

The Order 6571

Chapter: 6571

It's just that Chen Ping's physical body has been quenched many times, and it has also been quenched with fire!

This turbid air cannot shake Chen Ping's body at all!

When Chen Ping saw this, he started to run the Heart Condensation Technique and began to emit a huge suction force, absorbing the demon soul in the old disciple!

Feeling the huge suction, the demon soul struggled desperately.

"Boy, do you want to die? I won't enter your body, not because I'm afraid of you, but because it's my mission to control this old guy."

"If you don't want to die, get out right now and don't make me anxious!"

The demon soul used the old sect leader's words to threaten Chen Ping coldly!

"Bah, you are just afraid of me. Are you afraid that after entering my sea of consciousness, I will imprison you and then beat you until you call me daddy?"

Chen Ping sneered, constantly provoking this demon soul to enter his sea of consciousness!

"You fart, you are only at the fourth level of Tribulation Realm. How can I be afraid of you?"

The demon soul was a little angry, and his voice was a little angry!

“Since you are not afraid of me, then invade my sea of consciousness and let the two of us compete.”

“I don’t think you dare at all. You only bully old men, all kinds of guys!”

Chen Ping still stimulates the demon soul!

“Ah, brat, I’ll kill you first and then continue to control this old guy!”

The demon soul was angry, and then a ray of demonic energy rushed into Chen Ping’s body like a sharp blade!

As soon as he entered the body, he went straight to Chen Ping’s sea of consciousness!

As long as Chen Ping’s sea of consciousness is controlled, Chen Ping will be a living dead. Chen Ping will die how he wants Chen Ping to die!

However, when the demon soul just entered Chen Ping’s sea of consciousness, he instantly regretted it!

I saw Demon Lord Chiyun with his legs crossed, sitting in Chen Ping’s sea of consciousness, waiting for the demon soul to enter with a sneer on his face!

At the same time, above Chen Ping’s sea of consciousness, a Daluo Golden Book shimmering with golden light made the demon soul shudder!

He discovered that although Chen Ping was only in the fourth level of the Tribulation Realm, his sea of consciousness was extremely vast, and there were actually souls surviving in the sea of consciousness!

The moment the demon soul left the main body of the old sect, the old sect master suddenly woke up, and then quickly sealed his sea of consciousness to prevent the demon soul from invading again!

At the same time, the old sect leader looked at Chen Ping with surprise in his eyes: "Did you really introduce that demon soul into your sea of consciousness?"

Chapter: 6572

"Yes, that demon soul is now within my sea of consciousness."

Chen Ping nodded!

"Then why weren't you controlled?" The old sect leader was very puzzled, how could Chen Ping not be controlled?

With Chen Ping's strength, the demon soul will be controlled immediately after entering the sea of consciousness!

"I've already told you that a mere demon soul can't control me at all. If it enters my sea of consciousness, I ask him to call me daddy, and he must do the same."

Chen Ping said with a smile!

The old sect leader looked puzzled, but he still didn't believe Chen Ping's words!

When Chen Ping saw this, he could only say: "Call Dad, I'm happy, maybe I can spare you, and you still have a chance to reshape your body and resurrect."

But at this moment, the demon soul was in Chen Ping's sea of consciousness, being held by Demon Lord Chiyun by his collar, like a little chicken, about to cry!

He could feel the aura of Demon Lord Chiyun, it was the aura that only Demon Lord had!

For him, he has never thought about being a demon king in the heaven!

He never thought that he would be able to meet a demon king from the heaven, and he never thought that in the sea of consciousness of a fourth-level monk in the realm of celestial beings, the soul of a demon king from the heaven would actually live!

"Did you hear that I asked you to call me daddy?"

Demon Lord Chiyun looked at the demon soul and said!

"Daddy, daddy, daddy..."

The demon soul shouted desperately.

Don't ask him to call him dad at this moment, even if he is asked to call him ancestor, he is also willing to call him grandpa!

The old sect master listened to the voice coming from Chen Ping's body. The timbre and breath did indeed come from the mouth of the demon soul!

The old sect master has been following the demon soul in his sea of consciousness for so long, so he can hear it and feel it!

The old sect leader looked at Chen Ping with surprise on his face!

He really couldn't imagine how Chen Ping did it!

The old sect master couldn't have imagined that there would be a demon king in Chen Ping's sea of consciousness!

"Okay, you can go die!"

Chen Ping said calmly.

Chapter: 6573

As soon as Chen Ping finished speaking, he heard a scream!

