

## **The Order 6561**

Chapter: 6561

Chen Ping couldn't help but exclaimed!

"Very soft and smooth?" Zhu Ling was stunned: "What are you talking about?"

"Oh, I learned it, very good!"

Chen Ping reacted!

In fact, Chen Ping didn't learn it at all, but kept feeling the feeling brought by Zhu Ling's tender and smooth little hands!

"It's okay if you learn it. I'm here, don't be nervous."

Zhu Ling's attitude towards Chen Ping has improved a lot!

At least tonight, Chen Ping was very obedient, and he also praised what Zhu Ling liked to hear, which made Zhu Ling's favor for Chen Ping increase significantly!

"Well, it's my honor to be protected by Senior Sister Zhu Ling. Even if I die, I will be satisfied if I can die in Senior Sister Zhu Ling's arms."

Chen Ping nodded and said!

“Slippery tongue!” Zhu Ling smiled, then activated the array disk and hid!

Chen Ping quickly hid himself while shaking his body. He didn’t need any array disk at all!

The array disk given by Elder Cui is really not as good as Chen Ping’s own array!

Zhu Ling carefully led Chen Ping through the archway, and then continued to move forward. After passing through two more arrays, Zhu Ling’s speed slowed down!

Chen Ping also sighed that the place where the old master was imprisoned was too heavily guarded. It was even more strict than a prison!

“Senior sister, are we there?”

Chen Ping asked in a low voice!

“No, we can see my father through here, but the formation here is too tight, with several formations superimposed on each other.”

“And there are two formations among them, which are the formation plates that Huo Yuanting bought with a lot of money, not set by Elder Cui.”

Zhu Ling frowned slightly and said!

When Chen Ping heard this, it seemed that Huo Yuanting did not trust Elder Cui very much. He was also wary of Elder Cui’s tendency to lean towards the old master’s lineage!

“What should we do? If we can’t open the formation, how can we get in?”

Chen Ping asked!

Chen Ping took a glance and indeed found that there were several formations superimposed in front, and there were actually two killing formations, not defensive formations!

Chapter: 6562

It seems that Huo Yuanting wants to kill those who sneak close to the old master directly.

Those who can sneak close here must be people from the old master’s lineage, so even if these people are killed, Huo Yuanting will not suffer any loss, on the contrary, it will be of great help!

It is estimated that these two killing arrays are the array plates that Huo Yuanting bought at a high price. After all, Elder Cui could not have set up such a killing array!

“I will contact my father. He can help open the array from the inside, and then we can meet.”

“This array is to prevent people from sneaking in, but it will not prevent people from opening it.”

“After my father opens it, he will tell me how to get in. We have always met like this.”

Zhu Ling said!

“Isn’t the old master crazy?”

Chen Ping was surprised!

“My father is only crazy occasionally, not all day long, and my father said that his illness is likely to be poisoned, but he himself can’t find out the reason and has no evidence.”

Zhu Ling explained!

“Then how do you contact the old master? This array is blocked, I’m afraid it’s impossible to transmit sound, and even the breath is difficult to penetrate.”

Chen Ping didn’t understand how Zhu Ling contacted the old master!

Zhu Ling took out a sachet and shook it in front of Chen Ping: “This sachet contains the ashes of my father’s hair. As long as I use this sachet, I can communicate with my father.”

“And this thing can only be used by me. It’s useless for others to get it. After all, my father and I are connected by blood!”

After that, Zhu Ling closed her eyes and put her spiritual consciousness into the sachet, wanting to communicate with the old master!

But after waiting for a long time, Zhu Ling still didn’t respond, and there was a lot of cold sweat on her forehead!

Seeing this scene, Chen Ping slapped Zhu Ling’s shoulder directly, and a spiritual power hit Zhu Ling’s body!

Zhu Ling then took a long breath and opened her eyes palely!

“What are you doing? The whole spiritual consciousness is emitted. Isn’t this looking for death?”

