xiuqi’s face turned red, but she looked helpless!

Elder Hu was imprisoned, and she had no support at all. If Huo Dong forced him to come, she didn’t know what to do!

“Senior sister, don’t worry, as long as I stay at Ziyamen for one day, I won’t let Huo Dong touch you.”

Chen Ping saw Qian Xiu’s helpless look and comforted him!

“Thank you, junior brother!” Qian Xiu said gratefully!

Chen Ping and the others entered the mansion and then closed the door to prevent Huo Dong from causing trouble!

At this time, in the meeting hall of Ziyan Gate, all the elders were present!

Even the elder referee and Elder Cui are not missing!

Elder Yu saw all the elders summoned, and he had already guessed the reason!

Chapter: 6553

Huo Yuanting glanced at everyone, and then said slowly: “Everyone, you are all the elders of Ziyan Sect, and you can be regarded as the mainstay of Ziyan Sect.”

“Now the old sect master is getting more and more seriously ill. He goes crazy and hurts people for no reason at all. There is no possibility of recovery at all.”

“I have been the acting sect leader for some time. Now the old sect leader is crazy and cannot open the divine volcano, so I want all the elders to show their hands to vote. We need to open the divine volcano and get the divine fire seal.”

“Only by obtaining the Divine Fire Seal can it be more conducive to the development and unity of our Ziyan Sect!”

The elders from his lineage all agreed with Huo Yuanting’s rhetoric. However, the elders from the old sect leader’s lineage remained silent and looked at Elder Yu one after another!

“I disagree. The Divine Volcano cannot be opened, and the Divine Fire Seal cannot be taken out now. Although the old sect master is crazy, he is still alive after all.”

“Opening the Divine Volcano now and taking out the Divine Fire Seal would be disrespectful to the old sect master. If you want to open the sacred volcano, you must have the old sect master nod.”

Elder Yu refused directly. There was no way he would let Huo Yuanting get the Divine Fire Seal!

If Huo Yuanting gets the Divine Fire Seal, then they will no longer have the strength to compete with Huo Yuanting, and then Huo Yuanting will become a veritable sect leader!

By then, their old sect leader’s lineage will definitely be purged, and the Ziyan Sect’s disciples will suffer countless casualties!

Seeing the elder Yu’s refusal, Huo Yuanting was not angry. After all, he had known this result for a long time!

“Elder Yu, I can understand your mood, but you must also consider the development of Ziyan Sect.”

“Also, Elder Hu. If he opens the Divine Volcano and obtains the Divine Fire Seal, then the Ziyan Sect will congratulate him, and Elder Hu will be pardoned and he will not have to be imprisoned for thirty years.”

“I know you have a good relationship with Elder Hu. Do you really want to see them imprisoned for thirty years?”

Huo Yuanting asked!

Elder Yu was stunned for a moment, then frowned slightly and said, “Master Huo, are you threatening us?”

“No, no, no, I’m not threatening, just a reminder. You all know that Elder Hu is not in good health. If he dies within thirty years, how can you bear it?”

Huo Yuanting continued to threaten Elder Hu!

When Elder Yu heard this, he hesitated a little, and the other elders of the old sect master's lineage were all silent!

This is indeed a chance to save Elder Hu. If he gives up, Elder Hu will really be imprisoned for thirty years!

But if you agree to Huo Yuanting and open the divine volcano, then Huo Yuanting is very likely to get the divine fire seal. Once the divine fire seal recognizes its owner, Huo Yuanting's position as the leader of the sect will be confirmed!

Just when Elder Yu and others were hesitating, a strong wind suddenly ruffled up, followed by a cold air!

Chapter: 6554

Everyone looked outside in surprise, wondering where this strong wind came from!

"Elder Yu, don't agree to him, never agree to him..."

At this time, Elder Hu's voice floated leisurely!

"Elder Hu?" Elder Yu and others were shocked. They didn't know when Elder Hu was released!