Demon Lord Chiyun waved his hand, and the demon soul vanished into ashes and became a resource for Chen Ping's cultivation!

"Old sect master, is it time to fulfill your promise and teach me how to fuse with the ultimate fire?"

Chen Ping asked the old sect leader!

"I can teach you, but I don't know how to..."

The old sect master said with a wry smile!

“Damn, you fucking old man, are you trying to trick me?”

When Chen Ping heard this, he immediately became anxious!

I worked so hard to come to Ziyang Sect just to learn the method of ultimate fire fusion, and I also helped the old sect master eliminate the demon soul!

Are you saying no to yourself now?

What were you doing earlier?

“My dear son-in-law, don’t be impatient. Don’t be impatient. Why are you still saying dirty words?”

Seeing this, the old sect leader quickly comforted Chen Ping: “I can’t fuse with fire, but that doesn’t mean others can’t!”

“Then who can?” Chen Ping asked angrily!

“Actually, the method for merging the Supreme Fire is in the Divine Fire Seal of our Purple Flame Sect. I also obtained the Divine Fire Seal at the beginning, and I learned a little bit about it, which allowed me to merge the two Supreme Fires.”

“This kind of understanding cannot be taught. If you want to fuse with the fire, you must get the divine fire seal and understand the inner magic from the divine fire seal.”

“I wonder how many kinds of supreme fire you want to fuse?”

The old sect leader asked Chen Ping!

When Chen Ping heard this, it turned out that this was the reason. The old sect leader had not lied to him, so his expression softened and he said: "I want to fuse at least five kinds of ultimate fire..."

Chen Ping has now mastered five kinds of ultimate fire, and maybe he can master more in the future!

So Chen Ping now wants to fuse at least five kinds of ultimate fire!

"Five kinds?"

The old sect master's eyes widened and he said with surprise: "How do you know the five kinds of ultimate fire? Can you show the ultimate fire so that I can see it?"

When Chen Ping heard this, he felt a little embarrassed!

Two of his supreme fires were stolen from the Ziyan Sect. If this was revealed, how could he follow the old sect master?

Seeing Chen Ping's coy look, the old sect leader said with a cold face: "Since you don't want me to watch it, I won't watch it. As for how to use the divine fire seal to understand the mind, I have nothing to say."

"Old Sect Master, it's not that I won't let you see it, I'm just afraid of scaring you. Since you insist on seeing it, I'll let you see it!"

After Chen Ping finished speaking, balls of fire began to burn around his body!

The black demon supreme fire, the red fire of the core of the earth, the white extreme cold ice flame, brown, purple...

Five different colors of ultimate fire were jumping around Chen Ping's body!

"Damn, this is the ultimate fire of our Ziyang Sect, how the hell did you get it?"

When the old sect master saw this, he immediately became anxious!

Chapter: 6574

Seeing this, Chen Ping quickly put away the Ultimate Fire, and then said with an embarrassed face: "Old Sect Master, don't be anxious, why are you still swearing..."

"You just called me a good son-in-law. If I were your good son-in-law, it would be normal for me to have the Ultimate Fire of your Zi Yan Sect."

"That's right!" The old sect master thought about it and felt that what Chen Ping said made sense!

If Chen Ping really became his good son-in-law, it would be normal to have the Ultimate Fire of their Zi Yan Sect!

After all, his daughter has both of the two Ultimate Fires of the Zi Yan Sect.

"You kid, you still dare to say that there is nothing to do with my daughter. She gave you all the top-secret Ultimate Fires of our Zi Yan Sect."

"In such a short time, you have mastered the two Ultimate Fires of our Zi Yan Sect. Are you and my daughter practicing together?"

“Because only in this way can you master these two Ultimate Fires in the shortest time.”

The old sect master reacted and asked Chen Ping!

Chen Ping heard that the old master had misunderstood, but he didn't dare to say it out loud. He couldn't say that he stole the Purple Flame Sect's Ultimate Fire!

“Old master, nothing can be hidden from your eyes!”

Chen Ping sighed and said with some embarrassment: “Senior Sister Zhu Ling is thin-skinned, so she doesn't want people to know about the dual cultivation.”

“My daughter is also miserable. Now that she has found someone to rely on, I can feel more at ease.”

The old master looked relieved, and then looked at Chen Ping and said: “Since you have practiced dual cultivation with my daughter, why call me old master? Just call me father-in-law.”

“No, no, no, this is so embarrassing!”