Chen Ping yelled at Zhu Ling!

Zhu Ling actually emitted all her spiritual consciousness. Fortunately, Chen Ping discovered it in time and helped Zhu Ling pull back her spiritual consciousness!

If the consciousness can't come back, Zhu Ling will probably become demented, or even die!

"Why can't I sense my father at all? I can't sense him..."

Chapter: 6563

Zhu Ling frowned and said nervously!

"Could it be that the old master is sick, so he can't communicate with you telepathically?"

Chen Ping said!

"Impossible, even if my father is sick, I can sense his existence, but he can't respond to me."

"But this time, I didn't feel my father's breath."

Zhu Ling looked nervous, with worry in her eyes.

"Is it possible that the old master has been transferred and is not in this place?"

Chen Ping said again!

“It’s impossible, this is the most secure place in the entire Zi Yan Sect, Huo Yuanting will not transfer my father away.”

“Is it possible that my father is in trouble, and they have poisoned my father?”

Zhu Ling became emotional and wanted to forcefully break through the formation!

“Sister, don’t be impulsive. If you force your way through the formation, you will not only fail to see the old master, but you may also be discovered and captured.”

Chen Ping stopped Zhu Ling and said!

“Don’t worry, I know my limits.” After Zhu Ling finished speaking, she actually opened the sachet and swallowed all the ashes inside!

Chen Ping was stunned: “Sister, what are you going to do?”

“Don’t let it get you down.....”

“Who’s down?” Zhu Ling glared at Chen Ping: “My father said that the ashes in this sachet, in addition to being able to communicate with him, can also be swallowed in times of danger, and then you can get my father’s strength.”

“As long as I can get my father’s strength, it’s easy to split this formation, not to mention that I still have Elder Cui’s formation plate in my hand!”

“Can it be like this?” Chen Ping was full of doubts!

However, after Zhu Ling swallowed the ashes, her aura did change a lot!

“Don’t follow me. I’m afraid I can’t come back this time. You’d better go back obediently.”

“If I see my father, I’ll ask for you. If we have a chance to meet again, I can tell you!”

Zhu Ling asked Chen Ping to leave. After all, it was very risky. She didn’t want Chen Ping to take risks with her!

“Sister, what are you talking about? How can I leave you alone?”

“Since we are here, even if we are grasshoppers on the same rope, I want to die with you.”

“Besides, I have no regrets in dying if I can die with you...”

Chen Ping said with a righteous face!

Zhu Ling looked at Chen Ping and was moved by him!

Zhu Ling had never felt such care before!

Although many men pursued her and said they liked her!

But no man was willing to die for her!

“Junior brother, thank you, I won’t let you die.”

Zhu Ling grabbed Chen Ping’s hand, and then pulled Chen Ping slowly into the formation!

Chen Ping held Zhu Ling’s hand, and he felt so happy!

However, Chen Ping wanted to break the formation with Zhu Ling, not because he really wanted to pursue Zhu Ling. He was just afraid that something bad would happen to the old master. Then who would he go to learn the method of fusion of fire from?

Chapter: 6564

Zhu Ling grabbed Chen Ping’s hand and walked very carefully. As the formation plate opened, a gap was slowly opened in the superimposed formations in front of Chen Ping and the others!

Zhu Ling was extremely cautious at this moment, breaking through the formation patterns bit by bit and heading towards the depths of the formation!

At this moment, Zhu Ling’s forehead was already covered with sweat, and her clothes were soaked with sweat!

But even so, Zhu Ling still pulled Chen Ping. She was afraid that Chen Ping would accidentally touch the formation and something unexpected would happen!

Chen Ping looked at Zhu Ling in front of him. Beads of sweat were dripping from her white cheeks. Because the clothes on her body were soaked, her exquisite curves were looming!

Just when Chen Ping was admiring Zhu Ling’s body inadvertently, Zhu Ling suddenly stopped!