Huo Yuanting was also stunned, stood up suddenly and said: "Elder Hu, you left the place of detention without permission. This is a capital crime!"

“Hahaha, Huo Yuanting, you don’t have to try so hard to kill me and get the Divine Fire Seal. You actually want to use me to blackmail Elder Yu and others.”

“Even if I die, I won’t let you succeed...”

As Elder Hu said, his whole body actually floated into the meeting hall!

Seeing this scene, Elder Yu’s eyes suddenly widened: “Old Hu, what’s going on? Why did your soul leave the body?”

It turns out that this is the spirit of Elder Hu, not that Elder Hu has left the place of imprisonment!

“Elder Yu, I knew that Huo Yuanting wanted to use me to blackmail you, so I committed suicide. I left this trace of my soul behind to tell you, never compromise.”

“If he doesn’t get the Divine Fire Seal, he won’t be able to completely control the Ziyang Sect. There is still hope for our Ziyang Sect!”

As Elder Hu said, his soul began to become lighter and weaker, and was slowly dissipating!

“Lao Hu, Lao Hu, why are you so stupid...”

Elder Yu wanted to step forward to keep Elder Hu’s soul, but he was unable to do anything!

In the end, Elder Hu’s soul disappeared into thin air. This was considered a true physical death, and there was no hope of resurrection!

The elders of the old sect leader's lineage were all filled with grief and anger!

In order to prevent them from being threatened, Elder Hu actually chose to end his life!

Huo Yuanting was also shocked. He did not expect Elder Hu to commit suicide!

In this case, how can we threaten the elders and others?

"Master Huo, we will not agree to open the sacred volcano. If you have the ability, kill us all."

Elder Yu glared at Huo Yuanting fiercely, turned around and walked out!

The elders of the old sect master's lineage all stood up and left without giving Huo Yuanting any face!

Upon seeing this, Elder Cui also got up and left!

Chapter: 6555

Since the elders meeting cannot pass, he will not open the sacred volcano!

Looking at the half-empty seat, Huo Yuanting roared angrily: "Ah... I will make them look good sooner or later!"

"Master, now that the sacred volcano cannot be opened, what should we do?"

An elder looked at Huo Yuanting and asked!

“I don’t know what to do. If it doesn’t work, I just kill them all and no one will object.”

There was murderous intent in Huo Yuanting’s eyes!

“Sect Master, you must not do this. If this happens, Ziyang Sect will be severely damaged, and it may be attacked and annexed by other sects.”

At this time, Elder Tian stood up and said!

“Elder Tian, what can you do?”

Huo Yuanting asked!

“Since Elder Yu and others do not agree to open the sacred volcano, we will secretly open the sacred volcano ourselves.”

Elder Tian said!

“Only Elder Cui can open the entire Purple Flame Sect. Elder Cui cannot listen to us.” Huo Yuanting shook his head!

“There is no need for Elder Cui. The formation is used to open the sacred volcano. Although Elder Cui is the only one in the Ziyang Sect who knows the art of formation, he is not the only one in the entire Central Region who knows the art of formation.”

“Liangyi Sect is a sect that specializes in formations. We can go to Liangyi Sect to come forward. As long as we promise a lot of resources, I think Liangyi Sect can agree.”

Elder Tian said!

After hearing this, Huo Yuanting suddenly became happy and said, “Elder Tian, if there is such a way, why didn’t you tell me earlier?”

“I think if Elder Yu and others agree, we won’t have to go to Liangyi Sect, and we can also save a lot of resources.”

Elder Tian said!

“Oh, how long has this been? If you still want to save money, go to Liangyimen in person. No matter how much it costs, you must invite the people from Liangyimen.”

“As long as the people from the Liangyi Sect can help us open the sacred volcano, tell them there will be many rewards.”

Huo Yuanting seemed a little excited at the moment!

“Okay, I’ll go right away!” Elder Tian nodded!