Chen Ping waved his hands repeatedly.

“What's there to be embarrassed about? You have already done it.”

“But besides our Purple Flame Sect's Ultimate Fire, the other three Ultimate Fires seem to be more powerful. What are they?”

The old master asked Chen Ping curiously!

“The ultimate fire of the demon race, the fire of the earth’s core, and the extremely cold ice flame...”

Chen Ping followed the old master to talk about various ultimate fires one by one, and the old master was also fascinated!

“It is true that heroes emerge from youth, and each generation is stronger than the previous one. It is also a blessing for my daughter to follow you.”

The old master looked at Chen Ping with appreciation: “Since you have practiced dual cultivation with my daughter, I believe it will be easier to make the Divine Fire Seal recognize the master.”

“After all, my daughter’s bloodline is the same as mine, and the Divine Fire Seal will not have any resistance to my bloodline.”

Chapter: 6575

“Old...father-in-law, is it only your bloodline that can make the Divine Fire Seal recognize the master?” Chen Ping asked in surprise!

“That’s not the case. It’s just that the Divine Fire Seal has already recognized me as its master, so having my bloodline aura will make the Divine Fire Seal have no resistance.”

“If it is a brand new bloodline aura, the Divine Fire Seal will resist violently. It’s not that easy to make the Divine Fire Seal recognize its master.”

“It took me half a month to make the Divine Fire Seal recognize its master, and I almost died!”

The old master said slowly!

After hearing this, Chen Ping nodded slowly. He had never practiced dual cultivation with Zhu Ling at all, but just lied to the old master!

Now it seems that if you want to learn the ultimate fire fusion, you must first let the Divine Fire Seal recognize its master, and then use the Divine Fire Seal to comprehend the method of ultimate fire fusion!

In this case, you really have to practice dual cultivation with Zhu Ling, so that it will be easier for the Divine Fire Seal to recognize its master!

Chen Ping wanted to, but he didn't know if Zhu Ling agreed!

"Girl, come in..."

The old master called Zhu Ling!

Zhu Ling pushed open the door of the hall and walked in. When she saw that the black air surrounding the old master's body had disappeared and he was obviously much more energetic, Zhu Ling's face was full of disbelief!

"Father, are you...are you okay?"

Zhu Ling asked excitedly!

"It's okay. The demon soul in my sea of consciousness has been eliminated. I have to say that the man you chose is really good."

The old master nodded and said!

“Man?” Zhu Ling was stunned. After looking at Chen Ping, she said, “Father, did he help you eliminate the demon soul?”

“Of course it was him. If I could eliminate it myself, wouldn’t I have eliminated it long ago?”

“You are such a kid. If there is such a big thing in the future, you must tell me first.”

The old master complained!

“Big deal?” Zhu Ling was even more confused. She thought it was about bringing Chen Ping to find him, so she lowered her head and said, “Father, I remember, I won’t dare to do it again...”

“Okay, I don’t mean to blame you. This is your own choice. As a father, I must respect your choice.”

“It’s getting late, you should go back. If you wait until dawn, you will be discovered.”

The old master waved his hand and said!

Chapter: 6576

“Father, since you are fine, don’t you come out with us?”

Zhu Ling asked puzzledly!

Since everything is fine and you are not crazy anymore, why don’t you go out? It’s just right to take back Huo Yuanting’s acting master!

“Although the demon soul has been destroyed, my consciousness has been severely damaged and I must recuperate.”

“If I go out now and let Huo Yuanting know that I am awake, he will definitely be desperate.”

“After I recover, I will open the God Fire Mountain and let the God Fire Seal see the light of day again.”

“At that time, the son-in-law can use the God Fire Seal to comprehend the art of fire fusion!”

The old master said slowly!

“Son-in-law?” Zhu Ling was confused!

Chen Ping was shocked and hurriedly pulled Zhu Ling and said, “Sister, it’s getting light, let’s go quickly, otherwise it will be troublesome...”

Chen Ping didn’t dare to let Zhu Ling stay for a long time. If they continued to talk, it would be exposed!

In this way, Zhu Ling was reluctantly pulled away by Chen Ping!

“Junior brother, what did my father mean just now? He seemed to call you son-in-law? What did you talk about?”

Zhu Ling looked at Chen Ping and asked puzzledly!

“Oh, we didn’t talk about anything. We just discussed the method of fusion of fire. You just heard it wrong.”

“The old master said we were just chatting. He meant that we would find him when we have free time. The old master and I have a good temper.”