And Chen Ping also noticed the dangerous atmosphere at this moment!

Chen Ping retracted his mind and looked ahead, only to find that there were two killing formations in front of him!

These two killing formations were obviously not set up by Elder Cui, so Elder Cui's formation disk had no way of breaking through these two killing formations!

Now we can only rely on Zhu Ling to break the formation!

"Junior brother, please don't move around. I'm going to break through those two killing formations. If something happens to me, run back immediately and leave me alone!"

After Zhu Ling finished speaking, she actually handed the array disk in her hand to Chen Ping. It seemed that she quite trusted Chen Ping!

Chen Ping held the array disk and said with some emotion: "Senior sister, I believe in you, you can definitely do it!"

Zhu Ling nodded. In fact, she herself was not sure. Although she temporarily possessed the strength of the old sect leader, Zhu Ling had no experience at all in breaking the formation!

Seeing Zhu Ling's nervous look, Chen Ping stepped forward and hugged Zhu Ling tightly!

"Sister, don't be nervous, you have to believe in yourself!"

Chen Ping did not deliberately take advantage of Zhu Ling, but the moment he hugged Zhu Ling, Chen Ping flicked his finger!

A ray of white light instantly disappeared into the killing array!

Although this killing formation is very dangerous, to Chen Ping, it is just like a child playing house!

Chen Ping did not choose to break the killing formation directly, but weakened the power of the killing formation, and then asked Zhu Ling to break the formation!

In this way, Zhu Ling will not suspect anything, but will think that she is awesome and can break the killing formation!

Zhu Ling was hugged by Chen Ping. Although she didn't like men hugging her, when Chen Ping hugged her, she didn't feel any disgust at all. On the contrary, she hoped to be hugged for a while longer!

“Senior sister, go and break the formation. No matter whether you succeed or not, I will not run away. I want to live in harmony with you!”

Chen Ping said firmly!

Chapter: 6565

This moved Zhu Ling extremely. No one in the entire Ziyang Sect, except her father, had ever treated her like this!

Zhu Ling nodded, then took a deep breath and went to break the killing formation!

Chen Ping watched from behind leisurely and contentedly. Especially when he saw Zhu Ling's nervous and trembling look, Chen Ping wanted to laugh!

"You kid, you don't forget to pick up girls when you learn the skills."

Demon Lord Chiyun said jokingly!

"I don't, I just want to gain trust so that I can learn how to fuse with the fire!"

Chen Ping quickly denied it!

"Bah, your kid just hugged someone and they reacted. How dare you say you didn't?"

Demon Lord Chiyun said contemptuously!

Chen Ping was stunned for a moment, then laughed awkwardly!

After all, Zhu Ling is indeed so beautiful, and her figure and skin are even better!

Especially when he saw Zhu Ling's tender and smooth skin, Chen Ping couldn't help but think of Ji Ruxue!

They have been separated for several months, and I don't know how Ji Ruxue and the others are doing.

Just when Chen Ping was thinking wildly, Zhu Ling suddenly screamed, bringing Chen Ping back to reality!

"Sister, what's wrong with you?"

Chen Ping rushed over, pulled Zhu Ling nervously and asked!

“I’m fine. I broke through this killing formation. I’m so powerful...”

It turns out that Zhu Ling is happy!

“Senior sister is so awesome, I just told her that if she takes action, there will definitely be no problem.”

Chen Ping praised Zhu Ling.

Zhu Ling hugged Chen Ping excitedly. She felt that Chen Ping was like her confidant!

Chen Ping was holding Zhu Ling. For a moment, he felt like he had nowhere to put his hands, and then he started groping around randomly!

Zhu Ling also noticed it, but she didn’t stop Chen Ping!

“You dare to touch my daughter if you are so bold and petty?”

Chapter: 6566

Just when Chen Ping was feeling happy, he suddenly shouted angrily. Chen Ping was so frightened that he pushed Zhu Ling away!

“Father?”