After Elder Tian left, Huo Yuanting raised his lips slightly: “As long as the sacred volcano is opened, I don’t think anyone in the entire Ziyan Sect would dare to disobey!”

Chapter: 6556

.....

In the elder's mansion!

Qian Xiu was depressed and kept crying!

Wei Qing and Chen Ping were comforting her!

“Junior sister, although Elder Hu is dead, his spirit will live on forever. You can always live here from now on. I will let Master protect you.”

Wei Qing said comfortingly!

“Senior sister, don't be too sad. This is Elder Hu's own choice. He also does this for the sake of the entire Ziyang Sect!”

Chen Ping also comforted her.

After Elder Yu came back, he talked about Elder Hu, which shocked Chen Ping!

“I want to be quiet for a while...”

Qian Xiu said with a lonely look!

When Wei Qing and Chen Ping saw this, they could only get up and leave, leaving Qian Xiu to be quiet!

“Hey, junior sister is so pitiful. Now that Elder Hu is dead, Huo Dong will be even more unscrupulous. I think it won’t be long before junior sister will be poisoned by him and ruined by him.”

“We, the Purple Flame Sect, had many female cultivators in the past. After all, many female cultivators also liked to practice fire-based exercises. However, many senior sisters and junior fellow apprentices quit in frustration after being abused by Huo Dong.”

“This has also made the Ziyan Sect famous. No female cultivator dares to come here. It is now difficult for us fellow disciples of the Ziyan Sect to find a dual cultivator partner!”

Wei Qing said with a sigh!

Chen Ping didn’t say a word, and he didn’t know how to comfort Wei Qing!

After all, there is no shortage of women around him, so he can’t understand Wei Qing’s pain!

Chen Ping returned to his room and quietly waited for the night to come!

As the sky got darker and darker, Chen Ping began to feel a little excited!

If he can see the old sect leader tonight and learn how to fuse the ultimate fire, he can leave the Ziyan Sect!

But when he thought of Qian Xiu and Zhu Ling, Chen Ping couldn’t bear it!

If he learns how to fuse with the ultimate fire to leave, then Qian Xiu will definitely suffer from Huo Dong's murderous hands!

And Zhu Ling might be ruined by that Huo Dong!

Chapter: 6557

When he thought of Zhu Ling, a beautiful woman like Zhu Ling who had conquered the country, being suppressed by Huo Dong's evil pen, Chen Ping became very angry!

"It depends on the situation. Even if you learn how to fuse the ultimate fire, you haven't seen the divine volcano or the divine fire seal. You should have seen these things leaving from the Purple Flame Gate!"

The excuse Chen Ping made for himself was actually because he was afraid that Zhu Ling and Qian Xiu would be ruined by Huo Dong!

Just when Chen Ping was thinking wildly, the door was suddenly pushed open!

Chen Ping was stunned. He didn't understand that it was so late. Who would come to his place?

Chen Ping stood up and saw Qian Xiu walking in wearing cool pajamas!

"Sister?"

Chen Ping's face was full of confusion: "It's so late, what can you do?"

“Junior brother, I can’t sleep, can you talk to me?”

Qian Xiu said with a sad look!

Chen Ping looked at the sky outside, then nodded and said: “Okay, senior sister, sit down quickly!”

Qian Xiu sat on Chen Ping’s bed, while Chen Ping sat next to him!

“Senior sister, you have to be grieving and accept the changes. There is no resurrection after death.”

Chen Ping comforted Qian Xiu!

If it weren’t for Elder Hu’s suicide today, Chen Ping would not have let Qian Xiu come to his room!

And he has something to do later and needs to see Zhu Ling!

But now when Qian Xiu is sad, Chen Ping is too embarrassed to refuse Qian Xiu!

“Junior brother, I have already thought about it. Sooner or later, my body will be ruined by that Huo Dong.”

“Instead of giving my innocence to Huo Dong, it would be better to give it to my junior brother.”

After Qian Xiu finished speaking, he leaned on Chen Ping’s shoulders, and his pajamas began to slip off!