Chen Ping could only explain randomly!

“Is that so?” Zhu Ling was puzzled!

“Of course, Senior Sister, do you think the old master calls me son-in-law? Wouldn't I be Senior Sister's husband in that case?”

“If I had a dual cultivation partner like Senior Sister who is as beautiful as a fairy and has a graceful figure, I would wake up with a smile in my dreams.”

Chen Ping said with a grin!

“Humph, who will be your dual cultivation partner?” Zhu Ling rolled her eyes at Chen Ping, but it can be seen that she was not angry!

“Senior Sister, have you never thought about finding a dual cultivation partner? Or do you have no men you admire?”

Chen Ping asked when he saw Zhu Ling's expression!

Chapter: 6577

Chen Ping must be patient and persuasive. If he can really practice dual cultivation with Zhu Ling, it will be great. It will be easier to let the Fire Seal recognize the master!

“Why are you asking these questions?” Zhu Ling looked at Chen Ping vigilantly!

“I... I’m just curious about what kind of man can enter the eyes of my senior sister.”

Chen Ping said!

“There is a man who has always made me curious.” Zhu Ling said!

“Who?” Chen Ping asked!

“A guy named Chen Ping. I heard that this person is just in his twenties, but he has unfathomable strength.”

“And the Demon Sealing League took out a hundred years of offerings to kill this Chen Ping, but Chen Ping escaped repeatedly and couldn’t do anything about him.”

“I really want to meet this Chen Ping. What kind of person is he that can make the Demon Sealing League pay so much attention to him.”

Zhu Ling’s eyes were full of admiration and yearning!

It seems that she really wants to meet Chen Ping, to meet this man who makes her curious!

Hearing Zhu Ling say this, Chen Ping smiled in his heart!

“Sister, to be honest, I am the Chen Ping you mentioned...”

Chen Ping looked at Zhu Ling seriously and said!

Zhu Ling was stunned when she heard it, and then she slapped Chen Ping with her palm: “If you dare to talk nonsense again, I will kill you. How could Chen Ping be a pervert like you?”

“You only take advantage of girls, and I haven’t settled accounts with you yet...”

Just when Zhu Ling made a move, the sky suddenly flashed with light, followed by a roar!

Zhu Ling’s face changed instantly, and Chen Ping also frowned!

It turned out that Zhu Ling had just touched the magic circle accidentally. Originally, Zhu Ling had a formation plate in her hand, which could easily pass through the magic circle!

It was just that Zhu Ling was careless. When she started just now, she accidentally touched the magic circle, which activated the magic circle!

With the activation of the magic circle, more than a dozen breaths were coming here quickly!

“It’s bad, it’s bad, we’re going to be discovered this time.”

“Junior brother, leave quickly. If they catch you, it will be troublesome.”

Zhu Ling urged Chen Ping to leave!

Chapter: 6578

“Senior sister, what are you going to do?” Chen Ping asked!

“I’m fine. They dare not do anything to me. But you, as an inner disciple, will definitely be caught if you come here.”

Zhu Ling said anxiously!

“Senior sister, you go. I’ll stay here. If you are discovered by them, your array will definitely be discovered, and your secret meeting with the old master will also be discovered.”

“Maybe the old master will recover and the demon soul will be destroyed, and it will be troublesome.”

“I’m a new disciple, so I’m curious and wandering around. They shouldn’t suspect anything.”

Chen Ping analyzed the pros and cons for Zhu Ling!

“Junior brother, this...”

Zhu Ling also knew that what Chen Ping said was right, but she was still a little embarrassed to let Chen Ping stay alone!

“Sister, I will be fine, please leave quickly!”

Chen Ping pushed Zhu Ling!

Zhu Ling could only nod and said to Chen Ping: "Junior brother, be careful."

"Sister, don't worry, I will be fine."

After Chen Ping finished speaking, he pushed Zhu Ling vigorously!

Zhu Ling passed through the magic circle and ran quickly towards her courtyard!

When Chen Ping saw Zhu Ling leave, he was relieved, and then pretended to be panicked, and kept touching the magic circle in front of him with both hands!

The magic circle was activated, and a series of defensive auras hit Chen Ping, directly knocking Chen Ping out!

This is the effect Chen Ping wanted!

Just when Chen Ping was knocked to the ground by the magic circle defense, more than a dozen figures appeared at the same time!

"How dare you break into the forbidden area of Zi Yanmen without permission!"

Huo Yuanting was suspended in the air and shouted angrily!