When Zhu Ling heard this voice, she immediately became happy!

Hearing the old sect master's voice proves that nothing unexpected happened to the old sect master!

Zhu Ling led Chen Ping through the formation, and then came to a magnificent building. After opening the door, Chen Ping found an old man in a purple robe sitting quietly under a curtain of light. On the jade platform.

This is the old master of Ziyang Sect. He looks very kind and kind, but there is no hint of madness.

"Father....."

Zhu Ling shouted excitedly!

"Old sect master!" Chen Ping also shouted quickly!

However, Chen Ping looked at the body of the old sect master, surrounded by faint black energy, as if these black energies were about to invade the old sect master!

However, there is still a layer of light purple surrounding the old sect master's body, blocking the intrusion of black energy!

Chen Ping glanced out the window. It was the full moon, and under the moonlight, the purple air around the old sect master's body was getting thicker and thicker!

Seeing this, Chen Ping seemed to have a rough guess.

The reason why the old sect leader went crazy must have been caused by demonic energy entering his body and controlling his spiritual consciousness!

And the reason why he is sometimes crazy and sometimes awake is because under the moonlight of the dark night, the breath in the old sect master's own body will temporarily force the demonic energy out of the body, and he is awake at this time!

However, every time Elder Yu and the others came to see the old sect master, they must have entered during the day, so every time they saw the old sect master, he was in a crazy state!

"Father, I couldn't contact you just now. It really scared me to death. Why are you ignoring me?"

Zhu Ling looked at the old sect master with some complaints and said!

The old sect leader glanced at Chen Ping, and then said to Zhu Ling: "Daughter, the meeting between you and me is a top secret among top secrets. I won't let you even tell Elder Yu. How could you suddenly bring a strange boy with you?" Come?"

It turns out that the old sect leader was aware of Chen Ping's existence, so he didn't contact Zhu Ling!

"Father, this is Elder Yu's new disciple. He can be regarded as my junior fellow apprentice. He shouldn't be a stranger."

Zhu Ling hurriedly introduced Chen Ping's identity!

"Silly girl, I think you are fascinated by love. Did you like this guy and bring him here?"

The old sect master sighed softly!

Chapter: 6567

“No, absolutely not. I just had a bet with him. I lost, so I brought him here.”

“How could I possibly fall in love with him? Absolutely not!”

Zhu Ling hurriedly denied it.

Seeing Zhu Ling’s panic, the old sect master became even more convinced, so he smiled lightly and said:  
“Okay, don’t quibble. That guy just touched you for a long time, and you didn’t even resist.”

“You know, if other men look at you twice, you will hit them.”

“I...” Zhu Ling opened her mouth, and for a moment she didn’t know how to argue!

Just now, Chen Ping was indeed holding her and touching her with his hands!

She really didn’t resist, didn’t even feel disgusted, and she felt a little bit relieved!

“Okay, you go out. I’ll have a good chat with this boy. If he dares to be scornful of my daughter, I want to see how capable he is!”

The old doorkeeper waved his hand and asked Zhu Ling to go out!

Upon hearing this, Zhu Ling hurriedly stood in front of Chen Ping: “Father, you can’t hurt him. He is Elder Yu’s disciple. If you dare to hurt him, I will ignore you forever.”

“Okay, okay, I won’t hurt him. You still said you weren’t emotional, but now you are ignoring you as an old father because of him.”

“I’m just chatting with him and won’t do anything. I can’t leave my daughter to someone who doesn’t understand her.”

The old sect master said helplessly!

“Senior sister, please go out. I believe the old sect master will not do anything to me. I will have a good chat with the old sect master!”

Chen Ping gently patted Zhu Ling on the shoulder and said!

Seeing Chen Ping say this, Zhu Ling nodded and walked out!

As soon as Zhu Ling walked out of the hall, the face of the old sect master instantly turned extremely cold, and he no longer looked as kind as before!