Chen Ping panicked all of a sudden!

He didn't expect Qian Xiu to have this idea!

"Sister, don't worry. As long as I'm here, I won't let Huo Dong succeed. Please put your clothes on quickly."

Chen Ping turned his head, not daring to look at the money show!

Chapter: 6558

Seeing Chen Ping's expression, Qian Xiu shed tears and said with great grievance: "I know you think I'm ugly. I'm not as good-looking as Senior Sister Zhu Ling."

"You have seen Senior Sister Zhu Ling, and you despise me even more. When Senior Sister Zhu Ling was naked in front of you, you stared at her without blinking."

"But now, you don't even look at me..."

When Chen Ping heard this, his head was pounding. He didn't know who had spread the news when he looked at Senior Sister Zhu Ling's body.

It must be Wei Qing, because Elder Yu couldn't possibly tell!

The only one left is Wei Qing. Wei Qing should have told Qian Xiu so that Qian Xiu would give up on Chen Ping. In this case, Wei Qing would have a chance!

"Senior Sister, don't listen to other people's nonsense. I have never seen Senior Sister Zhu Ling's body. I even beat Senior Sister Zhu Ling today."

“In my eyes, women are all the same. There is no one beautiful or not. Senior sister, please don’t get me wrong!”

Chen Ping turned his head and could only fumble to help Zhu Ling put on her clothes!

“What’s the meaning?”

Qian Xiu was stunned and stared at Chen Ping with some confusion: “In your eyes, women are all the same? Are they not beautiful or not?”

“Yes!” Chen Ping nodded!

Qian Xiu suddenly realized, and then stood up from the bed suddenly: “Junior brother, are you... are you the same...”

“sorry for disturbance.....”

Qian Xiu didn’t finish her words and ran out in a hurry!

When Chen Ping saw this, he knew that Qian Xiu had misunderstood him. He was about to explain, but stopped!

If you misunderstand, just misunderstand, otherwise Qian Xiu will pester him all day long and make Chen Ping annoyed!

After Qian Xiu left, Chen Ping tidied up his clothes and went to find Zhu Ling!

Chen Ping held his breath, he couldn't let others find out that he went to Zhu Ling's mansion in the middle of the night!

Chen Ping didn't know what happened last night, but he entered Zhu Ling's mansion without being discovered by the guards!

It took me a long time to go there, but there were layers of guards!

At this moment, Zhu Ling was sitting in the yard, quietly waiting for Chen Ping!

She didn't know why, but since Chen Ping beat her during the day, she has been thinking about Chen Ping!

Chen Ping always appears in my mind!

At this moment, she couldn't wait to see Chen Ping!

Looking at the sky, Zhu Ling felt a little anxious: "Is this guy not going to come?"

"Sister Zhu Ling, are you so anxious to see me?"

At this time, Chen Ping's voice rang!

Zhu Ling stood up quickly and saw Chen Ping walking in. Then she said with a cold face: "Who wants to see you in a hurry? I just don't want to owe you a bet."

"Really? Why do I see senior sister blushing?"

Chen Ping laughed!

“Don’t talk nonsense, who’s blushing? Let’s leave quickly. We must be back before dawn!”

Zhu Ling rolled her eyes at Chen Ping and then walked out of the yard!

Chen Ping followed behind Zhu Ling. He was not familiar with this place and did not dare to move around at will!

“The place in front of me is where my father is imprisoned. If you want to see him, in addition to avoiding the guards, you also have to secretly break through several formations.”

“You must not run around. If you touch the formation, we will fall short!”

Zhu Ling reminded Chen Ping!

“Senior sister, I didn’t expect you to know how to use formations. You are so beautiful and talented!”

Chen Ping praised Zhu Ling from behind!

Zhu Ling rolled her eyes at Chen Ping, but said happily in her heart: “How do I know about formations, but I have a formation disk, which was given to me by Elder Cui before.”