Next to Huo Yuanting, there were Huo Dong and several elders!

Elder Yu and Wei Qing were among them!

When they saw that it was Chen Ping who fell to the ground, they were all shocked!

They never thought that Chen Ping would come here!

He even touched the formation and activated it!

“Junior brother, why is it you? Why did you come here?”

Wei Qing asked in surprise!

“Senior brother, I got up early and was bored, so I wandered around. How could I know that this is a forbidden place and there is a formation to protect it.”

“I was hit by the formation and I still feel pain all over my body...”

“Since it is a forbidden place, you should at least put up a sign to remind me. I almost got injured.”

Chen Ping said angrily!

Chen Ping broke into the forbidden place privately and activated the formation, but he was not happy!

Seeing Chen Ping say this, Elder Yu was angry and laughed!

Chapter: 6579

“Elder Yu, is this your new disciple, the one who defeated Liu Shitong?”

Huo Yuanting looked at Elder Yu and asked!

“Exactly, because of his poor teaching, his disciples got into trouble. Please ask Master Huo to punish him.”

Elder Yu had no choice but to carry it for Chen Ping!

Huo Yuanting glanced at Chen Ping coldly, and then said to the elder: “Trespassing into forbidden areas should be abolished and expelled from the sect.”

“However, if the first offender is an unintentional act, he will be punished by thinking about crossing the cliff for three days.”

After Huo Yuanting finished speaking, he disappeared in a flash!

Huo Dong gave Chen Ping a cold look and left immediately!

Elder Yu and Wei Qing fell in front of Chen Ping, Elder Yu’s eyes were full of displeasure!

“I have already said that I will definitely take you to see the old sect leader if I have the chance, but you actually came here privately.”

“Fortunately, Huo Yuanting has been busy opening the sacred volcano in the past few days and has not done anything serious. Otherwise, you would not have been thinking about crossing the cliff for three days.”

Elder Yu knew that Chen Ping came here on purpose!

“I have already met the old sect master, there is no need to look for opportunities!”

Chen Ping said with a faint smile!

“What?”

Elder Yu and Wei Qing both looked surprised!

“How is it possible? If you want to see the old sect leader, you have to go through several formations, and in the end there are several formations superimposed on each other.”

“There is also a killing formation in that formation. Even Elder Cui said there is no way to pass through it.”

“How could you possibly meet the old sect master through these formations!”

Elder Yu obviously doesn't believe Chen Ping!

“Forget it if you don't believe it. I did see the old sect leader, and his symptoms of madness are gone. It's just that his consciousness is seriously damaged now and he needs to rest for a while.”

“When the old sect master recovers, he will take charge of the Ziyang Sect again.”

Chen Ping said!

“Junior brother, are you telling the truth? You didn’t lie to us, did you?”

Chapter: 6580

Wei Qing asked excitedly!

If the old sect leader recovers and takes charge of the Ziyang Sect again, then they won’t have to be angry with Huo Yuanting anymore!

“How can you prove that you have met the old sect master?”

Elder Yu looked at Chen Ping. He really couldn’t believe what Chen Ping said!

If what Chen Ping said is true, then it is great news for them!

“I have nothing to prove, but what I said is the truth.”

“If you don’t believe it, you can watch...”

After Chen Ping finished speaking, he gently stepped forward to touch the formation in front of him with his hand!

“What are you going to do? If you are activating the formation, it is not Guan Sansan thinking over the cliff.”

Elder Yu didn’t know what Chen Ping was going to do!

But Chen Ping still slowly touched the formation with his hand, followed by a flash of white light!

The formation was not activated, but a huge gap appeared!

Chen Ping passed through the gap and directly penetrated the formation!

In this way, Chen Ping walked back and forth three or four times!

Then Chen Ping waved his hand again, and the formation was restored, as if nothing had happened!

Elder Yu and Wei Qing looked at Chen Ping, both of them were confused!

Are they wondering why Chen Ping actually knows the art of formation?

Could it be that Chen Ping is still an array master?

“Now you should believe that I can meet the old sect leader, right?”

“These formations are no different from a child’s play house in my eyes. They can’t stop me at all.”

“But what I said must not be told to others, lest Huo Yuanting find out and jump over the wall to launch a surprise attack.”

Chen Ping said to Elder Yu!

“Don’t worry, no one will know.”

Elder Yu looked at Chen Ping in shock, and then said: “But you have to go to Siguoya and stay for three days. There is no way I can plead for you.”