When Chen Ping saw the old sect leader’s sudden change of expression, he couldn’t help but feel his heart tremble!

“Boy, who are you? Why do you want to get close to my daughter?”

The old door master asked in a cold voice!

“Old sect leader, I am a disciple of Elder Yu. I am now a disciple of the inner sect of Ziyang Sect. My name is Cheng Ping. I did not approach my senior sister intentionally.”

Chen Ping pretended to be innocent and said!

“Hmph, Elder Yu’s disciple, how could Elder Yu recruit a disciple like you who can easily break the killing formation.”

Chapter: 6568

“I’m afraid your ability is not inferior to that of Elder Yu. How much money did you give Elder Yu? Why did you come to our Ziyang Sect?”

The old sect leader directly pointed out Chen Ping!

Although Chen Ping had lowered the power of the killing array just now without telling Zhu Ling, he did not hide it from the old sect leader!

Chen Ping also didn’t expect that the old sect leader could see everything!

“Old sect leader, I don’t have any ill intentions, and I don’t want to do anything to Senior Sister Zhu Ling. The reason why I joined the Ziyang Sect is to follow the old sect leader and ask for advice on how to fuse the fire.”

Chen Ping said truthfully!

“Fire Fusion?”

The old sect leader looked at Chen Ping: “I do know how to merge with the fire, but do you think I will tell you? I don’t know your identity at all!”

“Although I entered the Ziyang Sect through special means, I did not deceive the old sect master. My name is Cheng Ping, and I am just a casual cultivator!”

Chen Ping said!

Chen Ping didn't want to tell his true identity. After all, his identity was too shocking and would cause a lot of unnecessary trouble!

“You go out. If you can't be honest, why should I teach you.”

The old sect leader waved his hand and told Chen Ping to leave!

“Old sect master, why is this?” Chen Ping frowned!

“You hide your aura and change your appearance, but you say your identity is real. Do you deceive me like a three-year-old?”

“Since you are not sincere, why should I teach you.”

The old sect master snorted coldly!

When Chen Ping heard this, his head suddenly got big. He didn't expect that the old sect leader could see that he was hiding!

Chen Ping knew that if he couldn't tell his true identity, the old sect leader would definitely not tell him anything!

Chen Ping had no choice but to shake his body slightly and return to its original appearance!

“Old Sect Master, the reason why I wanted to deceive you was because I had no choice. My real name is Chen Ping. I offended too many people, so I had to change my appearance and breath to hide my identity.”

Chen Ping said helplessly!

“Chen Ping? The man who was hunted down by the Demon Sealed Alliance with a hundred-year tribute?”

Chapter: 6569

“Do you know me?” Chen Ping didn’t expect that the old sect leader who was locked up here actually knew about him!

“Hahaha, I’m afraid not many people in the entire heaven and human world don’t know your name.”

“It’s really not easy to be hunted down by the Demon Sealing Alliance with a hundred years of offerings from someone who is only in the fourth level of the Tribulation Realm.”

“From this point of view, you really should hide your identity, otherwise many people will not be able to bear the temptation of being enshrined in the Demon Sealing Alliance for a hundred years and will kill you.”

The old sect master laughed!

“Old sect master, now that I’m telling you the truth, you won’t have any ideas about me, right?”

Chen Ping looked at the old sect master who was laughing and asked nervously!

“How could that be? How could I possibly have an idea for my own good son-in-law?”

The old sect master smiled!

“Wonderful son-in-law?” Chen Ping was stunned for a moment, then hurriedly waved his hands and said: “Old sect master, please don’t misunderstand me. There is really nothing wrong with me following my senior sister. Nothing will happen.”

“Okay, don’t explain. I can see that my daughter has no objection to you. Besides, you have seen all of my daughter’s body. Shouldn’t you be responsible?”

The old sect master said!

When Chen Ping heard this, he was dumbfounded. He didn’t understand how the old sect master knew that he had seen everything about Zhu Ling!