Chapter: 6559

Chen Ping watched Zhu Ling fiddle with the array plate. Although her technique was still immature, she operated it flawlessly!

And this array plate was really powerful. When the array plate was turned on, it seemed as if a light curtain fell from the sky, and then the light spread out, revealing the array formations hidden around. Then the array formations were invaded by the light curtain, forming a crack!

There was a lot of spiritual energy flowing around the crack, and these spiritual energies were used to overlap the array formations in a while!

“Okay, we can go in quietly!”

Zhu Ling put away the array plate and walked in through the crack!

Seeing this, Chen Ping also walked in along the crack. After a while, the crack slowly overlapped, and then it seemed as if nothing had happened!

Looking at the overlapped array formation, Chen Ping’s face showed a smile!

This array plate was given to Zhu Ling by Elder Cui, but the array formation here was also set up by the debt collector!

And coincidentally, the array plate can easily break the array formation, and it will not cause damage to the array formation!

Even a fool can see that Elder Cui did it on purpose!

It seems that Elder Cui is also loyal to the old master’s lineage, but he can’t stand on the side blatantly!

“How is it? This array is very powerful, right? I also accidentally discovered that the array can break these arrays.”

“There are many arrays behind, you must not run around, follow me closely behind!”

Zhu Ling said to Chen Ping!

“Okay, senior sister!” After Chen Ping finished speaking, he came directly behind Zhu Ling, almost sticking his body to Zhu Ling’s back!

They were almost hugging each other!

“What are you doing?”

Zhu Ling was stunned and turned back to glare at Chen Ping!

“Senior sister, didn’t you ask me to follow you closely? I’m afraid that if I’m too far away from you and accidentally touch the array, it will be troublesome.”

Chen Ping hurriedly explained!

“Then you don’t have to stick to me directly. You are already against me. Just one step away from me!”

Zhu Ling rolled her eyes at Chen Ping!

Chen Ping nodded hurriedly, pretending to be an ignorant newbie, letting Zhu Ling command him!

If we look at the control and understanding of the formation, then Elder Cui is not as good as Chen Ping!

Chapter: 6560

Chen Ping can see through these formations at a glance!

However, Chen Ping can't enter the formation silently, and can only rely on breaking the formation!

Seeing Chen Ping so obedient, Zhu Ling turned back with satisfaction and continued to move forward quietly!

When Chen Ping and his friends came to an archway, they saw from a distance that four guards were standing upright!

Seeing these guards, Chen Ping whispered: "Senior sister, there are people watching here, how can we get in?"

"Don't worry, I have a way!"

Zhu Ling said, taking out two palm-sized copper plates, and the copper plates were engraved with hidden formations!

"I have two concealment arrays here. I'll tell you how to use them later, and then you can hide your body and go in."

“Don’t panic. If you reveal your breath, you will be discovered by the other party. If you are caught, it will be troublesome. I can’t come here secretly in the future.”

Zhu Ling warned Chen Ping!

“Is this also given to you by Elder Cui?”

Chen Ping asked curiously!

“Yes!” Zhu Ling nodded: “I often go out to play with the concealment array. Many people have never seen me and think that I have been staying in the mansion. I will be suffocated to death!”

Chen Ping took the concealment array and was more convinced that Elder Cui was from the old master’s lineage, or at least inclined to the old master’s lineage!

Otherwise, why give Zhu Ling so many arrays?

Although these arrays are not very advanced, in a place like the Heavenly Realm, each array is extremely expensive!

Even the simplest things like the sound transmission jade slips are priceless, let alone the arrays!

Zhu Ling taught Chen Ping how to use the array plate!

Really step by step!

Zhu Ling held Chen Ping's hand and explained it bit by bit, including how to inject his own breath into the array plate.

Zhu Ling taught very carefully, and Chen Ping also learned very seriously!

"How is it?"

Zhu Ling asked after teaching for a while.

"Well, very soft, very smooth..."