Besides, the old sect master is locked up here and sometimes goes crazy, so how can he know what’s going on outside.

“Old Sect Master, this is slander and rumors. I have never seen Senior Sister Zhu Ling’s body.”

Chen Ping could only grit his teeth and refuse to admit it. After all, this was not a glorious thing!

“It’s useless if you don’t admit it. Don’t think that since I’m locked up here, I don’t know anything about the Ziyang Sect.”

“Although my consciousness is sometimes controlled and I become crazy, I am not stupid.”

The old sect master said!

Seeing this, Chen Ping quickly changed the subject and said: "Old sect master, what are the symptoms of your madness? If possible, I may be able to help you treat it."

"But I have a premise. If I can help the old sect master to be cured, I hope the old sect master can teach me how to fuse with the fire!"

Chen Ping wants to rely on this condition to exchange with the old sect leader!

After all, if there is no conflict of interest about the method of merging the fire, if others don't teach him, Chen Ping can't force it!

"You can't cure me. I am possessed by a demon soul. I don't know how Huo Yuanting got in touch with the demon cultivator and put a demon soul in my body."

Chapter: 6570

"Fortunately, my own consciousness is strong enough. This demonic soul can only disturb my consciousness during the day. At night, with the moonlight, the fire energy in my body will control the demonic soul and gain a brief period of clarity. "

"This demon soul is very powerful. Even I can't completely control it. You are only at the fourth level of the Tribulation Realm. How can you possibly control the demon soul or even eliminate it?"

The old sect master smiled helplessly!

After hearing this, Chen Ping smiled confidently and said: "I can capture just any demon soul. If I can beat him, call him daddy..."

Chen Ping already had a countermeasure in his mind. In fact, when he entered the door, he saw the black energy around the old sect master and the purple energy that resisted him, so he already guessed it!

It is very likely that Huo Yuanting wants to control the old sect leader with the help of the demon soul so that he can completely control the Ziyang Sect!

Unexpectedly, the old sect master's spiritual consciousness is so powerful that the demon soul is entangled in the old sect master's sea of consciousness and becomes crazy. Sometimes, the old sect master's spiritual consciousness gets the upper hand and he becomes sober!

Seeing that he couldn't control the old sect leader, Huo Yuanting locked him up heavily!

"You are young, but you are really capable of bragging. The demon soul in my body is not a small demon cultivator, but a big demon."

"If it was just a little demon cultivator's soul, I would have killed him in the sea of fire."

The old sect leader didn't take Chen Ping's words seriously, he just thought Chen Ping was bragging!

Chen Ping said: "Old sect leader, just say yes or no. If I destroy the demon soul and give you your freedom, can you teach me how to fuse with the ultimate fire?"

Chen Ping was confident. The demon soul in the old sect master's sea of consciousness was awesome. Is there also the Chiyun Demon Lord in his own sea of consciousness?

As long as Chen Ping introduces the demon soul into his sea of consciousness, Demon Lord Chiyun will destroy him in minutes!

Demon Lord Chiyun is the great devil in the ninth level of heaven. The so-called devils in the heaven and human world are not even considered grandsons in front of him!

“Okay, I promise you, but let’s be honest, if you are invaded by the demon soul and become dementia, it has nothing to do with me.”

The old sect master said!

“Don’t worry, I won’t come after you.”

After Chen Ping finished speaking, he stretched out his hand and blew out a breath!

After this breath touched the black energy surrounding the old sect master, the black energy instantly became ferocious!

At this moment, the old sect leader’s eyes went blank, and his whole mind was controlled by the demon soul!

Chen Ping gently put his hand on the old sect leader’s head, trying to let the black energy enter his body!

But the black energy seemed to know something. It did not enter Chen Ping’s body and attack Chen Ping’s sea of consciousness. Instead, it emitted a rotten energy and began to corrode Chen Ping’s body!

This is to erode Chen Ping’s body and make Chen Ping lose his body!
